PREFACE

Grace and Peace be multiplied you from God the Father and our Lord Jesus the Christ. Amen

Welcome to an introduction to realms and dimensions of the Spirit. I will attempt to describe, and unveil the invisible realms with words given to me by the Holy Spirit. The realms are real, there are dimensions not visible to our optical eyes yet we are participators. This book will enlighten and awaken you to unlock the hidden realms of the spirit. I long to transfer a revelation of unseen realities that govern our lives and often determine our outcomes. These truths will electrify your spirit and propel your establishment in heavenly places.

Did you know that you are a currency in the realm of the spirit. Yes, you heard that right! In the heavenly realms, man is not just a passive observer. You are a trading floor, a place where

spiritual transactions take place, where destinies are exchanged, where the supernatural flows through your very being. Just as a financial market has currencies and commodities, you (your spirit, soul, and body) are divine currencies being exchanged, invested, and transformed. Every thought, every decision, every desire is a form of currency that God or the forces of darkness trade upon. The question is which kingdom is profiting from your life?

You are designed as a conduit of power, a supernatural transformer of divine energy. Your mind is a gateway, a supernatural conductor of spiritual currents that can connect you directly to the realms of Zion. Every time you align with the Word of God, you are activating the spiritual economy, trading on heaven's floor and releasing divine influence into the earth.

As you progress in this new understanding, you will unlock gates that lead you into deeper

realms of spiritual knowledge, I mean spiritual access points that govern the flow of power in and out of your life.

This is not the time for passive Christianity. We have entered an era of manifestation to the maximum. Everything you have been taught, everything you have read, everything you have prayed for must now manifest in your life. It's time to start walking in the light of the glory of God. You are a walking, breathing, spiritual trading floor, built for the kingdom of God to enforce its dominion in the realms allocated to man.

Are you ready to explore the realms of the spirit? To engage in the divine economy? To manifest the fullness of the power of God in your life? Then let's begin the exploration.

Yours in the Sacred Vineyard

WELCOME TO THE REALMS OF THE SPIRIT

The realms of the spirit are multiple dimensions of existence, civilizations and their habitations in the infinite multiverse, spanning generations of endless ages past, present, and future under God. It is where the visible and invisible intersect and where divine and supernatural activities transpire.

The physical world we live in is a reflection of the greater, unseen spiritual realm. The earth is an offspring of the spirit world. It was created by a Spirit. God has a habitation for spirit beings made in His image and likeness, as an extension of His reign and government of all creation. Therefore we can safely conclude that the earth is even more spiritual than it is physical. This understanding should revolutionize how we relate

with the unseen world, knowing that life events, results, destinies are predetermined. Our disconnection or active participation in these transactions produce the physical outcomes we experience daily.

Ephesians 6:12 says *that*

We do not wrestle against flesh and blood, but against principalities, powers, and rulers of darkness in high places.

These "high places" are the spiritual realms that exert influence over the physical world. Every event or situation that materializes in the physical world has its origin in the spiritual realm. It is within these realms that believers must be equipped to operate proficiently.

WHAT IS THE REALM OF THE SPIRIT

It is the invisible place or location or domain where God's will is formed, communicated and executed.

It is also a place where Satan and his agents seek to manipulate and hinder God's purposes. The lack of understanding about these manipulations is responsible for the spiritual apathy in many believers. It is from these invisible realms that dreams, visions, the voice of your inner man and prophecies serve as mechanisms for communicating God's plans, warnings, and instructions to His people.

REALMS

A realm is a specifically coded dimension in the heavenly places. It is a spiritual territory that holds power and authority and is governed by divine principles. In the spirit realm, everything operates under the sovereignty of God, and His order is established through laws. Each realm contains a set of rules, revelations, and authority meant to strengthen and equip the sons of God to exercise dominion.

Realms are diverse and unique, each holding specific functions and purposes. Much like rooms in a house, they are places of access, each designed for specific kinds of spiritual nourishment, and activity. As Jesus said,

"In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you"

John 14:2

These mansions (or realms) are where sons of God gain revelation, understanding, and spiritual empowerment. Interaction with realms in the spirit world are essential for our growth and continuous victory. Having access to different spiritual dimensions gives us strength to increase in our authority as believers.

Ephesians 2:6 (KJV) reminds us that

“...and hath raised us up together, and made us sit together in heavenly places in Christ Jesus,”

showing that realms of authority are our divine positioning. Spiritual places we are meant to occupy and access through Christ.

DIMENSIONS

A dimension refers to a level or degree of existence that is different from another, a space where particular spiritual realities are activated. Dimensions are multifaceted layers within realms, and each dimension carries specific spiritual experiences. The dimension of wisdom differs from the dimension of healing, though they both exist within the larger realm of God's kingdom.

When we talk about realms, we also mean that they have different dimensions with their own unique revelations and knowledge. For instance, if one desires wisdom, it is not enough to just ask for wisdom; one must discern what dimension of

wisdom is needed, whether it is the wisdom of the earth, spiritual matters, or heavenly insights.

James 1:5 tells us,

"If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him."

This shows that wisdom can be accessed in its proper dimension. Dimensions are the levels within a realm. Just as one would need to know what room to enter in a house to find what they are looking for, a believer must understand what dimension to access to receive the specific revelation God has for them.

THE LANGUAGE OF REALMS

One of the most profound keys to accessing realms in the spirit is understanding the language of that realm. Every realm has its spiritual tongue, without it, accessing its treasures and resources becomes impossible. Paul explains this concept of spiritual communication in 1 Corinthians 14:2:

"For he that speaketh in an unknown tongue speaketh not unto men, but unto God: for no man understandeth him; howbeit in the spirit he speaketh mysteries."

Just as a person cannot navigate a foreign country without knowing the language, so it is with realms in the spirit. A person might have access to a realm but could be hindered from fully receiving its revelation without knowing how to speak the tongue of that realm. For example, when one desires to receive revelation from the realm of healing, you must have the tongue or language of faith and healing that enables you to unlock and fully understand what God is revealing. Mark 11:23 tells us,

"For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith."

When entering a realm, understanding the language and communication of that place is

crucial, as it facilitates interaction with spiritual beings and allows us to fully partake in the treasures of that realm.

It is important to know that every realm in the spirit is governed by rulers, gate keepers and spiritual authorities. These rulers have been established by God to oversee certain realms. The same way man was given dominion over the earth in Genesis 1:28

“And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion...”

So also there are spiritual beings that have been entrusted with the governance of specific realms.

When entering a realm, one must respect the authority of those appointed over it. Hebrews 1:14 teaches us about angelic beings:

"Are they not all ministering spirits, sent forth to minister for them who shall be heirs of salvation?"

This shows that there are angelic beings and other spiritual entities that serve in the realms of God, ministering to believers. However, as guests in their realm, we must approach with reverence and humility.

It is important to know that each realm has spiritual protocols that must be followed. One cannot simply take from a realm without permission or acknowledgment of its rulers. Much like entering a person's home requires respect, entering a realm in the spirit requires us to recognize the authority of those God has set over it.

The realm of the spirit is vast and complex, holding countless dimensions of power, authority, and revelation. Sons of God must seek to understand how to access these realms, discern their purposes, and respect the authority of

spiritual rulers within them. Having knowledge of the language and structure of realms allows believers to unlock the fullness of what God has prepared for them in heavenly places. As you traffic through the realms of the spirit, always be mindful of the importance of alignment with God's will and the respect for His spiritual order

THE MYSTERY OF SPIRITUAL TRANSACTIONS

In the realm of the spirit, transactions refer to the exchanges, dealings, or interactions that take place between the spiritual and physical worlds. Every action, word, or decision made in the spiritual realm has consequences in the natural world. Spiritual transactions often manifest in dreams, visions, and prophecies, which act as communication channels through which God reveals the transactions that have taken place or are about to take place. For instance, a sickness or calamity that manifests in the physical world first occurred as a spiritual transaction. If this

transaction is not intercepted and dealt with through prayer or prophetic action, it will inevitably materialize in the physical realm. Understanding these transactions is critical for believers, as they allow us to engage in spiritual warfare before the problems manifest in time. Hence, we must act on spiritual warnings before they manifest in the physical world. We must rise against spiritual laziness or insensitivity which leads to situations where problems gain a foothold in the natural world, making them much harder to resolve. The key to spiritual victory is recognizing when something is being "timelined" in the spiritual realm and taking immediate action to prevent it from coming into the physical realm.

For example, when God gives a dream about an impending disaster or sickness, it is an invitation, an alarm for you, to pray and cancel that timeline. While the situation is still in the dream world, you can quickly, in the name of Jesus, cancel it." At that moment, the spoken word

travels with the speed of light into the spiritual realm, dismantling the demonic programming.

A good example of spiritual transactions happening without the knowledge of a man is the life of Job.

*[6] Now there was a day when the sons of God came to present themselves before the LORD, and Satan came also among them. [7] And the LORD said unto Satan, Whence comest thou? Then Satan answered the LORD, and said, From going to and fro in the earth, and from walking up and down in it. [8] And the LORD said unto Satan, Hast thou considered my servant Job, that there is none like him in the earth, a perfect and an upright man, one that feareth God, and escheweth evil? [9] Then Satan answered the LORD, and said, Doth Job fear God for nought? [10] Hast not thou made an hedge about him, and about his house, and about all that he hath on every side? thou hast blessed the work of his hands, and his substance is increased in the land. [11] But put forth thine hand now, and touch all that he hath, and he will curse thee to thy face. [12] And the LORD said unto Satan, Behold, all that he hath is in thy power; only upon himself put not forth thine hand. So Satan went forth from the presence of the LORD. **Job 1:6-12***

Job was not aware that a declaration had been made allowing Satan to test his integrity and faithfulness to God. Had he been aware and awake to this plan via dreams or visions, Satan could have been intercepted before his onslaught. Job could have taken precautionary steps to avert the afflictions and disaster that befell his family.

HOW DO WE DETERMINE MANIFESTATION.

The dream world is a world where we cultivate physical manifestation. The dream world is our access to the Eden of God. It's a place where we deal and transact. The future is created in the dream world. Actually people don't know that in the dream is where the future is made. You can tell what is going on in that realm. Let's examine a few scenarios- if you have seen yourself in the dream fighting, you're fighting a certain creature, yet you don't know what that means. In the realms that fight is not literal. Don't wake up with

fear, just get to know that this is a spirit that is fighting between your spirit and your soul to see who will succeed to program the next accident, the next disruption of your future, the next setback of your ministry, the next disruption of your marriage, the next affliction in your body. When you find yourself fighting in the dream, it is a sign that a force is warring to see if it could gain legal access into your spiritual timeline. This means your next manifestation or next incident or next accident or next circumstance that appears in your life. Your future is a function of your cultivation in the realms. So fighting in the dream is a sign of fighting with a spirit for your future. Jacob fought with a spirit to decide his future. The Bible says Jacob prevailed. An angel of the Lord came and they wrestled, this was the angel of his future, the angels of destiny. I want my name changed, but the angel is saying, I'm going to break something in you. The moment Jacob's name was changed his future was saved. He secured that victory and the angel secured his

future. This indicates that sometimes the creatures you are fighting with are not always demonic creatures. The question is why was the angel of the Lord resisting from changing the destiny of Jacob. It changed by wrestling. So you need discernment, sometimes it is a demonic spirit, sometimes it is the angel of the Lord sent not to release the destiny so easily. You've got to fight for it. Fight for it with everything in you. I say fight for it, fight for your ministry, fight for your marriage, fight for your healing, fight for your children, fight until you are injured, fight until you win. Jacob said I will not let you go until you bless me, until you change my destiny I will not let you go. The angel said this is unbearable, he held the angel with all his strength. Fight until the change comes. Fight until you conquer the temptation. Fight until your children are saved. Fight until your whole family comes to Jesus. We are not quitters. Glory to God, we wrestle with spirits, we subdue angels. We craft out our destinies from abilities. I need my destiny changed in the realms. When

the angel spoke, he released his new name, that was the change of destiny. In the physical, it manifested as the 12 tribes of a powerful nation that cannot be defeated up till today. Somebody fought in the realms to determine success in chronos. Satan, you will have no place in my future. None of your plans, schemes or machinations will come to fruition. When it comes to destiny you must be violent. Do not judge according to sentiments, fairness of carnality, fairness of humanity.

Sometimes you see snakes in the dream, why are you seeing snakes in the dream? The question is, did you mark what type of snake it is, what colour and what features. When you see snakes in the dream it means something is being programmed to manifest in the physical. Any creature you see in the dream is up to something for the future. The dream world is where future destinies are decided. So when you see a snake what color was the snake, was it chasing you or were you

running away from the snake or were you afraid when you saw the snake. What's the size? If the size is big enough to swallow you, it typifies a big problem ahead. If any creature like a snake appears to you in the dream and it is bigger than you. It means there is a situation that Satan is trying to use you or seeking permission in the realms to set up a problem that will swallow you in the future. You may think it's nothing or take it lightly meanwhile there is a transaction going on. They are waiting for situations to align, a door to open. If you're careless in the realms for that plan to set up a timeline of a predicament, it will manifest. A loved one or marriage will be swallowed up, or a ministry will sink or something will happen that will devastate your life forever. It might take you 10 years or even 20 years to recover. That's the python fighting you in the realms. Another example - if the snake in the dream is defeated, crushed, you matched it on the head. You've won the victory. If it bites you, welcome to a perpetual disease- blood pressure,

diabetes, cancer or one predicament in your health that would take a lifetime to overcome. it's been timed because it bit you. You don't have to accept the transaction, In that realm, you can return back, reverse the time. How can I reverse a timeline? Use your imagination. Imagine it, at that point in time the realms are still open. At that moment when you have such dreams, don't sleep. How dare you have such a nightmare, you say it's a nightmare and you go back to bed. Listen when you come out of a dream from that moment up to 1 hour that dream is still open. The realm is still open and very active. So even if you couldn't fall back into sleep you can use your imagination. Some of you can sleep back and go back to that moment. It's still fresh in your memory, go to the point where you were bitten and then remove yourself. Go to the point before you were bitten, remove yourself and crush it or create a sword of the spirit and then cut off the head. Then you say in the name of Jesus, by the blood of Jesus it is cancelled. Then you say I

Infuse health, strength, and life. Now you have set a timeline of divine health because in the realms there's a vulnerability, there's a void. That serpent knew and saw a weakness or an opening and timed it and bit you and put it in the timeline. So you went back to undo it and reset something else in that timeline. and then you'll come up victorious. Hallelujah!

So then, dragons in the dream, fighting in the dream, bitten by a snake in the dream, funeral in the dream, what does that mean seeing a dead person in the dream? playing in the dream in the field, lost in a forest, falling into a ditch, or into a valley, a branch of a tree falling out, a big tree falling. If a little tree falls, a child is about to die. It's one that is not grown, an infant or probably a teenager depending on the size of the tree. If it's a very big tree that has fallen. It is a father, mother or a leader. Somebody deeply rooted is about to die, so it's been timelined. If you are in a dream and you see an ocean rising or you see it's

about to swallow you, a problem capable of taking your life is on the way, the sea has risen. These are activities in the realms that you must understand and take charge of quickly. Do you think that God is a fool and there is no significance for you to have such dreams?. We do nothing about such a significant warning. Walking in the Word is not about letters that are not activated or enlightened by the Spirit. Many quote scriptures, missed the signals, the language of the spirit and died quoting scriptures. The scriptures were solely written for the salvation of the total man. However sin came in and man was separated from God. Jesus came and rebuilt that bridge, now the original plan of God for man before sin, will kick back in. Man can enter the realms, his reign, his dominion has been restored.

Lift your hands up say Father in the name of Jesus, I will war in the realms, I will watch over my timelines. I will war in the spirit realms. I have an

understanding of the realms of fire, realms of light and sound.

THE DIFFICULTY OF REVERSING PHYSICAL MANIFESTATIONS

Once a spiritual transaction has fully manifested in the physical world, it becomes much more challenging to reverse. When something has moved from the spirit world and taken root in the natural, it is often very difficult to uproot." This is why many believers struggle with sickness, financial problems, or spiritual attacks because they waited too long to address the issue spiritually. The physical manifestation is a sign that something has already taken hold in the unseen realm.

THE GATEKEEPERS OF THE SPIRIT REALM

Gatekeepers are spiritually mature men and women who are alert to the workings of the spiritual realm. These individuals are equipped to

stand at the gates of the spiritual world and prevent demonic forces from gaining access to their lives, families, and communities. You must understand that Satan gains entrance through spiritual gates, and it is the responsibility of spiritually alert believers to guard these gates.

Satan operates primarily in the spiritual realm, seeking to influence the physical world through transactions that take place in the unseen. The more believers understand how the spiritual realm works, the more equipped they are to guard these gates and prevent the enemy from gaining ground.

CHAPTER TWO

MAN AS A TRADING FLOOR IN THE REALMS

In the context of trading, we can think of man as a **trading floor** where transactions take place between the heavens and the earth, between good and evil, light and darkness, much like the fluctuations in the currency markets. Let's break this down:

1. The Breath of Life – Divine Capacity as the Initial Deposit

When God created man and breathed life into him, He made an initial deposit of divine capacity into man's "account." This deposit was an impartation of a **divine ability** to access different realms and dimensions (spiritual, emotional, mental, and physical). This capacity allowed man to function in multiple dimensions, much like a

trader can access various currency pairs from around the world and trade in different markets simultaneously.

2. Man as the Trading Floor – Transactions Between Realms

The trading floor is where currency pairs interact. Similarly, man became a trading floor for transactions between the heavenly and earthly realms. The breath of life granted man the ability to exchange or interact with both the spiritual and the physical worlds. Just like markets respond to both technical analysis (earthly wisdom) and fundamental analysis (spiritual influence), man operates at the intersection of divine insight and earthly illusion. His actions in the physical world are influenced by spiritual forces.

3. Trading Good and Evil – Duality of the Market

Man constantly faces choices between good and evil, light and darkness. These decisions play

out like trades in a volatile market. If man chooses to trade in the "light" (aligning with God's will and divine guidance), his spiritual portfolio grows, just as a successful trade brings profit. However, choosing "darkness" (sin or disobedience) leads to losses, like trading against the market's trend, which eventually results in loss and consequences.

4. Sin as a Market Crash – Loss of Spiritual Access

When man sinned, it was as if the market underwent a crash. The fall of man reduced his access to the spiritual "heights" and the realm of divine connection. Pre-sin, Adam could easily transact in the heavenly realms and maintain spiritual wealth, but after sin, it was as though the trading floor was locked, man lost access to the higher dimensions of life, the once free-flowing spiritual capital became restricted.

5. The Ongoing Battle – Trading Between Realms

Today, the battle between these forces is ongoing. However, with the right guidance (the Holy Spirit, man can make wise decisions and transcend the limitations of the physical world to operate within the divine realms.

SATAN'S EXCHANGE SYSTEM

The term "Satan's exchange system" refers to the mechanism through which Satan offers temporal pleasures or material gains in exchange for spiritual treasures.

8 Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them;

9 And saith unto him, All these things will I give thee, if thou wilt fall down and worship me.

*10 Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve. **Matthew 4:8-10***

You can see how Satan offered Jesus the kingdoms of this world in exchange for worship.

Satan's system is one of deceit, always taking something of eternal value from man in exchange for fleeting, worldly rewards. Every transaction Satan engages in comes with a hidden cost. If he gives you wealth, it is in exchange for your peace. If he offers you fame, it is in exchange for your soul.

*“For what shall it profit a man, if he shall gain the whole world, and lose his own soul?” **Mark 8:36***

This is why you must be vigilant in recognizing these exchanges and avoiding the temptation to sell your birthright, like Esau, for momentary satisfaction.

29 And Jacob sod pottage: and Esau came from the field, and he was faint:

30 And Esau said to Jacob, Feed me, I pray thee, with that same red pottage; for I am faint: therefore was his name called Edom.

31 And Jacob said, Sell me this day thy birthright.

32 And Esau said, Behold, I am at the point to die: and what profit shall this birthright do to me?

33 And Jacob said, Swear to me this day; and he sware unto him: and he sold his birthright unto Jacob.

*34 Then Jacob gave Esau bread and pottage of lentiles; and he did eat and drink, and rose up, and went his way: thus Esau despised his birthright. **Genesis 25:29-34***

Man is a spiritual currency. Humans are vessels through which either the Kingdom of God or the kingdom of darkness can exert influence. Just as money is used as a medium to exchange goods and services in the physical realm, man is a medium through which spiritual forces (God or Satan) accomplish their purposes.

"Neither yield ye your members as instruments of unrighteousness unto sin: but yield yourselves unto God."
Romans 6:13

So, yielding oneself to God makes you a currency for His kingdom, advancing His will on earth. Conversely, yielding to sin and temptation turns you into a currency for Satan, facilitating his plans

of destruction. You must know that no man is neutral. You are either a currency advancing the kingdom of God or you are being used by Satan to perpetuate his agenda. This is why you have to actively choose whom you serve.

*"Choose you this day whom ye will serve." **Joshua 24:15***

Satan has always used humans to further his purposes. Show me any havoc caused by Satan today, you can trace it to man as a medium.

Even Jesus could not die without a man. Satan was highly interested in eliminating The Christ, He had to enter a man that was close to Him.

*"And after the sop Satan entered into him. Then said Jesus unto him, That thou doest, do quickly." **John 13:27***

Judas became a currency for Satan because he exchanged his eternal destiny for thirty pieces of silver.

14 Then one of the twelve, called Judas Iscariot, went unto the chief priests,

15 And said unto them, What will ye give me, and I will deliver him unto you? And they covenanted with him for thirty pieces of silver.

16 And from that time he sought opportunity to betray him.
Matthew 26:14-16

All of Satan's offers and transactions must result in destruction and despair. Today, many are being used as instruments of darkness without realizing it. Some are happening through lust, greed, jealousy, or anger, individuals unknowingly become gateways through which the devil gains influence in families, communities, and nations. Let me warn you, it is not enough to be born again, you must consciously reject the temptations and influences of Satan daily.

"Submit yourselves therefore to God. Resist the devil, and he will flee from you." James 4:7

Saint of God, you must understand that the spiritual realm is teeming with activity. Both heavenly and demonic forces seek to influence and inhabit humanity.

Ephesians 6:12 clearly states that

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

Spiritual forces target humans because of their unique position as God's creation. The potential that resides within man is so great that even the legions of hell seek to inhabit human vessels. This is because MAN is the "eternal habitation" of God, meaning that humanity was created to be a dwelling place for the Almighty. If God Himself desires to reside within man, then it is no surprise that Satan, in his jealousy, seeks to occupy that same space.

"Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?" 1 Corinthians 3:16

Satan seeks to achieve this through his old tactics which is deception. Deception is one of Satan's

most effective tools. The Bible calls him the "father of lies"

*"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it." **John 8:44***

*"Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap." **Galatians 6:7***

Satan may offer temporary pleasures to you now, but be rest assured that there are always long-term consequences for every sin, hence you need to be spiritually vigilant.

To be spiritually vigilant means maintaining a constant state of prayer, fasting, and meditation on God's Word. It requires you to be so in tune with the Holy Spirit such that any counterfeit from the realm of darkness is immediately recognized and rejected, because the battle between the kingdom of God and the kingdom of darkness is played out daily in the lives of men. You must

comprehend that humanity is at the center of this battle. God desires to establish His Kingdom on earth through man while Satan seeks to corrupt and destroy mankind to oppose God's plans.

*"Thy kingdom come, Thy will be done on earth, as it is in heaven." **Matthew 6:10.***

Your choice to align with either kingdom is made through daily decisions, actions, and obedience.

*"For as many as are led by the Spirit of God, they are the sons of God." **Romans 8:14***

Being led by the Spirit is the surest guarantee that we are used as currency for the Kingdom of God.

CHAPTER THREE

THE GATE OF THE OPEN FACE

Very soon, as we master and advance in this light we will transition into various realms such as the realm of the moon, the realm of the sun, and the realm of the stars. All your dreams are connected to the moon, the stars, and the sun. Each realm has a specific body, whether it be for the earth, the heavens, the stars, the moon, the sun, and so on.

Every vision is the manifestation of the glory of a particular realm; it is your second-dimensional body. There are celestial bodies in the heavens and terrestrial bodies on the earth. The glory of the heavenly body is different from the glory of the earthly body.

"There are also celestial bodies, and bodies terrestrial: but the glory of the celestial is one, and the glory of the terrestrial is another." 1 Corinthians 15:40

Angels have heavenly bodies but can take on human bodies to come to earth to accomplish tasks here. Paul often spoke of traveling through realms like the sun, moon, and stars in his writings. Consider how astrologers can predict weather patterns. Certain bodies carry various glories, reflecting the multi-faceted glory of God.

"But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord." 2

Corinthians 3:18

An open face is a requirement. Without an open face, we cannot see this glory. An "open face" is symbolic of a pure heart, for as Jesus said,

"Blessed are the pure in heart, for they shall see God." ***Matthew 5:8***

These realms are accessible to us. How do we journey to the moon, the sun, or the stars? The truth is, you have already been there many times without realizing it. This is possible through the

glory of transformation, which represents true spiritual astrology. You can predict storms, prevent disasters, and warn people of dangers such as potential plane crashes.

Something incredible happens when a person beholds the glory of the Lord: they are changed. That word "changed" means "transformed." Did you know you can take on different bodies? Just like Paul, when he was lost at sea, took on the powers of the waters. He manifested the glory of the waters and the fishes to survive. Halleluyah! He defied natural laws. These miracles are not random, they are worked. The Bible calls it the "working of miracles." Jesus spoke of these works and He named them greater works, and we need to move beyond mere religion to actual encounters with God.

This is the only way to discern when a witch enters your house or when a spirit tries to influence your child. From my research in Scripture, I've realized

that every person used by God and every move of God was accompanied by extraordinary, tangible manifestations of the invisible. These men were committed to cultivating these manifestations.

Moses-type preachers cannot achieve this, but Joshua-type preachers can. While Moses was a one-man show, Joshua involved everyone in the supernatural, just as the entire nation participated in the fall of Jericho. Joshua wasn't the only one performing miracles; everyone moved in the Spirit. This glory is obtainable only through a certain degree of spiritual maturity and discipline.

The mystery of the body must be fully understood, the body is an access point to realms. There are bodies in the heavens and bodies on earth, each created with a unique glory. The sun has one kind of glory, the moon another, and the stars each have their own. Even the stars differ from each other in their glory.

What is the problem today? Men don't transform; they don't spend time in the wilderness or go to the mountain of God to cultivate the inner man. Yet, there is access to the glory of the sun, the moon, the stars, and the earth. These bodies, what are you doing with them? You can transform into any of these glories.

Paul talks about the 'new man'

"And have put on the new man, which is renewed in knowledge after the image of him that created him."

Colossians 3:10

These are spiritual bodies being referred to. The danger is when you haven't put on the inner man, you descend to a mere man. You say things like "my kidney," "my heart failed," or "my legs are swollen." You become subject to the elements and decay. We don't need to die to experience these glories, we just need to elevate into them. If someone is preparing you to die, run from that

church! The light you carry is what will protect you when the spirit of death comes.

Stop complaining, and start groaning in the Spirit. We don't need to die to leave the body. You can access your incorruptible body now, one that is covered and secured by the glory of the Lord.

"For in this we groan, earnestly desiring to be clothed upon with our house which is from heaven: If so be that being clothed we shall not be found naked. For we that are in this tabernacle do groan, being burdened: not for that we would be unclothed, but clothed upon, that mortality might be swallowed up of life." 2 Corinthians 5:2

While we live in these earthly bodies, we groan and sigh, but it's not that we want to die and get rid of these bodies that clothe us. Rather, we want to put on our new bodies so that these dying bodies will be swallowed up by life.

The truth is this- If you are not transforming, you are decaying. Transformation is a continuous process, necessary to inherit your heavenly body,

which must be swallowed up by life. As we look into a mirror and behold the glory of the Lord, we are changed from glory to glory. When you capture the understanding of transformation, you begin to teleport out of your earthly consciousness through the meditation of scriptures and ascension.

CHAPTER FOUR

PRIMARY CODE TO THE REALM

"O God, thou art my God; early will I seek thee: my soul thirsteth for thee, my flesh longeth for thee in a dry and thirsty land, where no water is;" Psalm 63:1

"Blessed are they which do hunger and thirst after righteousness: for they shall be filled." Matthew 5:6

Only those with a genuine hunger for God's deeper dimensions can grasp the profound revelations of the spiritual realm. The lovers of God are those who yearn for more than the surface-level Christian experience. They are passionate about knowing God intimately and desire to explore the deeper mysteries of His being.

"As the deer panteth for the waters so my soul longs after thee' Psalm 42:1

Hunger for God is a key that unlocks spiritual treasures that are hidden from the casual once in

a week christian. Paul explains that the deep things of God are not revealed to the natural man but to those who are spiritual, those who are led by the Holy Spirit.

“But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God” 1 Corinthians 2:10.

This scripture confirms that God reveals His mysteries only to those who are in tune with the Holy Spirit, not to those who are spiritually immature or worldly. God is not interested in revealing the fullness of His purpose to those who remain in spiritual infancy or carnality. Spiritual growth is necessary for a deeper walk with God.

“When I was a child, I spake as a child, I understood as a child, I thought as a child: but when I became a man, I put away childish things” 1 Corinthians 13:11.

To experience the dimensions of the spirit, you must grow beyond childish thinking and embrace maturity. This is very important because we live in

a time of rapid advancement, both in the natural and spiritual realms. While humanity pushes technological boundaries, believers must recognize that the spirit realm is also undergoing significant development and shift . Jesus foretold of such times when He said,

*“And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring” **Luke 21:25.***

The spiritual realm is advancing, and God is releasing unprecedented grace upon His people.

I need you to know that there are two sets of people in this spiritual civilization: those who left Egypt but are wandering in the wilderness, and those who have crossed over into the Promised Land with Joshua. In spiritual terms, this speaks of Christians who are content with surface-level experiences versus those who press into the fullness of God's inheritance.

*“For unto us was the gospel preached, as well as unto them: but the word preached did not profit them, not being mixed with faith in them that heard it” **Hebrews 4:2.***

Only spiritual men will experience the fullness of God's inheritance. A spiritual man is not defined by outward religious practices but by the authority of Christ that governs his life.

*“For to be carnally minded is death; but to be spiritually minded is life and peace” **Romans 8:6***

The spiritual man lives under the lordship of Christ, manifesting His power and presence in every area of life. He thrives under pressure, growing even in the midst of challenges, much like a lion that confronts difficulties head-on.

LEGAL PROCEEDINGS IN THE REALMS

Satan is not the problem. The problem is your response to his attacks. The problem is you when you don't have the intelligence of scriptures. Definitely, Satan has gained a very optimal or maximum influence on your life. That's how serious that is.

Any area of your life that is not governed through the intelligence of scriptures, Satan will manipulate and control until you come under the authority of Christ.

Satan is a very strong legal entity, he operates with legality. Satan is a strong advocate in the realms. In the realms of the spirit, Satan is such a smart creature that understands the laws of the spirit. He has an absolute understanding of the laws in the physical realms, the laws in the heavenly realms, the laws in different dimensions of habitation and places.

Unfortunately, many believers don't understand the laws that govern things. They are so ignorant in the spirit that they don't understand that Satan knows his rights. And if you don't know your right in the spirit and the rights of certain circumstances, or the rights of some creatures, you will be so messed up. You will be praying, but there's no change. You will apply what you know, but there's no significant result coming out of the applications. Why? Because you are ignorant of some details in the spirit realms.

So instead of being too focused on Satan, why don't we become a little bit more focused on the laws of the spirit

Now, God, Satan, and all the creatures of the heavenlies knew very well that there could not be redemption without a legal proceeding. There had to be a certain level of legal proceeding before redemption could be accomplished. The fall of man was a fall in the legal realms of the spirit, and

the only way man could be redeemed was for another creature to come in human form, one that had no guilt or any form of sin, in order to qualify to pay the demands and the penalty of the sin of man.

So you see, whatever Christ did when He came on earth was actually a fulfillment of a demand in the justice of the realms of the spirit. It was a legal proceeding.

Some of you say, *Oh, that's the mercy of God*. Yes, it is the mercy of God. But beyond that, it is actually a law being put in place.

The act of Calvary was a demand of justice for the redemption of humanity. So Satan could only lose his legal claim on humanity only on the basis that Jesus would hang on that calvary and pay the due process for the redemption of humanity.

Satan is more or less the president of the kingdom of darkness, and demons are his goons. Demons

are his angels. The word angels could also mean his servants. So demons serve the interest of the devil.

When you break the law of your body, or *when you sin against your body*, demons that afflict the body will gain legal access to attack your body. It doesn't matter if you are born again or not.

The whole concept of thinking "*Oh, you can't be possessed if you're born again,*" is just some mere religious foolishness. You sow to unrighteousness, you reap corruption. You sow to righteousness, you reap everlasting life. What you sow is what you reap.

If you sow to darkness, demons will gain access to produce the fruits of your seed. They will enforce your attitude. They will enforce what you've done.

So Satan is not the problem. The problem is that believers don't understand the law of the spirit.

As powerful as God is, He becomes so helpless and powerless around believers who do not have revelatory knowledge.

The Bible says:

*"My people perish for lack of knowledge." **Hosea 4:6***

Who is it that comes to steal, kill, and destroy? The Devil. So the devil has the upper hand to operate and carry out his wicked activities against you when you lack revelatory knowledge.

And, of course, even when you have revelatory knowledge and do not enforce the knowledge, it is equal to ignorance.

It is one thing to know the truth and apply the truth. It is another thing to know the truth and not live by the truth.

To walk in the spirit is to live in the realities of you in the spirit. Meaning If you have the knowledge of the truth, then apply the knowledge.

If you know that fornication is sin, and you are still doing it, that's an error! You know lies are of the devil, and you're lying? You say you are in the spirit, but you don't walk in the spirit.

Jesus says:

*"It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life." **John 6:63***

So what does that mean?

It means that if the word you've received is spirit, then you are to live by the spirit.

To walk in the spirit is to live according to God's word.

And once you live by the word of God, Satan and his demons will not have any room to come in and mess with your destiny.

The skillful application of the energized word is your legal access to operate successfully in the realms.

Legalities are used to withstand the challenge of your place or rights in Christ. God has laws in motion to superintend his government in all realms. Man must become a master operator of these legalities to truly stand as the representative of God.

CHAPTER FIVE

THE FAMILY GATE CONDUIT TO REALMS

Your family is the spiritual foundation of kingdom advancement. The family is not just a social institution but a spiritual unit created by God to shape communities and nations. Families form the building blocks of the kingdom of God. When a family is united in Christ, it becomes a stronghold for divine influence on earth. However, the enemy knows that the family unit has the potential to establish the kingdom of God and will therefore do everything in his power to destroy it. Division, resentment, and unforgiveness within families are his primary tactics.

As Jesus said,

*"Every kingdom divided against itself is brought to desolation, and every city or house divided against itself will not stand" **Matthew 12:25.***

Families as microcosms of the kingdom, need to operate in unity to fulfill their divine purpose. Unity within families lays a strong foundation for community, national transformation and spiritual blessings.

Because of this truth, Satan attacks marriages. Remember in the spiritual realm humans are used as currency and the family unit is where humans are reproduced. So marriage in the spiritual realm is far more than a social contract. It is a covenant established by God for the purpose of love, procreation, and the spiritual covering of the family unit. A covenant requires commitment beyond circumstances or feelings. The breakdown of this covenant through divorce or infidelity has far-reaching spiritual consequences, not only for the couple but also for their children and the generations that follow. Hence, not all who appear human are free from demonic influences. Marrying someone who has spiritually

compromised can hinder your destiny and cause immense spiritual warfare.

THE SPIRITUAL RESPONSIBILITY OF PARENTS

As parents, you are called to be the primary spiritual influencers in your children's lives. The atmosphere you create within the home is foundational to your children's development because a child's first influence comes from their parents, not the community. Thus, the spiritual state of the parents directly shapes the children's spiritual walk whether they are potential currency for advancement of light or evil.

*"Train up a child in the way he should go: and when he is old, he will not depart from it." **Proverbs 22:6***

Parents are responsible for setting a Christ-like example in their words, actions, and values. The Bible emphasizes this in Deuteronomy 6:6-7:

"These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about

them when you sit at home and when you walk along the road, when you lie down and when you get up."

Therefore, parents must live with intentionality, making sure their lives reflect the teachings of Christ to cultivate a home filled with God's presence.

SPIRITUAL WARFARE AND THE FAMILY

There is a non-negotiable punishment involved in destroying a family unit that is aligned with God. Contributing to the downfall of a thriving family is an unpardonable sin. The family unity is sacred and must be protected at all costs. Satan's goal is to sow seeds of discord in families because he knows that a divided house cannot stand

"And Jesus knew their thoughts, and said unto them, Every kingdom divided against itself is brought to desolation; and every city or house divided against itself shall not stand."
Matthew 12:25

This truth is reinforced in the Gospel of Mark 3:29:

"But whoever blasphemes against the Holy Spirit will never be forgiven; they are guilty of an eternal sin."

Destroying a family that is thriving in God's purpose can be seen as blaspheming the divine work of the Holy Spirit within that unit.

In this context, Engaging in spiritual warfare means actively protecting the family from both internal and external threats. Every family is a subject of warfare and contention in the realms. Because the family unit is where soldiers are gotten from either soldiers of light or darkness.

Families must stay vigilant in prayer, understanding that they are targets in a greater spiritual battle. Do not let the devil pitch his military base in your family.

The integrity of marriage, the responsibility of parenting, and the unity within families are spiritual mandates from God. Protecting the family from spiritual attacks and cultivating a

Christ-centered environment is paramount to seeing His kingdom come on earth as it is in heaven.

"Unless the Lord builds the house, the builders labor in vain. Unless the Lord watches over the city, the guards stand watch in vain" Psalm 127:1.

CHAPTER SIX

THE GATES OF TRANSFORMATION

The path to restoration and empowerment lies in the process of transformation, which is fundamentally linked to the renewal of our minds.

*"And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God." **Romans 12:1***

This transformation is what enables us to reclaim our position in the multi-dimensional realm of the Spirit. Jesus gave us the key to the gates of transformation.

In the realm of spiritual transformation, the mind serves as the central instrument through which divine realities take form in the believer. It is not the spirit of man that needs transformation after salvation, for the spirit is instantly regenerated at the point of salvation. Rather, it is the mind, the

faculty of thought, perception, and consciousness that must be subjected to the process of renewal to manifest the realities of the kingdom.

Transformation is impossible without the engagement of the gates of the soul, the eyes, ears, and heart. These gates are the access points through which divine knowledge, revelation, and spiritual intelligence enter the human vessel. Their impairment results in spiritual stagnation, while their enlightenment facilitates conversion and transformation.

*"The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light." **Matthew 6:22***

The eyes represent spiritual perception and revelation. The believer who lacks spiritual sight cannot walk in divine truth, because transformation is dependent upon vision. Throughout scripture, spiritual blindness is synonymous with deception, ignorance, and

hardness of heart. When the eye is veiled, the soul is bound in darkness, and transformation is hindered.

The ears determine what the believer receives, and what is received governs what is believed. A hardened heart is often the result of dull spiritual hearing, wherein revelation is spoken but never internalized. If the gate of hearing is corrupted, faith becomes weak, and transformation is obstructed.

*"Make the heart of this people fat, and make their ears heavy, and shut their eyes; lest they see with their eyes, and hear with their ears, and understand with their heart, and convert, and be healed." **Isaiah 6:10***

The heart is the center of spiritual cognition and volition. It is in the heart that understanding occurs, and it is through understanding that true conversion begins to prevail. Without a heart that is postured for revelation, the believer remains spiritually unfruitful. The greatest spiritual

hindrance is not Satan, but a heart that resists transformation

*"But I have prayed for thee, that thy faith fail not: and when thou art converted, strengthen thy brethren." **Luke 22:32***

Jesus did not merely pray that Peter would have faith, He prayed that Peter would be converted, a word that implies a radical change of mind, perception, and spiritual posture. Many believers operate in faith, yet remain bound in cycles of limitation because their minds have not undergone transformation.

Therefore, spiritual transformation is impossible without the engagement of the mind. It is through the mind that the spirit finds expression, and it is through mind renewal that the believer ascends into higher realms of divine consciousness and authority.

THIS TRANSFORMATION INVOLVES SEVERAL KEY ELEMENTS:

1. RENEWING THE MIND: This is the conscious decision to align our thoughts with the truths of God's Word.

*"Finally, brethren, whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy—meditate on these things." **Philippians 4:8***

By meditating on God's Word, allowing Him to have full access, we begin to shift our mindset from earthly limitations to divine possibilities.

2. PRESENTING OUR BODIES:

*"Present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service." **Romans 12:1***

Our bodies are the temples of the Holy Spirit who dwells in immaculate holiness. How you treat your

body influences your spiritual state and capacity to operate in higher realms.

"What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's."1
Corinthians 6:19-20

3. ENGAGING IN SPIRITUAL PRACTICES: Active engagement in prayer, worship, both personal and corporate with other saints, and the study of the Scriptures facilitates a deeper connection with the Spirit. Ephesians 6:18 encourages us to

"pray always with all prayer and supplication in the Spirit."

These practices serve as gateways to experience the fullness of God's presence and empowerment into the realms of the spirit.

4. ACCESSING PERSONAL REVELATION: God desires to communicate with each of us personally. We have very unique paths and

identities. Even the hair on your heads are numbered, the design on your skin is peculiar to you. He wants to reveal truths that propel us into our individual divine destiny.

"If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him." James 1:5

Personal revelation is integral to our development and understanding of our multi-dimensional nature. You cannot use someone else's template to ascend into the realms of glory. You need your custom made flight.

UNDERSTANDING OUR ROLE AS SPIRIT CREATURES

1. DIVINE PURPOSE: As humans created in the image of God, we are called to participate in His divine plans.

"For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them." Ephesians 2:10

Our existence is purposeful, and our actions can either advance God's kingdom or allow darkness to infiltrate.

2. THE POWER OF CHOICE: Every decision we make carries spiritual weight. We must remain vigilant about the exchanges we engage in, as highlighted in Matthew 16:26

"For what will it profit a man if he gains the whole world, and loses his own soul?"

The choices we make can either lead us toward greater intimacy with God or further entrap us in the enemy's schemes.

3. GUARDING OUR SPIRITUAL INHERITANCE: We are stewards of our spiritual inheritance and must protect it fiercely.

"Looking carefully lest anyone fall short of the grace of God; lest any root of bitterness springing up cause trouble, and by this many become defiled." Hebrews 12:15

This vigilance is essential to maintain our position and authority in the spirit realm.

4. BEING A CLOSED DOOR TO DARKNESS: We are called to close the doors to sin and manipulation. As sons and daughters of God, we must declare our allegiance to Him and affirm that we will not be instruments in the hands of the enemy.

*"And do not present your members as instruments of unrighteousness to sin, but present yourselves to God as being alive from the dead, and your members as instruments of righteousness to God." **Romans 6:13***

The realm of the Spirit presents an expansive opportunity for every believer to engage with God to fulfill our divine purpose. We must recognize our multi-dimensional nature, confront the realities of the fallen state, pursue transformation, and step into our role as vessels of God's Spirit. Through these spiritual principles and navigations, we will ascend beyond our limitations, reclaiming the glory that God intended for us from the beginning.

CHAPTER SEVEN

THE THOUGHT GATE

The realm of the Spirit is a dimension that significantly influences our thoughts, actions, and ultimately, our future. Let us look into how spiritual forces interact with our minds, how our thoughts shape our destinies, and the role of spiritual warfare in trafficking this realm. Thoughts are not just fleeting ideas, they are the seeds that shape our reality. In the spiritual realm, thoughts have the power to influence our actions and create a blueprint for our future. In the spirit thoughts represent movement. Once you dwell on a thought, you are acting already.

*"For as he thinks in his heart, so is he." **Proverbs 23:7***

The scripture above confirms that our thoughts are a reflection of who we are and what we will become.

Thoughts, when conceived, carry energy that can project into the future, creating circumstances and influencing outcomes. If left unchecked, negative or ungodly thoughts can lead to actions and habits that were never intended. The Apostle Paul pointed to us in Romans 12:2

"be transformed by the renewing of your mind."

This renewal is necessary because the thoughts we entertain will either draw us closer to God's purpose or lead us astray.

MYSTERY OF CONCEPTION OF THOUGHTS

Conception in this context refers to the moment when a thought is accepted, nurtured, and allowed to grow into an action. Just like a seed planted in fertile soil, thoughts that are continually meditated upon will eventually manifest in the physical realm. When negative thoughts arise, you are given the authority to rebuke, curse, and

cancel them. The power of your tongue is key in spiritual warfare.

*"Death and life are in the power of the tongue." **Proverbs 18:21***

Therefore, what we speak over our thoughts and lives can either bring life or cause destruction.

When thoughts become overwhelming, it is essential to rebuke them firmly, hold your ground in the name of Jesus, using the Word of God as our sword.

*"And take the helmet of salvation, and the sword of the Spirit, which is the word of God." **Ephesians 6:17***

You are equipped with the authority to disrupt the enemy's plans by declaring God's truth over your life. Jesus, when tempted by the devil in the wilderness, used the power of scripture to resist every temptation

In the same way, we must use our words to defeat negative thoughts and maintain

alignment with God's will because spiritual warfare takes place every moment, it is the battle between the forces of darkness and light over our minds, hearts, and destinies. It is fought primarily through prayer, the Word of God, and the spoken word. The authority given to us in Christ empowers us to rebuke and cancel any spiritual attack aimed at derailing our purpose.

Armed with this revelation, you must understand that the future is built in the mind. What you think today will influence your choices, desires, and actions tomorrow.

"bring every thought into captivity to the obedience of Christ." 2 Corinthians 10:5

So you need to be intentional about your thoughts, ensuring they align with God's Word. Your thoughts are a transmitter of spiritual energy, capable of influencing not only your life but also the people around you. The atmosphere you

carry, whether godly or ungodly will impact those in your environment.

*"For to be carnally minded is death; but to be spiritually minded is life and peace." **Romans 8:6***

So to set the mind on the flesh is death, but to set the mind on the Spirit is life and peace. By choosing to focus on spiritual things, you create an atmosphere of life, peace, and blessing, not just for yourself, but for those around you.

SPIRITUAL ATMOSPHERES

A spiritual atmosphere refers to the invisible environment created by one's thoughts, emotions, and spiritual posture. It can either attract divine blessings or demonic influence, depending on what is cultivated in the heart and mind. In the spiritual realm, our minds act as conduits for either divine or demonic impulses. These impulses affect how our brain cells (neurons) transmit information, which in turn

influences our actions and character. Galatians 5:17 tells us,

"For the flesh desires what is contrary to the Spirit, and the Spirit what is contrary to the flesh."

There is a constant battle between the impulses of the flesh and those of the Spirit. To walk in victory, we must deactivate any negative or ungodly impulses that have taken root in our minds, and reactivate neurons that align with God's divine blueprint for our lives. This is done through meditating on scripture, prayer, and being intentional about the spiritual atmosphere we allow around us.

Philippians 4:8 instructs us to meditate on things that are true, noble, just, pure, lovely, and of good report, as this reactivates the spiritual neurons that keep us aligned with God's purpose.

NEURAL ACTIVATION IN THE SPIRIT

Neural activation in the spirit refers to the process by which our brain cells respond to spiritual stimuli. When we focus on God's Word and spiritual truths, we activate neurons that align with the divine will, whereas negative thoughts and worldly influences can deactivate these spiritual neurons, hindering our spiritual growth. This also applies to our close relationships and the people we open our lives to. Cut off from people who bring in the wrong atmosphere or drain your fervor.

The realm of the spirit is intricately tied to our thoughts, words, and actions. We are called to be vigilant about what we think, say, and do, for these things shape our future. By taking control of our thoughts, using the authority of the tongue, and ensuring our neurons are aligned with God's divine will, we can walk in victory and manifest the future God has designed for us. Operating

effectively in the realms of the spirit, we must be mindful of the spiritual atmosphere we carry, always striving to set our minds on things above.

*Set your affection on things above, not on things on the earth." **Colossians 3:2.***

You set your affection by fixing your undivided attention on things above.

CONCLUSION

The realm of the spirit is not an abstract concept, it is the ultimate reality that governs all things seen and unseen. It is the dimension where divine authority is established, where destinies are forged, and where spiritual battles determine the course of human affairs. To walk effectively in this realm, one must develop spiritual mastery, the ability to navigate its principles with precision, discernment, and divine wisdom.

Throughout this journey, we have uncovered the profound truth that thoughts are not passive; they are the seeds of destiny. Every thought entertained is a movement in the spirit, shaping atmospheres, influencing decisions, and setting the trajectory of one's life. The scripture declares:

Your mind is the control center of your spiritual life. The thoughts you permit will determine whether you align with divine will or fall prey to the

manipulations of darkness. The battle for dominion is first won in the mind, for the mind is the bridge between the physical and spiritual realms.

In the realm of the spirit, words are not merely sounds, they are legal instruments of enforcement. What you declare shapes your reality because the tongue carries the power of life and death. Every time you speak in alignment with God's Word, you activate divine decrees that establish His will upon the earth.

Jesus, the perfect example, defeated Satan in the wilderness not by physical strength but by the spoken Word. Each temptation was met with a firm declaration: "*It is written.*" This teaches us that the highest weapon of warfare is not just prayer, it is the rhema-based prayer. Without scripture, prayer is noise; but with scripture, prayer is a legal declaration that heaven and earth must respond to.

We are engaged in an unrelenting battle between the kingdom of God and the forces of darkness.

The spiritual atmosphere you cultivate determines the level of divine encounters you experience. A life saturated with prayer, worship, and the Word will attract angelic presence, revelations, and supernatural breakthroughs. However, an atmosphere contaminated by fear, negativity, or carnality will empower demonic interference.

You were not created to be a victim of spiritual forces, you were called to reign as a king and priest in the spirit . Dominion is not given to the passive, but to those who understand the laws of the spirit and walk in them with boldness.

You are not an ordinary person; you are a spirit-being called to govern the earth through God's wisdom and power. Step boldly into your spiritual inheritance, take command of your

thought life, wield the sword of the Spirit, and walk
in the undeniable victory of the realm of the spirit!

The Bondservant of Christ John is called by God as an Apostle of the Gospel of Sonship & Immortality, a watcher of realms of glorification and redemption of the human body. A custodian of the dimensions, realms of fire, transformation, and tele-transportation; outside body experiences, visions of heaven, and visions of Jesus.

He carries an electrical surge of Dynamo and glory... He is a custodian of the realms of holiness, fire, teleportation and ascension into the heavenly places. He carries a rare anointing for expounding the scriptures in high revelation as a teacher, providing deep and exceptional insight in the Gospel of Christ and Grace as well as unusual healings, miracles and deliverance.

The Lord has granted him access to this revelation for the preceding days of the emerging age of the sons of God. It is written that the earnest expectation of creation is waiting for the manifestation of the sons of God: Romans 8:19. God has instructed the Bondservant of Christ John Anosike to take the "Campaign Of Life" to the nations of the world! This is a vision and commission from God to lift the mantle and champion the move of The Apostolic mandate to reach all nations of the earth with the gospel of Life, Incorruption, Immortality (death impossible) and Sonship; the long-awaited redemption of creation!

It is a 'teaching campaign' on how NOT TO DIE physically, how to exit the earth through revelation and ascension: hence, recovering our true identity and position in Christ.
