INTRODUCTION

I write to you as the Bondservant of Christ, a steward of divine mysteries, and a herald of the realm of light. This is not just another book, it is a summon. A call to rise, to awaken, to step into the dimensions where light governs, where immortality is clothed in radiance, and where the mysteries of creation are unveiled. This is your moment.

Without light, nothing can exist. Nothing can be known. Nothing can be restored. From the beginning, light was the first utterance of creation "*Let there be light!*" for without it, the chaos of darkness would have swallowed existence. The supernatural workings of God, the blueprint of eternity, and the very fabric of life are all encoded in light. It is the medium through which all things are made manifest!

Do you hunger for the mysteries of God? Do you long to soar into realms where divine wisdom is

unlocked, where understanding is unveiled, and where the veil of darkness is permanently shattered? Then prepare your soul for transformation, for light demands surrender. It requires the death of ignorance, the burning away of corruption, and the renewal of the mind. It is a pilgrimage into the depths of God.

"For with You is the fountain of life; in Your light, we see light." Psalm 36:9

Light is more than a phenomenon; it is the essence of divinity, the breath of eternity, the substance of God Himself. To walk in light is to walk in the supernatural, to move beyond the limitations of the flesh and into the boundless realities of the Spirit. Those who dwell in darkness cannot comprehend the things of God, but those who embrace light become its carriers, immortal, incorruptible, unstoppable.

This is your invitation to ascend, to embrace the Light of Life, to break free from the grip of

deception, and to step boldly into the dimensions
where kings reign, where saints walk in dominion,
and where the mysteries of the ages are unveiled.

I invite you to abandon the shadows and step
into the brilliance of multi-dimensional
illumination? Let there be light!

Yours in the sacred vineyard

The Bondservant of Christ,

Ikechukwu John Anosike

CHAPTER ONE

GARMENT OF LIGHT

God is Light and in Him is no darkness at all.

"This then is the message which we have heard of him, and declare unto you, that God is light, and in him is no darkness at all." 1 John 1:5

"He revealeth the deep and secret things: he knoweth what is in the darkness, and the light dwelleth with him." Daniel 2:22

The journey into the spiritual dimensions is a call to interface and interact with the extraordinary.

Among these dimensions, is the realm of Light which stands as a gateway to divine encounters, a domain where the mysteries of God's purposes are unveiled, and the essence of His glory is imparted to his lovers.

This is the divine adorning, the glory that you are decked in to give you access into the divine light. We are entering into a season in the Spirit where

death will have no power over us. You cannot die because you have laid hold of and projected the light of God, the Spirit of immortality! This is the invasion of spirits, the invasion of abilities, the power of eternal light, Immortality is a spirit! Oh, hallelujah!

The Bible speaks of the gifts of the Spirit, which are responsible for the manifestation of the Spirit. The door to this realm is light. There are benefits, different levels of transformation, that we are about to step into, and these Spirits will manifest in us!

*"In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by Him, and without Him was not anything made that was made." **John 1:1-3***

Now, the most interesting part of this scripture is this:

*"In Him was life, and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not." **John 1:4-5***

The light shines in darkness! The Bible also says,

"For, behold, the darkness shall cover the earth, and gross darkness the people..." Isaiah 60:2

But in the midst of this coming judgment, this darkness upon the face of the earth, we shall be the light that shines!

They shall see us rise in the glory of Christ! They shall see us rise in incorruption! When others are dying, there will be a remnant that will not die. Oh! When others are decaying, there will be a people glowing with light! We are covered in the glory of God!

When we appear in the midst of thousands of unbelievers trapped in darkness, they shall look at us and see the garment of glory, the clothing of light! They shall say, "That man looks like light!"

Even family members and friends will say: "This is my uncle, he looks like my uncle, but he is immersed in light!"

This is literal, not figurative! Light will engulf your entire being. We shall be clothed in the glory of God in such a way that even the unbelievers will see us emitting light! We shall be glowing in the brightness of His presence!

"Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."

Matthew 5:16

The darkness coming upon the earth will be so gross that people will no longer see, but it is the brightness of your light that will cause men to see again, to hope again, to run into Christ!

"Let your light so shine that men may see!

"The god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them." 2

Corinthians 4:4

But thanks be unto God, for there is an intense brightness of light that shall come, and that light

will come through you as you interact and master the realms of light! Then shall men see again!

Satan controlled the men of this world because they were in darkness. He darkened their understanding, causing them to introduce laws and legislations that were against the laws of Zion. But hear me, sons of God, another season has come! A season when men shall see again!

When we shine forth the brightness of our God, because we have been clothed upon with intense glory, they shall see again!

Suddenly, the lawmakers in our nations shall say:

"No man shall marry a man again!" Men shall see again!

The ungodly laws shall be canceled because out of Zion shall come the law of God!

*"For out of Zion shall go forth the law, and the word of the Lord from Jerusalem." **Isaiah 2:3***

The gentiles shall come to the light! The gentiles shall come to YOUR light!

*"Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee." **Isaiah 60:1***

You shall be clothed in light! You shall be visibly enlightened!

Then shall the prophecy of Jesus be fulfilled:

*"Ye are the light of the world. A city that is set on an hill cannot be hid." **Matthew 5:14***

And all nations shall say:

*"Come, let us go up to the mountain of the Lord, to the house of the God of Jacob; and He will teach us of His ways, and we will walk in His paths." **Micah 4:2***

For out of Zion shall come the laws of God!

CHAPTER TWO

THE DIMENSION OF APPEARANCE

Let's briefly examine a phenomenon in the light realm called appearance.

Matthew 17:2-6 from The Passion Translation (TPT):

2 Then Jesus' appearance was dramatically altered. A radiant light as bright as the sun poured from his face, and his clothing became luminescent—dazzling like lightning.

3 Suddenly, Moses and Elijah appeared, and they spoke with Jesus.

4 Peter blurted out, "Lord, it's so wonderful that we are all here together! If you want, I'll construct three shrines: one for you, one for Moses, and one for Elijah."

5 But while Peter was still speaking, a radiant cloud composed of light spread over them, enveloping them all. And God's voice suddenly spoke from the cloud, saying, "This is my dearly loved Son, the constant focus of my delight. Listen to him!"

6 The three disciples were dazed and terrified by this phenomenon, and they fell facedown to the ground.

This is a profound, detailed, accurate account of an experience which the disciples had while observing the prayer life of the master.

The Bible says a radiant, luminescent, dazzling light as bright as the sun appeared, instantly Jesus, Peter, James and John were clothed in this intense light. Once that light came, that was the activation of the phenomenon called appearance. In that light Moses became visible, Elijah became visible. There was no transportation with a rocket. Let's perform a very simple exercise right now. I want you to close your eyes for a second, open it again, close your eyes for another second. What do you see when your eyes are closed - darkness. Looks like a dark screen. That is the veil. Do you know why you see darkness? Once you close your optical eyes, you are actually seeing a frequency. Remember your TV before you start tuning, it shows dark blurry spots.

You start tuning until you get to a frequency where there is a signal, or to a TV station. Do you know that once you close your eyes, you are supposed to see beyond. This is why it presents as darkness, as a black screen, that's the veil. The moment you say Father, you close your eyes in the name of Jesus, the visions of heaven should open, the visions of angels should open, and then you realize that beyond this physical dimension is another. There is no distance between the realms of visibility and the realms of invisibility. It's just a veil in between. It's just a shift of dimension. It is a sudden shift into the invisibility of these abstract dimensions. In Genesis God created heaven and the earth and their hosts. So there are creatures of heaven. Creatures of heaven are the hosts of heaven. Heaven is a dimension. Heaven is as real as this earth. Just as there are creatures of God on this earth, there are creatures in all dimensions. So why do we find it difficult to see beyond this veil? Do you know that those in hell could see those in Abraham's bosom. Dimensions are interwoven.

Dimensions are interlinked, but there is a tiny covering a tiny veil between the second court and the inner court. The bible says there is the outer court, a second court and the holy of holies. In between the holy of holies and the second court was a veil. When Jesus died on calvary, the veil was torn, and access was given to the third dimension of God. So the bible says that we can come boldly to the throne of grace. We can come boldly to that dimension of the spirit where angelic creatures dwell, where Elohims dwell, the congregation of Zion stand to worship God, where He sits on the throne, His hair is as white as wool. The eyes of fire, His face is glowing with glory. He's seated on the throne. Any man who beholds Jesus in that dimension will never be the same for the rest of his life. Hallelujah!! God says the veil is breaking up, the veil is broken. Do you know why people die? Because they still have this veil. You know why people die of cancers? They still have the veil. You know why people die poor? they have the veil. You know why demons torment

people? Because they still have the veil. The moment that veil is lifted, Satan will never again capture you in his radar. You become incorruptible, invisible to Satan, invisible to the works of darkness. I pray that your eyes may open and be flooded with light. As I was praying, I said Lord what is this veil? What happens when this veil is lifted? the Lord told me - very powerful revelation, He said "appearance is what destroys the veil" the Lord says that appearance is not just the act of invisible creatures showing up to mankind, the Lord said that appearance is a dimension. God said appearance is not just an act. This is a dimension of the spirit. It is a bridge between the invisible realms and the visible. It is a connection that makes the two dimensions merge.

This is what the bible refers to when it says that when Christ who is our life shall appear, we shall also appear with him in glory. *Colossians 3:4*

[4] When Christ, who is our life, shall appear, then shall ye also appear with him in glory.

The Lord told me that the dimension of appearance is what removes the veil. You may not know that even some people are invisible to angels. Just as some creatures are invisible to us, we are also invisible to many creatures. For instance, if mankind has succeeded in traveling to other planets, do you not know that other creatures would also gain access to our planet. An astronaut takes a flight, the rocket travels through the galaxies, and lands on a particular planet. They take pictures and report what their optical eyes observe on the planet. Are you aware that each planet has creatures that live in them. By design those creatures in these planets can't see those humans, and the humans in that planet cannot see the creatures either. This is because there is a veil. Man is not capacitated to see all the creatures of another glory. What bridges the veil ? What bridges that invisibility is

appearance. So there is a dimension in the heavenly realms that is called appearance. It is called the manifestation. The dimension of manifestation. Once that door is opened, everything in that dimension or in both dimensions will become visible and they can interact. God has released that appearance. That dimension is about to descend. It is going to be in between the heavenly realms and the natural realm. Then the things in the heavens will become visible. Those that are in this earthly dimension will become visible to creatures beyond here, then we are able to interact with creatures that are supposed to be under us. For us this dimension is light, what you see is divine light. Nobody intercepts the visible dimensions to travel into the invisible dimension without encountering light. Paul prayed that the God of our Lord Jesus Christ will give unto you the spirit of wisdom and revelation in the knowledge of him that the eyes of your understanding would be flooded with light. When that light comes, it is called appearance. When that light covers a

man, that man is able to be in the visible realm but interacting with creatures beyond here, and also accessing dimensions beyond here. Jesus took Peter, James and John to a certain mountain pray.

That mountain is called the mount of transfiguration, not because that mountain is responsible for transfiguration, no it's not. It is because something happened there as we see in the account of Matthew.

"And after six days Jesus taketh Peter, James, and John his brother, and bringeth them up into an high mountain apart,

*And was transfigured before them: and his face did shine as the sun, and his raiment was white as the light." **Matthew 17:1-2***

What exactly happened? The veil was lifted in that light. The moment your eyes are closed you see darkness but invariably you are there even when your eyes open. You'll be amazed that even though your natural eyes open, you are still

in that vision. It doesn't disappear, because you are captured in that realm. It's called the appearance, the dimension of light. So the invisible realm became visible when the light of the glory of God covered that vicinity. Everybody under that light had access into the realms beyond here. The veil is broken with light. Once light shoots, the invisible realms and the visible merge for the moment. It will merge for as long as the light remains. As long as the dimension of appearance is there. Please don't think that appearance is when light just appears. No it's a law of the spirit. It is a dimension that must be cultivated. You must pray to the point where you enter the realm of appearance to merge the invisible with the visible. You must cross the bridge because our blessings are in the heavenly realms. Our Father is in heaven, you are seated in heaven. You have the keys of heaven. Everything that God has ever given you is established in the heavens. Therefore we ought to be traveling to heaven on a daily basis. We must be merging these

dimensions. That's why you talk about power yet you have no power. You preach about glory yet you don't see glory. You pray for healing yet healing doesn't come. Listen healing has been released long ago. God is not about to heal any man. Wake up!! The transportation, the transporter of all of God's promises, all that God has finished and given to you is found under the law of appearance. Once that dream emerges, healing is there, life is there, the voice of God is there, clarity is there. You start interacting with custodians of certain blessings of God in your life. Jesus is real. Jesus wants to manifest Himself to His people. Jesus is not in the books of the bible. Jesus wants to remove the veil. He came to Saul on his way to Damascus and struck him with light.

"And as he journeyed, he came near Damascus: and suddenly there shined round about him a light from heaven:

And he fell to the earth, and heard a voice saying unto him, Saul, Saul, why persecutest thou me?" Acts 9:3-4

Anywhere there is a supernatural appearance, there is light, because light is that appearance. Light is the bridge. It is the link. Light merged these two dimensions together and a voice sounded from the dimension of heaven. He said Saul, why do ye persecute me. Sir it wasn't the bible that spoke to Saul. All I'm trying to do is to remove this veil you call faith. People are told to have faith, believe in your heart with no divine experience. No more!! The hour has come, God said it is time to see me. I am your father. I am real. I am tangible. You can see me. I'm bringing the light of appearances because the change happens when we see him. We change, we transform, we become incorruptibles. we become immortals when we behold the visibility. We increase in spiritual ranks when we capture certain depths in the realms. When we elevate into that encounter something is captured in the realms and we are changed forever. One million sermons cannot accomplish the permanent change a short divine

encounter effects. The audacity of light is that it completely destroys darkness.

CHAPTER THREE

LIGHT: THE ESSENCE OF LIFE

*“In Him was life, and the life was the light of men” **John 1:4***

Life in its purest form is inseparable from light. Light is not merely a physical phenomenon, it is the manifestation of divine essence. The supernatural life of God flows through light, illuminating our understanding and leading us into His eternal purposes. Without light, humanity remains trapped in darkness, unable to access the divine truths that transform lives.

*“For with You is the fountain of life; in Your light, we see light” **Psalms 36:9**.*

So light is the medium through which divine realities are discerned. To truly live, we must step into the realm of light, for it is in light that wisdom, understanding, and the treasures of God's kingdom are unlocked.

The Spiritual Necessity of Light

Light is a prerequisite for spiritual growth, natural innovations and inventions. It is the creative force that God used to call the universe into being.

“And God said, ‘Let there be light,’ and there was light”
Genesis 1:3.

This first act of creation was the activation of divine order and purpose and it was executed in the environment of light.

In the same way, for the ruins of our lives and the pain in our world to be repaired, we must access the light of God. Isaiah proclaims,

“Arise, shine, for your light has come, and the glory of the Lord has risen upon you” **Isaiah 60:1.**

The glory of God is piloted by His light, when we lay hold of His light, we possess the capacity to rebuild, restore, and renew.

King David speaks of the power of light, saying,

*“The entrance of Your word gives light; it gives understanding to the simple” **Psalm 119:130.***

This shows that the Word of God is the carrier of His light, designed to dispel delusions, destroy pride, and crush deceptions that cloud the human soul.

When we step into the realm of light, we are transported into the dimensions where the truths of God are established. This is a place of ascension and divine encounters, where we are taught by heavenly creatures and molded by the eternal purposes of God. To ascend into this light is to journey into the heart of God Himself. It is here that we are equipped to become custodians of His mysteries, stewards of His glory, and carriers of His plans for generations.

Light is a mantle, a garment of divine empowerment. Paul writes,

*“Put on the armor of light” **Romans 13:12.***

This light is our clothing of immortality, a shield against corruption, and a uniform of sons of God that makes you recognised and obeyed in other realms.

To enjoy the benefits of light, and soar unhindered into and within the light realm, you will be required to submit to the transformation of your soul.

“Beloved, now we are children of God; and it has not yet been revealed what we shall be, but we know that when He is revealed, we shall be like Him” **1 John 3:2**

This transformation begins with the redemption of the soul, as the light of God's Word gains dominion over our thoughts, emotions, and desires.

Before we can shine, we must absorb the light. Jesus said,

“The eye is the lamp of the body. If your eye is healthy, your whole body will be full of light” **Matthew 6:22**

A healthy spiritual eye, one that is focused on God's Word is the key to receiving and radiating His light.

This process of transformation involves surrendering the old self, dying to corruption, and embracing the new consciousness in Christ. As Paul declares,

“Put off your old self, which belongs to your former manner of life and is corrupt through deceitful desires, and be renewed in the spirit of your minds” **Ephesians 4:22-23**

The realm of light is not a place of passive existence but a call to active service where we are commissioned to take territories, manifest priesthood, and exercise kingship. In the realm of light, you quit the attitude of escaping spiritual responsibility because it's a place of dominion.

“You are the light of the world” **Matthew 5:14**

You are a light both an identity and a mandate.

So we must illuminate the darkness around us, bringing hope, healing, and restoration to the ruins

of our world, broken systems, shattered lives, and spiritual barrenness. The same way lights are required in the physical world (the sun, the moon, the star) to see and move, in the realms, the sun of righteousness provides illumination to navigate through dimensions of interaction. We move by varying degrees of light.

CHAPTER FOUR

THE SOURCE OF LIGHT

The primary source of light is when the revealed, energized, living, active word of God permeates the strongholds of a man. It penetrates the very core of our being into our spirit, soul, bones and marrow. The entrance of His word produces or emits light. Without God's word, man is lost.

Without the word of the Lord, man is lost in darkness, where the word of God has not yet prevailed, darkness has some level of authority and control. It is one thing to hear the word of the Lord and another thing to receive that word as the authority over your life.

It is not enough to hear it, we can be excited about it, we can preach it and not practice it. We can sit there as the audience and hear revelation and feel good about it. It means that when the word is not practiced and put to work, it becomes

a form of religion that has been trapped and nullified and caused to be non-effective.

*"Making the word of God of none effect through your tradition, which ye have delivered: and many such like things do ye." **Mark 7:13***

The word of God is powerful. The word of God is productive. The word of God is filled with the potencies of God. The word of God is vibrant. The word of God heals, the word delivers but the problem is that men who hear this word do not have genuine fellowship, submission to the word. It is the entrance of this word, the access the Word gains that gives light. Where are the rooms that require the entrance of His word in your life.

If the entrance of His word gives light, the question is to where? This means the entire human consciousness is gated. There are doors to diverse aspects of human consciousness. I'm referring to your spirit, your soul, the faculties of the mind, the will power, your emotions, your intellect, even your

body, your conducts, the thoughts of your heart, the intentions of your mind.

When a man comes under the dominion of God's word, light penetrates every aspect of that man. We live in a very critical moment. What do I mean critical? the entire human race in the spirit, is in ICU. Every country of the world, all the humans on this planet are in an Intensive care unit (ICU). Men have lost it. The world is under pressure.

The beast is rising. Satan has gained enormous control over the governments of the world. Those in power are controlled by invisible forces. The world is about to go into a very, very chaotic process. This is aimed at causing many to lose their faith. Our faith will be tested in these last days. The only way you have comfort and material success will be when you compromise your faith. To compromise is the only way in this dispensation of darkness. If you want to keep your faith, then you will suffer.

This is something many don't want to hear. This is to prepare you for what is coming. Do not compromise. Do not take the mark of the beast for just a temporary comfort. Stand upright. Stand firmly on righteousness until this hour of darkness passes. It will not last for very long.

Don't be confused. Those that will be shaken away are those who were not actually rooted in Christ. I want you to know that there have been ministers, preachers, church folks, people all over the world that have identified with Jesus, but they were never rooted in Christ. Pressure came and they lost their faith. They've been perfected in hypocrisy, in manipulations and lies. They are the vipers amongst the congregation of God. This is an instruction from the Lord.

There is a wave of sleep going around the churches. The moment the word of God is being preached, people start sleeping. All over the world, it's a spiritual wave. Don't compromise. Be

strong. Raise firmly the banner of righteousness in these last days. Compromise is cheap? Integrity is expensive. So choose, it's all up to you. Integrity is not a function of words or confession. Integrity is a way of life. Integrity is a choice, a decision to uphold the ways of the Lord, a decision to walk in light. And that's the only way we will overcome the darkness of the hour.

Realms are real. I'm not sure why the body of Christ has such a limited revelation on realms. Yet ninety five percent of what manipulates, influences, controls our entire life incidents, cravings, are in the realms. Every demonic creature, every satanic power, every governmental entity subject to the devil is after mankind. You know why? Because man is created to inhabit or to house God. So that's how big and powerful mankind is. We are the temple of God. We are the habitation of God. We are the dwelling place of God and we are the heaven of

God. God wants to tabernacle in us finally, God in His fullness, will come to live inside us.

As the Body of Christ, we carry within us the very presence of God, the Light of the world. Christ is our Head, and we, His Body, are made to house His fullness. Colossians 1:27 says,

“Christ in you, the hope of glory.”

This means we, in our entirety, are vessels of His Light, and this Light is the essence of our being. Every being in existence, be it principalities, powers, rulers, and dominions seek to understand and contend with the Light that is within humanity. It is no longer darkness that governs us but the Light of God's truth, presence, and authority.

When God wants to transform a generation, He sends Light. When Jesus came to the earth, He did not simply announce Himself as the Son of God, but as the *Light of the World*. Why? Because the world was shrouded in darkness. God's light,

however, is about to break forth in these last days. An outpouring of intense Light is coming upon the earth.

When this Light touches you, it *engulfs* you. It penetrates your heart, reaches every part of your being, and transforms your very nature. This Light *heals, delivers, restores, and prepares* you for greater works. The entrance of His Word gives Light, and where there is Light, darkness must flee.

*The Lord is my light and my salvation. **Psalm 27:1***

If something is not working in your life, do not fight it, rather seek the corresponding light on the matter. Light overcomes ignorance. Light overcomes the darkness of every circumstance.

God is Light. He is Life. He is the source of all things, and everything He created is upheld by the power of His Word. He has called us to walk as children of Light, to carry His Light into the world, to transform every area of life with the brilliance of

His presence. This is the calling of the Body of Christ, to bear the Light that dispels every shadow, every form of darkness that seeks to overtake the world.

In the end, Light will always prevail. And as we live in His Light, we become vessels through which His glory, power, and righteousness are revealed. The Light will not only guide us but also protect us, heal us, and elevate us into realms of divine purpose and destiny.

In these last days, the earth is destined to be *filled with the knowledge of His glory, as the waters cover the sea.*
Habakkuk 2:14

This prophecy speaks of a profound, revelatory *light* that will flood the world. It is a light that dispels the shadows and unveils the deep mysteries of God's will, beckoning His people to walk in the brilliance of His divine understanding.

As we witness a rapid expansion of knowledge be it technological, biological, and even demonic in nature, we must recognize that this is not merely the rise of secular enlightenment and advancement. The true increase, the real revolution, is in the *knowledge of His glory*. There is an unprecedented illumination being released upon the earth, a light that transcends human intellect, revealing the heart of the Father and the glory of His Kingdom.

*"He revealeth the deep and secret things: he knoweth what is in the darkness, and the light dwelleth with him." **Daniel 2:22***

This light of revelation is more than just academic or scientific advancement. It is the very *glory* of God breaking forth into the darkness of this world.

As we are surrounded by the light of His glory, we must also be cautious of counterfeit lights. Not all that glitters is from the Father. The enemy knows

how to manipulate light, just as he masquerades as an *angel of light*.

"And no marvel; for Satan himself is transformed into an angel of light." 2 Corinthians 11:14

Some light is laced with darkness, intended to deceive and mislead.

There are two kinds of darkness, just as there are two kinds of light:

1. **The Darkness that Holds the Treasures of God:**

This is the divine obscurity that contains mysteries meant to be revealed in due time. It is not the absence of light but a different *dimension* of light, one that is concealed yet filled with potential revelation. In this darkness, God prepares His chosen vessels for the unveiling of His glory.

2. **The Darkness of Judgment and Destruction:**

This is the realm where the prince of darkness operates, using light to deceive and destroy. This light masquerades as truth, yet it brings death. Satan uses this form of light to lead souls into bondage, manipulating perceptions and twisting the truth.

We must be vigilant in the realms of light, for not everything that shines comes from God. Apostle Paul admonishes, *test every spirit*. We are to test the authenticity of any spirit that claims to bring light. If it does not confess Jesus Christ as the Son of God, it is not of God. The *true light* always points to Jesus Christ, the embodiment of all divine revelation.

Throughout the Scriptures, the people of God were constantly in communion with spirits, discerning their nature and responding accordingly. The early Church was a living testimony to this, with apostles like Peter and Paul interacting with angelic beings, witnessing

supernatural manifestations, and walking in the realms of light. However, in our modern world, many believers are spiritually blind, incapable of seeing or discerning the spirit realms. The church of the 21st century has grown dull in its sensitivity to the supernatural. Yet, God is calling us to awaken our spiritual senses, to break free from the veil that has obscured our vision, and to once again walk in the realms of *light*.

When Christ died, the veil that conceals the light realm was torn, giving us direct access to the Father. The moment Jesus breathed His last, the veil of the temple was torn from top to bottom, symbolizing that the barrier between humanity and the divine had been removed. Now, through Christ, we can boldly step into the blazing light of God's presence, hear His voice, and see His face.

In the Old and New Testaments alike, the patriarchs of faith were marked by their ability to hear God's voice and see visions clearly.

Abraham, for example, was not merely a follower of doctrine, he was a man who heard *audible* commands from God. He did not rely on written scriptures alone, he was tuned into the voice of God that spoke to him directly. His journey began with a divine *light*, a revelation that led him to leave his homeland and follow God's will. This is the kind of direct revelation that God desires for each of His children. It is time for the Church to return to this place of direct communion with God, where we can hear His voice and move in the light of His wisdom.

There are many vehicles and platforms through which God communicates, such as different types of visions, dreams, and trances. These are the multiple channels of *lights* where God's voice is heard and His will is made known.

As we witness the rise of false prophets, counterfeits, and deceptive spirits, it is crucial to remember that the true light of God shines

brighter than any illusion. The earth will be filled with the knowledge of God's glory, just as the waters cover the sea. We are entering a time where only those who walk in the *light* of God's glory will be able to pierce through the storm of darkness that is sweeping across the earth.

Chickens may cower beneath the storm, but the *eagles* will soar above it. We are not called to live in fear or to shrink back from the darkness. We are called to rise, to spread our wings in the light of God's glory, and to declare, *"The storm has begun, but we are more than conquerors in Christ!"*

In the natural world, a chicken is defined by its environment, limited by its small mindset and diet. But an eagle soars above all limitations, seeking nourishment from the vast expanse of the heavens. We are shaped by the light we consume. Choose to feast on the *light* of revelation, not on the scraps of earthly knowledge. The knowledge of His glory is the food

that sustains us, elevates us, and empowers us to manifest the fullness of His Kingdom in all realms and dimensions

The storm is upon us, but we have been equipped to overcome it. We are the eagles, the lions, the sons and daughters of light. Our time to roar has come. The darkness may rage, but we will rise in the power of the light of His glory.

*"They shall not hurt nor destroy in all my holy mountain: for the earth shall be full of the knowledge of the Lord, as the waters cover the sea." **Isaiah 11:9***

This is the *revelation of light* that will flood the earth in the last days. A revelation that will pierce the darkness, unveil the mysteries of God's Kingdom, and usher in His glorious reign across all dimensions.

We are not waiting for the light to come. We are the light. We are the revelation. And we will fill the earth with the knowledge of the glory of the Lord.

CHAPTER FIVE

THE FLOOD OF LIGHT

Perhaps you haven't heard it fully, but the realms of light are calling. The profound light that fills the heavens and spills over into the earth. Imagine a world where the heavens are truly filled with light. In this light, the earth, too, shall become a reflection of heavenly reality.

When darkness covers the earth and deep darkness the people, the light of God's glory will shine upon you. The power of that light is what gives us victory over darkness. Darkness will try to thrive, it will rise, but you must look up, look to the hills, for that's where the light resides. You will experience the divine radiance of God's presence all around you, the power, the transport, the capacity to rise above the darkness.

When you behold the glory of the Lord, when you step into His light, you are standing in the power that will one day overcome the forces of the antichrist. The light of God is the very substance that will fight darkness.

Now, what does it mean when we say the earth will be filled with the knowledge of the glory of the Lord? It is not some abstract concept. The earth itself, yes the very ground beneath your feet will radiate with knowledge, as the waters cover the sea. The glory of God's presence will saturate the earth, revealing deep truths and mysteries. It means that the revelation of God's glory will permeate every aspect of life, every corner of the world, until it can no longer be contained. Just as water covers the sea in every direction, so will the knowledge of His glory fill every heart, every mind, every soul. There will be no area untouched by the radiant power of God's truth.

How do we know when this prophecy has begun to manifest? What is the sign? The reality of this prophecy will be seen when we see the manifestation of light. Light that illuminates the understanding, light that shines through the darkness. We must look to the word, because spiritual things are discerned through spiritual means. You will know when the manifestation of this light begins, because it will awaken the understanding of not just a few, but of the entire earth.

Do you remember the story of Moses when he asked God, "Show me Your glory"? He wanted to behold the full splendor of God's face. But God said,

"I will make all my goodness pass before thee, and I will proclaim the name of the Lord before thee; and will be gracious to whom I will be gracious, and will shew mercy on whom I will shew mercy. And he said, Thou canst not see my face: for there shall no man see me, and live. And the Lord said, Behold, there is a place by me, and thou shalt stand upon a rock: and it shall come to pass, while my glory

passeth by, that I will put thee in a clift of the rock, and will cover thee with my hand while I pass by: and I will take away mine hand, and thou shalt see my back parts: but my face shall not be seen." Exodus 33:19-23

Moses stood on the rock, and as God passed by, His light was so powerful that it transformed Moses. As God's glory passed by, Moses was transported into the realms of the spirit. He was able to behold the foundation of creation, seeing things hidden from the natural eye. This is the power of light in the realms. Through the spirit of revelation, Moses was able to step into the past, into the very beginning of time, to witness creation itself. Light is a transporter. What your airplane, train, cars are in the physical is what light is in the realms. No light means no migration, no light is stagnation, it means outdatedness. Light is the forerunner of progress and renewal.

The light of God revealed to Moses the depths of creation, the earth, the heavens, the wind (Ruach), and the voice of God calling forth life.

This is the kind of revelation that transforms. This is the kind of light that brings knowledge that transcends time and space.

The days are coming when you will step into the same realms that Moses entered. The spirit of revelation will be poured out, and you will see the pure state of God's creation. You will receive knowledge, not through the limitations of the natural world, but through the very essence of light itself.

*"But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him." **1 Corinthians 2:9***

These things, however, are being revealed in these last days through the spirit of revelation.

It is time for the body of Christ to rise above titles, to lose the constraints of religion, and enter into the realms of light. The time has come for the manifestation of the sons of God, those who walk

in the light, those who carry the radiance of God's glory.

LIFT YOUR HANDS UP

God is releasing the spirit of revelation upon you at this very moment. Prepare yourself for the light that will flood your heart and mind. You will discover the depths of God's purpose for your life.

This is the prayer of Paul in Ephesians:

"That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him." Ephesians 1:17

It is not enough to simply read the letters. There is more. There is a deeper revelation, a light that shines beyond the pages of scripture. You must receive the spirit of revelation to truly know Him.

As you enter this realm of light, let your heart be open, because you are stepping into a new dimension, a dimension where the glory of the

Lord will fill the earth, and His light will shine forevermore.

Remember, revelation operates on the same wavelength as divine light. It was through this supernatural illumination that the Apostle Paul transitioned into the profound knowledge of Jesus Christ. He testified, saying,

*“How that by revelation he made known unto me the mystery.” **Ephesians 3:3***

Revelation is not the reception of information, it is the unveiling of divine mysteries through the very light of God Himself.

Consider Paul's encounter on the road to Damascus. The Word declares,

*“And as he journeyed, he came near Damascus: and suddenly there shined round about him a light from heaven: And he fell to the earth, and heard a voice saying unto him, Saul, Saul, why persecutest thou me?” **Acts 9:3-4.***

It was this light, this divine illumination that utterly changed the course of Paul's life. In that instant, the one who had been a zealous persecutor of the church was arrested by the brilliance of heaven's glory. Note, that this light came from a realm and permeated to the natural, it was a gateway to a new chapter of divine purpose. Is it not curious that Paul was not alone yet the realm did not allow those people to experience the light?

Without light, there is no new chapter of glory for the body of Christ. Imagine all that Paul represents to the Church, the Apostle to the Gentiles, the writer of profound epistles, the patriarch of faith whose teachings form the foundation of our understanding of grace and redemption. It took the light of God to transform him from a man bent on destruction, to a pillar of the faith. Without that encounter, the Church would have been deprived of much of the revelation that now shapes its destiny.

Revelation is birthed in light, and without it, the body of Christ cannot ascend into greater realms of glory. Light not only reveals but transforms; it realigns destinies and brings forth the fullness of God's plan.

Paul, a vessel through which deep divine encounters flowed, spoke often of *realms*. These realms were portals of light, teleportations into deeper understandings and mysteries that mankind cannot fathom without divine illumination. Paul understood the realms of the spirit, the very realms that Jesus revealed during His time on earth. Through divine *teleportation* in the spirit, Paul ascended, and in these dimensions, *deep things of God* were unveiled. As we begin to press into these realms, let us be reminded that the same power that raised Jesus from the dead also opens *realms of light* for us today. *Light* is the key to divine teleportation; it moves us from the physical to the supernatural.

In our present moment, as we utter the tongues of the spirit, *realms open*. Encounters unfold as we declare the truth of God. The sound of our voices in prayer, the movement of our tongues, causes the *light* to break forth, and we ascend into the very heart of the Father's glory. *Realms are opening*. The *light* of God is calling us higher. Hallelujah! Sons and daughters of the Most High, the *light* is breaking through.

In these last days, as the earth is preparing to be filled with the *knowledge of His glory*, *light* will be the medium by which this glory is revealed. The *glory* that Moses sought to see was, in essence, *light*, a radiant manifestation of God's presence that reveals the very foundations of creation.

God is about to reveal to us the *hidden things*, things that have been locked away in the *darkness* of time, accessible only through the divine illumination of *light*. In this season, as we walk in the realms of light, we will *mount on wings*

of *revelation*. We will begin to see what has been hidden from the eyes of men. Our perception of reality will shift. As God unveils the truth about creation, the body, and even nutrition, unlocking *the hidden secrets* of food that can regenerate the body, heal the soul, and restore our very essence. The *light* of God will reveal *truth* to us in all its forms.

Fear not what man can do, for we, the sons of God, are walking in greater *light*. The *darkness* that seeks to obscure us is nothing compared to the radiance of *light* that we carry. As we ascend, we enter dimensions where the *deep things* of God reside. In these realms, we will *become* what we see.

"But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord." 2 Corinthians 3:18

This is a divine law: "We become what we behold." As we behold the *light*, we are transformed into

the image of the *light*. If we cannot see *it*, we cannot become *it*. If we cannot see *it*, we cannot prophesy it. If we cannot see *it*, we cannot act upon it. These *realms* are now opening, and it is easy to ascend into them because God is advancing *revelatory knowledge*. Do not be left behind. Do not cheat yourself out of the glory that God is pouring out in this season.

The *light* is calling. Your sons and daughters will hear the Word directly, and they will prophesy the true *light* of God. Your young men shall see visions of *light* and will become what they have seen. This is the prophecy of now—the *realms of light* are calling. Are you among the remnants? If you are, *light* has come, and access to the treasures of darkness has been granted.

As it is written

“And I will give thee the treasures of darkness, and hidden riches of secret places, that thou mayest know that I, the Lord, which call thee by thy name, am the God of Israel.”

Isaiah 45:3

The time has come for us to possess the hidden *light* of God and the treasures that have been locked away in the darkness. *Light* is our inheritance.

God is about to release deep revelations that will transcend our understanding. This is only the beginning. We are stepping into a season where the realms of light will unfold like never before. God is unlocking divine mysteries about the universe, creation, and even our own beings, and we will be empowered to walk in them.

Whatever does not work, malfunctions because the *light* has not illuminated its proper way. *Light* is the foundation of all creation, and it is the key to dominion. Those who walk in the *light* of understanding will have dominion over the created world.

Creation itself was birthed from *light*. Genesis did not reveal the full scope of creation but rather the restoration of what was already in the divine plan.

The first creation was perfect, harmonious, and illuminated by divine *light*. What Moses saw in Genesis was not the first creation but a restoration that began when the *light* of God began to shine in the darkness. The pre-Adamic world, the age before creation, is hidden in the mysteries of God. But in the *light*, the glory of God will be revealed, and those who walk in it will uncover these deep mysteries.

The *light* reveals creation's mysteries, sustains God's work, and holds the key to the restoration of all things. Without *light*, there is no understanding. Without *light*, there is no creation. Without *light*, there is no restoration. Light is the medium through which all things are made manifest.

God is calling us to step into these realms of *light* and uncover the secrets He has hidden in His glory. These are the treasures that will unlock the glory of God on earth. The *light* is here, and those

who walk in it will behold the fullness of God's glory and bring forth the fullness of His creation.

PRAY IN THE HOLY GHOST

You can invest a few minutes right now, just five minutes, five minutes to pray in the Holy Ghost.

CHAPTER SIX

MIGRATING INTO THE REALM OF LIGHT

Your physical body is a form of glory, yet, it is a fading glory. Once you enter this world in the fallen Adamic nature, you step into a realm governed by mortality. In this state, you are not an authority over the earth. Instead, the earth's forces, the powers of darkness oppress, manipulate, and subject you to their rule. But there is a realm, a superior glory, that calls to you, a realm of light by which you can ascend into a higher dimension of being. This is a call to rise into a glory that empowers you to awaken to the dominion you were originally intended to wield.

When you step into this superior realm of light, the earth begins to recognize you. It knows you no longer as a mere mortal, bound by the chains of the first Adam, but as a bearer of a higher light, a light that subdues the earth beneath your feet.

Through the ministry of fire, the glory of light transmutes your mortal body into one of immortality, a body that is no longer subject to the chains of mortality but instead rules over them.

As long as we remain in the Adamic, mortal realm, our souls remain captive, enslaved in the prison of mortality. To break free, we must be clothed in incorruption and bathe in the garment of immortality. God created all things with a glory meant to protect and empower it in its realm. Yet, for many, that glory is dormant, hidden in the shadow of the first Adam.

You are not merely in the earth, but in Adam. You are not yet in your rightful dominion. There is a place, a realm, where the light of God illuminates your being and you become a ruler over the earth. The moment you step out of the realm of Adam and into the light of glory, something shifts within the spirit, and the earth is transformed in your presence. The power of light displaces the

dominion of darkness, and in this light, you are immortalized.

To leave the realm of Adam is not by simple act of confession, but it is a spiritual migration, an elevation of being. This is why it is written,

“Behold, all things have become new.” 2 Corinthians 5:17

The moment you behold the glory of God, you begin to move from glory to glory. Each step in this ascent reveals new realms, new dimensions of light that empower you to rule over all things. Outside of glory, you remain a captive of mortality, but when you begin to behold the glory of God, you are transported into the very light that gives you dominion.

The path out of your struggles, your captivity, lies in beholding the superior glory, the light that shines brighter than any darkness. This is the transitory move in the spirit, a journey that begins with the beholding of glory and ends in the fullness of

immortality. But to access this light, you must first pass through the chambers of fire. Consider Elijah, who was caught up by fire, separated from mortality by the consuming flames of glory. Fire is the demarcation between the mortal and the immortal, between the flesh and the spirit.

The separation has come, and just as Elijah was taken by fire, so too will you be separated from the realm of Adam by the fire of God's glory. This is the mystery of the gospel of sonship, this is the fire that unlocks the power of immortality. Through fire, we transcend the limitations of the first Adam and are transported into the realms of light. It is only by passing through this fire that we can fully access the light that empowers us to rule.

POWERS OF LIGHT

When we speak of power, we speak of light. Power is light, and light is power. Light is the very substance that governs the realms and dimensions of the spirit. Every realm, every

dimension, has a light that rules over it. The creatures that inhabit these realms are subject to the light that governs them. Nothing in creation exists without a power, a light that gives it purpose and function.

There are powers over all things. Power over nations, over the seas, over matter, over time and space, over the human mind and body. This is the power that transcends the power of darkness. Darkness, in all its forms, is ruled by a power that seeks to destroy, to manipulate, and to control. But the power of light, when it is fully embraced, brings dominion over all things, including the powers of darkness.

When we speak of light, we are referring to powers such as the power over nations, over sickness, over confusion, over the human soul, and over death itself. The power of light is greater than the power of darkness, and it is through the power of light that we can break free from the dominion

of death. Jesus, in His death, destroyed the power of death by releasing the greater power of life, the light that overcomes the darkness.

Death itself is powered by a certain spirit, but that spirit can only operate as long as the light of life is absent. Darkness does not have power in and of itself; it is merely the absence of light. And so, when we come into the fullness of the light of God, we gain dominion over the very powers of death and darkness that seek to rule over creation.

We do not fight against darkness itself, but against the powers that control it. When we step into the light, we take authority over the powers that govern the darkness. Darkness has no authority except what it derives from the powers that manipulate it. By ruling over the powers of darkness, we stop their influence in our lives and in our communities.

"Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son."

Colossians 1:13

As we walk in the light, we also understand that light is not limited to the physical realm. Light is power, and it rules over every aspect of creation. The atmosphere around you is charged with spiritual forces, forces that either align with the light of God or are governed by the powers of darkness. To exercise dominion, you must first learn to rule the atmosphere. In the atmosphere, you will find the keys to your freedom.

When the light of God's glory shines over you, it begins to purify and cleanse the atmosphere around you, breaking the chains of darkness that bind you. The moment you take authority over the atmosphere, you begin to see changes in your life. This is the power of light, the power to rule over creation, to rule over the forces of darkness, and to bring about a shift in the spiritual realms that will manifest in the physical.

In this season, let us fix our eyes upon the light of God's glory. Let us behold the light that calls us out of the realms of Adam and into the fullness of our inheritance. It is in this light, we are empowered to rule and reign with Christ in immortality, standing above the powers of darkness and shining as the rulers of all creation.

CHAPTER SEVEN

AWAKE TO THE REALMS OF LIGHT

Light is the first declaration of God's creative order. *"Let there be light"* Genesis 1:3 Darkness operates in hidden spaces, manipulating the lightless realms against humanity. Satanic forces understand the mysteries of the galaxies and the atmospheres. They corrupt the wavelengths of light, twisting its purpose to influence emotions, derail marriages, shatter expectations, and obscure destinies. Yet, there remains a greater truth:

"In Him was life, and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not" John 1:4-5.

The enemy operates in the shadows, but shadows are powerless without the presence of light. The question is, will you stand as a vessel of divine light, or will you remain unaware of the realms where light is called to dominate? Remember God's Word is the ultimate source of light, we are to use it to illuminate every realm of creation, because creation carries light embedded within it. The stars, sun, and moon were established as "*lights in the firmament of heaven to divide the day from the night*" Genesis 1:14.

Even your dreams carry light. Dreams are pathways where spiritual light intersects with your subconscious. They are transfusions from realms of light designed to reveal, direct, and empower. Yet many Christians dismiss them, leaving these luminous pathways unexplored.

"He that speaketh in an unknown tongue speaketh not unto men, but unto God: for no man understandeth him; howbeit in the spirit he speaketh mysteries" 1 Corinthians 14:2.

Mysteries are veiled in light, and tongues are divine keys that unlock realms of lights. When you speak in tongues, you ignite heavenly frequencies, commanding creation to align with divine order.

Every creation of God is ruled by light and carries power. Light governs creation through thrones established by God. The earth, the waters, and the heavens are all subjected to the authority of light. The psalmist declares:

"The heavens declare the glory of God; and the firmament sheweth his handywork" Psalm 19:1

The earth responds to the voice of its ruler. When God said, "Be fruitful and multiply," He spoke a language of light, a decree that creation could not resist.

Declare this truth: "I am a ruler in the realms of light. I command the earth. I command the heavens. I walk in dominion."

The creatures of the air, the sea, and the earth are all governed by spiritual intelligence tied to their thrones. The fowls of the air represent the spirits of knowledge, the fish of the sea represent depths of wisdom, and the beasts of the field signify strength and authority. All are governed by light, and all are subject to your dominion as a son or daughter of light.

THE AUTHORITY OF LIGHT AND OUR SPIRITUAL SENSES

Stop and think for a moment "I have an eye, I can see. I have an ear, I can hear. I have a tongue, I can speak." All these work even without my conscious mind, it's my nature.

Similarly you have spiritual senses that you must become deft at exercising. Your spiritual eyes, ears, perception, discernment, intuition, conscience must have full expression. These spiritual senses enable you to operate in the spirit world just as we use our natural senses effortlessly. Until our ears are attuned to the divine dimension of God, which carries the light of His Logos, we will not fully operate in His realm. I am the light of the world, whoever follows me will never walk in darkness, but will have the light of life. This is your identity! God has given you life, and that life inside you is your light. We must learn to shine in the midst of darkness. When darkness rises against us, we must ignite the divine light within us. We must activate the life of God inside us. This is the key to accuracy in our spiritual vision, with the light of life, we can see clearly, judge righteously, and walk in divine alignment.

THE POWER OF THE SPOKEN WORD

"No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn." Isaiah 54:17

Every tongue that rises against you must be condemned! You have the authority to speak and to judge by the light of life. By aligning ourselves with the Word of God, we gain spiritual strength and experience the fullness of joy that the Lord has promised in these last days.

However, external influences, circumstances, pressures of life, friendships, emotional struggles, and internal battles often try to derail us from following the intuition, intimation and precepts of the Spirit. This is why the Bible instructs us:

"Looking unto Jesus, the author and finisher of our faith..." Hebrews 12:2

The only way to thrive in the supernatural realm is by fixing our gaze on Christ. If we take our eyes off Him, we will begin to sink, even in His presence.

A time has come for us to: Set our eyes on the Light. Become the Light. Fellowship in the Light. Walk in the Light.

Have no fellowship with the unfruitful works of darkness, but rather reprove them." Ephesians 5:11

Darkness influences our decisions, and once our decisions are shaped by darkness, we begin to bear the fruits of unrighteousness. This corruption can choke the life of God inside us. There is a warfare between light and darkness, between corruption and incorruption, between mortality and immortality.

"The people which sat in darkness saw great light; and to them which sat in the region and shadow of death light is sprung up." Matthew 4:16

To prevail, we must subjugate our thoughts, feelings, and imaginations under the authority of Christ. When this happens, light will blossom, life will flourish, and immortality will manifest! Sickness will disappear! Confusion is a form of darkness, and when we mortify the deeds of the flesh, Satan loses his power to afflict, seduce, or oppress us. Why? Because every platform he once used to attack us has been shut down by the authority of light.

If the light of His Word dominates your consciousness, the dominion of Yeshua will take over your life. The finished works of Christ will become evident in your daily walk with God.

Ephesians 1:17-18 from the *Amplified Classic Edition* (AMPC):

17 [For I always pray to] the God of our Lord Jesus Christ, the Father of glory, that He may grant you a spirit of wisdom and revelation [of insight into mysteries and secrets] in the [deep and intimate] knowledge of Him,

18 By having the eyes of your heart flooded with light, so that you can know and understand the hope to which He has called you, and how rich is His glorious inheritance in the saints (His set-apart ones),

PRAYER OF ALIGNMENT

Lift your hands and declare: "Father, in the name of Jesus, help me to walk in light. Regardless of the darkness before me, I will not fear. I refuse to allow darkness into my life, for I am the light of the world. I will let my light shine!" The Bible says that God hides in darkness but dwells in light.

KEY TRUTHS ABOUT LIGHT AND DARKNESS

God hides in darkness, this means He withdraws His presence, kindness, and mercy, allowing chaos, confusion, and affliction to prevail. God dwells in light, He is made manifest, He is revealed. His works, nature, will, blessings prevail. There is no darkness in Him at all.

We must ensure there is no darkness in us. Any trace of darkness will shut down the light of God's manifestation in our lives. We must learn how to enforce the power of light and walk in the glory and favor of the Lord!

RECLAIMING LIGHT-FILLED ATMOSPHERES

Witchcraft, at its core, is a manipulation of light and sound. The enemy's strategy is to corrupt what is pure. But as sons of light, we reclaim the atmosphere through the authority of Jesus Christ. The name of Jesus is the ultimate weapon of light:

"At the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth"
Philippians 2:10.

Understand this: When you declare the name of Jesus, you are activating the light of heaven against the powers of darkness. The firmament bows to the authority of His name. The thrones of darkness are dismantled as the light of Christ radiates through your declaration.

*"And the light shineth in darkness; and the darkness comprehended it not." **John 1:5***

*"And having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it." **Colossians 2:15***

*"For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds." **2 Corinthians 10:4***

The gates of hell are vulnerable to the onslaught of the sons of light. Jesus declared,

*"The gates of hell shall not prevail against it" **Matthew 16:18.***

This means we, the Ecclesia, are the attackers. We are the ones advancing, carrying the banner of light into every realm. Every act of spiritual warfare is an act of reclaiming light. When you declare, *"I bind every power of darkness in the name of Jesus,"* you are literally casting the light of Christ into realms ruled by shadows. You are restoring

order, breaking chains, and advancing the kingdom of light. Rise, Sons of Light.

Now is the time to awaken. Step into the realms of light with authority and revelation. Command creation with the Word of Light. Reclaim dominion over the atmosphere, the earth, and the waters. Let the light of Christ within you shine into every realm, displacing darkness and establishing the kingdom of God.

Let these words ring in your spirit: You Lord keep my lamp burning; my God turns my darkness into light" Psalm 18: 28

Jesus Christ is the Lord of light. Yeshua is the eternal Light of creation. Walk in this revelation. Shine, for your light has come.

AWAKENING TO THE DIMENSIONS OF GOD

The Bible reveals that Jesus, though the supreme ruler of all creation, ascended above all heavens to fully demonstrate His supremacy. He ascended to His throne, not only to reign but to invite us to sit with Him in those heavenly realms. This should be a living reality for every believer.

Heaven is a realm where power, authority, and supremacy are established. The Bible declares,

"The heaven is my throne, and the earth is my footstool"
Isaiah 66:1.

Heaven is the realm of thrones, a place where God rules over all, yet He has chosen to share that throne with us. Ephesians 2:6 tells us,

"And hath raised us up together, and made us sit together in heavenly places in Christ Jesus."

This means that as believers, we are seated with Christ in the heavenly realms, and this position

grants us the authority to enforce God's will on earth.

Peter, James, and John demonstrated this powerful reality when they fastened their eyes on the lame man in Acts 3. The Scripture says,

"And he gave heed unto them, expecting to receive something of them" Acts 3:5.

These apostles were not just looking at him; they were transmitting power into his being from the realms. This is a spiritual principle that believers must understand: when we are seated in heavenly places with Christ, we are not powerless in the world. We are conduits of divine authority, able to release heaven's power into situations.

The miracles performed by Jesus were not the central focus of His ministry, there were thousands of manifestations that Jesus transported from the heavenly realms. The Bible itself notes that if all of Jesus' acts were written,

*"the world itself could not contain the books that should be written" **John 21:25.***

Yet, the focus of His ministry was on teaching, revealing to us the way to operate in the dimensions of God's Kingdom. This is the message of the hour: we must begin to see, not just the miracles, but the dimension of life that Christ came to reveal.

SEEING BEYOND THE PHYSICAL REALM

In Mark 8:24, Jesus healed a blind man, but the man's sight was restored in stages. He first saw "men as trees walking." This is a profound statement. How could a man, who had never seen before, know what trees looked like? It reveals a dimension beyond the natural realm, a dimension where spiritual truths are revealed. Jesus, the eternal Word, operated in the realm of spiritual sight, and by His actions, He opened up realms of understanding to His disciples. The healing of the blind man shows that we too, must

be able to see beyond the natural and perceive the dimensions of God's reality.

That is why when we pray, we are not just speaking words into the air, we are engaging in a spiritual activity that enforces heaven on earth. Jesus taught us to pray,

*"Thy kingdom come, Thy will be done, on earth as it is in heaven" **Matthew 6:10.***

It is a mandate. As those who are seated in heavenly realms, we are positioned to bring the activities of heaven into the earthly realm. Too often, we conform to the systems of this world, which are governed by the prince of darkness. Many have been led astray by false teachings about the end times, including the doctrine of a soon-coming rapture that removes believers from the earth. However, the scriptures do not support this notion. Jesus did not remove Noah or Lot from the world during their times of tribulation. Instead, He preserved them supernaturally. In the same

way, God will preserve His people in the coming tribulation.

"But the Lord knoweth how to deliver the godly out of temptations, and to reserve the unjust unto the day of judgment" 2 Peter 2:9.

Rather than looking for escape, we must prepare for the coming tribulation and the establishment of God's Kingdom on earth.

"The mountain of the Lord's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it" Isaiah 2:2.

This is the vision we must embrace, a kingdom where God reigns supreme, a kingdom that will manifest in the earth in its fullness.

A NEW WAR, A NEW SYSTEM

There is a coming reset. A war of powers that will shape the world as we know it. But in this battle, God's people will rise to take dominion over the earth. It is in this coming era that the Kingdom of

God will be fully established. In this new system, angels will manifest, and supernatural preservation will be the norm for God's people. We will experience the divine protection of God, just as He protected Noah and Lot.

As we prepare for this new era, we must focus on building the Kingdom, not just waiting for a rapture. The days of passivity are over. It is time to rise, take our place in the heavenly realms, and enforce the will of God on the earth. The world is waiting for the manifestation of the sons of God.

CONCLUSION

EXERCISING AUTHORITY

The realities of the spiritual world, its realms, and dimensions have always been a profound mystery for the body of Christ. Yet, there is an urgent call in this hour for the church to understand these realms more deeply, as they are critical to our mission in establishing God's government on earth. As believers, we are meant to be the mediators between the heavenly realms and our earthly communities.

*“Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.” **Hebrews 11:3***

The physical world, with all its tangible realities, is only a shadow of the invisible realm from which it was created. If we are to operate in the fullness of God's power on earth, we must understand this truth as foundation.

For us to establish God's government, we must first learn how to unlock the heavens. We must understand how to engage with the invisible realm so that God's will can be made manifest here on earth. Every battle is spiritual. It is a battle for the imaginations, a war in our minds, and a war waged in the heavenly realms. This is why we must understand the importance of spiritual thrones and their role in unlocking God's power.

The Bible speaks of thrones, but not in a literal sense. When we read about a "footstool" in the Scriptures, it is often a metaphor for God's establishment and authority. For instance, in Psalm 110:1, it says,

"The Lord said unto my Lord, Sit thou at my right hand, until I make thine enemies thy footstool."

The footstool here signifies authority, rule, and dominion. To unlock the heavens for your community, you must recognize that thrones exist in the spirit. These thrones are established by

sacrifice and spiritual authority. When we surrender things of value to God, our desires, our businesses, our time, we are sitting on spiritual thrones, positioning ourselves to unlock the gates of heaven.

Just as Elijah spoke and locked the heavens for three years, believers today can speak with the same authority. Elijah declared,

"As the Lord God of Israel liveth, before whom I stand, there shall not be dew nor rain these years, but according to my word." 1 Kings 17:1

Elijah, seated in spiritual authority, was able to control the natural elements because he understood the realm of the Spirit. He was speaking from a realm. And we confirmed this when he returned to the realm through chariots of fire.

To unlock the heavens, you must first engage in warfare in the spirit. This is why it is crucial to grasp

the power of sacrifice and obedience. As Jesus taught in Matthew 19:27-29,

"Then answered Peter and said unto him, Behold, we have forsaken all, and followed thee; what shall we have therefore?" Jesus replied, "Verily I say unto you, That ye which have followed me, in the regeneration when the Son of man shall sit in the throne of his glory, ye also shall sit upon twelve thrones, judging the twelve tribes of Israel."

Just like the apostles, we are called to forsake all and follow Christ. The key to reigning in God's kingdom is not in material gain but in surrendering to His will. As we surrender, we unlock the heavenly realms, and God's glory is made manifest in our lives and communities.

Today, we continue this ministry of mediation by unlocking the heavens through our roar and obedience. When Elijah prayed for rain to return after three years, he first had to engage in a deep spiritual battle. He knew that the heavens would not open without a fight. He had to align himself with God's will and speak with authority. We must

align ourselves with God's will to unlock the blessings and breakthroughs our communities need.

Exercising Authority in the Realm of Spirit:

Every believer is called to operate with authority. In the realm of the spirit, you have access to speak into existence the will of God. Just as Elijah spoke and shut the heavens, you can declare God's will over your circumstances. This divine authority is not reserved for a few, it is available to all who believe and are willing to take their place in the spiritual realms.

HOW TO ENGAGE CORRECTLY IN THE REALMS

The first act of an effective believer is **prayer**. Without it, you are powerless in the realms of the spirit. As a pastor or minister, your prayer life must be fervent and intentional. Build a prayer team but take heed! Not everyone qualifies to intercede with you. The spirit of an individual will

either propel or hinder the flow of divine power. Surround yourself with those who align with God's purpose for your ministry and who will guard the sacred altar with integrity.

Jesus himself exemplified this principle. Among his twelve disciples, he trusted three (Peter, James, and John) to witness moments of profound spiritual significance. It is about spiritual investment, consistent prayer, and intentional training. Equip your leaders, or your vision will falter.

CONFRONTING THE ENEMY'S DEVICES

Satan's greatest tools against you walking boldly in the light are:

1. **Sexual Sin**
2. **Division**
3. **Prayerlessness**
4. **Unauthorized Opening of Ministries**

Sexual sin, particularly, is a destructive force. If you have fallen into this snare, stop immediately and seek deliverance. Sexual immorality within a congregation spreads like a spiritual infection. It clouds judgment, drains the anointing, and hinders God's glory. Paul's admonition to "excommunicate the sexually immoral" is not a suggestion; it's a necessity to preserve the purity of the church.

Sexual sin is beyond the act, it is spiritual warfare. The spirit behind this sin casts spells of lust, defiling both individuals and the congregation. Ministers who struggle in this area must seek deliverance. Remember, no one is exempt from needing restoration. Seek spiritual covering and accountability to regain alignment with God's purpose.

*[13] The fire shall ever be burning upon the altar; it shall never go out. **Leviticus 6:13***

The fire on the altar must never go out. As a minister, you are the steward of this fire. As you fan the embers of this flame, the light of God will flood your whole being. If your flame dims, your congregation will experience spiritual drought. Many who come to church arrive burdened, dry, and in need of rekindling. They face temptations, financial struggles, relational conflicts, and emotional weariness.

Your role is not to fix these problems through natural means but to bring the fire of God into their lives. Counseling has its place, but the Spirit of God resolves what human wisdom cannot. A heart burdened by sin or emotional turmoil needs deliverance and divine empowerment, not endless discussions. Infuse the fire of God into every aspect of your ministry and watch transformation occur.

DEFENDING THE SANCTITY OF MINISTRY

A minister entangled in the natural realm becomes ineffective in the spiritual realm. If you focus solely on solving marital disputes, financial challenges, or personal struggles, you divert from your priestly calling. Your primary purpose is to release the glory and power of God.

When someone struggles with sin, whether sexual immorality, anger, or addiction, the solution is spiritual. Cast out the spirit that holds them captive and fill them with the Spirit of God. Remember, every moral failure is evidence of spiritual possession or oppression.

ALIGNING WITH THE MOVE OF GOD

In these last days, God is preparing for a habitation movement, the fullness of His presence dwelling within His people. Ministry is no longer about superficial programs but about becoming conduits of His glory. When you align with God's

move, you extend His glory and manifest His power.

The enemy is relentless in his opposition, but the call is higher. Guard your altar, protect your fire, and keep your focus on the divine mandate.

Ministers, rise to your calling! The Lord is refining His servants in this critical hour. Break free from every chain, align with His purpose, and let the fire of the Holy Spirit reignite your ministry. The time for lukewarm faith is over. Step boldly into the realms of God's power and manifest His glory to the nations.

*"If you love me, you will keep my word, and my Father will love you, and we will come to you and make our home with you." **John 14:23***

The final move of God is here. Will you be ready to become His holy habitation? The light for all nations to flow towards.

The Bondservant of Christ is called by God as an Apostle of the Gospel of Sonship & immortality, a watcher of realms of glorification and redemption of the human body, a custodian of the dimensions, realms of fire, transformation, and tele-transportation; outside body experiences, visions of heaven, visions of Jesus. He carries an electrical surge of Dynamo and glory...

He is a custodian of the realms of holiness, fire, Teleportation and ascension into the heavenly places. He carries a rare anointing for expounding the scriptures in high revelation as a teacher, providing deep and exceptional insight in the Gospel of Christ and Grace as well as unusual healings, miracles and deliverance. The Lord has granted him access to this revelation for the preceding days of the emerging age of the sons of God. It is written: the earnest expectation of creation is waiting for the manifestation of the sons of God (Romans 8:19).

God has instructed the Bondservant of Christ John Anosike; to take the "Campaign Of Life" to the nations of the world! This is a vision and commission from God to lift the mantle and champion the move of The Apostolic mandate to reach all nations of the earth with the gospel of Life, Incorruption,

Immortality(death impossible) and Sonship (the long-awaited redemption of creation)! It is a 'teaching campaign' on how NOT TO DIE physically, how to exit the earth through revelation and ascension. Hence, recovering our true identity and position in Christ.
