CHAPTER ONE

*"The dream world
is the
consciousness of
your
subconsciousness"*

John Anosike

WHAT IS A DREAM

A dream is a deployed timeline of an awaiting incident or circumstance or accident to happen.

For God does speak, now one way, now another, though no one perceives it. In a dream, in a vision of the night, when deep sleep falls on people as they slumber in their beds, he may speak in their ears and terrify them with warnings, to turn them from wrongdoing and keep them from pride, to preserve them from the pit, their lives from perishing by the sword. Job 33:14-18

Once you have dreamed it, it has been timelined. It may be a result of your day-to-day imaginations or some kind of fantasies or some kind of wrong things you allowed to creep into your mind.

The transactions between your soul and your physical consciousness is a tiny line called the dream world. God meets us in the dream world because He is a Spirit. Ninety percent of the times God wants to talk to you in the dream. The dream world is the consciousness of your subconsciousness

When you sleep bodily, another version of your soul comes into consciousness, that one that comes into consciousness that you call a dream is the very one that angels want to interact with. That one you call a dream is the very one that God wants to speak to. God takes you into different realms in the spirit to show you the things of the spirit, these things that God shows you are within the languages of the spirit, within the languages of the soul, the language of God.

SAY THIS PRAYER LOUD

My Father give me the spirit of understanding to be able to interpret my dreams that when I step into the dream world I will be able to remember everything I see. Give me understanding so that I will be able to interpret everything I have heard and seen so that I may effectively engage with the things of the spirit in these last days. Amen

“We both had dreams,” they answered, “but there is no one to interpret them.” Then Joseph said to them, “Do not interpretations belong to God? Tell me your dreams. Genesis 40:8

As a child of God, nothing should just happen to you by chance. Gate it. The power to dream is an ability in every human. God uses it. You were given to use it. What is this ability for primarily? For creating the outcomes you desire to see in the physical realities. That is the source for training incidences and outcomes. Satan can use it too, so if you don't gate the doors of your dreams some unimaginable, unacceptable influences will creep into that ability to create what you never wanted.

REASONS YOU FORGET YOUR DREAMS

- **Spiritual Attack:** If you don't remember your dreams, you are under satanic attack, you need deliverance. I will say it again if you don't remember your dreams, something has happened to you and you need deliverance, Satan has hijacked a very vital, essential, highly valued and esteemed part of your spiritual victories.

- The Flesh: The second reason why you don't get to remember your dreams is because there is too much flesh in you, there has to be a level of crushing for the clarity of the voice of God. If you're full of bitterness, anger, resentment, fornication, your spirit will not be attuned to the voice of God. This means you are conscious only in the physical realms which is your lower nature.

MEN WHO UNLOCKED THE POWER OF DREAMS IN THE BIBLE

Dreams have long been regarded as a mysterious realm where the subconscious communicates with the conscious, and for many individuals in the bible, dreams were a conduit through which divine guidance and revelations were imparted. Let us look at five remarkable biblical characters who conquered adversities and fulfilled destiny through the reception, interpretation and fulfillment of their dreams.

► JOSEPH: THE DREAMER WHO BECAME A RULER SCRIPTURE: GENESIS 37:5-10; GENESIS 41:14-16

Joseph, the son of Jacob, is perhaps the most renowned dreamer in the Bible. At a young age, he dreamt of his brothers bowing down to him, which, initially, caused resentment among them. However, it was through interpreting Pharaoh's dreams of seven fat and seven lean cows and seven ripe and seven withered ears of grain that Joseph ascended from imprisonment to the second highest position in Egypt. His ability to discern the timelines in dreams not only saved Egypt from famine but also paved the way for the eventual reunion with his family.

► **DANIEL: WISDOM IN DREAM INTERPRETATION**
SCRIPTURE: DANIEL 2:1-23; DANIEL 4:4-27

Daniel, a young Israelite in Babylon, rose to prominence because of his extraordinary ability to interpret dreams. When faced with King Nebuchadnezzar's troubling dream of a colossal statue and the subsequent dream of Nebuchadnezzar himself grazing in the fields like an ox, Daniel not only interpreted the dreams accurately but also demonstrated the importance of humility and gratitude before God.

► **SOLOMON: A DREAM OF DIVINE WISDOM**
SCRIPTURE: 1 KINGS 3:5-14

King Solomon, known for his wisdom, received a divine revelation through a dream. When offered anything he desired by God, Solomon chose wisdom to govern the people of Israel justly. This dream not only granted Solomon exceptional discernment but also solidified his reign as one of the most prosperous and peaceful periods in Israel's history.

► **JACOB: A DREAM THAT CHANGED HIS DESTINY**
SCRIPTURE: GENESIS 28:10-22

While fleeing from his brother Esau, Jacob spent a night in the wilderness and dreamt of a ladder reaching from earth to heaven, with angels ascending and descending. In this dream, God reiterated the covenant He had made with Abraham and Isaac, assuring Jacob that he would be blessed with descendants and land. This dream marked a turning point in Jacob's life, shaping his destiny.

► **MARY AND JOSEPH: DIVINE INTERVENTION IN DREAMS (MATTHEW 1:18-25):**

The nativity story unfolds with Joseph's dream, where an angel assures him of Mary's divine conception. His doubts, fears and suspicions were resolved instantly. These dreams guided the earthly parents of Jesus, Mary and Joseph's obedience to their dreams played a pivotal role in the fulfillment of Messianic prophecies.

CHAPTER TWO

*"You do not
have to
slumber and
sleep to step
into a
dimension
that has your
future*

John Anosike

THE ILLUSION OF SLEEP AND SLUMBER.

At this point in time you are awake, you are in your physical illusion you are in this physical temporal world and because your entire consciousness is captured in the physical illusion, you can see the sun, the moon, the cars, the movements around you but you are unable to see that which is invisible to the human eye.

Remember before you slept you were dizzy on your bed with your eyes going down. That is actually a call, a pull into another soulish dimension, so at that point in time you were migrating to another dimension to be able to interact with creatures of those dimensions.

You do not have to slumber and sleep to step into a dimension that has your future. You have to gain mastery of this ability to fully control your future. Remember that Satan has a future for you. He wants to infiltrate that dimension and if you don't know how to elevate into that realm and take charge of what should manifest on earth, and what should not, some kind of demonic forces would program the dimensions that controls manifestations for your life, your marriage, destiny, children and your future. So right now God wants to open your eyes to begin to take charge of dimensions beyond here.

The reason why you dream is because you slumbered, If you are able to get into that dimension willfully, intentionally without going through the means of slumber and sleep then you will be able to capture that dimension while still physically conscious on earth.

The challenge we have today is that you travel to the soulish realms, through the means of slumber and sleep, then, Satan controls a large part of what you experience in that dimension. Infact you went in there as a king and you returned with defeat, you know why? because you went through the medium of slumber and sleep and because you went through that very medium of slumber and sleep you returned with no memories of what you saw.

You lost ninety percent of the visions that you saw in that dimension, you returned with distortions, you returned with confusion, you have no understanding of what you saw because you entered that dimension through the medium of sleep and slumber.

Here's the point if you go to that dimension through sleep and slumber here's what happens - you will be in that particular dream location spiritually but nobody will see you physically. God wants you to arrive physically just like Philip.

And when they were come up out of the water, the Spirit of the Lord caught away Philip, that the eunuch saw him no more: and he went on his way rejoicing. But Philip was found at Azotus: and passing through he preached in all the cities, till he came to Caesarea. Acts 8:39-40.

CHAPTER THREE

*“A man who
understands
the
subconscious
is always
ahead of time,
ahead of
everything.”*

John Anosike

OCCULTIC MANIPULATION IN THE DIMENSIONS BEYOND SLEEP.

Through witchcraft, witches and wizards, sorcerers, occult men have so mastered the dimensions of the soul that they can operate from there and appear physically in your room. Occult men, through the means of spiritual discipline and sacrifices have come to a point where they can through that dimension transport themselves to hurt humanity.

Each dimension of the spirit is not monopolized by God. Dimensions of the spirit are not controlled by God only, Satan also has access into these dimensions; occult men know how to use those realms to afflict, to operate, to appear and to be so powerful against humanity.

Now imagine you have a friend who is highly occultic and wants to hurt you and that friend is in the village and you are in the city working hard to survive and this guy would go a long way to use what we call astral projection to target and reach you. Astral projection is an occult means of traveling through the realms of the spirit to descend in chronos.

It is more or less like passing through the atmosphere carefully and consciously transporting. It is called witchcraft, where they can elevate consciously through certain means of occultism to appear wherever they want to appear or to project a certain creature that they want to project to cause accidents.

They can project cancer cells into their victims bloodstreams through occult means yet this ability is not primarily for occult or evil people, it is an ability given by God to His children for good works.

You ought to elevate into greater dimensions to program peace, love, goodness, prosperity, and progress, Determine the prevailing conditions in your environment. project a great future for your children.

HOW TO CONTROL THE PAST, PRESENT AND INFLUENCE YOUR FUTURE WITH THE SUBCONSCIOUS REALM

The natural realm was created for man. The consciousness that rules over the conscious material world is the subconscious, therefore mastering the subconscious dimensions enthrones a man to rule over this conscious material world. By the time you begin to operate in the subconscious as your consciousness, your authority will be optimized in the natural sphere.

That was why Jesus, when he walked the earth as a man (not as a God) but as a man, had access to another higher consciousness which gave him an edge to always be ahead of time. Jesus was operating in the time of kairos or in the Eden time which is in the second heaven, this time is actually a timeline that has already been programmed to come into manifestation in the physical realm. So the future in kairos is something that was pre-ordained or what has already been orchestrated in the realms awaiting manifestation in the physical.

The manifestation of the future in the physical consciousness is actually the past in the subconscious realm.

A man who operates in the subconscious is already ahead of time. Satan can timeline whatever he wants in that subconscious dimension, the good news is you have the authority, you have the absolute authority to say No and destabilize it! You can say this timeline is wrong, this timeline is not what God wants, this is not according to the will of God and therefore be thou removed in the name of Jesus.

So a man who understands the subconscious is always ahead of time, ahead of everything, he can look at someone right now and tell exactly what is going on.

There is a demon called the spirit of divination. It is a particular spirit that is subject to Satan having a blue print of the subconscious realm. He uses the abilities of the subconscious to manipulate and to lead people out of faith in God, because they can predict the future of individuals.

They are able to do this because our lives and our future have been timelined in the realm of the subconscious. Their access to the happenings and the timelines of the subconscious gives them the edge to predict the future in the natural conscious realm. please note, the spirit of divination is of Satan, do not enquire from its agents such as sorcerers, false prophets, witch doctors.

Also, there is what we call the spirit of visions, the spirit of prophecies, the spirit of dreams. These are godly and legal access to the subconscious realm with mastery of what is yet to manifest on earth and you ought to be a gatekeeper of the manifestations.

In the last days I shall pour out my spirit upon all flesh and your sons and daughters shall prophesy your young men shall see visions and your old men shall dream dreams. Joel 2:28

PROPHETIC COUNSEL

Do not take your dreams lightly. Don't ever try that. One statement you make casually after a dream stands strongly. For example, you saw an accident in a dream, meaning it has been timelined to manifest, even if you are tired, say a word, in the name of Yeshua the accident is reversed and cancelled.

Better still, you should use the tongue of dimensions, and then go back to your sleep! The moment you are back to the dream, stop the accident, say it will not happen, it is cancelled in the name of Jesus then you re-timeline it with fortunes, with longevity.

This is how to be sons of God. Creation is waiting for the manifestation of full grown sons of God because they will take authority; they walk in dominion and power.

The entire universe is standing on tiptoe, yearning to see the unveiling of God's glorious sons and daughters! Romans 8:19 TPT

My Father in heaven is creative and you ought to be creative if you are his son. If your father in heaven can heal, then you can heal because you are his son. If your father in heaven can cast out devils, you can cast out devils. The father wants you to do what he does because you are his son.

CONCLUSION

KEYS TO MASTERING THE DREAM WORLD

► STAY CONNECTED

The happenings in this world are a manifestation of the programming in the soulish realm. When things happen, people dying in accident or something happened or some kind of misfortune takes place, it is because there was no watcher, no priesthood, no gatekeeper in that home or maybe the person was not attached to a true prophet.

That is why you need to stay connected. Each time when people go to church services and the priest is prophesying, they are actually entering the dream world distorting the timelines of darkness and reprogramming your timeline, infusing and re-establishing fortunes in your timeline.

When we say let's fast and pray, you should be very excited and active because it is an opportunity to strengthen your spiritual connection.

► BE CAREFUL OF WHAT YOU WATCH

The movies you watch will create your dream. That is why I said that the ability to dream can be influenced. Visuals, thoughts, imaginations can influence the power of dreams and once it gets into that dimension demons will work with it. Even you will be surprised that you watched an accident happened but when you looked into that car in the dream you did not know who was there, it could be you because strange actors and unknown actors can act in your dreams, so it is up to you to know who is the person in that accident.

It could be a loved one, there are different strange actors that act your imaginations in the dream and once these actions are acted they are timed and activated. What you're seeing (dreaming) is a timeline. It is actually moving as an incident or an accident, so God gives it to you visually to watch through a dream so that you can do something.

► **PASS A DECREE IN THE NAME OF JESUS**

The right approach is to pass a decree and cancel it. You say in the name of Jesus I cancel this accident, you pray in tongues, you distort it so the strange actors can melt and burn out. Sometimes you don't naturally reprogramme it because that particular timeline has been linked to chronos, so in such a moment you say in the name of Jesus this timeline that has been provoked to work against me I decree you shall bring fortunes.

► **REVISIT AND CHALLENGE YOUR IMAGINATION.**

Deliberately create something new. Dream again and cast it into that timeline. Use the powers of your mind.

Unto him that is able to do exceedingly abundantly above all that you ask or think. Ephesians 3:20

Many a time we ask but we don't think, we talk too much but we don't think. We think that in talking too much God will move. Oh No, God moves more when you imagine. There is power on the inside of you to carry out the imaginations and every thought in your heart. So you must revisit and challenge every contrary imagination in the name of Jesus the Christ.

► ABIDE IN HIM

Dreams are essential and if you desire to be effective in the world of dreams then you ought to learn how to abide in Him and He in you. Very often you will be transported into the world of dreams, which is one of the places where God speaks to His people.

In Acts 27:22-23 An angel of the Lord appeared to Paul in his dream and told him that this ship will wreck but nobody in the ship would die.

And now I exhort you to be of good cheer: for there shall be no loss of any man's life among you, but of the ship. For there stood by me this night the angel of God, whose I am, and whom I serve

► CRUSH THE FLESH

Today we enjoy the book of Revelation. Everybody enjoys the book of Revelation but do you know the bruises and the pain that John the beloved had to go through in order to have access to the third heavens? He was wounded, pierced, they did everything they could do to his physical body and the very night they had put him in a drum of oil and cast him into an oven overnight. When they opened the drum, he was alive (I know he was in a severe pain) the body must have been completely distorted. In that state of pain and bruises they cast him and dumped him in the island of Patmos. There he was in between life and death. It was a quick transition into dimensions beyond here, because already the body had been bruised. So the weight that short circuits the frequencies of the spirit and the realms beyond here was completely silenced so John could have free transition into the realms.

Also Stephen experienced a brutal stoning, with stones coming from all directions. Due to the pain and bruises, he went unconscious. It was in this unconscious state that he saw Jesus standing.

If you will pay the price to crush this flesh you will hear God clearly in your dream, you will be clothed in glory if you can discipline flesh. The voice of the Lord that transitions into the dream world will become clearer.

Have you ever wondered why God would often ask Moses to come up to the mountain in order to hear His voice? Do you know the pain, the operation, the dryness, the affliction that comes on the body of Moses? Find out how many days it took Moses to get to the top of the mountain and I will tell you why God meets most of these folks in the mountains.

Between the house of Moses, the very moment Moses leaves his house and starts journeying through the wilderness climbing the mountains, the flesh is crushed, that is the preparation for meeting the Lord. It means that every lust in Moses dies. The distance from his house to the top of the mountain is a period or season that God kills the flesh in Moses for a fresh encounter with him.

► MEDITATION

This book of the law shall not depart out of thy mouth but thou shall meditate therein day and night. Joshua 1:8a

Meditation on scriptures is the force that embraces, engulfs the gates, that controls and governs the powers of your imaginations also the powers of your dream.

God said Joshua what you're carrying is more spiritual than natural. You have succeeded my servant Moses but Moses was a man of mountains, Moses was a man of great visions, Moses lived in dimensions beyond here and that is why I interacted frequently with him but you Joshua you are far from these dimensions. Your mental realms are still detached from the frequencies of the Spirit.

So Joshua if you want to elevate to meet me where I meet men, there has to be a collapsing, a crushing of certain strongholds of your nature, within the jurisdictions of your mind.

Come check up the articles of meditation- “the book of the law”, stay within the written articles of scriptures. Infuse scriptures into your mental realms until your brain cells sweat.

Instead of saying ‘I have cancer, I have diabetes I have disease’ I advise you to stay on scriptures for the next 21 days meditate, day and night. A certain release of fire will pass through your brain cells, through the mind that you have captured in the scriptures to burn those cancerous cells to ashes. So anything is possible through the power of imagination if your article of imaginations is word based.

This book of the Law is the article of dreams, this book of the law, these scriptures, these Epistles these synoptics, these letters of Paul, Peter these revelations of God as inspired by God should not depart out of thy mouth but thou shall meditate.

What happens when you meditate is that you begin to release dreams, you begin to timeline all your thoughts that were inspired by the Holy Ghost through the article of God's word.

Let me ask you one question. Have you ever seen how you will leave the earth in your imaginations and you give it the transportation of three to five scriptures?

We transport our dreams and timeline it to manifest on earth with at least two or three scriptures

'In the mouth of two or three witnesses truth is established' 1Corinthians 13:1

Have you lifted the truths to govern every aspect of your life? What is the truth? What are the witnesses of God concerning your body? What is the witness of God concerning your life on earth? Have you timed it? You must see it first in the dream before it can happen in the physical.

MY PRAYER FOR YOU

In the name of Jesus Christ, my prayer for you right now is you should capture this quickly so you don't die naturally.

May you know how to depart your body and operate in another dimension and meet creatures of those realms and interact with angelic creatures. May you see all the dimensions of the Spirit. Wake up from the physical illusion, wake up from the slumber in the name of Jesus the Christ.

I say wake up!

I say wake up!

Wake up!

IMPARTATION (LIFT YOUR HANDS)

Your consciousness is hereby elevated and you shall see clearly in the subconscious realms and take charge of this inferior consciousness that is a prisoner and subject to the subconscious this shall be your experience in the name of Jesus the Christ. Amen
