James Version.

INTRODUCTION

Beyond the veil of what is seen with our optical eyes lies a kingdom shrouded in blackness, a dominion where the Prince of the air rules with iron chains, where shadows lurk, and whispers in the wind are more than mere echoes. This is the habitation of Satan, the throne of Leviathan, the dwelling place of the Dragon, and the den of the Serpent. It is a world unseen yet present, reaching out with counterfeits to grasp the souls of men.

Since the dawn of rebellion, this realm has existed, a dark empire where fallen ones conspire, where ancient spirits brood in the depths, waiting, watching and scheming. This is the dominion of those who once walked among men in the days of Noah, the architects of corruption, the masters of deception. And now, as the cycle turns, as the hour of prophecy draws near, the abyss stirs once more. The darkness is rising.

The Serpent, that ancient deceiver, still coils around the souls of nations, whispering rebellion, seduction, and lies. Leviathan, the twisted one, moves through the

waters of the deep, enslaving minds with arrogance and twisting truth into deception. The dragon, with his seven heads and ten horns, extends his dominion, orchestrating war against the saints. And at the heart of it all sits Satan himself, the father of lies, the prince of this world, whose desire is not just destruction, but dominion absolute control over mankind, over time, over destiny.

The days of Noah were marked by darkness unlike any other, an era where the Watchers defiled the daughters of men, giants of old who wreaked havoc upon the earth. But that was only the beginning. The Return of the Six is upon us, ancient beings, once confined, now clawing at the barriers of time and space, pressing against the threshold of this world. The darkness that covered the earth before the flood has begun to creep again, and with it, a greater, deeper, more insidious deception than ever before.

This book is a strong warning, it is a war cry. It is a revelation of the dark powers that have long remained hidden, their agendas, their systems and their battle plans. It is a weapon forged in truth, a call to arms for

those with the courage to open their eyes. Because ignorance is captivity, and knowledge is warfare.

Prepare yourself. The veil is lifting, the deception is unraveling, and the battle is upon us. The realm of darkness is no longer just beneath, it is rising above, seeking to consume the earth. But we are not without power. We are not without weapons. And we are not without great victory. The shout of a king is amongst us. The roar of lions, the roar of mighty eagles and authorities.

Join me in this war! For surely the gates of hell shall not prevail.

Yours in the Sacred Vineyard

The Bondservant of Christ,

Ikechukwu John Anosike

A PROPHETIC COUNSEL TO MINISTERS OF THE GOSPEL

CONCLUSION

CHAPTER ONE

A TROUBLING OBSERVATION

Something has shifted. The world as we know it is no longer the same. A thick, suffocating darkness has descended, one that creeps into the minds of men, poisoning their thoughts, twisting their morals, blinding their spirits. It is not a darkness of mere ignorance, but a strategic, calculated invasion of spirits.

This is no longer a warning of things to come. The beast system is not approaching, it is here. It is operating. It is advancing at full speed, and most of the world is asleep, unaware that they are already prisoners in a spiritual war.

THE GLOBAL TAKEOVER OF WICKEDNESS

Look around you. Do you not see it? Do you not feel it? Laws that once honored the divine order

are being overturned with relentless speed. Perversion is not only tolerated, it is celebrated. The world no longer hides its rebellion against God. Sin is worn like a crown. What was once abominable is now mainstream, paraded through the streets with pride, protected by governments, enforced by institutions.

Nations have been seized by principalities. Schools no longer educate, they indoctrinate.

Entertainment no longer amuses, it programs. The airwaves have become the devil's pulpit, feeding corruption into homes, into families, into the hearts of children.

And the Church? The very body that was meant to stand against the tide? Many have grown silent, some have compromised, and others have outright defected, bowing before the gods of this age.

"For the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of

Christ, who is the image of God, should shine unto them." 2
Corinthians 4:4

Who gave Satan this dominion? Who permitted him to sit upon thrones of power, dictating the course of nations? Who allowed him access into the minds of men, to cast the spell of blindness that now grips entire societies?

THE NEW WORLD ORDER IS NO LONGER A THEORY

Do you think this is just a phase? A passing wave of corruption? No. This is the system. The machinery of the end-time beast is already grinding, setting the stage for the final deception. What you see today is not random chaos, it is an orchestrated collapse, designed to prepare the world for full subjugation under the rule of darkness.

Economies are being shattered, not by accident, but by intention. Governments are tightening their grip, conditioning the masses to obey without question. The world is being groomed for control, a day is coming when those who refuse to comply

with the system will be branded as enemies, cast out, and hunted.

The global elite speak in whispers about "The Great Reset," but make no mistake, this is not a reset. It is a replacement. They are replacing freedom with submission, replacing morality with lawlessness, replacing faith with deception. The stage is set. And what is most terrifying? Most people don't even see it.

THE DESTRUCTION OF THE FAMILY UNIT

The most sacred foundation of civilization, the family is under direct attack. The enemy understands that if he dismantles the home, he dismantles the future.

Fathers have been removed from homes. Mothers are no longer nurturing. Children are being groomed into confusion, raised in rebellion, told that they can create their own truth. The innocence of the next generation is being

sacrificed on the altar of progressive ideologies, and parents who stand against it are persecuted, ridiculed, silenced.

And yet, the Church still sleeps. The watchmen who should be sounding the alarm have chosen comfort over confrontation, reputation over righteousness. Where are the warriors? Where are the voices in the wilderness crying out against this abomination?

THE CHURCH IN CRISIS, A BODY IN A COMA

The Church was meant to be a fortress against darkness, but instead, many congregations have become entertainment centers, filled with shallow sermons, empty rituals, and powerless performances. The supernatural power of God has been traded for motivational speeches, the fire of revival extinguished by the fear of offending culture.

The enemy no longer trembles at the Church, he laughs at it. Because he knows many have lost their authority. They have exchanged the sword of the Spirit for a microphone that pleases itching ears.

*"And because iniquity shall abound, the love of many shall wax cold." **Matthew 24:12***

Where are the intercessors? Where are the gatekeepers? Where are those who will stand in the gap and refuse to let darkness overtake the land?

THE COMING STORM, A POINT OF NO RETURN

Make no mistake, this is not just another crisis that will pass. The world is not going back to what it was. The darkness will not retreat. The system will not collapse on its own.

The days of comfortable Christianity are over. The days of casual faith are over. The storm is here, and only those who are anchored in truth will survive.

A time is coming when declaring the name of Jesus will cost you more than just your reputation. A time is coming when standing on the Word of God will not just get you canceled, it will get you imprisoned, hunted, killed.

The noose is tightening. The furnace is heating. And soon, everyone will be forced to choose: comply with the beast or stand with the Lamb.

WHAT MUST BE DONE?

This is no time for complacency. This is no time for silence.

Wake up! The war is already raging.

Repent! Align yourself with the kingdom of light before it's too late.

Roar! Not with weak, empty words, but with fire and power.

Resist! Do not conform. Do not bow. Do not break.

Prepare! Strengthen your spirit, because the battle ahead will demand warriors, not spectators.

"Arise, shine; for thy light is come, and the glory of the LORD is risen upon thee. For, behold, the darkness shall cover the earth, and gross darkness the people: but the LORD shall arise upon thee, and his glory shall be seen upon thee."
Isaiah 60:1-2

This is not a game. This is not a drill. This is not a prophecy of the distant future.

THIS IS NOW.

The darkness is here. The beast system is rising. The question is: What kind of saint do you want to be?

CHAPTER TWO

WHAT IS THE REALM OF DARKNESS

The realm of darkness is a rebellious dimensional reality governed by dominions, and corrupted codes that war against the sons of light. It is the anti-throne or adversary of God, a counterfeit kingdom that seeks to enslave men through deception, legalities, and unauthorized ascensions.

Darkness is not just the absence of light, it is a government, a force, a consciousness that opposes the will of Elohim.

*"And the light shineth in darkness; and the darkness comprehended it not" **John 1:5.***

THE NATURE OF DARKNESS

Darkness is a structured, organized, and highly intelligent system designed to

1. **Block ascension** by keeping men trapped in the lower frequencies of carnality.
2. **Traffic souls** through legal transactions sealed by ignorance, sin, and blood.
3. **Distort the essence of man** by programming fallen nature into human DNA.
4. **Challenge the voice of God** by casting doubts to replace truth with twisted reality.

This is why Satan is not a fallen angel, he is a dimensional custodian of perverted knowledge, an ancient trader of souls who governs through legalities, covenants, and corrupt frequencies or counterfeits.

THE STRUCTURE OF DARKNESS

The kingdom of darkness is built upon ancient scripts and forbidden wisdom, encoded into the very fabric of fallen creation. Satan noticed that the serpent is a creation of wisdom so he entered the creature of wisdom—he corrupted it. He

designed a system of spiritual trafficking, where realms are manipulated, and destinies are hijacked.

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Ephesians 6:12

They are governors of dark dimensions, custodians of realms that regulate human bondage through spiritual agreements that hold families, nations, and bloodlines captive, demonic teleports where men encounter spirits of deception masked as angels of light, dreams, thoughts, and interactions that permit hell to gain legal ground in human affairs.

The sons of darkness have mastered the art of ascending illegally through mysticism, witchcraft, and astral projections, because they understand that higher realms govern lower realms!

Sons of God it will interest you to know that darkness has a sound, it is a roar that challenges

the voice of God over nations, families, and individuals. The sound of darkness is fear, deception, and rebellion, and it is a direct mockery of the divine decree.

"Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour." 1 Peter 5:8

Satan roars because he understands that in the realm of the spirit, voices govern territories. This is why he challenges the roar of the Lion of Judah! He is terrified of our awakening, because the moment we ascend legally, his kingdom is overthrown!

The sons of God must not just **defend** in these last days, we must by revelation **INVESTIGATE, INVADE, AND OVERTHROW!** I see the realm of darkness is **collapsing**, but it will not go quietly. We must walk in purity, consecration, and Immortality codes, release the decrees that dismantle dark dominions by exposing their systems and breaking their

contracts, enforcing the victory of the Christ through dominion.

"The kingdoms of this world are become the kingdoms of our Lord, and of His Christ; and He shall reign forever and ever."

Revelation 11:15

This scripture shows clearly that there is an opposing kingdom that is exercising dominion on earth that will soon be overthrown.

CHAPTER THREE

CHARACTERISTICS OF THE REALM OF DARKNESS

Ninety percent of the times we face the devil in the smallest, tiniest things that we sometimes don't think or believe that Satan is very much involved in. Satan is very much involved in the tiniest smallest aspect of our lives. This time, it is imperative that we look into the schemes that Satan uses and how often he counterfeits all of God's systems, modes of operations, and God's wisdom. Satan operates principally through darkness even though he sometimes transforms into an angel of light, that does not make him a functionary of light. There are three habitations of the realms of the devil.

The purpose of this knowledge is to advance our spiritual victory against the schemes of Satan.

"Lest Satan should get an advantage of us: for we are not ignorant of his devices." 2 Corinthians 2:11

So if we want to be victorious in our walk with God, we must be acquainted with the tricks, schemes, and devices of the devil. This is very important because it will advance your victory in your walk of faith. What Satan does is to pervert God's wisdom. He reproduces what God does. Satan is very creative, very smart, and very, very intelligent. By the spirit of revelation we shall expose one of the most profound intelligence of the devil that has given him an edge in his influence over nations, families and individuals. To this end, the sons of God must come to the full revelation knowledge of the patterns of God, because the patterns of God carry innate abilities, The patterns of God are not just mere patterns that you follow without understanding. Life is a function of mysteries, it is through the realms of knowledge that we accumulate principles, laws to create blessings of safety. For instance, the wisdom to create a

speaker and microphone that amplifies my voice when I teach God's word; it's not just gotten from the air. Somebody had a revelatory knowledge of speakers, then he took some elements, put them together, and tuned them according to laws. When these laws were properly put together, it became a speaker that magnifies the human voice. So the laws of God, the ways of God, the principles of God, the systems of God, the patterns of God are living abilities. If you understand the laws and the systems of God and you pattern anything according to those systems, you activate the law. Satan understands this very well and uses it to his advantage.

Satan counterfeits the patterns of God, the laws of God. Satan, working through darkness has counterfeited the laws of light and has gotten a certain level of control over creation.

Everything God does is according to knowledge.
Everything God does is according to wisdom.

Everything God does is according to understanding. Everything He does is according to the seven Spirits of God. These are laws. So Satan is always waiting to see what God is going to do next, and then he follows the same pattern, and then he gets the same results.

Take note a perverted system is also very powerful and sometimes can be more powerful because of the discipline to apply the principles accurately. Satan is very diligent, he is tenacious, he knows the laws will produce results because they came from God.

If you are truly born again, then you have that origin. You hail from God. If you fast and pray for 7 days, 21 days, or for 40 days and 40 nights, trust me, on the fortieth day Satan will come to you. Satan will come to you because Satan knows you are gaining victory in the realms. He has to come and withstand that energy breaching his realms. When you are an ordinary man, you won't

understand these things. When attacks intensify against you, it is a sign of conquests, It's not defeat. When all hell breaks loose and you rejoice instead of murmuring, your name has been captured in the realms. You have done something very significant against the witches, the wicked, their works, their kingdom and agenda of the devil. You must understand that Satan is constantly at war against a man or woman that has significantly damaged his agenda, kingdom and influence. Notice when Christ fasted, He defeated a certain governing influence of Satan each day to advance His conquests in the realms and In the last days of His fasting satan came.

To understand the realm of darkness, there is a mystery I want you to understand, the Trinity. There is only one God that revealed himself in three Persons, because of the significance of this, because of the spiritual patterning, because of the spiritual laws that revolve around three, the number three biblically represents divine

wholeness, completeness, and perfection. So number three in the scripture is a representation of completion, wholeness and perfection. So God would have to manifest Himself into three Persons in order to govern and have preeminence over creation, that is in heaven, the earth, and of course all realms and dimensions. We are in the first heaven here, above it you have the second heaven, then the third heaven, and you have the Father, the Son, and the breath of God, the wind of the Spirit, the Ruach of God, the Spirit of God.

Knowing this principle, Satan also wants to have his trinity. He wants to reproduce himself as God. Everything that God is, Satan wants to counterfeit. That gives him the leverage to create a system that reproduces, that replicates what God is. That replicates the kingdom and the systems of God because that pattern gives him spiritual, mental, physical influence. The patterns of God are so potent, so efficacious, so eternal.

Satan has maximum influence today, and his kingdom has galloped because of this continued capability. He observes, sees it, he replicates it, and then he advances in his wicked activities. He is a smart guy, Satan learns from God, even though he is unable to see directly what God said or is doing?

Once the forces of darkness perceive that a prophecy has been released through God's servants, what do they do? They move swiftly to counterfeit and manipulate it. Meanwhile, many believers remain passive, doing nothing to contend for the fulfillment of what was spoken.

Let me say this clearly: the seed of the devil operates through delay and deception. In the first year, a believer may be fervent, alert, and expectant. Then another year passes, and another, and still, the prophecy seems unfulfilled. Five, ten years go by, and discouragement sets in. Many begin to say, "*Let's just rest. Let's sleep.*" And

the moment they slumber, something sinister happens, an invasion of darkness. Their promise is stolen.

But here's the irony: the serpent was always there, lurking in the shadows, waiting patiently for them to drop their guard. His strategy is persistence against our inconsistency. That's what I despise, the lack of endurance in spiritual matters. Some know what is right and walk in it for a season, only to become weary and careless.

It's like being on a flight where the pilot, after years of skillful flying, suddenly makes a reckless mistake. Would you want to be on that plane? No! In the same way, the kingdom of darkness exploits even the slightest lapse in spiritual vigilance. One moment of complacency can open doors that should have remained firmly shut.

"Lest Satan should get an advantage of us: for we are not ignorant of his devices." 2 Corinthians 2:11

This means that even a small error, a moment of spiritual negligence, can become an entry point for the enemy. In this kingdom, precision is vital. We must remain steadfast, discerning, and unshakable, because the adversary is relentless in his pursuit to distort, delay, and destroy what God has ordained.

So one of his major devices is that he is a counterfeit warlord. He takes advantage, he counterfeits God. The influence of God was so felt in all the corners of God's habitations and creations. So he says, *"I think it's time that I have to reproduce myself as God. I must follow the principles of God."* And then... from Abraham to the days of Jesus was four thousand years. And then from Jesus' time to now is almost 2000. It's actually 2000, so man has spent up to 6,000 years. So we are entering the seventh thousand years. If you look at Genesis to Malachi, down to Jesus, the satan we used to know as a subtle snake called satan has metamorphosed into the god of this

world. Let's stick with scriptures. Satan is no longer just the serpent that once deceived Adam and Eve. Over this period of time, he was wise on how to cultivate the portals, to transit into the heavens. Some of you are waiting for some kind of mystical appearance of Jesus to go to heaven. I think God is about to release to us supernatural wisdom, supernatural knowledge on what to do to teleport to heaven physically. A man named Nimrod knew what to do and how to do it. It took God himself to disrupt the entire process because Nimrod was God's enemy. How could Satan become a god, and Jesus approved it, acknowledged it and called him by the name god of this world ? How could a man within the early years of human existence have the knowledge, capacity to build a tower to go to heaven physically. That means God was not withholding anything, God is not withholding up till now. When he made the heavens, the first, the second heavens, the earth, he made it in a way that all creatures of these three realms would have to interact. Angels were

descending to us. Men were ascending. It was an avalanche of connections. Adam was in an Eden that he communed with God. Even to the point that angels could not even talk to God the way Adam was in communication with God.

Religion has told us that man is in his fallen nature. We are beyond the limitations that are within our fallen nature. And of course what salvation is doing right now is regaining, replacing Him, redirecting him, remitting him, rerouting him, bringing man, restoring man to the place of headship of creation. There is something about man that Satan is afraid of, and I see you waking up in the name of Jesus the Christ. Salvation has been completed. We have come to the point to get back to the flights of heaven, the flights of Eden, the flights of the reins of God that teleports man back to Eden, into his throne of power and rulership and dominion. Don't let those with religious mentality dry up your fire. We do not need such a mentality. Satan is a liar. We are the ones that are supposed to reproduce,

replicate the laws of the Spirit, so that we can be able to manifest all the laws of the Spirit being filled with the fullness of God.

We can go back to our throne and put back our crown as the image bearers and the likeness of God, and begin to teach creatures the ordinances of God. What Satan is today is a counterfeit of God's laws, abilities, systems and patterns that he saw and duplicated. It is counterfeit because Satan is God's adversary. Actually, the word satan in the Greek and Hebrew means God's enemy, God's adversary. One that is eternally in opposition against God.

If you are not ascending into the realms of God, your faith, your walk with God will dry up. You will not have mastery of the realms of the spirit, you will not have capacity to stand before your creator. The position Adam had was stolen from Him. It was the position of man. And that was the position that Jesus came to withdraw, to take away, to remove

from Satan legally. Satan takes advantage of every position that he can, and he optimizes it. But here are Christians acting weak and calling it humility.

The Bible declares in Psalm 82:6,

"I have said, Ye are gods; and all of you are children of the most High."

If God is your Father, then who are you? You are not *The* God, but you are a god, born of divinity, carrying His essence, and walking in His nature.

At what point will we truly accept this reality? When you awaken to your divine nature, your perspective on life changes. You will no longer pray for mere survival or beg for longevity because you know that death has no hold over you. When I discovered my true nature, I stopped fearing death, I knew I had already transcended it. The one who prays not to die does so out of ignorance of their divine identity. Such prayers do not work

because they contradict the truth of who we are in Christ.

"Ye are of God, little children, and have overcome them: because greater is He that is in you, than he that is in the world." 1 John 4:4

Our spiritual DNA has changed; we carry the very life of God. We are no longer bound by the limitations of the flesh. We are partakers of His divine nature called to manifest His glory on the earth.

Enoch understood this mystery. The Bible says in Hebrews 11:5,

"By faith Enoch was translated that he should not see death; and was not found, because God had translated him."

Enoch walked so closely with God that he stepped beyond the constraints of the natural world. He didn't die, he was taken. He accessed the hidden pathways of the spirit and aligned himself with the footprints of God.

Many ancient scriptures hold deeper revelations about these mysteries, but over time, they were withheld or distorted by those who sought to control divine knowledge. Even in translation, some truths were altered or omitted. But the Holy Spirit is our ultimate teacher, guiding us into all truth. When you walk in the Spirit, you access the unfiltered wisdom of God, beyond the limitations of human doctrine.

We have been summoned to Mount Zion, the city of the living God, the heavenly Jerusalem. This is not just a theological concept; it is a spiritual reality. The time has come for the manifestation of the sons of God. The world awaits those who will rise in divine understanding and walk in the fullness of their inheritance.

You are not ordinary. You are not bound by earthly limitations. You are called to rule, reign, and manifest the power of the Kingdom.

Who entered the prison, broke the chains, set Peter free, opened the prison gates, and even the city gates, leading him out as a free man? The days of power have been restored!

My spirit is stirred with holy indignation, how could Satan become a god? Who granted him access to the minds of men? Who gave him the throne to rule over their thoughts? Who permitted him to cast the veil of darkness that blinds men from the truth?

Do you not know that Satan rules over those who do not believe in the gospel? Wake up! The scripture declares,

"The god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them." 2 Corinthians 4:4

Who gave him this access? Who allowed him to cast a spell of deception over humanity, causing men to reject salvation? The world is weary; entire communities are perishing. Millions are dying in

spiritual ignorance because the *Ecclesia*, the governing body of Christ, has failed to recognize its true nature.

The Church is not a mere human institution; it is a supernatural, mystical, and unified body of Christ. Yet, many believers perceive themselves as mere individuals, confined to their physical limitations, unaware that they are part of an eternal, spiritual kingdom designed to overthrow the works of darkness.

It is time to rise! The days of divine power have been restored. The authority to break chains, open prison gates, and liberate minds from Satan's grip is upon us. The Church must reclaim its spiritual dominion and enforce the reign of Christ over the minds of men.

Many believers remain ignorant of their true nature, perceiving themselves only as physical beings. They fail to recognize that we are not merely flesh and blood but supernatural beings in Christ, seated

in heavenly places. You are not just a natural body, you are the spiritual body of Christ, called to operate in the realms of the Spirit.

The enemy, however, thrives on deception. He seeks to burn away the revelation of God in you, to drown your divine essence in falsehood. The hour is coming when the sons of God will arise in full stature, and Satan knows it. He trembles at the roar of the remnant, for he understands that his time is short. Satan is a master of imitation, a counterfeit artist who distorts the divine order of God. He studies God's systems and replicates them with perversion. Just as God's government operates in the mystery of the Trinity—Father, Son, and Holy Spirit—Satan establishes his own unholy trinity, seeking to manifest himself across three domains. He desires to be enthroned, worshipped, and obeyed as a false god.

Ignorance is the breeding ground of satanic operations, and where there is no revelation,

darkness thrives. The enemy does not rule by power; he rules by deception. His systems are designed to manipulate, mislead, and enslave those who lack the light of divine revelation.

Satan's greatest weapon is not brute force, it is strategic deception, designed to keep men in bondage to ignorance. He is a master architect of counterfeit realities, erecting illusions that keep people from stepping into their true spiritual inheritance. However, light disarms! Light exposes! Light renders the works of darkness powerless! And in these last days, the Spirit of Revelation is rising, piercing through every demonic veil and dismantling the strongholds of the enemy.

We are here to unmask the enemy and bring him into his eternal weakness. Satan can be weakened when you discern his operations. He has no originality; everything he wields is a corrupted version of what man was originally designed to possess in God. He counterfeits the gifts, twists

divine principles, and establishes perverse systems to derail humanity from God's perfect will.

But I declare today

The time of unveiling has come! The Spirit of the Lord is lifting the veil!

*The knowledge of the glory of God shall cover the earth as the waters cover the sea. **Habakkuk 2:14.***

Every structure of deception shall crumble! The people of God shall walk in power, in dominion, in the authority of Christ! It is in seeing that we become! It is in beholding the unveiled Christ that we are transformed into His image! And as we ascend in revelation, Satan's power diminishes, for his strength is only sustained in the absence of truth.

Now let the dominion of the King be established! Let the roar of the Lion of Judah dismantle every demonic siege! Satan's time is up! He is losing his grip! The army of God is arising, moving in

precision, wisdom, and divine authority! Let the realms of light invade the realms of darkness, and let Yeshua be glorified in the earth! In the name of Jesus Christ, let it be so! Amen!

Satan is about to lose his cunning deceptions across the nations. Because the sons of God will come, they will rise to take the place of authority, power, dominion, thrones, and influence over creation.

Let's examine the key characteristics of this dark kingdom and how it functions:

1. IT OPERATES THROUGH SPIRITUAL LEGALITIES

The kingdom of darkness is not disorderly or random; rather, it is built on spiritual laws, ancient scripts, and contracts that allow Satan legal access to human lives. Sin, ignorance, and evil agreements serve as spiritual entry points for demonic influence. Sin grants legal access to the

enemy. The devil cannot just attack without permission, he seeks legal grounds through sin:

*“The soul that sinneth, it shall die...” **Ezekiel 18:20***

*“He that diggeth a pit shall fall into it; and whoso breaketh an hedge, a serpent shall bite him.” **Ecclesiastes 10:8***

These scriptures reveal that when a person violates God's laws, it opens a breach in their spiritual hedge, giving Satan a legal right to operate. This is why repentance and holiness are powerful weapons against the enemy.

Another point to note is that Satan is the accuser in the Courts of Heaven. He constantly brings charges against the saints before God, seeking judgment over them.

*“For the accuser of our brethren is cast down, which accused them before our God day and night.” **Revelation 12:10***

This is why the prayer of begging wont work especially in these last days, but that of ascension,

roar, confrontation in the realms, you must believe that spiritual freedom is not cheap.

2. IT IS A DIMENSION OF SPIRITUAL TRAFFICKING

The kingdom of darkness traffics in human destinies, engaging in demonic transactions that exchange **souls, virtues, stars and glory**. Just as heaven operates by divine covenants, the demonic realm uses altars, rituals, and ungodly agreements to trade men's lives.

"For what shall it profit a man, if he shall gain the whole world, and lose his own soul?" Mark 8:36

Satanic Exchanges in the Spirit Realm. People often unknowingly trade their destiny for temporary power, fame, or wealth, falling into satanic covenants through witchcraft and blood sacrifices, sexual immorality with spiritual implications, speaking negative words over oneself, partaking in occultic practices. I'd like you to know that every demonic agreement or sacrifice represents a

spiritual transaction, transferring ownership of a person's gifts or purpose.

3. IT IS GOVERNED BY FALLEN PRINCIPALITIES & SPIRITUAL RANKS

Darkness is not chaotic, it is structured under principalities, powers, and rulers of wickedness who govern specific territories and operations.

*“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.” **Ephesians 6:12***

Satan assigns **human agents** (witches, warlocks, false prophets) to execute these demonic strategies on earth.

4. IT THRIVES ON DISTORTED WISDOM & ANCIENT SCRIPTS

Satan's greatest weapon is **deception**, twisting divine truth into lies that mislead people into

spiritual error. He operates as a master of perverted wisdom, using false knowledge to blind men from the truth.

“For Satan himself is transformed into an angel of light.” (2 Corinthians 11:14)

Many occult groups, cults, and false religions claim to hold hidden knowledge that grants power, but in reality, they lead to bondage under demonic principalities. This was Satan's original deception in the **Garden of Eden**:

“For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.” Genesis 3:5

Many today seek enlightenment through mystical practices, not knowing they are stepping into forbidden spiritual dimensions where demons operate.

5. IT USES SOUND, FREQUENCIES, AND VIBRATIONS

Everything in the spiritual realm moves by sound and frequencies. Just as heaven has its divine roars, voices, thunderings and songs of worship, the demonic realm carries its own counterfeit sounds to summon spiritual forces.

“Your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour.” 1 Peter 5:8

Darkness influences the world through:

Music – Certain lyrics, beats, and frequencies invoke demonic presences.

Chants & Incantations – Many cultures use **ritualistic sounds** to open spiritual portals.

Negative Words – The enemy programs demonic realities through spoken curses and spells. To this end, every saint must be intentional, spiritually discerning about what they listen to and speak.

6. IT MANIPULATES DREAMS, VISIONS & SUBCONSCIOUS EXPERIENCES

Demonic forces do not always attack physically, many of their operations happen in dreams and visions.

“For God speaketh once, yea twice, yet man perceiveth it not. In a dream, in a vision of the night, when deep sleep falleth upon men...” Job 33:14-15

7. IT SEEKS TO INVADE AND OVERTHROW THE RIGHTEOUS

The ultimate goal of darkness is not just to **oppress people** but to completely **take over territories, cultures, and silent prophetic voices against any awakening.**

“The thief cometh not, but for to steal, and to kill, and to destroy...” John 10:10

"And it came to pass, when she pressed him daily with her words, and urged him, so that his soul was vexed unto death;" Judges 16:16

Delilah, an agent of the Philistines, was used to spiritually and mentally wear down Samson. She repeatedly pressured him to reveal the secret of his strength. This was an operation from the realm of

darkness through a human vessel. Sadly this is still going on in our world even in the body of Christ. The verse says Samson was "vexed unto death," meaning he was exhausted and made a bad decision. Many believers fall into sin not because they want to, but because they let down their guard after prolonged pressure. Satan is this smart. He will be persistent. This is why the saints must be consistent in character.

*"He said unto him, I am a prophet also as thou art; and an angel spake unto me by the word of the Lord, saying, Bring him back with thee into thine house, that he may eat bread and drink water. But he lied unto him." **1 Kings 13:18***

This is a story of a young prophet who had received a direct command from God not to eat or drink in Bethel and to return a different way. However, an older prophet deceived him by claiming that an angel had told him otherwise. The younger prophet disobeyed God's direct word, and as a result, he was later killed by a lion. The young prophet had a clear instruction from God

but was persuaded by a false prophetic voice. The devil sometimes uses other believers to mislead us. The older prophet lied about hearing from God. Not everyone who claims to speak for God is truly sent by Him. The young prophet did not commit an obvious sin, he simply disobeyed one instruction. But in spiritual matters, even small compromises can have big consequences. Both Samson and the young prophet had great destinies, but the realm of darkness declared war against them and they were completely ignorant of the manipulation. One was weakened, and the other was silenced. Learn from their mistakes and stay firm in your God-given assignments.

“Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! For the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.” **Revelation 12:12**

As Satan knows his time is short, he is intensifying his warfare against the sons of light.

CHAPTER FOUR

THE RETURN OF GENERALS OF DARKNESS

I had a creature come from the throne room of God. He said that many humans are being transformed and changed into robots, and that it is happening right now, secretly. He said, *“For that sin which propelled my judgment in the days of Sodom and Gomorrah, and in the days of Noah, especially in the days of Noah has risen again.”*

He showed me: they are not merely creating robots; they are using humans to turn them into robots.

I see the world doing something that will unlock two major ages that have manifested in the past. I see the Age of Noah and the Age of Sodom and Gomorrah merging, just as the judgment realm of Genesis chapter 2 emerged and marched into the world of Adam and the age he lived in.

Don't you know that the coming sons of darkness are those who will be genetically modified? They will not have souls. They are going to carry the wickedness of Satan against humanity. The Bible calls them the Antichrist and his government, and they are coming. These beings will be human creatures, but not truly human. They are another genetic creation of humanity that has been altered.

The sons of God have the capacity to legally take on the attributes of God, the supernatural DNA through the vibrations of light, through the revelation of Christ!

"Let the eyes of your understanding be flooded with light."

That light that floods our whole being becomes a frequency that remodifies us into dimensions of the Spirit. We are clothed upon with the likeness of Christ.

A time is coming when you will realize that for every moment you were roaring, tearing, praying, for every service you attended, something was loaded into your spirit.

A war is coming—a war that will determine:

The ruler of the earth

The affairs of the ages to come

This is a war between the sons of light and the sons of darkness!

Satan has ruled over this world for too long.

But behold, the season of his dethroning has come!

This is the appointed season for the vengeance of God upon all that is wicked. Prepare ye the way of the Lord, for He cometh quickly!

Very soon, fire will rain. Yes, very soon, waters will rise. Winds will rage. Guess what? Very soon, volcanoes will erupt!

All those who live around mountains, watch! Mark my words!

Only those who take the flight of Christ, the flight of the Holy Ghost, the Ark of Noah, shall be preserved!

Halleluyah! Jesus is that Ark!

Jesus is that Ark! Your faith and trust in Christ is that Ark! The Day of Jesus has come!

The Day of the Lord has arrived!

*"And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be. I am Alpha and Omega, the beginning and the end, the first and the last. Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city." **Revelation 22:12-14***

Let us continue to meditate on these, think about it, and eat the Word, so that it becomes great strength in us.

- The reason and purpose we are on this earth.
- The fact that we are in a war.

- That the agenda of the enemy is far greater than what we think.

The battle is not what we thought. The enemy's plan is more sophisticated than we imagined. Many churches today do not teach the true depths of this war.

The enemy is not only planning against us, he is targeting our youth, our families, our very existence. We must wake up, because the battle is not in the flesh, it is in the spirit realm.

We need to be alert!

We need to be ready!

We need to fight back in the spirit!

CHAPTER FIVE

HOW BELIEVERS EMPOWER DARKNESS

THE POWER OF MONEY IN THE BATTLE FOR RIGHTEOUSNESS

When you give your money to a business, you are transferring wealth from the kingdom of light to whatever that business stands for. So, you've got to be very careful. And if you own a business, you are bringing money from the sinner into the realm of righteousness. So, if you patronize a business, you are advancing the vision of that person—you are indirectly supporting their cause.

We, the righteous, are the very people who have established unrighteousness. Whether you like it or not, we, the righteous, are the people who have established darkness in our world.

So, forget about this idea of just trying to pray. We will not use prayer alone to overcome unrighteousness, injustice, and wickedness in our world. We are going to use the tool of money to reclaim it.

It's not just about prayer, because whoever you patronize, you increase their vision, their influence, and their power. Imagine if everything we need to survive food, water, housing, technology were all owned by unbelievers. Imagine that every basic necessity we spend our hard-earned money on is controlled by a demon-possessed person.

That means this person is not only getting wealth from you, but he is also using that wealth not just to sustain his business, but to further his vision. And let's be clear, 90% of the visions of unbelievers are ungodly, satanic, and wicked.

So, what have we done? We have financed the establishment of darkness and wickedness in our

world! Why? Because we failed to become the heads in different sectors that meet our daily material needs. We buy these things from unbelievers, and by doing so, we make them wealthy.

But think about this: If 50 believers own multinational businesses and unbelievers were the ones buying from them, what do you think would happen?

When that wealth increases in the hands of the righteous, that money will be used to advance righteousness! We must become kingdom conscious, strategic kingdom builders and financiers.

It's a circulation of wealth, but the real question is:

- Are you a major source in this cycle?
- Are you a major recipient of this circulation?

- Have you established yourself as a key player in the movement of wealth in this world?

Now, if you examine the global economic system, who are the major people who have positioned themselves as the key recipients of wealth? Think about it. It is wicked. And if we do nothing, Satan will continue to thrive. We must stop him!

Things are going to change. The righteous will rule. Light will rule. The Bible says:

*"The glory of the latter house shall be greater than the former." **Haggai 2:9***

I can assure you, the glory of the latter house is coming! We are going to be established in righteousness to show forth the glory of Jesus Christ!

HOW TO REGAIN YOUR FAMILY IN THE REALMS

In the realms, there is no past, no future, and no present, everything is open, and everything revolves. In the realms, you can visit the year 1948 and rectify things that happened in that season. You can go back to 1840, trace your lineage, and locate your ancestors to see exactly what they did and what kind of covenants they entered into with the devil.

In spiritual warfare, we teleport into the past, the present, and the future. What God is about to do is to give you a wave, a spiritual wave, where you will be able to ascend into dimensions and regain what Satan has stolen!

One thing you must know is that the devil comes but to steal. What does he steal? He steals your stars, he steals your fortunes, he is a very intelligent creature who knows how to tap into the future. He manipulates destinies and sets limitations over families.

But by this revelation, you will get on your feet by the power of the Holy Ghost and resist the devil! And he will flee from you according to the Scriptures:

*"Submit yourselves therefore to God. Resist the devil, and he will flee from you." **James 4:7***

God will not resist the devil for you! The Bible says that when you submit yourself to God, He gives you the capacity to resist the devil. So, when we submit to God, when we submit to His will, His instructions, and His commandments, we increase in spiritual capacity. And when we resist the devil firmly, he cannot help but to back off! That's something you must understand! Many people have given up because they felt the problem lingered. They tried praying for a week, for a month, but nothing changed, so they gave up. No, sir!

Every time you pray against a situation, you have gone at least 10% closer to your victory! You may not yet be at 100%, but because you have prayed

and taken spiritual action, you have already advanced! So, keep pushing!

When you push, you get to 20%. When you push again, you reach 30%, then 40%. That is how to resist the devil! And when he flees, he has fled forever! Once you defeat the devil in a particular area of your life, he cannot regain control. Why? Because God will establish victory over that area!

I see you reclaim the throne of your family! You are about to dethrone the devil! You are about to expose the witch that has been sitting on the throne of your household!

I don't know who has been sitting on the throne of your family, but God will expose them to you! And you will ascend like a blazing fire to destroy their stronghold and their legal right over that throne! The dynamics of family warfare requires spiritual understanding so that we do not fight ignorantly. Demons that rule over families are legal spirits!

They are stubborn and highly resistant because they have a legal right to be in that position. They are kingly spirits, they are princes in the realms! When you talk about demons that sit on family thrones, you must understand the mysteries of spiritual warfare.

By the grace of our Lord Jesus Christ, with the influence of His servants, we will war efficiently! We will war legally! And we will use the right tools in the Spirit to oppose the legality of these invisible creatures that have manipulated, influenced, and controlled our family lineages for years!

For some of you, witchcraft is sitting on the throne of your family. For others, Freemasonry is sitting on the throne. For some, wizards have occupied that throne. For others, a spirit of affliction is ruling over your lineage. There is a spirit called affliction. It is a demonic creature that can sit on the throne of a family, causing illnesses and diseases to be passed down from generation to generation.

There is a spirit called Insanity, a demon that runs in bloodlines, causing madness and mental instability.

There is a spirit of divorce, it ensures that no one in your family experiences lasting marriage.

The devil is predictable! You can identify the kind of spirit ruling over your family by studying the patterns in your bloodline.

Some families suffer from:

- Depression
- Tragedies
- Near-success syndrome (You always get close to success, but it vanishes at the last moment!)

Whatever demon is sitting on that throne, we are coming against it right now! In the name of Jesus Christ, we overthrow that spirit!

IDENTIFYING THE SIGNS OF A GENERATIONAL SPIRIT

To war effectively, you must be able to identify the spirit that is sitting on the throne of your family.

When Jesus encountered a spirit of deafness and dumbness, He did not address it vaguely. He was specific!

He said:

"You deaf and dumb spirit, come out!"

In spiritual warfare, you must be accurate!

You must be able to name the spirit that is sitting on the throne of your family. If it is the spirit of insanity, you must command it by name:

"You spirit of insanity, I charge you in the name of Jesus! GET OUT!"

If it is a spirit of darkness causing your family to resist the gospel, you must cast it out!

"You foul spirit of darkness, in the name of Jesus, I command you! LEAVE that throne!"

The Princes of Light must be enthroned!

Now, pay attention!

Some signs will help you identify the spirit ruling over your family:

1. Repetitive Negative Patterns: If something keeps happening in your family across multiple generations, it is a spirit sitting on a throne!
2. Chronic Illnesses in Your Bloodline: If a disease affects multiple generations, it is a sign that a demon is ruling over your family genetics!
3. A Pattern of Financial Struggles or Poverty: If your family has suffered from poverty for generations, identify it and war against it!
4. Addiction and Substance Abuse: If addiction is common in your family, a spirit is behind it!
5. A History of Insanity, Divorce, or Suicide: If these things keep happening in your lineage, it is a throne that must be overthrown!

Somebody in your family must rise up and take responsibility in the Spirit!

That person is YOU!

Being attached to a pastor does not exempt you from prayer!

Saying "I belong to that church" is not enough!

I see you regaining the throne of your family!

I see you dethroning the enemy!

I see you taking back what belongs to you!

In the name of Jesus Christ, you will ascend into the Realms and recover your family!

THE HOLY GHOST MOVES IN DARKNESS

It is very easy to miss the move of God if you are a man of sight. If you are controlled by your sight, if all your emotions are dictated by mere observation, by what you see happening around you, it can easily lead to missing what God is doing, even in this hour of darkness.

For anybody in the body of Christ that desires to ascend into the realms of God and be used of Him in these last days, one thing is certain: you must rise above your sight. You must rise above

what you feel and the things happening around you and begin to step into the dimensions of the Spirit, where truths, realities, and divine functions are established.

Please note this important point: God is not a man, God operates beyond this natural human world. The Creator of all things has set laws and systems in place to govern every realm. We are not supposed to judge God or perceive Him based on what we see, what we feel, or the circumstances around us. God is beyond what we see. God is beyond what we feel.

"In the beginning, God created the heavens and the earth. And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters." Genesis 1:1-2:

Now, take a moment to consider this. The Bible says darkness was upon the face of the deep, yet in the midst of that darkness, the Holy Ghost was moving!

If you look at the condition of the universe when the Holy Ghost began to move, it will likely bring you to a pause. The Holy Ghost did not move when light was upon the face of the earth. The Holy Ghost did not move when the earth was in a perfect state. The Bible says the earth was without form and void, a state of complete disorder, and darkness was upon the face of the deep yet, we saw the Holy Ghost moving!

Let me present this powerful truth to you: the best of the Spirit of God is seen in the hour of great darkness!

So when you think it is over, brother, that is exactly when the Holy Ghost begins to move! When you think you are empty, when destruction seems to be everywhere, when trouble has swept across your entire life, suddenly, you will find the Holy Ghost moving upon you!

Men of sight will say, *"It is over."*

Men of senses will look and say, *"Your life is*

empty."

Men of reason will say, "Your life is formless; it has no direction. Darkness is upon you."

But what they do not know is that darkness becomes the very habitation for the visitation and operation of the Holy Ghost!

Because out of that darkness, light is coming forth! Out of that void, God is forming something new!

People panic, crying out, *"Can't you see that the world has come under gross darkness?"*

No, sir! I do not see darkness! I do not see satanic control taking over the world!

I see a platform being prepared for the greatest move of God in history!

You must see beyond your natural sight. You must see that the Holy Ghost loves to move when darkness is upon the deep!

And I have come to declare to you that God is about to do something in this season that the modern church has never seen before in the history of its existence!

Hallelujah!

CHAPTER SIX

THE THREE HABITATIONS OF SATAN

ARE YOU PREPARING FOR THE AGE OF DARKNESS?

Everybody will be challenged. You will be challenged. Your health, your ministry, your finances, your marriage, your mind, your thoughts, your businesses, your work. Every possible area of your life will be tested. But your commitment and personal conviction with the Holy Spirit is what will preserve you in these last days.

The ascension into your light has begun. We are in a phase where everyone must embark on a personal journey toward his or her light.

Darkness has come, darkness has already arrived. We are in the era of darkness. It is sweeping across the nations like a thick, suffocating cloud.

A great falling away is on the horizon, and it is crucial that everyone prepares for what is coming. I have always said that a personal walk with the Lord is far more important than a corporate walk. It's not about how people perceive you, it's about what you know about yourself.

The body of Christ is plagued with hypocrisy. Hypocritical manipulation thrives when people care more about what others think of them than about the truth they hold in their hearts. But you know yourself better than anyone.

God is calling us into a personal conviction and an intimate walk with Him. This is not about excuses, self-justification, or bending God's Word to fit our desires. It is about complete submission to His Word above people, circumstances, or situations.

*"Heaven and earth shall pass away, but my words shall not pass away." **Matthew 24:35***

This means the Word of God is eternal. It is not anchored in the heavens, nor is it held up by the earth. The heavens and the earth were created, but the Word of God is uncreated. That which is created will pass away, but that which is eternal remains forever.

So imagine this: You become so obsessed with the things of the earth, your money, your job, your health, your marriage, yet you neglect the eternal. When the earth passes away, where does that leave you?

The rich live and die. The poor live and die. No man is exempt from the tragedies of life. Wealth does not shield anyone from cancer or incurable health conditions, from affliction, from disasters. The only safety is found in the Word of God.

But today, many have been captured by materialism, distractions, self-indulgence. Everyone reading this material right now, you

have been captured by something. It could be the Holy Ghost or it could be something else.

Self-examination is critical these last days. Before you know it, it will be too late.

We are not witnessing the end of the world, but the end of an age, the transition into another. And in every transition, there are casualties, people who fail to discern the times, who do not understand the sacrifices and commitments required to escape destruction.

In every transitory season, you must either move with the move of God or be swept away in judgment. Pastors, preachers, coordinators, and all who stand at the forefront of the Gospel must beware. The pressure of people who have become casualties will come upon you. But do not carry the burdens of those who refuse to walk in wisdom.

Everyone can pray. Everyone can consecrate. Everyone can hear God. Everyone can pay attention to the instructions of the Holy Ghost.

And if you do, you will be among the wise virgins, those who will withstand this dark hour. We are in the age of lesser light. Darkness has come. And only those who arise and shine will overcome it.

Isaiah 60:1 declares:

"Arise, shine; for your light has come, and the glory of the LORD is risen upon you."

Two powerful commands stand out in this scripture: Arise. Shine.

Who was commanded to arise?

Who was commanded to shine? Us.

God will not arise in your place.

God will not shine your light for you. You must arise. You must take your stand. You must prepare yourself.

And when the glory of the Lord comes upon you, God will manifest the reward of your integrity, the reward of your obedience, the reward of your prayers, and the reward of your commitment to Christ's principles.

Your light is the fruit of your walk with God.

The Bible warns:

*"Behold, I come quickly: hold that fast which thou hast, that no man take thy crown." **Revelation 3:11***

This means your reward can be stolen.

- Let no man seduce you and strip you of your crown of righteousness.
- Let no woman lure you into immorality and rob you of your heavenly reward.
- Let no material possession deceive you into compromising your faith.

For the righteous shall be tested, and our works will be tried by fire.

We have entered the age of the manifestation of higher creatures. A time when the light of God will be revealed through His people. Because we have entered the age of darkness. Yet, in this darkness, a remnant will shine.

I see light coming upon God's people in these last days. I see warriors of righteousness rising. I see men and women clothed in power, standing against the flood of deception.

THE TRINITY OF SATAN

"Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come." – **John 16:13**

The kingdom of darkness operates in structured rebellion against the divine order of God, manifesting in three primary realms of habitation: **the air, the earth, and the waters**. Each of these dimensions hosts a specific demonic entity that governs its operations:

1. **The Dragon** (War in the Air – The Prince of the Power of the Air)
2. **The Serpent** (War on the Earth – The Dominion of Deception)
3. **Leviathan** (War in the Waters – The Reign of Marine Powers)

Satan's traffic across these realms is strategic. His forces enforce dominion over nations, systems, and individuals by manipulating atmospheres, economies, and cultures. To effectively engage in warfare against the adversary, the **Church must ascend, discern, and roar** with divine authority. Let us now explore the nature, location, and operations of these three principalities in depth.

1. The Dragon – War in the Air (The Prince of the Power of the Air)

Who is the Dragon?

The Dragon represents Satan in his highest dimension of warfare, where he wars from the

second heavens. This is the realm of fallen angels, principalities, and powers that orchestrate global deception, wars, and manipulation.

"And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, And prevailed not; neither was their place found any more in heaven. And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him." – Revelation 12:7-9

Where Does the Dragon Operate?

The dragon operates from the **air**, specifically the second heaven, where he manipulates atmospheres, controls world systems, and influences nations through fallen angels. Paul refers to him as *"the prince of the power of the air"* (Ephesians 2:2), revealing that Satan traffics through the airwaves to control information, entertainment, and media, perverting the truth and corrupting minds.

How Does the Dragon War?

- **Doctrinal Corruption:** He masquerades as an angel of light (2 Corinthians 11:14) and releases false revelations, heresies, and perverted spiritual experiences.
- **Global Deception:** He influences world leaders, economic systems, and international policies to wage war against righteousness.
- **Apostate Churches:** Through the **spirit of Babylon**, he seduces the Church into compromise, materialism, and idolatry.

Engaging in War Against the Dragon

To overthrow the dominion of the Dragon, **the Church must ascend in prayer, intercession, and prophetic warfare**. The key to victory lies in spiritual intelligence:

- **Ascending in Revelation:** Discerning false doctrines and false Christs (Matthew 24:24).

- **Roaring in the Spirit:** Engaging in high-level intercession and governmental prayer (Daniel 10:12-13).
- **Releasing the Truth:** The Spirit of Truth exposes the lies of the Dragon (John 16:13).

We crush the principality, the ruler of wicked systems, the head of perversion, the architect of corruption! We crush Leviathan, the ancient dragon of pride, deception, and immorality! We overthrow the demon of hatred, the spirit of strife, the tormentor of the mind, and the agent of depression! Let the chains of darkness be shattered!

Even now, as we speak, how many children are being violated? How many destinies are being altered by the works of darkness? Perversion runs rampant, and governs the systems of the world. The truth is the world cannot deliver itself!

The Light must rise, the Church must roar. We are not called to merely beg God to intervene, we

have been given authority to wage war! When Christ ascended, He said "Take My place!" You are the light of the world, and how far that light shines is in your hands!

Yet many cry, "Oh God, send revival!"—like fools who do not understand their mandate. The kingdom does not advance through weakness but through dominion! Lions arise!

We are born of lightning and thunder, that is why the roar of a lion sounds like thunder from the heavens! When Jesus called James and John the Sons of Thunder, it was not poetic, it was prophetic! It was a declaration of their spiritual frequency. Thunder is not random, it follows lightning, the power of divine revelation! Only eagle believers can withstand the dragon. The battle is not for the weak or the fearful! To confront the dragon in the heavens, we must take the form of an eagle. To war against the serpent in the field, we must take the form of a lion. To wage war against trolls,

demonic gatekeepers, and dark sentinels, we must become warriors armed with fire!

The beast of the field, the demonic powers that rule the systems of the world, must bow. But hear this revelation: the dragon is called the fowl of the air, a corrupted entity operating in the heavenly realms. Even the scriptures declare:

"Praise the Lord from the earth, ye dragons, and all deeps!"
Psalm 148:7

The dragon has been summoned to bow to the dominion of the saints! The light of God's army must now invade the darkness. Let the angels be dispatched! Let the military angels take their ranks! Every demonic infection, every parasite of the dragon that has infiltrated your mind, I command it to be erased NOW!

Take on your eagle form! Soar into new dimensions of authority! For they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles!

*"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint." **Isaiah 40:31***

As you continue to pray in this manner, you will experience a supernatural shift! Your countenance will change; your spirit will take on the nature of an eagle in the spirit realm! Fire will proceed from your mouth! Your vision will pierce through dimensions! You will war against the dragons of your family, your territory, and your bloodline!

You will overthrow them in the name of Jesus Christ! You will defeat them by the power of the Most High! You will establish dominion in the realms of the spirit!

2. The Serpent – War on the Earth (The Dominion of Deception)

(Genesis 3:1, 2 Corinthians 4:4, Revelation 12:9, Matthew 4:6)

Who is the Serpent?

The Serpent represents Satan's **deceptive dominion over the earth**, operating through political systems, cultures, and ideologies. He first appeared in the Garden of Eden as a cunning beast (Genesis 3:1), corrupting mankind through subtle deception.

"In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them." 2 Corinthians 4:4

The wisdom of the serpent was once pure. It was a godly intelligence, an ancient dimension of insight. But Satan perverted it, entwining himself with its knowledge, corrupting it into deception. The first demon was not simply born, it was forged through perverted wisdom.

Do you understand how many fallen beings submitted to this rebellion? Leviathan was never meant to be an evil spirit, it was a creature of divine design, like the fowls of the air, like the beasts of the field. But when these beings aligned with Satan, they were cast into the abyss of corruption.

Where Does the Serpent Operate?

The Serpent operates **on the earth**, influencing:

- **Governments and Political Systems** – Crafting laws and policies that oppose divine order.
- **Economic Oppression** – Enslaving nations under financial bondage and greed.
- **Religious Confusion** – Corrupting worship and doctrine, leading men into false religions and ideologies.

How Does the Serpent War?

- **Deception and Lies:** Twisting the Word of God, just as he did when he tempted Jesus (Matthew 4:6).
- **Oppression:** Using fear, manipulation, and psychological warfare to control people.
- **Idolatry:** Diverting worship from God to materialism, entertainment, and power.

Engaging in War Against the Serpent

- **Dominion through Truth:** Proclaiming and enforcing the Kingdom of God (Luke 10:19).
- **Warfare in Wisdom:** Destroying demonic strongholds through strategic intercession (2 Corinthians 10:4-5).
- **Walking in Discernment:** Recognizing the subtle deceptions of the enemy (Matthew 10:16).

When the wisdom of the serpent has been conquered, the hour of multiple transformations and territorial takeovers begins. It is no longer just about personal deliverance but dominion over realms.

God revealed something profound to me—a vision, a revelation infused with divine knowledge. The word of the Lord came to me saying.

"Many Christians, even those who are truly born again, remain as sheep. They have not yet undergone the transformation I require."

You see, merely hearing the Word of God does not bring transformation. Even the Scriptures, by themselves, do not change a man. The Lord said, *"The only path to true transformation, from a lamb to a lion is through the way of death."*

We all begin as sheep, meek and dependent. But there is a journey, a divine process, that leads from sheep to lion. The Lord said

"Son, until the sheep takes up his cross and ascends to Golgotha, until he is crucified and the flesh is put to death, he will never have the power to metamorphose into a lion."

Only lions can overcome the wisdom of the serpent. Until you transcend the nature of a sheep and embrace the stature of a lion, you remain vulnerable to the beast of the field and the cunning devices of the adversary.

When the wisdom of the serpent has been conquered, the hour of multiple transformations and territorial takeovers begins. The sheep is designed for sacrifice, but the lion carries the force, strength, and dominion of the Man of War, Christ Jesus. The lion does not submit to oppression; the lion roars, takes dominion, and advances. The lion must ascend further! Until we metamorphose into eagles, we remain limited in our capacity to war against the dragon.

The woman in Revelation who waged war against the dragon was clothed with the sun. The sun is positioned in the heavens, far above the dominion of earthly creatures. She walked among the stars,

commanding celestial authority, while the dragon stood in defiance before her.

When we speak of the eagle dimension, we speak of commanding atmospheric abilities and exercising dominion over the fowls of the air, over the unseen principalities that govern realms.

3. Leviathan – War in the Waters (The Reign of Marine Powers)

(Job 41:1, Isaiah 27:1, Ezekiel 29:3, Revelation 13:1)

Who is Leviathan?

Leviathan is the twisted serpent of the deep, the principality that rules over the marine kingdom. He governs spiritual, financial, and generational destinies through manipulation, immorality and corruption.

*"Canst thou draw out Leviathan with an hook? or his tongue with a cord which thou lettest down?" – **Job 41:1***

"Thou didst break the heads of Leviathan in pieces, and gavest him to be meat to the people inhabiting the wilderness." Psalm 74:14

Where Does Leviathan Operate?

Leviathan's throne is in the **waters**, where he corrupts:

- **Economic Systems:** Many ancient civilizations (like Egypt) worshipped river gods, and today, marine spirits still traffic through financial institutions.
- **Nations and Kings:** In Ezekiel 29:3, Pharaoh is likened to a great sea monster, revealing the marine kingdom's influence over world leaders.
- **Spiritual Destinies:** Many destinies are trapped in the marine kingdom through covenants, dreams, and bloodline curses.

How Does Leviathan War?

- **Pride and Stubbornness:** Leviathan is described as a king over the proud (Job 41:34).

- **Witchcraft and Marine Altars:** He empowers sorcery, divination, and false prophets.
- **Sexual Perversion:** The marine kingdom traffics through sexual immorality and spirit spouses.

Engaging in War Against Leviathan

- **Deliverance through Fire:** Breaking marine covenants and soul ties (Isaiah 27:1).
- **Warfare through Purity:** Overcoming sexual sin and spiritual entanglements (1 Corinthians 6:18).
- **Ascension into Higher Realms:** Moving beyond earthly limitations and operating in divine authority.

We must understand how the spirits operate and how we can put on our spiritual abilities to be able to war effectively against satan in the water. Satan in the water differs from the satan on the earth and the satan in the air differs from the one on the earth. We must understand the weapons that are specifically designed to war against leviathan and if you don't understand, leviathan clings his jaws on

you. You won't be able to overcome his seduction in your emotions. The spirit that now lies in the waters knows how to cling its jaws on your emotions to manipulate your urges, to manipulate your strife, your ability to wrath. God will give you the wisdom to war against the wisdom of the beast of the field, the allure of the waters.

God will give you the prowess, the capacity to resist the strength of the dragon in the heavenly realms in the name of Jesus the Christ.

We are the Ecclesia of war, the militant church ordained to challenge the dominion of darkness. We are not here for material breakthroughs, cars, houses, or marriages, those are earthly things that perish with time. Our war is far greater, our calling is higher! We will crush the wisdom of the serpent, dismantle the strategies of the dragon, and engage in the battle that rages in the heavens.

The time has come when the kingdom of Christ will no longer be represented by mere eloquence, but

by raw power! The days of persuasive speech are over; now is the time of His glory, His dominion, and His kingdom breaking into this realm. The remnant must arise!

Now, you ask, "Pastor John, can you prove the structure of Satan's dominion?" Yes! I will give you a scripture that reveals the trinity of Satan's government

*"In that day the Lord with His sore and great and strong sword shall punish leviathan the piercing serpent, even leviathan that crooked serpent; and He shall slay the dragon that is in the sea." **Isaiah 27:1***

This scripture exposes the threefold dominion of Satan:

1. The Serpent – The cunning, deceptive intelligence of the devil that seduces and manipulates.
2. The Crooked Serpent – The twisted system of rebellion that corrupts men and nations.

3. The Dragon – The governmental force of darkness that enforces demonic decrees in the realms of the sea, the earth, and the air.

But hear me! God is about to overthrow the trinity of Satan's government! He will strip the enemy of his control over the nations of the sea. He will shatter his dominion over the earth. He will bring down his authority over the heavens! The time has come for Ecclesia to rise and take its place in heavenly warfare!

This is the hour of war! The gates of hell shall not prevail!

"And no man in heaven, nor in earth, neither under the earth, was able to open the book, neither to look thereon."

Revelation 5:3

Why did the voice specify *man*? Why not *spirit*? Why was there no mention of an angel, a cherub, or any other celestial being? Go and read your Scriptures carefully, the decree was clear: "No man

was found worthy under the earth, in the earth, or in the heavens."

This profound statement unveils a great mystery that *man exists in multiple dimensions*. There is man in heaven, man on the earth, and man beneath the earth. Even in the depths of the sea, the dominion mandate of man is evident.

When God first spoke in Genesis, He did not give dominion to spirits. He entrusted it to *man*. He said:

"Let them have dominion over the fish of the sea, over the birds of the air, over the cattle, over all the earth, and over every creeping thing that creeps on the earth." **Genesis 1:26**

In these last days, God is restoring man back to His throne, back to His government, back to His authority, and back to His communion in Christ Jesus. Jesus is the express revelation of the image of God, and we are *transformed into the exact image of Yeshua*.

Now, understand this, God is exposing the hidden works of the enemy. Satan does not attack blindly, he operates through structures, through principalities, through strategic forces. The Bible reveals that one of his chief dominions is through Leviathan, the great dragon of the deep.

What is the strength of Leviathan? It is not found in his size, nor in his form. His strength is in his jaws—he clenches onto your emotions, your struggles, your desires. He manipulates your sexuality, he projects lust, he stirs confusion, and he feeds on your insecurities.

This is why Satan operates heavily through the water spirits, the principality of the deep. The marine kingdom is one of *demonic hierarchies* that give Satan leverage over human souls. Through this spirit, he seeks to pervert God's order, to gain influence over the mind and body, to corrupt the destiny of men and women.

I declare upon you, 'Every unholy covenant, every demonic contract, every marine connection is broken in the mighty name of Jesus Christ! By the authority of the word of God, by the vexation of *the Spirit*, I stand against every operation of Leviathan in your life. I *break the jaws of Leviathan!* I *cut off his grip on your emotions!* I *destroy his influence over your desires!* In the name of Yeshua HaMashiach, I declare your deliverance!'

CHAPTER SEVEN

EMERGENCE OF SATAN'S FORMER REIGN

The different ages of satanic former reigns have already emerged. Satan is ahead of God in the sense that he has seen what God is about to do. He has already prepared his forces, setting the stage for a great confrontation.

All ages of satanic reigns have resurfaced, and Satan has reincarnated his former generals. The spirits, systems, cultures, and strategies of his past conquests have returned for the Armageddon War. This war will unfold in phases:

1. It will begin with the Dragon against the Man Child and the Woman.
2. Then, it will extend to Earth, where Satan will battle the remnants.

3. However, there is a second remnant those who bore the Man Child, who will be preserved in the wilderness.

There will be three types of believers during this time:

1. Those who will face persecution and attacks from the Dragon. The Earth will help some by swallowing up the flood of attacks. However, other forms of war will still come against them.

2. The Man Child, who will be seated on the throne. He represents authority, rulership, and divine dominion.

3. The remnant of the Woman, who will be given eagle's wings to escape to the wilderness for preservation.

THE SIX GENERALS OF SATAN IN THE LAST DAYS

Satan has strategically resurrected six of his most powerful generals. These spirits have been reactivated to enforce his reign of darkness over the earth. They are:

1. THE DAYS OF NOAH

Even though the world still has more years, the prophecies in Revelation reveal the unfolding of multiple ages. Satan has resurrected the ancient wisdom of Noah's days, which involved the interbreeding of demons with human genetics.

As Jesus prophesied:

*"As it was in the days of Noah, so shall it be in the days of the Son of Man." **Luke 17:26***

Satan is resurrecting the forbidden wisdom from Noah's time, bringing about a wave of genetic manipulation. This is already happening in modern laboratories under the guise of

Artificial Intelligence (AI) and scientific advancements.

- Animals are being interbred with humans.
- Electrical impulses are being used to merge demons with technological creations.
- Humans are being modified to host spirits of darkness.

Not everyone walking on the street is a human, some are hybrids, created through demonic technology.

2. THE SPIRIT OF NIMROD

- Nimrod's wisdom allowed man to build towers to connect with fallen extraterrestrial beings. Today, the sons of darkness are using this ancient knowledge to communicate with unclean spirits, download demonic wisdom, and manipulate humanity, Meanwhile, believers are struggling to ascend spiritually.

However, the Bible reminds us:

"We have come to Mount Zion, the city of the Living God, the heavenly Jerusalem, filled with the spirits of just men made perfect." (Hebrews 12:22-23)

The battle for ascension continues.

3. THE SPIRIT OF NEBUCHADNEZZAR

This is a beast system that seeks to rule the world through an anti-God, global agenda. Nebuchadnezzar has legalized immorality, including homosexuality, abortion, and transgenderism. The Bible is gradually being removed from schools and, soon, from churches. Preaching against sin will soon become illegal, and pastors will be arrested for violating human rights. The same way Nebuchadnezzar built a statue and forced everyone to worship it, Satan is building a system that will demand global allegiance to darkness.

4. THE SPIRIT OF JEZEBEL

- Jezebel has infiltrated the church, seducing even great men of God. This spirit manifests through:
 - Sexual immorality
 - Greed for money, power, and fame
 - False prophecies and deception
- Jezebel is now a prophet, worship leader, and songwriter—operating as an angel of light. Only those with spiritual discernment can detect her influence in the church.

5. THE SPIRIT OF PHARAOH

Pharaoh represents captivity, oppression, and deception. Many of God's people are comfortable in spiritual Egypt, enslaved by sin. The mentality of Egypt is still in the hearts of many believers:

- They love the pleasures of the world.
- They are stubborn and rebellious.
- Just like Lot's wife, who left Sodom but looked back because her heart was still in it,

many believers refuse to fully separate from their past.

God is calling His people:

*"Come out of her, my people, so that you do not share in her sins." **Revelation 18:4***

6. THE SPIRIT OF HEROD

- Herod was Satan's agent to destroy the prophetic manifestation of Christ. He passed a decree to kill every male child under two years old—a satanic sacrifice.
- The spirit of Herod will:
 - Increase the killing of babies (abortion)
 - Launch attacks against true men of God to destroy their reputation
 - Cause believers to lose faith in Christ
- Herod is a dragon seeking to prevent the rise of the Man Child in this generation.

We are in a critical time, a period of spiritual confrontation. The global satanic agenda is

intensifying, but God is raising a remnant of fire carriers who will disrupt the plans of the enemy.

WHAT MUST BE DONE URGENTLY

1. Break free from the system of Nebuchadnezzar. Do not conform to the secular world's agenda.
2. Resist the spirit of Jezebel. Be spiritually discerning and guard against deception in the church.
3. Escape from Pharaoh's captivity. Leave Egypt behind and embrace your divine inheritance.
4. Stand against Herod's attacks. Do not be discouraged by opposition against the true gospel.
5. Embrace the Fire of God! Walk in the power and authority of the Holy Spirit.

CHAPTER EIGHT

A PROPHETIC COUNSEL TO MINISTERS OF THE GOSPEL

Dear Man/Woman of God, arise! The time is short, the battle is fierce, and the deceiver has increased his traffic upon the earth. Do you not perceive it?

The adversary has mastered the art of deception, not by invention, but by observation. Through the very scriptures that should empower the saints, he has twisted truth into chains, and many who ought to roar with divine authority now whisper in confusion. Satan, that ancient serpent, has infiltrated even the ranks of those who bear the name of the Lord. How did he achieve this? By observing the ways of God. He understands spiritual principles, the law of dominion, and the power of sonship. And yet, the sons of God, who were destined to walk in the fullness of divine glory,

have been ensnared. What was meant to be their inheritance has become their struggle!

Hear me, ministers of the Most High! Authority is not in words but in rank. When a spirit refuses to obey your command, when bondage lingers without freedom among your flocks, it is a sign that your spiritual ranking is low. Do not argue! Do not shout in frustration! Instead, step aside and tell that spirit, *"I am coming back!"*

Then go into self-examination. Look into your life, what are the open doors? That woman you secretly text at night, the small compromises that seem harmless, the subtle sins that weigh you down, slowing your race.

*"Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us." **Hebrews 12:1.***

These are the very things that weaken your dominion. You cannot war against darkness while

secretly bowing to its seductions. What do you do? You enter into three days of fasting, prayer, and ruthless consecration. No distractions, no excuses, just you and the Spirit of God. For three days, you rend your heart before the Lord. You ascend in the Spirit, and the fire upon your altar is rekindled. Then, and only then, do you return to that battlefield.

By this time, you are a man of rank. This time, you do not command as a mere preacher, but as one who has stood before the Lord. The heavens bear witness! Your voice thunders in the spirit! This is when you can roar, *"Where is that devil?"* And when you command in the name of Jesus, the powers of hell obey! For it is written:

"Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you." Luke 10:19

Dear servant of God, I would like you to know that there are mysteries that must be unveiled in this last hour. The Church has fought demons at the

surface, but deeper realms of warfare remain unchallenged. There are dens, realms of habitation where darkness rules in strategic rebellion against the saints.

- **The Dens of Serpents:** The dominion of deception, where lies are enthroned over nations.
- **The Dens of Leviathans:** The marine realms that traffic in destinies, economies, and priesthoods.
- **The Dens of Dragons:** The domain of fallen princes who war from the second heavens, twisting truth and contending against the heirs of salvation. By the Spirit of the living God, through this book, I charge you to realign, ascend, and take back your authority. The time is now. The war has begun.

I PRAY FOR YOU

I declare upon you today: You will not die! Every situation that has brought you pain and reproach, receive your miracle now! If it is healing, receive it now! If it is deliverance, be loosed in Jesus' name!

Every satanic attack against you is turned for your good. The veil is torn, and the kingdom of darkness will not prevail against you! Stay in the fire. receive your deliverance right now! In the name of Yeshua the Christ, I declare healing over your body, your family, and your household. Your child is healed! Your mother is healed! Your husband is healed! Hallelujah! Every closed door in your life is opening now! I command portals of divine encounters to be unlocked! Let access be granted into realms of supernatural breakthroughs and spiritual ascension! In the mighty name of Yeshua the Messiah, let there be manifestations now!

May the grace of our Lord Jesus Christ, the dominion of Jesus Christ be established in your atmosphere! May you ascend into the realms that govern the universe, teleport into dimensions where divine realities are birthed! Receive fresh grace to legislate in the Spirit and enforce the kingdom mandate on earth! Righteousness, light, and the power of God must prevail across the

nations! And through your ministry, let the King of Glory reign in the hearts and minds of men! Thank You, Lord Jesus! Hallelujah! In the name of Yeshua, let it be so! Amen!

CONCLUSION

The forces of darkness warring against our destinies are weighty, formidable, and ancient. These are the dragons of the heavens, the rulers of the unseen world. The enemy is not just attacking you, he is systematically infiltrating your mind, planting seeds of destruction in your thoughts. If he can influence your intellect, he can dictate your choices.

The wisdom of the serpent must be shattered by radical obedience to the gospel of Jesus Christ. Every high thing that exalts itself against the knowledge of God must be brought into submission. Many call the devil a beast, yet they fail to understand that the devil became a beast because he saw the First Beast, the Lion of the Tribe of Judah! Heaven's creatures carry authority, The Lion, the Eagle, the Ox, the Lamb that was slain, each a reflection of divine dominion. The devil's horns are but a counterfeit of the true power in

Christ. Every perversion in the kingdom of darkness is a distorted imitation of what once belonged to heaven. But we will tear down the counterfeit!

We are a generation that understands familiar spirits but does not understand their God. They have reduced God to a mere concept, failing to realize that He is fire, the Lion, the Living Water, the Bread of Life, and the all-consuming One who dwells in unapproachable light.

When the enemy sought to destroy the Hebrew boys, he did not realize that fire was the closest realm to God. Before the heavens were created, God inhabited fire!

*"For the Lord thy God is a consuming fire, even a jealous God." **Deuteronomy 4:24***

When they threw them into the furnace, God did not rescue them from the fire, He appeared in it.

*"He answered and said, Lo, I see four men loose, walking in the midst of the fire, and they have no hurt; and the form of the fourth is like the Son of God." **Daniel 3:25***

The king's persecution only ushered them into a higher dimension of spiritual encounter.

I see the jaws of Leviathan, those ancient grips of strife, insecurity, emotional torment, and spiritual blindness, shattered in the name of Jesus!
Leviathan's infection will melt away by the power of your consecration, by the fire of your obedience, by the roar of your spiritual alignment.

Enter the realms of the Spirit! Confront the strongman who has hijacked the destinies of your lineage!

*"When a strong man armed keepeth his palace, his goods are in peace: But when a stronger than he shall come upon him, and overcome him, he taketh from him all his armour wherein he trusted, and divideth his spoils." **Luke 11:21-22***

*For the Lord shall break the heads of Leviathan and restore the treasures of your family **Psalms 74:14**.*

Reclaim your health, reclaim your honor, reclaim the prosperity of your bloodline! What was stolen shall be overthrown in the name of Jesus Christ!

Now, you must roar! Roar against the limitations set upon your destiny! Roar against the forces that seek to confine your potential. There is a dimension where conquerors network across realms, where the authority of the Spirit is activated through intensity. No more silence. No more passivity. No more captivity. The beast of the field has no authority over you. The serpent's wisdom cannot enslave you. The dragons in the air have no power over your divine inheritance. You are called to overthrow them!

Remember Lambs do not war. Lions roar, but eagles soar. The Lord is calling His people to ascend, to break free from the limitations of the flesh, to die to self, and to emerge in divine stature, first as lions who war, and then as eagles who rule the skies.

The metamorphosis has begun. Will you take up your cross? Let no one deceive you!

In the name of Yeshua the Christ, you are regained. You are restored to your dominion mandate. You are restored in the name of Jesus Christ!

- Be fruitful.
- Multiply.
- Replenish.
- Subdue.
- Have dominion over the fowls of the air.
- Have dominion over the fishes of the sea.
- Have dominion over the earth.
- Have dominion over the beasts of the field.

The dominion of the fishes of the sea against you is dethroned, destroyed, destabilized, and completely erased in the name of Jesus Christ!

The dominion of the corrupt fowl of the air, the dragons of the air is destroyed! We cast down the

strongholds of the dragons of the air in the name of Yeshua the Christ! The dominion of the corrupt fishes of the sea, the Leviathans that have put their jaws on your emotions, is hereby crushed in the name of Jesus Christ! The corrupt fowl, the lying deception of the serpent, the beast of the field, is destroyed in the name of Jesus Christ! The corrupt wisdom of the serpent, the beast of the field, is crushed, destroyed! Arise to your throne in the air! Rule over the fowl of the air! Arise! Take your throne in the waters! Rule over the fishes of the sea! Arise! Take your throne on the earth! Rule over the serpents, the beasts of the field!

We must rise and wage war against the forces of darkness. Many have been divorced, many destinies have been shattered, many men of God have fallen into immorality, and many have lost their fire in the Spirit. This is a battle for the *souls of men!*

There is victory in Christ! Those who walk in the light, those who dwell in the secret place of the Most High, will rise above these forces. They will be untouchable, incorruptible, and unshakable! The veil is torn! The dominion of the saints is restored! The kingdom of our God shall prevail!

Say this, 'In the name of Jesus, the jaws of Leviathan are broken! The grip of the serpent is destroyed! The dragon is cast down! We take our place in Christ! We walk in dominion! We are victorious' In the name of Yeshua, the Christ!

The Bondservant of Christ is called by God as an Apostle of the Gospel of Sonship & immortality, a watcher of realms of glorification and redemption of the human body, a custodian of the dimensions, realms of fire, transformation, and tele-transportation; outside body experiences, visions of heaven, visions of Jesus. He carries an electrical surge of Dynamo and glory...

He is a custodian of the realms of holiness, fire, Teleportation and ascension into the heavenly places. He carries a rare anointing for expounding the scriptures in high revelation as a teacher, providing deep and exceptional insight in the Gospel of Christ and Grace as well as unusual healings, miracles and deliverance. The Lord has granted him access to this revelation for the preceding days of the emerging age of the sons of God. It is written: the earnest expectation of creation is waiting for the manifestation of the sons of God (Romans 8:19).

God has instructed the Bondservant of Christ John Anosike; to take the "Campaign Of Life" to the nations of the world! This is a vision and commission from God to lift the mantle and champion the move of The Apostolic mandate to reach all nations of the earth with the gospel of Life, Incorruption,

Immortality(death impossible) and Sonship (the long-awaited redemption of creation)! It is a 'teaching campaign' on how NOT TO DIE physically, how to exit the earth through revelation and ascension. Hence, recovering our true identity and position in Christ.
