

A detailed illustration of a bald eagle with its wings fully spread, facing forward. The eagle has a white head and neck, a yellow beak, and yellow eyes. Its body and wings are covered in dark brown feathers. The background is a dramatic scene of fire and flames, with bright orange and yellow fire at the bottom and darker, smoky fire at the top. The eagle's wings are positioned as if it is rising from or standing amidst the flames.

PREFACE

Dear Fellow Laborers in the Vineyard of Christ,
As we stand on the threshold of unprecedented spiritual storms, I am compelled to sound the alarm. The winds of change are blowing with an intensity we have never before witnessed. God is in perfect control, and the day of the Lord has arrived. In the midst of this tumult, there is a critical truth that must be highlighted: the necessity of embracing the dealings of God through fire.

In these pages, I invite you to journey with me into the heart of this truth, a truth that holds the key to survival amidst the pressures of our time. For too long, many have neglected the refining fire of God, failing to recognize its crucial role in preparing us for the glory that lies ahead.

The days we live in are fraught with great distress, with destruction looming on the horizon. Yet, they are also pregnant with divine purposes and intentions of God as creation awaits the manifestation of the sons of God. It is a time for awakening, for embracing the refining requirement of the spirit that we may emerge as vessels fit for the Master's use.

To generate fire, we must become carriers of the Holy Ghost, embracing the way of the new wineskin, the way of death, and the way of loneliness. This path demands our total surrender, a dying to self, and an openness to the transformative power of God's Spirit.

Once we have kindled this divine fire, sustaining it requires a fierce commitment. We must wage war against the spirit of compromise, wait on the Lord with humility, contend for the faith of the fathers, and continue to walk the solitary path of loneliness. This journey is not for the faint of heart, but for those who are willing to persevere, there is a promise of the final move of God such as never been seen.

Finally, distributing this holy fire is our ultimate calling. As sons and daughters of God, we are to host the seven spirits of God, becoming conduits through which His presence can flow. This requires we graduate from God's higher institution, a continual abiding in His presence, and a willingness to be vessels through which His glory can be revealed to the world.

The urgency of the hour cannot be overstated. The harvest is indeed plentiful, but the laborers are few. Why this scarcity?

It is because the coming move of God requires vessels refined by fire, voices forged in the crucible of trial and testing. As ministers of the Gospel, as stewards of God's Word, we stand at a pivotal moment in history.

In this introductory volume, we will explore the depths of this truth, drawing from Scripture, from the testimonies of saints who have gone before us, and from the stirring of the Spirit within our own hearts. It is my prayer that as you journey through these pages, you will be ignited with a passion to run with the fire, to allow it to consume every impurity, and to emerge as a holy habitation, an icon of God, a replica of the living Christ.

May the flames of God's fire ignite within you, refine you, and empower you to carry this fire to a world in desperate need of His presence.

In His service,

John Ikechukwu Anosike

PREFACE

THE ORIGIN OF FIRE

**PURGING: A PREREQUISITE
TO ASCENSION**

THE MYSTERY OF THE GODHEAD

HOW TO GENERATE FIRE

HOW TO SUSTAIN YOUR FIRE

HOW TO DISTRIBUTE FIRE

CONCLUSION

A close-up portrait of a lion's face, looking directly at the viewer. The lion's mane is exceptionally large and voluminous, with a color palette ranging from deep orange to bright yellow, giving it the appearance of intense fire. The lion's face is a lighter tan color, with dark, focused eyes and a serious expression. The background is dark, making the fiery mane stand out prominently.

CHAPTER ONE

THE ORIGIN OF FIRE

WHAT IS FIRE

Fire is the eternal, fiery habitation of God, a realm of unapproachable purity, holiness, light and power. The properties of fire best describes this aspect of God's nature, He burns with fervent heat, releasing unconquerable power.

*"For our God is a consuming fire." **Hebrews 12:29***

This scripture gives us an insight into God's nature and operation. It means God is fire and fire is godly. The smartest path to godliness and purity is staying on fire, because it means you are abiding in God. In Greek context, the phrase "God is a consuming fire" emphasizes this aspect of God's nature as being both purifying and completely consuming, leaving nothing unrefined or unjudged. This reflects the holiness and righteousness of God that tolerates no impurity.

*"This then is the message which we have heard of him, and declare unto you, that God is light, and in him is no darkness at all." **1 John 1:5***

This verse directly states that God is light, emphasizing His purity, holiness, and absence of darkness.

*"Who coverest thyself with light as with a garment: who stretchest out the heavens like a curtain." **Psalm 104:2***

This poetic imagery by King David describes God as covering Himself with light, portraying His majesty and glory.

*"Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning." **James 1:17***

James referred to God as the Father of lights and the fact that He is the source of all goodness, illumination, and consistency.

*"Then spake Jesus again unto them, saying, I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life." **John 8:12***

Jesus identifies Himself as the light of the world, which indicates His authority in illuminating and guiding the whole of humanity.

*‘And I myself will be a wall of fire around it,’ declares the Lord, ‘and I will be its glory within.’ **Zechariah 2:5***

God indwells fire, and fire will continue to be God's endless eternal habitation. Because He indwells fire, He is incorruptible; He cannot be defiled. The fire by its very nature will destroy any trace of impurity that attempts to come close. Nothing can corrupt God because fire keeps one incorruptible.

*"I beheld till the thrones were cast down, and the Ancient of days did sit, whose garment was white as snow, and the hair of his head like the pure wool: his throne was like the fiery flame, and his wheels as burning fire." **Daniel 7:9***

Fire is absolute, and fire is holy. So where there is fire, nothing corrupts. Nothing that can defile will ever have access to that habitation of our precious heavenly Father. Therefore, nothing unclean can survive around God, because He dwells in unapproachable fire. You must understand that God usually emerges from fire to become the living Word, Jesus the Christ, in order to relate with creation.

The degree of your fire will determine the capacity of Christ Jesus that will be willed into you. Thus, the measures

of God are determined by the intensity of fire that you are able to accumulate. If you don't have fire inside your spirit, you will not in any way represent the image of God. You will not represent any of His callings. Every deposit of God's gifts, callings, intentions, or the gift of the Holy Ghost that God has willed or deposited into your spirit by grace is activated, empowered, and sustained by fire. Without fire, you will lose it. Without that fire, it will be dormant and inactive. That is why fierce fire will always power every gift that comes from God.

God loves fire. He dwells in fire, He walks in fire, He purifies with fire, He consumes with fire, He baptizes with fire, He cleanses with fire, He empowers with fire, and He sustains with fire.

'For our God is a consuming fire.' **Hebrews 12:29**

Fire is an all-consuming, purifying force that ignites, sustains, and activates the divine gifts bestowed by God. It is the fiery essence through which God inhabits us, empowering believers to operate in the fullness of their divine calling.

'They saw what seemed to be tongues of fire that separated and came to rest on each of them.' **Acts 2:3**

This indwelling fire is the conduit for God's presence, enabling His power to manifest within and through us.

Fire is the spiritual energy that ignites, sustains, and purifies the gifts of God within believers. It is a holy force that keeps the spiritual gifts alive, active, and potent. Without fire, Christianity becomes religion.

Fire is a fierce, purifying force that burns away impurities, energizes divine gifts, and ignites the essence of God within us. Fire is an unstoppable force that purifies, energizes, and sustains the divine gifts within us. It burns with a holy intensity, ensuring that the gifts from God remain active and potent, powering the essence of our divine calling. Fire is the oxygen that keeps God's gifts alive, preventing them from becoming dormant or deactivated.

EVERY GIFT FROM GOD REQUIRES FIRE

Every gift that we have ever received from God can be

turned on and can also be turned off. The gifts of God that come by grace cannot be removed and cannot be withdrawn by God because He lavishes without wanting to take back. However, the devil knows something most believers don't know. Every gift from God comes with a fire that powers it. The devil cannot remove the gifts we receive from salvation and redemption, but he can deactivate them by causing us to live according to the flesh. This will quench the fire and the Spirit will be grieved.

*"And the fire upon the altar shall be burning in it; it shall not be put out: and the priest shall burn wood on it every morning, and lay the burnt offering in order upon it; and he shall burn thereon the fat of the peace offerings. The fire shall ever be burning upon the altar; it shall never go out." **Leviticus 6:12-13***

Everyone desires the gifts, the anointing, and the power to make demons flee but how many are ready to do the daily chores for the fire to keep burning ceaselessly. Every essence of God that we partake in through grace becomes potent by fire.

'Their work will be shown for what it is, because the Day will bring it to light. It will be revealed with fire, and the fire will test the quality of each person's work.' **1 Corinthians 3:13**

The divine nature we partake in Christ such as faith, hope, love, gifts of the Holy Ghost, callings of God all come alive through fire. Without fire, the gifts of salvation will fail when you need them the most.

THE LIFELINE OF GOD'S GIFT

*"Who maketh his angels spirits; his ministers a flaming fire:" **Psalms 104:4***

Just as beings from different realms require their native elements to survive, God's gifts, which originate from fire, must be sustained by fire. Fire is the oxygen that keeps these gifts alive. Without fire, these gifts suffocate and become inactive, leaving you vulnerable to the devil's ridicule. Though the gifts remain, they are deactivated and dormant without fire. I thank God for the gifts of righteousness, the Holy Ghost, gifts of healing, the ability to cast out devils and prophesy. However, without learning to fan the flames of these gifts, you risk becoming a reprobate, a deceiver, or something far worse. Without the fire of God powering these gifts, they can be fueled by lust, insecurity, and a desire for fame and money. If your fire is extinguished, immorality will replace it, and you will

operate in the gifts immorally.

I believe in the baptism of fire and that God is purifying His body for the final inhabitation of His essence. God indwells us based on our purification through the Holy Spirit. God is preparing to fully inhabit us,

My prayer is that you will be among those who qualify for this total inhabitation. May the fire of God set you ablaze and keep the divine gifts within you burning brightly, empowering you to fulfill your divine calling with purity and power.

A move of the Spirit is about to sweep across the nations, one that eyes have not seen and ears have not heard. God is about to reveal Himself in unprecedented ways, and we will all experience it, as will those connected to us. This will be achieved through the ministry of fire, which purifies and reveals the ways of God.

A potter cannot remold his artwork without melting it first. Similarly, God sometimes begins with us at zero, disregards our past achievements, and starts afresh. When we come into the hands of the potter, He melts us, restarts us, and

remolds us to align with His preordained plans. God calls us, assigns us, melts us through fire, confirms us, and sends us to accomplish His work. After completing an assignment, He recalls us back into fire to be remolded for new tasks.

*"And he withdrew himself into the wilderness, and prayed." **Luke 5:16***

Jesus frequently retreated to solitary places for prayer and communion with God, setting an example for every believer to follow, in withdrawing to secret places for reinforcement and remolding.

Many preachers lose spiritual relevance after completing their initial assignment because they resist the next fire. No matter how unpleasant to the flesh, never resist or short circuit the baptism of fire. Every preacher must learn to recall, retreat, and accept the call of fire. Return to the secret place of the Most High, stay under God's fire for purification, pruning, and be remolded. Before remolding, there must be a new igniting of the fire by the Holy Spirit. Yield to the ministry of fire for remolding and reformation, so He can re-pattern your path and give you a new assignment.

PATRIACHS WHO FUNCTIONED WITH FIRE IN THE BIBLE

1. MOSES

Moses encountered the fire of God at the burning bush, which marked the beginning of his mission to lead the Israelites out of Egypt. You cannot function in God's intentions and ordinations without first encountering the fire.

"There the angel of the Lord appeared to him in flames of fire from within a bush. Moses saw that though the bush was on fire it did not burn up." Exodus 3:2

As he forged a closer walk with Jehovah, the intensity of the fire increased.

Moses was baptized in that fire, he elevated and saw the fiery sight, the mountain quaking, enveloped in smoke, and the very air electrified with the presence of God. It was here, in the midst of this fire, that the Lord inscribed His holy laws upon tablets of stone.

"And the sight of the glory of the Lord was like devouring fire on the top of the mount in the eyes of the children of Israel." Exodus 24:17

What a sight it must have been! Take a deep breath and ponder on such an experience.

How will you respond if you were an eye witness. I mean Moses stood in the presence of the consuming fire of God, received the commandments that would guide His people. It wasn't just the words that were powerful, it was the very fire of God that etched those words into the stone. As Moses stood before that fiery Holy furnace, the finger of God moved with precision and authority, writing the laws that would define His covenant with Israel.

*"And the Lord delivered unto me two tables of stone written with the finger of God; and on them was written according to all the words, which the Lord spake with you in the mount out of the midst of the fire in the day of the assembly." **Deuteronomy 9:10***

Dear saint, the same fire that wrote the laws on tablets for Israel now seeks to inscribe His will upon your heart. The Baptism of Fire is about welcoming this eternal agenda into our lives, allowing God's fiery Spirit to burn away the dross and inscribe His eternal truths within us, so that just as the Israelites were led by the pillar of fire, so we will be led by the Spirit, the fire of God that empowers and refines us.

2. ELIJAH

Elijah experienced the fire of God during his confrontation

with the prophets of Baal on Mount Carmel. To effectively confront devils and defeat them, you must engage the ministry of fiery fire. This powerful display of God's fire affirmed Elijah's prophetic authority and the supremacy of God.

"Then the fire of the Lord fell and burned up the sacrifice, the wood, the stones and the soil, and also licked up the water in the trench." 1 Kings 18:38

3. THE APOSTLES

"They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them." Acts 2:3-4

The Apostles received the fire of the Holy Spirit during their separation in the upper room, which empowered them to speak in tongues and boldly proclaim the gospel. This event marked the beginning of the early church and the spread of the gospel across the world.

Now, Let us examine the transformative encounter that ignited Apostle Paul's heart with the fire of God!

This was no ordinary moment; it was a divine intervention that forever changed the course of history and set Paul ablaze with a pure, fiery call and eternal purpose.

Paul, previously known as Saul, journeyed toward Damascus, his heart burned with a misguided zeal to plunder the Church of Jesus Christ. But God, in His infinite mercy and power, had a different plan. Suddenly, a radiant, intense light from heaven enveloped him, knocking him to the ground. This was not just an ordinary light, the presence of the risen Christ, the same baptism of fire that invaded the upper room on the day of Pentecost when the disciples gathered.

"And as he journeyed, he came near Damascus: and suddenly there shined round about him a light from heaven: And he fell to the earth, and heard a voice saying unto him, Saul, Saul, why persecutest thou me? And he said, Who art thou, Lord? And the Lord said, I am Jesus whom thou persecutest: it is hard for thee to kick against the pricks. And he trembling and astonished said, Lord, what wilt thou have me to do? And the Lord said unto him, Arise, and go into the city, and it shall be told thee what thou must do." Acts 9:3-6

This divine encounter struck Saul to his core, forever eliminating his zealous mission against the saints. The overwhelming light was a holy fire that burnt away his old ways, purifying him and setting him apart for a new, profound mission. From that moment on, Saul became Paul, a vessel of God's grace, carrying the light of the Gospel to the Gentiles with unmatched fervor and passion.

Paul's pure call, forged in the fire of that heavenly encounter, led him to preach the Good News with boldness and authority. Till date his letters are filled with divine wisdom and revelation, igniting the hearts of believers around the world. The fire that Paul was baptized with was trans-generational because his life and exploits still sets men ablaze. This fire also led to his eventual martyrdom, sealing his testimony with his own blood. What a general!

It was this baptism of fire that caused Paul to declare with unshakeable conviction in Acts 20:24

"But none of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy, and the ministry, which I have received of the Lord Jesus, to testify the gospel of the grace of God."

What a profound alignment with the intentions of God! The fire of God had so thoroughly consumed Paul that he no longer valued his own life above his divine calling. Let me state this fact clearly, fire creates a different way of thinking and speaking, making those torched by it seem strange to mere mortals. It instills a heavenly perspective, where earthly concerns pale in comparison to the eternal mission set before us.

Seek this baptism of fire with all your heart, allow it to transform your mind, your words, and your life. Become a living flame of God's presence, thinking and speaking with the boldness and clarity that come from a heart set ablaze by the Holy Ghost.

PRAYER FOR DIVINE FIRE

Fire of God, take full control and have your way in my life. Fire of God, burn within me with intensity until nothing else survives except you! Work in me, fire of the Holy Ghost, recall me, pull me indoors. I need to hear the voice of the fire saying, 'My son, come back into the furnace'.

PREPARING FOR THE FIRE OF GOD

For the Lord says, "I will give you an encounter that you will never recover from. An encounter that will take eternity to

recover, an encounter that will wound your spirit, that will bruise your mind, that will bring your entire consciousness under fire for the rest of your existence before Jesus returns. I will take you through a path of fire and that fire shall be endless. That power that works through the path of fire shall be endless. You shall behold the beauty of my glory. Nobody sees me without going through fire. Fire is my way; fire is my path to the storages of my glory, my calling and purposes. There is going to be a fire for your teleportation into the third Heavens. Henceforth, you are going to mount on the wings of fire because the way to heaven, the way to teleportation into my realms is the way of fire

In preparation to experience the word of the Lord let us look at the life of John the Baptist. He lived in the wilderness, on mountains, he lived in purity, that is all beautiful, but what stood out the most was the day he said, "I must decrease and Jesus must increase."

"He that hath the bride is the bridegroom: but the friend of the bridegroom, which standeth and heareth him, rejoiceth greatly because of the bridegroom's voice: this my joy therefore is fulfilled. He must increase, but I must decrease." **John 3:29-30**

That was the most profound moment of his ministry. When we have the privilege to work with God, how much of self have we allowed to thrive? How much of self-glory have we allowed to prevail?

Now there is coming a fire of God that is about to burn in us, purge our spirits, our souls and bodies. This will qualify us to ascend into the holy hills of God and take hold of every preordination and establishment of Zion for humanity.

The time has come by the grace of our Lord Jesus Christ where God is about to fish out the remnant body of Christ and those that were yielding completely to the calling of the Holy Spirit. Those that will follow the instructions and the dealings, even tribulation that the Holy Ghost is going to allow for us to go through in order to emerge as a battle axe and a weapon of war. These remnants will foresee, seize, behold and manifest the fullness of our Christ. Please don't forget this; we have stepped into that dispensation, into that generation in the calendar of God and in the dealings of the spirit, that God is about to allow us to go through some experiences that we cannot explain.

And that experience is part of the schooling of the Holy Ghost. It is part of your pruning. It will be part of your purging and part of your spiritual examinations and tests.

In each phase of your spiritual examination, you ought to graduate and assume the glory in that dimension. And the Lord will allow you to pass through another examination in order to ascend into the next phase. Glory to God!

Now, let me mention one significant thing about the covid pandemic that happened in the year 2020. God allowed the covid pandemic to sweep across the nations of the world as a foretaste of what is coming and also as a warning to the entire body of Christ and to the world at large. It was a platform that God used to expose the body of Christ to where we are. It was a wake up call

Let me make this very clear if the church returns back to what she used to be, then she has sentenced herself. One of my most difficult assignments is being a pastor, because ultimately by the grace of the Lord Jesus Christ, I'm not a pastor. God said I am going to allow you to pastor a people for a period of time in order to develop your patience.

It's part of your process but I said Lord you have so wounded me because people are not after you. Many folks don't seek after You. A lot of people seek after what God can do for them and if God does not do it for them,

then off they go. So the Lord said to me I will allow you to go through this process as part of your training moments of the Spirit.

God is releasing different levels of experiences, different levels of challenges, obstacles, tribulations, attacks, but all of these things will be within your sensual realm in order to break you out of your sensual illusion. Offenses, challenges, urges, sexuality and even the void in your emotions.

God wants us to come to a point where He is everything that we need.

And that He is everything that we are. Whatever we are, whatever we are going to be should be in Christ. But before we get into that state, before we can get into that reality, there has to be a purging, there has to be a level of spiritual fire that we have to go through in order to become what God wants us to be.

FIRE: THE PATHWAY TO GLORY

You don't teach about fire. What can you say about fire? Fire speaks of himself. You see, you can have a little bit of experience from someone that has come nigh a fire but

fire speaks of itself.

When you come nigh a fire you burn or you run away. When you find yourself inside that fire, you burn and become part of the fire. I give God praise because we are the generation of the body of Christ that will see Yahweh through the ministry of the fire of the Holy Spirit, through the baptism of fire.

The Bible says that God dwells in an unapproachable light.

"Who only hath immortality, dwelling in the light which no man can approach unto; whom no man hath seen, nor can see: to whom be honour and power everlasting. Amen." 1 Timothy 6:16

Most of the time in the Scriptures, the Bible interchanges light with fire. Light and fire in this context are not very different. God dwells in unapproachable light that means that this light is intense. This fire is intense. Constantly in the old testament, we found God speaking in and through fire. So they who behold Him would have to pass through the fire of God. Israel encountered God as a consuming fire in the wilderness. A pillar of fire led them by night, guiding and protecting them through the dark and treacherous journey.

"And the Lord went before them by day in a pillar of a cloud, to lead them the way; and by night in a pillar of fire, to give them light; to go by day and night." Exodus 13:21

Saints, can you imagine the awe-inspiring sight of God's fiery presence lighting up the night sky? This was no ordinary flame, but a heavenly glory. A proof that fire is God's commitment to His people, hence we must carry fire as our own commitment to Him too. The Israelites, wandering through the wilderness, were not left to navigate the darkness alone. No, Yahweh Himself became their light, their guide, their protector! His fire will protect you, your family, your ministry and all that's connected to you.

In that pillar of fire, we see the uncontainable power and holiness of our God. It was a flame that could not be extinguished, a symbol of His eternal presence, government and kingdom. It wasn't just a light to see by, but a divine escort to fulfill an assignment of God's nation. So fire precedes the emergence of the nation of God, the emergence of the full manifestation of the sons of God.

Today, that same God desires to lead us through our own wilderness, the dealings of the spirit.

The fire of His Spirit burns within us, dispelling the darkness around us. Set your heart ablaze to host the glory of God even in this dispensation. Halleluyah

Each dimension of the glory of God requires a level of the fire of the Spirit to qualify you to possess it. God has ordained a certain glory for us before the foundation of the world.

"According as he hath chosen us in him before the foundation of the world, that we should be holy and without blame before him in love:"

Ephesians 1:4

So different dimensions have different levels of God's glory. Stepping into the glory of God requires that we go through certain levels of God's fire. Nobody possesses the fullness of the Spirit without going through the purging of the fire of the Holy Spirit. A certain level of spiritual conquest is required for anybody to step into the glory of our God.

The baptism of fire is poised to open your spirit and your cravings towards the prerequisites for ascending into the heavenly places. There are demands of the spirit, expectations of the spirit and the ministry of the Holy Spirit

required for every one of us to ascend into the fullness of God. The Bible says

*"And of his fullness have all we received, and grace for grace." **John 1:16***

In principle we have received of His fullness but to obtain this fullness of God in practicality, in reality, if any believer, a preacher, or individual would have the privilege to have access to the fullness of God, will require that this which you have received in your spirit is also received in your soul and finally should be the reality that your body experiences. To lay hold of the fullness of a thing is to have that thing in your spirit, soul and body.

THE DIVINE BLUEPRINT: BODY, SOUL, AND SPIRIT ALIGNED FOR ETERNAL LIFE

Eternal life is for the human spirit, soul and body. Many people leave eternal life in the quarters of their spirit only, this will not produce the fullness of God.

*"But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you." **Romans 8:11***

My emphasis here is that your mortal bodies can be quickened. The word quickened in the Greek means given life. And the life there is the life of Christ, the life of God. So the human soul has its own requirement for eternal life.

When the body is missing, the man is not complete. There is not a man without the body. There is not a man without a spirit. And there is not a man without a soul. So the combination of these three dimensions, three persons would reflect man in the image of God. Flesh and blood are not part of what Yahweh formed from the dust of the ground so through the ministry of the Holy Spirit we can modify, we can sanctify, we can consecrate and assume our refined body in Christ. Through the baptism of fire, we locate every infection, inordinate consciousness that Satan has planted in our bodies, that gives Satan the access to eliminate the flesh, blood and the body that we have. Satan has access into our bodies through flesh and blood. There is this misconception that your body is flesh and blood. No, your body is not flesh and blood.

"Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption." 1 Corinthians 15:50

If you don't kill flesh and blood as quick as possible by taking on your own cross and hanging flesh and blood on calvary, you will lose both your flesh and blood and body. The body is the interface between the physical and spiritual realms, acting as the conduit through which our soul interacts with the world. When the body is tainted by sin, unholiness, or demonic influence, it obstructs the renewal and growth of the soul. Despite outward religious practices like prayer or attending church, an unhealthy body inhibits true spiritual connection. In essence, the condition of the body directly impacts the well-being of the spirit and soul

I pray in the name of Jesus The Christ that through this book you're going to lose everything Satan uses to access your God's given body.

A close-up portrait of a lion's face, looking directly at the viewer. The lion has a large, thick, golden-brown mane that is slightly disheveled. Its eyes are a light brown color, and its nose is a dark, fleshy pink. The background is a bright, intense fire, with orange and yellow flames swirling around the lion's head, creating a dramatic and powerful atmosphere.

CHAPTER TWO

PURGING: A PREREQUISITE TO ASCENSION

ENCOUNTERS AS TOOLS FOR PURGING

"And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams." Acts 2:17

Encounters are moments of teleportation where we elevate into higher spiritual realms through visions, dreams, trances, other vibrations of the sound, light, and frequencies of the spirit. It is God's desire and perfect will for us as believers to interact daily with heaven via these encounters.

Visions are powerful tools because they allow us to tap into the deeper realms beyond our physical consciousness. For this to happen you must purge yourself of all forms of uncleanness, especially covetousness and lies.

By covetousness I am referring to an excessive desire for possessions or wealth that belongs to others. This implies the need to let go of envy and greed towards what others have. It is a call to focus on your own blessings and be

content with what you have rather than desiring what others possess.

Another very important vice that must go are lies. All lies are deliberate falsehoods with the intent to deceive or manipulate either for gain, advantage, or escape. To purge yourself of lies, you need to put on the spirit of honesty and integrity in your words and actions. Speak the truth and uphold moral values in all aspects of life.

These twin sin of lies and covetousness hinders access into the realm of encounters. Seeing dreams or visions goes beyond modern age interpretations of normal mental imagination. In ancient times, men experienced real night dreams that carried profound meanings. Joseph and Daniel had significant encounters through dreams. They received very authentic and precise information which was not attributable to any physical source. They were gods in their day because of the power of dreams and visions. Dreams and visions are not ordinary mental constructs of mens imaginations. Rather they are spiritual experiences which impart wisdom, knowledge, revelation, gives information about the future, give warnings, divine

direction, instructions, or other vivid interactions with spiritual entities.

Dreams were valued as a means of celestial communication by kings in the past. They hired sorcerers, magicians, wise men, chaldeans who had the skills to interpret dreams accurately. These interpretations helped them in making informed decisions and dealing with the complexities of their civilization and reality. Let's begin our study with a close look at Isaiah's vision of the Lord.

- 1. In the year that king Uzziah died I saw also the Lord sitting upon a throne, high and lifted up, and his train filled the temple.*
- 2. Above it stood the seraphims: each one had six wings; with twain he covered his face, and with twain he covered his feet, and with twain he did fly.*
- 3. And one cried unto another, and said, Holy, holy, holy, is the LORD of hosts: the whole earth is full of his glory.*
- 4. And the posts of the door moved at the voice of him that cried, and the house was filled with smoke.*
- 5. Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the King, the LORD of hosts.*

6. Then flew one of the seraphims unto me, having a live coal in his hand, which he had taken with the tongs from off the altar:

*7. And he laid it upon my mouth, and said, Lo, this hath touched thy lips; and thine iniquity is taken away, and thy sin purged. **Isaiah 6:1-7***

When Isaiah had the encounter, the first thing he acknowledged was that he was a man of unclean lips. The condition of his heart was accurately revealed to him. It was when he humbly acknowledged his unclean state, his filth, that his iniquity was purged. This purging is extremely important because his sin hindered him from receiving the Word of the Lord. Purging, cleansing, purification, sanctification are prerequisite to the baptism of fire. Observe that Isaiah was not arrogant in his encounter. You do not go into such realms to exert influence rather to submit yourself for transformation.

Notice the smoke in verse four is very key, because smokes are portals and dimensions of the spirit, they represent gateways into the realms and is a connection between the physical and spiritual world.

The perception of Prophet Isaiah shifted when he encountered God and witnessed the glory of God on earth. This encounter altered his understanding and perspective significantly. Encounters shape our perception

and understanding of the world around us. We were created to see from up to down not down to up. To understand the world, we ought to see from an ascended perspective not from a descended perspective.

As soon as Isaiah saw from the invisible realms he elevated into the exact state of his heart from God's perspective. He immediately acknowledged and confessed his infirmity. Then and only then could the seraphim place a live coal on his lips and purged him, consequently his iniquity was taken away. Mercy prevailed when his iniquities were purged, the prophetic ministry of Isaiah succeeded when he had the vision of God.

His true assignment came to limelight when he beheld God. It was the encounter with God that amplified the glory of God above his circumstances. His circumstances ceased to exist when he magnified the glory of the Lord. Natural judgement ceased to impress him after the encounter. The encounter led to his establishment as the prophet to the nation. This encounter was essential for Isaiah's forthcoming prophetic mission because God is holy, and those who speak on His behalf must be cleansed

and sanctified. The purging of Isaiah's lips specifically deployed and enabled him to speak for God.

Another Patriarch that had a significant encounter recorded in the scriptures was Jacob. Jacob's big break happened when he saw a ladder that descended from heaven to earth. He saw heavenly beings and interacted with the Angel of the Lord. He was confronted with his old identity, his tendency to be a swindler rather than to depend wholly on his God. Even though he was an elect, the blessing could not rest on him. He needed to be purged. Again mercy prevailed and God granted him a dream, when he laid his head upon a stone, he elevated into a night vision.

The encounter transformed him completely and his true name, his destiny was revealed.

" And Jacob went out from Beersheba, and went toward Haran. And he lighted upon a certain place, and tarried there all night, because the sun was set; and he took of the stones of that place, and put them for his pillows, and lay down in that place to sleep. And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it."

Genesis 28:12

Remember when Adam sinned and fell, the first thing that was affected was his sight. He saw differently. He saw that he was naked. This means that he lost his spiritual sight.

*"And the eyes of them both were opened, and they knew that they were naked; and they sewed fig leaves together, and made themselves aprons." **Genesis 3:7***

These optical eyes are not for realities of celestial dimensions. With these eyes, you lust after a man, after a woman, after the things of the world. But with the eyes of the ancients, you see the reality of the realms. Most of our perceptions are distorted, we live in a false reality because our feelings often guide our understanding in this natural world. In these last days, the Spirit of God has given access into the realms of reality and light.

In the name of Jesus the Christ, God has granted you the eyes of the ancients. Eyes to see, sight to see, eyes to see the reality of the realms. May your eyes be opened to see beyond this physical illusion in the name of Jesus the Christ.

EXPOSING THE SPIRIT OF UZZIAH

As important as visions and dreams are, Isaiah could not elevate to use these tools because there was something unclean about his day. The atmosphere was locked up and he could not see nor hear yet he was a prophet.

*In the year that king Uzziah died I saw also the Lord sitting upon a throne, high and lifted up, and his train filled the temple... Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the King, the LORD of hosts. **Isaiah 6:1& 6***

So there was something about the reign of that king that made the nation unclean. There was an unseen influence of that kingdom in his generation that would require the king to die for the realms to be opened unto him. The power that controls the air where you live is very key to seeing into the realms. Just like Isaiah's own happened when Uzziah died, it was in the same year that he saw the Lord. seeing into the realms.

There is something God wants to kill in your life that is hindering your ascension, that hinders your encounters, that hinders the breakthroughs of your family, that hinders the breakthrough of your spiritual walk.

In the name of Jesus, I see you get your breakthrough in the name of Jesus the Christ. I see you elevate into encounters, visions, dreams and ascensions in the name of Jesus the Christ. May the atmosphere around your life give way. May you receive by free course heavenly encounters in the mighty name of Yeshua the Christ.

WHAT IS UZZIAH

Uzziah is a spiritual system representing various authorities such as a king, government, policies, structures, a way of life, mindset, or stronghold. The essence is to build barriers that hinder the people of God from accessing the realms of God. So the question is this, who is that Uzziah, who is that person, what is that system, what is that habit that must die in order for you to ascend into the realms to see God? If it wasn't crucial, the Bible will not highlight the fact that it was when Uzziah died that the heavens released the vision. Something had hijacked the prophetic atmosphere,

while Uzziah was alive, but when he died, that embargo was lifted and the prophet realized it. Jesus is your king forever. Doubt, fear, sin, urges should not be king over you. Covetousness should not be king over you. Jesus is your king.

The flesh shall not reign over you. Sin shall not lord itself over you. Jesus is your king. Fear shall not reign over you in the name of Jesus the Christ.

It is time to identify, expose and come out of the covenant of kingship of Uzziah so that you can encounter the Lord. This is a prerequisite to your ascension.

STRATEGIES OF UZZIAH'S SYSTEM

There are six ways the Uzziah system attacks and hijacks the atmosphere of God from saints.

1. Fear: Anything, person or system that instills a sense of reverence and awe in you for satan, yourself or a cause other than God. Fear is not just being afraid. It is a spirit,

an entity that seeks to unlock the door for other evil spirits to enter.

2. Harassment: Anything, person or system that pressures you to conform to certain practices against your freewill or personal choice.

3. Control: Anything, person or system that exercises authority over your actions, preferences and beliefs.

4. Intimidation: Anything, person or system that creates a climate of oppression, domineering, menacing, and forced submission.

5. Influence: Anything, person or system that shapes your thoughts and behaviors by directly or indirectly impacting on your choices and actions.

6. Manipulation: Anything, person or system uses tactics or deception to sway your decisions and actions.

In the name of Jesus the Christ Come out of the control, the manipulation of King Uzziah, Come out of the harassment of King Uzziah,- Come out of the intimidation of King Uzziah. Come out of the influence and fear of Uzziah, Jesus is your king forever. Halleluyah.

"Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage." Galatians 5:1

THE CYCLE OF ASCENSION: FROM PURGING TO GLORY

Ascension is not for the faint of heart, but for those who hunger and thirst for righteousness, those who long to be purged by the Holy Spirit and burn with a pure flame only for the Lord Jesus. Seeking encounters with God is not wrong; it aligns with the promises outlined in the word of God to reveal Himself to His lovers.

*"Jesus answered and said unto him, If a man love me, he will keep my words: and my Father will love him, and we will come unto him, and make our abode with him." **John 14:23***

There are four steps in the process to go through for ascension to take place.

1. Overcoming the Flesh

The first step in our ascension is overcoming the flesh. Your urges, lusts, desires and worldly attachments must be crucified, they must be killed because the flesh hinders your intimacy with the Godhead.

*"And they that are Christ's have crucified the flesh with the affections and lusts." **Galatians 5:24***

"For if ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live."

Romans 8:13

To ascend, you must lay aside every weight, every sin that so easily besets you. It's a daily battle, but victory is assured through the power of the Holy Spirit. As you crucify the flesh, you begin to taste the freedom and purity of the Spirit-led life.

2. Go through the Fire

After overcoming the flesh, you must go through the fire. This is the refining process where God purges you, cleanses you, removing impurities and preparing you for His intention and assignments. The fire may seem fierce, but it is in the furnace of affliction that your true character is forged.

*"Behold, I have refined thee, but not with silver; I have chosen thee in the furnace of affliction." **Isaiah 48:10***

"That the trial of your faith, being much more precious than of gold that perisheth, though it be tried with fire, might be found unto praise and honour and glory at the appearing of Jesus Christ." 1 Peter 1:7

Do not fear the fire, It is a necessity for your purification. Your faith is strengthened when you endure trials, and your dependence on God becomes absolute. The fire is not meant to destroy you, but to purify and sanctify you for greater glory.

3. Completing the Process through Perseverance

Once you have endured the fire, the process is nearly complete. This is where perseverance is key. You must run the race with endurance with your eyes fixed on Jesus, the author and finisher of your faith.

"But let patience have her perfect work, that ye may be perfect and entire, wanting nothing." James 1:4

"Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ." Philippians 1:6

God is faithful to complete the good work He has begun in you. As we continue to trust and obey, follow instructions, you are transformed from glory to glory, becoming more like Christ each day. Wait faithfully for your moment. Saints, the process is not always easy, but it is always worth it.

4. Emerge Clothed with the Presence of God

Finally, after overcoming the flesh, enduring the fire, and completing the process, you emerge clothed with the very presence of God. This is the culmination of the dealings of God, where you behold His glory and reflect His image to the world.

"But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord." 2 Corinthians 3:18

"Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee." Isaiah 60:1

When you fully surrender yourself to these processes you cannot remain the same. You will be transformed, radiant

with the glory of God. Your life becomes a channel of God's fire and grace, drawing others to the same light you have found. This is when you become a vessel of His presence, ready to impact the world with infallible proofs.

SPECIAL ANNOUNCEMENT FROM THE REALMS

Let me tell you the big thing that is about to happen before the appearance of Jesus. The big thing that is about to happen is the destruction of the system of world. Noah's world is about to be judged, Sodom is about to be judged. That is what will happen next in God's calendar. There is a reset coming for a global revival to begin because Jesus is returning for a spotless church. There is a separation coming so that God's people can be purified and serve the Lord without infiltration and impurity. God is coming to judge the wicked. The earth is about to be cleansed of all the evil concupiscence that hindered the move of the Holy Spirit all across the world. After this shall the word of Lord come to pass which says the earth shall be filled with the knowledge of the glory of the Lord just as the waters cover the sea.

CHAPTER THREE

THE MYSTERY OF THE GODHEAD

THE DISTINCT PERSONS OF THE GODHEAD

The God head is a mystery etched into diverse Bible accounts from Genesis to Revelation. Jesus revealed to us as the Son of God, was called by the Father, sent into the world as the expression of God's love for humanity. Jesus is the gift of God's love to mankind. And when Jesus returned to the Father in heaven, He sent the Holy Spirit. Jesus introduced the ministry and character of the Spirit of God to his disciples. A new dispensation of God's dealings had taken effect. They knew He was God the Spirit, full of awesome wonders.

The Holy Ghost however did not come to speak of Himself, He came to speak of Christ. Thanks be unto God just about twenty -five years ago, the dispensation of the revelation of Christ by the Holy Ghost started winding up. A new dispensation of the glory of the Father has begun. The age of the sons of God. The age of the fullness of the Godhead revealed in us.

You need to understand that the fullness of God is latent and inherent within the revelation of each distinct person of the Godhead.

Nobody on earth has the capacity to see the fullness of God without coming to the revelation of God according to Jesus Christ, the revelation of Christ according to the Holy Ghost, and finally the revelation of the Holy Ghost according to the remnants that have hosted the full person of the Holy Ghost. The Bible says

*"And of his fullness have all we received, and grace for grace." **John 1:16***

The presence of the Godhead carries various measures of the fullness of deity. That is why the Old Testament people didn't carry the fullness of God. They who walked in the days of Abraham, those who lived in the days of Moses had a measure of the revelation of God. When Jesus came, He began to teach His disciples of the mysteries of the kingdom. He unveiled the depths of God's eternal plans to them. Sometimes He told them that some things I am going to tell you, you don't have the capacity to comprehend it. You don't have what it takes to fathom or even remember what I'm saying. You can't understand it now.

*"I have yet many things to say unto you, but ye cannot bear them now." **John 16:12***

However, I'm going to send you the third person of the Godhead. When He comes, He is going to teach you all things. He is going to remind you of some of the things that I have taught you. However, take note of this; He will not speak of himself. So there are some things about the Holy Spirit that He was not allowed to speak of. Some depths of the Spirit that have been withheld from humanity for that dispensation. Since we are now in the last days, the culmination of all things is at hand. The Holy Ghost is about to reveal the portion of the Godhead, certain revelations of the Godhead for the transportation, relocation, migrating of the Body of Christ into the heavenly places. Halleluiah!!!

The government of the human spirit is the Father, the government of the human soul is Christ, who is the second person of the Godhead and finally the governor of the human body is the Holy Ghost. He will bring the entire human consciousness to freedom and glorification. So the Holy Ghost is bringing us into a state of mind renewal and soul transfer.

*"Wherefore lay apart all filthiness and superfluity of naughtiness, and receive with meekness the engrafted word, which is able to save your souls." **James 1:21***

The ministry of the human spirit has not yet begun, the human spirit is being nurtured, the human spirit is still been developed by the Holy Ghost, waiting for the salvation of the human soul. After the salvation of the human soul, there will be a sudden transformation of the human body. And that's what we call total freedom. The human body needs a transformed, salvaged, completely renewed mind.

God says, I am about to show you things you have not heard before, things you have not seen before, things you have not touched before, and once you lay hold of these things, you begin to think like God.

A time is going to come! Days of multiplication and replenishment. I tell you, the times when you will not need to buy food. It's coming. Just go to the super market, get one pineapple, and put it in your fridge, and that's the end of buying pineapples in your life. You take one, it will replenish.

This is when the glory of the Lord has moved out of the realms of the spirit, transported through the faculties of the soul, and emerged into the human body, into physicality, and into reality, such that the realities of the spirit becomes the manifestation of your physical tangibility.

INSTRUCTION: Pray in the Holy Ghost right now!!!!

Our language is not English. Why don't we understand ourselves when we use our spirit language? You know why? Because we don't sing enough in our language, we don't pray and fast enough with our language. We don't commune with ourselves with our true language. The language of fire, the language of realms, the language of spirit creatures.

Take a child to an island and put that child there for the next twenty years and teach him no language, and then go speak in a language, he would not understand it. In the same way, we don't understand the language of the spirit because we have not followed it as we ought to. Make a choice from this moment to engage and commune primarily in your spirit language, your spiritual senses will immediately begin to transmit sharpened expressions.

Now I pray, in the name of Jesus the Christ, that from today your spiritual ears will open. May your ears open to languages of the Spirit which are for your victorious interactions in the realms.

You don't need the gift of interpretation to have an understanding of your language of God. In fact, the gift of interpretation of tongues is actually an access. It is an enablement. For instance, the gift of the word of wisdom is given for those that are yet to have access to the wisdom of God. That is why it is called a word of wisdom.

So for babes in Christ, who have not trained themselves, who have not come under the tutelage of the wisdom of God, would require one with the gift of the word of wisdom to admonish them, to lead them, to guide them for a moment, until they grow, until they have come under the influence of the teaching ministry of wisdom. Remember, one of the seven Spirits of God is the Spirit of wisdom.

*"And the spirit of the Lord shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the Lord;" **Isaiah 11:2***

These are commonly interpreted as the sevenfold manifestation of the Holy Spirit, representing various aspects of God's attributes and empowerment. So if you can access the spirit through a gift, it means that spirit is ultimately your inheritance. However as you mature,

certain spiritual development, spiritual advancement, is required to fully comprehend these abilities of the Spirit.

I PRAY FOR YOU

And I pray in the name of Jesus the Christ, that from this day forward, your spiritual senses are alive and active. The fire of the Holy Spirit will grant you access to His realms. Your spiritual eyes be opened to see the depths of the spirit in the name of Jesus the Christ. Your relevance in the hand of God shall be eternal in the name of Jesus the Christ.

GOD'S LOCATION AND NAME BEFORE CREATION

The unity of the three persons of God in one is the Godhead. So when you talk about God the Father, God the Son, God the Holy Ghost, you are actually referring to the Godhead. The Godhead was before creation, before the heavens and the earth, and before different civilizations in the realms. God existed in Himself. God existed in the counsel of Himself.

*"Thus saith the Lord, The heaven is my throne, and the earth is my footstool: where is the house that ye build unto me? and where is the place of my rest?" **Isaiah 66:1***

So where then is His height? It means that if God is to stand up, He would be above the heavens and earth. Just take that as a mental comprehension of an incomprehensible God. You simply cannot use human senses to comprehend God. God is beyond your theological comprehension. So if the earth is His footstool and of course the heavens are His throne, it means that whenever God wants to judge the affairs of his creation, He comes from somewhere that we don't know. He comes from a dimension that only Him understands. He walks in, then once he comes into the heavens, He sits on His throne and the entire heavens and the earth cannot contain Him. The question is Who is God? What is His name and where was God before time began? Pause for a moment and connect through the frequencies of your spirit to download a tongue of fire, then only can you begin to explore God. His fire will burn the answers into your innermost being.

What is His name? His name before He ever introduced His other names was, I AM. Period. I AM. That's His name. I AM.

The reason why God chose the name I AM, is because from eternity to eternity to incomprehensible endlessness, God is and will be.

God's agendas, God's eternal plan, God's creation, God's creativity is infinite. It's endless. Millions of civilizations have come and gone. The scriptures do not give us enough information of what the earth was before Genesis 1:1. We don't know for sure what kind of creatures existed in those days. We don't know what kind of world was before Noah's flood came. Millions of civilizations have come and gone. I'm talking about the earthly civilizations, not even the heavenly civilizations. So God in His infinite eternal nature says, "I am, I begin it, I end it, I begin again, I end it, I am the beginning, I AM that I AM" Halleluyah!

I PRAY FOR YOU

My prayer for you is that you be captured in the eternal interest of Yahweh in the name of Jesus Christ. You will not be part of the generation that should be wasted away. Your relevance in the hand of God shall be eternal in the name of Jesus the Christ. The fire of the Holy Spirit will so burn within you that you give God's plan the preeminence in the mighty name of Jesus the Christ.

He created you. He has the right to extinct you. This thought is not popular in grace circles, but it's true. For instance the power of God brought judgement to Sodom and Gomorrah and the nation became extinct due to a lack of the fear of God. The fear of God exalts, promotes and brings blessing. On the contrary, sin is a reproach and brings judgement.

Next in our study, let's begin to examine the person of the Holy Ghost. You cannot comprehend the revelation of the person of the Spirit of God without having the epignosis, the exact knowledge, the exact revelation of the person of God the Father, and the person of Christ in the transaction of redemption, creation, and eternity.

PRAYER FOR YOU

I pray that God the Spirit will open up his realm to your understanding. May you be strengthened with might in your inner man as He works so powerfully within. May you respond quickly to His promptings, may you cooperate with His leading, and specific dealings in your life.

THE PERSON OF THE HOLY GHOST

Who is the Holy Ghost? The Holy Ghost is the transporter of Christ, the transportation of the word of God. He is the energy that generates life. He is the fire. The Holy Ghost has no physical senses, He has no human sentiments. He does not feel the way you feel, He burns, He consumes, He breaks, He prunes. Anything that does not reflect Yahweh, He kills. That's why He is not fully revealed yet. The gospel of the person of the Holy Ghost cannot be revealed yet because the person of the Holy Ghost goes through the fire of God's vengeance.

He eliminates anything that does not reflect the nature of God. He purifies, He makes the way for Yahweh to tabernacle in any man.

That's why when Yahweh wanted to reveal Himself to Israel, He wrapped himself in fire. No filth of flesh will come nigh it.

Naturally, if you will go into purity of spirit, soul and body, and yield yourself to the Holy Spirit, to the institutions of the wilderness, and you graduate, you as an individual will change the whole world. One man can change the world,

but that man has not yet come, they don't want to pay the price. You and I must burn with fervent heat until the glory of God consumes the outer man. Except you don't want to follow my footsteps. Watch me in the next couple of years. I would die, or live and manifest this. I've set my mind, I've set my body, and I've set my spirit on this thing. I don't look at any man, I look up to Jesus, and I am following the footsteps of my Lord day and night. The dealings of the Lord, the crushing of the Spirit, the obedience to righteousness, the prevailing nature of holiness, the bruising of the Spirit.

You think I enjoy pastoring people? No, Sometimes this crowd is a distraction for me. I'm not kidding you. I want to go indoors into separation unto consecration. There's something that's a longing in my spirit to go deeper and deeper and deeper.

When the dead was raised in our service, people were astonished, I was like, "this is nothing" This is not even the zenith. Elijah raised the dead, but Elisha raised himself and went back into glory. These are things those under the glory of the first person of the Godhead did. Do you know that we have capacity to walk in the glory of the Father,

the Son, and we are getting ready to seize the glory of the Spirit? These dimensions are opened, these dimensions are accessible, God wants us to elevate into these glories and dominate the earth. The question is who amongst us are willing to pay the price to walk the ways of the Spirit?

There is a path which no fowl knows, which no vultures eyes have seen, which no lion's whelp have treaded. There is a path which even the devil does not know. That means when a man finds this path, death can never see him again, the path that only fire leads you to, the path of fire. It says this path is not found in the land of the living.

For destruction and death say we have heard the fame of this path.

Job 28: 22- 23

Those who walk exclusively with God will find these paths, they will find their place in the place reserved for the true lovers of Yahweh.

So to come into the oneness, to come into the fullness of God, you must come into the full dimensions, the full revelation of each person of the Godhead.

"For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost: and these three are one." 1 John 5:7

So they in the Old Testament had a certain access to the glory of God. But they were still hungry, there was a void in their spirit looking forward for the revelation of the second person of the Godhead. Abraham looked forward for a kingdom, a country that has no beginning or ending.

*"For he looked for a city which hath foundations, whose builder and maker is God." **Hebrews 11:10***

The prophets prophesied about Zion and the coming of our Lord Jesus Christ. They looked for a kingdom that had no human foundations. They knew that something greater was coming, so they dwelt in the diminishing glory of the Old Testament. Even some of them, in that glory couldn't even die. Men like Moses under a diminishing glory accessed certain dimensions of God that made him supernatural.

Men like Elijah were taken up to heaven through a whirlwind. Men like Enoch were caught up and did not taste death. These were people who succeeded in the dealings of God. They picked the ultimate revelation of the glory of the first person of the Godhead. These were men who laid hold of the fullness of the glory of the first person of the Godhead.

"And Enoch walked with God: and he was not; for God took him."
Genesis 5:24

What was the outcome of the extreme man who walked with God, passed the dealings of God, won the heart of God. He never saw death. Think about that. The extreme reward of Yahweh is immortality. I'm talking about the ministry of the Father. The Father is one of the three that bear witness in heaven. So the ministry of the Father was revealed from Genesis to Malachi. Then the ministry of the second person of the Godhead began when Jesus was born. The Father introduced the birth of the second person of the God.

The first person of the Godhead was assigned to create. The creation of the first person of the Godhead was not just one kind of creation. He was to create different civilizations, different creatures of different dimensions, of different realms. So, God the Father was found in Genesis.

"In the beginning God created the heaven and the earth." **Genesis 1:1**

The beginning can be rephrased as before the beginning, before anything ever began, God was. So that tells us that God as One, the Godhead, dwelt in Himself first.

There is nothing God created that can actually house Him.

God is self -existing, self -sufficient, self -interacting, and absolute in every ramification. So before God the Supreme one started the creation, he first created himself into three persons.

John 1:1-34

"1 In the beginning was the Word, and the Word was with God, and the Word was God.

2 The same was in the beginning with God.

3 All things were made by him; and without him was not any thing made that was made.

4 In him was life; and the life was the light of men.

5 And the light shineth in darkness; and the darkness comprehended it not.

So there was a transaction before creation. Each person of the Godhead had to host a certain portion of the essence of the Godhead. So the Word, Jesus was to be the custodian of the very life of God and the Lord of creation. God is the creator, but Jesus is the Lord of creation. The question now is Who is the Holy Ghost? He is the might of God

. He is the incubator of the power of the highest. If the Holy Ghost had not moved, the Word of God will remain impotent. That is why there cannot be revival, there cannot be a great move of God if the Spirit of God has not moved yet.

Why go preaching? Why go releasing words when you have not allowed the Holy Ghost to take over your faculties. When you have not cultivated Him. When you have not paid a certain spiritual price to cause a certain move of the Holy Ghost in the atmosphere for the Word of God to impregnate the hearts of men?

*And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. **Genesis 1:2***

After the Holy Ghost brooded, on the face of the waters, then the Father through the Word of God called forth that which the Spirit of God had brooded into. You cannot call forth something that the Holy Ghost has not impregnated yet. The Holy Ghost would have to brood the face of the waters first. Then God began to call forth that which was

already implanted upon the face of the waters. Everything came from the water. Darkness was upon the face of the deep. And there was water all across the nations.

*And God said, Let there be light: and there was light. **Genesis 1:3***

Who infused the light before God called forth light? The Holy Ghost. Who infused the brightness upon the face of the deep?. The Spirit of God.

Who infused the light into the firmament, The greater light? The Holy Ghost. If the Holy Ghost has not yet moved over a nation, It doesn't matter how many preachers you have in that nation, nothing will happen. We have too many preachers. We have so many Bible schools, but until we train people who are Holy Ghost provokers, until we have institutions that know how to provoke the move of the Holy Ghost, the nations will not be taken.

There is a spiritual networking that must precede the manifestation of the Word of God. It is the pruning of the spirit.

It is time for ministries to declare seven days dry fast. I said, "Dry." They want to talk about Jesus, but they cannot follow

His footsteps. They want to preach about Paul, but they cannot follow the footsteps of this man. They preach and they long to have the same results that Paul had, but they don't want pay the price that Paul paid.

Not in my generation. That's why I'm already in my twelve months fasting at the moment of writing this book. My deepest prayer is

My Father, my Father, let your fire burn in me, purge, remove, kill everything that represent the remains of flesh. Let your fullness be made manifest through my life in this generation.

Whatever it takes, whatever I have to do to kill my flesh, I will kill my cravings, I will kill anything that God hates because the Holy Ghost ought to be tabernacled completely in our vessel. We are done trying to explain God, quit trying to preach God, quit trying to explain God.

We are called to be witnesses of Christ. When Jesus had not yet tabernacled and housed Himself in the home of the apostles, He sent them to go preach.

*These twelve Jesus sent forth, and commanded them, saying, Go not into the way of the Gentiles, and into any city of the Samaritans enter ye not: But go rather to the lost sheep of the house of Israel. And as ye go, preach, saying, The kingdom of heaven is at hand." **Matthew 10:5-7***

But by the time He was getting ready to house himself in them He said

*"But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth." **Acts 1:8***

You should be a living example of my existence not a talking example of my existence. You can't talk about God, you manifest Him. We will manifest Him to the intellectual world intellectually.

We are manifesting the wisdom of God, We are manifesting in power. We are manifesting in authority. We are manifesting in creative miracles. You are the generation that God has raised in these last days to manifest the fullness of God.

What do you call the end time? What do you call the end? Sometimes our concept of the end is the sudden fire burning everybody or water coming to destroy the whole humanity.

No! It might be a part of it, but that's not it. What's the end? The end is that God the Father has exhausted His own ministry and work as assigned to Him before creation.

The end is that God the Son came and finished His own work and returned back to Himself. And then He sent the Holy Ghost. So the person, which of course is the last person of the revelation of deity, is about to come to the end of His own assignment,

*"And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father." **Philippians 2:11***

You see who He made to be the Lord, the custodian, the manager of his creation. His name is Jesus. And that's why the Bible says all things were made by Him.

So Jesus is not just the Lord of your spirit. He is Lord in essence. His role in the community of the Godhead is

Lordship.

And if you don't have Him as your Lord, you won't be saved. He is not just the Lord of your life, He is also the Lord of all creation. One day He will submit all things to his Father.

"In whom also we have obtained an inheritance, being predestinated according to the purpose of him who worketh all things after the counsel of his own will:"

Ephesians 1:11

THE COST OF PRESERVING THE SEED

Part of the works, the ministry of the Father who actually was the first Prophet, was to preserve the seed of the woman. He created all things and when man fell, He gave a prophetic word saying

*"And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel." **Genesis 3:15***

God was in the business of making sure that His creation

does not waste in eternity. When mankind fell, He gave a word. He raised a mission to bring the manifestation of that prophetic word in the fullness of time. In the fullness of time, when Jesus was born, the Father said I'm done. He created, preserved all things, raised a seed. Israel was called a nation for one purpose, very simple, for the final human natural biological arrival of the second person of the Godhead, Jesus.

The ministry of the Father had brought a certain level of God's glory, but for humanity and creation to access a certain higher dimension of God's glory, Jesus would have to be revealed. Because Jesus carries a certain degree of the glory of God for creation. Furthermore, another embodiment of glory is in the Holy Ghost, When manifested in His fullness in us, we put on his attributes, which is the final glorification of the human body.

The Father is in the business of preserving. In fact, Satan knew that the ministry of the Father was through. So what he did was to abort the life of Abel, knowing well that God cannot continue with a bloody, corrupt Cain. He wanted to abort the prophecy of the seed of the woman.

*"And Adam knew his wife again; and she bare a son, and called his name Seth: For God, said she, hath appointed me another seed instead of Abel, whom Cain slew." **Genesis 4:25***

The mantle of that seed fell on Seth. Through the lineage of Seth came Noah, through the lineage of Noah came Abraham, through the lineage of Abraham came Isaac, then came Jacob, then the 12 tribes were born. God's wisdom is unmatched, it can never be thwarted.

Jacob fought the good fight of faith because in Jacob was the seed of a nation. There was a need for Jacob to have an encounter with God. Something ungodly in nature needed to be destroyed, for the seed of God that God had preserved from Adam, that was transfused into Seth, from Seth it ran through the bloodline. Satan had been trying to corrupt the bloodline, but he could not. And God began to choose who would continue, transfer the bloodline, because Jesus was going to come through a certain bloodline.

Jacob's assignment was not just to carry it into another individual, he was to carry it into a nation. He would have

to birth twelve tribes. So for that to happen, he would have to lose Jacob to become Israel. But to become Israel, he would have to meet God face to face. But to meet God face to face, he would have to undergo a certain degree of the baptism of fire. To birth Israel, he would have to be broken. The impurities will have to be cut out and taken away. He would have to come out of that encounter limping.

He was never the same person, when Jacob became Israel, he didn't come out to say, "I saw a vision of heaven." Any encounter that didn't crush your ego is false.

When you hear people say they have an encounter with God, watch that person. If that person is not limping, if that person is not broken, it's false, it's an illusion. It's a creation of pride. When Jacob became Israel, he was broken and changed forever.

"And when he saw that he prevailed not against him, he touched the hollow of his thigh; and the hollow of Jacob's thigh was out of joint, as he wrestled with him. And he said, Let me go, for the day breaketh."

Genesis 32:25

That was when he unlocked the prophetic word. He took it to the next level. Remember, Seth transferred it to Enoch. Enoch transferred it to Noah, Noah transferred it to Abraham, etc but for it to be transversed into a greater level, Jacob would have to fight what Enoch did not fight with. Jacob would have to confront a certain fierce tribulation that Abraham did not fight and Isaac did not confront.

God says that this generation is about to birth the man child and because of what we carry on the inside of our belly, the dragon is about to come in our front face to face with the woman carrying the child. It is time to travail, to pray more than ever before. It's time to prevail as you go through different baptisms and purification, for the birthing of a new fire.

Jacob would have to birth Israel. He would have to fight with an Angel of God. He was broken, torn into pieces. He didn't come out laughing. He came out broken, torn to pieces.

My prayer is that you be one of those that will constitute the man child, for the hour of separation is before us.

Not everybody will understand the season. We are already on the fire. We are already on the tribulations. We are already on the burden. We are already on the wind of separation. Listen, if he wants to walk away, let him walk away. If she wants to walk away, let her walk away. This is not time to ask, why do you want to walk away? This is a time of separation, says the Lord. Nobody births a prophetic seed of God without going through the baptism of fire. Nobody births the prophetic calling of God for any dispensation without being caught up in the wilderness of God. Nobody carries the mantles of the spirit without being pressed, broken and crushed.

Abraham died, the most significant thing in the life of Abraham was the covenant, and the seed of God that came from his ancestors Adam. When Abraham moved on, the seed moved on into Isaac. The most significant factor in Isaac's life was the prophetic seed that was inherent in him. When Isaac passed on, the seed was transferred into Jacob.

Do you not know that God is not moved by you ? God is interested in you If you are carrying, if you are a custodian, if you are a habitation of His will and purposes on earth. It doesn't matter your earthly status. Be the president of any

nation. God cares less. Can you stand the fierce furnace of His fire? Can you stand the fire of his dealing that qualifies a man to ascend to the holy hills of God, to take hold of God's purposes for manifestation on earth? Can you? So when Jacob renewed his covenant with God, he fought with the angel of His presence.

*"And he said, Thy name shall be called no more Jacob, but Israel: for as a prince hast thou power with God and with men, and hast prevailed." **Genesis 32:28***

In this verse, after wrestling with the Angel of the Lord, Jacob is given the name Israel. Which signifies that he has power with God and with men. Indicating that he has prevailed, because for the prophetic seed of God for that generation of exclusive, jealously guarded, God ordained, prophetic seed of God, in that vessel called Jacob, for it to become the nation of God, he would have to accept the brokenness, the crushing of the flesh. Something ought to tear when a woman is birthing a child. And when Jacob birthed the prophetic nation, called Israel, the Bible said God settled and raised the nation for Himself. In that nation, He taught them the ways of Zion. Israel as a nation .

became the prophetic type of zion. The kingdom of God, a type of the nation of God. God was their king. He was their defense.

They had prophets which of course were the mouth piece of God. They had judges who judged according to the counsel of God. Israel was called the chosen of God, the elect of God, the nation of God for one purpose, to preserve him for the seed of the second person of the Godhead. What happened? Now fast forward. Christ was born before Christ was born, this is God's pattern of operation. God sent a message through Angel Gabriel,

*"And in the sixth month the angel Gabriel was sent from God unto a city of Galilee, named Nazareth, To a virgin espoused to a man whose name was Joseph, of the house of David; and the virgin's name was Mary. And the angel came in unto her, and said, Hail, thou that art highly favoured, the Lord is with thee: blessed art thou among women... And the angel said unto her, Fear not, Mary: for thou hast found favour with God. And, behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call his name Jesus." **Luke 1:26-31***

THE FULLNESS OF GOD

When Jesus was born, the ministry of the second person of the Godhead began.

*"And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth. John bare witness of him, and cried, saying, This was he of whom I spake, He that cometh after me is preferred before me: for he was before me. And of his fulness have all we received, and grace for grace. **John 1:14-16***

Already Moses and Israel had beheld the glory of God, but another level of God's glory was made manifest in the person of Jesus. They beheld the glory of God as of the only begotten of the Father, full of grace and truth.

Now, What's the glory that He brought to the world? The fullness of God. What's the fullness of God? Grace for your sins and truth for your ascension. Now the bible did not say that grace is truth but grace and truth. These are two separate factors. You can be saved by grace. You will obtain the glory of the forgiveness of your sins. That does not guarantee freedom.

*"And ye shall know the truth, and the truth shall make you free." **John 8:32***

Not grace shall make you free. Jesus birthed the fullness of God. What was the fullness of God? Grace and Truth. So the second person of the Godhead came through the prophetic preservation and manifestation of the gospel by the sovereignty of the first person of the Godhead. Without God being absolutely involved in preserving the seed of this prophecy, the bloodline that carried this prophecy would have been abolished and aborted. So God in his absolute sovereignty would have to preserve a lineage that would birth the manifestation of his intentions for human redemption or for the redemption of humanity. Praise the Lord!.

Let's look at the second person that bears witness in heaven. The Bible did not call Him Jesus. The Bible called Him the Word of God. We have seen God the Father and His role and responsibility in creation and preservation of the prophetic seed for the redemption of humanity. Now looking at the ministry of the second person of the Godhead.

The Bible calls Him the Word of God as He is referred to in the heavenly dimensions. So the question is, what is the Word of God? The word of God is the infinite, the definitive plan of God, given expression for a season. Every time Jesus emerges from the Word, every time He lives in the Word, He comes out with a definite article of a particular purpose of God, to manifest to any civilization as allowed by the Godhead. So, when he came in the flesh, he said,

*"Jesus said unto them, Verily, verily, I say unto you, Before Abraham was, I am.." **John 8:58***

He came out of the Word, and became Jesus, took human form and went to the grave for one purpose, to abolish the guilt of sin and sin as a nature. After He was done, He returned back to the Word.

We don't know what plans and purposes of God that Jesus had fulfilled in other creations and civilizations and dimensions and realms. Understand that Jesus is God that has infinite purposes. He is the one that fulfills, that manifests the plans of the God Head.

So the Bible calls him "The Logos" in that beginning, what

is the Logos? The Logos is the counsel, the will of God, the purposes of God, the plans of God, the intents of God and who is God? God is eternal. God is everlasting. God cannot die or go into extinction because God doesn't exist. God is existence. God does not have life, He is life, God is not alive, You are alive because He is life.

So, every time you see Jesus, He is definite on an assignment for a specific purpose of God. He returns back to the eternal volumes of God's plans and purposes to capture another and bring it into manifestation to any civilization. So the ministry of the second person of the Godhead will continue to be eternal. The creator will continue to create, and Jesus will continue to be the manifesto of the Godhead. So Jesus is the definite purpose of God.

The Word of God is the infinite eternal plans, purposes, and God's intentions which will remain eternal.

Jesus is the definitive manifestation of God's plans revealed to creations of the past, present, and future. Jesus is a definitive manifestation of God's plans revealed

to all creations of God of different civilizations. The Word of God is the infinite will of the Godhead.

The Word of God is the eternal treasure, wealth, and storage of God's purpose, plans and intents, Jesus is the Word of God unlimited. When He shows up as Jesus, He comes with a decree, a certain level of God's plan. Jesus Christ is the manifestation of God's plans to the civilization of Elohim, the angelic civilizations.

Jesus is the revelation of God's plans of different civilizations even the civilizations of humanity. Jesus will subsequently return to Himself as the eternal Word of God to mutate and take the form of God's eternal purpose for another manifestation.

So Jesus returns back and comes out to carry out God's purposes. Now the works of Christ are done and finished. He has gone to heaven. He has returned. And He has sent us the Holy Spirit. What is the ministry of the Spirit of God under the Lordship of Jesus?

The ministry of the Holy Spirit is to magnify Christ and give us the capacity to comprehend the fullness of Christ. Without us coming to the full measure of the stature of Christ, we will be unable to walk with the person of the

Holy Spirit. The Father only received us. We had access and exact revelation of the Father when Jesus was revealed.

Without the ministry and the gospel of the person of Christ, we would not have had a maximum revelation of the person of God the Father. Without the ministry of the Holy Spirit, we would not have an exact revelation of Jesus Christ. Jesus spoke of the Father and the Holy Ghost is speaking of Jesus.

By the time we have taken on the full measure of the stature of Christ, we would be able to comprehend the ministry of the third person of the Godhead.

The prehabitation of the Godhead before creation was the fellowship of the God head. The ultimate ministry of the Father, the Son, and the Holy Spirit is to adopt, prepare, consume, purge, qualify, transport and relocate new creatures amongst humanity into the fellowship of the Godhead. This dimension of God is far more than heaven because the fellowship of the Godhead pre -existed creation for which the heavens are part of. God dwells in a dimension of himself and there is a fellowship that he has amongst the definite units of himself.

A time is coming, whether you are Elohims or you are in the heavenly realms or you are beneath the earth or you are on earth, If your existence is not captured within the frequencies and electricity and the glory of this fellowship, you will be extinct.

The Holy Ghost is the coven of this fellowship. The Holy Ghost is the habitation of this fellowship. There is a place where this fellowship is hidden. The way into this fellowship is a coven of fire. No man enters this fellowship without going through the fire.

When that fire comes into you, it will provoke some flesh inside you. When the Holy Spirit provokes that flesh, it may come as a sexual appetite that you may mistaken as a temptation.

No, it was a provocation to kill it. It was a provocation to submit it under the fire of obedience and starve the lifeline of that inordinate urge. I'm talking about the baptism of fire. I'm talking about the sparks that will prepare you to be launched into the fullness of His fire. If you have not yet overcome your sexual urges and kill it, If you have not

overcome your depression, your insecurities, your strife, how can you contain the main fire, the consuming fire Himself?

THE PRE-DEALINGS FOR THE FIRE OF THE HOLY GHOST

"1 That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have handled, of the Word of life;

2 (For the life was manifested, and we have seen it, and bear witness, and shew unto you that eternal life, which was with the Father, and was manifested unto us;)

3 That which we have seen and heard declare we unto you, that ye also may have fellowship with us: and truly our fellowship is with the Father, and with his Son Jesus Christ. 1 John 1:1 - 3

So life is a person. Life can be captured with your sight. There is the sight of your spirit, but it's not enough. There is the sight of your soul, and the sight of your body. Do you know that each human consciousness has a sight? The question is what are the realities of your sight?

It says, now that which we have heard and seen declare we unto you, but two and three parts of these aspects were missing. Now that which was from the beginning,

which we have heard, which we have seen with our eyes, which we have looked upon, which our hands have held on. These happened before they entered the fellowship of the council of the Godhead. The fellowship preexisted creation but to be adopted into this fellowship, five spiritual elevations, travailings must be observed.

He is saying I can only present to you two aspects of it. But the remaining three, you must work hard to capture yourself. Because he didn't say that our fellowship is with the Father. But said, that you may have the same fellowship with us. That you may, not that you have, or that you have qualified. Some preachers gave the interpretation that this has already happened. Who told you that if you are born again, you are in fellowship with the Holy Ghost?

Lets examine the truth and interpret with the understanding of the operation of the God head. So with this point in mind, meditate on this

*That which we have seen and heard declare we unto you, that ye also may have fellowship with us: and truly our fellowship is with the Father, and with his Son Jesus Christ. **1 John 1:3***

Now John was saying that I am already in that fellowship. 'Truly our fellowship' meaning I am included in the fellowship of the community of the Godhead. Our fellowship is with the Father and the Son. Where is the Holy Ghost? Now, the Holy Ghost is the fellowship. The Holy Ghost is the communion. The Holy Ghost is the gateway into the fellowship. And that's why John the Baptist said,

*"I indeed baptize you with water unto repentance: but he that cometh after me is mightier than I, whose shoes I am not worthy to bear: he shall baptize you with the Holy Ghost, and with fire." **Matthew 3:11***

And then after the baptism with the Holy Ghost comes the baptism of the Person of the Holy Ghost called the Father because He is the Coven of that fellowship of fire. God dwells in the Holy Ghost. The Holy Ghost is the habitation of the fullness of God and he is the fire that surrounds the hidden place of Yahweh. The Holy Ghost is the constitution of their fellowship and their community of fellowship. Fellowship, participation, communion is the fire.

*"He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress: my God; in him will I trust." **Psalms 91:1-2***

Certain realities of the spirit must be captured individually. You're not going to depend on somebody else to get it. You are going to fight the good fight of faith to lay hold on this mystery. Certain realities of the Spirit must be captured in your hunger for the Spirit of God. And then you must be caught up in the realms for God to capture you.

Concerning these realities by the ministry of encounters, John said I can help you with that which I have heard, I can help you from the volumes of what I have seen, and that is my limit. I cannot give you the realities of who he was in the pre -beginnings, that which was before the beginning. Which we have looked upon, which our hands have handled, so these three can never come from John, that which was before the beginning can never come from Pastor John.

John was speaking about the things he heard from Jesus. Of course, these are the doctrines of the Scriptures. The things he wrote in the Epistles. But do you know that there were some realities of God that Paul captured in the realms of Zion that God said, "Shut your mouth". This one is personal and is given to individuals who ascend into the realms of God. These are words and revelations only reserved for individuals that have paid the price to capture this reality.

John is saying, I heard from Jesus so I wrote what I heard. That is how you got the gospel of Jesus according to Saint John, the gospel of Jesus according to Saint Matthew, the

gospel of Jesus according to Saint Paul. Certain depths of God that is only reserved for Paul as an individual who stood in the triumph, persecutions, tribulations, distresses for righteousness. Jesus crowned him with these revelations.

That which was from the beginning was a revelation exclusively given to Saint John. A man who wrote mysteriously, he says, "In the beginning was the Word." Who told him that? And the Word was with God, and the Word was God. It means that John captured a certain reality that was never taught in theology schools.

He captured it in the realms of Zion when he was caught up to meet Jesus face to face. That which was from the beginning.

How did John have an understanding of what happened before the foundations of the world? Moses didn't know it.

Only Moses wrote in the beginning, "God created heaven and earth." The earth was without form and void. And darkness was upon the face of the deep. And God said, "Let there be light, and there was light." But John wrote

something beyond Genesis chapter one verse one.

In other words, the first book of the Bible should have been John chapter one verse one before Genesis chapter one verse one.

The question is what realities of God have you captured before the beginning? You need to begin a deep quest and pant after the Holy Spirit. Every man that captured certain depths of God, the pre-existing creation, had a definite encounter with God. God wants to tell you a story about what happened before all things began.

So John said, if you want to come into this fellowship to capture the realities of God before the foundations of the world, that means you must rebel against the flesh until you meet God face to face. Moses saw the book of Genesis when he encountered God. He said, "Oh Yahweh, I want to see your face." He said, "No, you're not qualified to see Jesus." You can only see my back." And when God put him on that cliff of the rock, He said, "I'm going to pass by and you shall see my back.

" And when he saw the back of God, he captured the reality of how creation came into existence.

God showed him revelations of what happened in the past. That was not natural knowledge. He didn't read from history books. It was downloaded into his consciousness.

Why do I teach the way I teach? You think I'm reading from books? No! I went somewhere, I met the Yahweh, He downloaded into my spirit. Listen, I'm not special. Don't even think that I'm special. You can get much more. It depends on your hunger. God is not partial. He will give you even much more than you ask.

I can guarantee you the three, I can only teach you some things I have captured to whet your appetite so you can go back on your own wilderness journey. If you are willing, the Holy Spirit will take you through that journey if you will!

"That which we have looked upon." looking differs from seeing. Now, he was referring to the eyes of his spirit, was open to see beyond this natural dimensions.

He said, I have captured the manifestations, the love of God, the healings, the miracles of God with my naked eyes. We have seen God move in our church. We have seen cancers dry up, we have seen lumps disappear, we have seen HIV turned negative.

These are what we have seen. The wondrous works of God, but the question is what have you seen? Have you looked upon him? Have you captured the realities of God with your spiritual sight? Can you see in the Spirit? Have your eyes of the Spirit opened? Let me tell you what it means to look upon him.

"While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal." **2 Corinthians 4:18**

Now Paul said, set your mind on the things above. Set your affections on the things above. Desire to encounter Him with a burning passion that cannot be quenched or put out.

There are things in the spirit realms that are meant for us to look upon. Have you seen these things brothers and sisters? I'm not going to show that to you. You have to see it yourself. Your eyes of the spirit ought to be opened to see it.

Jesus came to him said, "Thomas, look at me, touch me, handle me, for a spirit does not have bones and flesh. Have you touched Jesus? Have you met and touched him? Because he that is in heaven has a body. Jesus in heaven is the first fruit of man.

He is the ultimate example and sample of who we should be on earth. He is our first fruit. Have you handled him? Have you held his hand? I can't give it to you. Have you touched Jesus? He said, "Our hands have handled him."

How does one assess the realities of the pre -existence, pre -happening of Yahweh before creation? How can one capture and look upon the realities of eternal things and capture these realities and how can one touch Jesus and handle him. It is the baptism of fire?

There is a requirement to get there. It begins with three baptisms.

You must first go through

- 1.The baptism of water,
- 2.The baptism of blood
- 3.The baptism of fire.

And Jesus would baptize you with the Holy Ghost. He would baptize you with fire. The baptism with the Holy Spirit, becomes of course the baptism of water and the baptism of blood.

The baptism of blood is the sanctification of your human soul. The purification of your human soul. The sanctification of your urges and the faculties of your mind must be purged. So that you are prepared and qualified to go through the fire of the Spirit.

We have dwelt in sin for too long. Mankind has dwelt in sin and under the consciousness of sin for too long. So the government of sin has prevailed in the consciousness of man over the years, and because of that, redemption has to be brought into three dimensions of human existence or our consciousness.

There has to be a baptism of water, which of course is cleansing of your spirit, the cleansing of mankind, the baptism of your identification with the death, sufferings and resurrection of Jesus Christ. Some of you have not yet come out of the water.

You're still inside the water, you have not even graduated from the baptism of water, not to mention the baptism of blood. You don't come out of the water until you are dead. Dead to this world, it's lusts and passing corruption.

Let me give you a simple definition of the word baptism. The Greek word baptism means to dip, to immerse. By definition and usage of the word, it means to put into or under, so as to immerse or to submerge. This then also means that we are to be immersed, put into, submerged in the person of God, which is God's himself, in the person of the second and third person of Godhead.

You can't come out of the baptism of water if you have not drank enough and died in the water to be carried by the strokes and the currents of waters. The reason why you sin is because you are alive. True baptism is to die (not physically) in the water. God is going to put you into the water until you die. You will never reach the depths of the spirit as long as you are still swimming and floating.

But nobody goes to the depths of the water alive. The pressure is heavy. Try it. Try to go deep to the depths of the

ocean.

You see that the pressure will tear you into pieces. So the Holy Ghost is drawing you into the dimensions of pressures. Now this is just the baptism with the Holy Ghost. Not even with fire.

We have been immersed in the spirit, but some of us always want to come out to capture some little breaths. We fornicate, we sniff substances, we sneak and commit adultery. Do you know how long it will take you to kill that thing you came out to capture? You just did it, but it may cost you another five years.

Every act of sin nourishes your members, which are upon the earth. When you act it, you have empowered it, you have increased its lifeline. If it was going to die in the next two years, you've given it a lifetime. You've increased the lifetime because you don't want to remain in the water. If you get into the water you will suffocate.

The Holy Ghost is killing the flesh. The more you drink, the deeper you go in the spirit. There are things of the ocean that you can never know or see if you are on the surface, or if you are on the mid -range of the ocean, but there are certain mysteries of the ocean that only those who reach

the belly of the ocean will see. There are certain depths of the spirit you can only know if you travel deep into the ocean of the Spirit.

"But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him." 1 Corinthians 2:9

Not for those He loves but those that love Him, for the Holy Spirit searched the deep things of God, He revealed those things to those that love Him. What are those things, three of them,

1. The mysteries of pre-existence, (that He revealed those things to those that love Him.)

2. The things of the spirit that you are to look upon and

3. The ability to handle the resurrected body of Christ. These are revelations, these are embodiments of realities. These are depths of truth. These are depths of glory. When you behold this reality, something changes in you.

I'm willing, I'm ready to pay the price for the baptism of fire, For we have entered the generation that either the fire will consume you or migrate you, the fire is coming.

Either the fire will consume you or refine you, or migrate you into the heavenly places. In the twinkling of an eye, this earth will quake. God has sent me for a time like this. I came with a message from Zion. Prepare ye for the baptism of fire.

INSTRUCTION: Take out four days to crush yourself. Tear yourself. Consecrate wholly with deep repentance. Read from Genesis to Revelation, the men that walked with God were men of mountains, wilderness, crushings, but they glowed when they were clouded in the glory of God.

All of them became ancient gods. God allowed Moses to make a terrible mistake and launched him into the wilderness for 40 years. It took him 80 years to become a god to Pharaoh.

There are certain dominions and authorities in our world that we that call ourselves Christians cannot confront until we become gods. You think the powers that rule this world are humans? They are demon incarnate, they have no emotions, you think pharaoh was a human? He was controlled by Leviathan, the goddess of the sea, the old

serpent that lived in the belly of the ocean.

A prophetic journey of 40 years, took 80 years of preparation. Forty years for natural development. Forty years for spiritual development. One crushed his flesh, the other trained him to be supernatural

And Jesus said,

"I didn't come to redeem you. I redeemed you. I paid a certain penalty demanded of me. But ultimately I came to show you the way of redemption because every man that must come after me, must take up his own cross." So the qualification to take up your own cross is to accept the dividends of His own cross to qualify to go to that place of crushing and humiliation. Have you journeyed with your cross? Has the kingdom of God prevailed in your heart?

IMPARTATION

Holy Father your word has come alive in the hearts of men. Thank you Jesus, You have brought light, You have brought unprecedented revelation. I ask you for one thing Holy Spirit that you will plant in the hearts of everyone reading this book right now an unquenchable fire to ascend into multiple encounters of the fire of the Spirit in the name of Jesus.

PROPHECY

I'm about to reveal myself, says the Lord. God said to me, I should tell you, Good news. My glory will be heavy upon you from now to the next seven years of your life.

I have put on you a burden, a strong burden of my glory. God said that when this burden comes upon you, there is going to be a slow and steady brokenness of your spirit, soul and body and that will be the softness and easy yieldedness to the leading of my spirit. For there is a journey that I want to take you on says the Lord. You will see My glory, You will see my presence.

You will touch life. I shall open unto you the depths of my covenant.

By the time I am done with you, you will return to earth and be my witness. The Lord says a percentage of people will be taken into the school of the Spirit.

While you are still conscious in your body, the activities of that dimension will begin to control your entire life. People will migrate supernaturally into the realms of the spirit where the sons of God that are getting ready to be revealed on earth are being prepared and nurtured. There you shall meet custodian of dimensions, I shall make you to see Paul, Enoch, for men have become custodians of

my realities. I honored Moses, even Elijah. I conversed with them as often as possible. While I was on earth, I allowed Peter and John and James to see my conversations with them. The same way I had conversations, with these men, I would allow you to see beyond.

I tell you something, mark this, we have entered the time, after we are done with the dealings of the spirit, you will go to a state hospital with a camera on you, you put your hands on the wall and discharge everybody from the hospital. And then, they will say no, it is by accident.

You will say take me to the mortuary. People that have died there five days, for eight months. You're going to put a hand on that wall. The life of the spirit of God will surge and everybody in the mortuary will rise up for you.

Creation is waiting for the manifestation of the sons of God. If you said that Jesus is coming now, you are lying to yourself. We are too defeated for Him to come now. That will be an escape route. He is coming for a church without blemish, spots, wrinkles.

*"That he might present it to himself a glorious church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish. **Ephesians 5:27***

CHAPTER FOUR

HOW TO GENERATE FIRE

CHAPTER FOUR

HOW TO GENERATE FIRE

1. BECOME A CARRIER OF THE HOLY GHOST

We cannot talk about fire without talking about the Holy Ghost just like you cannot talk about breathing without oxygen. I want you to understand that the first time we found the Holy Spirit moving, He moved on a host, He brooded on a host, so the first host as we saw in the scriptures Genesis 1:2 was that

"And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters." Genesis 1:2

So the first host of the Holy Ghost revealed to us was the water. There will always be something to host the Holy Spirit. Every move of God is hosted by something and the greatest host of the Holy Spirit is the human vessel. That is why we have the capacity to host the fullness of God. By the fullness of God, I am talking about Christ, because amongst the community of the Godhead it has pleased

God that the totality of the Godhead tabernacles in Christ.

"Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ. For in him dwelleth all the fulness of the Godhead bodily. And ye are complete in him, which is the head of all principality and power. In him, which is the head of all principality and power;"

Colossians 2:8-10

So the fullness of God is in Christ and there is only one creature that has the capacity to host Christ in totality, which is the human vessel. The Bible calls you the temple of Christ, the body of Christ, the dwelling place of Christ.

"Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?" 1 Corinthians 3:16

"Now ye are the body of Christ, and members in particular." 1 Corinthians 12:27

"And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them,

and walk in them; and I will be their God, and they shall be my people." **2 Corinthians 6:16**

"Christ in you the hope of Glory" **Colossians 1:27**

So the fullness of the Godhead tabernacles us. Think about that now, when you process that, it tells you that you can host the Holy Ghost. You are the greatest host, the greatest habitation of the Holy Spirit. This working relationship with the Holy Spirit is the sure way to generate fire. Once you acknowledge His ministry and you allow Him to express his nature. A fire will begin to burn within.

2. THE WAY OF THE NEW WINE SKIN

The source of the oil is perfect and pure. There are conduits through which God must conduct his power and presence. The conduit or vessel is the wineskin. We are the wine skin. God wants us to become the new wine skin by constantly shedding our old wine skin. You shed the old wine skin by following the instructions of the Lord. This is a continuous ongoing process which leads us to purify our vessels daily. What happens when we are in the presence of the Holy Spirit is that we behold His glory. As we behold His glory in

the renewal of intimacy, our fellowship with the Holy Spirit, we are changed. Then we move from glory to greater glory, to even greater glory, to greater glory. Thus we begin to generate a fire that is capable of burning globally. Your new wine skin will guarantee the Holy Ghost to refill you constantly.

Now, understand that the new wine skin is built in the realm of God's foreknowledge. If you desire the new wine you must consciously shed off the old wine skin.

*"Neither do men put new wine into old bottles: else the bottles break, and the wine runneth out, and the bottles perish: but they put new wine into new bottles, and both are preserved." **Matthew 9:17***

When the Bible speaks of a new wine, it is referring to the fact that God is getting ready to advance His move, God is getting ready to take His glory to the next level, God is about to reveal His Spirit, His power, His kingdom and His glory to the next level so this is referring to an increase in His glory, increase in His plans, advancement of His glory in a particular generation.

*"The glory of this latter house shall be greater than of the former, saith the Lord of hosts: and in this place will I give peace, saith the Lord of hosts." **Haggai 2:9***

In other words, the former house is the old wine skin that carried a certain wine but the Prophet foresaw a new wine skin coming that will host the greater glory of Jesus. So the prophecy affirmed that the latter house will host the glory of the Lord. If you are not preparing yourself as the latter wine skin, you will not carry the fire for the glory of the latter house.

We must focus on how to develop ourselves to become exactly the wine skin that God is preparing, ready to pour out His Spirit into. Every new wine is unique and has its peculiar wine skin. Your prayer maybe “Oh Lord I want to be part of your move, Lord use me, God I want to be used by you”. Yes, God wants to use you, but before God uses you, you must first meet up, you must measure up, you must become the exact wine skin that will fit the move of God that you are calling for.

One of the major causes of delays in the move of God is that sometimes, we think that if we just pray and say Lord I want you to use me, Lord use me, Lord use me, then God will begin to use you. No, God will not use you because you asked him to use you. Asking God to use you is not the right prayer. I would prefer you saying Lord use me, and then

you go further to say, Lord show me how to prepare myself in order to qualify to be used by you. I think that should be the right prayer. God says I don't use people, I make them into what I use, I cause them to become my instrument for use. God told Jeremiah

"Thou art my battle axe and weapons of war: for with thee will I break in pieces the nations, and with thee will I destroy kingdoms;" Jeremiah 51:20

God who is a consuming fire is saying, you are too cold to be used by God, you are too alive to be used by God, you are too offended to be used by God, you are too jealous to be used by God, you strive so much, you're too insecure to be used by God, you are too sexual to be used by God, you are too angry to be used by God, you are too manipulating to be used by God. Change your old wine skin.

TWO PATRIARCHS WHO CHANGED THE WINE SKIN TO CARRY THE FIRE FOR THEIR GENERATION

1. ISAIAH:

Isaiah was a prophet who began to prophesy because

he came from the tribe of Levites, so he came from the school of the prophets. He was the prophet of the time. Little did he know that he was not even prophesying the word of the Lord. At the appointed time he had an encounter,

*"Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the King, the Lord of hosts." **Isaiah 6:5***

He wept before the Lord and there his eyes opened. The Bible says an angel took a coal of fire literally in the vision and purged him.

*"Then flew one of the seraphims unto me, having a live coal in his hand, which he had taken with the tongs from off the altar:" **Isaiah 6:6***

God purged his tongue with fire and cleansed him from lies; the Holy Spirit went through every realm in his tongue, burnt to ashes every filth because prophets are tongues in the realms. In the realms, tongues represent God's active word, so his tongue was purged before he would be able to speak on behalf of God.

Everybody wants to be a prophet but most folks don't want to pay the price. I am more concerned about the price than the responsibility, because by the time you know what the prize is, you might not want to continue. He was set on fire when he shed off his old wine skin, he was purged with fire to be able to represent God to a nation.

APOSTLE PETER:

Peter is another perfect example who exhibited traits of the old wine skin. He was rigid, unyielding, and prone to fear. He boasted of false loyalty to Jesus, yet before a little girl, he denied Jesus. That is the fire you can carry with the old wine skin. It is not possible to carry more than that.

When the same Peter encountered the Holy Spirit, when he shed the constraints of his old wine skin - fear, doubt, carnality and embraced a new identity rooted in faith and boldness. He moved from a place of reluctance and denial to one of joyful commitment, ultimately laying down his life for the sake of the gospel.

You must understand that fire is not about external appearances or accolades but about authenticity,

passion, and strong devotion to Christ and the ecclesia. To carry fire you must be ready to shed the old wine skin. Ministry is not about having extensive paraferalia or oratory, or anything external.

The Jesus I know, when He prayed, He prayed in a rugged way, when He rebuked, he rebuked harshly, when he preached, He was loud, strong and firm. I follow the footsteps of Yeshua and I will keep it as real as He kept it.

3. THE WAY OF DEATH

God only uses the dead. When you say Oh Lord use me, set me ablaze, the process begins with death. Please take note of that. The fire of God falls on sacrifices and you know those sacrifices had to be killed first. God is saying, are you ready to die? Are you ready to lose everything? They told you that if you are in Christ you are a winner, I didn't find that in the bible. The true preaching and authentic teachings of Jesus told me that

"Then said Jesus unto his disciples, If any man will come after me, let him deny himself, and take up his cross, and follow me. For whosoever

*will save his life shall lose it: and whosoever will lose his life for my sake shall find it." **Matthew 16:24-25***

God says if I must use anybody, if anybody must carry my fire, He said you must first hate mother, father, husband, wife hate brothers and sisters and love me more than you love them. I am not saying you should go and hate your father and say "Daddy I hate you because Jesus told me to hate you. Mummy I love Jesus so much that I hate you". That is not what Christ meant, He simply meant do not obey your parents more than me. Do not exalt any individual or family connection to the detriment of your faith. Do not value anyone above Christ, that is what that meant.

3. THE WAY OF LONELINESS

Ministry is the work of God, not the work of man. Ministry is God's institution not an intellectual institution. Ministry is an activity instituted by the Holy Spirit. Ministry deserves and demands a high level of consecration, constantly in prayer. Ministry is a call to dwell in the wilderness after you are out of the pulpit. You have no life to enjoy. Ministry deserves and demands total submission to the will of God.

Let nobody deceive you, God's word is eternal. Not everything in the Old Testament is obsolete, especially when it comes to the consecration of the priests and the prophets. It continued, there is nothing like “oh I don't have to consecrate anymore, Jesus is my consecration”. Stop that deception!

Jesus is our example. You are not in the position of Christ because you are born again. You are actually in the position of Christ if you follow His footsteps. He is our role model. Jesus is our example for ministry. Have you ever wondered why Jesus prayed all night, He came out the next morning refreshed not tired? Christ was caught one day sleeping, He slept in the afternoon, they were on a journey in the ship, then he slept and He was resting.

He had a time to rest. I am not saying all the time you should be praying. There is also a time to rest, but ensure that you are resting inside the boat. Ensure that you are able to rest even when the storm has come violently against your ship, against your boat.

One of the signs to prove that you are doing well in ministry is tribulations, objections, rejections, activities of the devil

against you in various ways. If you overcome the first one, you increase in spiritual rankings, wisdom, and patience and then another comes up.

Ministry is pain, Ministry is sacrifice, Ministry is commitment to consecration, commitment to prayer, commitment to the vibrations, and frequencies of the Spirit. When God calls a man, He calls you first into companionship, fellowship, intimacy and in that dimension of intimacy you receive His will for your ministry.

Run with what God has asked you to do, not with what is popular. You cannot achieve this if you are available everywhere. Wilderness life, loneliness is your greatest asset to carry the fire of God. There is no fire in popular opinion. As a matter of fact, the fastest way to lose your fire is to ride on the frequency of what is popular. Ministry is not you, Ministry is God's will. When you are alone, God shows you what to do, God shows you what to preach, God tells you, this is your assignment. You can see that fire will guarantee divine direction which makes mistakes impossible. Fire will put you on a no mistake dimension for your ministry.

*"O God, thou art my God; early will I seek thee: my soul thirsteth for thee, my flesh longeth for thee in a dry and thirsty land, where no water is;" **Psalms 63:1***

Every minister belongs to the wilderness. You don't belong to a palace. After ministration quickly go back to your wilderness. Wilderness is a place that discomforts your flesh, it keeps your flesh under check in order to sustain the fire, it breaks your flesh, it scourges your flesh. If you don't take conscious effort as an individual or as a minister of the gospel to always stay in your wilderness, you will be in trouble, big trouble, because in that place of exclusion, you know the mind of God about people, opportunities and issues.

Five years before covid, I went on a retreat. God asked me to go in for one week, so I went in for one week, I went somewhere, a bush actually, I just soaked myself for a period of one week (7 days). While I was there, the Lord came to me and said, "do not forget the first calling that I have called you into, loneliness, isolation. You have been called to isolate yourself, you belong to the wilderness. He said, do not forget that I have called you to loneliness,

thou shall remain there, this is my secret up till date. I have no friends, I am in a place where my flesh is continuously scorched, buffeted. Paul said

"But I keep under my body, and bring it into subjection: lest that by any means, when I have preached to others, I myself should be a castaway." 1 Corinthians 9:27

This is the reason I will always be on fire, because in loneliness, separation unto the Lord, you burn from one level to a higher level of fire.

4. THE WAY OF FASTING AND PRAYER

So by fasting and consecration you increase in the capacity of your God given authority. The scarcity of the demonstration of the power of God does not mean we are powerless. Rather it shows that we are short circuited in our dispensing of the ability of God that we have in Christ, because of the conflict of flesh and the void of consecration. There is always a warfare that precedes deliverance.

"Howbeit this kind goeth not out but by prayer and fasting."
Matthew 17:21

PRAYER

Every ancestral monitoring spirit against God's design on your life is cut off right now. Everything the enemy uses to access you, to weaken your spiritual fervour dies right now in the mighty name of Jesus the Christ.

Satan deceives us that what we need to function for God is money, cars, a wife, a husband, gold, silver, promotion, increase, but even when these come, you are still not able to establish the kingdom, power and glory of Christ. God will only give you all the money you need to carry out His will on earth. God will give you all the security that you need to carry out His will on earth. He does not give you any of these for your selfish accumulations.

God gives you something in the material world for the advancement of His kingdom and will. Until that gets into our spirits, we will be stagnant. If you want money, you can work for money and get money, and you don't even need God to get funds. You can be strategic in what you do, and that's fine, but we don't chase after God for material things. We chase after His will and kingdom on earth, and if we do, He will give us every material support and enrichment to advance and fulfill His will on earth.

Now says the Lord, I'm going to take you up to the realms of the Spirit and I will give you a portion of My will and you will fulfill it on earth. Because you will carry a portion of My will for your generation, I will build a hedge of protection around you. I will supply all of your needs and I will bring all the favors that you need on earth to carry out My will.

To be on fire, you have to ascend above the church norms. You have to seek for the will of the Father to execute, and seeking is done through fasting. In seeking His will, you contact His fire. The will of the Father is not something you choose to manifest; it is what He gives you to manifest. You don't call yourself, He calls. He is the one that calls, and when He calls, He calls in the realms. He does not call because of your desires; He calls in the realms. It's by encounter that He calls. Everyone He called had a vision. You get connected in the spirit through fasting and prayer.

Some people are not serious with God. Do not even take a position in church if you cannot pray and fast because the angel of the Lord will whip you. Fasting must be observed if you must carry the fire of God. If you are occupying a spiritual responsibility and you have not been fasting and

praying, just step down and reappraise. Everything we do must be spiritual, and every instruction from the Lord must be observed.

A close-up portrait of a lion's face, looking directly at the viewer. The lion's mane is a vibrant orange and yellow, resembling flames, which fills the background and frames the lion's face. The lion's eyes are a golden-brown color, and its fur is a mix of light and dark brown tones. The overall image has a warm, fiery aesthetic.

CHAPTER FIVE

HOW TO SUSTAIN YOUR FIRE

CHAPTER FIVE

HOW TO SUSTAIN YOUR FIRE

1. WAR AGAINST THE SPIRIT OF COMPROMISE

Humanity is about to see the reign of the God of the Universe. Saints, do not miss this move.

"Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us," Hebrews 12:1

So, they are cheering us on. There is no amount of preaching that I can tell you concerning the fact that there is a fire that you will go through to enter your garden.

The return to the garden of Eden is the end time tribulation. There is a tribulation coming. Are you prepared? A tribulation that has never been. Where the kings, the governors, the rulers, the judiciary, the marketplace, everything that controls the world's system will be shut down, controlled, and you must bow down to

the demands of the anti-Christ or you are killed. So you must learn now to overcome idolatry. And this idolatry is the flesh. It is not necessarily the practice of voodoo. No, living in and for the flesh is idolatry. It is pure idol worship. All forms of compromise are aided by the flesh. Roar against every strangulation of flesh and emerge a victor over the flesh. If you don't overcome your flesh now, the works of idols, you will quickly give in under pressure. The testimony of Shadrach, Meshack, and Abednego was that they never bowed to the idols of Nebuchadnezzar. Let me tell you the history of these three young men. Throughout the early stage of their appointment to serve at the king's palace, there were a lot of people that also were appointed. They were to be fed with the meat of the king, but because of the holiness and the consecration of these three young men, they felt like the food of the king could have been dedicated to idols.

The king's guard said to them, "No." because the election would depend on how they look and how healthy they appeared, to be appointed into that position.

So they were supposed to be fed and well-nourished so that they could look quite presentable for a certain period

of time. Rather, Shadrach, Meshack and Abadnego chose to go into fasting and prayer and ate only vegetables. They said sir, we will not eat the meat of the king. They refused to compromise. Can you pass the examination, the tests of these last days, the pressure that is coming? This is the first key to maintaining your fire. Develop a strong hatred for compromise.

*"But Daniel purposed in his heart that he would not defile himself with the portion of the king's meat, nor with the wine which he drank: therefore he requested of the prince of the eunuchs that he might not defile himself." **Daniel 1:8***

*"And at the end of ten days their countenances appeared fairer and fatter in flesh than all the children which did eat the portion of the king's meat." **Daniel 1:15***

2. WAIT ON THE LORD WITH HUMILITY

What you have received is far beyond what your current consciousness can comprehend. As time goes on, you will see the depths and the vibrations of what you have obtained through these pages. The Holy Ghost has begun moving in a peculiar manner amongst His people. The election has begun; the appointment of the Spirit has begun.

*"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint." **Isaiah 40:31***

In these last days, stay in prayers. Stay in consecration. Give attention to the leading of the Spirit. Give heed to the chastisement of the Spirit of the Lord. Nobody rises in the glory of the Lord with any element of deception. Deception will limit your rising. Stay holy in your heart, without Him we can do nothing.

Allow the Spirit to purge you, to cleanse you, so that you can host the fullness of the Spirit. It is the ability of God that does the ministry. We are only the vessels purged, cleansed, refined to be used by the abilities of the Spirit. Stay hungry, stay repentant, remain teachable, receiving corrections, rebukes, reproves, and instructions with meekness, for the hour has come.

The atmosphere carries stumbling blocks of offenses, poised to drift thousands, hundreds of thousands of people from the faith.

3. CONTENDING FOR THE FAITH OF THE FATHERS

Apostle Paul, Apostle Peter, the early church paid the price for dunamis. They paid the price and succeeded to host

the fullness of the Spirit. But when they passed on to glory subsequent generations that came lost the principles, the revelation, the intensity, the fire, the sacrifice, the consecration that can transport a man into that dimension that qualifies him to host the fullness of the Spirit. We went into logical preaching, analytical preaching and teaching. Satan infected the church with the wisdom of this world. The Bible speaks of the spirits of just men made perfect.

*"To the general assembly and church of the firstborn, which are written in heaven, and to God the Judge of all, and to the spirits of just men made perfect," **Hebrews 12:23***

What is the spirit of just men? What is the spirit of Elijah?
Where is the spirit of God?

Paul said,

*"I have fought a good fight, I have finished my course, I have kept the faith:" **2 Timothy 4:7***

In other words, I will not depart with the faith.
The fire that Elijah commanded upon the earth, the passion that Paul lived and walked with are in the atmosphere. They are called mantles. These mantles were

not taken with them. When Elijah departed, he left his mantles for Elisha. That means it can be transferred. So, do not be afraid to capture custodians of realities in the heavens. For example, Enoch belongs to Yahweh forever and can never say things that are contrary to Yahweh.

How do we know that the spirit you saw or encountered is of God? The things they say are in harmony with scriptures. They will never say anything contrary to Yeshua.

*“For he whom God hath sent speaketh the words of God” **John 3:34***

You want to host the move of God? You're going to find men who hosted that move. Men who walked in that move, you must capture their spirits, for that purpose to be entrusted into your hands.

God's purposes are hanging in the atmosphere, waiting for you to possess, to host the spirits of men made perfect, who hosted those purposes prior to your time. The footprints are there.

The history is there. The book has the record of how they lived their lives. Will you be used of God? Most of you don't know. I won't tell you all the spirits that I host. I won't speak of the Old testament, let me speak of the one you know. Currently, I host the spirit of Kenneth Hagin, I met him few years after he died. I met E. W. Kenyon in the realms also. Kenneth Hagin came to me and gave me a book. He said in the book "Take my revelation to the next level."

When I was in the middle of my December prayer and fasting, because I read his books, he came to me and I saw him. He gave me the mantle to write. The mantle to access deeper revelation beyond what he wrote. The spirit he had on him came on me. This was either two or three years after he passed into glory, his mantle was hanging in the atmosphere. I was praying and the mantle rested.

One day I was in a vision. I had an out of body experience. I saw Kenneth Copeland in the realms. I saw K. C. Price before he passed. This was happening many years ago in my time of meditation, between 2005 and 2007 I saw different custodians.

In one of the encounters, I heard the voice echoed three times.

The spirit of the Lord rest upon you!

The spirit of the Lord rest upon you!!.

The spirit of the Lord rest upon you!!!

Then I screamed in that vision, "Why me?"

Saints, God is going to give you access to host the fire, the passion, the dimensions that these spirits of just men made perfect provoked and left on earth. They are hanging in the atmosphere waiting for a generation that will pay the required price to capture it.

WORDS OF PROPHECY

I speak prophetically from Zion. There's going to be another move of God that is coming upon the face of the earth before what is generally referred to as the rapture of the saints. And this move of God is going to come from those that have completely yielded their spirits, soul, will, mind, intellect, emotions, choices, body, members, urges, under the purification of the Holy Spirit. And after the purification of the spirit, this people will go through the fire of God. And after they have emerged from the perfection of the fire of the spirit of God, then the Holy Spirit will come upon them. And then they will be led of the Spirit and this group of few individuals across the nations of the world will command the greatest move of God in the history of humanity. They will manifest the prophecy that Jesus said. He said, there are some of you here standing that will not see death.

CHAPTER SIX

HOW TO DISTRIBUTE FIRE

CHAPTER SIX

HOW TO DISTRIBUTE FIRE

1. SONSHIP

For this generation to be able distribute the fire, not just to generate and to sustain it, they must experience the fullness of the Spirit. In these last days, we must be ready to stand the test of time, to stand the test of the tribulations and the sufferings that will come upon the face of the earth. These are the full grown sons of God, not children of God, but sons of God. Who is he that overcomes the world? The mature sons of God. Distribution of fire is strictly for sons. No babe has the capacity to distribute the fire. Ofcourse you must be a custodian in the realms to be able to host and distribute the fire of God

What makes you a son? Being led by the Spirit. You must be led, carried, trained by the Spirit. Then you're a Son of God.

*"For the earnest expectation of the creature waiteth for the manifestation of the sons of God." **Romans 8:19***

"For in him we live, and move, and have our being; as certain also of your own poets have said, For we are also his offspring." Acts 17:28

In other words, your spirit, soul, and body must be found in Christ. There is a country called in Christ. There is a citizenship called in Christ. There is a dimension called in Christ. We ought to come into perfect union with that Christ. We ought to lift up our spirits, our souls, our minds, our bodies, in that kingdom. And that's the only time we can boldly say we are the emerging, manifesting sons of God.

Oh Lord, I love you. I love you, Lord. I love you, Lord. And I lift to my hands. God is not looking for your lifting of hands. It doesn't move him. You can be lifting up your hands but your heart is not lifted. You can be dancing as though you love the Lord. But God is not moved by that dance because your heart has not moved.

The Bible says you speak of me but your hearts are far from me.

"This people draweth nigh unto me with their mouth, and honoureth me with their lips; but their heart is far from me." Matthew 15:8

Your heart is far away. He is looking for your heart. He is not looking primarily at your actions. He even says if you have something against your brother or if your brother has something against you and you have an offering in church, you can suspend the offering, leave the church, go and reconcile. Get things right in the spirit. And then come back and give your offerings. You see God wants us to come into alignment with His Word first. That is the greatest act of worship. We are to worship in Spirit and in truth according to the prescriptions of His word.

*"Therefore if thou bring thy gift to the altar, and there rememberest that thy brother hath ought against thee; Leave there thy gift before the altar, and go thy way; first be reconciled to thy brother, and then come and offer thy gift." **Matthew 5:23-24***

When we, as children of God, come under the governance of the Holy Spirit, we begin to manifest in diverse ways. When we submit to the Holy Spirit as sons, not mere Christians but as sons, changes begin to occur in our hearts. These changes are the secret to distributing the fire of God.

2. HOSTING THE SEVEN SPIRITS OF GOD

A man who is led by the Spirit of God is a man that is led by the Spirit of the Lord, the spirit of wisdom, the spirit of

knowledge and understanding, the spirit of counsel, the spirit of might, and the spirit of the fear of the Lord. Each of these seven diversities of the Spirit ought to school a man continually. You should have graduated from one level of the schooling of the Spirit into another level of the school of the seven spirits of God. This is an active on going, progressive process.

That is why if you say that you are led of the spirit and you lack wisdom, you're mistaken. If you claim that you have the fullness of the spirit and you don't have godly counsel, you don't have understanding, you don't even know the person of the Holy Spirit, you're mistaken. The seven spirits of God begins with the Spirit of the Lord who of course is the Holy Spirit, He is the custodian who is in charge, He controls the rest of the spirits. He is the host, the administrator of the other spirits. When the Bible speaks of the Spirit of counsel, the Spirit of counsel is the wisdom of God released every given time. The Spirit of knowledge will guide your thoughts, suddenly some wisdom will descend into your consciousness and you know what to do.

*"A wise man will hear, and will increase learning; and a man of understanding shall attain unto wise counsels." **Proverbs 1:5***

*"The way of a fool is right in his own eyes: but he that hearkeneth unto counsel is wise." **Proverbs 12:15***

*"Where no counsel is, the people fall: but in the multitude of counsellors there is safety." **Proverbs 11:14***

Imagine if you have hosted the spirit of counsel. The spirit of counsel is walking in you, the spirit of counsel is on you. Every time Satan throws some kind of deceptive challenges at you, your desires, you receive the counsel from the Holy Spirit and they will be asking how did he know? It is not enough to have the Holy Ghost for some kind of spiritual goosebumps. God wants to raise you to represent him in wisdom, in knowledge, in understanding. God wants you to become the light of the world, to bring relevance in a dark world, to gain dominion in the marketplace, to be part of the economy of this world. Don't you know that the coming move of God needs your financial dominance. Wisdom will lead you to wealth that's laid up for the righteous.

In order to host the seven Spirits of God, each person of the seven Spirits of God would agree to come upon you. You would have to go through the tests, schooling, the institutions of the seven spirits of God through the enrolment of the Spirit of the Lord. You would have to enter

and be enrolled or admitted into the university of the School of Wisdom. I don't know how many years it would take to school you by wisdom. Realise that wisdom is a person. The Bible calls Christ the wisdom of God.

Christ is the effulgence of the glories and lights of God and He manifests in many ways.

The Bible says that Christ is made unto us righteousness, redemption, sanctification.

"But of him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification, and redemption:" 1 Corinthians 1:30

Christ is the righteousness of God revealed. Christ is the love of God manifested. Christ is the son of God, the way, the truth and the life, so He carries the diversities of the treasures of Zion. I want you to understand that wisdom is a spirit.

Before the Spirit of wisdom can come into a man and make her abode in that man, that man would have to pass through the scourging, the dealings of the wisdom of God.

When the Bible says that wisdom is the principal thing, what does that mean? It means that wisdom is a foundation of every faculty of life.

Do you have the wisdom for marriage? Do you have the wisdom for your health? Do you have the wisdom for your finances?

*"And the spirit of the Lord shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the Lord; And shall make him of quick understanding in the fear of the Lord: and he shall not judge after the sight of his eyes, neither reprove after the hearing of his ears." **Isaiah 11:2-3***

The seven spirits are

1. The Spirit of the Lord
2. The Spirit of wisdom
3. The Spirit of understanding
4. The Spirit of counsel
5. The Spirit of might
6. The Spirit of knowledge
7. The Spirit of the fear of the Lord

So each of these spirits are the faculties in the university of the Spirit of God. There are faculties of the Spirit.

You know that when you went to the university, there were several faculties of studies that you went through. And you wrote exams. You were in the classroom.

I want you to know that when the Bible says, the Spirit of the Lord shall come upon us, the Spirit that will come upon us is the fullness of the Spirit. Note that the Spirit upon, will only come upon those that have graduated through the school of the seven spirits of God. If you don't yield yourself to the Holy Spirit for training right now, you might miss out. Remember that the Bible speaks of the seven candlesticks

"And I turned to see the voice that spake with me. And being turned, I saw seven golden candlesticks; And in the midst of the seven candlesticks one like unto the Son of man, clothed with a garment down to the foot, and girt about the paps with a golden girdle."

Revelation 1:12-13

Each candlestick has a candle and light on it. There are seven candlesticks that should be in your spirit to host and become a distributor of the fire of the fullness of the Holy Spirit. This is the most authentic way. Then you can

distribute the fire with authority. By growing and maturing in the understanding and practice of these seven spirits you graduate from a spiritual university, becoming a true vessel and distributor of God's fire.

I PRAY FOR YOU

I pray in the name of Jesus Christ that the fire to burn continuously, the flaming passion of the Holy Spirit descend upon you and purify you to qualify to host the fullness of God in the name of Jesus Christ. I pray that the Lord will prepare you, qualify you to enrol in the school of the seven Spirits of God under the administration of the Spirit of the Lord. I pray in the name of Jesus that you will patiently and conciensciously follow his tutelage. May He turn on the lights within your lampstand and light your candle. You are breaking forth on every side. Every limitation, limiting your ascending into the dimensions of the heavenly realms is hereby broken in the name of Jesus the Christ.

CONCLUSION

Saints, as we draw the first volume of "The Baptism of Fire" to a close, it is clear that we stand on the brink of a monumental shift in the spiritual realms. The age of the great fear of God is upon us. This is the dawning of the Day of the Lord, a time when God's vengeance will be revealed to the whole world.

Prepare yourselves, for we are about to enter an era of unprecedented darkness, a time of severe trials and tribulations such as the church has never witnessed. Yet, in this profound darkness, the emergence of the nation of God will shine as the ultimate solution to the complex consternations descending upon the earth.

In Volume Two, we will go deeper into the specific dealings of God in this age. We will explore the realms of spiritual intervention and the dimensions of spiritual warfare that lie ahead. As the remnants of God's people, we will be clothed in garments of light and fire descending from the very throne of God. These garments will make us immune to the agents of death, disease, and destruction that will

plague the world. We will explore how to cultivate these garments of light and fire, and how to walk in the immunity and authority granted to us as God's chosen people.

The intensity of the light we carry will draw the world's attention to the nation of God. We will be the bearers of God's word, which will rule this earth. The prophecy spoken by the prophet Habakkuk will find its full expression: "For the earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea" (Habakkuk 2:14).

Prepare to have your faith ignited and your spirit equipped for the days of great and terrible manifestations of God's power. The journey is just beginning, and the revelations to come will challenge, inspire, and empower you to fulfill your divine calling in these critical times.

Stay vigilant, for the Day of the Lord is here, and the time to stand as instruments of God's light has arrived. Join me in Volume Two as we navigate the realms of God's dealings and the dimensions of His ultimate plan for His people.

Until then, may the fire of God continue to burn brightly within you, purifying and empowering you for the glorious days ahead.

ABOUT THE AUTHOR

John Ikechukwu Anosike is called by God as a Watcher of realms of Glorification and Redemption of the human body. Called of God as an Apostle of the Gospel of Sonship & Immortality. A custodian of the dimensions, realms of Fire, transformation, and tele- transportation; outside body experiences, visions of heaven, visions of Jesus. He carries an electrical surge of Dynamo and glory.

He is a custodian of the realms of Fire. Teleportation and Ascension into the heavenly places. He carries a rare anointing for expounding the scriptures in high revelation as a teacher, providing deep and exceptional insight in the Gospel of Christ and Grace as well as unusual healings, miracles and deliverance.

The Lord has granted him access to this revelation for the preceding days of the emerging age of the sons of

God. It is written the earnest expectation of creation is waiting for the manifestation of the sons of God. Romans 8:19

God has instructed the Bondservant of Christ John

Anosike; The President of Spirit Revelation Ecclesia, to take the “Campaign Of Life” to the nations of the world!

As creation awaits the manifestation of the sons of God, it is a time for awakening and embracing the refining process to become vessels fit for the Master's use.

Join The Bondservant of Christ in this transformative journey, and become the refined vessels ready to fulfill the divine purpose in these critical times.

The urgency of the hour cannot be overstated. The harvest is indeed plentiful, but the laborers are few. Why this scarcity? It is because the coming move of God requires vessels refined by fire, voices forged in the crucible of trial and testing. With this revelations you will ascend to a dimension where you can generate, sustain and distribute the fire of God.

As ministers of the Gospel, as stewards of God's Word, we stand at a pivotal moment in history.
