PREFACE

In a world dominated by the fear of death and the tyranny of diseases, the hope of experiencing a more superior form of life has been the desperate quest of generations of humanity. Yet, amidst the shadows of uncertainty, God has not left Himself without a witness. He has littered our paths with abundant evidence of life beyond physicality. Immortality, though shrouded in mystery to many, is a possibility awaiting those who open their hearts to this gospel. Through the triumph of Christ on the cross, you and I can transcend the confines of earthly existence, stepping into a realm where death holds no sway.

This is not a distant hope relegated to some future resurrection, but a present reality pulsating with divine energy. Through the gospel of sonship, incorruption and immortality, the human body becomes a vessel of transfiguration, shedding the shackles of mortality for the radiance of divine character. Get ready to climb with the frequencies of the spirit to connect to the dimensions of light, that we may go deeper and deeper until we take hold of that immeasurable nature of God's essence that cannot be captured until, eternity meets another eternity. It is time to get rid of certain ideologies that demotivated our ascension into depths of God that are so glorious.

If God is your father who are you? At what point are we going to accept this reality? The moment you know you are a god you will stop praying to live long. When I realized that I was a god, I knew I don't die. If you pray not to die, then that means you don't know who you are because such prayers are not for the new man in Christ.

In this book "Immortality : Death Impossible", we stand at the threshold of a new era, a remnant destined to defy the grip of death and walk in the fullness of divine life and vitality. Will you heed the call? Will you dare to venture into the realms where death cannot approach, where sickness and diseases find no abode? Saints, the keys to everlasting life lie within your immediate grasp. Let's dive in.

Yours in Christ

THE GOSPEL
OF
IMMORTALITY

THE GOSPEL OF IMMORTALITY

We are the breed of God. The hybrid of God and man. The genes of God has been infused in all who have received Christ. We have been transformed, transmuted with the DNA of God. The Holy Spirit has imparted Himself, His holy seed into you, an intercourse has happened. We have been transferred into the kingdom of God's dear Son, a translocation actually occurred. This is what it means to be a new creature. This is the real gospel of Christ. The God life, the God essence, the God nature that makes us supernatural beings, with superhuman, extraordinary abilities is alive and active in us now. Let it soak deep within your soul. Wake Up!!! Until the Church of Jesus Christ embraces these bold, potent, powerful, unconquerable, unbeatable, deathless consciousness we will continue to struggle with things that have been placed firmly under our feet. We have become so letter bound, so earthly concious, that we have refused to connect with our counterpart in the heavenlies. Angels and extraterrestrial creatures, powers and abilities are supposed to work with us to wrought the victories and establish the kingdom of God. We have to war in the realm of strongholds against the thoughts, weaknesses and vulnerabilities that make us think like mere, helpless, ordinary men, subject to the elements, depravity and the corruption in this world.

The company of believers that boldly walk in this consciousness will see the return of Yeshua, the King of kings, the Lord of glory. The truth has not been preached enough. The Church must wake up now to withstand, to wrestle with death, disease, anger, depression and defeat.

"Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever." 1 Peter 1:23

Our tribe does not die, we abide forever. The tribe of Enoch, the tribe of Elijah, the tribe of the resurrected Christ, we do not die. We ascend daily, we are the generation that will not see death. We will live and remain.

The saints must see death as an enemy and wage a legal fight to bring down the principality of physical death. The spirit of death will be arrested and destroyed from his dominion and influence on human bodies by the fire of our roar. When Jesus got to the graveyard of Lazarus, He groaned, meaning He roared. That word wept was wrongly translated. The Greek word wept means He was groaning and that is how He successfully brought back the soul of Lazarus to his body. There is a greater groaning called roaring. We must roar against mortality, the legal ground of physical death. It is the ministry of roaring that will destroy physical death in these last days.

Death is an adversary, and man must confront it as such.

*"The last enemy that shall be destroyed is death." **1 Corinthians 15:26***

This scripture stands as a stark reminder that death is not a natural transition but an enemy to be overcome. Man must recognize its threat and stand firm against its encroachment and dominion.

*"Forasmuch then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death he might destroy him that had the power of death, that is, the devil; And deliver them who through fear of death were all their lifetime subject to bondage." **Hebrews 2:14-15***

*"So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory. O death, where is thy sting? O grave, where is thy victory?" **1 Corinthians 15:54-55***

Satan brings about death in three forms. Spiritual death, mental death and physical death. So Satan is the pioneer, he is the prince of this threefold death. Eternal life must also be perceived in a three-fold revelation. Eternal life ought to be spiritual, mental and physical. The revelation of life would have to be captured in these three dimensions.

So many folks have received eternal life in their spirits but that life has not been extended as light in the souls, in the mental faculties, eternal life has not produced physical exemption from the death of the body.

Death is a power, death is a creature, death is an ability that once you come under the alignment of the power of death you begin to die and decay. To overcome the influence of death of the spirit would require you to accept Christ as your Lord and Saviour. However, You can be born again and still be under the captivity, imprisonment and control of the spirit of death mentally because your mind is unrenewed. So Satan can control and govern your entire mental faculties through your unrenewed mind. This is because your mind, your thoughts, your urges, your intellect, your will and your choices are not in alignment with the culture, traditions and principles of the Kingdom.

So Satan may not rule in your spirit but he might rule your mind. If he rules your mind for an extensive period of time, he could actually extinguish completely the fire of life that is in your spirit. God's original intention for man was to have spirit, soul and body. If anyone tells you that we are just spirits, he is being inaccurate. There is no man without a physical body, the breath of God and the living soul. Therefore if Satan controls your soul and body it means you are out of alignment with your spirit.

"And the very God of peace sanctify you wholly; and I pray God your

*whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ."***1 Thessalonians 5:23**

Jesus is not coming for spirits, He is not coming for souls, He is coming for a complete man, spirit, soul and body in perfection of glory. You must be perfected spirit, soul and body and that's what makes you a man.

BECOME A CHANNEL OF LIFE

My deep emphasis on the renewal of the mind is because redemption did not remove your mind from the governing influence of the devil. He that controls your mind, controls your destiny. As long as your mind is still under the control, the influence of the god of this world, you will conform to the systems of this world. The human mind is what controls the human brain cells. So the human mind is exposed to the power that controls the air. This should make every believer relentlessly committed to taking absolute control of your mind. For eternal life to prince over your mental life, your thoughts must be dominated by life. Consequently your thoughts control your physical body, as soon as eternal life dominates your thoughts, life becomes the light of your body.

One of my objectives in this book is to show you how to channel the life of God in your spirit to your soul and ultimately your body. Let us look at how Jesus operated. Jesus in His human form was a channel, a body for the Christ whom He hosted, the source and headquarters of power. Christ was two persons in one, the physical person seen on earth and His heavenly counterpart who is one with the Father. Jesus is the human side of Christ, while Christ is the divinity, the heavenly version of Jesus. So Jesus that conveyed Christ was the channel of Christ. This is exactly true for every believer in Christ as well. That is why Paul said

I can do all things through Christ which strengtheneth me.

Philippians 4:13

Apostle Paul knew that Christ had come to make His abode in him, he had become a channel of expression of the Christ reigning within. Jesus is the first custodian of Christ, He carried Christ, the divinity of God. Now we also are custodians of His life, our participation with the divine nature will release tremendous, dynamic, supernatural power on the outer man. This is the electricity of Zion, it consumes every sickness, disease and infirmity instantly. It

conducts the force of immortality into the body and the hold of disease and infirmity bow. The shadow of Peter carried the force of immortality. It was healing the sick unconsciously. Handkerchiefs and aprons were taken from Paul and the same results were gotten. Disease and infirmity bowed.

"Insomuch that they brought forth the sick into the streets, and laid them on beds and couches, that at the least the shadow of Peter passing by might overshadow some of them. There came also a multitude out of the cities round about unto Jerusalem, bringing sick folks, and them which were vexed with unclean spirits: and they were healed every one." **Acts 5:15-46**

"And God wrought special miracles by the hands of Paul: So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them." **Acts 19:11-12**

Whatsoever and whosoever came in contact with the body of Paul was imparted. The power flowed, he transferred it unhindered. I am highly loaded and you are highly loaded. As I am right now, I am a cure to every disease. When you become a channel, you become very contagious, a high voltage of current flows through you. A transmitter of the Holy Ghost fire and electricity so disease

does not survive around me, no sickness survives around me because of the electrical power of the Holy Ghost that runs through the veins of my spirit. This is not a story. It is still happening till this very day. It is eternal life. It is the campaign of life and Immortality. This is the new dispensation of the body of Christ. Jesus said

"And ye shall know the truth, and the truth shall make you free."

John 8:32

There are levels of truths in Christ. The truth that you know will empower your freedom. Similarly what you are ignorant of can keep you in bondage for a lifetime. The message of immortality is one of the seven mysteries of the New Testament as we found in the book of 1 Corinthians 15:51

"Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed,"

A mystery is something that is not common or known by sensual observation. It is something that is unveiled only by revelation. Immortality is a possibility depending on how you open your heart to this gospel. Through our victory in Christ, you can live and remain or transform to exit the earth at will. This is absolutely true and it is available to everyone who has received the life of Yeshua the Christ.

The shadow of Peter carried the force of immortality. It was healing the sick unconsciously. Handkerchiefs and aprons were taken from Paul and the same results were gotten. Disease and infirmity bowed.

"Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world." 1 John 4:4

I came from God. I died to my old life and I emerged a new creature. I don't know the past, I have no memories of my old nature. What is death? I don't know what disease is. We came from loins that doesn't know death. I don't remember anybody dying in our tribe.

" They know not, neither will they understand; they walk on in darkness: all the foundations of the earth are out of course. I have said, Ye are gods; and all of you are children of the most High. But ye shall die like men, and fall like one of the princes.." Psalm 82:5- 7

"Jesus answered them, Is it not written in your law, I said, Ye are gods? If he called them gods, unto whom the word of God came, and the scripture cannot be broken; Say ye of him, whom the Father hath sanctified, and sent into the world, Thou blasphemest; because I said, I am the Son of God?" John 10:34-36

Our ancestor didn't die, Enoch found the mystical paths of God. He located the footprints of God. He began to walk

with God. He had a testimony that he walked with God and he was not found.

*"By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God. **Hebrews 11:5***

Today, we have lots of twisted interpretations of the Book of Enoch. You can't even trust the version that are in the market because they have been perverted, so that is why I am the original. God had to take me to meet Enoch face to face. I enrolled as a student of Enoch. So God's revelation about immortality, incorruptibility, and dimensions of walking with God and not see death have been released in these last days. Glory to God.

I have never read The Book of Enoch. Never. I've never come across it. God told me that the ones out there are perverted. God's secrets are in that book. The global world is using the abilities of that book. There are many books that were supposed to be in the Bible, they chose which books should be there and which should not be there. They have used that concealed knowledge to visit realms, opened portals and fornicated with spirits. They know a lot. They know more about the coming of Jesus than yourself.

Most of these men know that they are heading to hell. They are part of the bigger agenda. They forgot that what they have hidden from man, that which they have hidden from the Ecclesia, is just a little portion of what came from the Holy Ghost. We have the Holy Ghost indwelling us, we have the mysteries of God, we have the engrafted word, we are called up, we have been summoned to Zion.

I can show you seven to eight scriptures that were included in the Bible that were never in the original scriptures. Many scriptures that were written in the manuscripts but were never canonized. The question is, Who made that decision? For what reasons was that decision made? and what was the content of those concealed scriptures? Knowledge has been hidden from man and information is being deliberately manipulated. We are sons of God. Don't be afraid. They will tell you that you are dealing with an evil spirit once you step into the supernatural. I have laid hands on people back to back and they were knocked out for two hours, when they woke up, they thought it was one minute but they didn't know they were on the floor for two to three hours. Their spirits were somewhere else praying, interacting with realities. Refuse to be locked up in prison, practicing religion with no corresponding power. We serve the God that breaks protocols. His mighty power is indomitable.

The early church knew that this power at work in them was their victory over death. The resurrection of Christ had destroyed the fear or terror of death He entered the prison and shattered the chains from Peter, opened the prison gate, opened the city gate, took Peter out and said go home.

Power! Power!! Power!!!

The days of power have been restored.

Glory to God.

Halleluyah.

CHAPTER TWO

*'Righteousness locks the entering points of death, the
rule of death, and the dominion of sin'*
John Anosike

UNLOCKING
THE GATE OF
IMMORTALITY

The blessings of God go far beyond material blessing. God has always wanted to bless us within the jurisdictions of our existence. Man is not just a physical material body, we are spirit, we are soulish, and we have a body. God didn't create you to die, God is not the author of death. He is not the author of confusion or mortality or corruption. Of course corruption, ageing, wrinkles, mortality is a resultant consequence of sin.

*"And the Lord God said, Behold, the man is become as one of us, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat, and live for ever." **Genesis 3:22***

So one of the sole reasons why God drove Adam and Eve out of the garden of Eden was to avoid or to hinder them from having access to the tree of life. So that means fallen man has a certain life that is incapacitated to live forever but by partaking from the tree of life man would become immortalized in that fallen state. In other words, I can then bring this to a simple point of understanding that the tree in the garden of Eden was the Tree of Immortality. It was beyond the tree of life, or beyond the tree of everlasting life. It is the tree that immortalizes life.

Now, for anyone, any dispensation, any generation to understand immortality, the person must first understand mortality. In your comprehensive understanding of

mortality, it is also included that you understand the origin of mortality. What is the origin of mortality? At what point did mortality begin? And what is the purpose of mortality? What are the laws and the policies around mortality? We must also draw the contrast between death and mortality, because sometimes we think that death is mortality, or we think that mortality is death. The difference between mortality and death ought to be understood in order for us to have dominion and authority over the seductions and the prevailing dominion of death.

Death rules and reigns in mortality. So that means where there is mortality, there is a reign of a particular prince. You see, death is a spirit, not necessarily what we think it is today. We often think that death is when people depart from their body or when people slump and die. No, death is a spirit. Death is a prince. Death is a king. Death is actually a principality. Death is a creature. A spiritual entity. The legal jurisdiction of death is mortality. Where there is mortality, death has a legal right to reign and to rule. And of course, the very factor that activates that jurisdiction, that creates the kingdom called mortality and death, is called sin. So where there is sin, mortality is

established. And where there is mortality, there is a legal throne for the reign of death. Also know that sin is one of the ancient gates. It's one of the ancient access points. So when you look at sin, sin is not just an act. Sin is a spirit. Sin is a door. It gives access to mortality and ultimately death.

*"Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in." **Psalms 24:7***

Now, these gates have been there. I mean, these were ancient gates and doors. So that means for the king of glory to come in, he would have to go through those gates. And those gates are ancient gates and creatures. Never forget it. Sin is an access. You often say, "Oh, God, I've just sinned. Oh, Lord, have mercy upon me." God will forgive you of your sin, but you've opened a door. You've opened a door for a struggle, maybe a struggle you have to deal with for the rest of your life, or you might have to pay for it. I mean a price to close the door, because you opened the door.

"Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned."

Romans 5:12

So when death came through sin, it prevailed, it exercised dominion and established its lordship. Remember man by default, by God's original plan and purpose, was created and made in the image of God after his likeness. Beyond that, man is also a king, a dominion, a ruler, and a host. Man is a temple. Man is a habitation for God, not a habitation for evil spirits. Not a habitation for angels, Not a habitation for contrary spirits but a habitation solely for God. You were created to have multiple entrances. You have different gates. There's a gate to your intellect, there's a gate to your emotions, there's a gate to your urges, there's a gate to your affections, there's a gate to your soul, there's a gate to your spirit, there's a gate to your conduct, there's a gate to your thoughts.

So man is also a door. And through his disobedience and rebellion to the word of God, he opened the door for sin to come in, and when sin came and settled in, that sin became mortality. And once sin had come in, sin opened a door for mortality. So if man is the major key that unlocked himself for the entrance of mortality, the entrance of sin that created a dimension or a realm with man called mortality,

through which death came and established its legal reign in man. Man also is the king that can go into that realm, war against sin through the gift of righteousness, and scatter the fruits of unrighteousness with the dominion and the weaponry of the fruits of righteousness. When you establish all the chambers of righteousness within your faculties, suddenly death will lose its legal platforms. It can't function anymore. That's the truth. Death functions where there's a legal platform. Sin materializes the platform for the coexistence of mortality or the existence of the reign of death in man.

As mentioned earlier in our discuss, sin is one of the ancient gates. Sin is the gate that certifies the legal entry of the Prince of death. On the other hand, one key to enjoying everlasting life is submission to God, and consciously enforcing the act of righteousness through faith in Christ. Likewise, righteousness is the entrance, the door of life eternal.

Righteousness locks the entering points of death, the rule of death, and the dominion of sin. Therefore righteousness is the door that unlocks eternal life. So we became righteous, washed by the blood of Jesus. And then when we have received that righteousness, then, that righteousness unlocks the entrance of eternal life into our

spirits. Why is it then that this victory is not apparent to many believers? Unfortunately you can have eternal life and still not live eternally. You may not experience the reality of this life within your spirit in your daily life. This is where the problem lies. How then do we begin to unravel this? The first question is, what is the dominion of your body? Which principle is exercising authority over your body? Because any dominion that rules your body determines the prevailing entity that dominates your outer man.

Immortality is a function of spirit, soul and body. You can't immortalize if flesh dominates your body. You see, eternal life has no legal jurisdiction when the flesh is in charge. Eternal life is a ruler. Eternal life is a king. It's kingly. Death is a king. Look at death and life. They are powerful principalities. They both want to rule, but they are legal entities. They are very royal and loyal to their jurisdiction. They don't mess up jurisdictions. Eternal life can only reign in a body that has mortified the flesh. Therefore nobody can say I can live eternally without immortality.

Immortality is the jurisdiction for the reign of eternal life. Mortality is the jurisdiction for the reign of death.

So the royalty of eternal life would have to step into immortality to reign and to prevail over the spirit, the soul and the body. Remember death is powered by sin. The word of God says there is a sin unto death.

*"If any man see his brother sin a sin which is not unto death, he shall ask, and he shall give him life for them that sin not unto death. There is a sin unto death: I do not say that he shall pray for it." **1John 5:16***

So then sin is actually what authorizes and gives the legal grounds for death to prevail. The death of your soul is purely dependent on the sin of the soul. The death of your body, the diseases and afflictions that hurt your body today is a reflection of the sin of the body. Also, of course, there's the sin that affects your spirit. Remember, this is not God trying to punish you. These are principles exercising their authority and producing the corresponding consequences. It's you breaking certain laws that will reflect damages in that particular area of your life. So death is powered by sin, same way life is powered by righteousness. You must understand that life eternal is powered by righteousness.

Death is likened onto the current existing law between light and darkness. Darkness is a result, an effect, darkness is more or less like a product, a final product. Darkness is not strong in itself. It's just what it is. If you walk in light, there will be no darkness. If you walk in light, that's the end of darkness. Light rules over darkness. Darkness will always come under the dominion of light constantly. But when light is switched off, when light is not powered, when light does not have enough oil to keep burning, what will happen to it? It goes down gradually. The more the light goes down, the more darkness gains a little increase and dominion and influence. The less the light, the more the darkness increases. By the time the light is extinguished, what happens? Darkness swallows up the environment. To put this in context, let's look at an example, when Jesus judged the first church in the book of revelation, the Church of Ephesus, he sent a warning that he will come and remove their candlestick. Do you know what that means? He will remove their source of light. And what is going to happen? Darkness will lead their hearts, dominate their minds, dominate their religious activities. There will be preaching, there will be praying, there will be calling on God, but there will be no light.

No illumination according to revelation, it will be according to the letter, but there is no life, there is no peace, there is no approval from God Himself. Darkness results from the absence of light. Have you ever wondered why is it that only God has immortality? Why does God have immortality?

"Who only hath immortality, dwelling in the light which no man can approach unto; whom no man hath seen, nor can see: to whom be honour and power everlasting. Amen." 1 Timothy 6:16

"But is now made manifest by the appearing of our Saviour Jesus Christ, who hath abolished death, and hath brought life and immortality to light through the gospel." 2 Timothy 1:10

So we realize that without light, life cannot prevail and without light there will be no immortality. So you can see three things in that scripture

1. Life
2. Immortality
3. Light

Now, if you are to compare the two scriptures that we just read, the Bible declares that God alone has immortality and dwells in light, and that light is described as one that is unapproachable. So wherever light is, immortality prevails,

through the medium, the transportation of the gospel, we can receive immortality and life. Have you ever wondered what the difference between life and immortality is? We think because we have eternal life, then we have access to immortality. No, the scriptures declared that God, Jesus has brought life and immortality to light via the gospel. So that means immortality and life are different factors and must be treated differently. Having eternal life without immortality is frustration and disappointment. It will soon challenge your faith. It will soon mess you up. It's just like having a billion dollars, but you don't have access to it. So also without immortality, you cannot access eternal life. Eternal life has no jurisdiction to operate, to reign and to rule on a man without immortality. Immortality cannot activate on the mind without light, the revelation or encounter with the living Yeshua. Therefore immortality is contacted in the light of the exact knowledge of the living, active, operative Word of God.

Let me establish this now, every spirit is eternal, meaning that spirits have the capacity to live eternally. The soul of a man is eternal.

*The soul that sinneth, it shall die. The son shall not bear the iniquity of the father, neither shall the father bear the iniquity of the son: the righteousness of the righteous shall be upon him, and the wickedness of the wicked shall be upon him." **Ezekiel 18:20***

So the soul can live eternally, the soul can live one million years. Every spirit is eternal, meaning that spirits have the capacity to live eternally. However, to activate the capacity to live eternally is determined by what we call Immortality. Mortality introduces and determines the length and capacity of life of an eternal creature. Therefore for an eternal creature to live eternally, one would have to activate the law and the jurisdiction of immortality to live eternally. Satan knows that man has the capacity to live eternally. How do I know? There was no provision called death toward man when he was created. God made the man out of the dust of the ground and put into his nostrils, the breath of life. And man became a living soul, not a dead soul. That you are eternal does not guarantee eternity. It is your communion, your connection and relationship with life, light, and immortality that guarantees everlasting life, both in the spirit, in the soul, and in the body. You put on immortality.

"For this corruptible must put on incorruption, and this mortal must put on immortality." 1 Corinthians 15:53

So that means immortality is a garment. And if you have not put on immortality, then you have no legal platform to live everlasting life. You can have eternal life in your spirit,

but if you have mortality, eternal life would not have power on your body.

"For this corruptible must put on incorruption, and this mortal must put on immortality. So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory." 1 Corinthians 15:53-54

So eternal life is lived in immortality. It's a kind of garment that when put on the body, the body immortalizes. And eternal life begins to prevail, both in the human spirit, the soul, the mind, the intellect, the emotions, the free choice, the power of choice, and all the human body, all the organs, all the internal organs, and all the external organs, so they are all immortalized to come under the authority and rulership of eternal life.

Life for eternal creatures only comes from God. Love is a ruler. When you have the reign of life in you, it will activate your royalty as well. So every life requires its unique body to live. Death is also a kind of life. In other words, death is the life of mortality. When we speak of mortality, we are referring to a bedrock or a jurisdiction where death reigns or where death has ruled over. Remember, the legal platform of death is mortality. Death is the life of mortality.

Immortality is the body of eternal life. You have eternal life, but you don't have the platform or body for eternal life to manifest. You have eternal life in your spirit, but the rule and reign of that eternal life has no authority to extend its kingdom and Influence and dominion and capabilities and abilities to your soul and your body, because there is a conflict between your flesh and the law of God.

There's a conflict. The flesh is still alive. And that's why Paul prayed for the church in Ephesus. He knew that far more than faith and all of the beautiful religious activities that we are all involved in, was the spirit of wisdom and revelation.

*"I pray that the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him: The eyes of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints, And what is the exceeding greatness of his power to us-ward who believe, according to the working of his mighty power, Which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places." **Ephesians 1:17-20***

It means that the eyes of your understanding can be flooded with light. So light must come through the channel of revelation. And revelation does not just come by reciting

the letter. Revelation comes when you have an encounter with Jesus. The living Word makes you alive or quickens your mortal body, you put on immortality. Now we have realized that death is the life of mortality and eternal life is the life of immortality. Unfortunately, eternal life has no habitation or body or jurisdiction to live or power that creature to live eternally. Unless and until righteousness becomes the body of that man. Death has a body. And that body was articulated, was built by the many foods that we consumed. When I talk about food, I'm not talking about literal food. I'm referring to your activities, your actions. Every time you sin, you ate something that fed you.

If you don't eat food physically, if you stop feeding for the next fifty days, you will lose your body. You will lose something. Similarly, when you feed the flesh, you are developing the body of sin. And then you are giving a greater influence and dominion of death over your life. If you sin, you are feeding, developing, accumulating, forming directed jurisdictions of demonic control and influence. Sin has a body and that body is mortality. Mortality is built and put on continuously as sin prevails in an individual. This is what we call sin and the body of sin, because that body of sin is there, death reigns on the body.

That body is the legality that powers death to reign in your life with old ageing process. With the destruction of your mind with toxins, strife, anger, bitterness, immorality, fear, delusion. Cancers, diabetes, pain etc. it reigns, it rules. Satan wants you to live in mortality.

He doesn't even want you to die naturally. He wants to kill you using the body of sin. He wants you to live so that he can kill you. Because when he kills you, he prevails. He will gain a certain authority and horns. So over the years he kills humans to increase in his authority. From a serpent, he became a dragon. From a serpent, he was able to turn into an angel of light. You see, Satan is in the transformational business. He transforms and anytime he transforms, he advances in authority. He takes a new shape, a new control and authority over humanity.

By contesting for immortality we are going to stop him. The moment we take a warfare in the realm of mortality and learn how to destroy his legal territorial influences, we will destroy his legal integrity by observing the laws of the spirit. A new body will emerge and suddenly the Holy Spirit will have His way, when we defeat the seductions of the body of sin. Many in the body of Christ, believers in Jesus, do not know how to develop the body of righteousness. They don't know how to develop the body for the prevailing

reign and rule of eternal life. This is the purpose for this immortality series. We will have in depth study, exercises and tools on how to develop the body for the reign of eternal life.

So I pray in the mighty name of Jesus that you will begin to understand the relational principles around mortality and immortality. This knowledge will equip you for reigning in life as kings.

Paul says with the mind he served the law of God. The question is which law? Let's look at the book of Romans 8:2

For the law of the spirit of life in Christ, Jesus, has made me free from the law of sin and death."

So that means Apostle Paul served a law that freed him from the law of sin and death. To the extent you are willing to yield yourself to the Holy Ghost, determines the capacity of your spiritual ascension or growth and position. To the extent you are willing to yield yourself to the Holy Ghost, determines the capacity of your spiritual ascension or growth and position.

*"with the mind, I myself serve the law of God, but with the flesh the law of sin. **Romans 8:7***

Whether he likes it or not, with the flesh you definitely serve the law of sin, with the mind you serve the law of God not with the spirit. Some of us think you can walk in the spirit if you don't serve the laws of God with the mind, no, it is not possible. A man can only begin to walk in the spirit by the time he has conditioned his mind to respond to the laws of God, because in that capacity you develop immortality. You are extending the dominion of eternal life in your spirit, to your outer man, even to your middle man, which is your soulish man. So you see, with the mind I serve the law of God, with the flesh, I serve the law of sin. In the mind, that's where intellectuals acquire knowledge to drive choices, so with the mind, we begin to look at the power that drives our eternal fate, the power that determines our eternal condition, our eternal destination, and our eternal future. It is found in our choices. Because the mind is the power that controls what we do, our position, our ways, our responses, and our dispositions. We decide what we do And that is why no one will be exempted. You will be held responsible for the actions you carried out by your mind.

And also, you will be held responsible for the choices you made with the mind of the flesh. Because flesh is actually in the mind, it can prepare and plan your actions. Fleshly actions will be contrary to God's word. Flesh is in the mind, because if you look at how Paul compares both, he says,

“with the mind, I serve the law of God, and with the flesh, the law of sin”.

So these are driving forces. They are drivers. They are powerful passions. They can influence a man. In fact, Paul goes further to explain that in Galatians, where he spoke about lust. He explains righteousness as the renewed mind.

So with my mind, (the mind that has been renewed), I serve the law of God. Anything you serve will give you a reward. Without serving the law of God in my mind, I will not be able to create or to form a new body.

What is immortality? The reign of eternal life. The legal platform for the reign and dominance of eternal life. When I serve the law of God, the reward is that I will be free from the jurisdiction or the legal platforms of mortality. In Immortality, a new body is given to me. I don't have to lose this my body to be immortalized. No, all I need is the

clothing to put on. Just for this body to be swallowed up with life. Because man is naked, the garment you are wearing right now is not your true cloth. Your body ought to be protected by immortality. So, through the laws of God, we can immortalize.

*Most assuredly, I say to you, he who hears My word and believes in Him who sent Me has everlasting life, and shall not come into judgment, but has passed from death into life. **John 5:24***

*"To them who by patient continuance in well doing seek for glory and honour and immortality, eternal life:" **Romans 2:7***

*"Which in his times he shall shew, who is the blessed and only Potentate, the King of kings, and Lord of lords; Who only hath immortality, dwelling in the light which no man can approach unto; whom no man hath seen, nor can see: to whom be honour and power everlasting. Amen." **1 Timothy 6:15-16***

A weak mind, an un-renewed mind, a darkened mind is not capacitated or has no capacity to serve the law of God. So for the mind to be powered, or before it can be powered to serve the law of God, your affection must be rightly aligned. And that affection must be set on the things above. Your intellect must study the scripture which is the article of fairness and righteousness, and then shall the

intellect be able to impress the will of God and the totality of God on your being. And then finally, the will power must make choices, align itself by actions and conducts that are godly to be able to impress the will of God in totality and to shun every unholy, unrighteous, ungodly way, conduct and action that are contrary to the word God. For your mind to be set to obey and serve the law of God, there has to be consistent discipline, because the activities of the mind affects transformation. Nobody transforms into a greater version without involving the abilities of the mind. When we speak of eternity, we refer to the soul of a man, and the life in your spirit, because we have seen that the eternal part of man is the soul.

*And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell." **Matthew 10:28***

We cannot allow flesh to prevail because the devil is trying to use the flesh against you. The reign and the legal control of the devil is purely dependent on the activities of your flesh. Apostle Paul was very clear. He said if I with the flesh, serve the law of sin." And with the mind, I serve the law of God. My question now is, after reading this book, what would you do? What would be your concerns? Let it not be another gospel that we just have heard. Let it not just be one preaching that we just have heard.

No! The Holy Ghost is speaking to the saints right now. We must know what to do to put on immortality. We must know what to do to create the body of eternal life. It's time to create the body of life. Anything else is frustration. It is like having billions of valuables, billions of treasures, but we don't know how to withdraw from it. We have all things we could ever need, ask for, or even imagine in Christ Jesus.

"According as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue:" - 2 Peter 1:3

Your struggle is a reflection of your prevailing conditions. It is not you; it is your alignment with a certain condition. You come under the energies of the condition of your spirit, or the condition of the flesh. And then, it fosters mortality or it fosters immortality

IMPARTATION

Sin will not have dominion over you. I see righteousness prevailing in you. I see the fruit of righteousness prevailing immortalized. in the name of Jesus the Christ. I bless your family, ministry. I bless every grand-parent and grand-child. I bless every wife and husband. I bless every child. May you be immortalized. No death anymore. Halleluyah. We curse the legal bodies of sin and death.

We curse the body of mortality. I curse the body of death. I curse the body of death. I command deliverance right now in the name of Jesus Christ. Deliverance from death. I see God delivering you as you respond with the mind to the law of God. Halleluyah. I see you coming out in the name of Yeshua the Christ. Thank you Holy Spirit. The Lord bless you and keep you.

CHAPTER THREE

*'The fight of faith is also the ability to go blind to your
human sight and wake up to the sight of the spirit'*
John Anosike

**LIBERATION FROM
THE BODY OF DEATH**

*"O wretched man that I am, who shall deliver me from the body of this death?" **Romans 7:24***

So it's a body of death. Who shall deliver me from the body of this death? Note that the body of death is mortal and that's the legal platform, legal throne for the reign of the prince of death. Who shall deliver me from the body of this death? What Christ finished was the demand of God for the atonement of the first sin that condemned us in the first Adam.

Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned: (For until the law sin was in the world: but sin is not imputed when there is no law. Nevertheless death reigned from Adam to Moses, even over them that had not sinned after the similitude of Adam's transgression, who is the figure of him that was to come. But not as the offence, so also is the free gift. For if through the offence of one many be dead, much more the grace of God, and the gift by grace, which is by one man, Jesus Christ, hath abounded unto many.

Romans 5:12-15

So he has finished it, death has lost its body on all those who receive the redemptive work of Christ. But there is still mortality somewhere.

Why? There is still the power of choice to either align yourself with the righteousness of Jesus, with the authority of Jesus, with the kingdom of Jesus or not. You think that you can say, "Oh Lord, I believe in Jesus Christ right now. Halleluyah. Then the next minute you are walking in the flesh? It doesn't work that way. You will be guilty of witchcraft, deceiving your own self.

"I thank God through Jesus Christ our Lord. So then with the mind I myself serve the law of God; but with the flesh the law of sin."

Romans 7:25

So according to the scriptures in the book of Romans 8, the Bible highlighted two major laws.

"There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death." Romans 8:1-2

It says the law of sin and death and the law of the spirit of life In Christ Jesus. That means in us, there are two laws. That means laws are not in the category of empowerment or abilities. Laws are in the category of enforcement. Laws are in the category of principles. Laws are to be observed, obeyed, and harmonized with. If you go against the law of any country , the law will go against you.

If you break the law of a country, you will suffer the consequences of breaking the law of that country. So, laws are not gifts. Laws are higher than an individual.

"I thank God through Jesus Christ our Lord. So then with the mind I myself serve the law of God; but with the flesh the law of sin."

Romans 7:25

I have become a servant to the law of the spirit of life. The law of God is the same as the law of the spirit of life in Christ. He went further in Romans chapter 8 to explain what that law was, and what that law activates. With the law, with my mind, not even with my spirit, he said with my mind, not with my spirit, with my mind. So with my mind, I serve the law of God. And with the flesh, so I also have flesh, Paul identified that he had flesh. So with the mind, you can serve the law of God, you can comply or act on the law of God, you can become a slave. You are a slave, a complete slave to the law of God. You are an instrument of God's word. So with my mind, I serve the law of God. I commit to His word, praying, fasting, yielding to the instructions and promptings of the Holy Spirit. I give the Lordship of my conscious thoughts, words and actions to the suggestions and intimation of the Holy Spirit consistently, continually in spite of my flesh's desperate yelling. This deliberate choices and actions are my acts of worship to the Lord.

As we habitually increase our commitment in worshipping the Lord, Heaven will begin to descend on earth because when God sees true worshippers, you know what He does? He inhabits the praises of His people. He inhabits the worship of His people. And by the time He keeps inhabiting, you know what's going to happen? There will be a permanent habitation, because he knows that there is a fragrance of worship that continues to come from you. This habitation of God in you automatically creates an environment where sickness and disease cannot survive. This is called creating or building the habitation of Immortality for eternal life to preside over.

"Whereby are given unto us exceeding great and precious promises: that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust." 2 Peter 1:4

Through the depth and the knowledge of God, we assume God's attributes, God's nature, God's essence. This is the way out of corruption.

This means God's divine nature can be willed, his divine nature can be partaken. So to become like God and to take on the image of God is that you would have to access the meals, the exclusive revelations of God preserved for God's lovers.

God created man to host his indefinite nature, to come into His eternity by discovering the undiscovered eternal essence and nature. In hosting God, we increase in frequencies, in dimensions of his eternal and indefinite essence. So what keeps us in eternity is discovering more of God's indefinite nature, because God is an embodiment of the past, He is an embodiment of the present and He is an embedment of the future.

Moses was confident enough to say, Lord I want to see thy face. You know why? Because there is a default position, there is a default capacity or ability that God has put in man. Man has the ability to see God and retain him, but, spirit creatures cannot see Him and retain Him. Angels can see him but not partake of his essence, no other spirit creature beholds God and captures any of His essence. Only man has that spiritual ability to see God in that dimension. So there is something about the image of God in man, the image of God in man is not spirit, because angels are spirits. The image of God in man is the capacity to host the fullness of God on the inside. There is something in man that causes Jesus to come into you. How can a big God that heaven cannot contain, heaven cannot carry him, heaven is too small to carry God yet the same God

can tabernacle in man. God cannot live in angels, God cannot live in other spirit creatures but He has the capacity to enter the man, dominate the man and manifest through the man. Will you be amongst those that Jesus will announce? Will your name be on the list of the people that have been chosen to be declared the remnant sons of God? You can write it on your social media wall, I am a "Remnant". That doesn't make you a "Remnant". We can religiously come to church and shout and make some kind of noise but God is not moved by those noises. It is not about the shout, it is about the substance behind the shout, it is about the works of the spirit, the yieldedness of the spirit, the holiness, the obedience that accompany our lives behind the scene. Sometimes, we see people by natural sight, we have no understanding of who they are behind the scene. There are no two ways about it, you've got to learn to strive to take a position. My household and I have taken the position of holiness, righteousness and fire. Everybody who receives a calling from God must have ascended into the holy hills of God to receive the purpose of God. But because most of us have not yet cleansed our hands, our hearts are not pure, so, we have been deprived from that ascension. Why do we ascend into the holy hills of God? It is so that we might receive the word of the Lord, that we might see and behold the face of the Father.

What's the face of the Father? The future plans of God for generations. So every son of God has a ministry, and what is the ministry? The manifestation of the sons of God. Immortality is not a gift. It is a frequency of a certain dimension that when a man enters that dimension, his body will metamorphose. You must learn to live in three dimensions. You must project your spirit into the realms of the spirit, you must learn how to project your soul into the intellectual dimensions through the seven spirits of God, you must understand the dimensions of nutrition you must go back to the garden of Eden and understand the revelatory dimensions of the trees in the garden.

CONVEYING ETERNAL LIFE TO THE SOUL AND BODY

We have stepped into that season, into that moment of the timing of zion where God is about to salvage and preserve the threefold man. When God proposed the creation of man, a body was involved, a breath was involved and a soul emerged. So when you talk about a man in the image of God you are referring to a threefold man and each aspect of man ought to receive eternal life. So with the faith of the spirit, with our belief in the finished works of Christ, eternal life was imparted into our spirits. However, to have eternal life in your soul, there has to be holiness unto sanctification by the works of faith.

Where there are no works of faith, eternal life is far-fetched in the human soul. If the knowledge of God in Christ Jesus is not the stronghold of your mind, you will decay in your soulish realms, even though you have eternal life in your spirit, and this is where many believers have failed. If you don't have the knowledge of God, you cannot walk in the righteousness of God. It takes the knowledge of God to empower a man to walk the ways of God. Through the knowledge of God in Christ, eternal life is transported into the human soul to become the prevailing stronghold of his imaginations, thoughts and knowledge. The powers that control human imaginations and thoughts, must be the knowledge of God and of Jesus the Christ. This is why Jesus said

*"And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent." **John 17:3***

If you can study Genesis to Revelation and understand the thoughts of God, the mind of God, how God dealt with the men of the old in the Old Testament, such as how God dealt with Abraham, Moses, Noah, David. Have you read of Abraham? You will begin to get a glimpse of the knowledge of God and Jesus Christ. This knowledge will lead you to experience the fullness of God which will bring life

to your soul. What we have today is a bunch of folks who don't care much about the depths of God. Even though eternal life is a mystical gift in your spirit, eternal life is also a knowledge and light in your soul. Another dimension of eternal life that Paul communicates is

"Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses." 1 Timothy 6:12

It brings the manifestation of eternal life on your human body. To bring this eternal life to the code of your physical success, there has to be a fight to convey the manifestation of eternal life in your human soul and body. Remember, knowledge unto eternal life has to do with waging wars against contrary imaginations of your soul, casting down imaginations that are contrary to God's will.

Paul says "For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;" 2 Corinthians 10:4

So there is a war in your mental dimension, and there is another war which is 'fighting the good fight of faith', for the reason of laying hold on eternal life. So it takes a fight to convey life into your soul and life into your body. I am not talking about natural life or human life. I am talking about the God life. To bring the authority of eternal life to prevail in your human soul and body, there has to be a mental

fight for the soul and a fight of faith for your human body. What is the fight of faith? It is departing from the dominion of sight and sensual seductions into the authority of the eternal word of God. It is capturing the abilities, the knowledge, the civilizations of the heavenlies and bringing heaven down on earth. because faith is the sight of your spirit man. If a man will come to the full dimensions of the diversity of eternal life, then he has come to the full capacity of that which God has accomplished.

CHAPTER FOUR

*‘ Wrong teaching, wrong thoughts short-circuits the flow
of the power of God.’*

John Anosike

**UNLOCKING
ETERNAL LIFE NOW**

There is eternal life for the body, and there is eternal life for the spirit, and there is eternal life for the soul. Each part of man's tripartite nature ought to be subject to the presidency of eternal life from eternity to eternity.

The lifespan of every creature is determined in the realms.

There are different kinds of realms and habitations, and the lifespan of each is determined in the very court room of God Himself. God is the one that determines every lifespan, not you. However, sometimes our ways of life could warrant a reduction of lifespan. Judgments could also lead to a short life, actions have consequences.

Now, there are different layers of life. Also there are other life forms that have length of life. You have the length of life of plants, the life of animals, I mean, every creature has it's own kind of life.

Even the water you see has it's own life. The sea has its own life. The mountains have their own life. Everything God created has its unique life, and the quality of life given to it determines the life forms and life-force. God is the source of all life. He is the creator, so He is the source of all life, but there is a particular life that is exclusively God's. It is called everlasting life. It is God's own essence. The Bible calls it the divine life, eternal life, or everlasting life. God's own life. Why is this thought so powerful and infact all important to

our comprehension? Throughout the epistles we are identified as sons of the living God. That is why you have eternal life, a quality of life that describes only Gods.

*"But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:" **John 1:12***

*"For as many as are led by the Spirit of God, they are the sons of God." **Romans 8:14***

*"Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God: therefore the world knoweth us not, because it knew him not." **1 John 3:1***

*"That ye may be blameless and harmless, the sons of God, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world;" **Philippians 2:15***

Religion says eternal life will come when Jesus returns. Or when the rapture takes place, we are going to be caught up and live with Jesus before everlasting life will manifest.

*"For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith." **1 John 5:4***

It is only a wicked father that gives his child a gift and says don't use the gift. He loves us with an everlasting love.

What can he withhold from us? If He did not withhold His son, Jesus Christ, He gave His only begotten son for us, why would He withhold eternal life?

*"As many as received him, to them gave he power to become the sons of God, even to them that believe on his name." **John 1:12***

*"For God so loved the world that He gave His only begotten Son that whosoever believes in Him should not perish, but have everlasting life. **John 3:16***

Life is in Christ. And when Christ came into your spirit, he came with His life. The problem is that some of us don't know how to unlock Christ to receive the flow of the ocean of life. That endless river has access and is linked with no hindrances or obstacles into your belly. It comes from Christ into your belly and then from your belly to other parts of your consciousness.

*"Out of your belly shall flow rivers of living water." **John 7:38***

This means it's not going to be one river. The Bible says one river from Eden developed into four heads of rivers. So you can distribute life to the soul. You can channel the river of life to the faculty of your mind. You can channel one to your body. You channel it to your kidneys, you set it to power the life of your soul, to power the life of your heart, power the

life of your pancreas, power the life of your brain cells etc. But the question is why is this river not flowing? Religion!

"Having a form of godliness, but denying the power thereof: from such turn away." 2 Timothy 3:5

Wrong teaching, wrong thoughts short-circuits the flow of the power of God.

CHAPTER FIVE

'Understanding the spirit realms from the legal point of view gives you total victory.'

John Anosike

**UNLOCKING THE
ETERNAL
CONNECTION WITH
GOD**

We are no more subject to long or short life. We have received everlasting life which is the king of lives. The keeper of all lives and the source of all lives. God is the source of all life. That is why Jesus had to come as the mediator, so that we can be reconciled back to God who is the source of life. Once righteousness has come into you, you are now a new legal man of the spirit connected to God through Jesus Christ. Now, you don't have a short life, you don't have a long life because you are inseparable from Yeshua. Where you are, He is and where He is, you are.

For in him we live, and move, and have our being; as certain also of your own poets have said, for we are also his offspring." - Acts 17:28

My being is not subject to corruption. My being is not subject to sin or any form of corruption because I have been eliminated, separated from the darkness of this world. Let these thoughts permeate your whole being. Your entire meditation and focus should be on your new identity. Get rid of the old disempowering thoughts.

"Whereby are given unto us exceeding great and precious promises: that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust." 2 Peter 1:4

SAY THIS LOUD

I no longer live by natural life. Natural life is a captive of the length of life, either long life or short life, but I am free from long life. I am free from the captivity of short life. I am in Christ. I have eternal life. I walk in the consciousness of everlasting life. He is my life. According to the book of Colossians 3, Christ is my life when he shall appear, I will appear with him in glory.

*"For ye are dead, and your life is hid with Christ in God. When Christ, who is our life, shall appear, then shall ye also appear with him in glory." **Colossians 3:3 -4***

So at what point do you think you could lose your life? Can you lose Christ? Can Christ be killed? So it means that your soul is hidden in Christ. You have a natural human life but something shifted when you got born again and came under the authority of Christ. That natural human life has come under Christ, has come under the hidden place in Christ. The life that now overshadows all of the living organs and living things, living soul, living mind, living systems, whatever and everything that constitutes you is immersed in eternal life. An individual can live ignorantly without knowing that he is supposed to live in the consciousness of eternal life, but because of ignorance, he continues to live the natural life.

And because he does not know, the Bible says they perish like mere men.

*" My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children. **Hosea 4:6***

What knowledge? The knowledge that Jesus is your life because life is determined in the realm of God. I'm talking about the exclusive realm of God. The earth, the wind, the storms, the waters, the flowers, the sea, the times, the seasons, the powers, the rulers of the day, the rulers of night, and all the powers that control times and seasons, are all subject to God's instructions, under the presidency of man. Otherwise they can be influenced or perverted or even seduced because man is supposed to be in that position of authority. Dominion has to be exercised by man.

Man is to ride dominions. So if man is not riding dominions, the question is, who is? Because that which is legitimately man's, somebody else is controlling it. That is what Satan has been doing. And we must be men who understand how to war in the realms in order to control timelines, to determine the occurrences, the manifestations in chronos. Men would have to discipline themselves to get there.

Death can have a form of life. It is a form of life that is separated from God. Sometimes our concept of death is, the natural way we see people slump and they bleed and they lose oxygen and then, they give up their last breath. That's not all about death. That's the least form of death. Any aspect of our lives that has not come under the authority of Christ is alienated from God and that is called death. I'm referring to other aspects of your life that should have come under the authority of Christ, so that you can have the fullness of joy. It is time to break out of the limitation of your natural sight, because with the natural sight, you cannot see the unseen. But if you begin to develop yourself, discipline yourself by the spirit, the eyes of your spirit can be opened such that you will see beyond here, the ears of your spirit can open such that you hear audibly the voice of the Holy Spirit.

Now the chambers of your heart can be unlocked such that you hear the still small voice of the Lord audibly speaking in your heart. I have heard God speaking to my heart audibly. Yes, he wants to have a personal relationship with you. But such a relationship ought to be cultivated. There is a certain discipline of the spirit that is required for any man or any individual to develop, to cultivate that manifestation of a dimension in God that brings in the manifestation of the audible voice of the Lord.

So when man died(from the garden of Eden), he was given less than 1,000 years to live in the field. And it took nine hundred years for that life to come to extinction. And then the time came when sin continued to prevail, then God took further actions because of this conflict, life span began to reduce. Though men were living up to three hundred, five hundred, six hundred years but after the days of Noah, life span reduced to just one hundred and twenty years. Now, from the day of Noah to the day of Jesus Christ, the human lifespan was not above hundred plus years. And for so many years no one exceeded a hundred plus years. Until when Jesus hung on that cross, he abolished death. He has brought the reign and dominance of death to an end. Remember, one of the victories of calvary is the abolishment of sin and death. Death has no absolute authority on you.

You must become a student of the legal documents of Zion, so that you can take death and the spirit of death to the court of Zion. From the court room, you tell death; you can't take my body. My body is the temple of the Holy Ghost. Death and it's legality will continue until we say No No No. Therefore we must understand how to approach the spirit of death and mortality from the legal point of view because understanding the spirit realms from the legal point of view gives you total victory.

CHAPTER SIX

'Don't do something wrong to change your story then you come to church and say halleluyah my story has changed.'

John Anosike

UNSHAKEABLE FAITH

Many have walked away from God. You know why? Because they were not taught rightly. So, they built their hope on fables. They built their expectations on unrealistic facts that were not scriptural. So, when that expectation failed, they perceived God as not being real. This is why many people must step down from the pulpit. God will clean up his pulpit in these last days. Deception is too much on the pulpit and men are building their faith on sand. Their faith is not built on the solid rock, the truth of God's word. So when storms, floods, and the waters came, the house fell. Why? It was not built on the rock. Godliness means God's way of doing things. Look at Jesus, who is our perfect example? How did he live his life? How did he do his ministry? How did he respond to anything? Then follow His footsteps. Believe the impossible, speak to mountains. If you don't walk by faith you cannot please God.

You have to consciously believe that the things that are impossible with men are possible with God. You have no fear because perfect love casts out fear. You can't be offended because the love of God is active. His love burns like a volcano. The passion of God's love is burning in your heart. So when the virus of offense comes, it burns it out. When anger comes, it burns it out. When depression comes, it burns it out.

When rejection comes, it burns it out. When jealousy comes, it burns it out. You're able to endure temptation without faltering, you are confident that things will change

"Thou therefore endure hardness, as a good soldier of Jesus Christ." 2

Timothy 2:3

Be patient when things are not working well. Don't change. Don't compromise your faith. Don't do something wrong to change your story, then you come to church and say halleluyah my story has changed. Yet you corrupted it. You were not patient. Ishmael can never be Isaac. The real deal was Isaac must surely come from the womb of Sarah. So your impatience can make you marry the wrong husband or wife. And then you suffer with Ishmael for the rest of your life. Identify the things that can distract you from warring effectively in the spirit? Then bring them under the scrutiny of God's Word, war patiently with the scriptures and your victory will erupt.

CHAPTER SEVEN

'The tongue is one of the powers in the realms of God.'
John Anosike

HOW TO
ENFORCE
ETERNAL LIFE

1. TRANSMITTING ETERNAL LIFE THROUGH THE MIND

"I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God." Romans 12:1,2

Paul knew that the activities that are within the human mind are what feed the receptivity of neurons, energies to the human brain cells. Secular biological fraternities, medical doctors and medical fraternities don't believe in God. They don't believe in the existence of demons, they don't believe in the existence of the astral dimensions that can infiltrate the human brain cells and because of that they have no access to certain cures and deliverance. In as much as they have by the grace of intellectual knowledge mastered all about the physical aspect of the human body and the human brain cells, they have not yet come into an understanding of the mysteries of influences that happen in the human brain cells. However with the revelation of the body of Christ and our ability to ascend into dimensions of the spirit to comprehend some of these factors in light, we can come along and join forces with the intellectual knowledge that these men have researched over the years within the human biology and then we will activate immortality on the human body

Scientists have been working very hard, they have been able to get a lot of understanding and formulas but there is one particular final formula that they are waiting for; How to eliminate mortality in the human body. Yet that formula will only come from the spiritual realms. Not in the realm of the occult, not in the realm of satanism not in the realm of illuminatis. They may be trying to go through the witches or consulting the spirits in the waters or spirits that are in the grave or wherever they are. This revelation can only be received from the realm of Zion, from the realm of light, from the dimensions of Christ himself. So God has deposited in your spirit a new baby spirit that is capable to salvage your body from the corruption of death. Right from your spine there are transmitters, cells feeding your bloodstreams, talking to your kidneys, talking to your bones, talking to your joints, talking to your skin, talking to your eyeballs. Do you not know that when your pancreas dies you become insulin intolerant, you develop diabetes and when blood is not able to absorb sugar it will go straight to damage your eyeballs and may cause blindness. You see how a problem in the pancreas blinds your eyes, So your pancreas can talk to your eyes. The activities in one organ can affect the others because the body is interwoven. They are interconnected so that whatever you send through the dimension of the mind goes through the dimensions of the brain cells to rectify any organ of the body.

Drugs or medication goes from the mouth so it has very diminished power to heal or cure. True medication is ascending into the dimensions of the neurons through the powers of the mind to infuse information, supernatural information into the body systems, organs and cells.

*"He sent his word, and healed them, and delivered them from their destructions." **Psalm 107:20***

*"The entrance of thy words giveth light; it giveth understanding unto the simple." **Psalm 119:130***

Light is actually energy, radiance sending information to every organ of the body that is connected to the brain cells so why depend solely on medication when you can ascend into the realms of energies that only come through the proceeding word of God in the realm of light.

*"In him was life; and the life was the light of men." - **John 1:4***

So the brain cells are looking for a dimension of light or darkness or energies (negative energies or positive energies) in order to transmit information to create disease or health, or life, or to rejuvenate the human body. If you poison me it may damage the physical organs, a few hours later, I enter the realms and light is released on my head and suddenly the glory of the fire of that energy goes through my brain cells and goes to the damaged heart and repairs it.

Have you ever wondered why Jesus told his disciples to lay hands on the sick, you typically don't lay hands on the head. Whenever the Bible speaks of laying on of hands, it is primarily referring to the head, do you know what you are doing? There is a light on your hands, there is energy on your hands, there is an anointing on your hands, there is an unction of the Holy Ghost on your hands, so you lay it on the brain cells and the fire is transmitted from the brain cells into every organ of the body and that disease will bow instantly.

2. LAY HOLD ON ETERNAL LIFE

We are entering into a season in the Spirit that you cannot die because you have laid hold and taken possession of the spirit of immortality. The Bible tells me that a man like me and you, a man of the same passion, a man that lived in this flesh and blood, a man born of a woman had the ability and longevity to walk with God, the bible holds a record and a testimony concerning Enoch. Amongst people that lived in his days, he had the capacity to capture an invisible God, to capture the footprints of Yahweh and developed the capacity to follow the footsteps of the Lord and the bible said he was not killed by death. The bible says he was not allowed to see physical death because he walked with an invisible God.

In as much as the spirit of death is invisible, I submit to you that the invisibility of God is invisible to the spirit of death. Because when Enoch began to walk with the invisible God, suddenly he became invisible to the spirit of death. Death and destruction could not capture, could not lay hold on the physical life of Enoch because Enoch captured the invisibility of God. In the dispensation of Enoch there were millions and millions of people that lived but only one man believed. Well you may be thinking in your heart, what are you are saying Pastor John, not too many believe what you preach. We're not looking for too many to believe it. Only Enoch believed it in his time.

I believe that in the days of Enoch many mocked him, how dare you say God said, where is God, show me God, how tangible is your God. Little did they know that Enoch was in a deep relationship in another dimension, in another realm that no man could understand but later in the days, Enoch was caught up. His mum died, friends died, colleagues died, Enoch continued and suddenly Enoch's soul was caught up into the realms of God to the point that the things he knew transfigured him, and he was caught up into Zion. He went to heaven with no physical death and I want to present to you that the hour has come that you cannot die because you have laid hold on the spirit of Immortality.

3. PROGRAM YOUR DAY

Program eternal life, peace, encounters, heavenly ascensions into your moments, minutes, hours, days with the potent power of your tongue. You have the ability to laugh, just like you have the ability to talk, you can talk at any time you desire to talk, you can also laugh at any time you choose; laughter is needed to make you younger. Use the power of the tongue to trigger the dimensions of life. You laugh in the Holy Ghost when the devil brings troubles to your life. You respond to that trouble with an intense laughter. Sometimes the devil wants you to be more concerned about your troubles so that you lose focus on the Lord, so when he tries to afflict you with troubles, just lift up your voice and laugh. Laughter is a language.

There is what we call diversities of tongues. You need to understand that everything that happens around the mouth, everything that happens around the tongue is a language. The sound that comes out of our mouth can lock an atmosphere, can hinder an atmosphere, and can also unlock and give a breakthrough in the atmosphere. The tongue is one of the powers in the realms of God. When the Bible speaks of powers, the tongue is one of the powers among other powers that God has created.

*"Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof." **Proverbs 18:21***

Many live their life without knowing that what you say carries power. You have not been taught, and then you speak carelessly you make sounds carelessly. Satan understands and he knows well the powers that you carry. Let me tell you something, I saw in the spirit how powerless Satan is. Satan is as powerless and impotent as nothing. We make him powerful. He knows how to cause perversion and influences on us. So he causes us to go against ourselves and when we do that, we use the tongue in a contrary way and by the time we begin to talk negativity, negative things begins to happen in our lives, by the time we begin to talk failure, failures begin to happen in our lives. By the time we talk sickness, sickness begins to happen in our lives. Always remember we are creators through the power of the tongue.

CONCLUSION

I feel so strongly in my heart that we have come to a time that the remnant, the Ecclesia must begin to drive towards perfection, the gate of perfection has been opened, the gate of immortality has opened, the gate of incorruption has opened and the revelation to lay hold on eternal life is before us. Brothers and sisters, Divine health is not just a once in a while thing that we get in Christ. Divine health is an active state of a believer. Divine health is what we take in on a daily basis in order to sustain our divine healing. The ability to sustain your healing is divine health.

There is however a higher law, the law of the spirit of life in Christ Jesus. You don't need divine health when you put on incorruption. Such a body does not get sick, so it does not need divine health, but it is in this current body that we need divine health. Now assume somebody had a severe high blood pressure that would require medical attention and this man gets to the doctors and he was administered with medication and the blood pressure was brought under control.

You'll agree with me that for the blood pressure to remain controlled would require that this patient would be on medication daily. Let's bring it back to the spiritual life,

when you have obtained healing you need a spiritual medication on a daily basis to stay in divine health. Someone may say, oh Pastor John I got healed, I don't know what happened, my healing has disappeared did I really get healed? The truth is divine health in order to sustain your healing would require that you stay in your daily word intake until life overshadows you. you must be relentless until a new habitation is built and mortality is swallowed up by the constant, consistent bombardment of life eternal.

*"For the perishable must clothe itself with the imperishable, and the mortal with immortality. When the perishable has been clothed with the imperishable, and the mortal with immortality, then the saying that is written will come true: 'Death has been swallowed up in victory.' 'Where, O death, is your victory? Where, O death, is your sting?' The sting of death is sin, and the power of sin is the law. But thanks be to God! He gives us the victory through our Lord Jesus Christ." **1 Corinthians 15:53-57(NIV)***
