INTRODUCTION

The time has come for Ecclesia to awaken from slumber, to cast off the veils of religion, arguments, and fleshly reasoning, and to fully operate in the realms of the Spirit. For too long, we have preached a limited gospel, confined within the walls of human understanding. We have debated theories, experimented with trials, and settled for partial revelation, when in reality, we were called to dominate the realms and enforce the victory of Christ in all dimensions of creation.

Jesus declared, *"And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come"* **Matthew 24:14**. But who told us that "all the world" refers only to men? Have we preached this gospel to the realms of the deep? Have we proclaimed the dominion of Christ in the sea? Have we teleported into the territories of darkness to enforce His rule?

The reason the end has not come is because the Church has failed to function beyond the outer court. The Church is still locked in the realm of flesh, doctrines, traditions, and limitations, while the kingdom of

darkness continues to operate in the unseen realms, unchallenged. But now, a clarion call is sounding to rise, to ascend, and to step into the dimensions where battles are won!

Jesus taught us to pray: *"For thine is the kingdom, and the power, and the glory, forever"* **Matthew 6:13**. These three dimensions reveal the realms of authority.

To truly reign with Christ, we must operate in all three realms. We must teleport into the waters, seize the operations of darkness, and dismantle the influence of corrupted forces. This is not a theological debate, nor a matter of mental comprehension, it is a call to spiritual warfare, a call to operate in the unseen world.

We must not be merely preachers, we are enforcers of divine order. The realm of darkness is occupied by fallen beings, but it is our duty to enter those spaces, engage them by name, and cast them out in the Name of Jesus Christ. This is the true priesthood of the believer!

This is a race! A race that demands separation, purification, and an unshakable determination to step into the unseen world and establish the reign of Christ.

I wrote this book for those who genuinely desire spiritual ascension, who long to walk in the dimensions of God's power and glory. Ministers must vanish from the outer court and ascend into the priesthood of the realms.

The realms awaits you. The call is sounding. Will you move beyond mere theology and step into the full manifestation of the kingdom, power, and glory?

The time is now! Rise, and operate in the realms!

Yours in the Sacred Vineyard

CHAPTER ONE

INTERACTING WITH THE UNSEEN WORLD

Having understood the basic knowledge of realms, let's begin to explore what laws govern their operations and how we can accurately interact with the unseen world.

Christ our Lord operated from several dimensions simultaneously throughout His earthly ministry. This was the reason why he was grossly misunderstood by the doctors of the law and the scribes of His day. Let's look at an excellent account which was described by Matthew, Mark, Luke.

*As he prayed, his face began to glow until a blinding glory streamed from him. A radiant glory illuminated his entire body. His brightness became so intense that it made his clothing blinding white, as multiple flashes of lightning. All at once, two men appeared in glorious splendor: Moses and Elijah. They spoke with Jesus about his soon departure from this world and the things the Father destined him to accomplish in Jerusalem. **Luke 9: 29 TPT***

Here's a perfect example of how through prayer Jesus networked in between different dimensions. He interacted with glorious heavenly realities, spoke with Moses and Elijah, and received accurate instructions from the Father about His earthly mission. His consciousness was caught up in the heavenlies, what he saw and heard in heaven then determined His actions on earth. This account was given to us as a template to follow as sons of God. Many saints have it the other way round, they are wholly controlled, grounded by earthly illusions. God designed us to operate across multiple dimensions executing and establishing his kingdom in all realms.

Jesus says until the gospel of the kingdom is preached to all the world the end will not come. Up till now, we have only preached the gospel to humans. We have not preached the gospel to the kingdom of the sea, we have not teleported to other kingdoms to enforce the victories of our Christ.

*"And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." **Matthew 24:14***

*"For thine is the kingdom, and the power, and the glory, forever. Amen." **Matthew 6:13***

Take note of the three dimensions. The glory is the heavenly realm, power is of the water, of course the kingdom is of the earth. You must understand that we teleport through the ability of the power of God into the realm of the water and seize the operations of darkness. The realm of water is being controlled, destroyed by the influence of Satan through the rebelled or corrupted fishes of the sea. This knowledge is beyond theological understanding, it's beyond even mental understanding. It's important to know that this is a spiritual warfare, by the time you are drawn into a war, you will realize how important it is to have the kingdom of God established. Perhaps you are saying 'oh Pastor I don't understand what you're talking about' The reason is because right now you are in the consciousness of your physical understanding. In

the next couple of hours, you will be asleep, and when you are awake, you will say things like *'I was in the dream and I found myself in the ocean, I was in the dream and I found myself dealing with waters, I was in the dream and there was this fish that was like a human'*.

By the time you take on the consciousness of your eagle form, you will realize that the same person that cannot fly in the physical finds herself flying in the dream. So what are you doing in the air ? Listen, you have access to the air, hence Jesus said go ye into all the world and preach the gospel to every creature. These signs shall follow them that believe. I love it, it says, in my name, so what is in the name?

THE NAME OF JESUS.

The name gives us access, the name gives us authority, the name gives us power, when we go in the name of Jesus we go with the authority of Christ, when we go in the name of Jesus we go with the likeness of Christ.

You must understand that the moment you bear the image of God, you reflect the likeness of Christ, because you go in the name of Jesus. Jesus is the express image of God's person, so you must understand who Christ is (He is the image of God). When we go in His name, we go in His place, we go in His authority, we go with His seal. In other words, we represent Him.

In the realms, we reflect exactly His likeness to devils, to all the realms that Satan has control over. So when we come in the name of Jesus, we go in the conquests of Christ, we go with the victories of Jesus over Satan, over demons, over Hades, over abyss, and over all satanic powers and creations. The name of Jesus is part of the active function of the likeness and image of God. When man was upgraded and unified by the breath of God, the man of the earth emerged, the man of the water also emerged. You must understand the power of the unification of the threefold man when they came into unity. They became creatures of the image of God. That is why Jesus says except a man be born again, born of the water and born of the

spirit he cannot enter the kingdom of God. So there is being born of the water, being born of the Spirit and being born again. These three make you born of God.

*Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God. **John 3:5***

*For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith **1 John 5:4***

Being born of God, I take on the image and likeness of God, then I have the victory, the conquest of Christ in the warfare. So if I step into any realm as the image bearer of God, I communicate the brilliance, the vibrance of the likeness of God which of course is found in the volume of the conquests of Christ, the victories of Jesus Christ. You must understand that Jesus conquered principalities in the water, He conquered principalities in the abyss, He conquered principalities in the air. So the victories of Jesus Christ were all summed up in one victory that overcomes the world.

If I put on the likeness of Christ, I exhibit and manifest the victories of Christ in all these realms.

"I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me." Galatians 2:20

The Bible says through one man sin entered into the world, through one man sin entered the water, the world includes the water realm, the air and the earth . So through one man sin entered. So sin is a person, sin is a living entity, sin is not an act, you must understand that sin is Satan and Satan is sin.

The Bible says death reigned across the entire world, death reigned upon mankind, sin dominated the world, you must understand the dual consequence of the sin of man, the first consequence was that sin brought death to man, secondly sin gained legal control and dominion over the world. So two things must happen if redemption is to be completed. There has to be the

redemption of man, which Jesus completed. Secondly there has to be the redemption of creation which is yet to happen.

*For the earnest expectation of the creature waiteth for the manifestation of the sons of God. **Romans 8:19***

Who will redeem creation from vanity, redeem creation from the control of the evil one, Satan himself, who the Bible calls the prince of the power of the air, the leviathan in the water and the great serpent in the field. These are the monopoly of Satan in these three powerful jurisdictions. These three realms that were originally under the control of mankind. Break out of religion, wake up to realities, we are the hosts of the fullness of God, we are mediators, channels through which the fullness of God, His deity, His attributes, His will and His eternal intentions will be made manifest.

PROPHECY

In these realms that are subject to humanity there is a manifestation of the sons of God coming, and these Sons will be deployed to all the world to preach the gospel, signs and wonders shall follow them. They shall first enter the realms

and jurisdictions that the devils had colonized, possessed and gained certain significant monopoly. They will repossess those realms and gain dominion.

So that means the first realm that we shall enter shall be the realm of the devils, the realm that devils have occupied. We are going to start shaking out territories in the galaxies, territories in the moon, territories in the stars

The sun shall not smite thee by day, nor the moon by night.
Psalm 121:6

Your stars will not be hijacked in Jesus name.

There are powers in the galaxies, powers in the air, dragons in the atmospheres that we are going to conquer. Every affliction that comes from the sun, the moon, from the air will be destroyed when we invade the realm of the air. As matured sons, we are here to end certain gifts that are for babies. We are going to switch off the lifeline of certain afflictions from the air and re-establish the power, glory and kingdom of our Lord Jesus in the realms of the air, in the realm of the water and on earth.

CHAPTER TWO

THE AUTHORITY OF NAMES

The first realm that we must enter as the likeness of God is the name of Jesus, to communicate the victories of Christ, is the realm where devils have occupied. We must cast them out with great authority which is the authority in the name of Jesus Christ.

Before the Name was given, God highly exalted Jesus and gave Him a name that is above every other name. So, in every realm, amongst all of God's creatures, there is a name tag given to all. When God gives a name, He brings that entire entity under that name. So if you have authority and you're able to call the name of that creature, and have a higher name that is a ruling name, a greater than the name or authority of that individual or entity, then, by the time you call that foul devil by name, trust me in the name of Jesus you can control that particular entity. Entities are

controlled by their names, entities are influenced by their names, entities can be oppressed, they can be summoned, they can be disengaged and they can be bound by their names.

Every creature has a name tag and once that name is mentioned within the authority of the greater name of Jesus, that authority must bow. It's a law, and it must never be violated.

*Wherefore God also hath highly exalted him, and given him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father. **Philippians 2:9-11***

The name of Jesus is the ruling name above all, superior to every other name. Remember, every creature has a name, then, there is the greatest name, there is the highest, most supreme name, that name is Jesus. So every creation that has a name is subject to the name of Jesus. The name of Jesus is highly exalted above every other name, then, when the name of Jesus is echoed,

announced, trumpeted, the Bible says every knee, whether of things in heaven, of things on earth and of things under the sea below should bow.

Therefore, we have been given the greatest active authority, which of course is the name of Jesus. He says, go ye into the realms of the water, into the air, the heaven, the earth, land, in my name, cast out devils. So we are to locate the realm, the dimension where cancer has its life and extinguish it.

CHAPTER THREE

REALM OF NEW TONGUES

The second realm we must enter is the realm of tongues.

*In my name shall they cast out devils; they shall speak with new tongues. **Mark 16:17***

Please observe very carefully, not a new tongue, new tongues. Before you can enter the realm of the serpents and pick up serpents and venoms, you must have entered the realm of tongues.

What the Lord is revealing in this scripture is far beyond your religious or church activities so pay very close attention. In the name of Jesus you shall enter realms dominated by death and devils. So casting out devils is not just casting devils from humans. We must engage in casting devils out from territories, from habitations, we must cast those devils out from Dominions, we must cast the devils from Powers, we must cast the devils from Rulers.

The word devil simply means an adversary, one that opposes God's original intent. One that causes the craft to malfunction, one that causes your car to break down, when we speak of the devil we are speaking of a virus in your computer. I am trying to use the human language to communicate divine revelation so you can comprehend it. When a virus is cast or sent into your computer, it causes your computer to be corrupted. Now that computer in the realms could be powers, could be dominions, could be an angel, could be an ability that ought to work well or that ought to work for your advantage. Sadly Satan entered the world and corrupted dominions with viruses such that these creatures now work in the spirit against her rulers. So we are going to learn how to separate the virus from the systems. We are going back into the realms of dominions. Remember God said to them, have dominion. What are Dominions? Dominions are principalities, dominions are Powers, Dominions are rulers, Dominions are abilities positioned in different realms and dimensions. That is why men die, men are corrupted, men are full of sin and

addictions, men are full of witchcraft, men are full of all kinds of diseases, because Satan has taken the position that influences the human body and loads them with viruses.

You must understand that the power to be in health is an ability that comes from the realm of powers, it is an ability. When that ability comes into you, no virus, no disease will ever have the power to operate in your blood, because it is ability against abilities. You must understand that to communicate the healing power, it is communicated through abilities, it is called the gifts of the Spirit. Tongues are important because that is how you gain access to all these powers.

I PRAY FOR YOU

You shall speak with NEW tongues in the name of Jesus, You shall enter the realms of tongues

Don't run away from the realm of devils, wage war against them, they are corrupted creatures. These creatures that were created for us, now work against us because of the adversary, the opposing

system. Water should not kill you, you should never die in water, food should never kill you, the air should not do you harm. Do you know that if the air is to be restored, before you inhale air, it will clean itself up and ensure that no virus survives in it. The air will make sure that it does not infect you with any virus because it was created to serve you. When the air has been sanitized, waters have been delivered, and the earth that produced the fruits, and the food we eat has been cleaned and cleansed from devils, from the adversaries, the food you eat will nourish your body. The water you drink will go right into your bloodstream, purge and make sure that your bloodstream is rejuvenated, detoxified from every disease and infection.

So in the name of Jesus we shall enter the realms of new tongues, every creation that has a name has a tongue, every creature that has a name has a sound, every name is given through the realm of sound. The realm of new tongues gives us access to all realms of those tongues. Jesus was consistent about new tongues. Paul spoke about diverse tongues, Apostle Paul said I speak with more

tongues than all of you. If you speak more of your language, your natural language you cannot accomplish much in the realms. When we enter the realms of tongues, we begin to download into our belly different tongues of different realms, when you enter the realm of the water, there is an activation of a tongue.

When you want to access a certain realm of tongues, close your eyes, cut off from this sensual illusion, stay off from people, the masses are controlled by higher forces. One minute Jesus is good, the next minute crucify him. People are unstable, what they say, what they feel, what position they hold today and what position to go against tomorrow, if you depend on them, you have lost your way. You have given your power to people who have no control. Cut off, enter the realms, look at the tongue of which dimension you want to go, it comes with power, they shall speak with new tongues, not one tongue, because He knew that He was sending them to all the world. Each world has its tongue, so I'm sending you to all

the world. In my name, speak the language of these realms and creatures of those realms by the enabling of the Holy Ghost. We can speak diverse tongues, in the realm of tranquility, in the realm of the spirit of understanding we can assess interpretation. It is not about interpretation to humans but for the comprehension of accuracy of your impact in those realms. You will suddenly know what you have achieved when you engage in these diverse tongues. You know what else to do when you enter the next realm. You know how to advance into the next phase of victory in those realms. God will not deliver creation. We allowed the virus, we allowed Satan to enter the world, so He has delivered you, then He equipped you to wrestle in the realm of principalities, against principalities. He has equipped you with His weapons to access and wrestle against powers in their realms. He has equipped you with His weapons to wrestle against rulers of darkness in the realms of darkness. He has equipped you with the weapons of the Spirit to wrestle against spirits in the heavenlies.

*For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. **Ephesians 6:12***

Welcome, the age of war has begun, the woman is clothed with the sun, the woman is walking on the moon, the woman has the stars on her crown.

Wake up! we will defeat the realm of the sun and put it on as our garment, we will defeat the realm of the moon and the seasons, and powers that control times and seasons. They strike us with cancers through the sun, they strike us with afflictions through the stars, the end of affliction has come. Do you know the tongue means authority?

*Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof. **Proverbs 18:21***

When we enter the realm of new tongues, we increase in spiritual rankings and authority over dimensions beyond here. No one increases in the rankings of the spirit without tongues. You can know all the scriptures in your head, it will not do anything for you. The tongue of the spirit, the new tongues

increases your ranking, the realm of authority and power. After you enter the realm of tongues, you have improved, you have increased in the rankings of the spirit, you boldly enter the realm of serpents, that is the land, the field.

We should take up serpents, the realm of venoms, the realm of afflictions, the realm of disease and sickness. So you should take up and drink any deadly thing, it will not hurt you. In my name you shall take them up, meaning you remove them from their thrones. Then He said, you shall lay hands on the sick and they shall recover. If you cannot wrestle in the realm of serpents and drink their venoms and get so bitten that each venom infused into your vein develops anti venom into you, each bite makes you immune against the bites of serpents. Before we can lay hands on the sick, we should have overcome the source.

The first devils that you are going to confront are the gatekeepers, the infections that control keepers. The moment you enter the gate, what you see are devils. No realm will allow you access without confronting the keepers. The first entrance

of each realm you will see devils, they don't want to let you enter, the attack will come from left and right, the gatekeepers will resist. They will ask who is the Lord of glory?

Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in. Who is this King of glory? The Lord strong and mighty, the Lord mighty in battle. Lift up your heads, O ye gates; even lift them up, ye everlasting doors; and the King of glory shall come in. Who is this King of glory? The Lord of hosts, he is the King of glory. Psalm 24:7-10

It is gates that speak in this realm. Gates are not just inanimate things, because your gate at home does not speak. In the realms, gates are creatures. They are intelligent, they can resist, they can stop, they can afflict, they can kill. Before the Lord of hosts entered, He said lift up your heads oh you gates, be lifted up you everlasting doors, that the king of glory may come in.

The wicked, daring, corrupted infected kings responded to the general and said who is the Lord of glory, then He replied, because in that place there is no arrogance, it is Word against Word,

Authority against Authority. He responded and said it is the Lord of Glory, the Mighty Man of battle, the Lord of hosts. He commanded the second time and said lift up your heads you everlasting doors. The gatekeepers are not easily overcome because the moment you enter, it's easy to spoil the entire city. Where you have the strongest military in the realms are the gatekeepers. If you can break through the gatekeepers, you will spoil the city so easily. So He says in my name you shall cast out the gatekeepers, by the time you've succeeded, you need to increase in capacity, so you can enter into the realm of new tongues. The reason you must enter the realm of serpents and scorpions is because they are the source of every disease, every mental issue, every oppression, every cancer, every diabetes, every failure, every setback and every calamity. They come from the realm of serpents and scorpions, they are vicious and venomous. Enter that realm, take them up, remove them from their thrones, dethrone them, cast them out, take the throne of your family, take the throne of the city, take the throne of your community, take the throne

of your health, because each throne could be occupied by serpents of the land. After that, you shall lay hands on the sick and they shall recover. Recovery means you have uprooted the source of that disease, then you lay hands, so every damage that the disease has caused in the organ will recover. Wake up, the age of War has begun. This is war.

CHAPTER FOUR

THE PRICE FOR THE REALMS

*"And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters." **Genesis 1:2***

Look at the waters where the Holy Ghost had moved upon, because out of these waters will come the manifestations. The waters existed before creation, and we saw the Holy Ghost move upon the waters. Out of these waters will come the manifestations of God's eternal logos. Out of these waters will emerge the will of God. Look at the waters that the Holy Ghost has brooded upon. These waters are found in the secret place of consecration of thoughts, imaginations, affections, and the sight of God. This sacred place is located in the exclusive dealings of the Spirit, referred to as the wilderness. It is also found in literal, conscious obedience to the written Word of God.

This sacred place is a place of total surrender. Once you begin the race, the first step is to be filled with the word of righteousness. This then opens up another chamber of spiritual sacrifices, commitment to self-purging, self-purification, self-cutting, and self-pruning. The journey begins with the realization that there are weights and sins that easily beset you. As you embark on the journey with the word of righteousness, you begin to cut off every inordinate affection and disentangle yourself from the things that war against your soul. You start to dismantle the imaginations and strongholds of carnality built over time.

*"Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us." **Hebrews 12:1***

To run the race effectively, you must set apart and lay aside every weight and sin. You must disentangle yourself from the flesh, the lusts, and the systems of this world. Once purged of these, you remove the sandals of filthiness and inordinate affections. These acts of purification occur in the

secret place of fellowship with the Lord, a sacred place of self-purging. Once purged, the race begins, and the door to the waters is opened. That was why Paul said

"But in a great house there are not only vessels of gold and of silver, but also of wood and of earth; and some to honour, and some to dishonour. If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for the master's use, and prepared unto every good work." 2 Timothy 2:20-21

What does the master's use entail? It is access to the volumes of the waters. It is access granted to carry the broodings and the next move of the Spirit. As a co-laborer with Christ, you will carry out God's plans, which were ordained before the foundation of the world.

"For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them." Ephesians 2:10

For some, it takes decades to purge themselves and gain the capacity to stand in the fire. They lose physical consciousness through death before

achieving this. For others, it takes a lifetime to put off the sin that easily besets them. The gates to the waters remain closed to such individuals. By the time they die, they go to heaven, waiting for the return of the Lord and the resurrection. In death, memories and consciousness are temporarily suspended until resurrection restores them. Only the spirits of the just men made perfect retains consciousness from their earthly journey.

Let me say this, it may challenge your understanding, not every believer in Christ is aligned with God's image and likeness in its fullness. When God said, "*Let us make man in our image*," He was referring to Christ as the ultimate model. Portions of divine inheritance are allocated differently among believers, depending on their yieldedness to the Lord.

Think about the parable of the ten virgins.

Then shall the kingdom of heaven be likened unto ten virgins, which took their lamps, and went forth to meet the bridegroom. And five of them were wise, and five were foolish. They that were foolish took their lamps, and took no oil with

them: but the wise took oil in their vessels with their lamps. While the bridegroom tarried, they all slumbered and slept.

And at midnight there was a cry made, Behold, the bridegroom cometh; go ye out to meet him. Then all those virgins arose, and trimmed their lamps. And the foolish said unto the wise, Give us of your oil; for our lamps are gone out. But the wise answered, saying, Not so; lest there be not enough for us and you: but go ye rather to them that sell, and buy for yourselves.

And while they went to buy, the bridegroom came; and they that were ready went in with him to the marriage: and the door was shut. Afterward came also the other virgins, saying, Lord, Lord, open to us. But he answered and said, Verily I say unto you, I know you not. Watch therefore, for ye know neither the day nor the hour wherein the Son of man cometh.

Matthew 25:1-13

All ten slumbered and slept because the groom tarried. The delay caused some to lose faith and grow weary. The five wise virgins, however, kept oil in their lamps, signifying readiness. When the midnight cry came, amidst sudden darkness, they were prepared to meet the groom. The five foolish virgins, lacking oil, were unprepared and could not locate the door to the groom's presence.

Spiritual readiness requires the light of the Spirit and the oil of righteousness. Only through secret fellowship, consecration, and alignment with the Spirit can believers maintain this readiness. The sudden coming of the Lord will catch many unprepared, but those who are watchful and filled with the Spirit will enter into His joy.

He comes suddenly, at a time when all prophecies of His coming have been fulfilled, forgotten, and left behind. When people are unaware, at an unexpected hour, there will be a sudden shout: *"Wake up!"* Remember, it was at midnight, a time of deep darkness. Night represents darkness, and a sudden, profound darkness will come upon the earth, as we are in a season of gross darkness over the people. Then comes the shout: *"Arise, shine, for your light has come, and the glory of the Lord has risen upon you!"*

In that moment, all ten virgins will arise, not the crowd, not a group of sixty or a hundred, but just the ten. Here's where it becomes critical: the five wise virgins will trim their lamps, lighting them with

the oil they had prepared. Their lamps, illuminated by the Spirit, will guide them to the bridegroom. Suddenly, they will transcend the limitations of human nature and find their way to the door of the groom.

This door opens to a dimension that only the light of the Spirit, the oil in the lamp can reveal. The five foolish virgins, however, will realize they lack the spiritual capacity and light to locate the door. This light is the illumination of the Spirit, the truth of the Word that prepares us for that moment.

What I'm teaching is not just preaching; it's not about church doctrines. I'm imparting something into your spirit. When the shout comes, when the trumpet sounds, it's the oil in your spirit that will determine your readiness. Heaven is watching. Those prepared have a dual identity, they are on earth but carry the consciousness of heaven. They live in the fullness of the Son of God, like Jesus when He walked in human form. They operate in supernatural realms, walking on water, demonstrating heaven's power on earth.

Are we merely looking forward to going to heaven? Or are we anticipating the marriage supper of the Lamb, ruling with Christ on earth, and empowering others, or like the five foolish virgins are we trying to find our way? Heaven and earth are deeply connected. The things that exist in heaven, gold, fire, rivers, mountains, trees, and other elements are mirrored on earth.

Until you are captured by the consciousness of heavenly realities, your walk with God will remain dependent on faith. But when you step into these realities, you'll operate in the realm of the Spirit of faith, tapping into the fullness of God's creative force.

The oil in your lamp is your spiritual fuel, your weapon, and your key to sustained access in the realms of the Spirit. The wise virgins knew what it meant to be prepared, because they understood that their oil was their power, their access, their ability to prevail. It wasn't just about the lamp, it was about the fuel that kept the light burning!

Without the oil, the lamp is useless. Without the oil, you can't function in the realm where God moves.

You see, we are not just called to exist in this realm, we are called to *gain access to various dimensions and reclaim thrones*. The realm of victory, the realm of power, the realm where God's glory is made manifest. To walk in these realms, you need the oil. The oil is what sustains your fire; it is what sustains your passion. Without it, you may start well, but you will fall short of the victory God has for you in the realms. The foolish virgins were caught off guard because they didn't understand that the oil was the key to sustained access.

The realms are not about a one-time experience, it's about *continuously* staying filled with the oil of the Holy Ghost. You must wage war in the Spirit, you must keep pressing forward, and keep filling your lamp with oil. You can't afford to let your lamp go out in the middle of the journey. No! You have to stay sharp, stay vigilant, and stay full of oil. The battle in the realms requires that you are fueled by

the Spirit, that your lamp is burning bright with the oil of His presence.

To win in this realm, to access the deeper dimensions of God's glory, you must understand this: **The Oil is your fuel for the fight.** The oil is what keeps you in the race. The oil is what gives you *sustained* access to the realm of His glory. You are not playing games here, you are in a spiritual battle that requires consistent filling, continuous growth in the Spirit, and an unwavering commitment to the fire of God.

The wise virgins understood this truth. They weren't just waiting, they were preparing. They were waging war in the Spirit to ensure that when the call comes, they would be ready, not just to meet the Bridegroom, but to carry out the mission God had set before them. *You* must be the same. The oil in your lamp is what will sustain you as you wage war in the realms, as you press forward into greater dimensions of God's purpose for your life.

So, I charge you today, *Keep your lamp full of oil!*
Do not allow your fire to burn out. Your access to
the realms, to the dimensions of His power, is
dependent on your willingness to stay fueled with
the oil of the Holy Spirit.

THE WORD OF GOD

"It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life."

John 6:63 (KJV):

The word of God called Yeshua, the king of kings, the Lord of lords, the lion of the tribe of Judah, the soon coming king, He that came in the human form, His name was Jesus on earth. When He returned, He became the word of God in heaven. And He was in the beginning with God. And without Him was not anything made that was made. All hail, King, Jesus, the Christ, the King, the Lord of Lords, the great I am.

The word of God is spirit. And when we live by the Word, we walk in the spirit. When we live by the Word, we overcome segments of satanic infiltrations and systems that are in the atmospheres. We ought to be conscious of satanic schemes and conspiracies in the three realms and paths every remnant believer must go through to immortalize. Our walk with God is a function of different layers of seasons and dealings. In other words, it is important that we understand the times and seasons that we are in, in order to fortify and increase capacity to overcome the seductions of certain advanced

schemes. So when God advances his own schemes, Satan also does a counterfeit. He is a God of revelation knowledge. He unveils Himself in increasing measure in each dispensation. So when the fire increases, it is expected to reflect the increase in our capacity to host these dimensions of God. When you look into the dimensions of God, you will agree with me that God has different levels through which He reveals His intentions. For instance, there are different kinds of prayers, different kinds of faith levels. The glory of the former house, the glory of the latter house. And according to the scriptures, the glory of the former will be lesser when compared with the glory of the latter house.

*"The glory of this latter house shall be greater than of the former, saith the Lord of hosts: and in this place will I give peace, saith the Lord of hosts." **Haggai 2:9***

In other words, the glory of yesterday would not be compared with the glory of tomorrow. Consequently, there's going to be an increase in the glory. Anybody who qualifies to host the future

glory of God would have to be willing to go through a remodeling, a restructuring, a melting point where God can reshape, remold, to increase your capacity, in order to host the advanced glory of the Lord in the latter days.

So God has allocated to us different time zones, and different prophetic calendars that would facilitate the advancement of His word and His intentions across the nations.

*"I will worship toward thy holy temple, and praise thy name for thy lovingkindness and for thy truth: for thou hast magnified thy word above all thy name." **Psalm 138:2***

So the dealings of God are perceived through the revealed intentions of God. If you look into the volumes of God's eternal logos, all of the intentions of God in that dimension have already been mapped out and are allocated to different time zones.

CHAPTER FIVE

THE REALMS OF THE HOLY GHOST

The Holy Ghost is the custodian of all the moves of God. He is the custodian of all the realms of God.

*Whither shall I go from thy spirit? or whither shall I flee from thy presence? If I ascend up into heaven, thou art there: if I make my bed in hell, behold, thou art there. If I take the wings of the morning, and dwell in the uttermost parts of the sea; even there shall thy hand lead me, and thy right hand shall hold me. If I say, Surely the darkness shall cover me; even the night shall be light about me. Yea, the darkness hideth not from thee; but the night shineth as the day: the darkness and the light are both alike to thee. **Psalms 139:7-12***

The Holy Ghost is the teleporter, the affirmer, the giver, the approver of the move of God.

Judaism was once the move of God. When Jesus came, He brought the latter move. Catholicism was once the move of God, something happened over time, and that glory diminished, similarly several movements have come and gone. God is Spirit and He must be worshiped, not doctrines. Doctrines

keep us safe from contrary spirits and serve as the standard for interactions with spirit realms .

God is calling us to narrow our spiritual lenses into His ongoing works. The move of the Holy Ghost zooms the spiritual power that is within you to articulate what God is doing, to allow you to perceive, to comprehend the current happenings in the spirit.

Look up above to see the move of God. If you look within, you will feel the fire that will cause you to look up above, so that you can behold it clearly. But if you begin to look around you, you will see reasons to fail, reasons to doubt God, reasons to think that God does not exist, reasons to see evil as though darkness is prevailing. But if you can narrow your optical lenses to upgrade, to look up above, looking unto Jesus, who is the author and the finisher of your faith, that's where our sight ought to be fixed on. And if your sight, if your optical sight is not fixed on Jesus, you will sink in that troubled water. Just like when Peter looked away from Jesus, he began to acknowledge the heat, the gossip, the

wickedness, the activities of the evil one, and he began to sink.

*"But when he saw the wind boisterous, he was afraid; and beginning to sink, he cried, saying, Lord, save me." **Matthew 14:30***

Many Christians have sunk in similar circumstances. However when we narrow our spiritual perception into the realms of the Spirit and capture the happenings of God, the lost can behold God in His purest form. God is moving, stop making temples out of previous encounters. There are encounters ahead of time. God's glory is infinite. God's move is infinite. The Holy Ghost is still moving. Men ought to behold God in His now move so that we can climb up and go higher.

The Holy Spirit has a role to play in our success within the realms. The Holy Ghost is the gatekeeper of the deep things of God, the Holy Ghost is the custodian of the realms of God. The Holy Ghost is The keeper of the glories of God, God is not timed God is not a man, God is not a human, God is Immortal. One of the wills of God, one of the inheritance that we are

to obtain as creatures in His image and likeness would be to lay hold, and to receive that immortal nature and essence of God. But before man can get into that dimension, there has to be a schooling of the spirit. Nobody gets into the deepest will, the plans of God for mankind without coming under the ministry, university, institutions of the Spirit, because the Holy Ghost is the professor. He is the teacher of the deep things of God. Before anybody can get into that school of the spirit, he would have to be purged, he would have to go through the sanctification of Christ. Sin delayed our admission into the University of the Spirit. From eternity, from the moment God manifested Himself into three persons, the Spirit of God had a role. His responsibility was to begin to search the depths of God, the deep things that are subject to Yahweh Himself, preparing them in different layers, preparing them in different faculties, for mankind to come under the lights of the total age of the Holy Spirit. Satan knows that if man is to be schooled of the spirit and graduates from all the faculties of studies subject to the Holy Spirit, that man is going

to be the fourth person in the Godhead. Once man takes that position in the dimensions of God's eternal creatures then shall the will of God prevail in all dimensions. Jesus wants to hasten your justification, He wants to hasten your sanctification but he cannot guarantee your glorification. Jesus does not guarantee your glorification, He guarantees your justification and He guarantees your sanctification but glorification is absolutely and solely subject to the Holy Ghost and graduating from the wilderness of the spirit. That's why within the volumes of redemptive rights you don't see many people glorified. We have not seen much, in fact, from generation to generation it might be one or two persons amongst billions of people that lived in that age. You know why, because the Holy Spirit is the one that qualifies anybody to step into that incorruptible inheritance. The Spirit of God receives you for your spiritual advancement, prunings and education within the faculties of the depths of the Spirit of God, for your qualification to receive the glory of the Lord. But he does not receive anybody who has not passed His grades. The university is the

Holy Spirit, the ministry of the Holy Ghost is like the universities we have. If you don't have the qualification for a University career, you're not going to be admitted. The Spirit of God carries the advanced knowledge of God about realms and dimensions. The Spirit of God is not a secondary school.

"Deep calleth unto deep at the noise of thy waterspouts: all thy waves and thy billows are gone over me." Psalm 42:7

If you are not deep, you cannot achieve much in the realms when you gain access. The Holy Ghost is going to deepen you as a matter of priority. Deep things would require you to be deep in order to host them, so the deep calleth unto deep. The Holy Ghost will admit you into the school for the deep things of God if you are hungry, if you have passed the test of righteousness, if you have passed the test of sanctification and trials.

The Holy Ghost was sent to us, not the letter, so the question is, has the church mastered the hearing of the spirit? Has the church mastered the

communication with the Holy Ghost? Enough of the confusion. Let the Holy Ghost speak.

Jesus calls the Holy Ghost, the teacher and then He says there is an unction of the Holy Ghost in your belly that teaches you all things.

*"But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you." **John 14:26***

*The unction of the Holy Spirit: "But ye have an unction from the Holy One, and ye know all things." **1 John 2:20***

So, there is an exclusive teacher that resides in your spirit to teach you. So, we're going to teach you how to connect, how to discern, how to unlock your spirit in order to commune and receive directly from the Holy Ghost.

We have the best teacher. His name is the Holy Ghost. He is with us. The Bible calls him paracletus.

In the Bible, the term "Paraclete" (or "Paracletus") is used to describe the Holy Spirit. The word "Paraclete" comes from the Greek word

"Parakletos", which means "one who is called alongside to help." It refers to someone who acts as a helper, advocate, comforter, teacher encourager, and intercessor. In essence, the Paraclete is someone who comes alongside us to provide guidance, support, and strength.

*"And I will pray the Father, and he shall give you another Comforter; that he may abide with you for ever; Even the Spirit of truth; whom the world cannot receive, because it seeth him not, neither knoweth him: but ye know him; for he dwelleth with you, and shall be in you." **John 14:16-17***

Here, Jesus promised to send "another Comforter," which refers to the Holy Spirit. The word "another" in Greek suggests that the Holy Spirit will be similar to Jesus in nature and purpose. Just as Jesus was the Comforter and Helper during His earthly ministry, the Holy Spirit will continue that work after His departure.

*"Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will show you things to come." **John 16:13***

This verse reveals a key characteristic of the Holy Spirit: He does not speak on His own authority. Rather, He speaks only what He hears from Jesus and the Father. This shows the unity and close relationship within the Godhead (the Father, Son, and Holy Spirit). The Holy Spirit's primary role is to glorify Jesus and to communicate to believers the truth that Jesus has revealed. He is the messenger of God's will and teachings, ensuring that the believers stay aligned with God's truth. So there is no need for the ongoing confusion in the body of Christ, when we have such a perfect teacher.

Thus, the Holy Spirit, as our Paraclete, not only comforts us but also helps us by teaching, guiding, and reminding us of the teachings of Jesus. He is the one who enables us to live out the life that Jesus called us to live, providing spiritual insight into realms and dimensions.

Jesus says, I am sending you another comforter, when he comes, He will not speak of Himself. He shall speak of everything He hears Me say. And He would do whatsoever He sees Me do. That means

the Holy Ghost came to replace Jesus, because while Jesus was here, He only spoke what the Father said.

The reason we have many believers backsliding is that the Teacher has not yet been given the classroom. The teacher has not yet been given the opportunity to teach the body. If the Holy Ghost is given His place, He will teleport you into realms. Our walk with God deserves advancement in mastering the realms of God. The Holy Ghost is our source of nourishment for our continued success in the realms and there are levels of nourishment. When you are nourished from strong meat, you put on the weight, the form, the power, the capacity of that strong meat. Notice, there's an energy level that comes from the milk. The energy level that comes from milk is not the same energy level that comes from meat. There are certain muscles that come from meat that do not come from milk. The Bible says if you drink milk, you are not skilled in the word of righteousness.

"For every one that useth milk is unskilful in the word of righteousness: for he is a babe. Hebrews 5:13

In other words, if you eat meat, there is something about you. Your capacity before God is different from those who drink milk. The troubles in your life are allowed for your spiritual development. Don't take milk always. To soar in the realms, we must allow the Holy Ghost to feed us with meat. Milk should be for breakfast. Only babies drink milk for breakfast, lunch, dinner.

You may be saying ' Pastor John, this is too tough. God is merciful'. This is my response to you, The same God of mercy killed Moses. The same God of mercy is the one that will judge you according to your works.

The same God of mercy is the one that will spit you out of His mouth if you are a lukewarm believer. You have been a lukewarm believer for a long time. He has warned you many times, if you don't heed, He has to spit you out. The same loving and gracious God is the same that will cut you out from the vine when you do not produce fruits. So, I know the God

I serve and when I perceive Him from the strong meat, then I have absolute understanding of who He is. To journey in the realms, the Holy Ghost must have you fed with meat.

The first man that received immortality walked with God. The question is, who is God? God is a Spirit. So a man would have to walk in the ways of the spirit in order to please God. The Bible says that Enoch walked with God and there was a testimony that accompanied Enoch, that he pleased God.

*"And Enoch walked with God: and he was not; for God took him." **Genesis 5:24***

First, he pleased the Spirit God. Second he walked with the Spirit. In other words, the ways of God are the ways of the Spirit. The ways of God are not the way of the body. The way of God is not the way of offenses, fear, doubts. In fact, the Bible says that the way of God is higher than the ways of man. This is God saying, "My ways are higher than your ways. My thoughts are higher than your thoughts.

"For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts."
Isaiah 55:9

In other words, if Enoch walked with God, it means that Enoch walked the way of God. The way of God will always be in opposition against your natural human intellectual ways. God has called us to break out of the realms of natural activities and upgrade our consciousness to be captured in the higher ways and thoughts of God. That is why you must make the kingdom your first priority.

"But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you." **Matthew 6:33**

If the kingdom is not first in your life, forget about God being first in your situations. You can call on God to come and He will not because His kingdom is not your priority. Men who make Christ and His kingdom their first priority and men who seek after the righteousness of Christ will always be in the topmost priority, and first response of God in their situations. You cannot be stealing, lying and manipulating people and then anticipate the glory

of the Lord to come upon you and traffic you into realms, no it does not work that way. Keep your heart upright. The future is more important than any manipulation in the present. The ways of the Holy Ghost are higher. Step up to His way. Step up to His thoughts. Think like the Holy Ghost. I think the thoughts of God and I have created, emerged, elevated, upgraded, pruned and purged. I think the thoughts of God because as a man thinks, so is he.

*"For as he thinketh in his heart, so is he." **Proverbs 23:7***

So, I become what I think. I become the thought that I think on. If I ponder on the thought of the Spirit of God, then I begin to manifest the essence of God.

I respond to all things according to God's way. In this hour and season, the realms of God have been mapped out, set apart. There are different layers of spiritual realms that God has opened the door for us to access. My prayer is that you will not be distracted by the tribulations of the time, to let the lies and the manipulations of the time intimidate

your faith and focus. Many already have succumbed to the beast. But thank God, there are always remnants. Remnants will always stand out. The voice for the remnants sounds from this order. It is the roar of consecration. The roar of revelatory knowledge of Jesus the Christ. And no foul devil, no religion, no system can stop it as long as I still have breath. The earlier we stand upright and begin to seize atmospheres and begin to advance in the realms of the spirit, so that by the time you appear, something will disrupt in their brain cells. Pray in the Holy Ghost for a few minutes...

THE HOLY GHOST AND SOUND

There is a consistency throughout the scriptures with sound and the operations of the Holy Ghost. Sound is always associated to the spirit's new wave. Sound carries multiple dimensions of the nations, sound is a teleporter. Sound is a messenger. Messengers carry messages. So, when you release the sound from the deepest part of your belly, there is a content in the sound. It came from the donations of your spirit. It came from the bowel of

your spirit, and the sound is unknown to the human understanding, but it carries immeasurable, indefinite contents of God's eternal plans that can affect creatures of various realms.

It's time for the body of Christ to step up and become the latter house. The latter house will carry the latter glory. The question would be what then is the latter glory? I tell you, it's that energy, the capacity that will withstand and oppose the rights of the Antichrist, the wickedness of satanic advancement in the secular systems. We will stop the devil, not by physical fight, but by networking in the realms of the spirit. The sound from our innermost belly will release vibrations of the spirit that destroys the setups of the adversary.

One thing that we possess is the regenerative human spirit. It is the only thing we truly have. With it, we carry the glory that enables us to transcend into the heavenly realms. When I step into these realms and behold the glories of God, I can perceive and understand things beyond the natural. Why? Because I am in the glory of God. It is not just my physical body, but, my spirit is mingling with the

divine as I interact with you, able to comprehend the mysteries of the Spirit.

By the Spirit, I can now step into the glories of different realms. These realms, where the Spirit is active, will heal and restore the human body. This is just the beginning of our journey in this gospel of sonship and glorification. What we are experiencing, is the early stage, the genesis of what is coming. You need to see the fullness of it?

Transformation is not what the believers needs most, it is transfiguration. Until you are transfigured, you cannot overcome your carnal tendencies. True transformation requires stepping into the chambers of fire, being refined. Just like Elijah and Isaiah were transformed when they were taken into the realms of God, so too will we experience divine change. Those who have encountered God, who have seen Him face to face, speak with divine wisdom. But those who only know the letter of the word speak the letter alone.

We must move beyond preaching the letter of the word and focus on a deeper, more intimate communion with God. Go into the secret place, die to yourself, catch the fire, and return from the presence of God with His fire upon your face. When you meet with God, you carry the fire with you. This fire is the evidence of your encounter with God, and it is what the world needs to see.

This is a voice of correction and rebuke to the body of Christ. Those who are willing to listen to God's voice will align themselves with the move of God in these last days. Yes, God is working through me, and He has chosen me for this purpose. In the days of Elijah, many rejected him, but God chose him anyway. The acceptance of man is secondary to God's call.

I feel a stirring in my spirit whenever I discuss this subject. The Spirit is moving, and it will separate the genuine from the false. Men who are transformed by the Spirit are new creatures. They are people who have submitted their entire being, spirit, mind, emotions, will, body, and conduct to the

government of the Holy Ghost and of course the Lord Christ. They have come under His complete authority. This is true salvation, the total redemption of humanity.

"For in him we live, and move, and have our being; as certain also of your own poets have said, For we are also his offspring." Acts 17:28

We live, move, and have our being in Him. It is not enough to simply live in Him or have our being in Him; we must also move in Him. Our conduct, our way of life, should reflect Christ. Many talk about Christ but have not fully yielded to Him. They expect the benefits of full submission from their shallow surrender. Just as Israel was loved by God, there were aspects of God that they never knew because they did not walk with Him.

He made known his ways unto Moses, his acts unto the children of Israel." Psalm 103:7

While Israel saw the acts of God, Moses knew the ways of God. And to know the ways of God, one must journey through the wilderness, pass through

many mountains, and experience God in the depths. This is where we truly behold Him.

For there is no time left. This earth, with all its riches, will pass away in a fervent heat. Everything man has built, every structure, every possession, will burn. All that remains will be what is eternal.

CHAPTER SIX

OUR PRIESTHOOD IN THE DIMENSIONS OF GOD'S GLORY

Priesthood refers to the divine calling and authority given to us to serve as mediators between God and humanity. It means representing God's kingdom on earth. Priesthood means more than performing religious rituals; it encompasses a life of communion with God, ministering to Him, and walking in the authority that Christ has given to us. The believer's priesthood is not based on external rituals but on an inward, spiritual relationship with God.

SCRIPTURAL BASIS OF OUR PRIESTHOOD

“And has made us unto our God kings and priests: and we shall reign on the earth.” **Revelation 5:10**

“But ye are a chosen generation, a royal priesthood, a holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light.” **1 Peter 2:9**

“And hath made us kings and priests unto God and his Father; to him be glory and dominion for ever and ever. Amen.” **Revelation 1:6**

“Having therefore, brethren, boldness to enter into the holiest by the blood of Jesus, by a new and living way, which he hath consecrated for us, through the veil, that is to say, his flesh; and having an high priest over the house of God; let us draw near with a true heart in full assurance of faith, having our hearts sprinkled from an evil conscience, and our bodies washed with pure water.” **Hebrews 10:19-22**

In the Kingdom of God, our role is not just to exist but to actively participate in the enforcing of divine purposes across realms and dimensions. The call to priesthood is not limited to an earthly service but extends into the heavenly realms where we are seated with Christ. Our priesthood is one of authority and divine responsibility. It is through this priesthood that we are invited to partner with God, to reign as kings and priests on the earth, and to engage with His eternal purpose in the dimensions beyond our natural sight.

In the world today, darkness and godlessness seek to invade every aspect of life, our priesthood has

become even more crucial. It is within this framework that we find our purpose, to stand as lights in a world overcome by spiritual darkness. We are called to offer up our bodies as living sacrifices, holy and acceptable to God (Romans 12:1) through this, we step into our rightful place in the realms and dimensions of God's Kingdom.

When the Bible says that we are kings and priests unto our God, it highlights the duality of our divine calling. As priests, we are to minister to God in worship, offering Him our lives as a pleasing sacrifice, it is about entering into the deep realms of communion with God, where we access His presence and manifest His glory on the earth. As kings, we are entrusted with dominion, ruling and reigning over the affairs of the earth and the spiritual atmosphere.

Our priesthood, according to the order of Melchizedek, is eternal, unshakeable, and divine. This priesthood was established in the heavenly realms and is now functioning within us through the Spirit of God. Christ, as the High Priest, has given us

access to the Holy of Holies, not made with hands, but through His sacrifice. The veil has been torn, and now we stand as a royal priesthood, with a throne of grace to approach boldly, offering up our prayers, praises, and petitions.

Our priesthood is a function that connects us to the very heart of God. It is in this place of priestly service that we come to understand our identity and authority in Christ. We are not mere spectators in God's Kingdom; we are active participants, reigning with Him and engaging in spiritual warfare to advance His Kingdom. As priests, we intercede, worship, and represent God on the earth. As kings, we take dominion, exercising authority over the spiritual forces that seek to hinder God's will.

The spiritual dimension of our priesthood calls us to a deeper place, beyond surface Christianity into the realm of intimacy and power. The Bible speaks of deep calling unto deep and it is in this realm that we are to operate. As we grow in our relationship with God, we step further into the deep things of the Spirit, understanding the mysteries of the

Kingdom and manifesting the glory of God in every area of our lives.

We must understand that the Kingdom of God is not just a future hope but a present reality. The Kingdom is within us. As priests and kings, we have access to the heavenly realms, where we are called to establish His footstool on the earth. When Jesus accomplished His work on the cross, He made us partakers of His divine nature, granting us the authority to rule and reign with Him. However, this authority is not to be held passively; it must be exercised actively, both in our personal lives and in the world around us.

The challenges we face today, both individually and corporately, are directly connected to our understanding of priesthood. We are living in a time where spiritual complacency is a danger, and many have not fully embraced their calling. The earth is groaning, waiting for the manifestation of the sons of God. It is our priesthood that will usher in the fullness of God's Kingdom on the earth. We are the vessels through which His glory will be revealed,

it is therefore our responsibility to align ourselves with His divine purpose. Our lives must reflect the fullness and weight of God's glory

Our priesthood is an active, dynamic engagement with God's eternal purposes. We are called to be agents of change, ambassadors of heaven, and ministers of the Spirit, not letters.

The time has come for the Church to awaken to its true identity. The realms and dimensions of God are available to those who are willing to press in, go deeper, and embrace their role as kings and priests representing Yeshua to His creation.

THE IMPACT OF HEAVENLY REALMS ON EARTH

*"the Lord God had not caused it to rain upon the earth" because "there was no man to till the ground" **Genesis 2:5.***

I want you to understand our role as sons in God's kingdom. Though God had the power to water the earth, He chose to partner with humanity. The rain, symbolizing divine blessing and spiritual manifestation, would not fall until man took his

place in the garden of God, fulfilling his priestly responsibility.

God created mankind with a mandate. Man was not only formed from the dust but breathed into by God Himself, becoming a living soul with authority and responsibility. The creation of man was a divine statement of our priesthood. The time has come that we must continue the work of cultivation through prayer, obedience, and partnership with God by tilling the garden of His kingdom.

The garden in Eden, a divine territory a spiritual principle that transcends time and space, linking the heavens with the earth. The earth was waiting for a steward, someone with authority, to tend and govern it. Through Adam's role in Eden, we see a template of priestly function, a role that was lost through sin but has been restored through Christ.

In Eden, man was to govern the earth, the creatures, and the dimensions that coexisted with him. When man took his place in the garden, it was not just about physical cultivation but spiritual

alignment. He was to maintain dominion over both the earthly and spiritual realms, stewarding the earth and unlocking the divine potential of creation. The garden of Eden was a place where heaven touched earth, and God's presence was manifest. it was also a place where man's obedience played a crucial part in unlocking the fullness of God's purpose.

Priesthood and the Realms of Dominion

Our priesthood is central to unlocking these realms and dimensions because we are active participants in the spiritual governance of creation. Jesus, as the King of Kings, has called us to reign with Him. His concept of reigning goes beyond ruling over the physical world, but over spiritual dimensions as well. In this current age, our priesthood has been re-established through Christ, who ascended and sat at the right hand of the Father, waiting for all His enemies to be made His footstool. The realm of priesthood includes the ability to influence and govern not only the earth but the heavens. As the Bible says in Ephesians 1:3

“Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ.”

This is the dimension that we are called to operate in. It is the place where the blessings of the heavens meet the practical realities of the earth.

In order for these blessings to manifest, we must understand our role in the spiritual realm. We are called to minister as a priest before God, interceding, worshiping, and releasing the power of God's kingdom. This is the original purpose of humanity—to represent God's presence and glory on the earth and to maintain dominion over the spiritual and physical realms.

REBUILDING THE LINK BETWEEN HEAVEN AND EARTH

Today, much of the church has failed to understand this deep connection between the spiritual and the physical realms. Just as the garden in Eden was the meeting point between heaven and earth, our lives are meant to be the place where God's will is done on earth as it is in heaven. This connection requires

us to actively engaged with the world through our priesthood.

"Now then we are ambassadors for Christ." 2 Corinthians 5:20

This means that we have the authority to represent God's kingdom in every realm and dimension. Just as Adam's stewardship in Eden had the potential to bring heaven's blessings to earth, we, as priests, are now tasked with bringing God's kingdom into every sphere of influence. This includes not only the physical world around us but also the spiritual realm.

In the same way that Adam was placed in the garden to "dress and keep it" we are called to maintain the spiritual garden within us. The garden is our heart, where God's divine nature and authority are established. As we cultivate this garden, we also cultivate the earth, bringing order and blessing to all areas of life. We are called to influence our communities, the world, and the heavens through the power of our priesthood.

THE KINGDOM IS AT HAND

*"From that time Jesus began to preach, and to say, Repent: for the kingdom of heaven is at hand." **Matthew 4:17***

When Jesus declared that the kingdom of heaven is at hand, He was revealing the imminent reality of this connection between the heavenly and earthly realms. The kingdom is not distant, it is a present reality that believers must walk in. As priests, we are to operate in the fullness of God's power, not just for our personal benefit but to bring transformation to the world around us.

In Christ, the priesthood of the believer has been re-established. As priests, we are entrusted with the sacred duty of keeping the garden, of influencing the spiritual realm, and of seeing the manifestations of God's blessings in the earth. We are not waiting for heaven to come to earth, we are called to bring heaven to earth through our priestly function.

This is the great calling and responsibility of every believer in this present age, it is the priesthood that unlocks the divine order. As we walk in our priestly

calling, we begin to see the manifestations of God's reign not just in the heavens but in the earth. And as we align with God's purpose, we usher in the kingdom that will eventually cover the earth as the waters cover the sea

*"For the earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea." **Habakkuk 2:14***

CHAPTER SEVEN

UNLOCKING SPIRITUAL AUTHORITY

In these crucial times, it's vital for the saints to understand their position in the spirit and how they can actively participate in the unfolding of God's eternal plans. To this end, our participation requires an active collaboration with the Holy Spirit. The church today needs to grasp that we are not merely recipients of divine blessings but also channels through which God's power, wisdom, and glory flows into the earth. *May this revelation open your eyes to the vast realms and dimensions of the spirit, guiding you to sharpen your spiritual perception and expand your capacity to manifest the deep things of God.*

The world is longing for a divine shift, and the manifestation of God's footstool on earth is the answer. What does this mean? In Scripture, God's footstool represents His influence, a place of authority and dominion. When we pray,

"Thy kingdom come, Thy will be done on earth as it is in heaven," We are inviting the culture of heaven to invade the earth. This means God's will, which represents His culture, begins to govern and shape the nations, communities, and systems of this world.

The church must rise to the realization that God's kingdom is not merely something we pray for in a distant future, but it is a reality that we, as believers, are called to bring to fruition in the present.

"The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever."
Revelation 11:15

And we, His saints, have been chosen to participate in that heavenly dominion. To bring God's kingdom into manifestation, we must allow the will of God to take precedence over every form of darkness in our communities. Where the will of God prevails, sickness, poverty, and injustice cannot stand.

In the realm of the Spirit, everything begins with the love of God. We are called to respond to that love,

not just by receiving but also by reciprocating it.
Jesus said,

*"If you love me, keep my commandments, and I will manifest myself to you" **John 14:21.***

The manifestation of Christ comes when we align ourselves fully with His teachings and commands. Our love for Jesus is demonstrated through our obedience, through this obedience, we enter into deeper dimensions of fellowship with Him, where His presence and glory become tangible in our lives. This is because the deep things of God are reserved for His lovers, those who seek Him with an intensity that transcends the surface level. The church today often runs with the revelation of God's love, which is foundational to salvation and grace, but we must go deeper. The Holy Spirit is revealing the deep things of God to those who will press in, who will love Him beyond the blessings and surface experiences. The fullness of God's power is available to those who are willing to consecrate their lives and seek after His heart, not just His hand.

As we step into these realms, we must understand our role as conduits of God's power and authority. The earth is waiting for the manifestation of the sons of God and we, as God's chosen vessels, have the privilege and responsibility to bring His kingdom to the earth. Our spiritual maturity opens the door for God's plans to be fulfilled through us. As we grow in the spirit, we are entrusted with the spiritual authority to rule and reign from the heavenly realms down to the earth. The world needs to see the manifestation of the kingdom of God, and it begins with the transformation of individuals who are filled with the Holy Spirit and have been made aware of their true position in Christ.

God is calling us to be the gatekeepers of His glory, the channels through which His heavenly blessings flow into the earth. When we align our hearts and lives with God's will, we become instruments of divine change in the world. Every prayer, every act of obedience, every declaration of God's Word activates the spiritual realms, bringing heaven's resources to bear on the earth. As we participate in

God's eternal plans, we must recognize that our spiritual activities are the keys that unlock the kingdom of God here on earth.

To the mature saints, the Holy Spirit is revealing deep things that will challenge the status quo of the church and propel the body of Christ into her destiny. The world is desperate for the manifestation of God's glory, and it is through His saints, His lovers that His glory will be revealed.

I challenge you to stretch your spiritual capacity and sharpen your perception. You should not just be a man or woman receiving from the Lord; you are a participant in His divine plan. Your prayers, your actions, and your obedience will usher in the kingdom of God, making His glory visible on the earth.

CONCLUSION

As God's people, we are designed to operate in higher realms of His Spirit, to be vessels through which His eternal purposes are fulfilled on earth. But how do we step into these realms, and how do we, as believers, become true channels of divine manifestation?

Scripture provides us with rich examples of how God has used people throughout history to open realms of influence and power. One of the most compelling stories is that of the prophet Ezekiel, who had a vision of a valley of dry bones

The hand of the Lord was upon me, and He brought me out by the Spirit of the Lord and set me in the middle of a valley; it was full of bones. He led me back and forth among them, and I saw a great many bones on the floor of the valley, bones that were very dry. He asked me, "Son of man, can these bones live?"

I said, "Sovereign Lord, you alone know."

Then He said to me, "Prophecy to these bones and say to them, 'Dry bones, hear the word of the Lord! This is what the

Sovereign Lord says to these bones: I will make breath enter you, and you will come to life. I will attach tendons to you and make flesh come upon you and cover you with skin; I will put breath in you, and you will come to life. Then you will know that I am the Lord. '"

So I prophesied as I was commanded. And as I was prophesying, there was a noise, a rattling sound, and the bones came together, bone to bone. I looked, and tendons and flesh appeared on them, and skin covered them, but there was no breath in them.

Then He said to me, "Prophecy to the breath; prophecy, son of man, and say to it, 'This is what the Sovereign Lord says: Come, breath, from the four winds and breathe into these slain, that they may live. '"

So I prophesied as He commanded me, and breath entered them; they came to life and stood up on their feet – a vast army.

Then He said to me, "Son of man, these bones are the people of Israel. They say, 'Our bones are dried up and our hope is gone; we are cut off.' Therefore prophecy and say to them, 'This is what the Sovereign Lord says: My people, I am going to open your graves and bring you up from them; I will bring you back to the land of Israel. Then you, my people, will know that I am the Lord, when I open your graves and bring you up from them. I will put my Spirit in you and you will live, and I will settle you in your own land. Then you will know that I the

Lord have spoken, and I have done it, declares the Lord.'
Ezekiel 37:1-14

The realm of prophecy was opened to him, and through God's command, Ezekiel prophesied to the bones, and they came to life. This should challenge us today. The Spirit of God is still calling the Church to prophesy and roar into dry situations and see the manifestation of life and restoration. We are called to be channels of this divine power.

The Apostle Paul speaks to this in Ephesians where he reveals that the manifold wisdom of God is to be made known through the Church to principalities and powers in heavenly places.

"His intent was that now, through the church, the manifold wisdom of God should be made known to the rulers and authorities in the heavenly realms." **Ephesians 3:10 (NIV)**

The purpose of the Church is to be the vehicle through which God's wisdom and power are manifested in the spiritual realms and the physical world.

Just like Ezekiel, we must be willing to step into the spiritual realms and allow the Holy Spirit to use us as channels for divine intervention. As we engage with the realms of the Spirit, we must cultivate a culture of sensitivity and purity. Our hearts must be tuned to the frequency of heaven, discerning the whispers of God and responding with obedience. Every believer is a channel of God's presence. Whether through healing, prophecy, or intercession, the divine will of God can be manifest through those who are yielded to Him.

If we fail to grow spiritually, we risk losing the spiritual authority and power that God has entrusted to us. To walk in these realms, we must first surrender to the transforming power of God. Our minds must be renewed, and our spirits must be aligned with heaven's agenda. Ephesians 4:23 tells us to

"be renewed in the spirit of your minds."

Without this renewal, we cannot perceive the dimensions of God's will or operate in the fullness of His power. It is only when we are sensitive to the

Spirit that we can truly perceive the deep things of God and manifest them in our world.

Realms and dimensions are not just for the spiritual elites, General overseers, five fold preachers but for all believers. God has equipped His Church with the Holy Spirit, who reveals the deep things of God and enables us to operate in His divine authority. As we yield to His guidance, we will begin to see the manifestation of His kingdom in every area of our lives, from healing the sick to prophetic insights, from supernatural wisdom to the outpouring of His presence in our communities.

The Bondservant of Christ John is called by God as an Apostle of the Gospel of Sonship & Immortality, a watcher of realms of glorification and redemption of the human body. A custodian of the dimensions, realms of fire, transformation, and tele-transportation; outside body experiences, visions of heaven, and visions of Jesus.

He carries an electrical surge of Dynamo and glory... He is a custodian of the realms of holiness, fire, teleportation and ascension into the heavenly places. He carries a rare anointing for expounding the scriptures in high revelation as a teacher, providing deep and exceptional insight in the Gospel of Christ and Grace as well as unusual healings, miracles and deliverance.

The Lord has granted him access to this revelation for the preceding days of the emerging age of the sons of God. It is written that the earnest expectation of creation is waiting for the manifestation of the sons of God: Romans 8:19. God has instructed the Bondservant of Christ John Anosike to take the "Campaign Of Life" to the nations of the world! This is a vision and commission from God to lift the mantle and champion the move of The Apostolic mandate to reach all nations of the earth with the gospel of Life, Incorruption, Immortality (death impossible) and Sonship; the long-awaited redemption of creation!

It is a 'teaching campaign' on how NOT TO DIE physically, how to exit the earth through revelation and ascension: hence, recovering our true identity and position in Christ.
