PREFACE

With the weight of our words, we announce today the rise of a mandate; a mandate that sails deep into the multitudes of war and the associated realms encapsulating it. This is a call concerning matters of dynamic amplitude - it is a call to reclaim creation, for the fruits of creation silently remain in fervent anticipation.

What we strive to highlight through this mandate is the notion of subjugation; the necessity to bring forth order and discipline, even amid chaos and uncertainty. It is essential to not lose sight of this power we possess - a power that draws its being from the inception of humanity itself.

In the long lines of ancient scriptures, we observe the symbolism of God's image being manifested in man. It aims to showcase the power of representation - man's responsibility to represent God within the heterogeneous realms drawn by many lives on our earth. These realms extend deep beneath the waters and the creatures therein, project into the expanses of the air, water and land filled with unique creatures.

From the dawn of our existence, as conceptualized by divine intervention, God forged man in His image, thereby bestowing upon him the eternal attribute of being a warrior. As such, man, being a reflection of the

divine will, has been tasked to subdue, command, and rule over inhabitants of all realms - the water, the air, and the earth.

While man remains vigilant and rises as a warrior, we must remember that our domination is not about the exploitation, but a careful dance between control and nurture. Then, our presence would shine forth as a beacon in all realms, symbolizing that we have faithfully executed the mandate of war in those realms.

To remember, to act, and to prevail – This forms the essence of our mandate. Let us, therefore, recall our divine heritage, take heed of our duties and march ahead to make our Creator's vision a reality.

Yours in the Sacred Vineyard

The Bond servant of Christ,

Ikechukwu John Anosike

INTRODUCTION

The heavens tremble, the earth groans, and the waters churn, there is a battle raging beneath the surface of existence, a conflict that predates humanity's fall and stretches into the very fabric of eternity. This is no ordinary battle, for it is not fought with swords or shields, but with spiritual authority, spiritual fervor, and unyielding faith. Every believer, every Son of God, carries within them a call to war, to take up arms in a spiritual struggle that defines their purpose and destiny.

You are not just a mere spectator in this warfare. You are a divine emissary, a sub-king under the King of Kings, charged with a

mandate that reverberates through the realms of heaven, earth, and the unseen. This is not a role you can evade or ignore, for rebellion brews in every corner (be it in the air, the waters, or the earth).

These realms, once harmonious, now cry out for restoration, and the responsibility falls upon you to subdue, to conquer, and to establish the dominion of the Almighty.

But this mandate is no gentle assignment. It is a call to war, a relentless, all-encompassing campaign to crush rebellion, annihilate chaos, and reclaim creation for the glory of God. You are not just called to survive but to thrive, to stand firm in the armor of God and wield the authority of heaven with precision and

purpose. The enemy is cunning, the battlegrounds are vast, and the stakes are eternal. Yet, within you lies the DNA of Yahweh, a blueprint of victory that empowers you to conquer and reign.

What does this war entail? What are the territories to be won, the strategies to be deployed, and the victories to be achieved? *The Mandate of War* will lead you into the heart of this spiritual conflict, equipping you with the knowledge and understanding to rise as a warrior of light. Prepare yourself, for the pages ahead will ignite your spirit, challenge your status quo, and awaken the warrior within.

The battle is calling. Will you answer?

CHAPTER ONE

THE REALITY OF LIFE.

There is a war to be fought, there is a battle to be won, there is a fight of faith assigned to every man, to every Son of God, to every 'Divine Prince' in the realms and God-assigned King upon the earth.

The kingdom of God is rising to establish its dominion over the air, the land, and the waters. This is a call to arms for the spiritual soldier, a charge to battle against the forces of darkness: against affliction, against cancers, and against every siege laid upon our families and destinies. The war is here, and the spoils belong to those who dare to fight!

One of the greatest strategies of victorious warriors is this: **take the war to the enemy's gates before it reaches yours.** Just as earthly soldiers fight on foreign soil to safeguard their homeland, you must rise in the Spirit to wage war in realms beyond the natural, to paralyze the enemy before he dares to strike. A nation on the offensive has the upper hand. Do not wait for Satan to creep into your home, your family, or your life—**launch out now and take the fight to his strongholds.**

The air is ours; in the name of Jesus, the dragons are falling! The waters are under our dominion, and the land trembles under the authority of the King of Kings. Jesus, our Commander, showed us the path of total

rulership over creation. He multiplied bread to feed thousands, exercised dominion over galaxies, and demonstrated the supernatural in the most profound ways. He was the perfect prototype of humanity reigning in full capacity, wielding the mantle of divine authority.

There is a realm, a dimension where the supernatural becomes your daily experience. Where one act of divine provision sustains you for a decade, where miracles flow not as exceptions but as evidence of your inheritance in Christ. This is the hour to step into that dimension! The mantle for war is upon you; the charge has been given to discover the undiscoverables, to reclaim the lost territories,

and to enforce the victory of Calvary in every domain of existence.

Warriors, arise! The battle is fierce, but the victory is already assured. In the name of Jesus, every chain must break, every gate must open, and every dragon must fall. Take hold of this mantle and let the warfare begin, until the kingdoms of this world become the kingdom of our Lord and of His Christ!

In the realms, God is King Ultimate and we are Princes in the calibre and ranking of His divinity. In the earth, by God's veto and supreme power, we are assigned Kings upon the earth hence He is called "The King of Kings". We are sub-Kings, joint-heirs with Christ, therefore, by

reason of this ranking, the onus falls upon us to rectify any revolt under our jurisdiction that is against our Father's ordinances and set order in place. We are to GO as ambassadorial representatives and STAND as the emissaries of The Supreme King to enforce dominion in resistant sectors, release judgement via the express proceeding declarations of The Word of Our God and to govern and groom the yielding unto perfection.

Jesus said we should Go into all the world and His Word enjoins us as soldiers to STAND and WITHSTAND any opposition to our positioning.

*And he said unto them, Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned. **Mark 16:15-16***

*Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; **Ephesians 6:13-14***

OUR POSITIONING.

In the Book of Genesis, God announces the intended portfolio for mankind to "The Members of The Godhead" and decrees it to all creation when He blessed, commissioned and released man. Gen 1:26-27

Man is positioned to have dominance over ALL the world. World being 'the cosmos' as interpreted in its original Hebrew context. We were proclaimed to have dominion over the

fowl of the air (the Air Realm), over the fish of the sea (the Water Realm) and over the beasts of the field and every creeping thing that creepeth upon the earth (the Earth Realm). Rebellion in any of these regions requires the enforcement of power and authority by mankind as it falls within man's ambit and jurisdiction of legality, rulership and kingdom domain. This duty is taken on by every citizen of this kingdom. Just as we see in the natural world, the general civilian people report or stand for justice and their rights - like the average believer who prays and enforces certain regular victories.

Howbeit; there are citizens whose job and calling it is to defend the nation and wage war

on any adversary who threatens the position of the nation. They are the military. They are for defence, they are for attack... they are warriors! Of such are those called to the Mandate of War... Sonship, Immortality and Life. They wage war to crush every adversary and the last enemy which is death. We are a war nation, the tribe of Enoch, the ancient tribe of life, the Sound nation!

Our job is to clear the realms of filth both in the physical and spiritual and annihilate the works of the enemy so that we establish the gracious order of a Pure and Holy God.

*Behold, he putteth no trust in his saints; yea, the heavens are not clean in his sight. **Job 15:15***

Take note that creation is in rebellion since the fall and even before the Fall, there were beings to SUBDUE and DOMINATE as instructed by God.

These words are not gentle terms, it means there was a certain chaos already in the system. Therefore God created an AUTHORITY to handle and organise them, an Extension of Himself to all realms. A people who can rule over the Air, Earth and Waters just as He does, an IMAGE and LIKENESS of Himself!!

Observe the garmenting of The Godhead to understand more the framework man was built with.

God The Father: The Lion of The Tribe of Judah(encasing The Earth Realm)

*Surely the Lord God will do nothing, but he revealeth his secret unto his servants the prophets. The lion hath roared, who will not fear? the Lord God hath spoken, who can but prophesy? **Amos 3:7-8***

God The Son: The Word, The Water of Life

encasing The Marine or Water Realm

*That he might sanctify and cleanse it with the washing of water by the word, **Ephesians 5:26***

*This is he that came by water and blood, even Jesus Christ; not by water only, but by water and blood. And it is the Spirit that beareth witness, because the Spirit is truth. **1 John 5:6***

God The Holy Spirit: The Ruach, The Wind
(encasing The Air Realm).

Man had to be a compendium of these triune ability hence man was crafted from earth-dust, then breathed into the Air-breath of Life and Water-fluids began to flow through man

making him a functional Living soul. So, the essence of ALL creation have an expression link in man as their custodian. Everything existing in this world stems from any or a combination of these 3 realms hence man has authority over and to command them, be it elements, matter, nature forces or creatures.

Observe the porosity of man's makeup:

The earth and its constituents are an extension of him. His mouth and nostrils are open to inhale and exhale air, his skin is porous to absorb from his surroundings and the earth... in time past, people are cured, even infertility was cured by people walking daily on specific sands thereby absorbing the nutrients from the earth via their feet into their bodies. The water

from the rocks sustains the body's internal balance and operations with the elements within it. Infact, it is literally a give and take scenario between man and nature. Trees feed the body oxygen and receive the carbon dioxide exhaled from man to purify his air, they produce foods for the body, the earth takes the waste of man to nourish and replenish. It is an indelible cord of communion we have with creation, remember, that's why it was suitable that we were elevated to joint-heirs with Christ as Sons of God as per the original blueprint for mankind.

When you look carefully at what was said about Christ's position to which we share inheritance and rights, it was said that ALL

THINGS made were made FOR HIM and BY HIM. Now, we can understand the craftsmanship of man which was always in the original thoughts of God to give us this expected end of Sonship, kept specially for those who love him. Such a platform would not be given without a test. God knew His thoughts and plans in the divine setup with the tree, for He testeth the hearts of men.

Due to this divine encrypted cord between man and the earth to sustain him, it was therefore indeed a high necessity that for the sentence of death to activate within man, the earth had to be cursed! The earth has actively weakened via this curse from its former proficient job of protecting and sustaining

mankind. It has done this by Air Pollution, Water Pollution and Earth/Soil Pollution so even the crops and vegetables yielded are no longer as they used to be. It is actively poisoning mankind, shortening his lifespan and essentially killing him!

It yields cursed vegetation (thorns & thistles) like hard drugs eg. cannabis, marijuana, coca, opium poppy etc that destroys mankind and leads them into heinous acts of sin further enslaving himself to the repercussion and consequence of death!

Arguably one might want to contend that some of these have medicinal uses hence reiterating The fall in the garden of Eden scenario. Man and the earth were subjected

to the knowledge of good and evil so everything in the earth including man Himself is of this nature. Apostle Paul said "death worketh in us but life also" and every man is in a fight of faith to subdue their counterfeit evil version that chooses to go against God's instructions. In same light, these strange herbs also have the capacity to alter man's mind hence called hallucinogen plants. No debate, other plants do not have such excessively negative effects. These herbs were specifically called up in the curse of the earth to run the assignment to frustrate, addict and kill man.

It took one built in such capacity to alleviate this curse hence it was imperative that The Christ come in human form to redeem the

earth and mankind from the curse, as He was the original end-point of mankind's formation in the blueprint of God. It could not be any of the other branches of the Godhead. It was the lamb who was worthy and fulfilled the criteria of man's divine genetic encoding as Sons of God!

Observe, once it was time for Christ's job to begin, these three realms converged at the announcement ground being the baptism of Christ.

Christ the Word, the Water was immediately activated once Jesus was dipped into the water of River Jordan, signifying The 'Water Realm'. The 'Air Realm' immediately showed up as a winged creature of a 'dove' and

alighted on Christ as He ascended activated from His intricate essence of Water, the purifying water of Life and He was immediately moved by the Ruach-Wind-Holy Spirit into the wilderness -'Earth Realm' to go conquer the ancient serpent by His victory in travails, prayer, fasting and crushing serpentine temptations before He could even try going about doing good, doing His Father's work and effecting His ministry of restoration.

The water and air realm could easily yield to him at His announcement as they were not encased in the curse but were 'Dominions' to subdue right from the beginning hence you can find longevity in the air and sea. Turtles live over 100years, life and cellular restoring herbs

are in the sea eg sea moss, sea weed, kelp and the like. The waters and air have never changed their course but the earth which was cursed has been in turmoil, gone through transitions and transformation. It looks nothing like what our ancestors born in the early days saw.

Christ had to actively and intentionally CONFRONT it and establish the headship of man in His rebuke to the devil that "thou shall not tempt The Lord thy God!!" ... keeping in mind that we are encased in Christ so every reference to Himself and His authority elucidated our relevance and positioning.

Therefore, as far as it pertains to creation, the mention of these three realms both in the

physical and in the spirit version: as everything created first exists in the realms and is called forth to manifestation.

The enactment of this decree was proclaimed at the restart of the earth after the flood. Man was blessed to manage the three (3) realms, then again restated with the descendants of the Father of Faith, Abraham, when God told Abraham his children would be as the sand of the sea (Earth and Water Realm) and as the stars in the sky (Air Realm),

*That in blessing I will bless thee, and in multiplying I will multiply thy seed as the stars of the heaven, and as the sand which is upon the sea shore; and thy seed shall possess the gate of his enemies. **Genesis 22:17.***

It was also reiterated at the commissioning of the new move and testament with the disciples of Christ... the foundation builders of Ecclesia, before Christ ascended to the third heaven.

To prepare them for His leaving as His time drew near necessitating the handover of the Dominion Mantle, Christ breathed upon them to receive The Holy Ghost (Air Realm),

*"And when he had said this, he breathed on them, and saith unto them, Receive ye the Holy Ghost." **John 20:22***

Then brake bread (Earth Realm) and gave wine as a symbol of His blood of covenant (Water Realm), so you would see a consistency in the Mandate of War in the realms constantly repeated, re-issued and never abating.

Now that we have this baseline covered, let us get more specific. Jesus Christ said something of great note. He lamented that the sons of this world are smarter than the sons of light,

*"And the lord commended the unjust steward, because he had done wisely: for the children of this world are in their generation wiser than the children of light." **Luke 16:8.***

So some things they do are worthy of note and learning. On the war ground, they indeed observed these three frequencies exist and co-relate so they created forces for each realm both in the physical and in the spiritual world.

You will see their Army consists of the Military (Earth / Land Force), The Navy/Marine Force

(Water Force) and The Air Force (the name says it all).

When you remember that the enemy has no creation of his own and is only an imitator eg. trying to move about LIKE a roaring lion looking for whom to devour in the earth just as he said when asked in the case of Job. He responded he had been going to & fro like the fake lion described above in God's Word, you would realise that anything they have done is an imitation of the original.

*Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour. **1 Peter 5:8***

Or like his replication of Abraham's generations assigned to carry out God's righteousness in fierceness as an army till the end of the world.

*That in blessing I will bless thee, and in multiplying I will multiply thy seed as the stars of the heaven, and as the sand which is upon the sea shore; and thy seed shall possess the gate of his enemies; And in thy seed shall all the nations of the earth be blessed; because thou hast obeyed my voice. **Genesis 22:17-18***

*And shall go out to deceive the nations which are in the four quarters of the earth, Gog, and Magog, to gather them together to battle: the number of whom is as the sand of the sea. **Revelation 20:8***

God has built His army in mankind as custodians of the world, yes, that's why He commissioned them to go into ALL THE WORLD and as well as in the spirit realms to back up man in effecting his duties.

As seen above, the lionlike imitation of the enemy throws light on the assigned creature over the earth realm -THE LIONS!! It is no

mistake that man unconsciously recognises its physical creature form as "The King of The Jungle".

The second assigned set recognised in scripture in the description of God's end time outpouring and people are they that will MOUNT WITH WINGS AS EAGLES... the EAGLES!!

CHAPTER TWO

THE IMAGE OF GOD SUBDUES CREATURES OF OTHER REALMS

Finally man in Christ is made in the image of God because Christ is the express image of the person of God. Man is created in the image of God, taking on the responsibility to represent Him in various realms of existence. This representation involves mirroring God's authority and dominion over the different elements of creation.

As mentioned in the sacred texts, man is tasked with demonstrating God's sovereignty in the realm of the waters, which includes the

creatures that inhabit this domain. Additionally, man is called to assert this authority in the realm of the air, overseeing the creatures that dwell in the skies above. Furthermore, man is expected to exhibit control over the earth and its fields, along with the creatures that inhabit these terrains.

God, in His wisdom, originally designed man to function as a warrior, equipped with the capacity to subdue and govern the various realms assigned to him. By exercising this inherent power and mandate, man fulfills his purpose of reflecting the image of God in the world.

In essence, through the Spirit of wisdom and understanding and embracing the image of

God within ourselves, we are empowered to embody His characteristics of strength, authority, and stewardship over creation.

This is the ancient manuscript of the manifold purpose of God for man being made in the image and likeness of God, is appointed to represent His divine power and majesty across various realms.

From ancient scriptures to contemporary religious texts, the concept of "Imago Dei" or the image of God in man, broadly involves the representation of God's sovereignty among diverse realms within creation. These domains encompass the space of waters and all living species beneath its billows, the wide expanses of air thriving with various creatures, and the

terrestrial earth teeming with numerous life forms. Each domain is unique in its constitution, and in line with the biblical teachings, mankind was intended to serve as the ultimate embodiment of God's image across these three domains.

A captivating way of viewing this concept arrives from the representation of God's image in man as a warrior. This portrayal presents man not merely as a passive image-bearer, but also as an active participant serving the divine purpose of his very existence - a man of war. This warrior is called upon to subdue, dominate, and rule over the inhabitants of all three realms - the water, air, and earth.

Translating this into human responsibilities, one can interpret that our purpose is not only to exist amidst other creatures but also to assert our rightful dominance over them. However, it is crucial to understand that this dominance should not be misconstrued as cruelty or unbridled authority. Rather, it emphasizes thoughtful stewardship, responsible management, and maintaining a harmonious balance among all species, much like how God himself would.

In conclusion, the theology of God's image in man affirms his distinct position in creation. It not only emphasizes the divinely ordained responsibilities bestowed upon mankind but also offers a profound understanding of our

inherent roles and responsibilities. It invites us to remember our divine roots and the sacred tasks entrusted to us - to dominate, subdue, and maintain harmony in the water, air, and earth realms, thereby truly living out the image of God entrusted in us.

Ultimately, man in Christ is made in the image of God because Christ himself is the express image of the person of God. This reality signifies a powerful and eternal union between God, Christ, and humanity. By accepting Christ into our lives, we are aligning ourselves with the divine nature and becoming more like Him.

The Bible teaches us that Jesus Christ is the visible representation of the invisible God. In the book of Colossians, it is stated that Christ is

the image of the invisible God, the firstborn over all creation.

*"Who is the image of the invisible God, the firstborn of every creature:" **Colossians 1:15***

Therefore, when we accept Christ as our Savior and strive to emulate His teachings and way of life, we are reflecting the image of God in our own lives.

CHAPTER THREE

THE TRI-FOLD MAN

1. Man of land
2. Man of water
3. Man of air

The Mysterious Unification of the Tri-man.

In this divine mysterious plan of God, salvation is not a mere act of mercy or charity, but rather a divinely preordained eternal orchestrated transaction to bring man into its inherent purpose—spiritual warfare in the realms of dominion; creatures of land, air and water.

If we are to rise and embrace our true existence, we must reach the end of our faith,

culminating in the salvation of our souls. God had been explicit about his intentions from the inception of man. But this was not if you will, the 'first' creation. Rather, it was the grand unification of man as a trinity, echoing the Divine—man of the breath of God, (man of the air) and man of the land and waters.

God fashioned man from earth, breathed life into him, and man became a living being. This trinity of forms made man, a dwelling place for God, forged in the image and the likeness of the divine. It's critical to understand that before this trinity was united, the man of the land, soul, and heavens each existed separately, awaiting their divine union.

We are on a journey towards the END OF FAITH, THE SALVATION OF THE SOUL. This journey is none other than a process intended to bring us back to our original purpose - a purpose that involves spiritual battle and exercising our sphere of authority in the spirit realm.

But what does it mean to come to the end of our faith, to reach the salvation of our soul? This leads us to the understanding of our divine creation. God, in His infinite wisdom, intended us to be multi-dimensional beings right from the outset of creation. We are not merely physical entities, rather, we are an elaborate unification of a threefold man - being of the breath of God, of the air, the land, and the waters.

God shaped the man from the earth and breathed into him the life-giving breath. Thus, this combined man became a living soul, dwelling in the image and likeness of God. Ponder on this, us being composed of these three elements, created separately, but united in one being.

The book of Genesis tells us,

"So God created man in his own image, in the image of God created he him; male and female created he them"
Genesis 1:27.

This reflects the duality within us, a union of distinct individuals - the man of the land, the soul, and the heavens.

God continues in Genesis 1:26,

"And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the

sea, and over the fowl of the air; and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth."

Here it is clear that we, being of the threefold nature, were given dominion over all realms.

Reflect on this threefold man:

1. The man of the land - The physical body
2. The man of the waters (soul, blood) - The emotional self, the living soul
3. The man of the air (the spirit or the breath) - The eternal spirit

The unity of these three is the mirror image of God - the eternal residence of the Almighty. Scripture validates this, showing us the man of the earth (body), the man of the waters (soul), and the man of the air (spirit). Each part is

significant and has its scripture to support its existence.

Mark 8:36 encapsulates the essence of the soul.

"For what shall it profit a man, if he shall gain the whole world, and lose his own soul?"

Eternally ours, the soul can be lost to the abyss. Thus, the ultimate triumph in life is safeguarding our soul in Christ's unification - forming the divine triad that reflects His image of ruling order across the waters, the air, and the land, the domains of dominion.

Potently, the Astral Man, created by the divine breath of life, is clarified in numerous scriptures. Genesis 2:7 specifies divine action,

"And breathed into his nostrils the breath of life,"

whereas 1 Corinthians 15:45(b) emphasizes,

"The last Adam was made a quickening Spirit."

Ecclesiastes 12:7 highlights the spirit's divine lineage,

"Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it."

As Numbers 23:19 confirms,

'God is not a man.'

Therefore, all the threefold man is not God but hailed from God, created in the image of God after His likeness.

CHAPTER FOUR

THE THREE PARALLEL WORLDS

The account from Genesis 1:2- 31 does not document the first creation but rather the restoration of what once was. Evidence of this lies in the pre-existing records- water, darkness, the deep void that enveloped an already existent earth. In the account of creation, not once does it come to light that God created darkness, waters, the deep or void. Subsequently, one can summarise that the account of creation detailed in Genesis 1:3-31 pertain to therapeutic restoration, not the constructive creation of a brand-new world.

The book of Genesis chapter 1:2 reveals an invisible deep hidden secret of the chaotic revolt and rebelliousness of creatures in the realms of dominion. Remember, Genesis chapter 1 from verse 2 to the end doesn't mean first creation, rather it means restoration of creation. This is because, water, darkness, the deep, void, were already found on earth. In the account of creation as recorded in Genesis chapter 1:2-31, there was no place where God was found or said to have created darkness, waters, the deep, or void in connection to God creating light, land, firmament, sun, moon and stars etc in Genesis 1:3-31. In a careful consideration in the above order, one can confidently say that the

account of creation from Genesis chapter 1:3-31 was a restoration of what was destroyed by the wrath and judgment of God because of the rebellion of creatures of dominion, thrones, principalities, powers in the realm of the waters, air and land.

What transpired has happened. The three-dimensional spheres we know as the air, land, and water are in reality the Tri-Parallel realms of the formerly existing worlds. Evidently, the unification of these three parallel realms, brought into existence by God, would necessitate the merging of trifold man. It is intended to facilitate the governance of the realms and creatures of water, air, and land in

an esoteric union reflective of God's luminous image and likeness.

Allow me to elucidate further. As illustrated in Genesis chapter 1:9-10, God gathered the waters and honored his creation by bestowing upon it the name 'Sea'. Consequently, the initial and subsequent primordial waters gave birth to two aquatic realms. The gathering of the water by God is essentially the creation of the second parallel realm to the first water. These two entities, the original and subsequent waters, exist in a continuous state of tension and disagreement, each opposing the other. The entities of the first water realm and those of the second water realm, gathered by God and named 'Sea', exist in parallel trajectories.

The initial water entity which preceded the act of creation is denoted as 'deep', while the subsequent water entity is referred to as 'Sea'. Between these realms of the first fallen 'deep' and the second water entity, known as 'Sea', lie two distinctive beings belonging to separate civilizations.

In essence, we have two marine entities: the first being the marine kingdom of the deep realm, engulfed in darkness (Genesis 1:2), and the second being the realm of the seas (Genesis 1:9-10). The deep realms can be further categorized into two sectors, the 'Dark Deep' and the 'Light Deep'. Within these two, entities of the dark deep seek to consistently wage war against those of the light deep.

To recap, it is envisaged that the man belonging to the deep waters will form a coalition with the man from the land and air. This conglomeration, reflecting and embodying God's glorious resemblance, is to guarantee the rule of Almighty and His dominion over the realms of the deep, land, and air.

CHAPTER FIVE

THE RAGE OF WAR IN THE REALMS

As stated in the scriptures, we are witnessing the intensifying conflict that signifies the coming end times.

The prophecy foretells that the end will not arrive until the lion of Judah roars, signaling the dominance and control of the kingdoms of water, air, and land by the military forces of Zion. It is imperative that we understand the gravity of the situation as all enemies must be defeated and brought under the authority of Jesus.

Currently, the world is experiencing a great age of war in the spiritual realms. The

symbolism of the woman clothed with the sun, the moon at her feet, and the stars adorning her crown signifies the imminent birth of a child destined for greatness. However, the red dragon, consumed by wrath and destruction, seeks to harm both the woman and her unborn child.

We must stand firm in our faith and prepare for the spiritual battles that lie ahead. It is crucial that we unite in prayer and remain vigilant against the schemes of the enemy. Together, we can overcome the adversities that confront us and emerge victorious in the name of our Lord.

According to revelatory reports from our sources in heavenly realms, the woman has been elevated to a multidimensional status, gaining the ability to subdue even the celestial bodies of the sun, the moon, and the stars. This newfound authority signifies her reclaimed rulership over the air, water, and land, posing a considerable threat to the forces of darkness.

As a result of her ascension in the celestial hierarchy and territorial dominion, Satan has initiated what appears to be the final war against her. The intensity and stakes of this conflict are unprecedented, and it is crucial that we remain vigilant and steadfast in our spiritual warfare.

I urge you to intensify your roars, groaning and spiritual protection during this critical time. We must stand united in faith and resilience against the adversary's schemes, knowing that victory is assured through our unwavering devotion to Christ and His rule in all realms.

THE INTERPRETATION OF GENESIS 1:2 AND THE RESTORATION OF CREATION

In the chaotic state of Genesis 1:2, the earth was created in a perfect state, existing as two parallel worlds: the dark land and the light land, as indicated in Genesis chapter one verses one and ten. The conflict between these two lands represents the ongoing struggle between good and evil, with the dark land constantly rising against the light land. It is in the light land, which God called forth out of the water and named Earth (Genesis 1:10a), that the victory of righteousness and the will of God must prevail.

The two heavens mentioned in Genesis chapter 1:2-31 existed in a parallel dimension, with the creation of a new heaven leading the first and second heavens to become the second and third heavens, respectively. The third heaven, being God's throne, stands apart as a realm of divine sovereignty.

It is crucial to understand that the courts of heavens, which govern the affairs of creation, are situated in the second heaven, where Satan holds territorial influence. In the creation of the new earth, a new first heaven was established to align with the divine order (Genesis 1:7-8).

The Trifold Man symbolizes the embodiment of God's likeness and the key to projecting the

light and authority of the divine kingdom into the realms of land, waters, and air. By reflecting the principles of God's nature, the Trifold Man becomes an instrument of asserting God's dominion over the conflicting forces at play in the parallel lands of Genesis.

In conclusion, the narrative of the parallel lands and the emergence of the 'Trifold man' in Genesis serve as profound symbols of the ongoing battle between good and evil, emphasizing the importance of aligning oneself with divine purpose and authority to overcome the challenges of the spiritual realms.

THE REDEPTIVE MISSION OF JESUS: TRANSCENDING THE REDEMPTION OF MAN

It's a widely accepted belief that the crucifixion of Jesus Christ on the cross at Calvary was an act of ultimate sacrifice meant for the redemption of mankind from the shackles of sin. However, I feel compelled to foreground a crucial aspect that often gets overlooked: His mission of redemption is not confined to mankind alone. It extends further, reaching out to the powers existing within the cosmos.

By reclaiming control over these powers, Jesus Christ made a powerful statement: His reign is all-encompassing and pervades all realms --

whether in heaven, on earth, or beneath the earth. This multi-dimensional dominion is indicative of the omnipotence of His authority. As beneficiaries of Jesus' sacrifice, those who consciously accept and honor it are bestowed with its merits. In the same vein, the redemption of powers also necessitates a deliberate recognition and acceptance of Christ's supreme authority. It is our responsibility to acknowledge and actualize Jesus' victory over the powers controlling the realms of air, water, and land, which would subsequently usher in His supreme rule across all dimensions. Our calling is well-defined - we are to participate in a spiritual warfare that spans all realms. Upholding the dominion God has

bequeathed us is our charge. As beings created in the image of God, we are entrusted with the control of the dwellers of the air, water, and land, a crucial facet of the divine purpose that we were created for. Therefore, I urge all of us to broaden our understanding of Jesus' mission of redemption. We must acknowledge that it extends beyond the salvation of mankind and aspires to restore His rightful control over all powers. In aligning ourselves with this grand divine scheme that was charted out for us from the inception of time, we can deepen our faith and enrich our spiritual journey.

Let us strive towards this enlightenment and live our lives serving the divine purpose for which we were created.

CHAPTER SIX

IMPLEMENTATION OF GOD'S PLAN FOR MANKIND IN THE THREE REALMS

The commencement of the age of war in the realms and the completion of our salvation through Christ. As new creatures in Christ, we have now been empowered to resume God's original plan for mankind.

It is imperative for us to acknowledge and embrace our mandate to establish the kingdom colony in the air, water, and land - thus fulfilling God's divine purpose for us. To achieve this ambitious goal, we must harness the spiritual arsenal at our disposal - the roar of the lion, the abilities of the eagle, and the

authority of the marine - in the realms of dominion over the three elements.

Our mission is to boldly proclaim and manifest the manifold wisdom of God to the principalities and powers that govern these realms. This divine wisdom, encapsulated in the incarnation, sufferings, death, resurrection, ascension, and exaltation of Christ, is the key to establishing the Eden of God, the kingdom of God, in our world. I urge you to join hands with us in this noble endeavor, to rise up as soldiers of Christ, and to actively participate in the realization of God's plan for mankind in the three realms.

As stated in the passage, we are reminded of the divine prophecy that heralds the end times, a period where the kingdom shall be delivered unto God, the Father. It foretells a time when all rule, authority, and powers shall be rendered powerless before the Almighty. Moreover, we are called to acknowledge that Christ must reign until every enemy is subdued beneath His feet.

The symbolism in these verses paints a vivid picture of a fierce spiritual warfare unfolding in the heavenly realms. The motif of the woman clothed with the sun, the moon under her feet, and the stars adorning her crown alludes to the body of Christ, encompassing both the Church and believers across dimensions.

In this epochal era, the body of Christ transcends earthly boundaries, wielding spiritual authority over the realms- air, water, and land. This ascendancy poses a direct threat to the forces of darkness, symbolized by the great red dragon, whose malevolent intent seeks to thwart the manifestation of God's kingdom on earth.

As we navigate through these turbulent times, let us be vigilant and steadfast in our faith, knowing that we are partakers in this cosmic battle for dominion. Let us stand united, fortified by the truth of Scripture and the indomitable power of Christ, as we press onward in fulfilling our divine mandate.

May this proclamation ignite a fervent zeal within us to persevere, intercede, and contend for the triumph of light over darkness. Let us rally together as warriors of the faith, standing firm in the knowledge that He who is in us is greater than he who is in the world.

CHAPTER SEVEN

WE WRESTLE AGAINST

1. Principalities
2. Powers
3. Rulers of Darkness
4. Spiritual Wickedness in the heavenly place

*“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.” **Ephesians 6:12:***

This powerful text illuminates the grim reality that our struggle is not merely against visible and physical entities, but against a host of non-physical, spiritual enemies - namely, principalities, powers, rulers, and spiritual wickedness in high places. This wrestling is not

inherently defensive; it represents an offensive battle waged on the very grounds of spiritual forces - in the water, air, and earth.

It is of utmost importance to comprehend this scripture in terms of spiritual warfare against these pervasive forces. A pivotal aspect of achieving this understanding lies in an introspective examination of how Jesus approached, wrestled with, and triumphed over these same spiritual battles.

Firstly, Jesus embraced God's suffering for His flesh, learning obedience through this process. His life was marked by obedience, unwavering dedication, and steadfast conformity to the will of God. In our spiritual warfare, are we willing to accept this level of obedience?

Secondly, Jesus bore His own cross, executing His flesh in the process. Engaging with spiritual adversaries in the realms of water, air, and earth is not advised while one is still entrenched in the flesh. By carrying your cross, following Jesus's path to the realm of fleshly crucifixion, and renouncing immorality, materialism, and impulsiveness, you step closer to the spiritual realm, empowered to claim victories over territorial kingdoms of these spiritual wickedness.

Thirdly, the ongoing process of self-denial is essential to our spiritual growth. It is a relentless endeavor to free oneself from the sensual world's influence. The spiritual fight demands

the renouncement of self, flesh, and natural tendencies, while cultivating righteousness, holiness, and deep commitment to consecration. Remember, Jesus experienced death before overthrowing principalities and powers in Hades.

Upon journeying through personal death, the gates of spiritual realms will hear your voice. For with each instance of self-denial, you acquire a distinguished rank in the spiritual hierarchy which grants you access to the realm of the unknown tongues.

As you ascend through the spiritual ranks, God will usher you into the realm of the eyes to perceive spiritual realities hidden from the ordinary sight

Finally, when you steadfastly endure the crushing of God's spirit, navigating through the wilderness's rigors, God will draw you into the realm of ears, enabling you to hear revelations of the past, present, future, and eternal truths of the Divine Realm of the Logos.

CHAPTER EIGHT

THE REALMS OF THREE ENTITIES

It is time to delve into a profound subject often overlooked yet centrally vital to our understanding of spiritual workings and realms. We live in a world teeming with unseen spiritual forces. These forces, particularly the air realms, are brimming with spiritual wickedness. Spirits of evil take shape, often manifesting as a dragon planting seeds of demonic intelligence in human minds.

Of particular interest are five access points these spirits use. The mind, where they sow ideas. Our thoughts and imaginations, where they manipulate perspectives. Lastly, secret

cults, where they are the underlying powers that drive clandestine rituals and practices. It's imperative to constantly guard these gateways to prevent spiritual corruption.

Now, I would like to touch upon water spirits, forces that come to us during dreams of water, symbolizing their presence and influence. The imagery of frequently flying in dreams or experiencing visions while praying is associated with air forces. This is a testament to their pervasive nature.

Correspondingly, lions in spiritual terms denote firmness, exceptional faith, and strong spiritual discernment. One might not always observe these qualities, but they remain influential,

nonetheless. Keeping steadfast faith and discernment keeps these spirits at bay.

In this teaching, we reaffirm the Biblical phrase, "Let us make man in our image," with the understanding that "image" represents the mirroring of the divine likeness. In this regard, I refer you to Revelation 5:3-5 in the King James Version, which sheds light on the idea that no individual is deemed worthy to open or read the sacred book.

Allow me to introduce another topic, the three realms and their respective spiritual ranks; realm of water, realm of air, and the realm of land. Each realm possesses unique peculiarities. Mirroring these are three realms of

spiritual ranks; unknown tongues realm, the eyes realm, and the ears realm.

Furthermore, these realms align with their respective sentient beings, illustrating a deeper connection. Of the three beings, Marine fish represent the water realm, Eagles represent the air realm, and Lions represent the land realm

Naturally, being born into each realm signifies ruling over each. Born of water rules water realms, born of the Spirit rules air realms, and being born again rules the land realm. With this, a man must be reborn – born of the water, of the Spirit, and of God. This trifold rebirth corresponds to trifold man, symbolizing unity.

The Book of Revelation 5:3 brings this concept full circle revealing mankind's simultaneous existence across the trifold realm of water, air, and land.

*"And no man in heaven, nor in earth, neither under the earth, was able to open the book, neither to look thereon." **Revelation 5:3***

Our spiritual selves exist across these dimensions, reflecting the unification of man's tri-nature.

CHAPTER NINE

THE SPIRITUAL REALMS AND GOVERNING PRINCIPLES

I submit to you some profound insights primarily revolving around the subject of spiritual realms, their creatures, the principles governing these areas, and how they intricately intertwine with our human existence. These revelations have guided me in drawing parallels between spirituality, human consciousness and the general order of the universe.

We should comprehend that, like the plenitude of diverse beings in the world, the spiritual realm also houses entities of varying character. Foremost, a particular group of spirits,

colloquially known as spirits of wickedness, have been known to occupy air realms. Their malevolence takes shape in the form of a dragon symbolizing the infusion of demonic intelligence in human minds. These spirits manipulate five principal areas: the mind, thoughts, imagination, information and they also have control over certain secret cults.

Water spirits represent another force distinct from the air spirits. They are often associated with people who experience dreams involving water. Equally compelling are the dreams related to flights, where individuals may perceive themselves taking flight in dreams, or experiencing intense visions while praying or even spontaneously. These dreams and visions

correlate with forces prevalent in the air and water realms, respectively.

Within the land realm, the lion symbol signifies firmness and represents those with strong spiritual discernment. The lion symbol embodies individuals with exceptional faith, even though it may not be consistently evident.

To further contextualize these insights, this teachings denotes the doctrine of Genesis image, presented in the Bible verse, "Let us make man in our own image". This suggests the notion that we, as humans, are designed to mirror the Divine Image reflecting its omnipresence. We revisit this theme in the Book of Revelation 5:3-5 (King James Version),

which outlines the inability of any entity in Heaven, Earth, or underneath Earth to decipher the book that contains the mysteries of the universe.

This leads us to the topic of spiritual ranks overseen by three realms – the realm of water, air, and land; each represented by different creatures such as Fish for water, Eagle for air, and Lion for land. Corresponding to these realms, humans experience three spiritual awakenings or 'births'.

First, being 'Born of Water' symbolizing mastery over the water realm. The 'Born of Spirit' governs the air realm, and finally, being 'Born of God' connotes dominion over the land. Jesus emphasized the need for humans to

undergo these births, merging them into the trifold man—Water, Spirit, and God. This trifold man independently coexists within the realms of water, air, and land, as articulated in Revelation 5:3.

"And no man in heaven, nor in earth, neither under the earth, was able to open the book, neither to look thereon."

CHAPTER TEN

UNDERSTANDING THE ARMOURS OF GOD: EXPLORING THE THREE REALMS AND THEIR ASSOCIATED CREATURES.

I submit to you the Armours of God and their associated three realms and their unique creatures. This thought-provoking revelation explores the notion that man has access to three realms of reality, each related to a distinct chamber of his consciousness.

The uppermost chamber, from the head to the shoulders, represents the air realm. According to this reality, the consciousness within this realm is associated with the power of thought, decision-making abilities, and our spiritual

connections. Creatures associated with this realm are as winged beings, such as fowl of the air, signifying freedom, transcendence, and the potential to rise above the material plane when eagles rule the air but the opposite when dragons rule the powers of the air.

The middle chamber of consciousness, which spans from the heart to the loins, corresponds with the water realm. In reality, this realm symbolizes the world of emotions, epigenetic, DNA infusion, genetic manipulation, creativity, and healing. As water reflects and adapts, so does the human heart, mirroring our environment and adjusting to the ebbs and flows of existence. Creatures linked to this realm are often aquatic or amphibious,

suggesting depth, transformation, and the ability to exist both on the surface of reality and in the depths of the subconscious. These creatures are called by the Bible "The fish of the sea." Creatures of depths. They are able to manipulate your entire emotions, urges, to come under the influence of anger, wrath, strife, depression, chronic rejection and sexual inordinate aggression.

Finally, the lowermost chamber, spanning from the waist to the feet, is thought to represent the land realm. In many scriptural instances, the land is associated with foundational strength, stability, and physical interaction with the world around us. It signifies our grounded reality, sense of responsibility, and physicality.

The creatures of the land - creeping things that creep upon the earth.

Through understanding these three realms and their corresponding characteristics, we can better harness our spiritual (air), mental (water) and physical (land) strengths and navigate our weaknesses. The Armours of God serve as a paradigm that encourages self-awareness through the examination of our conscious and subconscious selves, shedding light on our spiritual, emotional, and physical realities in and outside ourselves under the authority of Christ and scriptural lights.

Remember, our consciousness, like the three realms, is intrinsically linked to both the cosmos

and the world around us, making us not only observers of reality but also participants.

CHAPTER ELEVEN

THE WATER WEAPON

The spiritual weapon of Truth (Reality) and the breastplate of Righteousness are for the water realms. We wage war in the realm of the waters with the weapon of Truth and Righteousness. The human loins and heart are greatly affected by creatures in the water realm. The weapon of Reality (Truth) is the most potent weapon to access the water realms and destroy the hold of marine spirits in the realm of the human heart.

The heart is for conception. Anything conceived in the heart is usually captured in the loins. The loins transmit genetic information

data to other generations. This is why water spirits are the strongest demonic spirits to deal with.

To war effectively in the realm of the water requires a sincere alignment of the heart with the word of God and the purging of the heart of motives, intentions, and wickedness of ruins. Marine spirits manipulate the heart with the deception of indiscipline and casual responses to sinful deeds, aiming to impregnate the heart with generational sin in the womb of the loins so that Satan can establish a transmutable virus of generational sinful habits, struggles, or family patterns.

Safeguard your loins with reality. Reality is the deep. The realm of deep calls unto deep.

Water flows into deep. Until you are deep in searching out the deep things of God, marine spirits will continue to hold a significant part of your body, health, urges, family members, imagination, emotions, etc.

The deep belongs to lovers. To love is to be drawn to the deepest depths of a thing. The deep belongs to love. The Bible says that the deep things of God belong to those who love God, and these deep things of God are incapable of being searched by man; rather, it is the Holy Spirit that searches out the deep things of God, and it is the Holy Spirit that reveals the deep things of God to those who love God.

So, love draws us into the deep. Love for God causes a man to keep the commandments and the word of God. Love qualifies a man to see deeper versions of God's essence that are exclusive.

The fight to love Him is the weapon of righteousness of the heart and the reality of the loins. Realities are in the loins. Struggles are in the genetics. Fortunes are generational. Your labor of righteousness today is captured in the loins. Your wickedness today is transgenerational. Battle hard to leave an inheritance of righteousness in your loins. Confront the ancient gates of the marine to alter and reset your genetic code for life, godliness, fortunes, wealth, fear of God, and

godly seed. Even the Bible says that a righteous wife can make an unrighteous husband holy. It also says that children begotten by two righteous people are a holy seed.

CHAPTER TWELVE

SPIRITUAL WEAPONS FOR DOMINION OVER EVIL FORCES

It's crucial to understand that as Christians, we are engaged in spiritual warfare on the land against serpents, scorpions, and the realm of venoms, fortified by the weapons of the Gospel of Peace and the Shield of Faith.

This readiness and preparedness provided by the gospel of peace acts offensively and defensively, shielding our spiritual soles against these forces of evil. Without these spiritual weapons, we face the impossibility of extinguishing the fiery darts of Satan and

defeating the serpents and scorpions that seek to derail our spiritual journey.

We engage in this terrestrial realm fight, wielding the spiritual weapon of faith, persistently deploying ourselves in the mission to preach the Gospel of Christ. As Jesus proclaimed, "GO YE!" It's those of us, constantly on the move for the Gospel, who hold the power to cast out devils, speak with new tongues, withstand serpents, and survive deadly intoxicants unscathed.

To be continually on the move for the gospel is to understand that your vocations and achievements, even your financial success, all play a part in advancing the Kingdom of God. With this comprehension, you claim authority

over the satanic land forces. This encompassing mindset and relentless faith form the backbone of our weaponry in this terrestrial warfare against sadistic forces.

Life can wield an uncompromising hardness, thrusting us into long bouts of suffering and afflictions—these are typically the efforts of land spirit creatures. These spirits contract with the earth to enforce a certain verdict on those under their legal authority.

The scriptures reveal the earth as a living entity, inhabited by an array of spirits such as serpents, cattle (representing good spirits), scorpions, and several clean and unclean beasts. These spirits act as strongholds, effectively enforcing their spiritual directives.

They have the power to decimate families or defend us, depending on who dominates their power.

The Bible reveals that possessing faith as small as a mustard seed enables us to command mountains to move. Mountains encompass strongholds of the earth, and faith is the divine capacity within us that communicates with the terrestrial forces, assuring our commands are obeyed. Without faith, we relinquish the power to control the earth, leaving it to malevolent forces such as witches, wizards, and secret societies who exploit the earth to impose hardship upon humanity and their progeny.

Faith in God and the faith of God serve as a weapon against these land forces. While you stand strong against these forces, remain steadfast in your faith. Overcome your sensory perceptions; instead, ground yourself firmly in the word of God despite any opposition. The forces of the land may target your intellect, health, family – yet, a single word fueled by faith can negate all the destructive darts hurled by demonic forces.

Most importantly, a critical part of our spiritual armory against these land forces is the understanding that every aspect of our existence must aid in the implementation of our divine appointment to disseminate the gospel of Jesus Christ to all those who cross our

paths. Take heart and stand firm in faith, for it is instrumental in combating the difficulties imposed by the land forces.

Wishing you steadfast faith and divine wisdom in navigating through this terrestrial spiritual battle.

CHAPTER THIRTEEN

THE WEAPON IN THE AIR

The sword of the Spirit and the helmet of Salvation are formidable weapons provided to us in our spiritual battles. These weapons aid us in combating wicked spirits that inhabit the air, where the metaphysical wrestling match of humanity takes place. Against perilous adversaries such as dragons, symbolic of malignant forces demonically attacking the minds, thoughts, and imagination, we are to utilize the Sword of the Spirit (The word of God in your tongue) and Helmet of Salvation (the assurance of salvation by Grace alone in the finished work of Christ)

Our minds are complex strongholds of spirituality, bristling with four towers of spiritual frequency that connect to the signals present in the realm of the air. It is within this realm that spirits, known as the fowls of the air, exert their dominion. These creatures exist in two principal classifications: eagles and dragons. Eagles, awed creatures, remain subject to God's authority, while dragons depict once holy eagles now misguidedly loyal to Satan. These creatures impart influence on the human mind, disseminating unholy contrary knowledge, wisdom, and understanding of all elements of existence.

It's crucial to understand that knowledge governs the world, with our minds functioning as conduits for information. The knowledge we seek is bestowed upon us by these spirits and it's from the air that every bit of intelligence makes its way to us. Our minds are merely receptors for information transmitted by these powers of the air. Within this air sphere, spirits inspire our ideas, values, ideologies, conceptions, and beliefs.

Exhibiting this phenomenon, I once had the privilege of meeting an ancient eagle-like creature. This majestic entity had the appearance of a man, his face was white as snow with white bears, he had spectacles on, and yet he had the body of an eagle. These

beings, as I understand, embody knowledge, wisdom, and exceptional intelligence.

Leaders and decision-makers derive their ruling prowess from knowledge and intelligence gained from these entities that populate the air. People's abilities to control time and seasons emanates from these intangible creatures. All our earthly circumstances, both ebullient and grief-stricken junctures, are programmed and enacted in the air.

The significance of our spiritual warfare in the realm of the air cannot be overstated. As spiritual eagles, we work to disrupt and obliterate seasons of darkness and consecrate a new beneficial agenda according to God's written word. We're engaged in a constant

battle against dragons to regain territories and powers previously maligned.

As we traverse this spiritual battlefield, it is our duty to resist the darkness perpetuated by the Prince of the air. We must rally our spiritual air force, symbolized by the eagles, not just to survive, but also to prevail against these spiritually malignant forces.

As sons and daughters of God, let's ready ourselves for these spiritual challenges we face. It is our divine obligation to wrestle for powers of the air and enforce the redemption achieved by Jesus, ensuring that light prevails over dark in the air realm.

CHAPTER FOURTEEN

THE DEPLOYMENT

Let me throw more light on this grouping and encampments in the spirit;

THE LIONS

The Land Force

They are the LAND FORCE. These men are crafted from the intricacies of the 'Earth Realm'. Remember, all mankind were crafted with elements from the three realms to ascertain dominance and access across creation's spectrum but each person is woven specifically from a particular intricate fabric of creation that endows them with specific skill sets for specialised and focused warfare. Just as in the Army, every one is generally trained

to fight but aside from the general training, groupings are made according to ability... those with exceptional swimming skills join the navy, those with a love for flight while others are cautious of heights join the Air Force, those with dominant face to face combat skills, join the land force.

Yes indeed, they are "Face to Face" people, they do not fear confrontation. They bulldoze any opposition without batting an eyelid. They are the 'Kings' of the earth. They have been crafted to rule!

They go where others dread, breaking ground is their joy! They know the earth belongs to them. They have a certain sense of ownership of the treasures of the earth that no other

realm has. They expect the earth to yield to them and don't take 'no' for an answer!

You will see this makeup in Christ The Lion of The Tribe of Judah... He did not take 'no' from the fig tree that did not give Him fruit because it was not in it's flowering season and cursed it to die immediately.

*“And when he saw a fig tree in the way, he came to it, and found nothing thereon, but leaves only, and said unto it, Let no fruit grow on thee henceforward for ever. And presently the fig tree withered away.” **Matthew 21:19***

Lions seem to make unusual demands that may seem insensitive to the plight of another simply because they have laid claim on the earth to serve them. One would have thought it inconvenient of Christ to expect such and

also react with a temper and release strong offensive words but He knew who He was! Lions know who they are, they have a certain self confidence and boast like the grandeur and roar of a Lion. They love self praise and see the might of their works and accomplishments nourish their souls, hence, lions will be decapitated if they are not able to achieve or locked in one place.

Do you see yourself in this description?

Yes, you are Land Force!

Look at your skin. The weaving on it are not to be taken for granted. It is the STAMP of The Almighty in His creation of you. That is why no one else has your printing, be it finger prints, eye print etc.

You are supernatural, a Spirit God made you therefore, your creation was spiritual. There are mysteries about who you are that you are yet to comprehend. You know not the half of it! Even the hairs on your head are numbered. They are living entities, because a Living God created all things!

Can you explain the crafting of the whorls on your skin? When God was weaving each of them together, what was He thinking, what indeed were His thoughts towards you? What was He saying, what were the words uttered into your existence? Do you know it?

He was so specific with it that He said no cutting should intentionally happen upon your skin, no printing of tattoos or marks for the

dead... because we never know what we are altering in those destiny whorls. There is a reason diabolical palm readers can accurately read your destiny out of the lines of your hands , they tapped into the counterfeit of a hidden mystery of your creation!

If you have however done some of these things, there is mercy in the days of ignorance. It is not something to intentionally walk into when knowledgeable. What about scars? The scars of a warrior are an ingrained part of his destiny and path of life. The battles were already predetermined and predestined in the heavenlies, they only awaited their manifestation on the battleground. It was not a going against scripture to cut themselves. God

said to Jeremiah “before I formed you, I knew you..... raised you for battle and war”!!

*Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations. See, I have this day set thee over the nations and over the kingdoms, to root out, and to pull down, and to destroy, and to throw down, to build, and to plant. **Jeremiah 1:5 & 10***

*But even the very hairs of your head are all numbered. Fear not therefore: ye are of more value than many sparrows. **Luke 12:7***

*Ye shall not make any cuttings in your flesh for the dead, nor print any marks upon you: I am the Lord. **Leviticus 19:28***

This is but a baseline introduction of the classifications of God's Army. It is a very intricate, well thought out army, put together

by the General of All Creation, The Captain of our Faith. Understanding this Army is a depth of mysteries!

For example:

Even amongst the land force are sub-divisions. Just like you have the Archers, The lifters, the Foot Soldiers (Calvary) etc in a Land Army. That's how there are myriads of subdivisions in the Kingdom Force according as God has woven each man. Some are battle axes like Jeremiah...born as Generals, specifically assigned by Yeshua. Some are Rocks like Peter, laying foundation and ushering others in training and leadership into greater heights.

It was no mistake for Christ to address His chosen disciples according to their

craftsmanship. It was a deep knowledge coming forth from The Master Craftsman, The Potter of Our Souls... No word from Him should EVER BE TAKEN FOR GRANTED! If He called Peter a Rock, meditate on it for at least 7 YEARS!!!

He said..."thou art Petros (Peter meaning Rock) and upon this rock (Petra), I will build my church..."

*And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it. **Matthew 16:18***

Even the discerning fathers of faith could pinpoint the realms from which their children were crafted and blessed accordingly. A thing for every parent to think on.

*And Jacob called unto his sons, and said, Gather yourselves together, that I may tell you that which shall befall you in the last days. Judah is a lion's whelp: from the prey, my son, thou art gone up: he stooped down, he couched as a lion, and as an old lion; who shall rouse him up? The sceptre shall not depart from Judah, nor a lawgiver from between his feet, until Shiloh come; and unto him shall the gathering of the people be. **Genesis 49:1, 9 & 10.***

THE EAGLES

The Air Force!

They are en-woven beings of flight, they love the air; heights brings excitement, they are adventurous! They are supreme beings of flight, assigned specifically to the Air, therefore, every entity of flight is under their charge. For example, money can sometimes be an entity of flight which maketh itself wings, therefore , they have the ability to tap into the realms of high-wealth and rule as the STARS of the earth. They are fruitful. Yes, indeed they access and understand the stars, they are wise, just like the three wise men who knew the Christ was to be born and were directed by the heavens, they

know the future ahead having spiritual eagle eyes to see into the future, to see ahead. They understand times and seasons therefore they rule over their brethren and instruct Kings in the way to go , just like the sons of Issachar. Due to this ability, the government is upon their shoulders, they are burden bearers of the other two realms and nations find succour in them. They are intricately tied with the Land Force hence the eagles rest upon the trees and land.

Again; acknowledging the spiritual parentage of Jacob (Israel), he defined Issachar and blessed him in this manner...

Issachar is a strong ass couching down between two burdens: And he saw that rest was good, and the land

*that it was pleasant; and bowed his shoulder to bear, and became a servant unto tribute. **Genesis 49:14-15***

*And of the children of Issachar, which were men that had understanding of the times, to know what Israel ought to do; the heads of them were two hundred; and all their brethren were at their commandment. **1Chronicles12:32***

Jacob could identify another Son of Flight in Joseph, even his adversaries were fellow flight beings ... called "The Archers"

Joseph is a fruitful bough, even a fruitful bough by a well; whose branches run over the wall: The archers have sorely grieved him, and shot at him, and hated him: But his bow abode in strength, and the arms of his hands were made strong by the hands of the mighty God of Jacob; (from thence is the shepherd, the stone of Israel:) Even by the God of thy father, who shall help thee; and by the Almighty, who shall bless thee with blessings of heaven above, blessings of the deep that lieth under,

*blessings of the breasts, and of the womb: The blessings of thy father have prevailed above the blessings of my progenitors unto the utmost bound of the everlasting hills: they shall be on the head of Joseph, and on the crown of the head of him that was separate from his brethren. **Genesis 49:22-26***

So, just as with the fake lion, it is consistent that whatever it is that comes against you serves as an indicator of the Realm you are assigned to. If you see yourself in your soul version in the dream world or even in open spiritual manifestations be it heavenly encounters or demonic oppression flying, always in the air, or battling beings and entities of flight, that is your endowment and supernatural ability...you are of the Air Realm. If you see yourself in water or combating water creatures, you are of the

Marine or Water Force. It is your inherent ability to be able to co-exist in this realm. If you see yourself on land, battling beasts and creatures of the earth, or as a lion, know you are of the Earth Realm... the Apostle Paul who we know was a ferocious lion even in how he confronted Peter not to be deceptive before the Jews regarding eating with the gentiles had to face "The Beast of Ephesus" because it was within his Earth Realm. He confronted his fellow Lion of the Land Force Peter because he had allowed their Earth adversary.... "the serpent" to make him deceptive, even Christ had to rebuke the serpent in him directly saying "get thee behind me satan"! when Peter again allowed the serpent to use him to

deceive Christ in the mimicry of 'good intentions' to stop him from going to The Cross. Christ also identified two of His disciples as the Sons of Thunder..... from the Air Realm!! Yeshua recognised this ability! Let the Eagles take flight!!

THE AUTHORITIES:

The Water or Marine Force;

They have the imparted ability of God to sway the hearts of kings and men therefore, they usually control the high realms of financial and political authorities in the earth. They are higher and instruct kings, they are a force to be reckoned with. Their counterfeits are what the earth calls “godfathers” in politics... hackers into diabolical illuminating knowledge to manipulate earthly circumstances and reins. They indeed pull the reins of kings.

The king's heart is in the hand of the Lord, as the rivers of water: he turneth it whithersoever he will. Proverbs 21:1

They embody the birth mother of all creation.. The Holy Spirit broods strongly over them. They

are unique creative forces whose ideas and prowess know no bounds just as the waters cover the sea, they are vast in knowledge. They are wise. You will observe many similarities of abilities and description with the other two realms as the Earth was called out of the water and the fowl of the air was called out of the waters above the Earth. God divided the waters into two major categories, one for the Earth, one above in the skies ... which then provides rain upon the Earth. This is the network of the Water FORCE.

They are easy-going, pliable like the flow of the waters, this ability makes them unstable, procrastinators and very 'laissez-faire' about

achieving things and can be deemed sometimes as lazy or unserious.

They adapt to any situation, adjust according to situation and are able to get along with all types of people and personalities therefore, they are usually loved. This ability to have favour before men pulls the counterfeit water spirit of manipulation, seduction, immorality and lasciviousness. They are responsible for divorces, infidelity, fornication, rape, incest etc, vice-versa. Their counterpart makes marriage and relationships work because they accommodate the weaknesses of others. True, they are strong in spotting weaknesses and either taking advantage of it or helping the other person's weakness hence, counterfeit

seductive water spirits can easily observe the weakness of a spouse. Just by watching the other spouse they have cast their lustful eyes on and take advantage by fulfilling the areas of weakness where the spouse is lacking as a point of infiltration into the couple's marriage.

One more time, we allude to Jacob's eye-opening blessings upon his children.., he could fish out the child assigned to the Water tribe amongst his kids.

*Reuben, thou art my firstborn, my might, and the beginning of my strength, the excellency of dignity, and the excellency of power: Unstable as water, thou shalt not excel; because thou wentest up to thy father's bed; then defiledst thou it: he went up to my couch. **Genesis 49:3-4***

You see the counterfeit water spirit led him to sleep with his father's concubine in ordinate affection. Water temperaments can be extreme in nature, going from a completely serene flow to a tempestuous storm or tsunamil! So, most often, water people are seen as manipulative, their diversity makes them misunderstood as untrue or deceptive but the counterpart spirit is actually all-round multi-talented making them easily outshine others effortlessly. This ability of responsibility and multi skill set makes others anchor on them making them bite more than they can chew in trying to please everyone and end up frustrated because they are not meeting up to everything they have taken on.

They have a fascination for water and of course, see themselves in it in the soul realms, dream world etc.

Christ exhibited this dominion when he walked on water, was not fazed by the storm because he knew he could exist in it without drowning and was even upset when awakened to calm it down. Just three words and a whole ocean obeyed Him immediately and quietened down!

As earlier mentioned, this is just an introduction. Just as they are stand-alone realms so also are they uniquely interwoven and intertwined. More on these unique combinations will be delved into as we progress. For now, be assigned to a course and ready yourself for

battle training. It is but the beginning of the best age of the Body of Christ...The Rising of The Sons of God! Don't be left out!! Hear the resonant battle call and COME UP HITHER!!!

CONCLUSION

Dear Warrior,

The dawn of an epoch anticipated by creation throughout millennia has arrived. The significant day of deploying our air, land, and marine forces into the realms has come.

Over six thousand years ago, the world fell to an unprecedented deception. Satan and his chief demons beguiled Adam and Eve, instigating a far-reaching fall of humanity, leaving a trail of theft and devastation, claiming what was God-given.

The realms of the waters, the air, and the earth fell victim to Satan's greed. In the beginning, God entrusted man with these realms. As per

Genesis Chapter 1:26, "let us make man in our image, after our likeness let them have dominion over the fowl of the air, over the fish of the sea, and over the earth and everything that creeps upon the earth."

Regrettably, Satan exploited man's lapse from virtue, usurping control over these realms, powers, and creatures once obedient to man because man sinned the sin of death.

Today, Christ reconciles man with God, through the redemptive power of Jesus' blood. Over decades, we've preached salvation. Praise be to God, we've ventured beyond salvation. Unmistakably, salvation continues, but God has ascended to the higher purpose

of restoring man to his rightful dominion in the realms of air, water, and land.

We stand on the precipice of a new era, an age of war. A war unseen, waged in invisible realms. A war to reclaim dominions lost long ago, powers and authorities in the air, water, and land.

Christ's Bondservant, John, has been chosen to marshal these forces. On Sunday, the 24th of November 2024, we marked the inaugural deployment of Zion's military, grouped and prepared for warfare in the realms.

Our marine force, known as "the authorities," was deployed. Simultaneously, "the eagles,"

our air force, took to the air, while "the lions," our land force, readies for deployment.

This trifecta of forces prepares to enter these realms, reclaiming our God-given dimensions as promised in Genesis. The Biblical principle of man's dominion stands resolute, as we endeavour tirelessly to exercise our God-given right to subdue.

ABOUT THE AUTHOR

John Anosike is a visionary leader and global change agent, known for his disruptive approach to personal development and all round transformation. As the Founder and President of New World Faith Ministries, he has spearheaded multiple innovative platforms, including Spirit Revelation Ecclesia, the University of the Deep Things of God, and the School of Revelation. These initiatives have revolutionized how individuals engage with personal growth, enlightenment, and higher knowledge.

A prolific author, John has written numerous inspirational books that challenge conventional thinking and inspire readers to unlock their full potential. His groundbreaking work has had a global impact, with his Life Campaign Conferences attracting thousands across the world. These events offer a unique blend of empowerment, insight, and actionable strategies for both personal and professional growth. John is also the convener of Supernatural Business Link, an initiative aimed at merging spiritual principles with modern business strategies to engineer exceptional growth and innovation in the marketplace.
