INTRODUCTION

This second volume explores the profound sound codes of spiritual revelation within the ecclesia, unveiling the intricate dynamics of ascension through prayer, the mechanics of spiritual battles, and the exercise of spiritual authority. With insights on how to cultivate an atmosphere for ascension and confront the spiritual war zones that shape our reality, this edition provides practical steps to navigate and thrive in the spiritual realms.

In this volume, we are graced with a special contribution from Pastor Ola Anosike, My adorable wife, a woman of the Spirit, given to much intercession, especially for the Ecclesia. A minister anointed with grace and the Holy Ghost, who is a role model, raising children who fear the Lord and walk in His ways. We are deeply honored to include her wisdom and insights in this edition, as she shares her unique revelations and experiences in the realm of spiritual warfare.

This book is another branch plucked out of fire, serving as your torch in the spiritual war zones." You will be equipped to confront principalities in heavenly places, empowering

you to roar against every disease that afflict both the body and spirit. This edition is a war alarm from the watch tower to awaken the warrior within you, to bind the strong man, and to take the spoil.

I urge you to realize that the people authorized to roar with the voice of God are saviors who have emerged from the Lord Jesus, our supreme King. These are the breed that understands how all things are programmed from the realms and how the earth functions as a deity and can be programmed for or against her inhabitants. You must arise and program earth to respond according to your words

I encourage you to take the revelations in this book and rise in spiritual authority with readiness to stand firm against the forces of darkness, so you can emerge a formidable force in this end-time battles. Welcome to WAR. This WAR

CHAPTER ONE

THE SOUND OF SPIRIT REVELATION ECCLESIA

*The LORD shall go forth as a mighty man, he shall stir up jealousy like a man of war: he shall cry, yea, roar; he shall prevail against his enemies. **Isaiah 42:13.***

This scripture gives us a powerful insight into the mode of operation of our Lord as a mighty man of war. Let's read the scripture again carefully, meditatively envision the picture being painted by the Spirit of God. The Lord when he goes forth in His war mode releases a cry, a shout, a roar and He prevails against his enemies. The Spirit was deliberate in describing the sequence of events, a roar was released and immediately He prevailed, He was triumphant.

When a sound is released it carries a coded message, the sound is intelligent, it knows what it has been released to accomplish. Specific sounds carry specific frequencies, which vibrate in the direction it was sent to perform. In this realm there's absolute accuracy of information, measurements and exactitude in reaching intended targets.

One of the greatest energies in the realms is the ROAR sound, because it is the adopted sound of God as the lion of the tribe of Judah. What is the description of the sound that comes out of a lion. A ROAR. When a lion roars, it is projected boldly, loudly, and it reverberates across its entire habitation. A lion's roar is understood by all who hear it.

The Lion's Roar is the sound given to our ministry as our prayer language. We roar in the realms. The sound that has been given to us under this mandate is the exact sound of God Himself. When we roar as sons of God, what the enemy hears is the sound of God Himself. God has authorized this work and blessed us to showcase His sound, to release Christ Jesus in the earth. We are representing Christ in establishing His kingdom on earth, as it is in heaven. It is a sound that projects dominion. It projects authority and power. It projects rulership, kingship and governance.

When we release the roar, things begin to overturn, situations begin to bow. The works of darkness tremble and shake vigorously, they have no resistance to the roar of a king. For everywhere you hear the roar, you will see judgments executed.

*To execute upon them the judgment written: This honour have all his saints. Praise ye the LORD. **Psalm 149:9***

The lion has arrived. Everywhere you hear the roar, you'll see vengeance take place on evil. Everywhere you hear the roar in scripture, you see the utmost power of God in display. That sound is beyond what any man can ever understand or comprehend mentally. Not even our physical senses can decode the languages projected in a roar, physical beings cannot understand even the physical lion's sound, much more the roar of the Lion of heaven. Tell me if right now as you're comfortably seated, if you hear the sound of a lion behind you, and you know for sure that it's a real lion, what are all the things that will go through your being in that one moment? Most people will experience an irresistible shock to their system. Submission to authority, you suddenly know power has arrived, the fear of the Lord overshadows you. You know something stronger has come in, might, dominion and power. So when we roar in prayer, we must understand what we are doing. We must war with understanding. Be fully aware that releasing that sound is setting the atmosphere of rulership, kingship and dominion because demons, principalities and powers know ranking in the spirit realm.

Diverse cadgers of spirits are present in the spirit realm, that's where they all abide and operate. So they understand the sounds. They know the dimensions and they are hoping that you will walk in ignorance.

That's why when they saw Christ coming towards them, they said Oh Son of God, why have you come to cast us out before our time? They know who is who?

Man can hide from himself, he can hide from his neighbor who he truly is with a smile, but you can't hide from a spirit. All things are open in the spirit realm.

Probably it's more accurate to say, all things are naked in the spirit realm, nothing is hidden. So when the sons arise with the sound of authority, they know what that sound means. When you are in prayer, one of the first things that will be judged is the sound of authority. So we can say, prayer emits sound.

Even if you're speaking in a normal tongue. Your prayer is sound. The creatures of the realms will judge the content of your sound. Is this a king talking? Or is this a fearful believer talking? Do they know who they are? Do they carry authority? Do they have the fire and the power? The first thing they want to know is who is talking to me? Principalities will always ask you, who is this king of glory?

"Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in." Psalm 24:7

And they'll ask, who are you? Who is the king of glory?
For every time you enter warfare, the first thing your enemy wants to know is who are you? Who am I dealing with? because you are their enemy.

So you ought to know who you're dealing with. You ought to know the enemy that's coming against you. Can you conquer it? So I'll ask you, when in prayer what do you project?

And let me tell you in all honesty, you can't project what you don't have. That is the way the spirit realm works. You may use a loud voice. But there's no power in it. You may also use a loud voice and there is utmost power in it. You may use a calm voice and there's no power in it. You may also use a calm voice and there's utmost power in it. The point is not the tone of voice. The point is the power in the command.

. "Therefore prophesy thou against them all these words, and say unto them, The Lord shall roar from on high, and utter his voice from his holy habitation; he shall mightily roar upon his habitation; he shall give a shout, as they that tread the grapes, against all the inhabitants of the earth." Jeremiah 25:30

In Bible language, you know treading the grapes means judgment, it means vengeance. Three times in this scripture you hear that the Lord roars mightily, and he utters his voice with a shout. So one thing we must take away from this book is to know that God has equipped us, assigned us with his own specific sound, that is, to roar mightily in the realms. Roar courageously with the consciousness of a conqueror.

We have been assigned as representatives of Yahweh, the sons of light, the sons of God, the manifestation of the fullness of Christ. His exact image and likeness, to demonstrate and enforce His victory on the earth.

The Lion of the tribe of Judah has arisen in these end times for judgment, for order, and for vengeance.
I said vengeance is mine, says the Lord.

*"Vengeance is mine; I will repay, saith the Lord." **Romans 12:19***

Evil has come to a culmination point such that the time for vengeance has arrived. And He is setting His order through man. God works in correlation with man in this realm.

So if the Lord wants to release judgment here, tell me how will he do it? He would do it through man. Understand that the earth realm belongs to man.

How does the Lord release judgment? Through the ROAR,

for every time we roar, we attack things in the realms. We release tremendous power and the might of God goes into motion.

We destabilize principalities and powers, rulers of darkness in high places, spiritual wickedness, coming against the lives of men. We render their schemes useless. Every time we roar, it is never in vain. Something is changing in the direction of your roar. I love the expressions chosen by the Spirit, in that for every time God has to speak, you won't hear the Lord prayed. You won't hear the Lord said a few words. You won't hear that the Lord released the declaration upon the people. But you will hear, He ROARED? Natural minds may not understand it, because the things of the spirit are only spiritually discerned.

The Lord also shall shout out of Zion and utter his voice from Jerusalem, and the heavens and the earth shall shake, but the Lord will be the hope of His people and the strength of the children of Israel. Joel 3:16.

"And he said, The Lord will roar from Zion, and utter his voice from Jerusalem; and the habitations of the shepherds shall mourn, and the top of Carmel shall wither." Amos 1:2

What is the roar?" Roar is God's voice. The Roar gives

strength and hope to His people. The Roar makes the enemy shake.

When you Roar in prayer, know that you are destabilizing the systems of the earth. Systems that are in opposition to God's eternal plan and establishments.

So when we are in prayer, when we roar, sometimes people wonder, "What am I saying? I'm roaring." There are no words to it. There's no physical understanding to it. What am I doing? It is a sound from your innermost belly. It is actually the Spirit praying with inarticulate speech which are only understood in the realms. It makes no sense to the mind, so the mind is unfruitful. Maybe speaking in tongues may sound a bit like saying words, so your mind can relate better with that. In this mode of operation, there comes the highest shutting off of the physical mind to something beyond, completely beyond your natural understanding, to shut off the frequencies of the earth and the limitations of mankind to assess the dimensions of the spirit. If we ignore this manner of yielding to the spirit and only pray primarily within our mindsets, so shall we be limited. You must understand that the parameter and the jurisdiction of your prayer is controlled by what you set around it. It is controlled by that limit, the hedge, the wall that you put around it.

When you pray with your physical language, you don't go beyond what you prayed. You pray your natural thoughts and selfish desires which may not be what is on the spirit's mind at all. For instance

"Father, I pray for amazing things to happen this day. I pray for my sister's kid who is currently ill to get better and your prayer ends there." Then when you progress to the language of the Spirit, the prayer language transcends your known words. He prays through you in times when you know not what to say. "He just as well might be saying in the name of our Lord Jesus the Christ that person in China right now sitting on that death bed you are rising up. Rise up and prevail over that adversary. A life is restored supernaturally and God's pleasure is performed.

You begin to pray beyond your natural comprehension, because in your natural mind, you will never have known about that person in China upon that death bed. You would only pray for your sister's child beside you that you know about. When you break into the realm of roaring, into the sound of Yahweh Himself, now tell me, how far can the sound of God go in the realms?

And how much can be contained in His voice? This is the kind of effective prayer God is calling the ecclesia into.

"Then the channels of waters were seen, and the foundations of the world were discovered at thy rebuke, O Lord, at the blast of the breath of thy nostrils." Psalm 18:15

So when it was time to help His people to cross the depths, He just released his breath. Glory! Halleluyah! We serve a mighty God. I have no idea how the earth will look when Yeshua actually arrives. I see why the Bible writes that heaven and earth will flee. The mountains will run. They will develop legs and flee from his presence.

If just a puff could divide the sea from beginning to end and keep it standing till His people crossed safely through the sea. What kind of God do we serve? So, that is just him breathing out. What about when he chooses to roar? That one is called end of discussion.

So, He has sent His people ahead as the fore runners to begin to roar. To clear the air for His arrival. To prepare them for the fight coming, when He Yeshua shall roar, that's the end of it. But for now, He sent us ahead to begin to release vengeance, to begin to put things in order, set things in place.

The king is coming. Put your feet together and run your race with fear and trembling. For Yahweh to come, our voice is to release fear in the hearts of men, that the hearts of the children be drawn back to the Father, that is the spirit upon the end times for the Church of God.

*"And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse." **Malachi 4:6***

So when we roar, when we pray, when we fire up the atmosphere, it is not just for the local assembly where you're praying, it is not just for our families, friends and loved ones, it is for the Ecclesia, for the whole world at large. Because the whole world, the whole creation is earnestly awaiting the manifestation of the sons of God. They are hearing your roar, all realms hear your roar. The spirit realm hears it, the water realms understand it, thunder and lightning understand it.

Go look into every element of the earth. You will hear the sound of God. Have you taken time to listen to an earthquake when the earth speaks? Have you ever experienced an earthquake?

Have you experienced the magnitude of an earthquake? Maybe if you haven't, go and research it. Hear it as it lifts

houses up. and sinks them down. When the earth speaks, you hear a roar. They know that tongue is the tongue of the earth. Listen to the waters when the waves crash. That's why when Apostle John heard some words from the throne, it sounded like the roar, the sound of many waters. Listen to the sound of the roar, listen to the sound of the lion. Do you not hear the waters, the sound of the waves?

*‘Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof’. **Psalms 46:3***

*Let the heavens rejoice, and let the earth be glad; let the sea roar, and the fulness thereof." **Psalms 96 : 1***

For every element you will hear their roar. So the roar is a tongue that all creation understands because all must hearken to the voice of God. You can hear water, you can hear fire, you can hear earth, you can hear air. Glory to Jesus the Christ. It is a sound that controls all creation. It is a sound that speaks to all realms. Sons of God when you roar, you are addressing creation and that's the assignment.

This is what we were called to do originally when man was created. That's what we were mandated to do when He was leaving the earth. He told us to go and preach to every creation. If you're going to preach to every creation,

then what is the language of creation? It's the Roar.

In every man, the sound is sitting on the inside, waiting in the belly, when the Spirit comes upon, you hear a sound that you know is supernatural, be you male or female. We are the voice of Yahweh here on earth. We are his mouthpiece. We are His voice.

Beloved, you have been positioned to roar. You've been positioned right in the mouth of God to roar to the nations. To roar to all creation. To roar to the whole world. So we will arise with this mandate and begin to set creation in order. Set fire in order. Set water in order. Set land in order. Set animals in order. Set mankind in order.

Maybe the astronaut should tell you how it sounds in space with the fast movements and whistling of the asteroids and the space rocks.

The Spirit of the Lord is brooding everywhere, waiting for the lion nation to activate creation as they should have been from time past. Sons of God, we have arisen. We have arrived. We have awoken.

Have you seen the eyes of the lion? When they enter fierce warfare, it looks only white. Did you notice? When a lion is ready to attack, you see only white? That is the mode of active war.

If Jesus could call people sons of thunder, called another

one a rock. He was very elemental in his identification of people. Let's take some time to look at it. Thunder, lightning, the sound of the roar, take some time to meditate on it. The rumbling of the innerman. Mankind has too long been complacent and relaxed. Mankind has too long chosen to be a lamb and you know that has been the current sound of the Ecclesia.

They are told that the Lord is good, He is kind, He is wonderful. He loves you', that's the sound of the lamb. But now the time has come when people need to hear. You are not a kid anymore, you are to grow up in the Lord. Leave the elemental things and come up higher to greater things. No longer will you live a life of one leg in, one leg out. It is consecration and holiness at its best. You crush your flesh, you bruise your soul. You chop off anything that will stop you from moving forward in God. No more pity party. This is the moment to challenge people out of their comfort zone. The roar sound translates into the message that you deliver. I received a vision from the Lord which revealed to me how spirits work with sound. It is an exposition that the Spirit of the Lord gave me on the spirit of seduction and how it enters people. It has an ethereal song it sings, when the sound enters its victim, then it goes into the person. As the person is speaking those words, It's the sound, that siren sound that the other person is actually hearing and getting enthralled in.

Now that's what I mean by your roar translates in your message. If you carry the roar within you, people will hear it in your message. There will be something in you that cannot sit tight. It moves you out of your comfort zone.

You just know you should not be where you are right now. It challenges you out of your seat and puts you on fire. The lion tribe needs to arise in every area. When you go out there, you're challenging the systems of the earth. you're challenging the norms of the earth, you're counteracting the systems of the earth boldly, and fiercely. If you don't sound like a lion, they will know, because man essentially has an understanding when you carry the voice of power. When you carry the voice of authority, the sound of authority, men will hearken to you. Do you know why they will hearken to you, because all men respond to the voice of God. They're hearing beyond your words, they are hearing the roar, the voice of God speaking through you directly to them.

We are of a great tribe. We are of a lion nation. We are of a purified, holy priesthood. And we carry a kingship upon our shoulders that is beyond any physical position here on earth. The magnitude of what we carry needs to become a reality to us, so that we can begin to occupy wherever we are. If we don't understand it, we will not take territories, we will not occupy. You take territories by occupying wherever you are, taking charge of wherever you are, and you keep expanding your boundaries.

Who are you in the workplace? Who are you in the home?
How many of you challenge the things of the earth.

How many walk boldly and confidently as sons of God. It's amazing that even the people of the world will challenge you with their own powers. If you challenge them, they will respond to you. "I'll get you, don't worry", and you know they mean it. They are coming for you, be it spiritually or even physically.

When a person speaks with power in what they have, you know the sound, yet that sound that they have is an inferior sound. It is the roar of the devil who moves around like a roaring lion, seeking whom to devour.

Now then, having come into a clearer understanding of the principles of the roar, how much more fear can we enact in the ungodly when we indeed take on the true roar of God?

I want you to understand that in this time and in this season, the fear of the Lord is the spirit that needs to be prevalent in this time, because men have become boldly wayward.

The fear of Yahweh, the respect for the glory, the reverence for the holy, the honor that should be given unto the King is what is needed in these end times.

Ecclesia, you enforce that honor by roaring boldly. Yes, they will ask, "What are you doing?" This is something new. This is something unknown to our understanding. Just like when tongues came in the early church.

"And they were all amazed, and were in doubt, saying one to another, What meaneth this? Others mocking said, These men are full of new wine." Acts 2:12-15

How could you be drinking wine at this time of the morning? Why do you choose to begin to roar like a lion, making animal sounds? May I kindly ask you as you study this text, do you understand what you're doing? if you are asked that question? Why do you roar? What would your answer be? Tell me, what is this all about?

Why do your eyes turn white? Is it not amazing that the physical sight has to be flipped to the back for the spiritual one to begin to see. That is an indication that man was seeing with that one initially until his eyes were closed spiritually, then the physical one came forth.

So man was meant to live life in the reverse of what he is doing now. It means that what you call sleep or visions or trances was to have been your normal habitation and experience. Then when you return into the earth you sort things out, because you were given dominion over it. You switch into the soul realm and the dream realm, you translate here, you get things done, you return back.

So we are living in a mirage. We are living in a counterfeit reality. This is why it seems like Ecclesia has been defeated for so long.

You don't see from earth to heaven, you see from heaven to earth. So we are living our lives after it's been programmed in the spirit realm. We live in the aftermath of it all. Only now are we arising and awakening to who we are and opening our true spiritual eyes to begin to see things in heaven, properly timeline events and address it before it manifests in the earth. This earth is full of dimensions and portals for mankind to translate and do his job. If your eyes were to be opened to the spirit realm right now, you'd be amazed how many entrances into the earth that there are?

It just happened that Jacob encountered one when he laid his head on a stone to rest. Meanwhile people passed by that road every day unaware that a powerful portal was opened there. If the Lord had not opened his spiritual eyes, he would never have seen that there's actually a ladder from heaven to earth in that particular place. Those are portals for doing the job, portals for ascension.

The angels come, get their work done, they are sent back. Even prototypes of the location of Eden was given. I'm sure the people who were trying to create the tower of Babel tried to tap into that. They probably pinned the location

given by scripture and began to roar in that area to open up something. Something that made Yahweh get concerned. If there was nothing to it, God would have just ignored them.

*And the whole earth was of one language, and of one speech. And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar; and they dwelt there. And they said one to another, Go to, let us make brick, and burn them thoroughly. And they had brick for stone, and slime had they for mortar. And they said, Go to, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth. And the LORD came down to see the city and the tower, which the children of men builded. And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do. Go to, let us go down, and there confound their language, that they may not understand one another's speech. So the LORD scattered them abroad from thence upon the face of all the earth: and they left off to build the city. Therefore is the name of it called Babel; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth. **Exodus 15: 3***

That account is one of the greatest mysteries of the Bible. The one that God himself said, "If we do not stop these people, they will end up, up here."

Now we know the way of ascension, He has given us access to ascend in the unification of the language of the Spirit. Remember that, he had to shut that project down by giving diverse languages for division. Languages were given for division. So, for that reason, we tune into the tongues of the spirit. But now, God has released His own tongue, His own sound, because His sons should now come directly to where he is. There was something those people were doing with sound that was shaking things in the realms and the Lord had to shut them up with a strange sound, so when one wants to say bring the bricks, they could not understand the command.

Then you approach another one. And they say, he asked you to bring "Ni hau ma?" Another one will say, "Gracias, muy bien, muy obrigado." Nobody could understand themselves. And then they began to find which one they understood and moved into communities, the Spanish, the Hispanic, the Asian, the Indian, and everybody moved to their own tribe.

So the unity of the faith is the herald of ascension. The state of the nation address by the Bondservant of Christ John was given for the unity of the faith. For Christ to

come, it will take for us to come together and roar. Something is happening in the realms, Yahweh has approved the season of sonship. Yahweh has approved the manifestation of the sons. God will not release His sound if he had not given His approval, because this understanding comes only from God.

*So flesh and blood has not released this to you. But my Father in heaven. **Mathew 16:18***

Upon this rock I will build my Ecclesia." He didn't say, "Upon Peter." I know that there's a cathedral that's built on top of the bones of Apostle Peter, well that's not what Christ meant. There was something that Peter said that picked the interest of Christ. And He said, "upon this rock, this foundation shall my ecclesia be built. Upon the foundation, the rock, the foundation of sonship, upon the revelation of sonship shall Ecclesia be built. The true church will never manifest until they rise up as sons, and the gates of hell will not prevail against them. Pause and think about these thoughts. Take time to meditate in your time of prayer, meditate on the understanding of the roar, the sound of Spirit Revelation Ecclesia, a sound of God, the roar ; His voice, the roar; His words, the Roar; His vengeance, the Roar ; His judgment, the Roar; his strength, the strength of Ecclesia, it is no ordinary prayer. It is the speaking of mysteries to all creation.

Are you aware that you're not roaring at God? You're aware and you understand the differences in operation per time.

He who speaks in an unknown tongue, speaks unto God. This is a different mode of operation. This is communion with God.

When you're roaring, are you roaring at God? Have you ever thought about it? In that moment of warfare, are you warring against God? No not at all. So it's not directed at Him. It is actually Him through you focusing on the world with the tongues you communicate. Then you stand as a lion to command the earth.

Say with me the roar ;His voice, the roar; the voice of Yahweh, the roar; His vengeance, the roar; His judgment. The roar; His strength. The roar; the hope of Ecclesia. Hallelujah. Glory to Jesus the Christ.

With this understanding I want you to stop for a moment and pray in the Holy Ghost. Roar in the realms. This time, do it with a clearer understanding of what you are doing. It's our voice of rulership. It's our voice of authority. It's our voice of kingship. We are offsprings of the lion of the tribe of Judah. When he speaks, he roars, and all creation hearkens to his voice. Now, he says, "My offspring, my sons, represent me. Showcase your father. You look like me. You should sound like me." If he made us in his image in his likeness, then when we speak, it should also sound like him. Let us do what we are called to do. Let us set the systems of the earth in order.

This is beyond your personal needs. Our pleasure has moved beyond personal selfishness, we are now all about the agenda of Christ.

The beauty of it is that when we focus on His work, He says what you sow, you reap. When you focus on His work, the reaping of it is that He focuses on you. Seek ye first, the kingdom of God and His righteousness that it may be established, and then all the rest shall be added on to you. It's your reward. It is a reaping of what you have sown.

So for too long we've gotten it wrong. We have first sought for the things that should be added, prayed for our needs, prayed for ourselves, prayed for our own vision, not the visions of God and so Ecclesia has moved in circles, for nothing had been added on to them. Christians seem to be the poorest in the earth.

Lift your voice up right now, begin to arrange the politics of the earth. Begin to arrange the marketplace of the earth, begin to arrange the systems of the earth, begin to command creation, the elements of the earth, begin to command the minds of men, that all should fall under the authority of Christ, under the governance of Yahweh, that His kingdom come and His will be done on earth, as it is in heaven. Let the sound of the Almighty be released in the earth. Release the sound of judgment on all realms. Yes, we are to judge even angels. Release the sound of order to all creation.

Release His fear on the minds of mankind. In all nations, in all kingdoms, in all the earth, in all dimensions, let fire hear your voice, let the air hear your voice, control situations, control timelines, control circumstances, be in charge, rule! You are sons of the lion of the tribe of Judah. Father, we thank you, we bless your holy name. A people that have taken up your agenda have arisen. A people that do not put themselves and their agendas first have arisen.

A shining, a prevailing in the realms. For Yahweh you come first. For Yahweh you are overall in our lives. You are all and everything in our minds, in our spirits, in our souls, in our bodies, in our entire beings. In the mighty name of our Lord Jesus the Christ. Hallelujah. Do this every day. Roar in the secret place.

Let Yahweh speak through your voice. You have no idea how many thrones you are addressing in the realm of thrones and ascensions. You have no idea how many thrones have addressed through your sound right now. How much Yahweh was able to do through your sound.

Remember He has mandated us to do this job. He will not do it. He said I'm seated until the ecclesia brings all my enemies under my footstool. I am seated until the ecclesia brings all principalities, all thrones, all powers, also all circumstances, all creation under my feet. So as we roar in the realms, we are sending creation under the feet of Christ.

Remember the feet of Christ is the gospel of Christ. We are sending them there to listen to the voice of God, to hearken to His words and instructions. Some of you don't know. You addressed principalities of time. And said, "Listen to the words of Yahweh. My family has access to eternal life. You cannot time them out." Some spoke to fire. And you said, "Fire?" No longer shall you burn mankind randomly, you shall serve them. Some of you spoke to water and commanded it to respect humanity and stay in its boundaries, not to overflow its banks to ravage the earth. Some of you spoke to others and instructed them not to touch mankind. It's a sound that all creation and all realms hear so God can use your voice to address multiple dimensions.

And the Gospel of Christ is preached to them. They are brought under the Gospel, under His feet. Glory to God. Rise courageously, knowing that you are His instrument of power. You are His instrument of rulership, of authority. You are His masterpiece, Hallelujah.

No more drawbacks in the spirit realm because of a lack of understanding. Next time, when you are instructed to roar, go ahead and open your mouth, knowing you are challenging dimensions, you are challenging realms, you are challenging principalities, you are challenging creation, challenging powers. The worst thing that could ever happen to a general in the midst of warfare is when his army is lagging behind, they don't understand the battleground or the command.

From now going forward, when we war, we have triple effect because we understand. We are in one accord and we roar in unison. He teaches our hands to war and we are His battle axe. What a glorious uprising in the spirit realm. The sons are rising. Your lives are blessed in Jesus' mighty name.

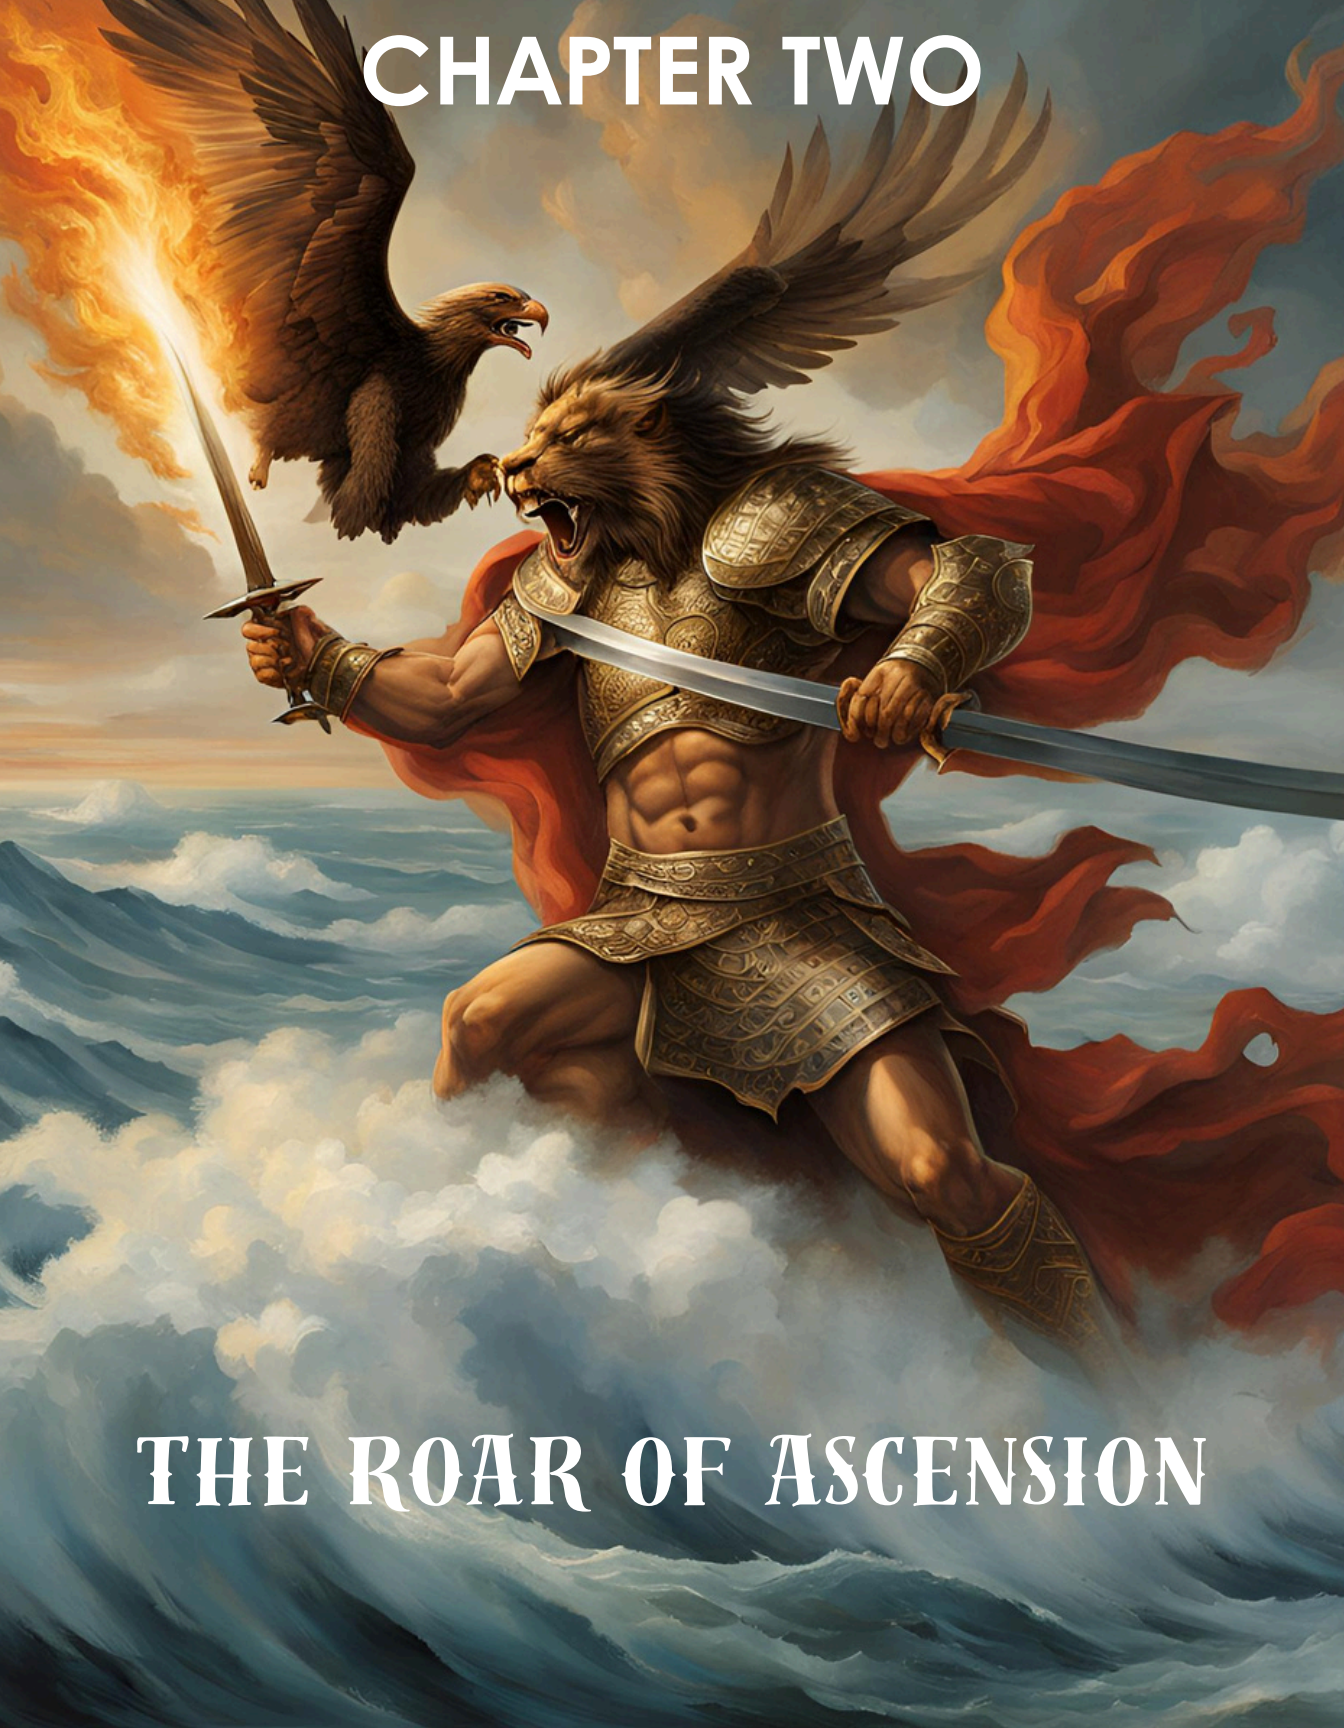

You are God's voice. The Lord has blessed you mightily. So that means that our vocal chords have received an exceptional grace. The instructions of the Word of God moves across gender and instructs the soul on lifestyle and how to handle this earth. The wisdom to address every situation and circumstance is locked up within your belly. Release it as you roar. Operate from your wisdom higher than the natural, higher than this earth realm.

There's one fellowship of the congregation of the Almighty. When you're out there walking and someone wants to attack you as a lady and you roar fearlessly, "Shahílah." This is the light the world wants to see. Roar like lions. Roar like kings. You are untouchable as you go out and come in daily. You are preserved, your families are preserved. Your destinies are protected in the mighty name of our Lord Jesus the Christ. That which is yours shall never be siphoned. Be blessed in season, blessed out of season. Yes, supernatural favor is upon your life. Go forth, prosper, the world is yours for the taking, in Jesus' mighty name.

CHAPTER TWO

THE ROAR OF ASCENSION

THE REALM OF PRAYER

The realm of prayer is a spiritual dimension where your heart, soul emotions, attention and indeed all your faculties connect deeply with God, surpassing mere verbal communication. You are in an intimate communion with the Godhead, characterized by sincere, heartfelt engagement rather than rote recitation. In this realm, prayer becomes a living dialogue with God, in which you are caught up or raptured in His glory. Your prayers are full of kingdom purpose and agendas, leading to encounters that overthrow the seat of darkness in human lives, communities and nations

Too often, prayers are made from the lips only, lacking the depth and connection needed to truly reach God. Such prayers fail to produce results or elicit a response because they did not enter or register in God's realm of life.

.

God has called us to pray without ceasing. In other words, do not stop praying, meaning that we ought to pray constantly, Prayer is the life that we live in the realms of the spirit. Prayer is a communion with the Father.

*Who is blind, but my servant? or deaf, as my messenger that I sent?
who is blind as he that is perfect, and blind as the LORD'S servant?
But this is a people robbed and spoiled; they are all of them snared in
holes, and they are hid in prison houses: they are for a prey, and none
delivereth; for a spoil, and none saith, Restore.. ‘ **Isaiah 42:19,22***

May I ask you a question before you tell me all your problems, before you consult that prophet, before you complain and say your life is not going forward, that nobody cares for you, your life is too tough. Before you tell me all those things, I want to sincerely ask you this, have you truly prayed? You may say yes, I have prayed, but how constant and how diligent are you in prayer?

Pray without ceasing. 1 Thessalonians 5:17

Men ought to always pray. Luke 18:1

Why did Jesus say pray always?

1. TRANSFORMATION:

In our habit of prayer, we become who we commune with. By becoming who you commune with, you have access to his abilities, his power, his wisdom, and his potencies in dealing with every situation. Just like some people are lazy physically, they want to become billionaires by dreaming, that's the problem. You want to wake up in the morning and become a billionaire, it is not that way. It is worked. Prayer is a work. Just like you have to work to become a multi-billionaire, you ought to also work in prayer. Nothing happens overnight. You must wake up to prayer. This is what God is saying to the church. Wake up to prayer. If you don't take responsibility for yourself now and develop a

habitual prayer life, you will die in the future. I know it doesn't sound good to the ears, but if you would say, "Lord, I am going to take on prayer" with all perseverance, you will prevail. Never judge by outward observation, there were those who just died this week. Two years ago they were strong as you are now. So don't fool yourself, that you feel strong right now doesn't guarantee tomorrow. But I can guarantee tomorrow if you are a diligent man or woman of prayer.

2. PRAYER INCREASES YOUR SPIRITUAL CAPACITY:

Prayer increases your spiritual capacity.

"He that speaketh in an unknown tongue edifieth himself; but he that prophesieth edifieth the church." 1 Corinthians 14:4

"But ye, beloved, building up yourselves on your most holy faith, praying in the Holy Ghost." Jude 1:20

He that speaks in an unknown tongue edifies himself, but he that prophesies, edifies the church. Your faith is built, developed by prayer. Most times, the reason your faith cannot deal with your troubles is because of your prayerlessness. There is a faith in your spirit that needs the energy of prayer or the energy that comes from prayer to empower or to propel your desired results.

"Howbeit this kind goeth not out but by prayer and fasting." Matthew 17:21

Satan can mess up your life if your faith is too little. Many times you tried to engage your faith, but your faith was dead, inoperative and inactive. Faith is likened to the battery on your phone. Prayer is like charging up your battery in the spirit. Faith in your spirit needs to be charged to full capacity regularly.

If your faith is dead, it is because you have not charged it. Prayer especially in the spirit, is what charges your faith.

*"For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith." **Romans 12:3***

So there is a power on the inside of your spirit, the power of faith. But that faith comes alive through prayer. If the battery of your faith is at ten percent, how can you expect a voltage of ten thousand capacity problem to be handled by a voltage of ten percent?

Some problems that you are encountering need ten thousand voltage of release of faith to deal with, but your battery, your faith level is actually ten, fifteen, or even less than five percent because you have not charged up your faith.

God said, "Go home and pray intentionally." Just know that every time you pray, you are building, you are developing your faith capacity. You are building up yourself, You are

increasing in the spirit so that when you're confronted by any force of darkness, you can easily cast them off your way because your faith is active and strong. There is nothing that can ever come against you successfully when you are a man /woman of a consistent prayer life.

HOW TO WAR EFFECTIVELY

Most of what we observe in the natural are actually powered from the unseen realm. This light is extremely important because many expend their energy dealing with symptoms when in actual fact we need to get to the root, the life source of the problem. Spirits are responsible for many sicknesses diseases and calamities that plague humanity. Many folks are held bound by the spirit from the water? Many are being controlled through their brain impulses. In other words, their brain cells are controlled by the spirit in the air. And many have been held captive by their determined decisions not to believe in Christ. The prince of this world has blinded their minds.

"In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them." 2 Corinthians 4:4

What is this blindness? What is the spirit that blinded them? A spell has been cast, and that spirit is a spirit of blindness and darkness that has blocked the mind of men who have refused to accept Christ.

The problem is not satan; the problem is the spirit in the air. There is a contrary eyesight that is responsible for blindness. That eye is darkness. It is a sight to a certain dark realm that makes that dark realm intelligent. On the contrary, in the realm of God, without sight you cannot see. You must understand that the darkness that blinds is a sight, a clear visual sight to a dimension.

But to another dimension, it is darkness. Remember when Adam received the sight of his fallen nature, he appeared naked. But when he had the genuine sight, the first eyes, he was clothed in glory. So, a sight can be visual and clear in one dimension, but blindness to another. It is important to know that the fowl of the air is responsible for the rebelliousness of human creatures against the word of God. To bring the light of God into the minds of men is the next frontier.

What does that entail? It means somebody would have to take a war in the air. You must take a war in the air and subdue the fowl of the air, and release and use the right fowls that have the right visions and cast light into the minds of men. If you are a Pastor, Please take this key. Take three days fasting. Ascend. War in the atmosphere. You will see how men will be drawn from all over. You challenge the prince of the power of the air because that will give you access to the human mind. That's where the authority is exercised.

How many today have been perverted? Some say, "I'm a woman in a man's body." Uncontrollable sexual urges that cannot be controlled. Where is this coming from? The spirits in the water.

So, to break the yoke of sexual sin, you would have to war against marine spirits, not the one in the air. You must descend into the water to confront spirits and redeem your sperm.

It is likely that before all these things started, you had sex in the dream or you had a wet dream. You woke up, you didn't know what it was, as though you were having sex, but they siphoned your sperm. They come to suck your sperm so they can use it to manipulate your urges and transfer and transmit the stronghold of urges, inordinate affection that you cannot overcome naturally.

So, the warfare must be taken down to that pit of hell. You must descend and challenge the fishes of the sea as their king. Remember, you've been restored. The word of God calls you kings and priests unto God.

*"And hath made us kings and priests unto God and his Father; to him be glory and dominion for ever and ever. Amen." **Revelation 1:6***

You are a king, you are a ruler. What do you rule over? Fishes of the sea, Fowls of the air, and the Beasts of the field.

VOTE THE SPIRIT, KILL THE FLESH

When it comes to the chronicles of prayer, the flesh is always weak. The mystery of prayer is beyond the jurisdiction of the flesh. Jesus revealed to us that the most insufficiency and deficiency of prayer is the flesh. When it comes to the dimensions of prayer, the flesh will continuously be weak. The flesh is weak to pray because the flesh knows that when prayer rises, the fire of the Most High prevails. When prayer rises, destinies change. When prayer rises, the plans of the devil are altered.

We are not victims of satanic agendas. Many died out of coronavirus. That was a satanic agenda. We are not victims of satanic plots, plans and schemes. Through prayer, we will alter the plans of the devil against our lives and families. We pray not because we feel like praying. We don't pray because prayer is as sweet as honey. We pray because we seek fellowship with the Father. We pray because we know the dimensions of prayer. We pray because Jesus commanded us to pray. We pray because we understand the power of prayer. Jesus commanded His disciples, saying,

*“Watch and pray, that ye enter not into temptation: the spirit indeed is willing, but the flesh is weak.” **Matthew 26:41***

He knew that through prayer, we can destroy the satellites of the devil. The language of prayer is continuously

misunderstood by the flesh. Wanting the flesh to translate strength in you to pray would be the greatest mistake one can make in a lifetime. The flesh refuses the desire to pray. We pray when we connect to the frequency of revelation knowledge, which is found in the written epistles of Christ. We are commanded by Jesus to pray because we know that the only way to undo all of Satan's activities and projections against us and our families is through prayer.

“For though we walk in the flesh, we do not war after the flesh. For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds.” 2 Corinthians 10:3-4

Prayer is for spirits. If you struggle to pray, it means you have not yet taken hold of your spiritual nature. Prayer is not for the flesh. Jesus said the flesh is weak, but the spirit is willing.

When a man prays, that is when the spirit finds expression through this earthen vessel. We are not afraid of the weapons of the devil. We are not afraid of our enemies because the moment we lift up the authority of the name Jesus, every weapon formed against us and our families will collapse.

Jesus is not concerned with what the devil is plotting. He knows that before He ascended to heaven, He gave us His name.

“And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues;” Mark 16:17

It doesn't matter the rank of the devil; all demonic powers and authorities are subject eternally to the authority of the name Jesus.

Tragedies happen because men are weak to pray. People are strong in every other thing, but when it comes to prayer, they are tired. Our enemies are not merely physical enemies; they are spiritual beings. Jesus taught His disciples that our enemies are demons in categories of scorpions, serpents, and spiritual wickedness. He gave us power against the powers of the devil.

Why do we consent to the weakness of the flesh? Why have you allowed the flesh to rule you? Do you not know that it is your decisions that rule? It is your decision to either consent to the weakness of the flesh and not pray or to consent to the willingness of the spirit and engage in the spirit realms.

You are not weak because the flesh is weak. You are not willing because the spirit is unwilling. When you don't pray, you have accepted the weakness of the flesh over the prompting of the spirit. There are two energies, two powers waiting for your consent, the weakness of the flesh and the strength and willingness of the spirit.

When a man says “yes” to the willingness of the spirit, the Holy Ghost supplies him with the energy of God. When he consents to the weakness of the flesh, the flesh supplies him with weakness. Weakness is a form of power that causes a person not to pray and not to engage in the spirit.

Until Jesus comes, I will not quit praying. I will not quit standing in the gap for my generation. I will not let the devil take control of the city. I will not let the devil rule this country or dominate the nations. God did not send His only begotten Son to die for the church alone; He died for the world. Pray for the world, pray for sinners, for God so loved the world that He gave His only Son. When you enter the realm of His love, that's when the spirit of intercession enters a man. Jesus said,

*“Then said Jesus, Father, forgive them; for they know not what they do. And they parted his raiment, and cast lots.” **Luke 23:34***

We are in a warfare with spirits. You must engage your spirit. Even at funerals, there is a part of you that knows that when a person dies, he departs. You are not flesh; you are spirit. When you realize that you must go blind to the flesh to see in the spirit, that's when the fullness of God will descend on you. Then you can truly pray in the spirit, you capture the depths of the spirit, you will walk by what you see and hear in the realms. This is reality.

ASCENDING THROUGH PRAYER

Righteousness is never a struggle. Righteousness becomes a way of life when the ministry of fire has finished its purifying process in you. We are not supposed to just pray verbally because we have felt the urge to pray. We pray verbally, we pray mentally, we pray with our imaginations, we pray with our thoughts, we pray with our desires. We set our desires on the word of God. We desire the things of God. We set our affection on the things above. So, the act of prayer differs in different dimensions spiritually, mentally, emotionally and bodily. We verbally pray in tongues, we decree, we declare. But mentally, we set our affections, thoughts, and desires on the things above. And of course, in the spirit, we ought to ascend, we ought to ascend in visions, we ought to ascend through encounters, we ought to ascend into dimensions of the spirit to interact with God in the spirit realms.

PRACTICAL STEPS TO ASCEND THROUGH PRAYERS

Ascending through prayer involves reaching deeper levels of spiritual communion and connection with God. This process can be broken down into 5 steps.

1. Righteousness and Fire

Righteousness grants us the privilege or right to ascend through prayer. It is our access pass into the spiritual realms.

However, the fuel for this ascension is fierce fire, which is not born out of our emotions but is a product of purification. This fire refines us, removing impurities allowing us to connect more deeply with God.

2. Setting Your Affection and Thoughts on Spiritual Things

To ascend through prayer, you must set your affection and thoughts on things of the Spirit. This means focusing your mind and heart on heavenly matters, aligning your desires with God's will, and seeking spiritual reality and enlightenment. By doing so, you create an environment conducive to profound spiritual experiences.

3. Through Visions

Visions are powerful spiritual experiences granted by the Holy Spirit to facilitate ascension through prayer by opening your spiritual eyes. The realm of visions provide insights, revelations, and guidance from God, helping you to see beyond the physical world and into the spiritual realm. Engaging in prayer with an open heart and pure mind will invite such divine visions, spirits of just men, custodians of dimensions of the spirit like Paul, Enoch, etc.

4. Through Encounters

Encounters are profound moments of spiritual elevation in which you are caught up in direct interaction with God or heavenly beings. An encounter will transform your life beyond what one million sermons can ever accomplish,

and open you up for ascensions in the place of prayer. Everyone who walked with God in the scriptures had direct profound encounters with God or angelic beings sent with divine messages to convey God's will.

5. By Engaging the Holy Spirit

Engaging the Holy Spirit is essential for ascension through prayer. This involves inviting the Holy Spirit to lead and guide your prayers, allowing Him to intercede on your behalf, and being sensitive to His promptings and movements. The Holy Spirit empowers your prayers, making them more effective and spiritually potent. When you pray and engage your spirit, you ought to ascend into the realms of God to interact with the spirits of just men made perfect. Prayer includes interacting with Moses, prayer includes interacting with Elijah and other divine teachers. It's not just interacting with God alone. Prayer can ascend into the realm of the spirits that have been perfected in Zion.

Sometimes, people may become very scared, thinking, "Am I going to hear some kind of strange spirit telling me things that are wrong? Am I going to miss it?" I've said this many times that, if you truly meet Abraham, If who you met in the realms is Abraham, Abraham can never tell you something that will go against God, because Abraham is eternally God's. Except you met a familiar spirit who deceived you to be Abraham. But we can check him out with the written word of God.

Prayers include interacting with creatures beyond here, men of old like Moses, people like Paul. You can talk to Paul. This is reality, yet many are completely unaware of this possibility.

This is the problem; we are so blind that we don't see beyond here. When Jesus prayed on the Mount of Transfiguration, he was in a conversation with Moses and Elijah. Moses died thousands of years ago before Jesus. I mean, Moses had gone, Elijah had gone. But they appeared as he prayed on the mount. They were having a conversation, and you see that the conversation was not just with God. I thought that prayer was only praying to God. No, God can give you a vision to interact with one of the 24 elders. Why the elders? They all have thrones. The Bible says these 24 elders have thrones and they all have crowns. So, these men are custodians of certain truths of God in the realms. They are the Council of Elders in Zion.

Prayer is sweet when the church truly begins to pray. Forget about this rhetoric that many people are doing, they are just struggling. The moment the Spirit of God activates your spirit, and opens the eyes of your spirit to see beyond here, and you begin to elevate into the realms of encounters, that's when you realize that you can pray for three days and it feels like a minute, is a possibility. Think of the dimension that Jesus entered when he went into the wilderness for 40 days and 40 nights.

Surely he entered into the realm of prayer. It came to a point when Jesus had to ascend into a dimension beyond this physical realm because the Bible recorded that Satan came and interacted with Jesus. So, the prayer that Jesus prayed in the wilderness was more of an interaction with creatures beyond here and an interaction in a dimension that is beyond the physical realm.

Tell me, how could Jesus talk to Satan? How did Jesus and Satan have this interaction? How did Satan take him and show him the kingdoms of this world? How did it happen? It's impossible for a man to be at any particular spot in the natural to be able to see the whole world, the kingdoms of this world and the treasures of this world. In fact, the Bible says, "And Satan took him." How did he take him? You realize that is in a realm beyond here, in the world of abstract, in dimensions beyond here, there is no space, there is no distance.

So, Jesus must have traveled with the speed of the spirit. And for Satan to have taken him and put him on the pinnacle of the mountain and showed him the kingdoms of this world meant that Jesus Christ had to ascend into a dimension beyond the physical world in order to go through that phase of His prayers and temptations with Satan. This human body must come under the surge of power to enable the spirit to take over.

HOW TO CULTIVATE AN ATMOSPHERE FOR ASCENSION.

Dreams, trances, and visions are all portals to different dimensions and realms of existence. One day, as I was preparing in my office, I closed my eyes and began to pray. Instantly, I was enveloped in a series of visions, transported into various dimensions and realms. In that moment, the Holy Spirit impressed upon me what message to share with my folks. This is how I receive directions even on what to pray and how to pray.

I want you to try something. Close your eyes and hold your right hand over them. What do you see? Even with your eyes closed, you can still perceive something, can't you? Now open your eyes. Which vision feels more real to you, the one you just saw with your eyes closed or the one you see now? The truth is, we have been conditioned to rely on our physical eyes for sight, but there's another eye, the eye of the spirit that must be mastered and unlocked.

Many times, the dreams we experience at night are simply a result of lying down in a quiet, tranquil environment. But within that state, we can access realms, realities, and creatures that we interact with on a spiritual level. These experiences often reveal things that are yet to happen in our physical world. To cultivate spiritual sensitivity, we must learn to engage our spirit intentionally. We need to create a conducive environment for spiritual encounters by quieting our minds and spirits.

When we do this, we unlock the gates of our spirit and gain access to divine messages, instructions, and revelations.

Dreams, trances, and visions serve as portals for spiritual communication. Each brings a different level of detail and clarity to the messages received. Dreams may require interpretation, but visions and trances often deliver clear and direct messages from the spiritual realm.

Scripture is replete with examples of God communicating through dreams and visions. Joseph, Daniel, Solomon, and Paul all received divine guidance through these means. In these last days, it's essential that we cultivate our spiritual sensitivity to discern God's voice amidst the noise of the world. So, I encourage you to create space for spiritual encounters. Be still, be quiet, and wait on the Lord. As you do, you'll find yourself aligning with His will and purpose, receiving divine guidance for every aspect of your life.

WHAT GATES ARE YOU OPENING?

The Ecclesia is in a warfare against the gates of hell. We are in a constant war against the gates of hell. What is a gate? A gate is an access point, an entering point, and an exit point. So, if you give an entrance to hell, what happens? Demons from hell will have access to that particular place where the gates are opened. My question is, what realms are opened against your family?

Pastor John, I don't believe in realms. I don't know what it is, whether you believe it or not. That thing that is afflicting your emotions, your heart, your health, your mind, your intellect, your thoughts are gates of a certain spirit. Gates have been opened, and spirits have been unleashed. Listen, whether you like it or not, the universe, the earth, the physical world, the mental realms, the spiritual realms, and of course, emotional realms are controlled by invisible forces. There are creatures for your emotions. There are creatures customized and created to infiltrate, influence, and seduce your mental realms.

Even the words from the mouth of Peter were identified as Satan's words, allocated to a higher force using his tongue to speak. The question is, that feeling you are having for that man, that feeling you are having for that woman, where is it coming from? You think it's your feelings? No. There is a gate of inordinate affection that has been unlocked to your emotions, causing you to have deceptive, inordinate urges towards somebody. If you ever give expression to such demons, you're finished. Every demon comes with a curse. Every demon comes with an affliction. Every demon comes with a detrimental effect on your spirit.

*This I say then: Walk in the Spirit, and ye shall not fulfill the lust of the flesh.” **Galatians 5:16***

So what does this mean? It means that you cannot overcome your flesh by mere observation of God's commandments. You overcome the flesh by walking in the Spirit. You can know that something is sinful and still do it. You know why? Because the only way one has the capacity to overcome the flesh is to begin to walk in a realm that is beyond the physical illusions called flesh.

God knows that the authority that has the intelligence to govern, to navigate these other three realms, the mental, physical, and emotional realms is the human spirit. Your access to the spirit realms empowers the influence of God in your spirit to govern the rest of the spiritual realms that are waiting for you.

If you don't pay good attention to the leadership of the spirit on the inside, you are going to self-destruct, and God will not be blamed. Let me tell you something. Your physicality is capable of destroying your eternity. Your mental activities are capable of destroying your eternal faith. Your emotional activities are capable of destroying your faith in Christ.

AN INTRODUCTION TO REALITIES OF REALMS AND DIMENSIONS

To provide a clear understanding of the subject of spiritual warfare, i will briefly discuss realms and dimensions. A more

in depth study will be provided in other materials. Dimensions differ from realms. A man who understands realms and dimensions will be able to extend into different energies. The earth is a dimension not a realm, the heavens are dimensions, the waters are dimensions within dimensions, so if I want to master the earth, I need to understand the realms that are within the earth so let's look at it quickly.

"In the beginning God created the heaven and the earth. And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters."
Genesis 1:1-2

There are three dimensions we have seen in the scripture above. The earth, the deep, and the waters. The Bible did not recognize darkness as an entity.

Nothing was wrong with the waters. The perception today is that the whole earth was covered by darkness, that's not the scripture, infact according to the scripture, the earth had no darkness. The earth was without form and void, it was on the deep that darkness covered.

You have to learn to separate or differentiate between the earth, the deep and the waters, and see from the Bible the various substances, factors that were mentioned upon these dimensions.

The problem of the earth was formlessness and void, the challenge of the deep was darkness upon it's face, and then the blessing of the waters was the Holy Ghost, the Spirit of God moving upon the face of the waters. Now we have established the three dimensions. The earth, the deep and the waters dimensions. Darkness covered the face of the deep. So God called light out of darkness.

"For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ." 2 Corinthians 4:6

So right in the deep was the habitation of light. Darkness covered the face of the deep and God came and began to recreate the old dimension. He did not begin with the earth, He did not begin with the waters, He came straight to the face of the deep and called the light out of darkness, so light becomes the first realm in the dimension of the deep. Therefore creatures of God that are in the deep will only manifest themselves when anybody has created and activated the principles of light, because where there is light, God is there. Where there is light, the seven spirits of God show up there. Where there is light, angels of God show up there. But there is something that grieves my spirit, suddenly we realize that there were two realms found in the dimension of the deep, it is called darkness and light, so God did not eliminate darkness, God did not abolish darkness, rather he gave it light, and then

gave the light day, and said there will be a transaction between darkness and light. Prior to God coming to deal with the dimension of the waters, we were told that the Holy Spirit, the Spirit of God was brooding, the Spirit didn't brood on the face of the deep, the earth was without form and void, but the Holy Ghost began to impregnate, to brood on the face of the waters. God came to the dimension of the waters. He said let there be the firmament, it becomes another realm that could be classified as a dimension, so the firmament is a divider of the dimensions of the waters.

"And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters. And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so.

Genesis 1:6-8

So that tells you now that there are heavy waters above the firmament that men have not even discovered. Go and ask the scientists, they only travel to galaxies. Every galaxy that they have ever gone to is still within this firmament. Man has not been able to cross the firmament. If you look up the Hebrew word firmament or heaven, it is actually speaking of the first layer of the galaxy. Just this cloud that you see, the stars, the heaven where you fly, the moon, and all of those are called the firmament. In between the waters above and beneath is called the first

heaven, so in that dimension is a division of water beneath and waters above. Sons of God, before one can reach the second heaven, you would have to come out of the end of the firmament and enter another waters that its descriptions are beyond the waters we have on earth, that's where you see spirits of different kinds, so when we talk about marine it is not just the one you have in the sea. There are waters above the heavens and most times that is the one you travel to in your dream. With this basic foundation, let's proceed to discuss in deeper detail how to war in the realms.

WAR IN PRAYER

The first man God created, He created him for war. This understanding will help establish why we must advance beyond salvation. Now we must fulfill the purpose, the initial mandate of man before the fall.

"And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth." Genesis 1:28

I tell you there is a war and we have the equipments, we have the most potent equipments for this warfare, we have the name of Jesus, we have the word of God on our lips, we have the helmet of salvation, the breastplate of righteousness, the shield of faith, the sword of the spirit

which is the word of God. We have the realities of God, the belt of truth, readiness of our shoes to move according to the gospel. Why all these armory, what is it for? It is to establish the kingdom and reign of Yeshua in all realms. So I do nothing if it does not align with the will of Jesus my captain. My steps as a soldier, your steps as soldiers are ordered but according to the shoes of the gospel of Jesus Christ. We are not here to fit in, we are not here to be accepted, it is not about making money, it is not about material things. It's about establishing the kingdom of God in other civilizations as directed by the inspiration of the Holy Ghost. Your roar is coded with powerful languages of the spirit that command maximum influences in dimensions beyond human civilization.

Lions are united in their pride, the lower man does not understand the sound of lions, yet their sound causes havoc. The sound of the lion, the roar has been given to us to wrought victories in His name. Roar like a lion, Rise up and restore your family from the devil working in your communities, fight for your children, fight for your brothers, fight for your sisters. Fight for your mother, fight for your father, fight for your continent.

Fight for your country, the devil is interested in taking countries. Take charge of the nations, the byways, the highways, the streets etc

Release salvation to those in governance, release the presidency from the influence of the god of this age. With the blood of Jesus we save humanity from disease, sickness and confusions. Roar vigorously, release that sound from your innermost belly.

Rise and cancel mysteries in your bloodline, diabetes, mental illnesses chronic diseases in your bloodline, death, dirt, blindness, cancel that witchcraft and every negativity that plaques your genetics. Roar until the shackles of death are destroyed completely.

CHAPTER THREE

THE ROAR OF BATTLE

GET READY FOR BATTLE.

Nobody can ever increase in the realms or have a significant increase in ranks or influence in any community, in any country without first confronting the prince of the power of the air of the community or country. Jesus confronted the prince of the world after his fasting and prayer

When Daniel prayed, from the very first day that Daniel prayed God answered, but there was a war in the atmosphere. The prince of Persia withheld angel Gabriel and delayed the answers to Daniel's prayer. There was war in heaven and Michael was deployed to assist Gabriel. The Prince of the power of the air, the spirit between the third heaven and the first heaven and the earth. They have powerful networking activities to hinder, obstruct, delay and monitor fortunes of people on earth.

Daniel understood that nothing comes easily in this sphere. There is always warfare against your destiny, warfare against your ministry, there is warfare against your family, your health, your marriage, your finances. A warfare for everything, and you must understand that God wants us to war for our own destiny, for your own future. Life is not going to be easy, Satan is up there wanting to hinder the goodness of God over your life, but as you fast for many days, you challenge the prince of the power of the air.

PRAY THIS PRAYER RIGHT NOW

In the name of Jesus the Christ, I put on the weapons of my warfare, I put on my helmet of salvation, I put on the breastplate of righteousness, I put on the shield of faith, I put on the sword of the spirit, I put on the belt of truth, I put on the shoes of preparation of the readiness of the gospel of Christ.

You prince of the power of the air manipulating my family, I dethrone you from that throne, I command your throne to catch fire, I command your influence to end. I command your activities to end, I command your powers to deplete. I command you to come out of the powers of the air, come out of the thrones of the air, Satan loose your power in this family, ministry, nation, business in Jesus mighty name.

Satan you may have ruled for many years, your time is up, for the Bible says you will be cast out of heaven. I rebuke your influence in the atmosphere to come to zero, I hijack the atmosphere right now, I hijack the media, I hijack the mountain places. I hijack the high places of the earth and I release the princes of heaven, the princes of light to sit on the thrones in the atmospheres right now and begin to release light on the minds of men in my family, community, nation, sphere of contact in the name of the living Christ.

I command the fire of the Spirit of God to be deployed into the nations of the world, European nations, American

nations, African nations, Asian nations, Australian nations, all across the nations, I release the glory, the fire, the light of God, the princes of light to sit on the throne of our nations. The prince of the power of the air is subject to light. The city of light is descending on the throne. Yeshua is ruling on the throne. The blood of Jesus over the atmosphere, blood of Jesus, the testimonies of Jesus over the atmosphere. Let there be the lights of Yeshua, Let the light of the nations shine, the light of the word of God, the light of love, the light of morality, the light of righteousness, Yeshua now have your place, Yeshua now arise, sit on your throne, sit on your throne, the prince of the power of the air, you have no power anymore, you have no place anymore, you have no throne any more in this atmosphere in Jesus mighty name. In the name of Jesus we enthrone the princes of light, we enthrone the princess of Zion, we enthrone the princes of Yahweh. Amen

ENGAGE IN THE WAR

God wants us to grow. Growth is part of God's will for every believer and I tell you don't be discouraged when you are not seeing instant manifestations. To manifest the glory of God is within the measures of your spiritual growth and continuous advancement.

Do not pay attention to sensational display of spiritual gifts

which have no roots, but pay attention to your spiritual advancement. This is very important as God takes us all around the world, we are combating against the princes of darkness in the atmosphere. As a forerunner in that dimension preparing the way for the coming of the Lord Jesus by clearing the atmospheres of rebellious princes. Remember that Jesus is coming to the air, He is not coming here.

"For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord." 1 Thessalonians 4:16-17

"Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience:" Ephesians 2:2

Gaze on the word of God continuously for your spiritual advancement. There is only one way to answer your enemies and that is by stalwart, sturdy growth. Do not be afraid to face the challenges that come alongside with spiritual growth. We are focused, and no devil can stop it. It is very important that we understand the times and the seasons. If you don't understand the times and the seasons, you might expire with the expirations of the dealings of God within times and seasons.

I want you to understand that God is a God of movement. Let nobody limit God within the archaeological scopes or some kind of theological concepts. God is beyond your theological pigeon hole. One of the reasons the Pharisees and the high priests of the days of Jesus missed the manifestation of a significant portion of the Torah was because they had a mental comprehension, a mental definite disposition toward the things of God. They didn't know that God moves. They were custodians of Torah, yes, they were custodians of the word of God. Remember that the Jews, the Pharisees, the high priests were custodians of God's truths but when that truth was made flesh they missed him.

My prayer for you while reading this book is that your spiritual eyes will open and make you sensitive to the movements of the Lord. May you not be ignorant of the times and the seasons and the continued advancement of God's kingdom, God's will, God's purposes and God's eternal intentions in these seasons in the name of Jesus the Christ.

Prepare yourself to participate. Pray with all your being, Oh Lord I want to be part of those that will labour alongside with you in these last days. Oh God chose me. If any man shall avail himself, God will chose him, God will train him, God will forge him, God will break him and make him His instrument for righteousness.

God has begun to move already but the Pharisees of this time are suspicious. Doesn't this look satanic, doesn't this look like the occult? They say this cannot be God. The manifestations are strange because of the limitation of the senses.

What happened in the days of Jesus will keep happening in every generation, every time God advances His glory there will be a set of Pharisees. I stand for the final revelation of the glory of Yeshua in the last days. God is busy right now carrying out his plans. God is calling everyone to ascend and take charge over the forces that want to limit you from becoming what Yeshua has called you in eternity.

THE FIRST SPIRITUAL WARZONE

We have allowed the devil to attack us and to continue to influence our offspring and generations yet to come because we have failed to capture the revelatory knowledge on spiritual warfare.

There is a particular domain, a particular war zone in the realm of the spirit that only truth can empower you to overcome the particular demonic creature of that dimension. So, we must come up and begin to study the truth. We must begin to submit ourselves to the revelatory knowledge as the scriptures have written on the truth.

If you have not come to revelatory knowledge on this dimensions of the written word of God regarding the truths of God on warfare, you will not be able to develop the frequencies to travel, and tune yourself into the dimension that this weapon of truth would war effectively for you in the realms of the spirit.

For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds; Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ." 2 Corinthians 10:4-5

Get out of religion, and get into dimensions of truth. Truth is supposed to be the weapon of God and the frequencies of the spirit that will take you into the realities of your loins. A teleportation is needed into the dimensions of spiritual warfare that goes into your bloodline to destroy, to neutralize, to reclaim all the blessings and things of God that the principality of your spiritual human bloodline has stolen over the years. And if you don't war in your loins and establish the realities and the truths of God in your genetics, something will continue to unfold even to the next generations to come. Unfortunately, not everybody understands the mysteries behind the human loins. We have allowed the devil to attack us and to continue to influence our offspring and generations yet to come, because we have failed to capture the revelatory knowledge on spiritual warfare within our loins.

Do you know what loins mean? Do you know that you are a product of a certain loin? Do you know that 90% of your struggles are coded in your genetics?

Do you know that there are principalities that are warring in your bloodline? Do you know that Satan is preparing a certain DNA, certain habits, certain struggles, certain problems yet to be released in the children that are yet to be born? Great-grandmothers, are you warring? You're still alive. How much war have you taken into your loins? Are you aware that the first warfare is in your bloodline?

Do you know that in the realm of the loins, in the war zone of the loins, is where victory is achieved? All of the plans of God are latent and engrafted in your loins. Victories are in the loins. Success is in the loins. Depression is in the loins. Setback is in the loins.

Prophecies are latent in the loins. Inasmuch as God wanted David to build the temple, David mixed up something in the current loins that he carried in the spirit. He distorted something, and God said, "Your son will build the temple, not you anymore." Something is in your loins David, and I'm going to pass that commandment, I'm going to pass that anointing, that glory to build a temple for me to your son. So, the prophecy runs in the loins. The prophecy can be preserved in the loins. The prophecy can be lost in the loins. So, don't think your prayer is for nothing.

Your prayer is engrafting something, distorting something, uprooting something in your loins, in your genetics, in your chromosomes. Some of you here may not reap what you're sowing right now, but your next generations will reap it.

Do not be selfish, be like Abraham who was willing to pass it on to Isaac. Come on, Isaac carried it and passed it on to Jacob. Jacob sustained it and passed it to the 12 nations of Israel. Come on, the mantle came on Joseph firstly, Joseph passed it to Moses. From Moses came the law and finally, Jesus came. This is it, it runs in the loins.

So, Satan wants to distort, destroy the prophecies of God in your loins. It is time to begin to reprogram your loins by prayers and discipline and spiritual consecrations. Realities are for the human loins. The weapons for the loins of our families are the truths of God. You are here warring in your head, yet the first war is to enter the realms of chromosomes, enter the realms of genetics, enter the realms of your bloodline, enter the realms of your DNA because principalities are demons that are responsible for destroying, for disengaging, for engrafting influences, demonic afflictions in the human chromosomes. The type of bloodline you carry is what you will struggle with the rest of your life on earth. So, Satan doesn't even care if you're a male or female. He doesn't care if you were born by a pastor or a man of God or not.

As long as the man of God is ignorant of warring in the realm of the loins, Satan will program the bloodline that will produce that child. And that child from nowhere will begin to struggle with something he knows nothing about.

You need a teleportation into the realms of the spirit to consult the activities of your great-great-grandfathers. You get to see them doing something. God will show you when they messed up, when they distorted the bloodline, because the word "truth" is not just theological head knowledge. The word truth in the scripture means reality, means something about dimensions, something about realms of the spirit where a man can teleport into the past, into the ancestral bloodline, and see the great-great-grandfather, destabilize that evil covenant, and set it on fire.

HOW TO WAR EFFECTIVELY AGAINST PRINCIPALITIES IN HEAVENLY PLACES.

You must understand that Father God is a spirit, He will not lose His nature, that's who He is. The very purpose for which He made you is to take on His image. So, the purpose for your upgrade as man into His Image is that you might come up to the dimensions of the spirit to interact, to commune with your Father in Heaven. And thank God that we are no longer religious, we are breaking out of it. Over a period of time, this message that God has given us will dominate the whole world.

This move is of God, therefore no man can stop it; it will prevail. However If it is not of God, it will be stopped. God is potent enough to stop anything that is not His.

We are going to watch this move spread across the nations just like a powerful wind, like a wild fire. You know why? Because by the time you experience the tangibility of the fire of God, you will know that truly God is alive: the purity, the glory, the power, the fire of the Almighty God will engulf you completely. And of course, we are here to Apostle this move, by the grace of our Lord Jesus Christ something is shifting.

Spiritual principles are governed by laws, if you don't understand the laws that govern spiritual principles on how to war, or how to relate with the things of the spirit within its jurisdictions, you are going to be frustrated. That is why we are here today, to tell you that the name of Jesus is not to be used for our selfish purposes. There are certain things that are carefully loaded to be used with the name of Jesus, not for everything. You see the exalted name, in the exalted position of Yeshua will war and wrestle against principalities and powers. So if you don't have accurate revelation of the precision of the name of Jesus Christ, you will be unable to war in the realm of principalities, powers, rulers of darkness, and spiritual wickedness. These are not devils to be cast out; these are demonic creatures that sit on thrones.

So, to war against principalities require that we ascend into exalted places in the realms of the spirit and war from that position. We must war from a superior realm, we must war from far above. There has to be an exaltation in the consciousness of the position of Christ for anybody in Christ to effectively wrestle against principalities and powers and rulers of darkness and spiritual wickedness in the heavenly realms.

Before you war effectively against principalities, there is a prerequisite or there are some requirements that you must go through and some areas of your life must improve. Now a child cannot war against an adult. A child of one year young cannot fight a grown up adult of 50 years. A child that is 6 months young cannot fight a young boy of 30 years.

You know why? Because that child does not have the capability or capacity or ability or the strength to withstand the strength of those enemies or that person that is about 30 years young. So in the spirit, your spiritual stature is highly of great importance if you must war against principalities and powers. Ninety percent of family afflictions or issues or challenges are pioneered and sustained by principalities. If you have a ministry and you continue to experience certain particular attacks of the devil against your ministry, please note that ninety percent of the time, spirits that war against churches are principalities.

It means that a certain spiritual level of authority must be earned, you must increase in spiritual stamina, you must increase in spiritual stature, before you can war against principalities and powers. It means that you must come to a point in your walk with God where satan has nothing that he could use to lay claims or accuse you or hang on to access your life in the realm of the spirit.

You can by the grace of God and with the gift of righteousness cast out devils. In fact, you don't have to grow in the spirit to take advantage of all the benefits that are in Christ. But to war in the name of Jesus your name must have been captured, declared and announced by Jesus as His representative in the spirit world.

Now, don't you ever, and this is a very serious warning, do not begin warfare against certain spirits that you know nothing about. Don't start warring against certain principalities that you know, that within yourself, you are still struggling with sin, struggling with inordinate affections, struggling with greed, struggling with some kind of perversion. Whatever satan could use as an accusation in your life would be a stronghold in that dimension when you engage against principalities and powers. God would want to deal with you first in the spirit. God would want to crush you, cleanse you, purge you and ensure that you are completely transformed, before releasing you to war against principalities.

You see there are so many people today that have begun a war in the spirit with the name of Jesus but their lifestyle, their ways of life are not in tune with the word of Jesus Christ.

So to war against principalities requires that we are completely sold out to Christ and there's nothing of the devil ever found in us, so that in the realm of warfare, we are Christ's in totality.

ROAR AGAINST CANCERS AND CHRONIC DISEASES.

There is something on the inside of your belly the Bible calls it the power of the Holy Ghost. By it we crush, we destroy, we curse cancers. No more cancers in your lineage, No more cancers in your bloodline. Break the root, extinguish it, you don't need healing for symptoms. This is the age to end cancers, expunged for the roots. we need perfection, we need deliverance from the root cause of that disease for your family.

We need to roar against diseases in Africa and nations across the world, roar for hospitals, roar for children with cancers, roar for women with cancers. Roar for that husband dying of cancer, roar for that wife, for that brother, for that sister, for that Pastor, for that governor, for that president, for that first lady, dying of cancers we

destroy the root of cancers, we curse that plantation of cancer. No more cancers, no more diabetes, no more heart failure, establish the victory of Jesus in your life. We curse you cancers, we curse every chronic disease, we sanitize your loins, we command every sickness and disease in your bloodline to die. Every genetically infused disease in your DNA dies right now.

This is the end of cancer in your bloodline, this is the end of cancerous cells in your lineage, this is the end of chronic diseases in the name of Yeshua. There is a sound from the realms that cancer cells respond to.

You are supposed to release new sounds from zion, tongues of higher creatures in higher realms to look into the assault of cancers and chronic diseases. These are the venoms of serpents and scorpions. God has given us the tongue of all the higher creatures who have been perverted by satan. The time has come that every demon, every cancer, every creature of different realms of different dimensions will hear you thunder aloud their languages with fire and the fierceness of victory.

Jesus said go into all the world. So He told them to go into the cosmos, galaxies, dimensions. There are dimensions in cosmos that are beyond human habitation and existence. He would have said go to the world but he said go into all the world and preach the gospel to every creature. Take note of creature. The Bible says that we are to make

known the manifold wisdom of God to all principalities.

*"And he said unto them, Go ye into all the world, and preach the gospel to every creature." **Mark 16:15***

*"To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God," **Ephesians 3:10***

God gave, first the language of man, so they preached to the generation of man the gospel, but we are in the generation that we are done preaching to men. We are taking the gospel to a higher realm, to higher creatures, some of the creatures that are fighting you are not supposed to fight you, they were hijacked and corrupted by Satan, they are in the category of dominions when God made Man In His Image who did he hand over dominion to? Man.

*"And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth." **Genesis 1:26***

Dominion is a creature, they are creatures under the firmaments that control the firmaments, that control times and seasons, they are powers that rule the day and the night, thrones of authority.

Consistently, Jesus gave them authority to tread, suppress, match, crush serpents and scorpions.

*"Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you." **Luke 10:19***

Scorpions are not found everywhere, there are places you would likely find scorpions. There are exclusive habitations for scorpions and serpents. It's rare to see a serpent on the streets, but there are places you go, you look for the serpent, you can't help but see serpents because these places are the habitation of serpents. So when He says I give you authority, it means I give you access to the realm of serpents and scorpions. Serpents and scorpions have venoms that Satan uses to infect God's people in the dream world. That's why some of you see snakes in the dreams like a mighty giant coming after you.

These are the ancient demonic serpents that Satan has introduced to sit on the throne of your families. They are the ones carrying the divorce, the immoral tendencies, the insanity, whatever you see that is consistent in your bloodline, a serpent is powering it, a scorpion powers it, but you must learn how to ascend through the vibration of authority into the realms of serpents and scorpions, because the only way to overcome them is to ascend to their domain, and when you get there, crush their heads.

*"And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover." **Mark 16:17-18***

Meaning by the time you engage in the war of serpents, it will sting, it will pass its venom into you. If you pick up a serpent, it will bite but you will not be hurt. If you are dealing with an ancient creature that your great great great great great grandfather introduced, it's not a joke it's a legal entity, So they will sting but you have the authority of Jesus to crush them completely. The realms of cancers are consumed in fire right now.

I PRAY FOR YOU

Anything connected to your bloodline, be it your father, your mother, your children, your grandchildren, your great grand children, your husband, your wife everybody connected to your bloodline is hereby exempted from cancer cells in the name of Yeshua the Christ.

I hereby put a seal of the blood of Jesus on the seal of your bloodline, on your head, that now just as God put a seal, a mark on Cain that made him to be exempted from people killing him, I put a mark on you that no one will touch you. God also put a mark on the door post of Israel in Egypt and said when death shall come, it will pass the

household where the mark of the blood of the Lamb was put. The same way, in the name of Yeshua, I now place a mark of the blood of the Lamb on your loins, and a seal on it, and that mark says cancer you will not touch this blood line from eternity to eternity. The seal is in your blood, cancer, chronic diseases, you will not touch this blood line from this day till the day of the return of the Lord Jesus Christ. Amen

CHAPTER FOUR

THE ROAR OF SPIRITUAL AUTHORITY

SUPERIOR BEINGS WHO CANNOT BE HARMED.

"Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ."

Ephesians 1:3

By spiritual blessings, we are talking about the completeness and sufficiency of God's resources. In Christ, believers are not lacking in any spiritual resource. These blessings include grace, redemption, forgiveness, wisdom, spiritual gifts, and more.

The Bible records that we are seated in Christ in the heavenly realms far above principalities and powers.

*"Which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places, far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come." **Ephesians 1:20-21***

The Bible says that God has given us the keys of the kingdom and whatsoever we bind here on earth is bound in heaven.

"And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven."

Matthew 16:19

So these three scriptures establish a pure, absolute, undeniable doctrine that we have access to the heavenly realms. We are not earth bound, we are heavenly bound. We operate from heaven to the second heaven, and exercise authority over demonic creatures. We are assisted and work alongside with the angels to ensure that the second heavens are cleaned up. As we continue to exercise our dominion over creation, over the things in the water, in the sea, in the air and also on earth. So we have what I call tetra dominion and influence over creation. We have been given authority over the fowl of the earth, over the fishes of the sea, over the beast of the field and over the earth.

We have authority over the earth, this is a faithful saying, worthy of all acceptance. Therefore it is unlawful after redemption for a bullet to kill you. Matter should not kill you, anything solid should just pass through you and not hurt you. You have authority over creation. You do not have to be afraid, we have supernatural preservation in the midst of gross darkness, death, tragedies.

One tiny room stood in the city of Canaan, when all the palaces, all the duplexes, all the houses built with stones collapsed, but one little tiny room of a harlot that helped Joshua, Caleb and the three spies escape. So when the day of judgment came, when the day of darkness came upon that nation, God preserved one little room from all the earthquakes, all the wrath of God, all the fires, all the judgment of angelic creatures approving things and

breaking down houses. One little room with everyone inside was preserved. I want you to understand that the day of darkness has come, don't be afraid, you are not a victim of the season, rather you are a victor. You and your family, you and your generations, you and your offsprings are more than conquerors. Another supernatural preservation that happened in the midst of gross darkness and judgment was the family of Noah. God had caused the entire world to surge into gross darkness of judgment. However God preserved one single family in a boat regardless of the flood, the pressure, the wind, the storms, the lightning, whatever it was, none of these could creep in or break the ship of Noah and his family.

God did not remove them from the darkness of the hour, but right in the middle of that darkness they were preserved. The ship was a shadow of what will happen in the last days, where God is going to clothe you with preservation no matter what is happening. This is why we are here to remind the world about the coming judgment. Prior to the day of judgment, Noah became the voice of God for that season. Noah began to say things that the religious bodies of his time did not agree with. Noah said things that even the spiritual people didn't understand. Noah said some strange things like, God has told me to build an ark. He pleaded with everybody to come in and be safe because judgment is on the way. Just like I'm talking Immortality, Realms, Dimensions, Sonship,

teleportation, Transformation. God is releasing the preservation garments from the impending judgment. He that hath ear, let him hear what the Spirit is saying. This is the season for realms, for ascensions, this is the season that men would have to break out of the limitation of this mortality, and realize that there is something greater, that is, the inner man of the heart that the Holy Spirit has been nurturing over these years.

Are you aware that the reason why many Christians are tired, backsliding, giving up, is because the inner man has no expression. The inner man has been imprisoned, the inner man has grown so much, but there is no suitable connection in the realms for the inner man to have expression, so they are tired, they are weak. So much power on the inside, no outlet of expression, so much wisdom on the inside, no platform of expression. So much spiritual weapons yet , no platform for war. You may be saying "I'm tired of going to church and pastors yelling at me all the time, I'm tired of paying tithes and offering", I am waiting to die, who am I, and what has God brought me here to do? Crying, weeping because you know not, you are being held in this body.

The Lord says the hour has come, I am about to unleash the giants on the inside, I'm about to unleash the Inner Man of the heart. Halleluyah, I'm about to let go, I'm about to lose the Lions to Roar in the realms of the spirit and take

their heavenly dimensions.

Please if you are tired of religion, join our tribe, come to the realms, if you're tired of your church, please get into the flight and come here we will unlock you.

There is a spirit inside you, there is a soul inside you. Don't be a prisoner of this illusion. This physicality is but an illusion. God is about to give you lights, each light is access to different realms of God. Your tongue must have connectivity to its own original corresponding chip. There is always a chip that carries same frequency with your remote. The remote of a car is connected to the chip of the car, there is a chip in the car that connects with the remote. If you begin to use the key of another car to unlock another car it's not going to work, because the chips are not harmonized, they are not linked. So although, the tongue is an authority, until you receive revelatory knowledge of authority your tongue will not link you to the realms of authority.

BIND THE STRONG MAN AND TAKE THE SPOIL

If we are going to apprehend and bring to captivity the strong man, we must look at some things which are seen, physical things, conditions, and circumstances or patterns in order to be able to reveal and discern what type of strong man is responsible for such activities. A strong man is responsible for a stronghold; a stronghold is a fortified edifice of satanic control or influence. When we talk about a stronghold, it is a jurisdiction of the devil's influence.

A place or community where the devil exerts control. This could be in your mind, in your home, in a community, or in a marriage. It is crucial for everyone to fight for lives, not just selfishly for themselves, but also for their families and the unborn generations. You might be the one who binds that spirit so that your children's children will benefit from it.

Today, we enjoy the hard work of Apostle Paul, who fought the good fight of faith and kept it for the next generation to pick up. You must deal with the trouble so that future generations will remember that you fought to break the strong man that held their ancestors bound. We must bring communities and nations out from the household of the strong man, and begin a war with a broader understanding—not just limit ourselves to church gatherings. My ministry is not about routine church meetings; I am tackling realms and dimensions of the spirit, dealing with things beyond here, setting thrones, dominions and powers in place. We will war against the strong man and take spoil from his household.

My household will be freed from the strong man's captivity, my children will escape from the stronghold of the strong man, and the health of my family and my children will be restored. The hour has come for the sons of God to rise up through the frequencies of the atmospheres and ascend to their thrones. War against the devils hindering your ascension in the atmosphere.

War against the forces in the galaxies and the second heavens. The wings of the dragons must fall. Around me is fire, around me is glory, around me is the kingdom, around me is power, around me is the visibility of the King, the Great I Am, Alpha and Omega, the only King I bow to. I challenge the rest of the kings, I'm fighting the enemies of my King. I pierce them and crush their heads. Wherever I go, I enthrone His authority and dominate the atmospheres. I release the princes of light to take over the atmospheres. Halleluyah!.

THE NOISE-MAKING TRIBE

We war against every satanic incursion. We are the nation of fire, the nation of light. We roar, we burn, we groan. We are waging war against diabetes and every chronic disease. The Scripture says that when the Holy Ghost came, there was noise.

And suddenly there came a sound from heaven as of a rushing mighty wind, and it filled all the house where they were sitting" Acts 2:2

Every move of the Holy Ghost is accompanied with a sound. The Bible speaks of the sound of many waters, and the Bible likens the voice of God to the sound of many waters. That is the sound of the wind, the sound of the

trumpet, the roar of the lion, the roar of the eagle. And the Lord likened Himself to these two creatures, the lion and the eagle. These are noise-making creatures. Let no devil fool you. Run away from any place where you come and act as though you are in a cemetery. Suddenly there was a sound from Heaven, Halleluyah. The writer described the sound as of a rushing mighty wind, and it filled the house where they were. And there appeared unto them cloven tongues like as of fire, and it sat upon each of them.

This atmosphere of sound and wind unlocked a dimension, it opened a portal for the Spirit's access, the tongue of fire that sat on their heads came from the dimension that opened. That tongue triggered their ability to access the realms of all human languages. They began to speak languages that they themselves did not understand, yet men of different nations and languages gathered on the day of Pentecost and began to hear their languages.

How come a sound brought a tongue? Without tongues, your authority in the realms will be limited. Tongues give you access. Tongues are an ability to access any realm. When God wants to give you access to any realm, He will give you the tongue of that realm. And when men begin to host tongues of different realms, they will gain access, ascend into those dimensions, uproot what must be uprooted, curse what must be cursed, plant what must be planted, and then they will depart because they have access through the realms of tongues.

Now, the people in the upper room prophesied this tongue. They uttered the sounds, but they did not even know what they were speaking. Yet, the people around understood what they were saying. This is why it came first with the tongues of men, because men needed to hear the gospel. It was a season for the tongue of men to arrest the hearts of men to respond to the Gospel of Jesus Christ. So that foundation had to be laid before we could receive the tongue of realms and dimensions to war against principalities and powers, and reclaim and repossess territories that principalities and powers had gained through the advancements of the gates of hell.

The souls of men would have to first hear the gospel, subsequently there is the final outpouring of the Holy Ghost. There are always three dimensions to God's dealings. The first was in the day of Pentecost. The second was in the season or dispensation of reformation. There was an outpouring of the Holy Ghost when great men rose, wrote books, and formed Christianity, introduced the fire. That oil has come to an end. There is a third and final latter outpouring of another sound. This new sound is coming with a new tongue, and this is not the tongue of men. It is the tongue of realms, the tongue of dimensions, the tongues of higher creatures in higher realms. Some are still preaching as though God is still in the old wine, but men who know the Spirit's calendar, who understand the timing of the spirit, will know that this is not

the time for preaching. It is not the time for evangelism or gathering people. It is the time to retreat back to the secret place of the wilderness and consecration, and wait until there is another sudden sound from heaven.

There is something on the inside of your belly, The Roar. The bible calls it the utterance of the Holy Ghost. A time has come that every demon, every cancer, every creature of different realms and dimensions will hear you roar and understand your languages.

This is God's United Nations under the Roar of the final sound of Zion. A mighty rushing wind, the sound of the Spirit, is filling the atmospheres, nations, tribes, colors, languages, peoples.

Roar against cancers! Roar against every chronic disease, serpents, scorpions and all the power of the devil. Crush cancers with your roar. There should be no more cancer cells in your bloodline. Curse it to die, curse it to wither. Let your voice be heard loud and clear. Roar like the lion that you are.

CHAPTER FIVE

THE ROAR OF REVELATION

THE CORRUPTION OF THE SERPENT

While many have explored different perspectives on what demons are, my revelatory understanding of scriptures has led me to a unique insight into their origin.

Demons, as traditionally conceived, are often seen as fallen spirits from the angelic realm. However, I propose a different explanation. According to Genesis, God created a new earth, distinct from the formless void that preceded it. He separated the waters and land, forming the seas and dry land. From these, he commanded the earth and sea to bring forth living creatures.

The creatures that emerged from this new creation were fresh and enabled with the potential to interact with humanity. Satan, therefore, could not exercise authority over humanity without corrupting these creatures first. These creatures, including the fish of the sea, fowl of the air, and beasts of the field, were meant to be under humanity's dominion.

Scripture records the serpent as the first creature to be corrupted by Satan, becoming the archetype of demonic influence. God, in response, placed enmity between the serpent's seed and humanity's seed. This wise serpent, originally created by God, yielded to Satan, thus becoming the first demon. This act not only granted Satan access to humanity but also to other creatures like it.

The corruption of the serpent led to a cascade effect, with other creatures succumbing to Satan's influence and becoming demons. This process extended to creatures of the air and the earth, as Satan exploited their susceptibility to manipulate and deceive humanity. Thus, any creature that aligns with Satan's agenda against God's becomes a tool of demonic influence.

In essence, demons are not merely fallen angels but corrupted creatures of various realms, enticed and manipulated by Satan to oppose God's plan.

THE TWO CONFLICTS LOCKED UP IN MAN

The narrative of creation unfolds with intricate layers of meaning, revealing the spiritual dynamics at play in the formation of humanity. When God created man, He did so with deliberate intention and meticulous detail, crafting a being in His own image and likeness.

Man was fashioned from the elements of the earth, imbued with a physical body, a soul, and a spirit. This threefold nature of man reflects the divine nature and establishes him as a unique creation among all living beings.

From the outset, man was commissioned to exercise dominion over the earth and its creatures. This included

subduing the fish of the sea, the birds of the air, and every living thing that crept upon the earth. However, it was the serpent, a cunning and intelligent creature, that emerged as the primary adversary to God's plan for humanity.

The serpent's cunning nature enabled it to engage in dialogue with Eve, tempting her to disobey God's commandment. This act of rebellion introduced sin and death into the world, fracturing the unity between man and God.

God's response to this rebellion was to pronounce judgment upon the serpent, declaring enmity between it and the woman, and between their respective seeds. This enmity signifies a spiritual conflict that will persist throughout history between the offspring of the woman (those aligned with God's purposes) and the offspring of the serpent (those opposed to God).

The implications of this spiritual conflict are profound, extending beyond the immediate consequences of Adam and Eve's disobedience. It reveals a deeper struggle between the forces of light and darkness, righteousness and evil, which will culminate in the ultimate victory of God's seed over the serpent's seed.

The narrative of Cain and Abel further illustrates this conflict, with Cain representing the seed of the serpent

and Abel embodying the righteous seed. Cain's act of murder underscores the divisive nature of sin and the consequences of aligning oneself with the serpent's agenda.

ALL THINGS ARE PROGRAMMED FROM THE REALMS

Do you know that men can pretend before you in the physical, but in the realms, they are naked? Men cannot lie in the realms, but they can lie in the physical. That is why you need light, suddenly, all the secrets of people that pretend to be friends, but are up to something will be revealed unto you, and then you will know who they are.

Before any event happens, it will happen first in the realms. You will watch how it happened, where the mistakes were made, who was up to something, who was going to delay it, what's going to happen, the manipulations around it. Then you return back to physicality. You amend things. You go ahead of time to ensure that what you saw in the realms does not happen in the physical because you have seen it in the timeline, and you have the authority to rectify and get things in order. This is the heritage of the righteous.

*"Surely the Lord GOD will do nothing, but he revealeth his secret unto his servants the prophets." **Amos 3:7***

So, we are ministers of God, we are prophets of God. Don't let anybody fool you. You are your own prophet.

How are you a prophet? Because He made us kings and priests. So every one of us here is a priest unto God, you are a priest unto God, you are a king unto God. So you have access to the realms of prophecies. And with your tongue, you can prophesy life, with your tongue, you can speak joy, with your tongue, you can speak righteousness, with your tongue, you can navigate through any situation.

I refuse to give access to the spirit of fear under any circumstances. Do you know that many, many years ago whenever Satan strikes me, I would say, "This one, you will not conquer me." I would create with words what must be and what should be, and I would say, "Thank you Lord for that is established. You must prophesy the outcome ahead of time."

If you knew the power of your tongue, you won't be shaking when they plan to kill you. Simply say in the name of Jesus, even before you say in the name of Yeshua, Satan will flee, you know exactly what you are doing? You are sharpening your faith, you are building up your most holy faith because faith speaks, faith commands, faith says, "This mountain, be thou moved, be thou cast into the sea, and it shall be."

So when your faith is sharpened, and you say, "No man born of a woman in Cape Town and beyond can kill me. I hereby terminate the agenda of every assassination in the imaginations of my enemies.

" You program it then you go and sleep, it's done. Even though they send you a letter the next day, "We are coming," Just say, "I'm waiting."

It's an insult to say, "Lord, Lord, they are coming to kill me." Oh God avenge us. If God is a God of vengeance, what does that mean? His offsprings are also gods of vengeance. I use scriptural revelations of who God is to articulate my capabilities, and inherent abilities as one who hails from the eternal word of God.

"Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever." 1 Peter 1:23

So this Word brought me forth. Ah, so I have every potential, every ability, every capability in the word of God. God did not beget you from His Word so that you can call on His Word as though you're impotent. Be the Word. Let it gush from your mouth boldly. Out of your belly shall flow the engrafted Word. When they rise up against you, set up a warfare. And I create an everlasting confusion. If there are five of them, you have put chains around five of them. Then we let them crush themselves. That's our God. He's a God of vengeance. You, know why it appears as though God is inactive? Because extended gods are calling on Him to do the works that gods do. You hear me? God-delegates are calling on God to do the work that only gods do.

Sometimes I speak diverse languages, these things are understood in the spirit. For instance, Gideon called on God, "God said, you? a mighty man of valor?" I will not fight these devils. I have capacitated you. So he began to unveil his eyes to know who he is, and that he is capable by God

All God wants to do is to be by you. When God is with you, then all things are possible. So God will be the power that lifts your hand, but the visibility is your hand. There is an invisible hand lifting yours. That's why man is a creature of diverse chambers of rooms, and compartments. Your mind is for wisdom. So God infused His wisdom into your mind. You have hands that can heal, so God releases His hand upon your hand. You have eyes to see, so God begins to give you visions, that you might act that which you have seen in the realm of visions. See that which God has already accomplished, see light is coming, light has come, arise and shine, your light has come. I said your light has come forth, Shahilah arise and shine for thy light has come.

A man stood and said, "If I be a man of God, let fire consume you?." God did not command fire, a man did. You are a coward when they are messing with you and you stand helpless. Just say, "I warn you, in 3 days' time, if you don't stop, one part of your body will go numb for 7 days." We have been lied to, confused with human love. They tell you Noooo, don't pray against them, be like a sheep going to be slaughtered.

They tell you don't pray against Gods enemies, love people. Jesus didn't spare anyone, Jesus said,

"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it." **John 8:44**

He was very vocal, He said, "Do you betray me with the kiss? He knew that his end had come, He could not save Judas. Judas went and hung himself right after that, Christ knew he was the son of perdition.

We must know the year of His favor, and the day of His judgment. We live in the latter days, the days of the prophetic, the day of power, the day of instructions from the Lord, the day of vengeance has come and let nobody mess with your future. Any witch that challenges you and you give the first warning he or she does not listen, now add something, say that you are going to have palpitation of heart for two nights, if you still don't stop, then one side will go numb, if you still don't stop, goodbye.

You know why witches can insult us? We pray, I love you, may God bless you, then they will come in the night oppressing your kids, manipulating and causing all kinds of attacks on your kids and you do nothing. Hear me out now, the hour has come, speak like a prophet, command things like one that has authority over demonic powers,

and that's the only time they will honor you. When power meets power, the lesser bows, remember that the Bible speaks of a restoration, a reoccurrence of the days of Elijah. Before the day of the Lord, the hearts of the sons will be drawn to the fathers, also authorities will be challenged, we need Elijahs, that's the only authority in the realms that can challenge the foolishness of the current government.

EARTH AS A DEITY

Where do you think dreams originate from? Which realm controls the human mind? Where is the link between the galaxies and the brain cells and the human mind? What's the relational connectivity between the firmament, the mind and the brain cells. Where do your dreams originate from? Where is it transfused? From the powers in the air.

*"The sun shall not smite thee by day, nor the moon by night. **Psalms 121:6***

So programmers can manipulate your day through the sun, programmers can manipulate your dreams in the night. In the moment of the human slumber, forces in the galaxies begin to manipulate your dream world to see how they can create your incidents and control the outcome of your endeavors. Men in their weakness slumber into sleep without knowing how to take charge of the dimensions of the neurons. That's why you are loaded with sounds in your belly, to speak mysteries.

95% of what happens in our world and beyond are mystical. Man does not yet have the ability to comprehend the full dimensions of the happenings around him. Consequently God loads into his belly access to mysteries, where whether you understand it or not, get up in the midnight and do your own programming. Those dimensions may not be known to you until we all come to full knowledge.

For now we don't know everything, we don't understand the ground upon which we are walking, we don't know the powers that hold the depths of the ground, we have no understanding about the air that goes into our lungs, we have no understanding of the laws of connectivity between the units of all the organs of human bodies. We have no understanding about the mysteries of the subconscious, of the unconscious and the intuition of mankind. So many things we are yet to come to know but there is a deposit of tongues, there is a deposit of mysteries within, which ought to lead us into greater depths.

"For he that speaketh in an unknown tongue speaketh not unto men, but unto God: for no man understandeth him; howbeit in the spirit he speaketh mysteries." 1 Corinthians 14:2

O earth, earth, earth, hear the word of the LORD." Jeremiah 22:29

Do you think that this speaker to the earth spoke in English. We don't know what language God commanded the earth

with, but surely it would have been the language of the creature earth. The earth can afflict a man. If the earth says you will not prosper, I don't care who you are, you will not, because the earth is an authority..

It can determine the course of a man. The earth can determine the fate, the destiny, the future of a man. So for God to curse a man with barrenness, God would have to wrought it through the earth.

Do you understand that this thing you think is inanimate is not inanimate. The earth is a living being, it moves, but they call it rotation. It is not rotating it is the movement of the earth, nobody knows that the earth has been walking, the earth walks around carrying every creature inside it. The earth is one of the gods, the earth is an Elohim. There are times when the earth goes to meeting of Elohim.

There are seven Elohim that represent seven dimensions, they meet in the court room of Zion. Do you know how many times the earth carried all of us to sit on the throne? To sit before Yahweh? Everything is locked up in the womb of the earth, everything in the earth is in the womb of a creature. When God has decided to afflict or bless somebody that is on the earth. He called the earth to write the man unfruitful, and the earth would have to carry out that instruction as given by the Lord. Do you know that you can command the earth? You can command creation,

you can command the stars, you can command the sun,
you can command the moon. From today, stand fast in
your calling as a god. Make declarations that must come
to pass and the earth will obey you. Command fruitfulness,
blessing, progress. Let the earth yield her increase.

CHAPTER SIX

THE ENDTIME ROAR

THE WAR FOR A NEW IDENTITY, A NEW NAME

You've got to be careful with the sins you commit, driven by fear and lust. Such sins have repercussions that can span for generations. If no one in the family confronts these issues head-on, whether in the realm of the mind, strongholds, genetics, or family DNA, the cycle persists. Take Abraham, for example. He committed a sin he thought was simple, but it carried on to his son Isaac. Isaac found himself repeating the same mistake, lying just like his father did. This opened a door for Satan to corrupt their bloodline. The lie grew, shaping the character of Abraham's descendants, culminating in Jacob, whose very name meant deception.

The corruption in Jacob's bloodline targeted the chosen one, threatening God's purpose for Israel. Jacob knew he had to fight against this genetic corruption inherited from his ancestors. When he encountered the angel of the Lord, he sought not just a change of name but a transformation of his entire being, his character, essence, and lineage. Our struggles today often stem from battles fought by our ancestors. Understanding this allows us to confront them effectively. We must recognize how sins from the past have become strongholds affecting our lives.

God promises to make our names great, as he did with Abraham.

"And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing." Genesis 12:2

Names hold power in the spiritual realm, not just the name of Jesus but also those of individuals like Paul, John and Peter. These names resonate through spiritual dimensions, signifying authority and identity. Just as Jacob received a new name from the angel of the Lord, we too can experience a transformation. Jesus renamed Simon as Peter, symbolizing his foundational role in the church. Similarly, God is ready to redefine our identities, empowering us to overcome the sins of our ancestors and fulfill our divine purpose.

BATTLING PRINCIPALITIES IN THE ENDTIME

In the name of Jesus, I take over the atmosphere, and establish the anointing, the glory, and the power of our Lord Jesus over your life. Right now, your whole body is rejuvenated, your kidneys are back to life, your liver is back to life, your pancreas is back to life, your eyeballs are back to life. Every organ of your body is being supernaturally revitalized. Walk in divine health and to heal others. When you touch somebody with ailments, diabetes will disappear, cancer will disappear, heart failure will disappear, high blood pressure will disappear.

The Bible is the world's most loved and at the same time the world's most hated book. It's loved because it tells us how to

find everlasting life and it's hated because it tells us that certain things are wrong like murder, rape, adultery, lying, and stealing. We must stand firmly from today in defiance of their siege and destroy their symbols of oppression. The warriors in the city, the prophets should rise. You have the power, you can challenge these devils. Don't be afraid of the devil. Jesus gave you authority. He says in my name, you shall pick up serpents. Who is a serpent? The cunning devil. We have not come with religion, I bring you reality, I didn't bring the letter, I bring you visibility of the letter.

We have been called by Yeshua to carry out the revelation of his latter glory, no devil, nor religion, no system will stop what God is doing these last days. Before my King, before my Lord God, before Yeshua, I lay down my crown. But, when I am standing before nations, when I am standing before the prince of the power of the air, when I am standing before cancer, I take on my authority as a king under the King. When that which is perfect comes, that which is imperfect ceases. So the hour for the perfecting of the saints has come. Any city I enter, I bring down the prince of darkness of that city. We enthrone the princes of light. You are a king, take your place of authority. We have come from the realm of power and glory.

Thank God for preachers that stand for the kingdom, but the kingdom is not the only realm of God. There is

kingdom, there is power, there is glory, and there is forever and ever. We are going to take authority against the prince of darkness over the atmosphere in cities. We are going to rebuke the devil to come down, we re-establish the kingdom of our Lord Jesus in the air. Command the wicked princes in the air to disappear from the atmosphere. We come in the name of Yeshua against the prince of the power of the air of the city.

We set ablaze, we set on fire the altars of witches. Catch fire! Catch fire! Catch fire! Release the souls of men, release the souls of women, release the souls you have held by your spells in the name of Jesus Christ. Release the families, release the children, release the marriages, release that ministry, release that pastor, release everyone. We now enthrone Yeshua. We hereby reprogram the atmosphere. We infuse the seed of God's kingdom, the seed of His word. We seal, we infuse, we plant right now the seed of righteousness into the hearts and minds of men, that the glory of Jesus' righteousness will prevail in every province.

We bind the spirit of darkness that the devil had cast into men and women. We command every unclean spirits in the minds and the hearts of men back to the pit of hell. In the name of Jesus the Christ, we loose the victims of hell In the name of Jesus the Christ, we release the souls of men to come to Jesus. Let churches increase, let revival break

out of churches right now for the glory of Yeshua has begun to reign. Can you see the cloud? Can you see the cloud? Can you see the cloud increasing as we pray? We have given access to God's great army to enter and take over.

We will teach you spiritual warfare, not only teach you, we will take you into the realms of warfare. The kingdom does not come by preaching, the kingdom is established by prayer. It was in the context of prayer that Jesus said thy kingdom come, not by preaching. This is because prayer takes you into dimensions of warfare where you combat with the forces that have stolen our territories. You may not even understand my ministry that's why I said let nobody trouble me for I bear the mark of the high calling. I know the calling of the spirit. Peace is in the atmosphere.

Before we can win and take territories, before we can advance the kingdom of God in any community, we would have to elevate into a spiritual warfare over the spiritual counterpart of that community, of that nation, of that kingdom, and war against the spiritual horsemen, the spiritual horses, their riders and bring that nation down, bring that kingdom down. Replace them with the princes of light, establish a new order, release the souls of men held captive in that dimension of the spirit, after that shall we prevail in the physical. Somebody said, you don't war against principalities in their jurisdiction, but the real

question is why would a principality of Persia have the legal right to hinder the business of Daniel? So, if principalities fight my business, then that gives me the legal authority to setup a war against his domains. I have no business with principalities as creatures but I have business against their territories, I have business against their possessions, I have business against their manipulations, their influences and activities against humanity. So when we war against principalities, according to scriptures, our responsibility in that warfare is to disarm them and take spoil of their illegal possessions. God is too big to go to war against principalities. It takes a creature of a higher dimension to engage them. And the highest dimension creature is the one born of God, the Sons of God. The hour has come for the sons of God to wake up the giant on the inside. Wake Up

Have you ever asked yourself this question why did Jesus bring swords to earth, He did not bring sword to His kingdom but He brought on earth.

*"Think not that I am come to send peace on earth: I came not to send peace, but a sword. For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law. And a man's foes shall be they of his own household." **Matthew 10:34-36***

Because some crazy demonic dark princes are in the

atmosphere governing the earth, hence the sword. But the sword cannot use itself. Before Yeshua came, no man, no prophet, no priest had power to bring down the princes of darkness from the atmosphere. Only Yeshua had the sword that can slay principalities, powers, spiritual wickedness and spiritual rulers of darkness in the heavenly places. The Prince of life, the Prince of Zion, Yeshua the King, has brought the sword, the slayer of princes of darkness. The sword has been released, the sword has been handed over to the princes of light. Take on the weapons of the spirit and ascend, begin to meet the princes of powers of darkness that have infiltrated our communities, our nations, our tribes.

What I will accomplish on earth is to focus in the air, fighting the forces that control our world in the atmosphere. I have done my part and I will be glad that I've done what the Lord has called me to do. By the time we are done with these evil forces, suddenly, the body of Christ will wake up the revival.

THE REALM OF LIONS AND EAGLES.

God says many Christians, many born again Christians, are still sheep. They are still lambs. They have not yet transformed. And the thing is, hearing the word of God does not bring transformation. Reading the scriptures does not bring transformation. The Lord said, the only way you

can transform from a lamb, from a sheep, into a lion is the way of death. So you begin as lambs, we all must begin first as sheep. But there is a way, there is a route that you must follow to become a lion.

And the Lord said to me in the vision, He said, "Son, until the sheep takes up his cross and goes to God, hung on that cross to kill the flesh, he would not have the capacity, the ability to metamorphose into a lion."

And God said to me, it takes the change of a sheep into a lion to overcome the beast of the field, the wisdom of the serpent. It's only lions that can overcome the wisdom of the serpent. Then it says after you have overcome the wisdom of the serpent and another transformation is required, that's when you begin to go through the revelation of encounters to change into an eagle. So that you can ascend into realms and war against the establishments of the devil in the firmament of the earth, war against the dragons. For God says the hour of multiple transformation and territorial takeover has begun. It is a shift of nature. It is a transformation or shift into different forms.

A lamb in the realms has the capacity to die, but a lion in the realms does not die, because a lion represents the vitality, the strength, the capacity of Jesus as the man of war. Understand that you are wearing his image in that form. Until we metamorphose into eagles, we will be

incapacitated to war against the dragon because the woman that waged war against the dragon was clothed with the sun, meaning she possessed the power of the sun. The sun is in the air, in the heavens. She was clothed and she began to walk on the stars of the galaxy, and the dragon's face was in her front. So when we speak of an eagle, we are talking about seizing the abilities in the atmospheres, have dominion over the fowl of the air. The woman was found clothed with the sun, definitely she was not the normal woman as we knew in the early church. She became something else to be able to war in the heavenly realms. She was closer to the throne. She was carrying a child that must be enthroned. So she must come up to the heavenly realms and war against the powers that be in that realm.

DO NOT BE ASHAMED OF ROARING

Before you can represent any unit of God's purpose, you must have first self-developed spiritually. Secondly, you must have come to a point where you know how to roar and groan by the Spirit. The Holy Spirit helps our infirmities and then He groans, He roars, and when you make those sounds, they begin to unlock, answer, track, and deal with things that are beyond your selfish needs.

Any matter or anything that you pick up and begin to groan or roar toward, or against, or for, because roaring is not always against. You can pick your brother or your sister

and start to roar for them. You put the picture of your brother or sister before you, and the Spirit of God will help you to roar for that brother, that sister, that family, or that community. Maybe there is something demonic or troubling, and what you often call that type of prayer is intercession. Intercession is where you stand in the gap for a nation or a people. You roar, and if there is anything particularly negative, you stand to roar against it. I tell you, roaring is something new right now. It's not popular everywhere yet. But in our ministry, the fire of God is erupting as the roar of a lion.

When you roar, you crack the vocal cords, and God deposits a certain power inside it. What comes out of your belly is a sound—a flow of life, words, rivers of power and fire.

*The Spirit helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. **Romans 8:26***

This means you can't put them in words, in English, or in any language. It's the groanings of the Spirit. Some of you are not yet ready for this deeper level of prayer. Some want to speak grandiose prayers like, "Oh Lord of Heaven, I thank You for Your goodness," but these prayers are just going around in circles. When you come to the camp of spiritual men, they are not just praying in tongues.

Praying in tongues is for your self-development. It's for the edification of your spirit. As you grow spiritually, you move beyond the basics of tongues to deeper realms of prayer.

When you have grown up, you don't need milk anymore. Just as newborn babes desire the sincere milk of the word, praying in tongues is part of that milk for spiritual growth. But there comes a time when you have to move beyond basic tongues to the roaring of the Spirit.

When you are in this state of deeper prayer, your tongues increase, and you learn how to pick up the roar in your belly. Don't be concerned about what people will say. Their opinions do not matter. Nobody can fight your battles for you or carry your burdens; they will just wish you well and go on with their lives.

The same people you have been observing, the ones you are trying to impress, are the ones who will gossip about you and offer fake condolences when you are gone. It's time to roar for yourself and your family, to stand strong in your spiritual walk, and to realize that their opinions are meaningless in the face of spiritual reality.

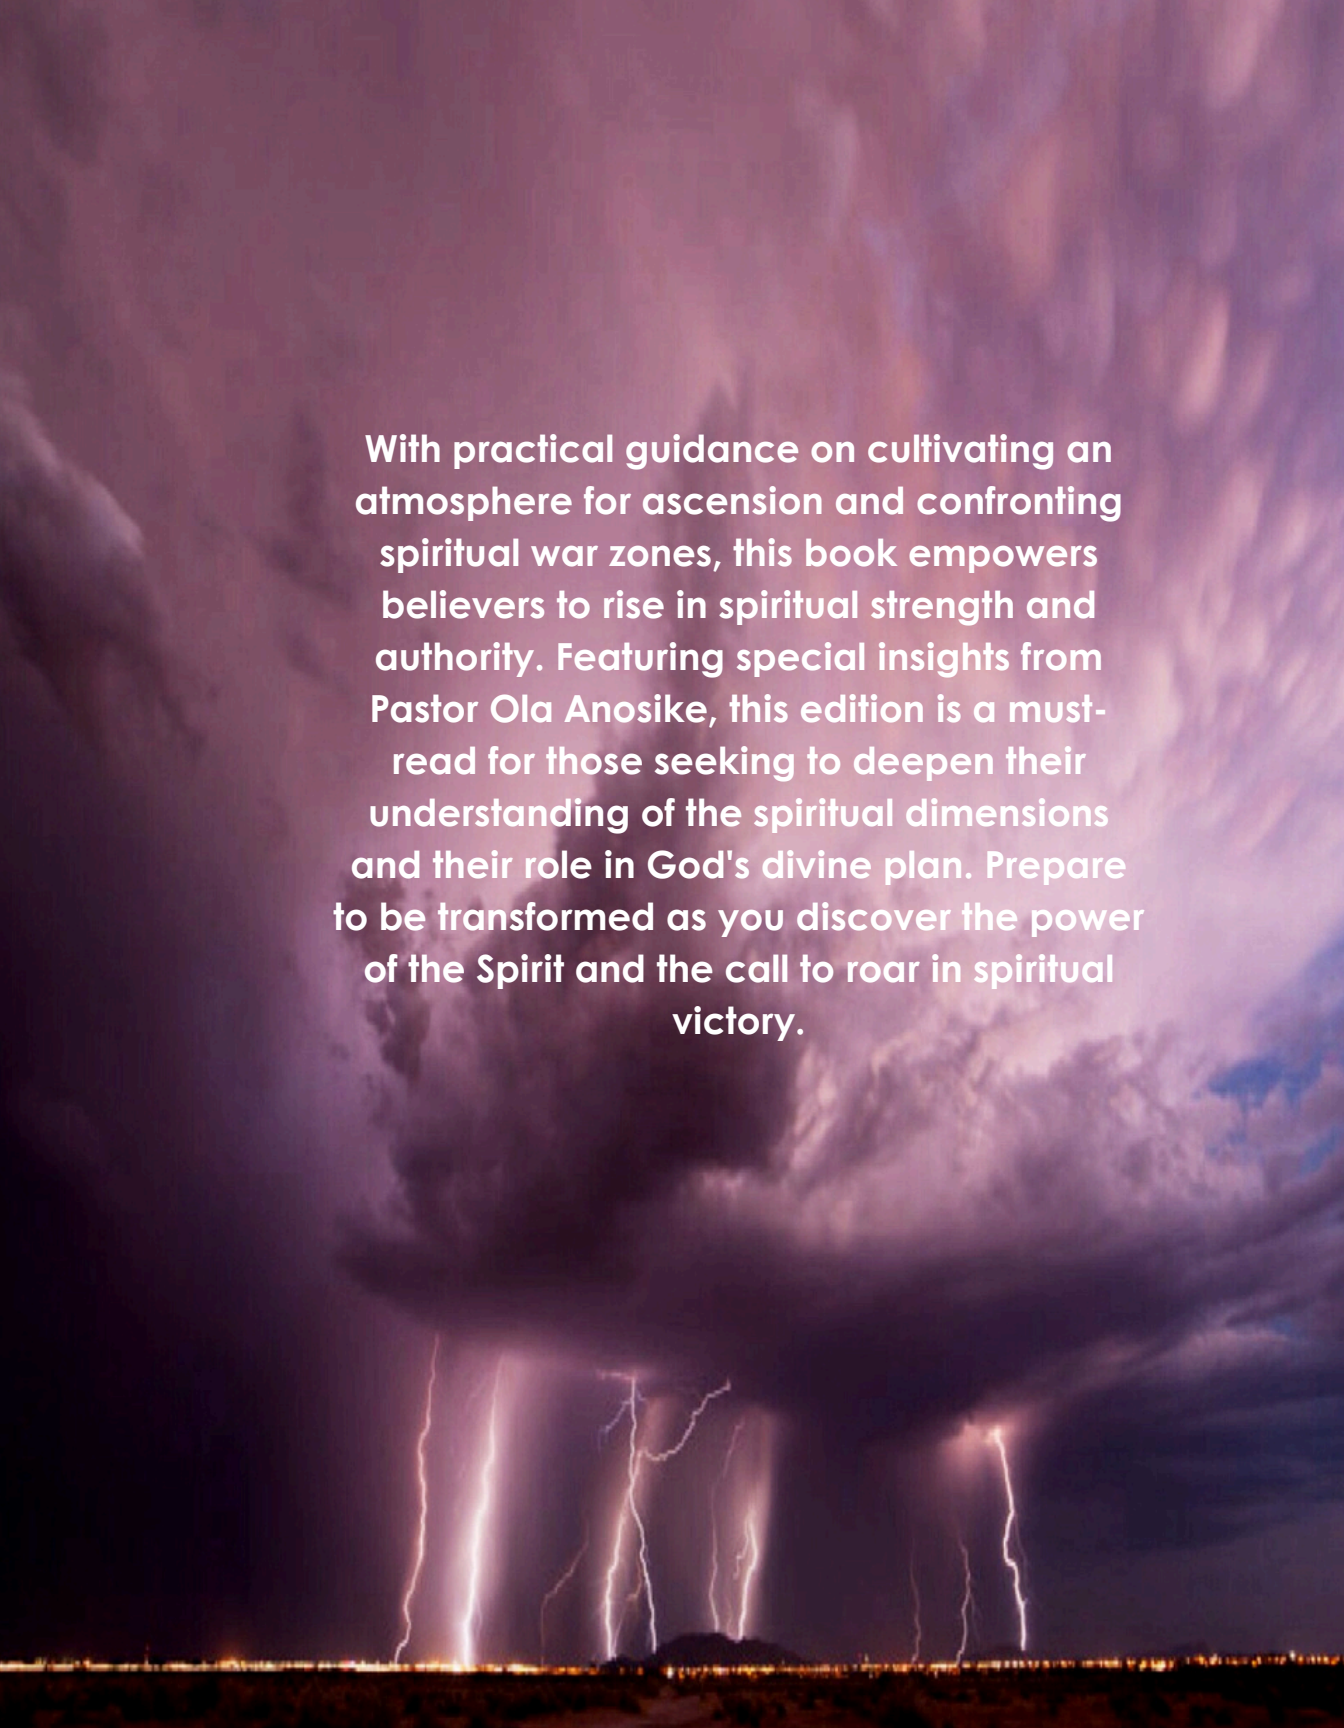

CONCLUSION

As the hours become dark on earth, those who war will be custodians of the greater light. Those who possess the answers, from them shall all nations seek answers.

*"And the Gentiles shall come to thy light, and kings to the brightness of thy rising." **Isaiah 60:3***

The Bondservant of Christ has masterfully guided us through the realms of prayer, the intricacies of spiritual battles, and the authority bestowed upon believers. With practical insights shared by Pastor Ola, providing practical wisdom and spiritual depth, your empowerment to manifesting the lion's authority in you has been activated.

This is a powerful reminder that the battle we face is not against flesh and blood, but against principalities and powers in heavenly places.
