PREFACE

Dearly beloved Saint, I am most excited that you are holding this book right now. I have prayed earnestly for it to get into your hands. I am confident that Yeshua has already begun a good work in you. Welcome to Immortality Volume 2. In your hands lies the keys to unlocking the ageless truth of your eternal nature. The life of no corruption, no wrinkles, no old aging or decay. Apostle Paul said

"But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you." **Romans 8:11**

Consider our biblical champions of immortality: Paul, who, after being stoned and left for dead, rose again, defying the finality of the grave. What secret knowledge did he possess, what divine assurance anchored his soul? And John, the beloved disciple, who endured torture and emerged unscathed from boiling oil. What revelation did he carry within that rendered him impervious to death? Peter has shown us the path to eternal life, a roadmap for transforming this earthly body into an immortal vessel.

In this volume, you will learn the features of the Sons of God, those who walk in the light of eternity, manifesting divine attributes in their daily lives. You will get firsthand conviction about deathlessness being your destined reality, attainable

by mastering your consciousness. Through the lens of biblical demonstrations, you will witness the tangible proofs of immortality and how it shapes the human experience.

I decided to include in this volume the understanding of immortality and went further to tackle the greatest adversary of our eternal nature, FEAR. A four lettered word that has been an oppressor since the fall of the first man. Fear is a tyrant, a brutally disempowering ruler, a thief of destiny, corrupting God's agenda in our lives. It is the darkness that seeks to overshadow the light of divine reality. As you follow this revelation to the end, you will strip fear of its power, reclaiming your immortal inheritance.

Imagine living as immortal beings, defying the limitations of the physical world. The code of human consciousness holds the keys to this transformation, enabling us to function in realms and dimensions where God is our ultimate reality.

Prepare to be challenged and transformed. I implore you to open your heart, unlearn, explore, discover and relearn as I lift the veil of religion. Receive illumination through the revelation of sonship and glorification. I bring this message of immortality to the body of Christ in obedience to my commissioning by Yeshua for such a time as this. The dawn of a new era is upon us. This is what creation has been waiting for: the manifestation of the mature sons of God.

"But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light." 1 Peter 2:9

Through this book our minds will be illuminated to a new identity, a new awareness, a new citizenship and a new language- Sons of God

Let's delve in.

CHAPTER ONE

THE IMMORTAL NATURE OF MAN

WHAT IS IMMORTALITY

And God said, Let us make man in our image, after our likeness.

Genesis 1: 26

The origin, the source, the nativity of man is a Spirit God. To unveil the immortal nature of man, we have to go to the very beginning. A Spirit spoke in the eternal past and uttered the divine plan of God, that which He had purposed before the foundations of the world. He expressed His eternal plan and ordinance for the creature called Man.

For thousands of years scientists have tried to answer the question, where did man hail from. All sorts of theories have been postulated when all along the answers were made plain by the creator.

In the text above we see a statement which deserves our careful meditation and consideration. Who was speaking here, the text clearly says, God said. Who was He speaking to? What did he mean exactly. What does likeness connote, what does image actually mean. We will dig out these precious answers as we progress through this study.

Immortality has several synonyms which includes UN-DIE-ness, UN-death-ness, deathlessness. Immortality is an ability inherent in God which was transferred into the original man at creation. Please note that I am referring to the original Man, not fallen Adam. MAN, the ultimate image bearer of God, the consummate man loaded with the inherent, self regenerating, self replenishing, self rejuvenating, life, breath, energy and vitality of God.

This was the reality of Adam before he was rerouted into another realm which introduced an inferior form of life called mortality. Immortality is the end of death and its consequences, where a man decides when to depart. When a man can BOLDLY speak like Paul and say,

"I have fought a good fight, I have finished my course, I have kept the faith" 2 Timothy 4:7

Where a man can speak like Peter,

"Knowing that shortly I must put off this my tabernacle, even as our Lord Jesus Christ hath shewed me." 2 Peter 1:14

These are words of men who were absolutely in control of their physical existence. They understood their positions as sons of God. They will not be snatched away suddenly by a force beyond their control. No, they determined when to depart, after their work was completed as revealed by the Lord.

Immortality confers an ability to no longer live or be controlled by the consciousness of this world. In other words, Christ has become your reality. Christ has become your unconscious consciousness, your dwelling, your abode, nothing else matters but Christ. This is born out of intimacy; daily communion and fellowship which produces an unveiling, a revelation or a catching away or ascensions. You are caught up in the glory and effulgence of Yeshua. You capture the version of Christ called Lord and Master. It is not born out of religious activities. Immortality in the simplest description is the ability to extend eternal life to the human body, where the body is no longer subject to decay because of its alignment with the divine life within. The body displays the divine abilities inherent in Christ. It's just the simplest way to bring the understanding home. Eternal life extended into the human body is immortality.

THE ORIGIN OF MORTALITY

At what point did mortality begin? What is the purpose of mortality? What are the laws and policies surrounding it? Additionally, we must understand what Immortality is by drawing contrasts between death and mortality. We often mistake death for mortality, but the difference between

the two is crucial for us to have dominion over death. the two is crucial for us to have dominion over death. Death reigns in mortality, meaning where there is mortality, there is a reign of a particular prince.

Death is a spirit, not merely the end of physical life. We often think of death as when people depart from the body, but death is a spirit, a prince, a king, a principality. Different spirit creatures have different rankings, and it's important to understand this point when dealing with spirits. So because death is a prince, you deal with it differently. While you cannot destroy death personally, you can overcome it. Death is a principality, and we must understand the spiritual kingdom articles on how to overcome it.

Various spiritual principles can help one overcome different demonic rankings. For instance, with the authority in the name of Jesus, you can cast out serpents and scorpions. However, when dealing with a principality, you are dealing with demons of legal entities. They operate

based on legality, and if you don't understand the platforms and bedrocks of their legal possessions and dominions, you risk serious consequences.

In the heavenly realms, there are different courtrooms which are responsible for the administration of justice under God. Satan, being a prince, has access to these courts. He is the accuser of the brethren, responsible for bringing accusations and demanding that penalties or consequences are enforced. Death, as a principality, operates within a legal jurisdiction, goes into effect as a consequence of laws or principles that are violated.

It takes a full-grown son of the Living God to war against principalities. The war against a principality is a war between kings, between princes. A child of God is not qualified to war against principalities without having grown into a full son of the Living God. Paul gives us significant insights on how to war against principalities by putting on the whole armor of God.

Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

*Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; And your feet shod with the preparation of the gospel of peace; Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. And take the helmet of salvation, and the sword of the Spirit, which is the word of God. **Ephesians 6:11-17***

War, wrestling, battle armor is not for babies. You don't get that armor by mere zeal or love for God; it requires looking like God as a man of war. This is what principalities flee from, when they see you fully dressed in the likeness of God. God has armor for warfare, and if your appearance does not reflect God in His active mode of war, principalities will overpower you. This is why God has given apostles, prophets, evangelists, pastors and teachers to equip believers for the work of ministry.

Many enter ministry without being properly equipped, leading to unprecedented frustrations. Vulnerabilities like the loins, the heart, mind, thoughts, imaginations, and conduct can be attacked by Satan. You have to protect every gate, giving no access to the devil. To unravel Immortality, we need to understand the differences between mortality and immortality and the interactions between the human body, soul, spirit, and immortality. Where there is mortality, death has a legal right to reign and rule. The factor that activates this jurisdiction, creating a kingdom called mortality where

death reigns, is sin. Where there is sin, mortality is established, and where there is mortality, death has a throne to reign.

To deplete mortality in our lives, we must submit to God, resist sin, and enforce righteousness through faith in Christ. By doing so, we begin to destroy the legal jurisdictions of death. Mortality advances with the increase of sin, and the reign of death increases. Death is a prince demon, and sin is one of the ancient gates. Sin is not just an act; it is a spirit and a door, giving access to death. Sin is a gate and legal entry for death. God forgives sin, but it opens doors for struggles that may last a lifetime. To understand mortality, we must understand sin and its consequences

*Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned. **Romans 5:12***

This means that sin created the platform for death to prevail. Man, created in God's image, is also a key. Man was created as a host, a temple, a habitation for God, not for evil spirits or contrary spirits. Man was created to be the son of God. Man has multiple entrances – gates to the intellect, emotions, urges, affections, soul, spirit, conduct, thoughts, and imaginations. Man can unlock different doors, allowing God to occupy certain areas while other areas remain unyielded.

Through disobedience, man opened the door for sin, creating mortality. Sin then opened the door for death to reign. Man, the key that unlocked mortality, must now war

against sin through righteousness, destroying the platforms of death. Establishing righteousness within oneself diminishes death's legal grounds. Death functions where there is a legal platform, and sin materializes this platform. Immortality requires mortifying the flesh, allowing eternal life to reign. Death is powered by sin, while life is powered by righteousness.

Mortality has a legal right, so when you die, mortality prevailed over you. Nobody loves to see a precious loved one dead and buried, the whole family is thrown into sorrow. Grief grips their children. Religion tells them to accept it because God took their precious loved ones. Never. It was never in God's agenda; it was never God's original plan. Millions of people have rejected God because they blame Him for the sudden snatching away of their family members. This is why we must work harder through campaigns of life to announce the gospel to the nations. God is the author of life. He is the source, the giver, the multiplier and the ultimate sustenance of life.

If you come under the consciousness of mortality, corruption, death, aging, and wrinkles will subdue the gift of your human body and it will decay. It is all about which consciousness dominates your human body.

There have been hundreds of people on this planet earth who did not die, they ascended to heaven. But God didn't allow it to be visible, He withheld it from us. These men and women have been found missing, they could not tell whether they were killed or buried behind the scenes, but they were reported missing over the years. As I began to transact in the realms, the Lord opened my eyes to see these men, they are in the heavenly realms. The generation that believes and receives this message will automatically defeat the powers of mortality. Death will have no grip over their consciousness.

THE ACTUAL GIFT WE RECEIVED IN CHRIST WAS IMMORTALITY

The latter rain gospel is poised to empower the sons of God to live and remain or transform to exit the earth by revelation, bringing the body of Christ to perfection and unlocking the Zoe, the God-life, in you. We were thrown out of our reign as a result of sin. Remember that in Genesis 1:26 God said let them have dominion. So man was created as a prince and his jurisdiction was clearly demarcated by God. His seat of government was the garden of Eden.

Man was kicked out of the garden of Eden. Think about it: In that garden, you have trees of different civilizations, trees of different realms, precious mysteries that God committed to man to keep. Imagine the level of authority and rulership he wielded over God's creation.

Adam had the capacity to govern, to eat from every tree that governs every realm, and God said there is one particular realm that I don't want you to eat from.

Remember, the original plan of God was for man to take on the image of God. Think about it: no other creature of God, apart from the second person of the Trinity, was allowed to take on the image of God.

Man was the only creature given such a glory. God said, "Let them have dominion." Because of this statement, God put the man in a garden that controlled access to other realms, and that access was different kinds of trees. Any tree he ate from gave him access to its realm. His duty was to guard the garden and defend its territories from intruders. Remember, God said, "Adam, if you eat this particular tree, you will become a mortal being, you will die."

"But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die."

Genesis 2:17

The moment he ate that tree, he became naked and his eyes were opened to another civilization. His eyes were opened to another realm, a fallen realm, an inferior realm, a realm that Satan pioneered. Remember, Satan was prior to the creation of Adam and Eve. He visited the garden. He came there to tempt Adam and Eve, and his ultimate plan was to, influence the man to descend, to fall into his realm. Once man comes under his authority, Satan automatically seizes the throne and becomes the Master presiding over all the powers subject to man. His lust was to increase in spiritual ranks by capturing all the giftings, endowments and powers God had placed under man's dominion. That is why the moment God decided to favor Enoch, to reward him. He gave him a reward of Immortality. The reward of immortality was a translation immediately into a higher civilization. This is because Immortality is the main deal.

*"By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God." **Hebrews 11:5***

To overcome physical death, simply see less of this material world. That's the first secret that I want to tell you.

The Bible didn't say, "And God gave Enoch capacity not to see death." No, the Bible didn't say that God removed death from Enoch. The Bible didn't say, "And God suddenly gave him power to overcome physical death." No, the Bible says that Enoch was translated for one purpose: that he should not see death. In other words, death became invisible to the sight of Enoch.

Let me rephrase: when you can't see a thing, it means that that thing, either the object that doesn't see that thing is invisible to that thing, or that thing is invisible to that object. So, I would say that Enoch became invisible to death. Enoch could not see death, death could not see Enoch. Why? Because he had ascended into a dimension that death has no access to. He had so interacted with zoe life that he transformed, he immortalized. Think about it: Immortality was the actual gift that we received in Christ? Look at the scriptures.

*"Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son. **Colossians 1:13***

In fact, the word dominion is the jurisdiction, the kingdom, this fallen earthly jurisdiction governed by Satan. For we have been delivered from the power of darkness, from the dominion of darkness and translated and transferred.

There is no difference between what happened to Enoch and what happened to us when we got born again. We've been translated into the kingdom of His dear Son. In the kingdom of His dear Son, death has no power in that kingdom. The only challenge we have is that we don't want to lose the sight of this physicality, we don't want to lose the works of this physical realm.

If we can align ourselves, for instance, the difference between us and Enoch is that Enoch first walked with God, saw the visions of God. He was in physical and mental alignment with God before his spirit was elevated. And once his spirit was elevated, his body was transformed to be captured in the realms of God. The difference between us and Enoch today is that our spirits have been translated already, however our body, our minds, our works, our desires, our cravings are still worldly. Satan still has maximum influence within the consciousness of our physicality, within the physical body. That's why our bodies are unable to elevate into the realms of God so that we can be preserved from the corruption that death brings.

Now, Enoch was physically in alignment with God, mentally in alignment with the purposes of God. His thoughts, his imaginations, all the constitution that controls his conscious mind were subject to the word of God. This is the process

that leads to immortality.

1. Enoch walked with God

"And Enoch walked with God: and he was not; for God took him."

Genesis 5:24

2. Enoch had a testimony that he walked with God

"By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God." Hebrews 11:5

3. Without faith, it is impossible to please God

"But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him." Hebrews 11:6

What is faith? Works. The works of faith are as simple as knowing what God wants you to do and doing it. It is not the works of the law. It is finding what God wants you to do, what God wants to accomplish on earth, what God wants to accomplish in a community, and coming in alignment as a vessel to accomplish that. Once you do that, here we go, boom! God will find you faithful to be used. So, then God elevated his spirit. Think about that. Sons of God, I want to encourage you right now that if we can begin to condition our minds, discipline our thoughts, discipline our ways to

come into alignment with the callings, purposes, and intents of God, you will never see corruption.

IMMORTAL CONSCIOUSNESS

Any consciousness without eternal life is vulnerable to the venoms of mortality. The more your whole being is consummated by eternal life, the more the dominion of immortality is established.

PRAYER FOR YOU

I bring your subconscious, your conscious mind, into that immortal glory of our Christ. I wrap your consciousness and your subconscious with the revelation of life so you shall never lose your conscious existence on this earth as a king over the earth.

As sons of God, you don't have to permanently lose your body to traffic the heavens. God gave you the ability to traffic heaven while in your current physical body. Now ponder on this, the extension of the kingdom of God that was established on earth through the ministry of Apostle Paul came through the transportation of revelation. Paul said,

"I knew a man in Christ above fourteen years ago, (whether in the body, I cannot tell; or whether out of the body, I cannot tell: God knoweth;) such an one caught up to the third heaven." 2 Corinthians 12:2

The Bible says that he received the revelation of the mysteries of Christ. So, everything Paul received came from Heaven, and that became his ministry. We receive from heaven through the teleportation into glory. We receive the intentions of God in the realms of heaven, return to earth in this earthen vessel, and establish the kingdom of God on earth. The prayer of Jesus must be answered and established. He said

"Thy kingdom come, Thy will be done in earth, as it is in heaven."
Matthew 6:10.

We ought to be traveling through the glory of God to download God's will, His eternal plans, return to earth to execute just as it was shown us.

*"For thine is the kingdom, and the power, and the glory, for ever.
Amen."* **Matthew 6:13**

"But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord." **2 Corinthians 3:18**

So, through the teleportation of the glory of God, we ascend into the realms of His will, comprehend it, and lay hold of the will of God to transport and establish it on earth. When we take on the revelation of incorruption, we increase in the spirit and by extension we decrease in carnality.

IMMORTALITY CAPTURED IN CREATION OF MAN

When God said, "Let us make man," God the Father did not ask Himself, "Who is man?" God the Son did not ask, "Who is man?" The Holy Ghost did not ask, "Who is man?" So when God said, "Let us make man," none of the three persons of the Godhead, asked, "Who is man?" What is man? It means that man had always been. "Let us make man" means let us advance man, let us increase the influence of man, let us add to what man used to be. Now, the advancement of man was to receive the image of God and to take on the likeness of God so that the man would have the capacity to rule the three nations of God.

God said, "Let us make man in our image, after our likeness. Let's make man, firstly, in our image; secondly, after our likeness; the man would have to be the man of His image; to be the man of His likeness; the third, ought to be the man of dust." So God had in mind three kinds of man, the man of His image, the man of His likeness, and the man of dust, or the man from the realm of dust.

God wanted to resurrect the man of the dust, bring the man of the spirit or the man of the wind, and the man of His image in unity to rule over creation. If this man comes in one, he is a threat to Satan; his rulership is endless. But if one of these men is disunited or disconnected, the man will lose

his influence on creation. So, the unity of the man becomes what God begins to restore in creation, because prior to creation, man existed.

*"And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth." **Genesis 1:26***

He didn't say, "Let him," but He says, "Let them." That tells us that the man here is not the singular man; the man here is the man of different nations. Take note of the fowl of the air, over the fishes of the sea, ...*that creepeth upon the earth.*" So, these are three nations subject to God. There is the man of the sea, the man of the air, and the man of the dust. So, the man of the dust will have to join forces with the man of the air, and the man of the sea. So, there are three men created by God, coming in the unity of purpose to carry out the dominion of God over every civilization in the spirit, on earth, and in the nations of the sea.

There is something about you the devil doesn't want you to know. You are the carrier of the image, likeness, and body of God. So, "Let us make man in our image," and this three-fold man would have to be married and they will come into one union. God brought man out of the realm of the dust. He did not create man with dust; God made man out of the

dust of the ground. He took man out, He brought man out of the dust. God removed man from the realm of the dust. He took the man of the earth, so I'm getting ready to transfer and unite the man of my image. I'm about to unite the man of my breath. And when Satan saw the unity of the man of the dust, the man of the wind, and the man of His image, he was angry. He lost his power, he lost his position, he was threatened because he was behind the destruction of the first world according to Genesis 1:2. Remember that the restoration of the firmament, the restoration of the earth, the restoration of the water, and the casting out of darkness was actually God restoring that which was before. The darkness that was upon the face of the deep was caused by Satan. So, when God was ready to restore the earth, and said, "I am going to put man together," the union of the man of the wind and the man of the dust created, introduced the emergence of the man of His image, a living soul.

BIBLICAL DEMONSTRATION OF IMMORTALITY

We come from the realms of the spirit and we are returning to the realms, but we will not go through the way of death; we will go through the wings of an eagle, ascension into dimensions of God. This is far superior to healing; this is far superior to deliverance. You see, you are healed because you can die. You are constantly being delivered because

you could be killed. But when a man steps into the realm of Incorruption, he does not need healing anymore, he does not need deliverance anymore because this man is incapable of being destroyed.

And when he had spoken these things, while they beheld, he was taken up; and a cloud received him out of their sight." Acts 1:9

"He is not here: for he is risen, as he said. Come, see the place where the Lord lay." Matthew 28:6

And it came to pass, as they still went on, and talked, that, behold, there appeared a chariot of fire, and horses of fire, and parted them both asunder; and Elijah went up by a whirlwind into heaven." 2 Kings 2:11

A tall, modern building with a light-colored, textured facade. A large, blank white billboard is mounted on the side of the building, occupying a significant portion of the upper half of the image. The sky is overcast and grey. To the right, another building with a glass facade is partially visible.

*“If the power of
God can locate
you and permeate
your body, then
you have created
an atmosphere for
the redemption of
your outer man.”*

JOHN ANOSIKE

CHAPTER TWO

THE FEATURES OF THE SONS OF GOD

1. CONSCIOUSNESS OF THE SONSHIP MANDATE

The consciousness of the sonship gospel is crucial because it reveals our true identity and potential in Christ. It goes beyond forgiveness and salvation. It is about living in the fullness of God's promise. The reality of sonship is that we are called to walk in dominion, authority, and the divine nature that God originally intended for humanity. I am putting a call for you to awaken to the consciousness of sonship and the power of the eternal life that Christ has imparted to us. This is one of the features of sons. The sons of God are not just forgiven sinners, they are transformed beings, called to manifest God's kingdom on earth as it is in Heaven. By embracing this consciousness, we align ourselves with God's original purpose, overcoming the limitations of sin and death, and stepping into a life of power and Immortality. This is the reality that Jesus Christ brought to us, and it is the message that we must carry to the nations. The time for the body of Christ to rise and embrace this truth is now, for it is the final revelation before the return of our Lord Jesus Christ. This gospel of sonship and immortality is the final revelation of the gospel of Christ before the final appearance of the Lord Jesus Christ. Jesus did not bring to the church another religion or any religious institution. Jesus brought to us the fullness of God. The Bible says that

*"And of his fulness have all we received, and grace for grace." **John 1:16***

The fullness of God is the very purpose for which God sent Jesus into the world. Thank God that Jesus Christ forgave us our sins. Thank God that He was the sacrificial lamb of God that paid the penalty of the sin of the whole world. Thank God that He heals our diseases. Thank God that He delivers us from destruction. Thank God that He loves us with an everlasting love.

Thank God that He was bruised for our iniquities, He was chastised for our peace, He was wounded for our transgressions. Thank God for all that Jesus had accomplished on the cross of Calvary. But beyond that, there is something much more than the price Christ paid on the cross of Calvary.

It is time for the body of Christ to wake up to the reality of who and what we are and that which Christ had accomplished on the cross of Calvary. The first work on the cross was for the sin of the world. Jesus had to take care of the sin that destroyed mankind. Jesus had to eradicate the consequences of sin that held us bound. Sin brought sickness, sin brought destruction, sin brought separation from God, sin brought physical death. Physical death was never in the original agenda of God.

According to the book of Genesis, when God had declared His intention regarding mankind, He said, "Come let us make man in our image, after our likeness, and let them have dominion." There was never any sense or any consciousness of death when God pointed out trees in the garden. There were two exceptional trees that He had warned mankind to become conscious of: the tree of life and the tree of the knowledge of good and evil. God said, *"But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die."* **Genesis 2:17**

So when Adam ate the tree that God warned him not to eat, man died. Man, from the beginning, did not have the capacity to die. The first men and women that lived during the dispensation of Adam and Eve lived up to 900 years, 700 years, 800 years. Here's the part I'm referring to: the same body that you carry, the same brain, the same nerves, the same genes survived for 200, 300, 500, 600 years. The same capacity can still be restored by the power of the gospel of sonship. It's time to wake up.

2. SONS KNOW AND TAKE THEIR POSITION

Satan is not afraid of you, but he is afraid of your diligence in fasting, consecration, and fire. The Prince of Persia, the demon in the atmosphere, controlled that nation and ruled in the natural by the physical Prince of Persia.

*"But the prince of the kingdom of Persia withstood me one and twenty days: but, lo, Michael, one of the chief princes, came to help me; and I remained there with the kings of Persia." **Daniel 10:13***

What was the work of the Prince in the atmosphere? He fought the glory of God and fought the angel from coming down to bring the answers to Daniel, hindering God's purpose for nations. Michael had to fight to get God's message past the prince that controlled the air. Gabriel couldn't stop him. The ranking of the Prince of Persia was stronger than Gabriel. Gabriel was a messenger and was never built for war. So, the Prince of Persia in the atmosphere withheld the message from Gabriel to Daniel. Gabriel had to send a message to headquarters, saying, "Sir, I'm being held here." The Lord had to release Michael, the war angel, who engaged with the Prince of Persia. Not that Michael defeated him, they were in battle, and in that warfare, the Prince of Persia was distracted. That was when Gabriel had the passage to escape to earth and bring the message. There is a literal traveling. These wars are real. Let nobody tell you that was in the Old Testament. Now we are in the New Testament Hallelujah! No more battles You are in Christ, and Christ is in you.' In the new testament, Paul fought the beast of Ephesus? I thought Christ had finished the battle. He says,

"If after the manner of men I have fought with beasts at Ephesus, what advantageth it me, if the dead rise not? let us eat and drink; for tomorrow we die." 1 Corinthians 15:32

He fought and prevailed over the Prince of Ephesus." We are bringing down princes of foul devils in the atmospheres in the name of Jesus the Christ. Do you know who you are? You are a King. Your authority is greater than Michael's. You must experience a shift in your mind set. You were made in His likeness. You look like God. When spirits see you they are beholding His image and likeness. Let it soak. Michael is an angel; you are a son of God. Go back to Eden. God said, "Let them have dominion." Do you know that Michael is one of the dominions of God? If only you know. What was it that Michael used to defeat Satan when he contended for the body of Moses? He said he couldn't defeat him with his own power. In fact, when Satan himself came to claim the body of Moses, Michael could not defeat him. The authority that Satan had over the body of Moses was stronger than the authority of Michael. Remember, God sent Michael to go and reclaim the body of Moses. Satan stood and said no. He could not.

The energies, the power, resisted Michael. See, when you talk about power, you're talking about resistance to do something. Satan stood there with the vibrations and frequencies, and that's why the Bible says,

*"Submit yourselves therefore to God. Resist the devil, and he will flee from you." **James 4:7***

Amidst the resistance, Satan is not afraid of you, but he is afraid of your diligence in fasting, consecration, and fire. Michael had to use the name of the Lord. He told Satan, "Now I am using a higher authority over you. For me, I don't have this authority. The Lord rebuke you." The moment Michael said, "The Lord Yeshua," then Satan backed off his energies. Who are you under the ranking of Yeshua? Do you see how much greater you are over Michael? Do you know who you are? You've been adopted into the fellowship of the sons of God. You carry the presence of the Lord. Do you know who you are? You are the one that Jesus lives inside. You host the Christ, the Living active Word of God.

3. SONS KNOW THEIR FATHER

I am a nurtured, developed, grown son of the sovereign Supreme God. I carry the DNA of my Father. Your Heavenly Father does not want you to remain a baby. A baby is one who cannot feed himself. A baby is one who calls on his father to feed him. But a grown-up son is one who understands the ways of his Father. One who taps into the abilities of his father. The hour has come. Certain spiritual dimensions have been opened for the revealing of the sons of God. So as sons that know the father, we must be discerning of times and seasons.

4. SONS FUNCTION WITH REVELATION

*"For as many as are led by the Spirit of God, they are the sons of God." **Romans 8:14***

As many as are led by the inner man of the heart, they are the sons of God, visible sons of God. If you're led of your spirit, if you're led of your inner man of the heart, you are a son. The inner man of the heart is not the son of God. The inner man of the heart is grown, matured, developed to become the son of God, then you are led of the Spirit.

What is sonship? The visibility of the inner man of the heart, the hidden man of the heart. In fact, as it is used in first Peter, it is referred to as the hidden man of the heart.

*"But let it be the hidden man of the heart, in that which is not corruptible, even the ornament of a meek and quiet spirit, which is in the sight of God of great price." **1 Peter 3:4***

When you are no more led of your flesh but you are led by the inner man of the heart, that is sonship. When you are no more driven by flesh but by the spirit, When the world beholds the reflection of Jesus Christ in your life, that is sonship. You become an exact image of Jesus to men of senses. They behold the character of Christ, they behold the words of Jesus, they behold the fruit of the spirit made manifest in your life.

They behold the power of God. So they see a man that walks in authority, a man that walks in power, a man whose language is different. When others are confessing something negative, this man is speaking life. When others are talking something contrary to the word of God, this man is disciplined to speak the words of God. That's a son of God. When others are fornicating, he keeps himself holy and pure. When others are lying, he exempts himself from lies. He is a product of righteousness. He walks in righteousness, he walks in holiness. He treasures the glory of God, the manifest presence of Christ is his greatest asset.

This is the man that you are becoming in the name of Jesus the Christ. As you behold the glory of God you are transformed.

5. SONS USE THEIR TONGUE PROPERLY

Witches are real. Witchcraft is real. Satanic powers and activities are very much real. These forces operate and use their powers in the galaxies against humanity. They know how to manipulate powers in the air. They know how to manipulate forces of darkness in the atmospheres. And they know how to use these powers to work against your strongholds. They know how to use these powers to work against your emotions, your marriage, your outcomes, your dreams, your expectations. And they know how to use those powers to influence your future.

Let nobody mess with your future. The day of vengeance and the day of His judgment has come. We have been lied to, confused with false love. They tell you No, don't pray against it. Don't pray nothing. Be like a sheep going to be slaughtered. You know why witches can insult us? They will come in the night, oppressing your kids, manipulating, causing all kinds of attacks on your kids. You do nothing? They want to make you a coward. They want you to call on God, waiting for Jesus to come and rescue you. When they are messing with you, any witch that challenges you and you give the first warning, he or she does not listen. Now add something more; that you are going to have palpitation of heart for two nights. If they don't stop, one side will go numb. If they don't stop, goodbye, I warned you. In 3 days time, if you don't stop, one part of your body will go numb. Speak like a prophet. Command things like one that has authority over demonic powers. And that's the only time they will honor you. These are useless wicked people using the little power of God they can access. They just perverted our powers and used them to wreck havoc. Wake up! Begin to use your tongue to exercise your authority boldly.

*"And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth." **Matthew 28:18***

Not some power. All power. So, witches have no power that does not belong to Christ. Everybody must craft. You have to craft diligently. We are constantly crafting. But when an evil spirit influences a certain craft, it is called witchcrafting. How do you craft every day, I speak the word, I meditate on the word. I place my mind on the word. Life and death are in the power of the tongue. So we tongue craft daily.

*"No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord." **Isaiah 54:17***

You know what that means? It is the tongue of witches. It is by the same tongue that you will condemn such tongues. So while they are witch-tonguing, we condemn the tongue of their witch-tonguing. We destroy the tongue of their witch-tonguing with the tongues of faith and authority because any mouth, any tongue that rises up against thee in judgment, thou shalt condemn. We deplete the authority of darkness under the sea with the blood of Jesus. When we get there, we bring the devil under our feet and we condemn. We seize authorities. We deplete the monopoly of the devil in different realms with the name of Jesus the Christ. When powers in the atmosphere clash, there is roaring of thunder, lightning, the waters, storms, waves.

These are powers. It is a clash of darkness and light. So when power meets power, the lesser bows. As a son of God, become conscious of the powers that are subject to you, exercise your authority over them and wrought great victories.

6. SONS OF GOD ARE A NEW BREED

Sons do not just prepare for heaven, they do not get born again and live a normal average Christian life, die and go to heaven. That is not what we are here for. True sons live in heaven while on earth. Sons are the remnant in the body of Christ that shall live and remain to usher in the glorious Christ. "And the Lord shall come back with the cloud." He's coming back with the cloud. What is the cloud? The saints. Sons are the one that will receive Him.

"He shall descend from heaven, and we that live and remain will be caught up with the clouds." 1 Thessalonians 4:16-17

We are the remnants that will say, Master, come! And then we become the entourage, that will receive the reign of our King here on earth. So if you are part of those that would die, you will be resurrected. If you were part of those that will be amongst the cloud in heaven waiting for us to ascend and join you, that's okay.

But if you're going to get into that realm, if you're going to qualify, then you must move away from the grace message. That dispensation has ended. You must receive the message of the new breed who traffic realms and fellowship with the Lord. We are done with grace preaching. We have been told about grace and we have been deceived because we want to get our churches filled up. We want to be the latest fastest growing church somewhere who can fill up the stadium and have a crowd gather and worship an idol, not God.

Sons are not after the crowd or a system that glorifies lusts, seductions, and flesh, with less commitment, less response to a system that kills the flesh. Sons belong to a new generation. Sons increase in spiritual ranks by capturing certain depths in the realms of the spirit. They elevate through encounters capturing realms through frequencies and the electricity of Zion.

7. SONS ARE RECLAIMERS

God is not a man that begins a thing and then walks away from it. The Bible says His mercy endures forever, so God's word, God's character, is consistent. God's character is immutable. In Genesis, God began a dream which we all know that that dream was interrupted by one of the demonic creatures in the earthly jurisdictions. And one of these creatures was a creature that had and that was subject to the authority and subduing ability and

authority of man. Now God would not in any way just walk away from His plan. Redemption did not exempt man from the original plans for which He created him. And sometimes we have been so locked up in the revelation of redemption that when we want to exceed beyond redemption, we begin to object to it and think that this is another gospel. But trust me, we have entered the season and now is the set time that God is about to exceed salvation. For we are now being perfected in the image of Christ, and I have this premonition that part of what you call rapture would be the gathering together of the elect to conform to one image called Christ. Now the Bible says,

*"Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ" **Ephesians 4:13***

It means that there is that stature of Christ that all the called, the foreordained, the predestinated, the justified, and the glorified would have to fit in and become one body under the headship of Yeshua. And in that moment, we will be elevated into dimensions of thrones, dominions, principalities, and powers to bring the authority of Yeshua across creations of the air, the sea, and beneath the earth, and on the earth.

*For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him: And he is before all things, and by him all things consist. And he is the head of the body, the church: who is the beginning, the firstborn from the dead; that in all things he might have the preeminence. For it pleased the Father that in him should all fulness dwell. **Colossians 1: 16 - 19***

So part of what you call rapture is the unity of the body of Christ. Part of what you call rapture is the coming together or the gathering into oneness into Christ to form that one image of man in Christ. It is called the glorification of the saints. Why do you not understand that some of the things I share here are referring to a future that is very close to coming abilities in the realms?

The essence of this is the redemption of creations of different dimensions. All the powers that were lost by the intelligence of the devil would have to be reclaimed by the sons of God.

8. SONS MANIFESTS THE LIFE OF CHRIST

If you live the God life, you're not a mere human, you're a god. In Him, we live. The question is, how do we activate the life of Christ in us to live? Because when you live in Him, it means that you are no more living the human, natural,

soulful life. You have eternal life active and working in you now. If you live in Christ, it means that you have through the spirit of revelation succeeded to communicate the longevity, the incorruptibility of eternal life, to hinge on the bedrock of your soulful realms, to transmit the electrical surges of eternal life through your brain cells, passing through your neurons, the cells of your brains, and reviving, rejuvenating, and restoring your human body. Do you know how to live it? Do you know how to fight the good fight of faith to lay hold on it so you don't die? As a son, you manifest life. You don't lose the faculties of your mind to corruption, to darkness, to sin, to evil, to inordinate affections, to transmit the evil currents of darkness into your brain cells to destroy your entire body through your conducts.

"If any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new." 2 Corinthians 5:17

What Paul was saying is if any man would pay the price to live, move, and have his being in Christ, he is a new creature. So, that word "if" implies that not everybody abides in Him. Jesus comes into your spirit, it does not mean that He is in your soul. He is always knocking at the door of your heart. It is when we let Him into our soul that He will have prominence or absolute influence within the corridors.

of our mind. That realm, that kingdom, that dimension was not created for natural, ordinary humans. If you take some fishes out of the water, what happens? The fishes would die. Get a fish out of water; you see the fish cannot survive out of water because its life sustenance is in the water. Now, take a human, throw him inside the water. After a period of few minutes, he dies. Why? Because he's not built, created, or manufactured to live in the water. It is one thing to have eternal life; it is another thing to live eternal life. For instance, God can give you a gift, and you choose not to unwrap and use the gift. You are able to live on earth because the earth is built to sustain human life. You can't live in Jupiter, you cannot live in the sun or even in the moon without going with oxygen. You are more like something that electricity should burst through. You conduct electricity. That's why God promised you His anointing and His glory. It passes through like electricity because already you were created for His glory and you are highly receptive. Human nature is electrical. Didn't you hear it? He said,

"For in him we live, and move, and have our being; as certain also of your own poets have said, For we are also his offspring." Acts 17:28

Can you see how He painted that for us? We are the offspring of God, not the creatures of God but His offspring. He gave birth to us. I don't think that your child is lesser than you in nature and essence.

Your child is the same. Christ is in your spirit, Christ is in your subconscious. He is in your spirit man hoping to have dominion and access in your soul. In Christ, we have access to the very life of God. So, the question would be, Do you live in Him? Because if you don't live in Him, you will come under a contrary law of death.

Sometimes we think that death is when we get sick in our body. Listen, if you would focus a little bit, even though you have a chronic disease that you are dealing with right now, if you would focus not on that disease and focus on the revelation of His glory, and get involved in spiritual growth where your mind, your emotions, your will, your soul, your spirit is constantly in the realm of His presence and you are seeking for the depths of God, just over a period of time, the prevailing glory will deplete and completely abolish that disease in your body.

DEATHLESSNESS IS GOD'S WILL

Sons of God by ordination are not subject to death of any sort. Let this understanding sink into your being. John was cast into an oven of boiling oil, and then the next day, they opened the drum and found him alive. Apostle Paul was one of those that the Lord appointed to lay down his life because God had a special reward for those that He has called to be faithful to lay down their blood. Prior to that, nobody could kill Paul. You know that? He was bitten

by a viper, he didn't go looking for antivenoms. No, he shook it into fire. He continued to live. He was lost in the deep. He had shipwreck, lost in the deep in the ocean, the middle of an ocean, and he didn't die. He was teleported.

And there came thither certain Jews from Antioch and Iconium, who persuaded the people, and, having stoned Paul, drew him /out of the city, supposing he had been dead. Howbeit, as the disciples stood round about him, he rose up, and came into the city: and the next day he departed with Barnabas to Derbe." Acts 14:19-20

We have entered a time and now is the season of immortality. Perilous times are coming. There is war in the heavenly realms. The Council of the Elohim have reached a verdict. The time of judgment is upon us. If you are not ascending, if you are not immortalizing, you will become a casualty of the warfare in these end times. When we speak about death and life, they are controlled in the courtrooms of Zion. They are controlled by princes of Zion.

It takes the law of the spirit of life to negotiate your freedom from death. It is a negotiation. Nothing just happens without being dramatized and acted out in the realms first. The prevailing dominion then manifests itself in the physical world. We are that tribe of Enoch, the tribe of immortality, a tribe that shall not see physical death, they that will live and remain to usher in the appearance of Christ. You put on

Immortality because man is naked. What you're wearing right now is not your true inner garment. Your body ought to be protected by Immortality. Every commitment to righteousness immortalizes a man. You may not feel it right now, but you will see that when others are dying, you don't know why you're not dying. Death was never part of God's will and it remains so till today.

DEATH HAS BEEN DEFEATED

He that used death to thrive amongst the company of humanity has been defeated. The controller of the power of death has been plundered, so death is roaming about senselessly killing those that are ignorant. Satan has regained his influence over death because nobody wants to take charge of the power of death.

Deaths can be controlled. Death can be ruled, death can be oppressed, death can be taught what to do and what not to do. But because the sons of God have refused to take authority, to take ownership over the power of death, so death has been allowed to roam about, to walk freely in the streets, in the communities, in our countries, in the hospitals with no control. So he had power over death. Satan reigned with death. It is a power or an ability subject to satan.

*"Therefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned" **Romans 5:12***

That means Satan reigns, he rules our world with death. You know why people are afraid? The greatest fear of man is death. So Satan controlled the entire world with the fear of death. Now pay close attention, the moment we lose the fear of death, we have depleted the control of the devil over us. Satan loses his control the moment we lose the fear of death, because Satan has no more power over our consciousness. The power of death has been completely neutralized and completely brought under our control. I am in control of the power of death. Satan's hold has been destroyed. He was once the governor of the power of death, but today Jesus says

*"Then he called his twelve disciples together, and gave them power and authority over all devils, and to cure diseases. And he sent them to preach the kingdom of God, and to heal the sick." **Luke 9:1-2***

Over mental death, we have authority, over spiritual and physical death we have gained the mastery. So every possible capacity of death and influence over us has been completely demolished. So God has given us the position to rule over death mentally, spiritually, and physically. Let us remove the devil from the position as a prince over the power of death. We have to reclaim that power. Satan regained that position after Jesus dethroned him from that position because the church didn't rise up to the task.

The church has refused to take the position as sons of God to rule over the foul power. Please understand that when the Bible speaks of power, the Bible is referring to an ability.

"So then death worketh in us, but life in you" 2 Corinthians 4:12

Death worketh in every man, so the power of death is working in everybody, but when we mortify the fruits of the flesh, suddenly the death that worketh in us will begin to deplete, and it's influence will begin to be abolished by the power of the revelation of Jesus Christ. So putting Satan off or out of the position, the question would be, why is death still functional in our world even after the ruler, the prince of death, has been completely abolished and defeated? If the Bible says that God didn't just only abolish the devil, the controller, the ruler, the prince of the power of death, the Bible also says that Jesus has abolished death. So death has been abolished, the prince of the power of death has been destroyed. The question would be, why is death still operational in our life in our world today? The problem is because the sons of God have refused to arise and take dominion.

Even when God created Adam and Eve, he did not give them absolute dominion, rather, he put them in a position to have dominion. He gave them every necessary power, ability, wisdom, and every necessary capacity to subdue. Prior to the fall in the Garden of Eden, Adam was asked to

subdue. Adam was told to have dominion. So Adam was more or less like a prince of God, a child of the king, and he was going to invade other nations, all the powers, abilities, and take spoil of them. He would have to subdue and dominate. As a matter of truth, death existed before man. Oh, there were already some Elohim who had rebelled against God before the rebellion of man. Some angelic creatures had rebelled against God prior to the rebellion of mankind. So for every rebellion of heavenly creatures, it led to death, separation from God, disalignment from purpose, and the lifeline that sustained those creatures of God. Remember, everything, Elohim, angelic creatures, the morning stars, the heavenly creatures, the heavenly hosts, everything God created had a lifeline. God is the sustenance, the sustainer of everything He created. So the moment you rebel against God, you have dislocated yourself from the pre-ordained alignments that sustain your kind of life. Understand that there were different kinds of life. You have the human life, you have the natural life, you have angelic life, you have the life of spirits, the life of thrones, the life of abilities, the life of angelic creatures, so different kinds of life, and you continue in the perfect life that is uniquely for you as long as you are in alignment with God's purpose for your creation. So God created death as an ability that would invade any creature that has disaligned from God's pre-ordinations for existence. This is the purpose of death,

the necessity of death. When you're out of alignment with God's purpose, then the power of death would take over you, you decay, and you are held and kissed by the devil. But Satan knew that if he succeeded in causing mankind to rebel and eat from the tree that God warned them not to eat from, they were going to be dislocated from the lifeline that God had made for them. So God says eat of all the trees in the Garden of Eden, but this one, if you eat it, you will die. Adam understood what that was. You are going to die because your spirit will be disaligned.

Your spirit will be disconnected from the very light of God's life, and because you would be disconnected from light, your mental faculties will be subject to corrupt knowledge. Your body will begin to decay because your body depends on the light of the knowledge of the word that comes through your spirit into your soul that gives life to your outer man. So God is Immortality.

A revelation of complete alignment of spirit, soul, and body, so that anything that God has not deposited within the threefold man would have to be burned. If you don't let the fire of God burn through your spirit, burn through your soul, and burn through your body, you will burn in hell soon. For every time man dies physically, God bleeds. The reason is because God did not create man to die.

Imagine that, sons of God, what you have not allowed, what you did not create, what you do not want, is happening right in front of you. That is going to annoy your spirit every day. Death was never God's agenda.

Satan was the one who influenced man to eat what brought death into man's existence. So for every time man dies, Satan is glorified, and God feels pain in His spirit. And that's why the gospel of life is the gospel that God has blessed, approved and deployed in these last days. The gospel of immortality is the gospel that God is about to release in these last days. I'm telling you because death must be abolished in this age. Thank God that the devil is not the god of this earth. He is only the god of the systems of this world. The earth is not yet over, that means as long as we are in the earth, we can create another kingdom.

IMMORTALITY AND YOUR IMAGINATION

God always wants to release His miraculous power, but we are to be the conductors of His power on earth. Your imagination is a huge gateway for God's full expression in you. You cannot continuously imagine death and suddenly manifest Immortality. You must have a picture of your healing, deliverance, promotion, or elevation first before manifestation. You must begin to mentally visualize that miracle. The Bible says that

*"Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us," **Ephesians 3:20***

The faith of God, the government of faith, and the principles of faith inside your spirit respond to the imaginations of your mind. The realm of imaginations is where the Bible calls us to become effective in spiritual warfare. It says,

*"Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ" **2 Corinthians 10:5***

So there's a lot that goes on in our minds, infact the mind is a battlefield of images. Once it becomes an imagination, it becomes a reality in your life. It's important to watch what goes on in your mind because what goes on in your mind creates your physical experience and reality. Jesus says,

"If thou canst believe, all things are possible to him that believeth"
Mark 9:23

It begins with mental visualization. God begins every miracle with a mental photograph. This is a practical principle. If you want to build or erect any structure, you would have to meet an architect who draws a picture before the building begins. So your miracle begins with the drawing of that miracle in your conceptualization.

I remember, many years ago, I was very sick, critically sick. The doctor had given up on my case and said I was going to die in a couple of years. During that process, I was on medication, moved from doctor to doctor. My blood pressure was too high, and I had a heart condition. I knew that the only way out was to see another version of me in health. Praise the Lord. I had to create another version of me because the version of me that was critically sick was going to die. If I did not reproduce and replicate another version of me that had no blood pressure or heart condition, I was going to die.

So I created a mental version of me that was in good health. This is one of the most profound principles on how to stay in divine health. There is a version of you in heaven, the future version of you that the Lord has proposed.

"For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end."

Jeremiah 29:11

So God has a future for you, and that future has a plan. There is a future version of you that is incorruptible, a product and offspring of God's will and purpose. Regardless

of what you are going through in the present, try to focus on the future version of you. You are not at the mercy of your current situation. You will not end at the expiration date of your current predicaments. You know why? Because God has a greater plan, a greater version of you. So God has a future for you, and that future has a plan.

I see you catching up with the future version of your destiny, your future, your finances, your marriage, your health, in the name of Jesus the Christ. I see you hold that picture in your imaginations until you transfer it into your physical experience.

I've read books about great men of God. Every great man of God that you have ever seen used this principle. The ability to clearly visualize and conceptualize the miracle that you want to see happen. There are powers within your imaginations, within your mind. God put those powers in your mind. That means when you begin to see your miracle, your breakthrough, suddenly, in a few months, a few weeks, even a year or two, you will see everything you have ever thought begin to manifest. Everything begins to manifest, and you are like, "What's going on?"

It is the power of God bringing to manifestation that which you have conceived in your heart. Praise the Lord.

"Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new." 2 Corinthians 5:17

Don't dwell in your past. Don't create your mental attitude, mental disposition, and mental identity from your past mistakes. See the future. Come on, see the glory of God.

"It is of the Lord's mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness." Lamentations 3:22-23

God's mercy, God's faithfulness, God's grace are new every morning. So for every day you wake up, there is a new beginning, a fresh start, a fresh slate. Don't focus on your setbacks. Spend your time planning your comeback. Focus on your comeback, not your setbacks. Don't focus on your failures, mistakes, or whatever you feel is not right that you have done in the past. Do not focus on the things that did not work out, the bitterness, the disappointments, and the backstabbing from those you least expected to disappoint you. Rather, focus on what God is saying. God is evergreen.

God is ever promising. God is ever merciful. There are powers within the human mind that we have not even tapped into. Unconsciously, we become victims of uncontrolled minds. We don't know that whatever processes through our imaginations becomes what we experience in the physical.

If we do not govern the gate of the mind, if we do not govern the accesses, the doors into the powers of the mind will begin to corrupt our lives on a daily basis. Do you know that every thought that you allow to creep into your mind and imaginations transports itself straight into your future? We have not been told that the powers of the mind are the institution that creates the very thing that influences your life.

If you have not put gates, doors, and monitoring systems around your spirit, mind, and thoughts, someone else will take hold of your outcomes. Listen, sometimes we allow our circumstances to influence our thoughts, when in actual fact our thoughts ought to influence how our circumstances evolve. I don't care what is happening around me. I don't care what people do. What I care about is what goes on in my mind.

"Keep thy heart with all diligence; for out of it are the issues of life."
Proverbs 4:23

HOW GOD BROUGHT ME BACK AFTER I DIED

Many years ago, the devil afflicted me. That was in early 2001- 2002, with blood pressure and a heart condition. Doctors told me that my heart was damaged and that I was going to die, giving me three years to live. The severity of the damage to my heart was such that no surgery or medication could help. This was happening in 2001. My blood pressure was uncontrollable. I was on medication at the age of 18, 19, or 20. In my early age, I was very young. I had never smoked in my life, never drunk, never fornicated. I lived a pure life. Why was I afflicted? I was placed on medication; my blood pressure was 220 over 200. Medication could not bring it down because of the damage to my heart. So they placed me on medication in the morning, afternoon, and night. I lived with dizziness.

The side effects of this medication were killing, yet I was still preaching, ministering, casting devils out. I prayed and prayed for God to remove it, but nothing happened. I would go to services like this, where the glory of God, healings, and miracles occurred. Sometimes I would say, "Lord, why can't I be healed?" People with my sickness would be healed by me. One day, the power was so strong, I prayed for the sick, they were healed, and I had to run to the toilet. I laid hands on myself and said, "Oh God, this same power that is healing the people now, heal,

heal, heal." But the blood pressure didn't get healed. I was still sick. But one thing happened in that season: I recreated a new version of myself. I had always seen myself with that sickness, but now I envisioned myself in divine health. I stayed in that imagination by the word of God. I read all the books on healing, attended all the conferences on healing. Nothing happened. The best men of God laid hands on me, but nothing happened.

Those three years that the doctor predicted elapsed. One day I returned from church. I was the first to be in church and the last to leave because of my responsibilities. When I returned, I was tired. I felt dizzy, light-headed, like I couldn't feel myself. I was like floating air.

I didn't know what was happening. I laid on the bed, extremely thirsty. My tongue dried up; there was no saliva. I stood up to get water, but by the time I stood up, sons of God, I came out of my body. That was death. I came out and saw my body lying there. I looked at my body as a spirit and thought, "Is this death? I don't die." I said to myself, "You are not going anywhere." I closed my eyes in that spirit and shouted, "Blood of Jesus." Immediately, with the speed of light, I was back in my body. A few days later, I was in bed in the afternoon. Suddenly, I found myself in a place where Jesus appeared. He called me by my name in a vision.

He said, "My son, I know that you have had this heart condition for a long time. Come." I knelt before the Lord, and He laid His hand on my head. Sons of God, the moment the hand of the Lord came upon my head, I felt a surge of power through His hand into my body from my head to my feet. In the blink of an eye, I found myself on the ground and then teleported to a place like a desert. The heavens opened, and I saw a beam of light like a ray of gold shining on me. I saw creatures like light, which I perceived as angels, descending and ascending on that light. I heard the audible voice of God. He said,

"My son, I have called you and set you apart to preach and take the teachings of the gospel of sonship, Immortality, and Incorruption to the nations of the world. Through you, I will communicate strange power and strange glory of my presence. Men shall see my power through your life."

He spoke to me about some things that I should not reveal until He instructs me to do so. After that encounter, I teleported to my body. When I came back, I took all my medication and trashed it. I did not trash my medication because somebody prayed for me; I did it when I knew that Jesus had healed me. I knew it, and I trashed my medications. Since then, God has rectified my heart. I have gone through all kinds of heart x-rays and tests. They say my heart is perfect. It's been almost 20 years now, and this man

is kicking. There's no devil anywhere that can challenge me.

Lift your hands up, your encounter for your healing has come in the name of Jesus the Christ

HOW TO ESCAPE THE CORRUPTION OF MORTALITY AND DEATH

"To every thing there is a season, and a time to every purpose under the heaven: A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; A time to kill, and a time to heal; a time to break down, and a time to build up" Ecclesiastes 3:1-3, 8

You are functioning under the consciousness of the tree of good and evil. It is not a good tree. It is a tree that produces good today and produces bad the next day. So it's a world of happiness for a week, sadness for two weeks. It's a world of riches today, suddenly losses the next day. So nobody on earth is ever going to have a smooth stretch like that in life, this is because it is not a world as God has prepared.

Everything on earth is timed. The entire world is controlled by kronos. The question now is, how do we come out? The only way you can come out of kronos is the same way through which you came into kronos. You cannot come out of the dominion of kronos if you don't exit through the same principle through which you came in, take note that, you were born into kronos.

Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God." John 3:3

So to come out of the kingdom of kronos, there has to be another rebirth. You were born through the womb of a woman, and when you came into kronos, you came in with a cursed garment. And that garment is what has held us on the crossroad. That garment is the human flesh. The human body is bound, it is death-bound, it's under the control of the curse of kronos. So for a man to come out of the dominion of kronos, the man would have to be born again. Remember, Jesus wasn't just talking to the ruler who came to him in the night.

"Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God." John 3:3

So there has to be a relocation, a migration, a translation from the dominion of darkness to another kingdom where the law of the spirit is what governs that jurisdiction. Paul began to tell us about two dimensions and the two covenant laws of these dimensions. He says there is a dimension where the law of sin and death controls. Of course, that is kronos. The wages of sin is death. Then there is another dimension where the law of the spirit of life in Christ Jesus controls. He says if you are born again, you will see the

kingdom, but that's not entering into the kingdom. Entrance means possession. Entrance means capacity to seize the tangibility of the governing laws and substance of the kingdom. He likens entrance to those who are born of the spirit. He says if you are born again, you have begun the process because you have received the gift of righteousness through the grace of redemption in Christ. Let me give you two scriptures.

"Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God."

John 3:3

"Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever." 1 Peter 1:23

Not born again but, b-e-i-n-g, meaning this is a continuous stuff. It's not something that you have achieved because there are three aspects of being born again. It's as simple as justification, sanctification, and glorification. When you are caught in your pre-existence, that's when the born-again experience is completed, when you have been caught up in the glory of God. That's when you come out of the influence of kronos completely. Now he says if you are born again, you see the kingdom because you have received the gift of righteousness, you have received the seed of eternal life.

But this seed and gift of righteousness ought to be nurtured through your obedience to the Holy Spirit, through your fellowship with God, and communion with the deep things of God, so that you can produce a harvest to complete your purification. Then he went further to say,

"Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God."

John 3:5

He now uses a different word there. He says, "Born again to see the kingdom, born of water and of the spirit to come out of kronos and enter into another realm where kronos does not have control." Amen.

In the days of Moses, only Moses made it. In the days of Elijah, only Elijah made it. There will always be a few remnants that will persevere through the dealings of the Spirit to overcome the test of God. We all can talk as though we know it; we can preach it. God is waiting for us in the action moments and not just to act today, but to remain consistent because the key is consistency. Jesus says there are two births that will transit a man from the dominion of kronos into the dominion of eternal life. One is born again by grace and born of water by sanctification and the laws of faith. Living by the word of God is what will bring you into sanctification. This is so important because, you cannot come into the realm of holiness and pollute that

dimension. Kronos advances anywhere where there is sin. Kronos will elevate where there is corruption. Kronos is the god of corruption. He is a god that pays the penalty of corruption.

Kronos will not have power in your life from this day forward. I see a generation of the body of Christ that will reverse the curse of kronos because of their daily consistent works of righteousness that will produce continuously the harvest of life, the harvest of holiness, and the harvest of the glory of God on earth in the name of Jesus Christ. Amen.

CHAPTER THREE

OVERCOMING THE TERROR OF FEAR

UNDERSTANDING THE SPIRIT OF FEAR

"For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." 2 Timothy 1:7

Now, that means that fear is a portal to a spirit. Fear is a portal to the realm that inhabits the spirit of destruction. So there is a realm that inhabits the spirit of fear and if you fear, you open the portal. Fear is a certain demonic key that unlocks the realm of demons. Do not see fear as something that you express saying just like I am afraid. Fear is a key. Fear is a spiritual law that unlocks the realm of spirits. Anxiousness is a spiritual key that unlocks the portal of a spirit. Now there are certain energies that we emit that are actually laws in the realms that unlock spirits and unlock realms. We live in a dimension that is so mixed, so interwoven, that if you don't understand it, you will be messing up. There are many more things around you but they are invisible. They are all together, they are all in parallel line. So everything is together, but what separates you from this is called visibility and invisibility. So the invisible and the visible realms are interwoven, but the separation is that one realm is visible

and the other is invisible. Certain frequencies can unlock the entering point of certain unclean spirits. Certain conducts can unlock the entrance point of spirits, urges and lusts. Certain actions can unlock the entrance of demons. You see, actions have the power to create a stronghold.

What's a stronghold? A stronghold is a permanent entrance of a certain spirit. A stronghold is a legal entrance of a particular spirit. For instance, strongholds are not only limited to darkness. One can have a stronghold of righteousness. One can have a stronghold of prayer life. One can have a stronghold of studious scriptural life. One can be so studious, one that is so engrossed in studying scripture and that becomes a stronghold. Strongholds are powered by abilities. There are spirits who are abilities. They are the ones that sustain strongholds. There are other spirits that are angels. They are free independent creatures that pass messages from one realm to the other, but they are not in the same category as abilities.

Abilities can power you to a point where you don't know why you're feeling the way you do. Abilities power strife. Abilities power immorality. Abilities power orgasm. A man will suddenly begin to have affection for another man. A woman will begin to have affection or connection, sexual connection to another woman

This is now where the spirit of abilities operates. They sustain contrary energies. They sustain contrary auras. They sustain contrary negative energies. Depression, anger, wrath, immorality, uncontrollable urges are powered by abilities. But before these abilities creep into any individual, certain influences in that person's conduct would have to unlock the portal that unleashes the entrance of these invisible demonic abilities to now permanently power and sustain that particular sin. So that means the only way we can quench and destroy the entering point of abilities is to ensure that we do not activate that realm of abilities by abstaining from contrary ungodly conducts. Because over a period of time, it will become an open portal for that particular spirit of abilities to sustain, empower and keep alive that particular situation that you are going through.

"For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." 2 Timothy 1:7

So that means if I fear, I attract a spirit. Remember, fear unlocks spirits. The laws to open realms are within the man. Your thoughts and your tongue are very powerful. Have you forgotten that your tongue is a channel of power.

"Whoso keepeth his mouth and his tongue keepeth his soul from troubles." Proverbs 21:23

So that means every part of our consciousness is a key to realms. Every creature is in a realm, but the keys to unlock the realms for an entering point or for an entrance of these creatures lies with man. Your tongue is one of the keys that unlock realms. If you speak death, you unlock the realm of the spirit of death and that will gradually, systematically, progressively invade your life with some circumstances that will end your existence on earth. Every casual word, you will be held accountable for it. I have taken time to study the words of Christ.

*"But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgment." **Matthew 12:36***

Do you know why? Because the realms of power is governed and unlocked by the tongue. Whether you are born again or not, it does not matter. Man is an authority in the realm of keys. Man is an embodiment of keys. Your word is a key to a realm. Your imagination is a key to a realm. Your thinking is a key to a realm. Your conducts are a key to a realm. Even your energies, your fear, your

anxiousness unlock realms. And the question is, what type of creatures does your anxiousness unlock? I am asking you right now, what type of spirits does your fear unlock? You see, remember

*"Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof." **Proverbs 18:21***

So that means the same energy, if channeled positively, can unlock positive spirits. So be careful what you do with your abilities that have the capability of unlocking realms and unleashing creatures of these invisible realms. If you discipline your eyes, you will be able to see and look upon the unseen. Apostle Paul cannot tell you to look at the things which cannot be seen if you don't have the capabilities.

*For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him." **Colossians 1:16***

And then somewhere somehow the same author of this same scripture wrote and said,

*while we look not at the things which are seen but at the things which are not seen. **2 Corinthians 4:18***

So the same author now told us that we have the capability to look and see beyond the visible. So I can discipline myself to a point in my walk in the realms that I can see with the eyes of my soul. Because you see, when Adam was a living soul, he was able to see. He was able to see with the soul realms, with the soul essence. He was also able to see in his physicality. Whenever spirits appeared, they all had the capacity to see spirits. Spirits see, spirits speak, spirits hear, but the hearing of spirits, the seeing of spirits and the talking of spirits are in another dimension. A spirit can appear right now and if any individual has no capacity, if any individual has not developed himself to a point of mastering the realms beyond his physical location, he would not be able to sense, behold, see, hear and of course communicate with that spirit because spirits operate in another frequency. Spirits operate in another dimension. They come with certain energy. They come with a certain presence. So mastering the glory of spirits becomes very important because I don't even have to see a spirit to know what type of spirit it is. I can only through the presence of that spirit tell. I can just walk into a place right now and tell exactly what type of spirit is there because I have what we call the spirit of discernment.

Discernment is the only capacity that we have in Christ through the operations of the spirit to be able to distinguish between unclean and clean spirits. Without the gift of discernment, it becomes impossible for believers, for any Christian to separate, to be able to separate between evil and good spirits. The reason is because every spirit has been created to serve God and to serve the sons of God. Live carefully on a daily basis knowing well that every unit of your component is but an authority of keys that unlock realms and unleashes creatures of higher dimensions. Your tongue unlocks powers from the realm of powers.

My imagination unlocks the realms of strongholds and the spirits that power strongholds. My conducts can unlock the realm of the flesh and the demons of flesh will invade my entire life and perfect me in the flesh. My fear unlocks the realm of fear and the spirits of fear will invade my life and I will create a contrary atmosphere that will continue to nullify the promises of God in my life. My anxiousness can unlock the portals that will unleash powers of darkness to hinder the answer to my prayer.

"Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God."

Philippians 4:6

So if you are anxious, you block and hinder the entrance of your answers. So you are a walking key.

Understand who you are. Your eyes are an entrance into your soul, so you got to be careful what you watch. Your urges can be activated. A spirit can operate through your sight to control your urge. So you've got to guard what you hear because your ear is an entrance into your soul. Don't tell me about anything. Don't gossip in my ears. I hate gossip. I dislike gossipers. You don't survive around me. Allow me to discern people. Don't infuse gossip in my head because if you infuse gossip, you have disrupted my antenna of spiritual discernment. If I begin to perceive an individual from a gossip, my capacity to discern accurately has been destroyed. You are incapacitated to discern when you have listened to side talks, so your judgment can never be accurate. As a leader, you sit in the seat of power, you don't need to hear gossips so that when you judge, you judge accurately. Don't keep leaders who listen to gossip. They will disrespect you because they will have their own notion while you're talking. They have their own preconceptions. They will just keep quiet and be looking at you as though they believe you. They do not believe you because they have already listened to gossip. And this is where the spirit of rebellion and disobedience creeps in. Gossip can unlock many gates of realms. I can tell you several gates, several keys that unlock gates of spiritual powers. They are within the man. You are a living authority, a living key. I said this before, you are walking keys. Be careful what you unleash.

Be careful what you unlock. Be careful of the thoughts of your head. Be careful of your impressions. Be careful of your assumptions because they will disrupt your perception in the realms. They unlock spirits of deception. All these are carriers of the spirit of fear because they end up tormenting you

"There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love." 1 John 4:18

CREATING A FEAR FREE ENVIRONMENT

The Ecclesia is in war. The Ecclesia is in warfare against the gates of hell. Fear is one of the major gates of hell. We are in a constant war against the gates of hell, and it is important to create an environment where fear cannot survive. What is a gate? A gate is access, an entering point, and an exit point. That's a gate. So if you give an entrance to hell, what happens? Demons from hell will have access to that particular place where the gates are opened. What realms are opened against your family? You may say Pastor John, I don't believe in realms. I don't know what is. Whether you believe it or not, that thing that is afflicting your emotions, your health, your mind, your intellect, your thoughts are gates of a certain spirit. Gates have been opened. Spirits have been unleashed. Listen, whether you like it or not, the universe, the earth, the physical world, the mental realms,

the spiritual realms, and of course emotional realms are controlled by invisible forces. There are creatures for your emotions, there are creatures customized and created to infiltrate and influence your emotional realm. There are powerful creatures that are made to influence, control, and seduce your mental realms. Even the words from the mouth of Peter were identified to Satan, allocated to a higher force using his tongue to speak.

*"But he turned, and said unto Peter, Get thee behind me, Satan: thou art an offence unto me: for thou savourest not the things that be of God, but those that be of men." **Matthew 16:23***

The question is, that feeling you are having for that man, that feeling you are having for that woman, where is it coming from? You think it is your feelings? No, there is a gate of inordinate affection that has been unlocked to your emotions, causing you to have those deceptive inordinate urges towards somebody. If you ever give expression to such demons, you are finished. Every demon comes with a curse, every demon comes with an affliction, every demon comes with a detrimental effect on your spirit.

*"This I say then, Walk in the Spirit, and ye shall not fulfil the lust of the flesh." **Galatians 5:16***

It means that you cannot overcome your flesh by mere observation of God's commandments. You overcome the flesh by walking in the spirit. You can know that something is sinful and still do it. You know why? Because the only way one has the capacity to overcome the flesh is to begin to walk in a realm that is beyond the physical illusions called flesh. Flesh is a realm, the spirit is a realm. So wherever you walk, you fulfill the lust of that dimension.

These are two spiritual entities emanating from two unique distinct realms: the realm of the flesh and the realm of the spirit. The spirit of self-control, because the fruit of the spirit is likened to the offspring of the spirit, the fruit is always called child or children.

*"But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance: against such there is no law." **Galatians 5:22-23***

These are the powers, the spirits, that we come under their influence when we walk in the spirit. When you walk by your flesh, the spirit of fornication will control your urge, the spirit of heresy, the spirit of uncleanness, the spirit of malice, the spirit of strife, the spirit of hatred, the spirit of anger, the spirit of witchcraft, and mental evil projections will begin to dominate you. You know why? Because you have opened the portal of flesh and the works of the flesh, the spirits that walk the flesh will invade you and cause you to fulfill their abilities. When the spirit of fornication comes upon a man,

that's a spirit of urge that will cause you to begin to desire fornication or adultery, and by the process of time, you will fulfill it. That lust is planted. The word in the Greek, fulfill the lust, means to complete, to finally complete or accomplish that urge. The same with unforgiveness, revenge, you finally fire back, you've completed, you have fulfilled that lust of your flesh, you have fulfilled it, the urge was there trying to cause you to do it. By the time you did it, you have fulfilled it, you have satisfied it, you have fed it, so it has now been established. It has been established as a stronghold captured in your bloodline, captured in your mind.

So it's going to take a lifetime to cast it down or vigorous fasting and prayer, heavy prayers to be able to bring down the throne of your inordinate actions that you think that you can just say "Lord forgive me." Yes, he forgave you, but Satan has cloned that demon into your mind. So at that point in time, please, if you're a worker in church, step down. When you are filled with lust, step down. When the devil is using you, step down. Do yourself a favor because God will cast you into the great tribulation.

*"But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea." **Matthew 18:6***

It's better as early as possible. If you cause the downfall of his innocent ladies in church or innocent men or coordinators or workers or anointed people be warned. You see, the problem we have is that we think that because we have done things and we're still breathing and eating, don't you know that your future has been sealed? I am not a person of the moment. Do you know that everybody is heading toward the future, not the past? Your past is the one that is crafting your future. Your past and your current behavior is crafting the future ahead of you. I'm telling you now, when I speak this way, people should listen. These are my secrets.

May you fulfill the desires of the spirit in Jesus name.

God knows that you are mental. God knows you are emotional. God knows you are physical. You have always been physical, you have always had a mental realm, even prior to the existence of your spirit. You've always had an emotional realm, but God knows that the authority that has the intelligence to govern, to navigate these other three realms, the real you, your mental, physical, and emotional realms, is the human spirit.

Your access to the spirit realms empowers the influence of God in your spirit to govern the rest of the spiritual realms that awaits you. If you don't pay good attention to the leadership of the spirit on the inside, you are going to self-destruct, and God will not be blamed.

Let me tell you something, your physicality is capable of destroying your eternity. Your mental activities are capable of destroying your eternity, and your emotional activities are capable of destroying your faith in Christ. But if you bring these three activities, these three realms under the authority of your spirit by the Holy Spirit, you will be surprised how each part of these realms that are within you will come under the glory of the Lord, and your entire life will bring fruit and pleasure unto God.

*"For the flesh lusteth against the Spirit, and the Spirit against the flesh: and these are contrary the one to the other: so that ye cannot do the things that ye would." **Galatians 5:17***

For instance, if you walk in the spirit, you would not do what the flesh wants you to do. If you live according to the flesh, you will do the things that the flesh wants, and you will not be able to do what the spirit wants you to do. So that means my victory over the flesh is my willingness to walk in the spirit. My conquest, my continued continuous conquest against the flesh is my willingness to be diligent in walking by the Spirit of God. So God has deposited into you a spirit, and that spirit in you is the authority of God over your mental realm. That new spirit that you have in Christ, the Bible calls

that spirit the inner man of the heart. That spirit is an authority. That spirit carries all the potencies of God's nature and essence. That spirit in you is your victory over death, over disease, and over sin, and the creation of the flesh. So when God gave you a new spirit, he knew that that's the end of disease, that's the end of sin in your life. Yes, of course, I know that there are other realms that are within you. There are other spirits that have invaded your mental realms, invaded your emotional realms, your urges, and all of those, but God knows that the fire that he has deposited in your spirit, if fanned into flame, if stirred up, if fired up, will consume and destroy all of satanic inordinate establishments and deposits in your physical, mental, and emotional realms. The cure is in your spirit. The healing is in your spirit. The rivers are in your spirit. The gifts are in your spirit. But men would have to do what Galatians 5:25 says

"If we live in the Spirit, let us also walk in the Spirit."

It is not about boasting that you have God. After you have received God, do you live godly? Don't tell me that you have the kingdom of God in your spirit. If you have the kingdom of God in your spirit, do you live godly? So let's stop embarrassing God

What was it that Christ saw that got Him upset when he came to the vine? He saw legit, well-nourished, well-flourishing branches that had no fruits. He chopped them off. Get out! I have put so much in you, yet still you are pretending. You're living in sin. You are playing with your life. Get out of here. I am done with you. God is not to be mocked. Stop trying to mock God

Enthroned the governorship of your regenerated spirit. You know why? Every regenerated spirit is a son of the Holy Ghost, is a child of the Holy Spirit. So if you pay attention, if you give full attention to your spirit, to things that build up your spirit, to things that nourish your spirit, to the instructions of your spirit, you will begin to become a stronghold, a principality in the realms.

CONNECTION OF FEAR TO DISEASES AND DEATH.

A soul is invisible. A soul falls under a spiritual entity. A soul falls under the spiritual category. Remember, God is invisible, and God visits the man in the garden. Man had the capacity to hear the voice of God, interact with God and because he was a soul man, he had a certain glorious clothing that gave him a supernatural covering. His hearing was in a perfect state, so that the voice of God translated or transmitted love and connection. But something happened when sin entered the world.

*"And they heard the voice of the Lord God walking in the garden in the cool of the day: and Adam and his wife hid themselves from the presence of the Lord God amongst the trees of the garden. And the Lord God called unto Adam, and said unto him, Where art thou? And he said, I heard thy voice in the garden, and I was afraid, because I was naked; and I hid myself." **Genesis 3:8-10***

When sin entered him for the first time, that which never existed came into existence which is fear. Fear had never existed. What was fear? Fear was his experience when the voice of God came after he had eaten from the tree that God warned him not to eat from. So the combination of the voice of God to the hearing of the dead man who had eaten from the tree that God warned him not to eat from. That was when fear came into existence. That experience of the voice of God to the fallen man in the garden and the extraction in words that Adam gave to that resentment which he had toward God was what created fear. Remember, whatsoever Adam called that feeling became a reality because he did not know what fear was. He had never He had never heard of the word fear, but that was an expression in words that he gave to that feeling. Then Satan succeeded in taking hold of that force.

"And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him. And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night."

Revelation 12:9-10

So Satan has no power, but your fear empowers him. The strongest power on earth is not the devil, but your fear has become the strongest tool of the devil. So the strongest force on earth is not the devil, but it is the perception of the devil. You think you are old enough to get married, you become afraid. So every man that comes your way, you sleep with because he promises you marriage. What is leading you to that? Fear. The month is ending, you need to pay your bills, you have been threatened by your landlord that you will be kicked out, and you are a few days away to the end of the month. You go and steal, you lie to make up the finances to pay the bills. What led you to that? The same spirit of fear. Fear only creates your physical realities. Fear is responsible for your physical experiences. Fear is responsible for what you become.

Fear is what gives the devil entrance into your destiny. Fear is what corrupts the agenda of God in your life.

Fear removes you from the territory of God and puts you in the territory of darkness. Fear is a product of functioning in a realm where God is not your reality.

SIN, THE FEAR FEEDER

Every intentional sin is a form of idolatry. One who knows what God wants but refuses to do it is an idolater. God's judgment will come upon each idolater sooner or later. If you are planning to sin with the hope that after you have committed the act of sin, you will ask God for forgiveness, I plead with you not to dare it. There is no guarantee that you will be able to repent after you have sinned deliberately. People who sin deliberately will keep sinning. The moment you have started sinning, forget it. It will take a gripping hold of you. The reason is that repentance is a gift of God. God might decide not to give you repentance. One of the deliberate acts of God is hardness of the heart. God can harden your heart, He did it to Pharaoh. Repentance is an act of the Holy Spirit.

Repentance is an act of God. If God has not given you the heart to repent, you will not. If the Holy Spirit has not brought you into repentance, you can't. It is better you don't start sinning. Don't even go into it. The possibility of entering into apostasy is high if you deliberately sin. God is busy saving mankind. The Holy Spirit is moving mightily in these last days to salvage humanity. You cannot sin and play with sin in these last days. You don't do it.

It's even better you don't start the journey with that sin. Don't even open that chapter because that sin might take a lifetime before you can come out of it.

*"For it is impossible for those who were once enlightened, and have tasted of the heavenly gift, and were made partakers of the Holy Ghost, and have tasted the good word of God, and the powers of the world to come, if they shall fall away, to renew them again unto repentance; seeing they crucify to themselves the Son of God afresh, and put him to an open shame." **Hebrews 6:4-6***

So watch your life now if you are a believer and you've gone into a certain sin, be it adultery, fornication, lasciviousness, heresies, idolatry, wickedness, jealousy, gossips, plotting the downfall of another, lying. You

deliberately lie, so you are finished. You have journeyed yourself into the state of apostasy. You have fallen away and you have become part of those that scripture recorded or prophesied about.

"Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition." 2 Thessalonians 2:3

There is going to be a great falling away before the coming of Jesus Christ. So to sin intentionally is to crucify our God all over again. Can you take that responsibility? Is that what you want to do? Because that is what you do when you disobey the instructions of God after you have known the truth.

"Follow peace with all men, and holiness, without which no man shall see the Lord: Looking diligently lest any man fail of the grace of God; lest any root of bitterness springing up trouble you, and thereby many be defiled." Hebrews 12:15

You may ask, how can I know the sin that will be a sin unto death for me? The answer is that no one can know before the sin is committed that that sin would be a sin unto death

for him. Any sin can be unto death. Let nobody lie to you that there is a particular sin that can kill you. Every sin can lead to your physical death. But of course, I can give you some glimpses here and there of possible sins that can lead to death. Now check the sin of sexual immorality. King David committed this sin, and for him, it was not a sin that led to death. He repented and was restored.

On the other hand, his first son Amnon committed the sin of sexual immorality with his sister Tamar, and for him, it was a sin unto direct death. God killed him. Secondly, check the sin of lying. For example, many believers have lied and not died immediately for it, because for them it was not the sin that led to death. However, for Ananias and his wife Sapphira, when they each lied, the sin was unto death. Some might have lied and did not die instantly, were not judged to die, but at a particular time, somebody lied and it translated in Zion, a sin that requires immediate judgment of death. Harden not your heart when the Spirit of God is convicting you of your sins. That sin, when lived continuously, can bring a sudden judgment of physical death on your body.

CHAPTER FOUR

LIVING AS IMMORTAL BEINGS

IMPORTANT SPIRITUAL EXERCISES

1. THE POWER OF THE HOLY COMMUNION

What do we achieve when we partake of Christ? What do we achieve when we eat of the body and the blood of Jesus? What becomes of us if we by the Spirit have the discernment of the body and the blood of Jesus? What would be the fruit of this discernment? What would be the dividend or the advantage of discerning the body and the blood of Christ? What would be the disadvantage of eating Jesus unworthily? What happens to a man who eats Jesus, who eats the body of Christ and drinks His body unworthily? So Jesus must be received in the spirit. He must be received in the soulish realm, and also He must be received in the material world. But the receptivity of Christ in these tridimensional outlets or layers of human existence must be well understood and captured. Now in the spirit, Christ is the Logos of God, meaning Christ is the established government of God's eternal plans in the spirit. He is the Word of God in the spirit. But in the soulish realm, He is the light. If you have not known Jesus as light in your soulish realm, you will lose out in the material world. Jesus ought to be your drink, your blood and body to preserve your body. Your life in the material world requires that Jesus becomes your meal. If you have not captured Christ in that dimension as your body or

your meal or your drink, you require divine perception, you're to stay in meditation until light dawns on your soul. Now Jesus Christ said in the physical realm, in the material world, He eats the bread and He says, "I am the bread of life." Keep that in your mind. I'm the food, I'm your drink. And what's the drink that He brings to us? His blood. Come on, is your imagination switched on now.

What's the solid food that He brought for your solid body? Bread. So man is made up of two elements: water and solid, liquid and solid, body and fluid. Now bread serves your solid body, and of course, the blood of Jesus serves the liquid, the fluid part of man. So I am your wine, I am the blood, and I am the bread, I am the body. Now you ought to eat me with understanding. When you partake of me, eat me as one that does not die. Come on, sons of God. So I need to capture Christ, I need the revelation of who Jesus is in the material world. Who is Jesus in the material world? He's my bread. He's my bread of life. Amen.

He's your bread of life. So if you eat Him, you will live and not die. They're waiting for you to die of cancer. Ten years have passed, they're waiting for you to die of that poison. Twenty years have passed, they're waiting for you to die of the HIV. Fifty years have passed, they're waiting for you to succumb and die of that disease. Eighty years have passed. By the

time they were waiting, they themselves have died, because what you have has given you the power to live supernaturally. For the Bible says that we are partakers of Christ. In other words, we are by the grace of God sharers of Christ, and Christ is your ultimate inheritance. Christ is your ultimate possession, so I got to see Him as my possession and my inheritance.

*"In the beginning was the Word, the Word was with God, the Word was God." **John 1:1***

The Word of God ought to be received in three dimensions. The Word of God ought to be received in the spirit dimension. Capturing what the Word is in the spirit dimension enables us to relate with the Word of God effectively in the realms of the spirit. Having an understanding of what the same Word of God is in the soulish realm gives us the capacity to comprehend the benefits of God for our mental health and soulish dimensions. Capturing what the Word of God is in the physical material world gives us the capacity to comprehend the realities of God's benefits for our material existence. Imagine if you run with one aspect of the revelation of Jesus Christ, which is of the establishment in the realms of the spirit. Then guess what? You will be deprived of the benefits of the

same Christ in the physical realms. I have seen millions of people who believed in Jesus, I mean in the spirit realm by faith, and they still die of pain and diseases. I've seen many believers who have truly believed Jesus with their spirits, but in their mental state, they are dying of depression, rejection; their mental state is unhealthy. They are struggling with all kinds of ordeals, all kinds of struggles in the realm of the human mental realms or in the human soulish dimensions.

2. LABOUR FOR AN ENCOUNTER

I want to show you how to receive the assurance of immortality in this mortal body. You must push in prayers, push in the spirit until you have this particular encounter that I'm about to share with you. I'm not disputing your eternal life of the spirit. It's there. You got born again. Jesus gave you eternal life in your spirit. But the Father is much more pleased when we have eternal life on our bodies. Peter had revealed unto us how eternal life can be conveyed to the human body, how not to die, how to receive the assurance of life eternal for the human body.

"Knowing that shortly I must put off this my tabernacle, even as our Lord Jesus Christ hath shewed me." 2 Peter 1:14

God has showed me that this is a revelation that was beyond the days Jesus lived on earth. Peter had another revelation after Jesus had departed. And this is an encounter beyond Jesus in the human body. This is an encounter of the Christ after ascension. Peter had an extraordinary encounter of which he met Jesus face to face, and Jesus gave him assurance that this is how you are going to exit the earth. He knew because it was a vision from Jesus. And until you have had a vision from the Lord to receive Immortality, it may never come. Immortality is received in the dimension of visions. Immortality is received in the realm of encounters. And that's why our ministry is poised to push in men and women into the dimension of ascension and encounters. Everybody who has received Christ can have an encounter. It depends on how hungry and deep-rooted you are towards instructions of the Holy Spirit. Encounters are not limited to just some few individuals.

"And a vision appeared to Paul in the night; There stood a man of Macedonia, and prayed him, saying, Come over into Macedonia, and help us. And after he had seen the vision, immediately we endeavoured to go into Macedonia, assuredly gathering that the Lord had called us for to preach the gospel unto them." Acts 16:9-10

So the body can be quickened, the body can be revitalized. But it is through the ministry of the Holy Spirit that your body can be revitalized. But before that happens, two

things must happen. Number one is that you must have a vision of Jesus. And number two, you must receive a word from the Lord Himself.

*"He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him." **John 14:21***

Any man can make the choice to love Him and any man can receive the manifestation of Christ. It is in that manifestation of Christ that you lambano(seize, lay hold) on Immortality. If Who you have is the Jesus of the Bible, the Jesus of the letter. That will not give you immortality until you see the Jesus of the Bible face to face. And that's what Christianity should have been all about. Christianity is not about just doctrines and religious activities.

*"All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness." **2 Timothy 3:16***

The same word is profitable for rebukes, profitable for reprove and correction in righteousness. But beyond the word is the encounter with the Living Word. And when you have an encounter with Christ, of course, if you are diligent in keeping the instructions of the Lord, He will manifest Himself

to you. In that vision of Jesus, you can't die anyhow. No man sees Jesus face to face and dies anyhow. It's impossible, not even in this moment, because this season is a season of immortality. I said nobody sees Jesus and remains the same. Press forward, push day and night. You will be rewarded with Immortality. You will be rewarded with the manifestation of Christ. Look forward to the visions of Jesus. Pay the price that is required to have an encounter with Christ. The moment you have an encounter with Christ, everything will change. Your Christian life will change. Your faith will change. Your convictions will change.

THE CODE OF HUMAN CONSCIOUSNESS

I want to direct your attention now to the three consciousnesses of human existence. You have what we call the subconsciousness, the consciousness, and the unconsciousness. Man resides in all these. The subconsciousness of man has the capacity to introduce what we call the conscious mind or the consciousness of man. One of the human consciousness is indefinite or it is eternal. You see your consciousness is your current definite existence which can be stopped, can quit, can be manipulated, can be compressed by the information that you have allowed to creep into your consciousness.

Yet God wants you to have what we call infinite

consciousness. If we can learn to subscribe our conscious existence from the subconscious and allow the energies of this consciousness that came from the subconscious mind to emit and envelope and engulf our natural existence, we will never again enter into unconsciousness. Imagine losing your consciousness by unconsciousness. You became unconscious meaning you would lose your human natural existence in this world by what they call death. What is death - unconsciousness. You've lost the consciousness of your natural physical existence on earth by death. You know why, it is a sign that the subconscious has no authority on your consciousness. It is a sign that you have to an extent received a certain life from the subconscious, which became your consciousness and suddenly you deprive that little conscious definite existence of the values of the subconscious.

Because of the deceit in our world today, if you don't know how to use your spirit to bring your body under control, then the cravings of your flesh will end your conscious existence. When you depart your body through the gate of death you will not even know that you existed. You are asleep, you know nothing, you were waiting for resurrection. Resurrection is not necessarily that God is going to put your bones together, your natural body to rise again from whatever caused the death.

You know people don't even understand resurrection. Let me give you two categories of people in the heavenly realms, the unconscious and the conscious. Yes there are so many people that have passed on that are unconscious in the heavenly realms. The reason is that God has not yet allocated them with any spiritual body. The Bible speaks of the glory of the sun, the glory of the moon, terrestrial bodies, and celestial bodies. You see, these are dimensions. So if God wants you to come into consciousness, He gives you a body.

The restoration of the dead is the gift of bodies for any realm that God wants them to come into. Men like Apostle Paul and Peter, who lived and died in their purpose, their bodies received new bodies, they are the cloud of witnesses. They entered the realms of heaven with a heavenly body, but not everybody did. They are witnesses; we are witnesses on earth who received heavenly bodies. They constitute the seat of the elders. Let me tell you what happens to a man who knows that he is not the body but is in control of his body. This man was lost in the deep twice. He got stoned to death, bitten by a viper, subject to the most vicious adverse circumstances. He did not succumb to any.

You know how he passed? He didn't pass unconsciously. When you are not in charge of your conscious realm by your subconscious, if your spirit is not in charge of your conscious ,

existence, then Satan will make you pass and leave your body unconsciously. Consequently, you don't know the way to return back to your body. So Satan clouds your spirit, clouds your conscious mind, so you don't know how to return back. You start floating because every man that dies has a few seconds to return. Yes, the moment anybody dies, they come out of their earthly tabernacle. I've experienced it, so I can tell you by experience, not by books. I have died, and I saw myself floating. I just saw my body. That split second that you come out of your body, you can get back in, if you were in charge of it before you exited it. So when they stoned Paul dead, he had already known how to detach from his body and war against his body, buffeting his body, bringing his body under subjection. So a man who had such a mastery of his body, how dare you think you can kill him? Because the only thing you can kill is the body. No man can kill the soul, no man can kill a spirit. Soul and spirit only belong to God's destruction. Satan does not have power. Satan does not have the ability to kill the human soul. Sons of God in all of his abilities; he cannot touch your soul. The destruction of the human soul is solely in the hand of Yahweh. Jesus says,

"And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell."

Matthew 10:28

So when man thought that he had killed the body of Paul, they didn't know that Paul had a mastery of the body. Immediately they touched his pulse and confirmed that he was gone, they said, "He's gone." When they all left, Paul was watching the scene, exploring realms. You know that Paul was a man of realms. Ah, he said. "Look at how they are handling my body, don't touch me, you're touching me too much." And in the next few seconds, "No problem, I'm here." He entered his body again. His disciples were shocked when in a few seconds he stood up. He could not be killed until he gave up his body after his assignment was completed.

They tried everything they could to kill John the Beloved. John didn't know how to escape the body, but he had so much life. He had so much life that the subconscious life had become the life of his outer man. They tried to cut the hand; knives could not go through. They stabbed the kidneys; the kidneys would reboot. The only man who entered incorruption. They tried to corrupt beloved John; no one could. No one could successfully introduce corruption into him, because he says, "Our fellowship is with the Father, with His Son Jesus, the Son of God." So we have a fellowship, we have an intimacy, we have a union with God. He lived in the revelation of the glory of Jesus, and his outer man was completely engulfed with the glory of Jesus.

They couldn't do anything. They devised all sorts of evil, thinking let's see how you're going to survive it." They put him inside a completely filled-up drum of oil and nailed it, meaning, number one, there was no oxygen. And while he entered there, how did he get his breath? That means his life was no longer found in the oxygen. Put away all these scriptures like the previous church, ignore these testimonies, the glory life will not inundate our bodies. Who is preaching these truths? That's why we are perishing like rats everywhere. Nobody has expounded these truths to us.

So if we live in this conscious state of our existence according to the word of God, then the subconscious will have authority over the conscious mind and over this earthen vessel. I put under my body, and I bring it into subjection. So if I, the subconscious, have gained a conscious authority over this physical material body, then will I be in charge of how long it should live? Yes. Seize this truth and make it yours. You are in charge, God has given you full control.

CONSCIOUSNESS AND UNCONSCIOUSNESS AFTER DEATH

Let me give you two categories of people in the heavenly realms: the unconscious and the conscious. Yes, there are so many of those that have passed on that are unconscious in the heavenly realms. The reason is that God has not yet

allocated them with any body. God has not given them any bodies because, you see, the Bible speaks of the glory of the sun, the glory of the moon, terrestrial bodies, celestial bodies. These are dimensions.

So if God wants you to come into consciousness, He gives you a body. If God wants you to come into any civilization or any realm, He gives you a body. So the resurrection of the dead is the gift of the bodies for any realms that God wanted them to come into. That's the concept of resurrection: sown in corruption, raised in incorruption; sown in weakness, raised with power.

Men like Apostle Paul, men like Peter, who laid down their bodies, received new bodies. They are the cloud of witnesses. They entered the realms of heaven with a heavenly body, but not everybody did. They are witnesses. There were witnesses on earth that received heavenly bodies. They constitute the seat of the elders. They are senior citizens in the heavenly realms. Any man that has ever preached immortality and strived into it and maybe have lost his body on earth, he will catch it immediately he's ascending.

Catch the revelation . It says, "I am the life. If you believe, you will not die. I am the resurrection. If you die, I will raise you on the last day." It shows up to you. If you believe that He is the life and you live on, you will receive a new life, a new body. But if you don't believe that you can live forever, you die, you go to sleep. He will leave you there because that's your belief. So He will respect your belief, but He will not disappoint you on the day allocated for your resurrection. So in the graves, in the spirit realms, there are different inscriptions or scripts on different graves. This one believed in resurrection, says "Resurrection." That's why we say, "Oh, he believes in life. Oh yeah, come up, take this body of life." Jesus preached it. He said, "Do you believe that I am the life?" To continue living even though they happen to abolish, I mean to abort your life, why you believed in immortality, He will clothe you with another life and teleport you to another civilization where you continue existing and join forces with the cloud of witnesses. But if you believe that you would die and resurrect on the last day, a seal will be put on your grave. This one is for resurrection, so don't trouble him, allow him to sleep. He can't handle the fight in the realms. Paul has not stopped fighting. Some of you think that Paul died and he is relaxing in heaven? Know this now, The heavens are not clean, the heavens are not pure There's still war in the heavenly realms.

These men that died are still fighting. Faithful witnesses like Idahosa is still fighting, Bonnke is still fighting. They only finished their work here and stepped into another dimension to war. The Bible says beneath the earth, in the sea, in the air, in the heavens, on earth, at the mention of the name Jesus. So there are still creatures who rebelled against God, there is still war against creatures of different realms. They must all be brought into submission by the matured adopted sons of God.

HEALTH AND VITALITY TIPS

There are laws of health and nutrition that apply to the wellness of the physical body. These laws when harnessed will preserve your body to function the way God designed it. Do not feed your child with milk from cows because they will behave like cows. The reason why we have many of our children acting like animals is because we raise them with milk from animals. Yet God gave you the breast. what is that breast for. You know that when you were pregnant that breast started forming new ingredients. What was in that breast? the milk originally made by God for that child. You're asking why is my child sick, or sickly, acting like animals, well how do cows act. The greatest nutrient a child needs is in his mom's breast. I'm trying to tell you why we have lost longevity at the age of fifty, But you don't have time, it's not

easy, you're not comfortable, it's painful. How can you feed animal food to your child. Let me give you a picture maybe this will help you to stop it. Imagine you give birth and you take the child to go and suck directly from the breast of your cow. It's just that the child didn't go directly to suck from the breast. They professionally packaged it and feed the child with it. I've never seen where animals went for the milk from man, they are highly dignified. What animals were supposed to do is to stay around our farms defecate on it to add organic content to the soil so that when we plant our food, our crops, they grow. That's their job. they're not supposed to be killed. They are supposed to fertilize our farms but today we use artificial fertilization and we are eating poison in form of food because we have fertilized it artificially. We have finished the very creatures that were supposed to put the manure naturally. At 50 a man is looking like he is 200 years. At the age of 60, 70 he's looking like he's 150 years, something is wrong in what we eat, how we carry out our lives from the foundation of our existence, we were fed animal milk so something is already wrong in our DNA. Don't keep bitterness, anger, offense, unforgiveness to cross into the next day no matter how hurt you are, release it before you sleep. Forgive because you see, bitterness, anger, unforgiveness when it enters into the next day it becomes highly infectious, very destructive. What happens when a wound is infected? It can kill you. So don't let it get infected,

it gets infected when you pass it into the next step, that infection will kill you so don't let your enemies kill you by offending you. The next important instruction is stick with one sexual partner, the greatest disease on earth is sexually transmitted. The greatest demons on earth are also sexually transmitted. Some of you don't know that even though you escaped the disease of that woman or that man, did you escape the demons in that person. The moment you are having sex outside marriage you are joining forces with a demon, you are developing a sexual appetite that will destroy your future. Finally don't drink beer, beer will grow your stomach. Avoid alcohol, you already have enough alcohol from the veggies. Most of the things we eat has alcohol content to a certain level. Your body doesn't need much of alcohol. If you ever want to drink red wine because you think it will improve your heart, take just few portions. Eat food as medication so that you don't eat medication as food.

*“So if we live in this
conscious state of
our existence
according to the
word of God, then
the subconscious
will have authority
over the conscious
mind and over this
earthen vessel.”*

JOHN ANOSIKE

CHAPTER FIVE

HOW TO OVERCOME PHYSICAL DEATH

Follow the footsteps of Christ. He was the only man that lived on earth, met with death, conquered death, went to the reign of death and its legalities, crushed and disarmed Satan of his legal ordinances written against humanity, and disrupted it legally. He came out of the grave victoriously and then took you into the position in the realms of the spirit that is stronger and has legal power over the realms of death. He says, "Operate from this realm."

It is time to perceive death as an enemy. We must understand the vulnerability of death and come to master the power, abilities, wisdom, and cunning of death. When death came in, it started to understand the powers in our imaginations and thoughts. It knew how to stir up our lusts and use them against us. Each year, death discovers a new ability within man and gains authority over it, reducing the lifespan of man. It took death almost 900 years to bring us to an 80-year lifespan. Man can now only live around 80 years, down from 900 years, because the devil began to master all the authorities within human existence and governing powers.

Imagine if he controls your imaginations, then he will filter

and infiltrate your entire abilities within your imaginations, influencing even unborn children. Your fears can be transmitted to your unborn child. When he infiltrates your genetics, he influences your conduct so that it becomes captured in the genetics of your family line. You see your child behaving exactly as you did, and you wonder why. It's because the spirit of death has a mastery over human abilities. To defeat death requires mastering its vulnerabilities and consciously depleting it daily to gain maximum authority and control over death. This is not an overnight task.

The first thing we must understand is to have deep, strong, unstopped, unhindered, untouched intimacy with God. Never lose that radar. Have deep communication with the Lord, staying in that place constantly. Jesus taught us how to do this. He was always in prayer, in communication with Zion, in visions, and in hearing God's voice. He harmonized with His Father in Heaven and manifested His Father's activities on earth. Every word Jesus spoke was disciplined and echoed God's words. He was not distracted by natural events. He ensured that what came out of His mouth was godly, regardless of physical activities.

When talking about immortality, some may say, "I am immortal." But if the words from your mouth are ungodly and the images of your imaginations are filthy and ungodly,

can I ask you one question? Who brought death to life? Man. And whose life does death live? Man's. And who will destroy the last death? Man. Who will reclaim life and mortality from death? Man. And who is that man? You. Jesus Christ is working that in you right now. What are you becoming? The final product of the man Jesus. He is working in you to produce you to become His final sample.

Death came to life by man. The Lord said to Adam, "If you eat of this tree, you will die." When Adam ate, death came to life.

"Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned."

Romans 5:12

"For if by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ." ***Romans 5:17***

"And death and hell were cast into the lake of fire. This is the second death." ***Revelation 20:14*** .

Death is a living creature; it came alive by man, and by man, death shall be destroyed.

So death is a living creature, not an accident that claims life. There is a spirit behind every death. Death and hell were cast into the Lake of Fire, establishing that death is alive. Between Adam and Jesus, about 3,700 years passed. From Jesus to today is over 2,000 years, making death's reign over 6,000 years. Whose life is death living? Man's life. He took the exchange. Just as Christ's death on Calvary was an exchange, Adam's eating of the tree exchanged his life with death. Christ exchanged it for you on the tree because Adam exchanged the life on a tree too. Death has lived for over 6,000 years, yet man lives less than 100 years. Wake up. Go back to the realm of death and take back what is rightfully yours. How do we increase authority over physical death? Deplete the hold of the flesh. Die daily to overcome death. Starve death by killing the flesh. The only thing that satisfies death is fornication. Wake up. Fornication is more than a sin; it reduces your lifespan.

*He that commits fornication sins against his own body. **1 Corinthians 6:18***

*.. for the wages of sin is death. **Romans 6:23***

Sin brings eternal death, it also brings consequences to your body. Invisible diseases gain authority over you through your bloodline. Sin activates death. that's the mystery of sin.

The grace of immortality has been released. We are the generation that can enter immortality. Extreme acts of righteousness will be rewarded with immortality. Promiscuity, nakedness and seduction are at its peak because Satan wants men to be more vile than ever, he wants the reign of death to culminate in mortality, hence the intentional and institutionalized promotion of pervasive contents and lifestyle. Satan knows what happens when a man stays holy, he knows there would be sudden increases in spiritual ranking to save nations from corruption.

The days are near where men will seek death and not find it. They will desire to die, but death will flee from them. There will be a time when men will be perfected with immortality, yet in hell, death will be recalled. They will be in a state of consciousness full of pain but immortal. They will seek death, fall from heights, harm themselves, but the body will revive. Then all men will know this body can live by the power of the Holy Ghost when death is withdrawn.

*“To defeat death
requires mastering
its vulnerabilities
and consciously
depleting it daily to
gain maximum
authority and
control”*

JOHN ANOSIKE

CONCLUSION

Armed with the knowledge gleaned from these pages, you are now equipped to live a life that transcends the limitations of mortality as a son of God. To experience Immortality, demands a diligent, serious, and intense alignment with the Lord. Every step you take is a deliberate choice towards a future intertwined with eternal life.

*"Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you." **Matthew 7:7***

So it is a call for you to align your spirit, soul, and body with the eternal light of God, the light that conquers death, a light that is transcendental and transformative. This light is the essence of God's presence, guiding you toward a life where death is completely invisible.

To experience Immortality your imaginations will be a conduit which transfers the light in your spirit into your soul.

*"And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God." **Romans 12:2***

When Christ becomes your life, it means that your human life will come under the energies of the Almighty. There is a

conflict of frequencies and vibrations within the constitution of man which is life and death. When life prevails, you are rewarded with Immortality. Your life is not found in your kidneys, vital organs or the food that you eat.

*"I am crucified with Christ; nevertheless I live; yet not I, but Christ liveth in me." **Galatians 2:20***

This heart that is beating is not your life. You have another life that sustains your heartbeat. There are certain frequencies and dimensions that ought to be beneath your consciousness to show you that you are not alive because of your heartbeats. You are not alive because of your kidneys; you are not alive because of your bones. You are alive because Christ lives in you.
