The landscape is a vast, snowy mountain range with rolling hills and sharp peaks under a cloudy sky. The light from the sky creates a strong lens flare effect, illuminating the scene.

ASCEND. ASCEND ASCEND ASCEND

This is a spontaneous spiritual song received by the Bondservant of Christ John when he was caught up to the Holy Hills during a Live Sunday service on June 18th 2023.

He sang in the spirit and the whole congregation caught the song while many were teleported by the Holy Spirit to see the Holy Hills of the Lord. The Holy Hills of the Lord has opened to everyone, in every nation, who genuinely hunger and fervently thirst for righteousness.

Matthew 5: 6

Blessed are the pure in heart for they shall see God.

They shall ascend to the holy hills to behold the beauty of His holiness.

The Psalmist said

Who shall ascend into the hill of the LORD? Or who shall stand in his holy place? He that hath clean hands, and a pure heart; Who hath not lifted up his soul unto vanity, nor sworn deceitfully.

He shall receive the blessing from the LORD, And righteousness from the God of his salvation.

Psalm 24:3-5

In the chapters of these texts, we will thoroughly excavate what makes us qualify to ascend the Holy hills unhindered. This has been God's desire from the beginning of the creation of man.

To have intimacy, fellowship, communion, to dwell in man and abide with Him forever. Salvation only provided a door, a way, an avenue for the eternal plan of God which was established even before the world began.

‘And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in them; and I will be their God, and they shall be my people’

2 Corinthians 6:16

“That which we have seen and heard declare we unto you, that ye also may have fellowship with us: and truly our fellowship is with the Father, and with his Son Jesus Christ.”

1 John 1:3

Man was created as a host, a house, a dwelling place for God.

Finally we have arrived at the timeline of the prophecies of Joel, Obadiah, Isaiah, Jeremiah and indeed many ancients, they looked ahead and they saw a day when the nations will be given access to the presence of the Lord. When all nations will long for holiness and flow to Zion.

"And it shall come to pass in the last days, that the mountain of the Lord's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it."

Isaiah 2:2

"But upon mount Zion shall be deliverance, and there shall be holiness; and the house of Jacob shall possess their possessions."

Obadiah 1:17

"The Lord loveth the gates of Zion more than all the dwellings of Jacob."

Psalms 87:2

"For the Father himself loveth you, because ye have loved me, and have believed that I came out from God."

John 16:27

God's open invitation to all nations to come to His Holy hills, this is the yearning of the Father's heart.

THE BOND SERVANT'S INTERCESSION FOR THE ECCLESIA

Lord You are beautiful, hear the cry of Your people touch and bless them. Touch our hearts. Let there be transformation, Holy Spirit. Bring change in their families, O God.

Jesus show Yourself beautiful in their hearts. Manifest Your glory, Your power. Clean everyone up, bring us unto righteousness. Implant in our hearts the passion, the fierceness of the Spirit to walk in Your statutes, to keep the precept of Your ordinances. That we might be entrusted, that we might be lost in the love of the Lord.

We seek for You. You are our priority. You are our need. You are our inheritance. You are precious Jesus the creator of the universe. Jesus Christ, the son of the living God. We worship You. You are the reason we are.

Thank you that you have appointed us. Even in this season to represent Your power, Your holiness, Your righteousness. Oh Lord, I just ask You this morning that You will look upon the hearts of Your people and draw them into that deep essence of Your word and Your cross and Your holy callings. Oh God. Bring us to the place of perfection. That we might walk in Your Spirit, being filled with the knowledge of Your will, walking worthy of the Lord unto all pleasing.

Many have fallen away and many have fallen out. Oh Lord, we are grateful that You have also preserved Your people from falling away.

Oh Lord, in Your hands we commit our hearing. In Your hands, we commit the visions of our sight. In Your hands, we commit the imaginations and the thoughts of our minds. We seek Your will, not our will. We seek Your presence not our ways, We seek the presence of the Spirit and the prudence of the Lord. We seek the alignment of the Holy Spirit.

We seek that tough way. We seek, oh God, the Spirit's scourging of your love. We seek the chastisement of Your love, gracious Holy Spirit. Oh, show us that part of righteousness, that we may stand confidently before thy presence and declare the scepter of Your love, to come into alignment with holiness.

For though we have heard the truth, how much of the truth has prevailed in our lives? Oh, gentle Jesus, I pray this morning that You will knock the hearts of men one more time and see, see if they will again respond to that unique calling unto total surrender into Your will. We are not here to seek for what we want.

We are here to seek Your will. Lord, is there anything in us that is wanting? Is there anything in us that has displeased You? We ask for mercies and grace that You might purge us one more time and bring us to that place of perfection. That we might be qualified to be used of God even as many are falling away. Oh God, we will not be part of those that will fall out of grace, out of faith, but we will carry the cross stronger and stronger and stronger even in this terrible, terrific period of time that has risen. The clouds of darkness will not cover us, but we shall come under the cloud of the light of God's glory, exempted from the destruction and the falling away that is already in the atmosphere.

Oh, God set us free from the compromise of the season. Do not allow us to enter the state of a reprobate mind. Don't let us go into the state of apostasy. But surely, Thou shall preserve the remnant.

Surely, Thou has preserved the remnant. Surely, Thou have guarded the hearts of the chosen ones. Thank You because the elect will not be deceived. The elect will not fall away. For Thou, O God, art Holy and Just, Thou, O God, art eternal, Immortal, the everlasting King of glory. We thank You for this precious moment of your Spirit.

And I pray for our generation. Oh God, that You show your mercies. One more time that You might visit the nations and this generation just like you visited, just like You showed Yourself in time past to our fathers to mortify, to crush, to increase our trust and our desires to know You even deeper and deeper Holy Spirit.

For we thank You, Lord. You are precious Jesus. You are so Holy and Righteous. And there is none like You, Yeshua. We know that You have the control. But one thing I ask of You, You will look upon these saints. Teleport them into the realms of reality. Bring them into brokenness of Spirit that they might experience the oil, the refreshments that comes from the Son, from that oil of brokenness.

Father, there is an aspect of Your glory that this generation must experience. I ask You, God, that You show them these things, that they might come under surge of Your glory.

Oh Lord, there is that place of brokenness that man has not yet experienced. That brokenness has become the soul access to the place of intimacy with Your glory and power.

Father, remove the darkness of the season and bring them into the vision, not pleasing our flesh, not pleasing our hearts, not pleasing our insecurities. Rather, we will be captured in Your power, in Your glory. Oh God, show us the dimension of the spirit to break through into the dimensions of Your love, into the height, the depth, the width of Your love.

We want to see You, Lord, because when we see You, we become like You. We are changed. We are transformed. I pray, Lord, that this generation will have a tangible experience of Your glory and power. Father, let the days of letters be over. But the days of reality, the days of Your glory will be revealed even in these last days.

I pray Father, as I intercede for everyone, bless their families, bless their health, bless their endeavors. Just as You have shown You are faithful throughout generations, I pray that You show Yourself faithful to Your saints.

Thank you Holy Father. You have heard my cry. You have heard my prayer. I bless you Lord Jesus. Amen.

EMBRACING PURITY DIFFERENCE BETWEEN LOVE
AND LUST

CHAPTER ONE

UNDERSTANDING THE CALL TO HOLINESS

Righteousness is God's first number one inheritable nature. When this nature of Christ prevails, it creates the altar of holiness, because God dwells in holiness. So, whenever God wants to visit a person, His holiness descends first. When God shows up, His holiness comes first. If God must come upon your body, you must be purged, which will consequently result in immortality, you must present your body holy, to escape from mortality, diseases, and physical death.

‘And he said, Draw not nigh hither: put off thy shoes from off thy feet, for the place whereon thou standest is holy ground. Moreover he said, I am the God of thy father, the God of Abraham, the God of Isaac, and the God of Jacob. And Moses hid his face; for he was afraid to look upon God’.

Exodus 3:5-6

‘Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the King, the LORD of hosts. Then flew one of the seraphims unto me, having a live coal in his hand, which he had taken with the tongs from off the altar: and he laid it upon my mouth, and said, Lo, this hath touched thy lips; and thine iniquity is taken away, and thy sin purged’.

Isaiah

6:5-7

You must present your body as a living sacrifice, holy and acceptable unto God. Until your body qualifies in these dimensions, the presence of the Lord will not descend on it. Thus many men die like natural men, hence the necessity for my gospel. The campaign of life, incorruption, immortality through sonship.

'I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service' **Romans 12:1**

You may be born again and have a measure of faith, but without allowing eternal life to take complete hold of your body, you will die. This however is not the ultimate will of God. Death is an enemy, eternal life, immortality in your physical body is God's perfect will. You can walk in immortality progressively as you present your body as a living sacrifice to a holy God, His glory, His power, His presence will descend upon your flesh and mortality will give way.

'And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent.' **John 17:3**

If the church today would return to the measure of purity and holiness that the early church had and demonstrated, we will be rewarded with immortality. The early church was called in holiness and rewarded with martyrdom.

They were called to be faithful unto death for the resurrection crown of eternity prepared for them. Go and study very carefully, all those who laid down their blood for Christ have a special place in eternity. They rejoiced exceedingly and counted it an honor to suffer for Christ.

"Fear none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life."
Revelation 2:10

The last days' church will receive the outpouring of the Holy Spirit as the scripture has said and be faithful unto immortality. The outpouring of the Holy Spirit depends on the quality of holiness of the latter house, because the Spirit of God cannot come upon anything unholy. That is why the Spirit begins to work within you first to sanctify you, because justification qualifies you for sanctification. If you don't complete the process of sanctification, you can never receive the holiness of God, the glory of God upon your human body.

"And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God."
1 Corinthians 6:11

"Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified."
Romans 8:30

The set time will come in our lives as believers. We will come to that point of maturity where we're going to die completely. That's the only time we will be resurrected to carry his glory. Nobody will ascend without first going through death.

I'm not talking about physical death at all. You must die completely to your old self. You must die to sickness, diseases, cravings and desires of the flesh, how? By crushing, bruising, and releasing stripes on your body.

He must cut your flesh and get rid of every parasite.

That's why if any preacher comes to tell you that Jesus died for your sins and you're forever cleansed, it won't work. That story does not work. Listen, sanctification, purification, glorification, which results in divine health, requires a lot of bruises on your body. You must discipline, buffet, scourge your body. Paul said, "

"If ye endure chastening, God dealeth with you as with sons; for what son is he whom the father chasteneth not? But if ye be without chastisement, whereof all are partakers, then are ye bastards, and not sons. Furthermore we have had fathers of our flesh which corrected us, and we gave them reverence: shall we not much rather be in subjection unto the Father of spirits, and live? For they verily for a few days chastened us after their own pleasure; but he for our profit, that we might be partakers of his holiness. Now no chastening for the present seemeth to be joyous, but grievous: nevertheless afterward it yieldeth the peaceable fruit of righteousness unto them which are exercised thereby."

Hebrews 12:7-11

"But when we are judged, we are chastened of the Lord, that we should not be condemned with the world." **1 Corinthians 11:32**

"But I keep under my body, and bring it into subjection: lest that by any means when I have preached to others, I myself should be a castaway." **1 Corinthians 9:27**

The devil is your flesh, that's the principle in your body that wants to have its way. It wants to lead you in a direction

contrary to the life within. Until you kill those parasites, you can never escape sickness. You have to deactivate them from your body, otherwise you can never escape mortality. This is how Paul handled his body, and that was why he was successful.

He overcame his flesh. It is not by saying, "My body is a temple of the Holy Spirit." Rather he said, "I keep my body under, and I bring it into subjection." I imprison my body. I challenge you to go and study the Greek meaning of the phrase, "to bring the body into subjection." The word "bring into subjection" is the word "to buffet," meaning to give it a cut, or to cut it, to wound it, to oppress it, to attack it, to go against it, to scourge it, to just treat it as an enemy.

You treat your body as an outcast because your body is not fashioned to glorify God. Your flesh will always lead you to do something that will limit the call of God in your life.

"This I say then, Walk in the Spirit, and ye shall not fulfil the lust of the flesh."
Galatians 5:16

Jesus taught extensively about his unequivocal love for his Father. He was always bragging.

'I came to do the will of my Father, I love my Father'. 'The works I see my Father do, those works I do'. 'What I hear Him say, that's what I say.

And God said, "Okay, it is my will that you drink the cup of suffering. His flesh responded ' If it's possible, remove this cup, but not my will, but yours be done'. He went into prayers. He was scourging, screaming, groaning. That night, the sweat that came out of his body was like they took blood from his veins. He was trying to penetrate the heart of the Father. Yet, the Father was firm. His perfect will was unchanged. The truth is that your body, feelings, sentiments, can easily be targeted by the devil.

'And He went a little further, and fell on his face, and prayed, saying, O my Father, if it be possible, let this cup pass from me: nevertheless not as I will, but as thou wilt'

Matthew 26:39

Eventually after pushing through in prayers, He prevailed over the feelings and cries of his flesh and proceeded to submit his body to his Father's will.

"Set your affection on things above, not on things on the earth."

Colossians 3: 2

To set your affection means to focus your attention, your love, your passion, your desires on the Lord. You are the one to set it, turn your heart, your mind, your body, your total being to the Lord. This will determine your choices. Your affection will control your urges and eventually your outcomes. I am not here for money, I am here for a greater course, to fulfill the will of Him that sent me and to please Him in all things. You are also here living your life based on the choices you make, to choose things on earth or to love the Lord with all your heart.

If God grants me immortality, then His name be praised. I have a record that I walked with the Lord that will follow my eternity, which is the most important aspect of living. Forget about the pleasures, the lies, the money, the deception of this world. That's why Jesus said to John,

"He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still. And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be."

Revelation 22:11,12

Let nobody lie to you, they have told you that the sacrifice of Jesus has taken care of your works, it's a lie, I can give you two, or three more scriptures that does not support such a claim.

"Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling."

Philippians 2:12

"For if ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live."

Romans 8:13

"Whosoever abideth in him sinneth not: whosoever sinneth hath not seen him, neither known him. Little children, let no man deceive you: he that doeth righteousness is righteous, even as he is righteous. He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that he might destroy the works of the devil. Whosoever is born of God doth not commit sin;

For his seed remaineth in him: and he cannot sin, because he is born of God. In this the children of God are manifest, and the children of the devil: whosoever doeth not righteousness is not of God, neither he that loveth not his brother."
1 John 3:6-10

What the sacrifice of Christ covered is your access to salvation. Now that Christ is in you, you must allow that life to give expression to the works of Christ.

"Whereunto I also labour, striving according to his working, which worketh in me mightily."
Colossians 1:29

I'm preparing as I press for immortality, I am ready anytime. Some people don't know that God is not a man, He is holy and uncompromisingly righteous. God is a creator who rained hailstones to wipe out a whole nation into damnation because of their disobedience.

The problem is that man does not have the fear of God anymore. We have to return to the fear of God. You are inexcusable before a holy God. Everyone of us will face the judgement of God. Everybody has a time that God will come to judge him, the judgement of God is uniquely timed for each and every one of us.

My time of judgement will soon come and your time of judgement will soon come too. Before the major judgement happens God is going to judge us individually. That's why Paul said "let every man judge himself first that he may not be judged by God".

For if we would judge ourselves, we should not be judged.

1 Corinthians 11:31

If you can judge yourself now then God's judgement will not come on you. I encourage you to carry out a detailed study on judgements rather than to just run with one judgement, because there are several series of judgements. For instance Jesus said to a particular church, one of the seven churches in the book of Revelation, He said

“Remember therefore from whence thou art fallen, and repent, and do the first works; or else I will come unto thee quickly, and will remove thy candlestick out of his place, except thou repent.”

Revelation 2:5

This is not the final coming of the Lord. This is an individual thing God said to that particular church. I will come quickly to you, not to all the churches but to that particular church, I will come quickly and judge you and remove your candlestick. Get the point, that God can decide to judge you today. God can decide to come to you now and bring judgement. To some he will say depart from me.

“And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.”

Matthew 7:23

If you do not keep my commandments, do all of my works, but you worked iniquities, then He will say depart from me because you walked and lived in iniquities. So this specific judgement that came to these people was because they were living in sin.

I know that my holiness will open the heart of the Father to me.

The Father will come with Jesus and make their abode in me. That you are born again does not mean that Jesus will manifest himself to you. That you are born again does not mean that God the Father and Jesus will come together to make their abode in you. Let nobody lie to you that you can access the fullness of God by confession -'hallelujah I've got the fullness of God in me I'm born again'. That is not how to get it.

Jesus says if you desire that I manifest myself to you, you will keep my commandments. So the question is, how do you keep his commandments.

“He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him.” **John 14:21**

It means that he that loves me will not struggle to keep my commandments. The key is to deliberately as an act of your will, make a choice to set your affection, your desires, your passion on Him. If you love me, then you will not commit fornication, if you love me, you will not lie, if you love me, you will not manipulate people, if you love me, you will not extort from people.

The sign that you love me is that you keep my words. Jesus says my Father will love you and then he will command me to manifest myself unto you. When I manifest myself unto you I will give you my Word, then when you return from that encounter and keep my Word (notice He has moved from commandment to my Word) because commandment is the written word of Christ.

Now the Word is Christ Himself, so if you walk with Him, if you keep the revelation of Christ, if you become the image of Christ, He said my Father will love you. He repeated the Father's love again.

This is the second dimension of love, then he said, I and my Father shall come and we shall make our abode in that man. This is the core, the heart, the center, the crux of my gospel. This is where I'm trying to take the church into, because without capturing the visions of Christ in the realm of encounters you can never have that dimension manifest in reality.

This is the vision, the mission, the assignment of this ministry, to make manifest Yeshua the living Christ. It takes a man that has seen Jesus in the realm of vision to receive the word of the Lord, and it takes a man that has kept that word to have the Father and the Son come to make their abode in that man. Until this aspect of God's glory becomes visible and established on the earth forget about the rapture. Yesterday God spoke to me, as I was laying on my bed, he said don't approach the people in a certain way, leave them to their choices, you will know who they are in the future, what they do will catch up with them. He said do you think you are the only one who is angry, tearing, groaning daily? You will know who they are in the future, He said my spirit has been grieved beyond measure. He said how can they hear the truth and yet choose to live in sin, how can they hear the truth and choose to live in manipulation, He said leave man to what they have decided to be, because I gave them the power of choice. Their choice can lead to life, their choices can also lead to death. That is how I've designed it. My word is clear, my word is not changeable, my word is everlasting, It has been settled in heaven.

There is no amount of temptation you think you have gone through that somebody else has not gone through, there is nothing that you think you are facing right now that somebody did not face and came out victorious. The cloud of witnesses will come out to say, what you went through and failed, I went through it and I made the choice to be victorious. Another person will say I and Mr. B were in the same situation worse than what you went through, and I stood my grounds and I made it, look at my crowns of righteousness.

“There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it.”
1 Corinthians 10:13

CHAPTER TWO

BEWARE OF PARASITES IN YOUR BODY

God desires you to war efficiently in the dimensions of your human flesh because if you're unable to war victoriously over your flesh you will be incapacitated to present your body holy unto God. God does not consume unholy sacrifices, when God wants to consume your body it means that he wants to glorify, he wants to envelope your body with his glory. So for God to envelope your body with His glory, you would have to present it holy acceptable and as a sacrifice unto God.

Now, there is a parasite in your body the bible calls it 'the works of the flesh' the deeds of the flesh and your members which are upon the earth. They are parasites, they are the agents of sin attached to your body. They are the things you inherited from the first fallen nature. The Holy Spirit will not remove it without your consent because they are your members. They are part of your will, they are part of your urges, they are part of your unrenewed mind. So it will take your cooperation with the Holy Spirit to remove it, to kill it, to destroy it, then you will be cleansed.

The cleansing of the body is when we have mortified the works of the flesh or the deeds of the flesh and that's when we will come out of the field of diseases, the field of mortality, and the field of every mortal corruption that is in existence in the human body.

So what is flesh Pastor John? Flesh is that aspect of you that wants you to sin. Flesh is that aspect of you that does not want you to forgive or to let go easily, you are full of rejection, anger, depression. This is flesh at work. Pride is the lifeline of the human flesh. Pride especially when it comes to rejection, insecurity, depression, rights, is actually sustained by the pride of life. You can't let go if you're full of yourself. 'You spoke to me this way, this is not how you should have addressed me' it's all insecurity being sustained by pride.

The Bible calls it the pride of life. When Jesus hung on that cross he said Father forgive them for they do not know what they are doing. He didn't take it personal, he looked at it from a higher perspective. He saw it from the realms of the spirit, He knew that this is not of the will of the individuals. These groups of people are not walking as they will. Somebody has influenced them, somebody has hijacked their minds. If they are to come into their individual senses they would not have reacted or taken that position, so Jesus saw beyond what was happening in the physical. His pride didn't come in. He withstood the deception of the devil and saw it from a higher perspective. If you don't deal with the flesh in your soul and the flesh in your bodies you are finished.

Flesh is not only found in the human body, there is the flesh of your body and the flesh of your soul, you must understand that Satan has infused flesh in different areas of your life. For instance there's flesh that attacks your spirit, there is flesh that attacks your soul and there is flesh that attacks your body. If you don't understand the different types of flesh that attacks different parts of your human consciousness then you will be in trouble.

You wouldn't know what to do and how these parasites eat up every area of your human existence. For instance when Satan strikes you with bitterness, that becomes such an attack on your human spirit, bitterness attacks your spirit.

Bitterness is a sin against your spirit, evil motive is a sin against your spirit. When you conceive something in your heart, that's a terrible sin. Do you know that people who conceive things in their heart know what they're doing, they try to use words to manipulate how people should perceive it.

Sin of the heart, a deadly sin, that was the sin of Judas. Christ said to Judas, go and do that which you have conceived in your heart. It's already a conception, you are aware of what you're doing, you've plotted the evil, you have conceived it in your heart, so for such people don't expect the glory to come upon you.

Listen there are mistakes that are genuine, God sees when we make mistakes, but when we know what we're doing, you think you can deceive God? You can deceive yourself, you can deceive your pastor, you can deceive people around you, but you cannot deceive God.

"I the Lord search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings."

Jeremiah 17:10

God searches the heart so you've got to be careful the thoughts you welcome into your heart. Mortify the flesh so that you can present your body a living sacrifice, kill the flesh. God is looking for a pure body, he's looking for a holy body, a body free of sin, a body free of the parasite of the flesh.

"And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions:"
Joel 2:28

This scripture was referring to the human purged body, not all flesh, it's not going to come upon the flesh of fornicators, the Holy Spirit will not come upon the flesh of greedy men. When God says I will pour out my Spirit on all flesh, what does that mean? I'm going to pour out my fullness, it will come upon your body, it will come upon your brain cells, it will come upon your soul. So when the Spirit falls on a man, it means that the Spirit of God will take hold of the entire person, the final infilling of the Spirit is the Spirit upon the outer man. But, before the Spirit can come upon the man, the spirit within that man would have to grow and dominate everything that is within that man. This includes the spirit of that man, the soul of that man, the mind of that man, the urges of that man, the intellect of that man, the will of that man, the choices of that man, every faculty of that man, the brain cells of that man, the brain impulses of that man, so then the spirit can now come upon the entire being.

When the Bible says that God will pour out His Spirit upon our flesh, what does that mean? It means that God is going to take hold of the spirit, soul and body of that individual. Flesh as used in the Hebrew is body. Apostle Paul said, now we must

present our bodies a living sacrifice, holy, this is the only condition that makes it acceptable.

The Spirit of God is not going to come on a filthy body, the Spirit of God is going to fall upon the bodies of individuals who by the Spirit have mortified their members, the works of the flesh, the deeds of the flesh, then their bodies are free from the parasite of flesh and then the Spirit of the Lord will fall upon them and take hold of their entire being.

REFLECTION EXERCISE

Dear saint, read each question carefully and take your time to consider your responses. There are no right or wrong answers; instead, focus on honesty and sincerity in your reflections.

1. How aware are you of the "parasites" of the flesh within you, such as pride, anger, or insecurity? Reflect on specific instances where these have influenced your thoughts or actions.

.....

.....

2. Consider Jesus' example of forgiveness on the cross. How can you apply His perspective to situations where you feel wronged or hurt?

.....

.....

.....

.....

3. Reflect on the concept of "conceiving sin in your heart." Are there areas in your life where you've harbored thoughts or intentions that are contrary to God's will?

CHAPTER THREE

IDENTIFYING AREAS OF VULNERABILITY

Identifying areas of vulnerability is the first step in safeguarding our purity. By recognizing our weaknesses and relying on the strength of Christ, we can overcome temptation and walk in the fullness of God's holiness. As humans, we all have weaknesses and vulnerabilities that satan seeks to exploit. However, through Christ, we can overcome these vulnerabilities and walk in victory.

"But each person is tempted when they are dragged away by their own evil desire and enticed. Then, after desire has conceived, it gives birth to sin; and sin, when it is full-grown, gives birth to death."

James 1:14-15

So by consciously identifying these areas, we can guard ourselves against temptation and sin, ultimately honoring God with our bodies. Physical bodies are susceptible to various influences and desires that can lead us away from purity. These vulnerabilities may include sexual desires, cravings for unhealthy substances, or the temptation to engage in harmful behaviors.

"Or do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, for you were bought with a price. So glorify God in your body."

1 Corinthians 6:19-20

Our bodies are temples of the Holy Spirit and should be treated with honor and respect. Never play with things that could corrupt your spirit. Your future is in your hands; you need a sound mind to deal with the challenges that lie ahead. Emotions and sexual entanglement

can destroy a person, causing them to lose focus. If you start giving your body to all those emotions, entanglement, and the complexities of a relationship, you risk compromising your future.

When there is love, and there is sex, entanglement follows. The moment you engage in sexual activity, you are bound in a form of marriage. Entanglement enslaves a man, the woman may feel entitled to you because, in her eyes, sex is tantamount to marriage. It is crucial to break free from such entanglements. Break free from that person in the spirit because sex is in essence, marriage. Forget about the societal concept of weddings; they are merely open announcements declaring an intent to engage in marital relations. The true marriage occurs the day you have sex with your partner. That is essentially the act of marriage. Originally, a man was not supposed to marry a woman until a wedding took place. The wedding served as the public declaration of the impending union, and only then did the actual marriage happen, the day they consummated their relationship.

God ceaselessly warned in the Bible to flee fornication.

“Flee fornication. Every sin that a man doeth is without the body; but he that committeth fornication sinneth against his own body.”

1 Corinthians 6:18

Fornication has been a serious avenue for the invitation of marine spirits, which is the force behind infidelity, insanity, sexual perversion, prostitution, stubborn spirit husbands, stubborn spirit wives, frustration, depression, isolation, hate, divorces, and of course, close-to-success syndrome. They are the powers behind delay and slow progress. You shall not be delayed in Jesus' mighty name.

These spirits are very cunning, very manipulative, very deceptive, and full of demonic strategies. They are the spirits that turn prophets to paupets, kings to slaves, warriors to paupets. They are destiny demoters. They will demote your mission if you give them room.

In a culture that promotes moral relativism and instant gratification, it's easy to succumb to societal pressures and compromise the values of the scriptures. That is why you must make the effort to identify the ways in which worldly influences shapes your thoughts and behaviors. It is essential in resisting the temptation of conforming to the patterns of this world with your body.

“And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.”

Romans 12:2

PURSUING HOLINESS IN THE BODY

The body is a sacred vessel created by God, designed to glorify Him in all aspects of life. As a believer, it is your responsibility to honor God with your body by actively pursuing holiness and purity.

By disciplining your bodies and aligning them with God's Word, you demonstrate your commitment to holy living and you avoid disqualification from serving God effectively.

This is why as a believer, a young minister, a church worker, build a ministry and a Christian life where the intensity of your spiritual fire aligns with your depth of understanding. (Refer to my in-depth series on the baptism of fire) Your advancement in ministry should reflect genuine progress in the fire of God. Projecting a spirituality you have not attained is very dangerous. Preaching beyond the measure of your fire is risky.

Do not project a level of spirituality that you have not attained because when confronted by challenges from the adversary, you may find yourself falling woefully. Let your focus be on true spiritual growth rather than false projections. Seek genuine advancement in the fire of God, and avoid the trap of misrepresentation. This is the only time when you can build a resilient and authentic foundation within the Body of Christ.

“Mortify therefore your members which are upon the earth; fornication, uncleanness, inordinate affection, evil concupiscence, and covetousness, which is idolatry.” **Colossians 3:5**

Do you know why fornication comes first? Fornication comes first because every other sin is sustained by fornication. If you can kill fornication, adultery, or inordinate sexual urges, you are taking a significant step in eliminating other works of the flesh.

Some commit their fornication in their thoughts or imaginations, and that's where Christ's teachings come in. He states that those who think they don't commit fornication but lust after a woman has already committed immorality.

“But I say unto you, That whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart.” **Matthew 5:28**

So, there is sexual immorality of the mind and with the body, and they are intertwined. Remember that your brain cells are part of your body. The mind is the stirring of your body; the love line of your human body is the mind. The state of your body is a reflection of your mind. You can build strong fortification by dwelling long in God's presence.

Pursuing holiness in the body also encompasses caring for our physical well-being. Exercise, eating right, eliminate excess processed food. Eat vegetables and freshly cooked home made meals. Take care of your body.

"Do you not know that your bodies are temples of the Holy Spirit, who is in you, whom you have received from God?"

You are not your own; you were bought at a price. Therefore, honor God with your bodies." **1 Corinthians 6:19- 20**

CHAPTER FOUR

OVERCOMING TEMPTATION AND ADDICTION

Temptation and addiction are two powerful enemies that often threaten to derail our pursuit of purity in the body. Temptations often arise from our own desires, which, when nurtured, can lead to sin. Please note that temptations come to everyone, it is common to man, however knowing what to do when faced with temptations determines your outcome. Satan tempted Jesus many times even though he knew who He was. Jesus was not exempted from facing temptations while he walked on the earth.

One of the most powerful weapons against temptation is the Word of God. Jesus demonstrated this during His temptation in the wilderness, where He countered each temptation with Scripture.

1. TEMPTATION TO TURN STONES INTO BREAD:

"The tempter came to him and said, 'If thou be the Son of God, command that these stones be made bread.' But he answered and said, 'It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God.'"
- Matthew 4:3-4

Jesus, after fasting for forty days and nights, was physically hungry and weak. Satan seized the occasion to suggest satisfying His immediate physical needs. However, Jesus recognized the source as evil, satanic and did not give in to physical gratification even though he was hungry.

2. TEMPTATION TO BOW DOWN AND WORSHIP SATAN IN EXCHANGE FOR EARTHLY KINGDOMS:

"Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them; And saith unto him, All these things will I give thee, if thou wilt fall down and worship me. Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve."
- Matthew 4:8-10

This temptation offers Jesus an alternative, a short cut, a compromise to accomplish his mission on earth. Satan offers Jesus all the kingdoms of the world in exchange for worship. It addresses the temptation for power, authority, wealth and worldly glory.

3. TEMPTATION TO TEST GOD:

"Then the devil taketh him up into the holy city, and setteth him on a pinnacle of the temple, And saith unto him, If thou be the Son of God, cast thyself down: for it is written, He shall give his angels charge concerning thee: and in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone. Jesus said unto him, It is written again, Thou shalt not tempt the Lord thy God."
- Matthew 4:5-7

Satan quotes Scripture to manipulate Jesus into proving His identity through a miraculous demonstration. However, Jesus refuses to test God or manipulate His power for personal gain

or validation. Instead, Jesus emphasizes the importance of trusting in God's faithfulness without demanding signs, wonders, or proofs.

By saturating your mind and heart with God's Word daily, you fortify yourself against the assaults of the enemy.

Prayer is another tool for resisting temptation. Remember Jesus instructed His disciples to pray,

"Lead us not into temptation, but deliver us from the evil one"

Matthew 6:13

Through fervent prayer, we can draw from God's strength and protection in moments of temptation, because He is faithful to provide a way of escape.

SUBMIT TO THE AUTHORITY OF GOD'S WORD

The laws of God can destroy if they are contravened, although the law itself is good. For instance, a judge judges a man and sentences him to death, nobody holds the judge accountable, the judge simply carried out the constitution of the country, so nobody is going to come against the judge saying why did you kill my brother? I have never seen people come against a judge for sentencing their brother. That is how powerful laws and the judiciary can be.

1. *Romans 6:23:*

"For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord."

2. *Romans 5: 17*

For If by one man's offence death reigned by one, much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ.

3. **Revelation 20:12:**

"And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works."

4. **II Corinthians 5:10:**

"For we must all appear before the judgment seat of Christ; that every one may receive the things done in his body, according to that he hath done, whether it be good or bad."

These scriptures underscore the biblical principle that sin leads to death and judgment, but through Jesus Christ, believers receive the gift of eternal life. They highlight the importance of repentance, faith in Christ, and living according to God's will to avoid the consequences of sin rather to inherit eternal life.

It means that once God wants to destroy, he will allow you to face the consequences of your actions. Paul said there is a brother amongst you whose sexual immoral activities have become so uncontrollable, so arrogantly carried out with no remorse. This guy is so promiscuous that Paul says how could you have such a man in the church?

It is reported commonly that there is fornication among you, and such fornication as is not so much as named among the Gentiles, that one should have his father's wife. And ye are puffed up and have not rather mourned, that he that hath done this deed might be taken away from among you.

1 Corinthians 5:1-2

“In the name of our Lord Jesus Christ, when ye are gathered together, and my spirit, with the power of our Lord Jesus Christ, to deliver such a one unto Satan for the destruction of the flesh, that the spirit may be saved in the day of the Lord Jesus.” **1 Corinthians 5:3-4**

Do not allow your lusts to activate the flesh. If you can identify your lust, then the flesh will not have room for expression. If you can resist lust and kill it, you will not live according to the flesh.

The Bible shows us three powerful things that are in the world which are contrary to God's ordinances.

For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father but is of the world. **1John 2:16**

1. The Lust of the Flesh:

This involves the cravings, desires of our physical bodies, such as hunger, thirst, sex and other bodily cravings. It appeals to our basic human needs and urges, often leading us to prioritize satisfying these desires above spiritual promptings.

"For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. For to be carnally minded is death; but to be spiritually minded is life and peace."

Romans 8:5-6

2. The Lust of the Eyes:

This focuses on the allure of material possessions, wealth, and worldly pleasures. It entices us to covet what we see, leading to greed, envy, and discontentment. The eyes are often considered the window to the soul, and what we fix our gaze upon can influence our desires and actions. Scripture warns us to guard our eyes and not to be ensnared by worldly attractions: "For if your eye be single, your whole body will be full of light. If your eye offend thee pluck it out.

"And if thy right eye offend thee, pluck it out, and cast it from thee: for it is profitable for thee that one of thy members should perish, and not that thy whole body should be cast into hell." **- Matthew 5:29**

3. The Pride of Life:

This involves the desire for recognition, accolades, status, and self-importance. It stems from an inflated sense of ego and leads to deception, arrogance, self-righteousness, and a disregard for others. The pride of life can manifest in seeking fame, power, self aggrandizement and acclaim, often at the expense of humility and service to others. We must humble ourselves before God and avoid prideful attitudes.

"But he giveth more grace. Wherefore he saith, God resisteth the proud, but giveth grace unto the humble." **James 4:6**

The things you see go into your emotions to overpower your will. The lust in the world wants to creep into your flesh and bring you under subjection and control.

The lust of the eyes is in the atmosphere and if you are not careful you begin to develop what I call greed.

Greed is an intense, excessive uncontrollable desire for something. Once there is greed, you will never get anything done correctly. So the only option will be to get it through manipulation but that will be a curse on you and your generations. Anything you get through greed or manipulation is a curse because you must have done something crafty, in a crooked way to get it, and of course, greed is the source of what nourishes the lust of the eyes.

Let me say this very clearly, the gates into hell are the lust of the flesh, the lust of the eyes, the pride of life is a gate into hell that tries to get you to eternal destruction.

On the other hand the gates for heavenly experiences are Love, Faith, and Hope. For with hope you overcome the lust of the eyes, you look forward to a greater future in hope instead of lusting with your eyes. If you are not under the living hope of God's word you will come under the seduction of the lust of the eyes, if you are not under the love of God, you are going to come under the lust of the eyes.

"Seeing ye have purified your souls in your obedience to the truth unto unfeigned love of the brethren. Love one another from the heart fervently."

1 Peter 1: 22

"Now the end of the commandment is charity out of a pure heart, and of a good conscience, and of faith unfeigned."

1 Timothy 1:5

These scriptures encourage us to cultivate pure thoughts, emotions, and intentions, reflecting God's love and righteousness in our lives.

If everybody can come into that perfection of love, into that dimension of God's love, that will be the end of lust. Satan often deceives us to think that lust which seeks to gratify the flesh is love.

The atmosphere of our world is filled with lusts and the aim is to activate your flesh and to bring you under pervasive control. Do not allow the lust of the eyes creep into your sights anymore. Do not allow the works of the flesh or the lust of the flesh creep into your body anymore. You have the power of choice, you can refuse to give in. See the prescription and strong admonition given to us by Jesus.

*"And if thy right hand offend thee, cut it off, and cast it from thee: for it is profitable for thee that one of thy members should perish, and not that thy whole body should be cast into hell." **Matthew 5:30***

EFFECTS OF MASTURBATION

Let me share with you the consequences of engaging in self-stimulation. When you masturbate, you are, in essence, interacting with unseen entities. Masturbation can be considered a form of sexual engagement with imaginary beings or demons.

The act involves indulging in sexual fantasies or stimulating oneself sexually while envisioning someone in the eyes of your mind.

During this process, you are essentially performing two actions simultaneously. First, you are bewitching the person you are imagining, casting a spell of lust upon them. Second, you are engaging in a form of intercourse with a demonic entity associated with the imagined person's image, the counterfeit, an underworld manifestation.

This indirect bewitchment of the person you fantasize about could lead to a gradual casting of the spell of lust on that individual. Over time, it becomes easier to seduce the person since you have already exercised a form of bewitchment through your sexual fantasies and stimulations.

Therefore, engaging in masturbation can be likened to practicing witchcraft, not necessarily confined to traditional notions of rituals in remote locations. Witchcraft, in this context, is the act of casting spells through one's imagination, right within the confines of their room.

Masturbation is a killer of destiny. It is an embalming of destiny. Masturbation is never of God so you should understand that God is not in support of unholy sexual pleasure. If you want to be holy you've got to abstain from every appearance of unholy sexual pleasure. It is not of God.

This is not about religion, don't deceive yourself. You need to abstain from it. If you have received the Holy Ghost and you cooperate with Him, you can master your sexual urges.

You can be single and be a virgin at the same time. You didn't come to life primarily to have fun, you came to fulfill a purpose. If you want to be holy, keep your hands off of your sexual organs and keep your eyes off of things that trigger them.

Holiness is possible to keep. The devil will always want to find an expression if there is a vacuum of God's presence. In other words, what you are not willing to do will leave a place for the devil to manipulate you. You cannot expect to be walking against God's path and the devil will be afraid of you. The devil only leaves you when you are ready to obey God's word.

“So submit to [the authority of] God. Resist the devil [stand firm against him] and he will flee from you.” **James 4:7 (Amp)**

Refrain from feeding the urges, instead, focus on breaking the cycle of lustful thoughts and behaviors. Starve your lust, and in doing so, you can regain control over your thoughts and actions, fostering a healthier mental and spiritual state.

“Abstain from every form of evil.” **1 Thessalonians 5:22**

HOW TO OVERCOME PORNOGRAPHY

Pornography is anything that triggers your sexual organs. Pornography is anything that takes your focus into content that triggers sexual pleasure. pornography is an Idol.

“Turn my eyes away from worthless things; preserve my life according to your word to turn away your eyes from vain things.”

Psalms 119:37

When you yield to God the devil will flee from you. If you are addicted to pornography, you will likely struggle with some level of masturbation or uncontrollable sexual addiction because pornography is a satanic institution. The spirit of Sodom and Gomorrah, including every sexual perversion, can easily creep into your life. That is the spirit of darkness, as you are self-satisfying in a way that can lead to the enslavement of your flesh.

The Bible teaches that your body is not for fornication.

“Now the body is not for fornication, but for the Lord; and the Lord for the body.”

1 Corinthians 6:13

The anointing of the Holy Spirit is glorious and highly attractive. However, being highly anointed brings seductions of different kinds. The aim is to deplete the anointing, reduce you to nothing, and turn you into a hypocrite.

Masturbation and pornography will continue to quench the fire of the Holy Spirit until it is extinguished. Living in sexual sin prevents you from truly flowing in the spirit. Dealing decisively with lust will help to eliminate tendencies of masturbation, sexual immorality, and the inclination to connect with pornography.

CHAPTER FIVE

CULTIVATING A PURE BODY

God gave you the body, and you are responsible for your own body. Stop troubling Him. O God, where are you? So, you want Him to give you a body and also control it for you. You will see Him as a controlling force. You will still accuse Him of not giving you freedom.

If you break the law of creation, if you tamper with your genetics, if you go against the law of the body or the law of God's positioning concerning you, you have sinned against yourself. You have come out of alignment of sustainability or sustenance within the principles of your genetic codings.

When the Bible says that the angels sinned and they are being held in everlasting chains, what was the sin of the Angels? The sin of the angels was that they left their first estate, they left their first habitation.

“And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.”
Jude 1:6

In the sight of God and according to scriptures, habitation is your body. They left their estate permanently, took on human forms, developed the capability to have sex, and fell with the daughters of men, procreating giants upon the earth. These creatures, hybrids of spirits with man, corrupted the DNA, corrupted the genetics of mankind because when we break the genetic code of humanity, we have opened an absolute entry point for demons to invade that individual and our world.

Satan knows that this is the only way he would have absolute control, and that is why he introduced transgenderism, where a man is becoming a woman, and a woman is changing into a man. It is a genetic modification, an open door for demons. That is what they did in Genesis that attracted the wrath of God.

"For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another;

men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient;"

Romans 1:26-28

Because you have just mixed up what God says it should be, you were created to be a male, but you are turning yourself into a woman, moving from a woman into a man. That is a genetic alteration, and once that is done, you have opened the door for demons. This is how we kept quiet and they enforced no prayer in schools, manipulating parents through evil laws.

Let them arrest everyone, they would not have enough prison when everybody starts speaking out. Wake up and speak against this evil agenda in your sphere of influence. We should stop saying "Jesus will do it." No, He will not do it. We will do it. Amen.

THE IMPORTANCE OF YOUR BODY

Your body is the gateway to your soul. When your body is full of light, eternal life will gain ascendancy, when your body is full of holiness, your soul will be easily renewed? If you are sick in the body, you cannot pray. If you are sick in the body, you can not even go to church. It means that your spirit that is born again, your soul that has been hearing the word of God are momentarily at the mercy of the condition of your body. You see, the importance of the body. And that's the first thing Paul asks that you present first because the structure and state of the body will control your entire being, both spirit and soul.

CHAPTER SIX

EMBRACING PURITY DIFFERENCE BETWEEN LOVE AND LUST

What you are today is a reflection of how you have handled your lusts or love. So your dealings with lust and love go a long way to shape who you are and what you are becoming over time. Within lust, you are defeated; in love, you rise. I do not believe that many Christians understand what love is. The moment you speak of love, immediately, they start thinking of affection or some kind of emotional connection with somebody. It is not about the emotional connection with someone or some kind of feelings that you have that has been transmitted from the pit of hell.

All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness.

2Timothy 3:16

One of the major attributes of love is correction. Tell me how much of your so-called attributes of love that you exhibited on your children without proper discipline has saved them and their future. Rather, you lost them because you did not take the rod when you should have used the rod, you did not use the staff when you should have used the staff. In the hand of a true shepherd, in the hand of a true father, in the hand of a true mother, in the hand of a true caretaker or a guardian, the rod ought to be used for discipline, for correction, for rebuke, and to bring the person back. And of course, the staff ought to be used for edification, exhortation, and encouragement.

But today, our concept of love is edification, exhortation, and of course, encouragement without knowing that when somebody has missed it, rebuke ought to be used as a tool for love. Talking about love, the Bible says that he that the Father loves, he chastises.

“For whom the LORD loveth he correcteth; even as a father the son in whom he delighteth.”
Proverbs 3:12

An important aspect of love is chastisement. Another aspect of love is rebuke; an aspect of love is correction. These are attributes of love. However we don't need to correct without being the model of the correction. Be what you want others to be; walk the way you want others to walk.

Be who you want others to reflect, the greatest act of correction, the greatest act of rebuke, the greatest act of instruction is to be that instruction, be the rebuke, and be that thing you want somebody else to be. That is love

STAY AWAY FROM BROTHERS OR SISTERS WHO ARE STILL STRUGGLING SEXUALLY

If you are not yet free, if you find an individual who has not been freed by the truths of Christ, that person is a danger to your oil. Freedom must keep freedom. Make free people your friends.

The five wise virgins flocked together. You don't walk with fools. Find your kind and work together. The company of fornicators will continue to fornicate; the company of liars will continue to lie; the company of crafty people will continue to craft in their deception. But when you find that somebody is not living up to what the Word of God says and this has become a way of life for this individual, please, I beg you in the name of Christ, cut off immediately.

“Iron sharpeneth iron; so a man sharpeneth the countenance of his friend.” **Proverbs 27:17**

Cut it off! Cut off those who have not yet been freed spiritually, mentally, and soulishly. Especially if you are a male figure, then keep females who are still struggling with sexual issues away from you.

God's truths or the realities of Jesus have not yet gained maximum influence on their sexual orientation. If you keep such a brother together with you, he will sleep with you.

The same applies to a female. If a female has not been freed sexually by the realities of Christ, that will endanger your life sexually. And this is also applicable to pastors and ministers.

Ensure that the people you keep around you as the opposite sex have been freed sexually by the truth of God, by the ways of the Spirit, and that their mental state, their psychological state, their physical state, and every aspect or part that makes up their consciousness has been freed from the illusion, from the seduction, from the manipulations, and the control of the devil. By doing so, you will not open your oil to be sucked or to be dried up.

“You shall know the truth and the truth shall make you free.”

John 6:36

Over some time, your submission to the truth of God will free you sexually, that truth will free you mentally, that truth will free you from rejection, from depression, from all kinds of inordinate affections. So what the truth has come to accomplish in your life is to free you from every entanglement that you have yoked yourself to that is contrary to God's ordinances. That is contrary to God's way, that is contrary to God's holy word. So that means the truth has come to purge you, the truth has come to sanctify you, the truth has come to rejuvenate, to clean you up, to perform surgeries in every aspect of your life.

Several cancers have crept in and taken hold of our lives and this truth is going to perform surgeries to cut them off. So if somebody has refused the purifying ministry and process of the truth of God, that person will endanger your oil in these last days.

Walk away from people who are rebellious to the word of God. They had every opportunity to have grown in the word of God but they did not give heed to God's word. They have been born again for many years; they heard the scriptures, they heard the word of God, but they did not consciously put the word to work. These are the five foolish virgins. Cut them out, or they will entice you, they will seduce you, they will drown you into that pit of waywardness, into that pit of foolishness, and then you begin to lose your consciousness to God's truths.

CONQUERING THE MIND

CHAPTER ONE

THE MIND AND REALITY

Our consciousness must be caught up in the reality of who we are in Christ. Christ is the habitation of the Godhead. The fullness of the Godhead dwells bodily in Christ.

"For in him dwelleth all the fulness of the Godhead bodily."

Colossians 2: 9

There is a place called IN - Christ where you are immersed into the realm of power, glorification, incorruption, agelessness, beyond eternity. We have been called into the divine fellowship of the Godhead, we have been adopted into the community of the Godhead. Recreated to bear the image of God. To represent God to other realms and creatures of God. For holiness to prevail in your mind, these thoughts must consume your entire consciousness.

You are the keeper, the governor, the captain of your thinking process. Your first employment in the realms of the spirit is to take charge of your imaginations, to gate your thoughts and to change your thinking processes.

The mind has energies, the mind has lights and there can also be darkness in the mind. So the vibrations of what you allow on earth is important. Thoughts are created by the words that you allow permeate through your ears. The five senses create the energies that will surge through your neurons and then create your realities.

"As he thinketh in his heart, so is he: Eat and drink, saith he to thee; but his heart is not with thee."

- Proverbs 23:7

Eternal life does not work on the human body until it becomes the light in your mind.

"In him was life; and the life was the light of men."

John 1:4

It is only when it becomes light that it can permeate the body and then becomes energy to pass through the brain cells. This is how eternal life is transferred from the spirit through the mind into the body. Without this, you can keep falling sick in and out and die like a natural man. So stay on the word of eternal life, speak it, meditate on it, stay on it until it becomes your mind. Reality is transmitted through the dimensions of the mind. It is a gate into the reality of human manifestation, therefore Satan is waging war constantly in the mind. The disposition of men is a reflection of the state of their minds.

Certain things that we allow to infiltrate our human mind produce different toxins in our electromagnetic neurons. Our brains are made up of networks of cells called neurons that communicate electrochemically and electromagnetically to enable us to think, feel and interact with the world around us.

So everything that happens around your physical existence is a function of your electromagnetic inner functions within the brain cells. The particles that infiltrate and control the electronic, the electromagnetic or the electrical impulses that goes through the human brain cells produce actions or activities which is the transformation of the mind. It has a function of either advancing in the things of the spirit or advancing in the things of darkness.

You can see a man who was once a liar becomes a thief, from stealing to becoming a murderer, from a murderer to a cultist, from a cultist to a Satanist. In the kingdom of darkness people can advance in evil through the increase in the activities of the mind. Satan lays control on humans through the mind. How has the devil controlled the whole world?

"In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them." **2 Corinthians 4:4**

Therefore whoever infuses any kind of essence or nature into the mind controls the disposition of the body. The mind is what controls the brain cells and the brain cells pass the information to every part of your human body, your will power, your urges, it releases the passion needed to build that disposition.

If it's joy, you maintain that joyful spirit in your life time, if it's peace and love you'll be full of calmness, confidence in life, it is a spiritual energy that is sustaining it, It can grow, spread and dominate your consciousness.

"That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts; And be renewed in the spirit of your mind" **Ephesians 4:22- 23**

Renewal comes from the spirit of your mind'

"And that ye put on the new man, which after God is created in righteousness and true holiness. Wherefore putting away lying, speak every man truth with his neighbour: for we are members one of another." **Ephesians 4:24-25**

When we embrace this new nature, we are called to live in righteousness and true holiness. This means living according to God's standards of truth, integrity, light and purity.

It will be a conscious effort, the reason why you are a conscious being is to consciously take charge of the conscious conducts, thoughts, things you open yourself to. This reveals why we should start being more mindful of our assumptions and feelings and how we react emotionally to our thoughts. If we do these things, our lives can positively transform at a shocking speed. The mind is the control center, do you know why?

Because nobody articulates the mind without presenting his body.

The body will obey the impulses, or instructions given by the mind. The body has to do with your physical day-to-day activities.

Wake up! Wake up!! You can betray your mind by lying to it or you can deliberately determine what thoughts are fed into it.

CHAPTER TWO

THE GENESIS OF BECOMING HOLY

God is holy. He is calling you to holiness. But what is holiness? The genesis of any of us becoming holy is found in dwelling in God's presence. It's the place where holiness is found, but this is achieved by practicing meditation for a long time.

"This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.."

Joshua 1:8

When a person practices righteousness for an extended period, the altar of holiness is built. Without practicing righteousness, you will not be able to build and develop the altar of holiness. Righteousness is a gift that qualifies you to enter the presence of the Lord. When you boldly step into His manifest presence, that's where you gain the capacity to dwell in the holiness of God. Holiness, in essence, is an infusion from the glory and presence of God. It is injected into you, it is an infiltration of the essence of divinity into your entire being.

Unlike righteousness, holiness is not bestowed as a gift; rather, it is something we contract, similar to how blood transfusions are administered. Holiness is acquired through a deliberate connection with Yahweh. Just as you cannot contract a sexually transmitted disease (STD) without engaging in intercourse, holiness requires a deliberate and conscious connection.

There must be a knowing, a knowledge and an intentional interaction with the presence of the Lord to contract the infusion known as the holiness of God.

WALKING IN THE FOOTSTEPS OF THE FATHERS: THE MANIFESTATION OF THE SONS OF GOD

Do you know that there are people who lived on earth who were never found? Mighty men of God in the early centuries, eighteenth centuries, who moved in the holiness of God. The glory of God was so tangible in their lives that people woke up the next day, they didn't know where they were, they were gone, they searched for them all over, they were not found. In the night hour, the angels took them. Many people were never found. Many have exited the earth via sanctification, and they never returned.

Certain things that are not recorded or properly documented does not mean that they didn't happen. Men like Father Nash and Charles G. Finney, the record said they were holy, so holy that anytime they came out and people looked at them, they were convicted of their sin. Even without them saying a word, their appearance brought conviction of sin. Their eyes reflected the eyes of Christ, there was something about the atmosphere they carried. When in those days, these holy men entered a club, just because they entered the club, everybody in the club would start crying and calling upon the name of Jesus.

Wake up! wake up!! Because now the holiness of God is bringing the ever-increasing presence of God on saints.

Do you know that it was the holiness of God that brought the shadow of Peter to the point that wherever he went, even the maimed, those that didn't have legs, legs would shoot out?

This was the same man who could not even cure a lunatic, a man who struggled to cast a certain spirit out. He came to a point in his walk with God, he was clothed so completely, that his shadow cured every manner of sickness and disease.

"And by the hands of the apostles were many signs and wonders wrought among the people; (and they were all with one accord in Solomon's porch. And of the rest durst no man join himself to them: but the people magnified them.

And believers were the more added to the Lord, multitudes both of men and women) Insomuch that they brought forth the sick into the streets, and laid them on beds and couches, that at the least the shadow of Peter passing by might overshadow some of them."

Acts 5:12-15

Enoch walked with God, and he was not found

"And Enoch walked with God: and he was not; for God took him."

Genesis 5:24

You want to save the world, and you are in a state of immorality and pride? One holy man, that emerges, that carries the fullness of the Father and Christ. When he speaks, the whole world will turn upside down. One person can change the world. Do you know that an Antichrist is coming? It's one man, but they don't know that Christ is also coming. And the thing is that Christ is not going to come as Christ

He will come as Christ in his people. Just as an Antichrist is a human agent of the devil, there are going to be human agents of Christ that will represent Christ in his totality, anointed with power, wisdom, access, and abilities. It's going to come before the final return of Jesus Christ.

People are only waiting for the coming of the beast, the coming of the Antichrist. We all know that the Antichrist is not the devil himself. It is a human figure that Satan is going to empower to represent his essence and interest in its fullest capacity.

The Bible describes the return of Christ in one phrase, 'the manifestation of the sons of God'. Who is Christ, the first begotten son? But there is coming a season, that is the age of the revealing of the sons of God. Wake up!

"For the earnest expectation of the creature waiteth for the manifestation of the sons of God. For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected the same in hope, Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. For we know that the whole creation groaneth and travaileth in pain together until now."

Romans 8:19-22

"Then was Jesus led up of the Spirit into the wilderness to be tempted of the devil."

Matthew 4:1

Secondly, there was nothing of the devil in Him. He was completely pure. I'm talking about the works because the first thing you want to do is to go and cast out demons.

But you forgot that before Jesus began casting out demons, the devil tempted Him, and he overcame the lord of all demons, and then he gained authority over demons.

"Hereafter I will not talk much with you: for the prince of this world cometh, and hath nothing in me."
John 14:30

You cannot be tempted by the devil and fall to him in every temptation, and then anticipate having absolute authority over Satan. It's not going to happen.

WILDERNESS TRAINING AND SPIRITUAL PREPARATION

Look at the works of Jesus and follow in his footsteps. After he was done preaching, he returned to the wilderness to pray. I show you a man who prayed every night for three years of his ministry, he prayed every night for the three years of his ministry. So when he prayed all night, he preached and ministered with the power of God all day.

Who was the first begotten son of God? Jesus. Jesus says the sons of God will do greater than he did. The question now is, are you waiting to do the work? If yes then you must realize that firstly, Jesus came under the leadership of the Holy Spirit and graduated from the wilderness of the Spirit.

*"But Jesus withdrew himself into the wilderness, and prayed."
(Luke 5:16, KJV)*

When he had the chance in the boat, as they tried to move to the other side, that's when he slept. Jesus does not sleep in the night. The resting time of Jesus is in the day, especially when he's traveling on a long journey. He will use that opportunity to catch a little bit of rest, but night was a period of warfare.

For those of you who are ministers, especially in an active ministry, you must be fervent in prayer. You have to learn to pray for long hours during the night. For those of you that are learning, that are still coming up, stay under tutelage and be helped. Find a mentor or a father, stay there, and go through your quiet moments.

Don't be quick to begin something. The pressure will kill you. It's not about manifestation, it's not about healing, it's not about people falling under the power, you can do all those things and still be open because you have not gained capacity. You have not spent enough time in your wilderness. You have not been confronted. You are not ready, and that's the problem. When you begin something that you are not ready for, that thing is pressurized enough to bring you under. This ministry, no matter how anointed I am, Pastor John, this ministry can collapse if I depart from my consecration. I can do this for fifteen years, I can do it for twenty years, but on my twenty-fifth, if I don't follow the same precepts, if I don't increase the prayer, my holiness and sanctification, way of life on the twenty-sixth, I'll come down. The ministry will close. Everywhere would scatter because I have not been praying or begun to extort money from people or I'm beginning to defile young girls in church or married women in church. I will come down instantly. The ministry will close. I'm gone.

I might even end up in jail. It does not matter how anointed you are but how much love you have for the word and to practice it.

"Better is the end of a thing than its beginning, and the patient in spirit is better than the proud in spirit." **Ecclesiastes 7:8**

There is a man that I love so much up till date, the man Kenneth Hagin, a man who did ministry faithfully and went to be with the Lord at a very old age. Men like Billy Graham. I challenge you to go and study about Billy Graham. Check out his early stage of ministry. He was so handsome, tall, clean, and very attractive. Such a man lived holy, got married to his wife, and lived in purity with his wife. You didn't hear Billy Graham had any sexual scandals.

I need that Grace. He preached Jesus alone. Nations were drawn to this man. Muslims were drawn to him, even in places where people could not preach. They welcomed him. You could see that God was in that man drawing nations to Himself. Do you know why? Because God in his knowledge knew that this man would not disgrace Him. He lifted him to take his position of influence.

CHAPTER THREE

THE PRICE OF GOD'S GLORY

Can he find you faithful? Can you be fit for when he begins to use you? Can you deal with the pressure, the seductions, the attacks, the fame, the pressure that His glory attracts? Can you handle the money? Can you still be humble today? We have some arrogant young preachers. when they perform, you will know that this is not the Holy Spirit, it is prideful, pompous, so loud in their body language.

"He must not be a novice, lest being lifted up with pride he fall into the condemnation of the devil." **1 Timothy 3:6**

There are fearful versions of God that men will communicate in these last days.

"The LORD utters His voice before His army, For His camp is very great, Because strong and powerful is he who [obediently] carries out His word. For the day of the LORD is indeed great and very terrible [causing dread]; Who can endure it?" **Joel 2:11**

What I'm saying is God is looking for men who are ready to pay the price for the move of God. Kathryn Kuhlman had made several mistakes. She had weaknesses and flaws, and a lot of issues. But one day, this woman chose to walk with the Lord. She maintained that choice for a long time. She went through tough seasons, went through difficulties of the spirit. She passed the exams. She became one of the revivalists. One of the mighty moves of God erupted through her ministry. After she went up to be with the Lord, the influence of her ministry continued its impact across the nations. So she didn't die.

She was immortalized. The faith she left on earth continued to speak volumes. Apostle Paul said,

"I have fought the good fight, I have finished the race, I have kept the faith."
2 Timothy 4:7

So anyone can run with it. He left the faith behind him and left a footprint before her. Katherine Kulhman came to a point where she fasted and fasted and fasted. She stopped eating. That woman was seeking something. A time comes in our life when we are willing to lose our physical life to increase in glory. It is foolishness, I know some preachers will say, 'You will die.' I know.

There's an extent you walk with God and you die. You might lose it completely, but I also know that in this season anybody who pushes to that extent will not die. Do you know why?

Because we have entered the timeline where God is releasing the revelation and the intense light of immortality. Go read the latter days of that great woman. It was reported that whenever she walks into a factory or somewhere, the moment she walks in, the electricity, the bulbs begin to spark because of the intensity of the glory of God on her. You didn't hear nonsense of the flesh. She was dead completely.

Today we want to host the glory of God with our immorality. We are seeking the fire. How dare you? How are you asking for the latter wine in an old wineskin? Get rid of the old skin then you can be filled with new wine.

THE MANIFESTATION OF THE SONS OF GOD

Watch those whose hearts are lifted up against God in the world. They have not even seen anything.

They have claimed that God does not exist. They have claimed that God is not real. Wait, we are coming. The Bible speaks of manifestation, do you know what manifestation means? A people that will exude the power of the Almighty is coming. I'm just a forerunner of this thing. Kill the flesh. I will keep preaching against flesh until it dies in you.

“A fire devoureth before them; and behind them a flame burneth: the land is as the garden of Eden before them, and behind them a desolate wilderness; yea, and nothing shall escape them.

The appearance of them is as the appearance of horses; and as horsemen, so shall they run. Like the noise of chariots on the tops of mountains shall they leap, like the noise of a flame of fire that devoureth the stubble, as a strong people set in battle array.”

Joel 2:3-5

Only if you pay the price. Jesus is getting ready to announce his House. God is getting ready. You know that's why we are doing baptism. I'm telling you why we are doing baptism. God has asked me to do it. I'm still traveling in the realms. The Elohim are seated. I'm often taken there. They are preparing to unleash the baptism. There is a final baptism. There are things that I cannot tell you yet. I can't speak of some things now. Do you know that we are closer to an announcement? The next big thing that is about to happen is not rapture. The next big thing that is about to happen is the declaration of the sons of God.

Creation is waiting for the revealing, the manifestation of the sons of God. Are you going to be amongst them? That's my question. Not everyone is going to be declared. But those who are completely controlled by the Holy Ghost.

Remember Ezekiel and the dry bones. The dry bones Ezekiel saw began to come alive.

"Then said he unto me, Prophecy unto the wind, prophecy, son of man, and say to the wind, Thus saith the Lord God; Come from the four winds, O breath, and breathe upon these slain, that they may live.

10 So I prophesied as he commanded me, and the breath came into them, and they lived, and stood up upon their feet, an exceeding great army."
Ezekiel 37:9,19

God is about to do something that eyes have not seen. I'm telling you, do you know that the Bible says that a dead body was cast onto the dry bones of Elisha, the dry bones, the man came back to life? A man died, he was sick of a sickness. He died, and then he saw that there was a problem. He woke up again, dealt with the problem, and returned to sleep.

"And Elisha died, and they buried him. And the bands of the Moabites invaded the land at the coming in of the year. And it came to pass, as they were burying a man, that, behold, they spied a band of men; and they cast the man into the sepulchre of Elisha: and when the man was let down, and touched the bones of Elisha, he revived, and stood up on his feet."
Kings 13:20,21

These are the things I see in the scripture and I say to hell with religion. Do you think that the mantle can rest on the flesh?

There is a price to receive mantles. God has to transfer the mantle to somebody. Before Elisha succeeded in receiving the anointing of Elijah, there was war against the flesh, rejections, bruises, and sacrifices. Elijah said, 'Even though you cross Jordan with me, you still do not qualify to receive it until you see me taken.' If your eyes can see what I see and what will come to take me, then you are chosen. And this man paid the price.

"And he said, Thou hast asked a hard thing: nevertheless, if thou see me when I am taken from thee, it shall be so unto thee; but if not, it shall not be so."
2 Kings 2:10

He knew that he could not hand over the mantle on the head filled with greed. What did Gehazi qualify for? The curse. It was his greed, his covetousness. With greed, you will corrupt your anointing so quickly. With greed, you will make money. You make more money than you do the work of God. It becomes all about money.

We can't take oppression. I was listening to one preacher, a young preacher who said, 'I was oppressed, I was lied against. Is that why you left your cover? You don't know the scriptures. If you are the most oppressed among many sons under a father, it means that you are the greatest. It means you are not different from Joseph who finally inherited the palace. But because of your pride, because of yourself, the pain affected you. You should come to a point where what people do should not affect you. That means you have lost your path. I don't care how much you can preach or talk or whatever, it does not count. You've lost your part because the path to the crown, the path to glory, is a path of the cross, is a path of oppression, is a path of humiliation.

"who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God."

Hebrews 12:2

You can never get to the throne or the crown without going through suffering.

"That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death;"

Philippians 3:10

I want to share in the fellowship of his suffering, made conformable to his death. I want to know him. I want to know the power of his resurrection from the dead.

Nobody is preaching it. They are telling you prosperity. You're getting a big house, hallelujah. You get the best and most mighty husband, hallelujah. God will heal your sickness, hallelujah. God will fight for you, hallelujah. God will give you twins, hallelujah. But if you preach God will cause you to suffer for righteousness, the response would be Get out, get out, you're not from God. That is the usual treatment of preachers who preach righteousness.

Elisha departed through the way of the grave. He was angry because men don't want to pay the price of succession. A breed that will host the fullness of the Spirit of God has arisen. They will manifest the seven Spirits of God, the gifts of the spirit and the glory of God upon their flesh.

CHAPTER FOUR

TRUSTING IN GOD'S EVALUATION

God is incorruptible. God is immutable. God is immortal. So if you walk with Him, you seize immortality into yourself. He wills Himself into you. We become like God when we behold Him. Moses had the glory of God on his face. But what was the call of Moses? Take off your sandals, for the land you're standing upon is holy. The fire God is there. God's presence is there. The voice of God resides in that holiness.

Before God can come upon you, there has to be a prevalent ministry of holiness. I'm not talking about future holiness. I'm talking about holiness now. Many have preached it, but they never walked in it. Many have written about it, but they struggled in sin. Holiness is the fire of God.

Holiness comes with fire. Wherever holiness is, God's fire is there. And where the fire of God is, God inhabits that jurisdiction. God dwells in holiness. The habitation of God is holy.

If you begin now to fear God and work uprightly, mentally, emotionally, spiritually, and physically, if your conducts are constantly aligned with the word of God, with instructions of the Holy Spirit, I tell you, you begin to come out of every sickness. You see yourself begin to mend. You'll become stronger, still looking more and more like God because holiness is found in the manifest presence of the Lord. It's found when somebody has set his mind on the things above, when you set your affection on the things above, when you seek the kingdom of God and righteousness and holiness.

It is easy to fall into sin. It is easy to become like the world. Listen, to be average is very easy. It is easy to be among the masses. But if you want to stand out, you must break out of the norm, pay the unusual price, and stand strong in the midst of what God has called you to do. I am occultic to many. I am evil to many. He's not a man of God to many.

I am a mighty man of God to many. I am from the Lord to many. I am full of the Holy Spirit to many. Both to those who are family and to those who don't believe in me, that does not count. You know what? You don't accept the praises of men.

You accept the rejection of men. Men will speak from their understanding, but stay connected to Him that has called you. May you only accept the praise of God, not the praises of man."

May you not accept their praise because if you're doing well He will not praise you; rather, He will prune you. So when He loves you, he will not be praising you. Anytime he praises you, He has set you up in disguise to go into tribulation and to be tested by the devil. The first time He was ever praised and announced, Jesus immediately went into the wilderness.

There was no gathering of men who said, "Wow, you are the Son of God! We heard the voice from heaven that said you are the Son of God, let's celebrate the mighty man of God." No, immediately God sent Jesus; he was led by the Spirit to a lonely place for forty days and nights, where his flesh was scorched and he met Satan. You don't need the praises of men, because the same who said "Hosanna! hosanna!! hosanna!!!

They put their clothes on the floor, put some palm trees on the floor to welcome Him, were the same people who said, "Kill Him.

"And the multitudes that went before, and that followed, cried, saying, Hosanna to the son of David: Blessed is he that cometh in the name of the Lord; Hosanna in the highest." **Matthew 21:9**

You cannot trust their praises, but you can trust the praise of God. You can trust your acceptance of God; how many people rejected Jesus at the very point he was arrested? How many fled? How many ran for their lives? How many rejected Apostle Paul when he was arrested and about to be killed? They all left the day he was sentenced to death. Nobody came to represent Him, no lawyer, no friend, nobody. These were the same people who praised Him. If you read the scriptures, you can tell how to carry yourself.

You must understand that you're on a journey with God to carry out His will, and that's it. Whether you're rejected or accepted, that does not count. Just stay focused as long as you know yourself.

I PRAY FOR YOU

In the name of Yeshua, you will not lose and miss your calling. You will not lose your season. You will not miss out. You will not delay the call of God in your life. You will not breach the process of your spiritual development in the name of Jesus Christ. You have a call, a call on your life. God has a special calling for you. You will not miss your calling.

You will not miss your call. Every attack of the devil, every projection of the enemy wishing that you lose and miss your calling is hereby completely eradicated in the name of Jesus Christ. Receive capacity, receive the ability to withstand every oppression, to withstand every attack, to withstand every spiritual resistance that Satan will project your way in the name of Jesus.

The crusher, the Spirit of holiness will continue to lead you. The Spirit of holiness will continue to guide you. You will not walk the Broadway. I said you will not walk the Broadway. You receive strength and capacity to walk in the narrow way. In the name of Jesus Christ, you will not be a victim of sudden failure. You will not fail God's calling on your life in the name of Jesus Christ.

COMMITMENT TO GOD'S WILL

Listen, the call of God is not for popularity. The call of God is not so that you can be noticed or be known all over the world. This is not the purpose of the call of God. In as much as, yes, we want to announce what God is doing on social media, the motivation, the intention, is not to be known. The intention is to make Him known. I want men to see Christ. I want men to see me and see Jesus. You have no idea. My whole life, my whole existence from age six is focused on the Lord. I converted my secondary school, my high school from grade 6 all the way to grade 12.

The whole school, those who were in grade 6 when I was in grade 12, all got born again. I held the school. If I happen to exit, don't cry for me. If God takes me now, I ascend or I drop dead, just find a grave and put my body and continue your life.

Leave me. I have finished my work. I've worked for Him. I've worked my whole life to serve God in truth and spirit. I've never corrupted my hand on anything. It has been clean before the Lord until the day He returns. I faced rejection many times when I was young. My life was strange. What was popular was what I couldn't fit in. I couldn't fit into the lifestyle of my peers. I couldn't feel it. I was like a father to my age mates. I started fathering males of sixty years when I was ten. I've seen honor. I never had a childhood. I didn't know what childhood was. I became a father from a child at twelve, and thirteen years old, restoring marriages.

A child that has never been married counseling marriages. What did I know about marriage? But when I speak, it sounds like I know everything about marriage. But I never had any experience in marriage. Is my marriage working now? Yes, my marriage is working. My children are on fire. We've not lost one of them to the world. None of my children are lost. They are all on fire for God. They all pray. They're always on fire. At least if you don't believe, believe when you see my family. What we preach, we enforce in our family. The kids cannot go the way they want to. We train them in the way they should go. We enforce scriptures, not political laws.

The word of God is higher than the laws of men. I disciplined myself from childhood. Today I'm a voice to the nations. Took me forty years of discipline in the realms.

My prayer for every one of you is to do that which he created you for. There is a purpose for which God has called you. It is not for popularity. It is to impact other people's lives. You have been called by God, called to the ministry of reconciliation. God is with you. You will be used by God. May your life bring testimony to Zion. May your work be a testimony to Zion, just like my life has impacted millions of people all over the world.

Don't think that the Holy Spirit will make it nice. He would have to work on your willingness. The Spirit of God helps our willingness. Remember, he is your helper. A helper is not the doer; a helper is not the starter. A helper comes to assist. You are the one that starts making the effort unto holiness, then he comes to help.

You must understand that when the Holy Spirit sees the effort, then he helps it. But if you just want the Holy Spirit to do it, no! no!! no!!!. When he sees that you are making efforts to cut off this or that, He says okay I will stand by you. I will help you. The Holy Spirit is like a wife and helper, sent to support you, to help you through it.

A time comes in one's life when you are not afraid of anything. You are only committed to the will of God.

Paul said, "I desire to exit the earth." "I'm in between, but I decided to stay because of your sake. I will not die." Together, we can change the world. Listen, we are warring in the realms all through the night.

By the time we take all the thrones in the realm of the human mind, we start controlling what they should do.

We become the next god of the minds of men, kicking satan out of that position. You don't know why I'm warring. Do you know why your gospel is not changing people? Go and preach now from Genesis to Revelation. People don't want to believe in your Christ.

They only confess your Christ because they want to please you. But the time you go away, they continue in their lives because the god of this world has blinded their minds. Have you ever wondered, who gave satan access and authority to the human minds?

You must understand that every future has already been planned out. So you can enter the future and know things. You can alter the future before it happens. The realms are real. With Holiness, we will fight against principalities that have sat on the throne of human minds.

And by the time I'm done in the next couple of years, everybody will see what will happen. The human mind will be returned to the visions of heaven, visions of righteousness,

visions of instructions, rebukes, and corrections. We'll be able to enter the human body and search for certain brain cells that are dead, work on the human body and perfect it, and improve it.

CHAPTER FIVE

CONQUERING THE MIND

“For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds; casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;”
2 Corinthians 10:4-5

What is the high thing that exalts itself against the knowledge of God?

So when the Bible says every high thing that exalts itself against the knowledge of God, the Bible is referring to structures, systems, ideas, people you have regard for. They have exalted themselves above the word of God, so they influence you to go against the ordinances of God.

Let no man think of himself more highly than he ought to. So when we speak about exalted things we are referring to people, influences from people with regard.

If Jesus was not careful Peter would have influenced Him, Peter had spoken from the frequencies of the devil and Jesus being spiritually alert perceived that Satan had wielded his tongue and had spoken through the mouth of Peter and of course Jesus knowing that this is a demon in an individual, He didn't show sentiments, He rebuked him physically, publicly.

The problem is that we use sentiments to deal with circumstances that are powered and channeled by Satan. We get sentimentally involved because it's a biological connection, it's a marital connection, it is a family connection, it is a friendship connection. I have known this guy for a long time so you become very sentimental in addressing a demon.

That's not like the Jesus I know and that's why they don't like me. I am as raw as Jesus, If only the church can become really like Him. They love to sing like Him, they sing as though they want Him but in reality they do not.

I have read the synoptics (Matthew, Luke, Mark and John) Jesus was very vocal, very straightforward; in fact allow me to use the word very confrontational. He was very good to the humble but once he perceives arrogance in any individual, he strikes, he cuts so sharply and that's why they hated Him. He didn't belong to anyone , He didn't give Himself to anyone.

The God I know is not gentle. Gentleness is not tolerating sin. Jesus told the woman caught in adultery, go and sin no more.

"When Jesus had lifted up himself, and saw none but the woman, he said unto her, Woman, where are those thine accusers? hath no man condemned thee? She said, No man, Lord. And Jesus said unto her, Neither do I condemn thee: go, and sin no more."

John 8:11

That's the truth of Jesus. Grace vindicated her, grace powered her with love, lavished love on her and then sent her away with the truth that grace will not protect you again if you continue in that lifestyle. I may not be there to defend you. They will stone you and kill you so to avert them killing you, sin no more.

ELEMENTS OF A PURE SOUL

1. A CLEAN HEART.

"Create in me a clean heart, O God, and renew a right spirit within me."
- Psalm 51:10

Just as we maintain the cleanliness of our physical bodies, it is imperative that we also engage in pure meditations because that is where our thoughts, words, and actions flow.

"Keep thy heart with all diligence; for out of it are the issues of life."
Proverbs 4:23

Our hearts are the wellspring of our lives, and what we meditate, ponder on will greatly impact our character and our relationship with God.

SO HOW DO WE CULTIVATE A CLEAN HEART?

A. Our thoughts and feelings

"Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things."
Philippians 4:8

By dwelling on that which is good and pure, we transmit life, light, joy, blessings, peace and the glory of God through our entire being.

B. Our fervent love for one another.

"Seeing ye have purified your souls in obeying the truth through the Spirit unto unfeigned love of the brethren, see that ye love one another with a pure heart fervently." **1 Peter 1:22**

Genuine love flows from a heart that is free from malice, envy, and bitterness.

Remember the words of Jesus *"But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you."*
Matthew 5:44

By extending forgiveness and love, you not only cleanse your soul but also demonstrate the transformative power of God's grace to others.

2. THE CLEAR CONSCIENCE

"Examine me, O God, and know my heart: try me, and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting." **- Psalm 139:23- 24**

In the depths of every human heart lies a sacred courtroom, the courtroom of conscience. This divine chamber serves as the battleground where the eternal struggle between light and darkness, righteousness and sin, unfolds. It is a spiritual compass finely tuned to the Word of God

"Which shew the work of the law written in their hearts, their conscience also bearing witness, and their thoughts the mean while accusing or else excusing one another." **Romans 2:15**

The conscience is a holy instrument, finely tuned to the frequencies of heaven. It is the still, small voice that guides you along the narrow path of righteousness, urging you to heed the frequencies of God and walk in His ways.

When you listen to the voice of your conscience, we align our lives with the perfect will of God, experiencing the abundant life He promises to those who walk in obedience.

We are to discern between the voice of conscience, which speaks truth and righteousness, and the voice of the flesh, which entices us towards sin and disobedience. You must arm yourself with the Word of God by surrendering your heart, mind, and will to the authority of God's Word, allowing it to reign as Lord in the courtroom of your conscience.

CONCLUSION

Through meditation, we align our thoughts, words, and actions with the will of God, creating a portal within ourselves where ascension takes place.

We protect the sanctity of our innermost thoughts and intentions. Through regular reflection and introspection, we purge ourselves of negative emotions like anger, lust, and unforgiveness, while positive emotions such as love, compassion, and forgiveness paves the way for purity of our soul and conformity to the image of Christ.

The journey towards complete holiness encompasses the profound realization that the activities of the soul serve as gateways to realms of ascension. By developing a conscious portal within yourself, you ascend into the multidimensional expanse of God's holiness.

This requires a deliberate selection of thoughts that resonate with heavenly vibrations. As you attune yourself to the frequencies of the word through meditation, you unlock spiritual growth and alignment with God's purpose for your life. This means, you must immerse yourself in the wisdom of ancient scrolls(God's word), which will lead you to live a holy life and transmit the same to the world around you.

HOLINESS AND THE HOLY COMMUNION

CHAPTER ONE

THE CALL TO WALK WITH THE HOLY SPIRIT

Now, when God calls us to holiness, what does that mean? First of all, it means God is Holy. So when you speak of holiness, you're speaking of a very vital aspect of God's nature, a very exclusive attribute, or an exclusive characteristic of God.

*"And one cried unto another, and said, Holy, holy, holy, is the LORD of hosts: the whole earth is full of his glory." **Isaiah 6:3***

Holiness is God's nature, holiness is God's essence. When you speak of holiness, you are referring to God's very character, this is who God is. For God to dwell in you, there has to be a level of holiness because God cannot relate with any man without a certain level of holiness. It is to the degree of your holiness that determines how far God can relate and entrust Himself, His will and His purposes through you. Nobody represents God's visions, God's intentions, God's will, in any generation, in any place, in any way, wherever, without presenting themselves as holy and yielded to the Spirit of holiness.

*"But as he which hath called you is holy, so be ye holy in all manner of conversation; Because it is written, Be ye holy; for I am holy." **- 1 Peter 1:15-16***

You cannot be used by God beyond the level you have yielded to holiness. God is not moved by you just sitting to hear the word and being excited without transformation. Ninety percent of the strongest yokes of the devil in the current church is that people have developed a habit of coming to church and hearing the word but the word has no impact or effect. It's just like hearing it, enjoying it, getting out, and doing exactly the opposite of what they have heard.

"For if ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live."

Romans 8:13

When the Spirit warns you not to do something and you stop doing it, you are walking in holiness. Every time the Holy Spirit pricks your heart over a certain thing that is happening in you and you obey the voice of the Spirit, you are becoming a holy person. When you refuse to obey and yield to the voice of the Holy Spirit, you become more unholy.

You must know that after you get born again, you still have a lot of unholiness inside you, a lot of habits, a lot of unscriptural ways of life, a lot of strongholds in your mind, a lot of filth of spirits, filth of body, filth of thoughts. This is why the Holy Spirit was sent to lead you. He gives you the gift of salvation or the gift of righteousness which qualifies you to be led by the Spirit. You must understand that when you receive the gift of righteousness, it is a qualification to be adopted into the realm of sanctification. In that process of sanctification, the Holy Spirit is the one working in you, prompting you, He measures your sanctification.

Righteousness is the state of being in right standing with God. It's not something we can achieve on our own merit but is imputed to us through faith in Jesus Christ. When we accept Christ as our Savior, His righteousness is credited to us, and we are declared righteous before God. This righteousness not only justifies us before God but also enables us to live righteous lives empowered by the Holy Spirit. This however is just the beginning of the process of our purification.

Sanctification unlike righteousness is the process by which believers are progressively transformed into the image and likeness of Christ.

It means you are set apart for God's purposes and pleasure. It means becoming more holy in character and conduct as a direct result of an inner working of the Holy Spirit which indwells the believer. Sanctification is both an event and a process. it begins at the moment of salvation when we are set apart as God's children, and it continues throughout our lives as we grow in grace and maturity.

The Holy Spirit is the sanctifier, convicting us of sin, empowering us to overcome it, and producing fruits of righteousness in our lives. We become endued with the divine abilities that reflect our identity as sons of God in reality. What are the fruits of righteousness, the fruits of the Spirit, how can you tell that you are progressively yielding to the Lord?

“But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance: against such there is no law.” **Galatians 5:22 - 23**

‘for the fruit of the Spirit is in all goodness and righteousness and truth.’ **Ephesians 5:9**

So, this is one aspect that only God Himself can deal with. You know why? because men no longer have the fear of God anymore. How can you walk in holiness if you do not have the fear of God?

“Having therefore these promises, dearly beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God.” **2 Corinthians 7:1**

How can you walk in God's ordinances when you no longer tremble at His Word? The fear of God, the Bible says, is the beginning of wisdom.

"The fear of the Lord is the beginning of wisdom: and the knowledge of the holy is understanding." **Proverbs 9:10**

So, the prerequisite to walking in holiness is the fear of the Lord. We can begin to observe the ways of God, and the word of God, and ensure that each aspect of our lives is lived according to God's Word. This leads you in the way of holiness. When the Holy Ghost instructs you and you obey the voice of the Holy Spirit, you have walked in holiness.

When you walk with the Holy Spirit, you become holy. Holiness is not a gift from Jesus, holiness is not a gift from God. Holiness comes from our willingness and discipline to follow the Holy Spirit. When you listen to the Holy Ghost and yield to His voice, you are walking in holiness.

Sanctification propels us to live holy and godly lives, set apart for God's purposes and reflecting His character

(1 Peter 1:15- 16).

When you are born again, there is a certain period when the grace of Jesus Christ will preserve the presence of the Holy Spirit in your life. If you do not habitually yield yourself to the Holy Spirit within that duration of time that the grace of God covers you so intensively, then the Spirit of God will begin to withdraw from you.

such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God."

1 Corinthians 6:11

"And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption."

Ephesians 4:30

We must not grieve Him because the Spirit of God is the conveyor or the converter, one who infuses the holiness of God. The Spirit of God is the one who prepares us in holiness for God to finally tabernacle in our spirits.

Christ in you is a qualification for righteousness. It is not a qualification for inheritance. I repeat Christ in you is not a qualification for inheritance.

The Christ in you is not the qualification for final acceptance on the last day, rather, it is a qualification for your sanctification which is the basis for your approval. The presence of the Holy Spirit in believers is likened to a first deposit or down payment, guaranteeing their future inheritance as they submit to the lordship of the Holy Ghost within.

*"And not only they, but ourselves also, which have the firstfruits of the Spirit, even we ourselves groan within ourselves, waiting for the adoption, to wit, the redemption of our body." **Romans 8:23***

*"Who hath also sealed us, and given the earnest of the Spirit in our hearts." **2 Corinthians 1:22***

This deposit is a foretaste of the fullness of salvation that believers will experience in the age to come. It signifies God's faithfulness and commitment to completing the work He has begun in the lives of believers (Philippians 1:6). As such, the indwelling presence of the Holy Spirit serves as both a present reality and a future hope, assuring believers of their ultimate redemption and inheritance in Christ.

So when Christ comes into you, it becomes as the scripture said, *'the hope of glory'*, **Colossians 1:27**, and not everybody meets the hope. Not everybody succeeds in the process.

Don't be deceived by the teachings that nobody enters heaven because of his works, that we are all going to be saved and our eternal security is a function of the finished work of Jesus. Oh, that sounds so good! that's what I heard, and I was cool, we grew up with that whole concept.

But the more we start growing in the Lord and start breaking out of those preconceptions, we start reading the scriptures the way they were written. The more accuracy we receive because the Word of God is living and active.

I am grateful to God that we are coming to a point where we are no longer reading scriptures as we were told. We are no longer approaching scriptures with biases, now God is raising a new generation that will look at the scriptures from a clear point of view with no preconceptions, with no 'I have heard a preacher interpret scriptures this way', but we are going to say, 'Holy Spirit, what does this scripture mean? How do I compare this scripture with other scriptures in order to establish the truth?

"That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive;"

Ephesians 4:14

You cannot tell me that your eternal security is solely based on the finished work of Calvary. If it was so, then why do you have to take up your own cross?

It is because they have not compared that concept of eternal security with other scriptures. I want to challenge you, dear saint, to go get at least twenty one scriptures that oppose eternal security, to get twenty one scriptures that speak of our own sanctification and your obedience to the Holy Spirit. Get all these possible scriptures that speak about our own sacrifices and holiness and the judgments of God and the possibility of losing one's salvation.

Here are a few scriptures that touch upon personal sacrifice, holiness, the judgment of God, and the possibility of losing your salvation:

1. Matthew 16:24-26

"Then said Jesus unto his disciples, If any man will come after me, let him deny himself, and take up his cross, and follow me. For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it. For what is a man profited, if he shall gain the whole world, and lose his own soul? or what shall a man give in exchange for his soul?"

2. Hebrews 12:14 *"Follow peace with all men, and holiness, without which no man shall see the Lord."*

3. 2 Corinthians 5:10 *"For we must all appear before the judgment seat of Christ; that every one may receive the things done in his body, according to that he hath done, whether it be good or bad."*

4. Hebrews 10:26-27 *"For if we sin wilfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins, But a certain fearful looking for of judgment and fiery indignation, which shall devour the adversaries."*

5. Philippians 2:12 *"Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling."*

6. 2 Peter 2:20-22 *"For if after they have escaped the pollutions of the world through the knowledge of the Lord and*

Saviour Jesus Christ, they are again entangled therein, and overcome, the latter end is worse with them than the beginning. For it had been better for them not to have known the way of righteousness, than, after they have known it, to turn from the holy commandment delivered unto them. But it is happened unto them according to the true proverb, The dog is turned to his own vomit again; and the sow that was washed to her wallowing in the mire."

7. *Revelation 3:5* *"He that overcometh, the same shall be clothed in white raiment; and I will not blot out his name out of the book of life, but I will confess his name before my Father, and before his angels."*

Diligently get all the scriptures to compare with the scripture that validates our faith solely on the finished work of Christ. When you get the scriptures altogether, you will realize that Christ came into you to become the Lord of your life.

When Christ comes into you and he is not the Lord of your life finally after multiple years, something is wrong somewhere. Either you were never truly born again or you got born again because of circumstances. You wanted a miracle, you wanted healing, you wanted something to break through, it was all based on your selfish interest. So over a period of time, you did not get your miracles, you did not get your expectations, then you backed off.

"For this cause the people also met him, for that they heard that he had done this miracle."

John 12:18

So people have various reasons for which they believe in Christ and that is why this prosperity preaching must stop. We must tell people the truth that Jesus is the way to the Father and there are still people who wholeheartedly seek the Father.

WALKING IN HOLINESS THROUGH THE HOLY SPIRIT

The Holy Spirit is the holiness of God embodied. The Holy Spirit is the epitome of the holiness of God. The Holy Spirit is the holiness of God personified. Jesus is the righteousness of God personified. So, righteousness qualifies you unto eternal life. I would say it this way, righteousness brings you into salvation. Holiness brings you into glorification. So Jesus brings salvation, the Holy Ghost brings glorification.

It's now up to you. If you want to limit your walk with God to salvation, that's okay. But I will tell you, you will be frustrated in the process. But if you desire to reap the harvest of salvation, if you desire to reach the final phase of salvation, you would have to be willing to walk with the Holy Spirit to a significant point where you are qualified to be glorified.

Therefore we must cultivate and wet the appetite of humans that God created them and wants to be their father, salvation is the only way to sonship.

Don't go and tell people that, you know what? if you want to be healed, accept Christ. That's a wrong preaching because not everybody gets healed. Don't go and tell people if you want to succeed, accept Jesus, He will beautify your life. No, no, no. As a matter of fact, If you come to Jesus, you have entered troubles. Come into Jesus and come into attacks. Come into Jesus, in fact, the whole world will point and kick against you.

So the truth must be told before people can make the decision to serve Jesus. You don't go there with all kinds of seductions as if Jesus is one kind of ice cream seller, so if you come to Jesus, you're going to be drinking ice cream every morning. He's going to be appearing to you and giving you all kinds of money and killing your enemies.

1. **1 John 3:13** *"Marvel not, my brethren, if the world hate you."*

2. **John 3:19** *"And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil."*

3. **John 16:33**
"These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world."

4. **Psalms 34:19** *"Many are the afflictions of the righteous: but the Lord delivereth him out of them all."*

These scriptures speak to the reality of facing opposition and tribulations in the world as believers, but they also provide comfort and encouragement by reminding us of God's sovereignty and victory over darkness.

No, he will never kill your enemies, rather he will strengthen you and use your enemies to mold your character. The Jesus I know prepares the table before you in the presence of your enemies. The Jesus I know would not stop the rage of your enemies. He will allow your enemies to rage. He will allow your enemies to try to assassinate you. They will try to mess you up. They will write things against you and to some extent, their plans will cost some delays.

Go and ask Joseph, who went through hell because he carried the destiny of God inside him. You must understand that once Christ comes into you, problems start rising up against you.

So the truth must be told because if you are not taught the truth, you will begin to have an unholy mentality.

The truth of God must be told and we must stop this baby-like Christianity, baby-like commitment to God that if things don't work out, you will quit, no! no!! No!!!.

Salvation has nothing to do with your marital blissfulness. Salvation has nothing to do with your material needs.

Salvation has nothing to do with your looks, or with some kind of physical or material things. No, salvation was carefully plotted for your eternal security. It has to do with your life when Jesus returns, your life when this planet has come to an end.

1. 1 Thessalonians 5:9-10

"For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, Who died for us, that, whether we wake or sleep, we should live together with him."

2. Hebrews 9:28

"So Christ was once offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation."

God is preparing your eternity. The most important aspect of your life is your secret life before God. Your private worship, and life of consecration.

"But I keep under my body, and bring it into subjection: lest that by any means, when I have preached to others, I myself should be a castaway."
1 Corinthians 9:27

So everything you do today and everything you will be doing tomorrow, you are going to reap after here. You must walk with the Holy Spirit to be perfect in the sight of God. Without walking with the Holy Ghost, you cannot be perfect. God has called us unto perfection. He has called you unto perfection because he has already made it possible. It means by the spirit we become perfect and without the Holy Spirit, forget about perfection.

Jesus said that it is expedient that I go back to heaven because if I don't go back, the Spirit of God will not come. If I am here, you will be limited. But if I leave, the Spirit of truth will come.

"Nevertheless I tell you the truth. It is to your advantage that I go away; for if I do not go away, the Helper will not come to you; but if I depart, I will send Him to you."
John 16:7

The Spirit of God is the spirit of truth. Jesus is the Spirit of grace. And you see now when he went, he returned as the spirit of truth. Now the truth is what frees us from unholiness.

Without yielding to the Spirit of truth, you will become so religious and so wicked even in the very house of God where you might find yourself doing unholy things. This is because your faith, your future, your heart, your spirit, your body will be controlled by the flesh and sealed for everlasting damnation.

One of the problems we have today is that we think we can be better than God or we are stronger than God to change anybody. God does not impose change on anybody. God does not force change on anybody, rather YOU can change you, if you are willing to subject yourself under the change that comes from the lordship of the Holy Spirit.

The Holy Ghost is our helper. What does it mean that the Spirit is your help? It means, the Spirit of God knows that you are insufficient and you are not capable of overcoming some challenges. The Holy Ghost knows your flaws, he knows exactly your weaknesses. So the Spirit of God is sent by God to help your weaknesses.

The Holy Ghost is there to influence you to come out of your weaknesses, but there has to be a conscious effort to consciously follow the instructions and the word of God.

This is where many have failed. Sometimes our approach to God is to relate with him from a sentimental point of view through our feelings.

We just want to feel the Holy Spirit, we want to sense the Holy Spirit, feeling the Holy Spirit might be very deceiving.

It is a possibility to feel the Holy Ghost, but to feel the Spirit of God would demand that you have come to a point where you are qualified. You have yielded your will to the point that your body is holy, then the Holy Spirit can come upon you. It is at that point where your entire consciousness is completely under the control of the Holy Spirit, then He can help your infirmities, and you would have to die to self completely.

So, the Holy Spirit has been sent to us and for us, most importantly to make us holy. Hence, desiring the multiple channels through which the spirit influences us into holiness becomes an important aspect of our walk with God. You can say I have the Holy Spirit, but do you know the multiple streams that he uses to influence us into holiness? A man who is unable to hear the voice of the Holy Spirit has no capacity to walk in holiness? A man who is unable to discern the multiple ways the Holy Ghost can influence him cannot walk in holiness.

"For all who are allowing themselves to be led by the Spirit of God are sons of God."
-Romans 8:14 (Amp)

So it becomes an important aspect of our walk with God when we arrive at a point that we can say, how does the Spirit of God speak to me? How does the Holy Spirit influence my thoughts? How does the Holy Spirit want to communicate the will of God in my life?

So if I am captured in the various dimensions through which the Spirit of God can prepare me, push me, compel me, influence me to obey the voice of the Father, then I am guaranteed under his tutorship who will teach me the basic principles of the doctrine of Christ. This is why the saints need to continually ascend into the holy hills.

CHAPTER TWO

THE SHEPHERD'S VOICE

“Be ye imitators of me; even as I also am of Christ.”

1 Corinthians 11:1

“Remember them which have the rule over you, who have spoken unto you the word of God: whose faith follow, considering the end of their conversation.”

Hebrews 13:7

What does this mean? It means that before you are developed to hear the voice of the Holy Ghost, first you would have to hear the voice of your shepherd because the voice of your shepherd should reflect the voice of the Holy Spirit. The shepherd becomes a voice you hear first. The shepherd begins to nurture and develop you to a point where you can learn how to hear the voice of the Father.

Remember what happened to Samuel. Samuel was an infant in the ministry of the prophetic and of course, he didn't know how to discern the voice of God, but somewhere, somehow, the voice of God sounded like the voice of his father in the Lord, you see that?

“And the LORD called Samuel again the third time. And he arose and went to Eli, and said, Here am I; for thou didst call me. And Eli perceived that the LORD had called the child.”

1 Samuel 3:8

So God came to him with the voice that was similar to the voice of his father because when you sit under a father, you are trained to discern the voice of the Holy Spirit.

And this is why I get grieved, when I see a minister, an apostle living in deceit and unholiness. Everybody that has a voice wants to go into ministry. This has caused more harm than good in the body of Christ. Ministers must not be found with sin or guilt or struggles with anything. A minister must be blameless, above reproach, he must have a good reputation, good judgement, sober and respectable. I have always said before you enter into ministry, please be purged, be cleansed, be holy, be righteous.

"A bishop then must be blameless, the husband of one wife, vigilant, sober, of good behaviour, given to hospitality, apt to teach;"

1 Timothy 3:2

Do not have any struggle of the flesh. You must always be spiritually sanctified and set apart to be used by God. If not so, please wait until you have come to that position in the spirit. I do not doubt your calling. I do not doubt your zeal to serve the Lord, but that zeal can lead you to your destruction. If you don't apply your zeal with knowledge, zeal without knowledge becomes highly destructive.

"Brethren, my heart's desire and prayer to God for Israel is, that they might be saved. For I bear them record that they have a zeal of God, but not according to knowledge."

Romans 10:1-2

Ministry begins with men who have been called, set apart, anointed to come under the sanctification of the Holy Spirit for the empowerment that comes from the ministry of holiness. It is when you have become holy that God can entrust more in your hands. So the voice of God that you must hear first is the voice of the Holy Spirit coming from your father in the Lord who begins to teach you the fundamental principles.

You can be hearing the voice of God right now, the still small voice within, the inward man, the inner teacher, however that voice is not primarily addressing accomplishing or representing God's callings. God will teach you first to acknowledge his voice in order to walk in the way of holiness, in order to walk in the way of sanctification. And in that process, you begin to lose every filth that is in your thoughts, every filth that is in your mind, every filth that is in your conduct.

The voice of God is actually a calling unto sanctification as a first step, after you have been sanctified, then the voice of His purpose and callings follow. So, in that process, as you are hearing the voice of God, the Spirit of God will train you, lead you even to be tested by the devil.

He will lead you to the struggles that you used to have in the past to see how far you have overcome it. He is both your teacher and He also will test you. He will check you out because every teacher wants to perfect his students under examination. Afterwards, if you succeed or if you pass the exam, then you are qualified for the next level. You are qualified for the next advancement. So there are different levels of God's glory that are required to qualify a man to represent the callings of God or the purposes of God for creation.

But multiple channels of this voice of the Holy Spirit must be opened, understood, and must be acknowledged in order to qualify to host the fullness of God.

SPECIAL IMPARTATION

'Lift your hands, O Father, in the name of Jesus. I pray that everyone will begin to hear the voice of God that is required to make them holy, to walk in righteousness in these last days, in the name of Jesus the Christ. May you be ready and elected to share in the manifestations of the sons of God'.

Now, I want to show you a very significant scripture.

"For the grace of God that brings salvation has appeared to all men. Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world"

Titus 2:11 & 12

What this is teaching us is grace, the grace that has appeared. Now, you see that Jesus is the grace that appeared and we received salvation. Then the Holy Spirit is the voice of the grace that is teaching us holiness. I repeat, Jesus Christ is the grace of God that has appeared to all men. So it is very easy to receive the dividends of the appeared grace. But it's not mostly easy to receive the teachings, the instructions of the voice of grace. Because the voice of grace is not Jesus. The voice of grace is the Holy Spirit. This is the mystery of God, we know in principle, of course, the Holy Spirit is Jesus. This is another version of Jesus that is a custodian of a certain reality of God.

So if you don't want the fire, if you don't come under the ministry and the influence of the Holy Spirit, there is an aspect of God that you will never inherit.

If you believe in Jesus, there are blessings that are within that dimension. So your faith in Christ will give you the gift of righteousness. Your faith in Christ will qualify you to host Christ in your spirit. Of course, your faith in Christ will eradicate, will erase your sins and bring you to an absolute state of justification, however that is not going to guarantee the fullness of God. That is not going to guarantee that you're going to step into all that salvation brings. So there is another aspect of Christ that is called the Holy Spirit. That is the voice that is called the voice of Christ. And that voice of Christ is only heard through the ministry of the Holy Spirit.

BEWARE OF DECEPTION: THE DANGER OF HEARING BUT NOT DOING

Deception is when you have heard and did not do. You have deceived yourself. The Bible says, "Be doers of the word, not hearers only, deceiving your own self."

So, there is what we call deception in the last days. Jesus said *"Take heed that no one deceives you."* **Matthew 24:4**

So, where do these deceivers come from? Certain believers. It will come from some pastors. It will come from some elders. It will come from some deacons.

It will come from church folks that have been in church for twenty years, forty years, church folks who do not practice what they have heard. They are going to be the promoters of the deception.

What is deception according to Scripture? They who have heard the voice of the Holy Spirit and do not do what the Spirit is saying. And when they don't do what the Spirit has said, they become deceivers, because they have been deceived. They are 'deception' themselves, and they are living in deceit. Be pretty sure they will deceive you, because you cannot give what you don't obey. You cannot be what you don't respect, and you cannot receive what you don't reciprocate.

"Take heed, brethren, lest there be in any of you an evil heart of unbelief, in departing from the living God." **Hebrews 3:12**

"But take heed lest by any means this liberty of yours become a stumbling block to them that are weak." **1 Corinthians 8:9**

Holiness purifies your spiritual garments. In the realms, garments hold profound significance, representing not only our outward appearance but also our inner spiritual condition. Throughout the Scriptures, we encounter vivid imagery of garments, both clean and filthy, as metaphors for righteousness and unrighteousness, purity, and defilement. In the realms, garments symbolize our spiritual state before God.

Isaiah 61:10 says *"I will greatly rejoice in the LORD, My soul shall be joyful in my God; For He has clothed me with the garments of salvation, He has covered me with the robe of righteousness, As a bridegroom decks himself with ornaments, And as a bride adorns herself with her jewels."*

God clothes His people with garments of salvation and righteousness, signifying their redeemed and purified state in His sight. Filthy garments, on the other hand, represent sin, guilt, and spiritual defilement. In Zechariah 3:3-4, the prophet Zechariah receives a vision of Joshua the high priest standing before the Angel of the LORD,

"Now Joshua was clothed with filthy garments, and was standing before the Angel. Then He answered and spoke to those who stood before Him, saying, 'Take away the filthy garments from him.' And to him He said, 'See, I have removed your iniquity from you, and I will clothe you with rich robes.'"

The Dangers of Filthy Garments:

1. **Accusations by Satan:** *"Then I heard a loud voice saying in heaven, 'Now salvation, and strength, and the kingdom of our God, and the power of His Christ have come, for the accuser of our brethren, who accused them before our God day and night, has been cast down'".* **Revelation 12:10**

Filthy garments provide fodder for Satan's accusations against believers, hindering their spiritual growth and intimacy with God.

2. Separation from God's Presence: *"But your iniquities have separated you from your God; And your sins have hidden His face from you, So that He will not hear."* **Isaiah 59:2**

Filthy garments create a barrier between believers and the presence of God, hindering communion and fellowship with Him.

3. Weights: *"Therefore we also, since we are surrounded by so great a cloud of witnesses, let us lay aside every weight, and the sin which so easily ensnares us, and let us run with endurance the race that is set before us."* **Hebrews 12:1**

Filthy garments weigh down believers, impeding their spiritual progress and hindering them from fulfilling their God-given purposes.

4. Vulnerability to Spiritual Attacks: *"Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places."* **Ephesians 6:11-12**

Filthy garments leave believers vulnerable to the enemy's schemes and attacks, lacking the spiritual armor necessary for defense.

5. Loss of Witness and Impact:

"Let your light so shine before men, that they may see your good works and glorify your Father in heaven." **Matthew 5:16**

Filthy garments obscure the light of Christ within believers, diminishing their ability to be effective witnesses and ambassadors for the Kingdom.

PRACTICAL WAYS TO OBTAIN CLEAN GARMENTS:

1. Confession and Repentance: *"If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness."* **1 John 1:9**

Throughout my ministry I have remained completely broken before the Lord. I daily pray to the Lord, please do not take away my brokenness. Your spirit must remain tender, contrite, broken, not high minded or lifted in pride. Regular confession and repentance before God lead to the cleansing of filthy garments and the restoration of righteousness.

"The sacrifices of God are a broken spirit: a broken and a contrite heart, O God, thou wilt not despise." **Psalms 51:17**

2. Divine Encounters:

"For as many of you as were baptized into Christ have put on Christ"
Galatians 3:27

This visibility of Christ in visions and dreams. Appearances of heavenly beings, interaction with angels and ancients. Receiving revelations and instructions from heaven

3. Walking in the Spirit:

"I say then: Walk in the Spirit, and you shall not fulfill the lust of the flesh."
Galatians 5:16

Surrender completely to the leading of the Holy Spirit, allowing Him to guide your thoughts, words, and actions, thereby maintaining spiritual purity.

CHAPTER THREE

SACRIFICIAL OBEDIENCE

"He said, "Take your son, your only son Isaac, whom you love, and go to the land of Moriah, and offer him there as a burnt offering upon one of the mountains of which I shall tell you."

Galatians 22:2

Abraham obeyed God even when it seemed difficult, endure hardness as a good soldier of Christ Jesus. Do not compromise irrespective of the circumstance.

So, if we follow the footsteps of God, we would become holy to walk before the Lord and to walk after the Lord. That is holiness. Holiness brings you to that point in your walk with God where it is no longer me, but Him.

And it's not just saying it under the keyboard strings or saying it under some kind of worship atmosphere or because we came to church and we felt the presence of the Holy Spirit. That moment is good.

It can begin from that point sometimes. But now to sustain the decision and to walk consciously in that decision requires conscious effort, conscious sacrifice, conscious commitment to what you have vowed before the Lord.

What is glorification? It means to be raptured or to be caught up into the actions of God's abilities. In these last days, it is expected and required and prophesied and anticipated that there will be billions of remnants that will host the fullness of God.

"Yea, and if I be offered upon the sacrifice and service of your faith, I joy, and rejoice with you all."

Philippians 2:17

"Thus did Noah; according to all that God commanded him, so did he."

Genesis 6:22

"And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it."

Matthew 16:18

This is the Word of the Lord and we have arrived at the timeline of its manifestation. It will come to pass on this earth. But ninety percent of the time, there is a sense of defeat before absolute victory is achieved. When Christ hung on that cross, Satan thought he had won.

When Christ was arrested, abused, bruised, and wounded, it was thought that he had finally captured the Son of God and he's going to end his life on earth. Little did he know that Jesus, in the realms, was being planted to harvest many sons after he had died, resurrected, and left the earth.

The world didn't know that Jesus was on a higher principle, on a higher wisdom that was beyond the understanding and comprehension of Satan.

Satan didn't know that Jesus allowed the process, the wounds, the bruises, the sacrifices, the operations, to multiply Himself on earth.

"Which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory."

1 Corinthians 2:8

If the kings of this world had known, Jesus would not have died, if Jesus did not taste death on Calvary, I would not have been here today. You would not have been here today.

Kathryn Kulhman and her exploits would not have been on the scene. Billy Graham would not have happened. Mighty men of God all over the world that have ever lived, donkey years would not have manifested the glory of God.

Pressures will come and attacks will come, but you are more than a conqueror through Him that loves you, the love of Christ guarantees victory in every trouble, in every attack, in every rejection, in every storm of the devil, because he has loved you, there is a guarantee of victory. Ten people might have cancer, if you happen to be among the ten, be rest assured that you're coming out of cancer.

*“For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith.” **1John 5:4.***

It does not matter the forces that are fighting you. The Bible says being born again not of corruptible seed but of incorruptible, by the word of God which lives and abides forever. So if you are begotten of God, you have the inner ability to abide in Christ forever. Hallelujah!

In some parts of the world, the righteous are being butchered, slaughtered and they are rejoicing in the Lord. Nobody is putting a gun on your head, nobody is stabbing you. If you live in the part of the world where you can go to church, quickly embrace that opportunity.

Go to North Korea, try to preach, they will torture you, some places in India try it. Indian brothers are going through persecution right now due to the increase of the glory of God. God allows tribulation because sometimes tribulation puts you on your feet. During covid-19 most believers became holy.

Sometimes, God will allow affliction because He knows that is when you will pray, that is when you will study scriptures in hope that God will respond to you and lift the affliction. My question is why are you serious when you are in a serious problem? why do you become serious with God in the serious problem? So if serious problems are what will bring you closer to God why wouldn't God allow serious problems to come your way? Why wouldn't God sustain it for some time for you to grow in faith in that tribulation.

There are many people that will never serve God in this world until they developed cancer, they were normal Christians who don't care but the moment something bad happened they began praying in the night. They started buying books on principles to get healed, seven scriptures that guarantee health. But they do not know cancer listens to holiness.

Righteousness is an inward benefit, righteousness gives you an inward eternal benefit, holiness gives you an outward external benefit of salvation.

If you depend on the gift of righteousness, that will continue to guarantee your eternal salvation, but if you truly want to communicate the victory of Christ on Calvary in your body, then you will walk in holiness. He died for you, and by his stripes you were healed bodily, so to experience the bodily healing and health in Christ requires that you communicate the righteousness of Christ in your conducts.

When you manifest the fruits of righteousness, when you harvest from the tree of righteousness, when you harvest from the seed of righteousness, that becomes holiness and that guarantees health on your body. Healing does not guarantee health, the fact that you got healed shows how vulnerable you are. That means that you are available to sickness. True believers that walk in holiness should not be sick. Holiness envelopes a man completely, spirit, soul and body. In the presence of the Lord, there is no sickness. You might say I know a mighty man of God, he died of cancer. You just knew him on the pulpit, you don't know him behind the pulpit.

I can be something entirely different from what I preach. In other words grace can cause a man to manifest power but he himself is heading straight to hell. One of the most deceiving things on earth especially when it comes to spiritual rewards and eternal security is grace. This is because grace will so manifest to a point that you don't know that it is at Christ's expense that the manifestation is happening in your church. Not because you are anointed, no, but because the people have gathered in the name of Yeshua and you happen to be the one standing, the voice that God will use to speak

Remember that God spoke through a donkey when he needed a vessel. Therefore that you are preaching and God is using you to preach his word does not mean that you are His voice or that he has accepted you. Go and ask Mr donkey, the donkey was used since the prophet was not listening. God spoke through the donkey, so God can speak through you and still dump you at last. That God is using you to speak and you pray for people, miracles are happening, you think you have arrived. If you do not walk with Him in secret, he will say depart from me you worker of iniquities, I don't know you, you are wicked.

For God's glory to rest upon you it's not easy, the power of God does not come on people cheaply. Imagine a priest who has abused and corrupted everybody, wants to function in the glory. They want to function in the gifts, but they don't want to keep the principle of their priesthood.

See how Samson brought shame to Israel. When God said don't marry from the heathen countries he went and fell in love with Delilah. Delilah never loved him. Delilah was on a mission. The Philistines, the enemies of God used the woman to set him up. His sexual indiscipline led to his destruction. Samson was anointed so the anointing does not guarantee safety, what guarantees safety is obedience to God's word.

Let nobody fool you, it is your purity that can preserve you in these last days, we are in the last days, we are no longer in the days of grace. We are in the days of discipline, in the days of the spirit, in the days of transformation, in the days of the baptism of fire,

if you don't want to be ridiculed like Samson was, then pay attention to the instructions of God.

Pay attention to the voice of holiness. Holiness is living righteously, holiness is the ability to walk in righteousness, holiness is to walk in the ways of God, to say what God says, to do what God does, holiness also includes not doing what God does not do.

Faith is a calling to come up to the deep. And that calling requires obedience. That calling requires a deep obedience to the Holy Spirit. Obedience to the deep callings of God.

The season is very intense and very demanding. The call of the Lord in these last days is not the call for a general overseer.

GLORY IN DEEP OBEDIENCE

It's a call amongst the chosen, the elect, the remnant. He is going to call you out of your family.

He is going to call you out of your ways, your choices. And if you would obey that voice, if you would obey that instruction, then he would take you into the next calling. You increase in spiritual ranks and authority and then place you in position to carry out his responsibilities, to represent Him.

CHAPTER FOUR

EMBRACING GOD'S DESIGN FOR LIVING

There have been a lot of teachings and thoughts when it comes to the subject of holiness, consecration, and purity in the eyes of God. Please understand that the Word of God is so deep that it would take a series of studies of dimensions of God's Word to come to an exact knowledge of a particular subject.

Holiness is the character, essence, the DNA of God, that is why His Spirit is referred to as Holy.

“And the four beasts had each of them six wings about him; and they were full of eyes within: and they rest not day and night, saying, Holy, holy, holy, Lord God Almighty, which was, and is, and is to come.

And when those beasts give glory and honour and thanks to him that sat on the throne, who liveth for ever and ever,

The four and twenty elders fall down before him that sat on the throne, and worship him that liveth for ever and ever, and cast their crowns before the throne, saying,

Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created.”
Revelation 4: 8 - 11

The Spirit of Holiness is a very intelligent spirit and it will entail that I take you into several dimensions of the Spirit to successfully establish a foundation.

Have you ever wondered what this life is all about? Why are we here? What's life all about? The purpose of Life?

When you do not know the purpose of life from God's perspective then deception may encroach and may gain a certain level of influence in your life.

"Let us hear the conclusion of the whole matter:

Fear God, and keep his commandments: for this is the whole duty of man."

Ecclesiastes 12:13

Proverbs 9: 10 *"the fear of God is the beginning of wisdom."*

A CALL TO SPIRITUAL DILIGENCE

The most beautiful thing in the world is to serve Jesus in holiness. It's priceless, undefiled, holy and righteous.

Always examine yourself, How do you live your life? Who are you when no one is looking? But my question to you is, will you please Jesus against all odds? Do you know that we live in one of the precious moments that God is in a challenge with Satan? God is saying my people will live right for me. Satan is saying they will mess you up, they will deny you, I will tempt them. They have lusts inside them. I'm going to tempt them with the lust of the flesh, with confusions, with the lust of the eyes. And of course, I'm going to cause them to be arrogant. Watch them walk away from your word.

There is a challenge in the heavenly realms. God is calling us to be a holy nation of righteousness and Satan is calling us to guilt, to sin, filth and unrighteousness.

"Deep calleth unto deep at the noise of thy waterspouts: all thy waves and thy billows are gone over me." **- Psalm 42:7**

We must be willing to be deep. We must be willing to go deep with the Lord. You would have to first be deep in yourself to be able to be drawn to the deep because when the deep calls only the deep responds to the call of the deep. You can act like you are deep, you can scream as though you are deep, you can connect to deep sayings, but not truly be deep. Only deep calls unto the deep.

Counsel in the heart of man is like deep water; but a man of understanding will draw it out. **Proverbs 20:5**

My heart bleeds when I look at what is happening and when men don't see the future of what is coming. Never rate your life or ministry with people, or how many people come, or how connected you are, that's not it.

If the rapture happens now, are you amongst those that will be caught up to be with the Lord in the air? According to the scriptures, there is a particular church, one of the seven churches that will be cast into the great tribulation.

"Those who live recklessly," Jesus says, He will cast them into the great tribulation.

"Notwithstanding I have a few things against thee, because thou sufferest that woman Jezebel, which calleth herself a prophetess, to teach and to seduce my servants to commit fornication, and to eat things sacrificed unto idols. And I gave her space to repent of her fornication; and she repented not. Behold, I will cast her into a bed, and them that commit adultery with her into great tribulation, except they repent of their deeds. And I will kill her children with death; and all the churches shall know that I am he which searcheth the reins and hearts: and I will give unto every one of you according to your works."

Revelation 2:20-23

That means that during the tribulation, and of course, rapture will not happen in the tribulation. It means that these folks will lose their faith during the tribulations.

CHAPTER FOUR

HOLINESS AND THE HOLY COMMUNION

“Wherefore whosoever shall eat this bread, and drink this cup of the Lord, unworthily, shall be guilty of the body and blood of the Lord. But let a man examine himself, and so let him eat of that bread, and drink of that cup. For he that eateth and drinketh unworthily, eateth and drinketh damnation to himself, not discerning the Lord's body. For this cause many are weak and sickly among you, and many sleep.” **1 Corinthians 11:27-30**

For this heightened level of negligence, many are weak, sick, many die because they ate the body of Jesus unworthily. They drank the cup of His blood with sin in the body and for that purpose, just for that negligence, many have died, many are sick, and of course many are weak.

Every time a man becomes weak spiritually, the next affliction that comes is sickness and of course through sickness comes death. So the weakness of the spirit weakens a man and makes that man to become vulnerable to afflictions.

Just for not discerning the body of Christ, many are weak, sick, and die, this is because the body of Jesus is holy. The cup is holy. He that drinks the blood of Jesus receives a new life.

He that eats the body of Jesus Christ receives a new body. Why do we die? Why are we weak? Darkness and light do not mingle. Darkness and light are not companions.

Evil and good are not friends, sin and unrighteousness do not mingle. The body of Jesus was broken for your freedom from sin.

If you discern the body, you would know why the body was broken. You will know that the body was broken that you might come out of every form of sinfulness.

The body ought to disarm, destabilize, and completely destroy the hold of sin in our lives. The body was wounded for our transgressions. The body was bruised for our iniquities. The stripes on his body brought us healing.

So before I eat that body, I must first note that the significance of whatever God had wrought on the body of Jesus is actively at work in my life. I have freedom by the power of the brokenness of the body of Jesus Christ, so I live holy I walk in holiness. I resist sin. I say no to sin because Jesus' body was broken for my sin.

Now remember in Christ we have no guilt, but 1 Corinthians 11:27 is saying we shall be guilty of the blood and the body of the Lord, that is because of the tendency to eat unworthily.

If you know what it truly means to drink the cup and eat the body you can never be weak, you can never be sick and you will never die. Just observing the revelation of the Holy Communion is enough to empower the body of Christ for immortality.

There is an unprecedented weakness in the body of Christ across the nations. Many believers are sick today, you know why? Because they partake of Holy Communion unworthily. Before you take the supper, there is a keyword that solves all the complications, 'you must examine yourself'. We have watered down spiritual things in the name of grace. And it has caused more affliction to the body of Christ beyond measure. Before you drink that holy blood, eat that precious body of Jesus that was broken for you, you ought to examine yourself.

And when it comes to examination, the Bible says

"Examine yourselves, whether ye be in the faith; prove your own selves. Know ye not your own selves, how that Jesus Christ is in you, except ye be reprobates?"
2 Corinthians 13:5

Let every man examine himself. Question yourself sincerely on issues like, how did I live this week? Because you are about to consume something holy. Be careful. The body of Jesus and the blood that you're going to eat and drink is spiritual. So the Holy Communion is not necessarily for the forgiveness of your sin.

Only Jesus could bear the burden of sin. And He took it once and for all, and nailed it on calvary, and brought you forth a new creature, one that is free from sin, one that is free from unrighteousness.

You are now immersed in the sea of His love. You don't have the memory of sin. You don't have the grievance of sin. You are holy and righteous in Christ by His Spirit.

1 Corinthians 11:27 says *"Wherefore whosoever shall eat this bread and drink this cup of the Lord unworthily shall be guilty of the body and blood of the lord, let a man examine himself ,so let him eat of that bread and drink of that cup of the Lord."*

You've got to be careful in your intake of holy communion. It can bring damnation to you. It is important to note the Lord's Supper, the body and the blood of Jesus in its eternal spiritual significance, does not forgive your sins, It condemns you. Don't let anybody fool you.

I'm trying to wake you up because our concept of the body and shed blood of Christ was for the redemption of your sin. It goes beyond that, He convicts us of our wicked ways and he gives us a time frame to turn around.

SELF JUDGMENT AND SPIRITUAL INTEGRITY

"For if we would judge ourselves, we should not be judged."
1 Corinthians 11:31

So there are three major things that stand out here, why many ate the supper and became weak, sick and many died because number one, they ate without examining oneself. Secondly, they did not discern the body. thirdly, they didn't judge themselves.

Many didn't continue to evaluate their hearts, change and repent. What happens when we are judged? We are chastised of the Lord that we should not be condemned with the world. Remember, this is within the context of Holy communion.

And after discerning, there is what we call self-judgment, which would also lead to what we call the chastisement of God on an individual. So what then is chastisement? It is the scourging of God which is a requirement for sonship. The ministry of the Father in chastising. In the realms of God.

If the Father loves you, He would chastise you. He will scourge you. He will discipline you. God is saying If you are close to me and I become visible through you, the fire of my holiness will tabernacle your physical glory(body). He will burn off every impurity.

But if the Father withdraws his chastisement from you and starts to walk with you with wisdom, you are finished. As a born again believer, be careful of your actions. Be careful of your way of life. You are different.

"They are not of the world, even as I am not of the world."

John 17:16

Embrace the discipline of your Father in heaven. Oh Pastor John, how can God discipline me? How do I know? God will first, begin to warn you in your dreams. He will warn you in visions.

He will warn you with your conscience and the more he warns and you listen, he will increase His signals and manifest Himself more to you. He will continue to strengthen you and you will not fall.

Holiness is not achieved by works of the flesh. Holiness is achieved by the discipline of the Holy Spirit when we are scourged, chastised, when we judge ourselves, when we examine the intentions of our hearts, when we discern the reason for which the body of Christ was broken.

I have received a message from God and I'm sounding it to the whole world. We have been taught by the Lord to walk in holiness and righteousness and to embrace the chastisement of our Father which ultimately leads us to manifest the fullness of Christ.

What does it mean to examine oneself?

"Let us search and try our ways, and turn again to the Lord."

Lamentation 3:40

That is what it means to examine yourself.

"Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon."

- Isaiah 55:7

Prove your own selves. If you yield to the Holy Spirit, you would be taken into greater realms.

"Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord."

Acts 3:19

It's not about repenting without taking action. It's more about being converted. I realized the word "converted" means to turn around, and yield to holiness, to turn away. When that happens, there is a revolution that happens on the inside. There is a sudden revolution and the Holy Spirit begins to flourish and flourish and gain ascendancy in our lives.

"Let him know, that he which converteth the sinner from the error of his way shall save a soul from death, and shall hide a multitude of sins."

James 5:20

My counsel to you is, never lose your faith. This is the moment to walk in righteousness and holiness. Once you eat the body of Christ worthily, you will receive supernatural strength.

CONCLUSION

Anything separated unto God is holy and must be hallowed. This means that it should be treated with the utmost respect and devotion, recognizing its sacred nature. Let's explore this concept further, drawing from examples in scripture.

The term "holy" in the Bible signifies something that is set apart for God's purposes and is therefore sacred and deserving of reverence.

“Sanctify yourselves therefore, and be ye holy: for I am the Lord your God.” Here, God calls His people to sanctify themselves, setting themselves apart for His service, and to be holy as He is holy.”

Leviticus 20:7

One notable example of the consequences of treating something holy with irreverence is found in the story of Esau and Jacob in Genesis 25:29-34. Esau, the firstborn son of Isaac, despised his birthright and sold it to his brother Jacob for a bowl of lentil stew.

“Lest there be any fornicator, or profane person, as Esau, who for one morsel of meat sold his birthright. For ye know how that afterward, when he would have inherited the blessing, he was rejected: for he found no place of repentance, though he sought it carefully with tears.”

Hebrews 12:16-17

Esau's actions demonstrated a lack of regard for the holiness of his birthright, which was a significant spiritual inheritance. As a result, he lost the blessing that God had intended for him.

Saints, this serves as a sobering reminder of the importance of honoring and respecting that which is holy.

In 2 Samuel 6:6-7, when Uzzah reached out to steady the Ark as it was being transported, God struck him dead because he touched the ark, a duty reserved for the Levites.

"And when they came to Nachon's threshingfloor, Uzzah put forth his hand to the ark of God, and took hold of it; for the oxen shook it. And the anger of the Lord was kindled against Uzzah, and God smote him there for his error; and there he died by the ark of God."

Also we are called to honor and respect those who hold positions of authority in the body of Christ.

"Let the elders that rule well be counted worthy of double honour, especially they who labour in the word and doctrine."

1 Timothy 5:17

This verse emphasizes the importance of showing honor and respect to those who serve faithfully in leadership roles within the Ecclesia.

Treating holy ordinances, items, offices, or people with reverence is a foundational principle of holy living. As sons of God, we are called to recognize and honor the sacredness of that which is set apart for God's purposes. By doing so, we demonstrate our love and devotion to God and His kingdom.
