INTRODUCTION

The time is now! The heavens are ablaze with a divine urgency, and the Spirit of the Lord is summoning a generation that will walk in the consuming fire of God. The last great move of the Spirit is not coming with mere words, nor with enticing philosophies, but with fire that is holy, consuming, refining, and unstoppable! The realms of fire are opening, and only those who embrace the baptism of fire will stand in the days ahead. This is the final move of God. The question is: will you be found in the ranks of the armies of fire?

The days of lukewarm Christianity are over. Ministries that are void of fire will crumble. Believers who refuse the refining flames will be swept away. The battles of these last days will not be won by human intellect or powerless traditions, but by men and women who have been baptized in the furnace of divine fire! The

Bible says, *“For our God is a consuming fire”* (Hebrews 12:29). If God is fire, then His children must burn! If the throne of heaven is a place of blazing flames (Daniel 7:9), then those who will reign with Christ must be forged in fire.

What will sustain ministers, believers, and entire ministries in this final hour? It is not connections, wealth, or theological debates, it is the unquenchable fire of God! When the fire burns within, no trial can consume you. When the fire burns upon you, no demon can resist you. When the fire surrounds you, no weapon formed against you can prosper!

This book is a call to embrace fire, to walk in fire, and to become fire! This is an invitation into a divine encounter! The realms of fire are not for the casual believer. They are for those who are ready to be reforged, realigned, and reignited for end-time exploits. The Holy Spirit is moving like

never before, and only the burning ones will carry His presence into the nations.

Will you take responsibility for a life of fire? Will you surrender to the flames of purification? Will you forsake the comfort of lukewarmness and embrace the fire that makes men divine instruments in the hands of God? The choice is yours, but remember, only those who burn will shine in the kingdom to come!

Yours in the Sacred Vineyard

CHAPTER ONE

THE GATEWAY INTO THE REALMS OF FIRE

The Prophet Ezekiel, standing by the river Chebar, was drawn into an extraordinary realm, a vision so vivid and overwhelming that it defied natural understanding. It was in this moment that the veil between heaven and earth was pulled back, granting him access to the fiery essence of God's dwelling.

"Now it came to pass in the thirtieth year, in the fourth month, in the fifth day of the month, as I was among the captives by the river of Chebar, that the heavens were opened, and I saw visions of God.

In the fifth day of the month, which was the fifth year of king Jehoiachin's captivity, the word of the Lord came expressly unto Ezekiel the priest, the son of Buzi, in the land of the Chaldeans by the river Chebar; and the hand of the Lord was there upon him.

And I looked, and, behold, a whirlwind came out of the north, a great cloud, and a fire infolding itself, and a brightness was about it, and out of the midst thereof as the colour of amber, out of the midst of the fire. Also out of the midst thereof came the likeness of four living creatures. And this was their appearance; they had the likeness of a man.

And every one had four faces, and every one had four wings. And their feet were straight feet; and the sole of their feet was like the sole of a calf's foot: and they sparkled like the colour of burnished brass.

And they had the hands of a man under their wings on their four sides; and they four had their faces and their wings. Their wings were joined one to another; they turned not when they went; they went every one straight forward.

As for the likeness of their faces, they four had the face of a man, and the face of a lion, on the right side; and they four had the face of an ox on the left side; they four also had the face of an eagle. Thus were their faces: and their wings were stretched upward; two wings of every one were joined one to another, and two covered their bodies.

And they went every one straight forward: whither the spirit was to go, they went; and they turned not when they went. As for the likeness of the living creatures, their

appearance was like burning coals of fire, and like the appearance of lamps: it went up and down among the living creatures; and the fire was bright, and out of the fire went forth lightning.

And the living creatures ran and returned as the appearance of a flash of lightning. Now as I beheld the living creatures, behold one wheel upon the earth by the living creatures, with his four faces.

The appearance of the wheels and their work was like unto the colour of a beryl: and they four had one likeness: and their appearance and their work was as it were a wheel in the middle of a wheel. When they went, they went upon their four sides: and they turned not when they went.

As for their rings, they were so high that they were dreadful; and their rings were full of eyes round about them four. And when the living creatures went, the wheels went by them: and when the living creatures were lifted up from the earth, the wheels were lifted up.

Whithersoever the spirit was to go, they went, thither was their spirit to go; and the wheels were lifted up over against them: for the spirit of the living creature was in the wheels.

When those went, these went; and when those stood, these stood; and when those were lifted up from the earth, the wheels were lifted up over against them: for the spirit of the living creature was in the wheels.

And the likeness of the firmament upon the heads of the living creature was as the colour of the terrible crystal, stretched forth over their heads above. And under the firmament were their wings straight, the one toward the other: every one had two, which covered on this side, and every one had two, which covered on that side, their bodies.

And when they went, I heard the noise of their wings, like the noise of great waters, as the voice of the Almighty, the voice of speech, as the noise of a host: when they stood, they let down their wings.

And there was a voice from the firmament that was over their heads, when they stood, and had let down their wings. And above the firmament that was over their heads was the likeness of a throne, as the appearance of a sapphire stone: and upon the likeness of the throne was the likeness as the appearance of a man above upon it.

And I saw as the colour of amber, as the appearance of fire round about within it, from the appearance of his loins even upward, and from the appearance of his loins even

downward, I saw as it were the appearance of fire, and it had brightness round about.

*As the appearance of the bow that is in the cloud in the day of rain, so was the appearance of the brightness round about. This was the appearance of the likeness of the glory of the Lord. And when I saw it, I fell upon my face, and I heard a voice of one that spake." **Ezekiel 1:4-28***

A whirlwind, lightning, fire, creatures of fire, fierce and terrible, marked the arrival of this sovereign realm of God. The north, often symbolic of God's throne and His dwelling place, gave birth to this whirlwind, a cloud full of divine manifestation, pulsating with energy, garnished with spectacular voices and sounds, and illuminated by a fire infolding itself.

THE FIRE INFOLDING ITSELF

The phrase "fire infolding itself" is both mystical and profound. This was a fire that consumed yet did not diminish. It folded inward, suggesting an eternal source, a self-sustaining power that

needed no external fuel. This fire is the nature of God Himself, for

"our God is a consuming fire" Hebrews 12:29

It speaks of immaculate purity, holiness, and an intensity that burns away all that is unworthy to stand before His presence.

In this fire, we see the perpetual motion of God's glory, never stagnant, always alive. It folds inward to preserve its infinite power and unfolds outward to reveal its spotless, unblemished, righteousness. This is the fire that sanctifies, the fire that enables one to be irreproachable, and the fire that calls us to ascend into higher realms.

THE BRIGHTNESS AROUND THE FIRE

Ezekiel also describes a brightness around the fire. This brightness signifies the unapproachable light of God's glory. It is a brilliance that reveals and conceals simultaneously, the brightness is a

declaration that the realms of fire are ordered by perfection, surrounded by the radiance of divine purpose and authority.

"In Him is no darkness at all" 1 John 1:5

THE LIVING CREATURES- CARRIERS OF THE FIRE

As Ezekiel's vision unfolds, he sees living creatures emerging from the fire. These are celestial beings, each with four faces and wings. Their appearance is described as being like

"burning coals of fire, like the appearance of torches"
Ezekiel 1:13.

These creatures carry the essence of the fire, embodying its purity, power, and purpose.

The living creatures reveal a profound truth about the realms of fire, those who dwell there are transformed by it. They do not merely witness

the fire; they become carriers of it. We are called to be

"ministers of flaming fire" Psalm 104:4.

This fire equips us for service, sanctifies us for God's purposes and intentions, and empowers us to manifest His glory in the earth.

THE WHEELS WITHIN THE FIRE

Ezekiel's vision also includes wheels within wheels, intersecting and moving with perfect synchronization. These wheels, full of eyes, represent the omniscience and sovereignty of God. They move in harmony with the fire, signifying that the realms of fire are not random but governed by divine wisdom and order.

The fire glows with the color of amber, a golden hue that speaks of the divine nature of God. Amber, a resin that preserves life from ages past, symbolizes the eternal, unchanging nature of

God. The fire is not destructive but life-giving, preserving and refining those who draw near to it.

The amber hue also suggests the wealth and value of the realms of fire. To enter this realm is to access the treasures of wisdom, revelation, and power. It is a place where the soul is enriched, the spirit is fortified, and the mind is illuminated with the knowledge of God.

Fire powers everything pertaining to our God life supernaturally. It sustains even the human body, powers the heart, blood streams, and other organs supernaturally. Fire unlocks the impulses of the neurons and connects them to the electrical impulses of the spirit realms. fire is tangible, it links the invisible with the visible realms. We begin to travel into dimensions of revelatory knowledge and download the variable values, intelligence of the spirit that is relevant on earth.

The world and the systems of this world are being driven towards depravity and godlessness. It is a world of the devil. The Bible says that the prince of this world runs, governs, and presides over the affairs of the systems of this world.

This is why fire is a requirement for maximum effectiveness in the realms. This fire is to empower us to avoid and avert every possible spiritual infiltration that Satan has schemed, to lure us out of the frequencies that stirs up the program of God in our hearts.

We live in perilous, I would call it difficult times. For me, it's not difficult, but for some folks, it is a difficult experience. For those who understand the times and seasons, you realize that it is the most important, amazing season that any of us could possibly advance in our spiritual authority and prove our love toward God and command the fullness of God in our lives.

When Satan increases his darkness, it is up to us to increase the intensity of our light. We are the

light of the world, so we shine in every darkness. There's no amount of darkness that is not subject to us. Ofcourse you cannot trust or depend completely on the light from a candlestick to light up a big space of gross darkness. We live in a time when God desires that we burn as great lights, because, you see the darkness of the time is far more gross than the darkness of yesterday. If we are going to become successful in these last days, then we definitely have to advance in the light of God. We have to increase in the fire of the Holy Spirit.

Let me make this very clear. Fire and light are the same. The works of fire are the same as the works of light. Every time you think of light in the scriptures, you're referring to fire. It's just that fire is far more ferocious and intense. There is a little bit of a distinction between fire and light, the capacities or intensities. Considering the times we live in and how the devil desires to afflict us with anything and everything that could extinct

or extinguish the fire in our hearts, we have been established in the realms fire. Halleluyah!

CHAPTER TWO

TAKING RESPONSIBILITY FOR A LIFE OF FIRE

Be very careful to ensure that you fan your fire aflame. This is your responsibility. God has deposited in everyone of us a required degree of fire, this fire is subject to our fanning it. Now, if you play with your fire, definitely you have traded, tangled or opposed, you have actually worked against yourself. You have worked against your future. You have subdued yourself under satanic control. You have deceived yourself.

As the Holy Spirit leads us through this fight, as we are trying to conquer atmospheres, conquer people's heart, deal and fight religious beliefs, we will deal with deception. So many people are lost in deception.

We have a lot of warfare to fight in the mind, especially amongst christians who think they know, but they don't know the spirit realms. They become resistant to something great that God is about to do.

It is a necessity that each and every one of us understands the ministry of fire and how fire is required to become what God wants us to be. Now let me further establish the foundation of the subject.

Fire is God's endless eternal habitation.

The first two chapters of the book of Genesis, the Bible speaks about the creation of the hosts of the heavens and the hosts of the earth. Every creature was once inexistent prior. So God the creator created all things. According to the scriptures, all things were made by Him, and without Him, Jesus, the logos of God, was not anything made that was made.

*"All things were made by him; and without him was not any thing made that was made." **John 1:3***

So when it comes to all existence, God is the author of creation. God created existence and created creatures of different realms and habitations and living creatures and non -living creatures. He pre -existed the heavens. So then one would have to ask where then was the dwelling place of God. Where is God? Where was God before he made the heavens and the earth?

God dwells in a dimension beyond the heavens. Heaven is His office, His throne of administration. He comes from eternity, he comes from endlessness, infinite infinity, he comes from unapproachable light, he comes from fire.

Now here is my presentation or submission to you. God indwells fire. And the truth is this, fire will continue to be God's endless eternal habitation. In other words, God endures fire and because He endures fire, He is incorruptible. He cannot be defiled. Nothing can corrupt God because fire

keeps one incorruptible. Fire is absolute. Fire is holy. So where there is fire, nothing corrupts, nothing that can defile will ever have access to that habitation of our precious heavenly Father. Nothing unclean can survive around God because He dwells in an unapproachable light.

"Who only hath immortality, dwelling in the light which no man can approach unto; whom no man hath seen, nor can see: to whom be honour and power everlasting. Amen." 1 Timothy 6:16

So, when we speak of the originality of God, the infinite essence and nature of God, it is His indwelling habitation of fire.

God has emerged as the creator. Yet, His eternal, infinite dominance and nature is found in fire. He can emerge into different forms from fire. Yet his infinite nature is in fire. You must understand that, that's why the scriptures says no one can see Him, no man can see him. You know why? Because if you behold God in His existence, you will melt into nonexistence. So

God would emerge from fire to become Christ for us to behold Him. Your fire will determine the capacity of Jesus, of Christ, that will be willed into you. So the measures of God are determined by the fire that you're able to accumulate and fan into flames.

God is so vast, God is so deep, and beyond description. Sometimes, we want to limit God to our religious experiences and our religious faith and books, but God wants to call us into deeper journeys, into the depths of experiences that would advance our capacity to host His infinite nature.

God indwells fire. How much of fire one is able to accumulate determines how much of God he will possess. You cannot move from realm to realm without a bullet proof. The fire of God serves as a protective overcoat in the realms. It makes you unapproachable in the realms, undefeatable and impossible to be assaulted by creatures of other realms. By staying on fire, it means God has willed Himself into us. Remember

that our default nature and purpose for creation is to become His habitation. We are the temple of God. We are the temple of the Holy Spirit. We are the body, the bone, the structure, and the habitation of the Spirit God. So when God wants to find expression and reveal any aspect of his essence or nature to creation, He comes into man. So man will always be a channel of God's expressions. Now the infinite nature of God is so endless that God would have to create something that has the capacity to give Him visibility to different realms, capacities, creatures and different dimensions that are subject to Him. Man has been called and adopted by God as the mediator to other creatures and realms and different dimensions through which he will communicate His love, His purpose, His plan, and His eternal activities. Imagine God that is immortal, endless, and cannot die, would always recreate and create dispensations and recreate and reveal Himself. And man has become one of the adopted eternal mediators and channels

through which all of His essence and nature will be communicated to other creatures that are not in the image of God. So you must understand that in the spirit realms, man ultimately ought to be FIRE. If fire is not at work in you, If fire is not working in you, if you don't have fire inside your spirit, you will not in any way represent the image of God.

You will not represent any of His callings. Every deposit of God's gifts, callings, intentions, the gift of the Holy Ghost, whatever it is that God has wielded or deposited into your spirit by grace, is sustained, activated, empowered, by fire. And without fire, you will lose it. Without fire, it will be dominant and inactive. So that's why fire will always power every gift that comes from God. So you see, it's not enough to receive divine gifts, without fire, that gift will not come alive because every gift of the Holy Spirit came from God. You know, what activates the gifts? Fire, because everything that is in God, and that is of God, has

one habitation that keeps it aflame, that keeps it alive, and active. It is fire.

Satan understands the power and the ministry of fire, he knows that if you don't have fire, you cannot stop him, that's why Satan will give you fornication and every work of the flesh. You're acting like a fool each time you commit fornication. The moment you're fornicating, you are actually extinguishing the fire of God. I usually advice church workers and ministers who are fornicating to step down until they are ready to focus on the Lord, because they will cause more harm than good. They become an instrument of the devil to water down, to extinguish the fire of the Holy Spirit. If the fire is extinguished, God withdraws.

God indwells fire forever. And don't say, "Oh, Pastor John, if God indwells fire, then where is fire? You should be the fire." And anything that cuts down your fire, that extinguishes your fire, wants to destroy God's agenda in your life.

CHAPTER THREE

THE SECRET OF STAYING ON FIRE IN THESE LAST DAYS

The place of humility and brokenness is the actual place where we become useful in the hand of God. It is not every voice that sounds like the voice of God that is actually God speaking. Remember, Jesus said:

*"Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? And then will I profess unto them, I never knew you: depart from me, ye that work iniquity." **Matthew 7:22-23***

Aren't you afraid? Aren't you concerned that we live in a time, especially according to the Word of God, where many false prophets will come in the name of the Lord? Many shall preach Jesus, many shall pray for the sick and

get them healed, and do all kinds of things in the name of Jesus.

Yet, the Bible says that on that particular day, the Lord will say:

"Depart from Me, you that work iniquity."

And these were the very words of Jesus Himself, not the words of any other person. If this was coming from Apostle Paul or probably any of the other Apostles, one could possibly question it.

But how shall we question Jesus Himself?

He says:

"In the last days, many will be cast away."

I feel that ninety percent of these folks that will be cast away on the day of the Lord might have started well, but because they lacked the fear of the Lord and brokenness of spirit as they continued in ministry, offenses caught up with

them. Immorality caught up with them.
Prayerlessness caught up with them.

Though they were in ministry, they had no oil, no fire, all because of a lack of brokenness. when you talk about ministry, you're referring to the fire of the Holy Ghost burning in your heart, which will keep you incorruptible, secured, and protected from corruption.

Once you lose your brokenness, your fire begins to die. Anytime I feel I'm at risk of losing my fire, I step down. It's better to step down as early as possible because the disgrace that lack of fire would bring into your life as a minister is unbearable.

It will disgrace you. It will destroy you. It will destroy your ministry. Not just your ministry, it will leave your ministry alive while destroying the things that are highly valuable in your life:

- It will destroy your connection with the Holy Ghost.
- It will destroy your children.
- It will destroy your marriage.
- It will destroy your health.
- It will destroy your mental state.
- It will mess up your whole life.

It will bring you into hypocrisy.

The worst thing that can happen to a believer is to start living a hypocritical life, and then Satan brings you to a point where you become so defensive about your hypocrisy that you resist correction, rebuke, or anything that highlights your shortcomings.

It is not enough to say *"Lord, set this altar on fire right now,"* of course, that's a prayer. But I also need to know what it takes to cultivate the fire of God on the altar.

I have prayed for fire, and God has heard my prayer. In fact, God has answered the prayer! But He wants me to learn how to activate and sustain the fire.

For instance, in the natural world, if I desire fire, I know what to do:

1. Get some fuel.
2. Get matches or a lighter.
3. Ignite it.

Fire is generated through certain laws in the natural. Likewise, there are laws in the spirit that one can activate, and you will begin to burn in the Spirit.

One of the ways to keep the fire burning is brokenness. Brokenness of spirit is one of the ways your fire can keep burning. One of the ways to generate infinite, ongoing, eternal fire of God in your life is to stay broken. Brokenness

protects you from extinguishing the already burning fire.

BEWARE OF FIRE EXTINGUISHERS

Sometimes, it is not about adding more fire. The spiritual fire is not always about asking for more fire. No! Sometimes, what increases your fire is your ability to build boundaries around your fire and keep it protected from extinguishers. We often ask for more fire, but the moment we leave church, we engage in things that extinguish the fire. So, it's not just about an increase in fire. It's about keeping your fire protected.

So look for the things that eat up your brokenness? What causes your spirit to lose connection with God? What presses negatively on your spirit? Listen! If a man stays holy, consecrated, and conscious of the boundaries of the Word of God for seven years, he will never

be the same. He will attain a certain spiritual stature, and no devil can bring him down.

The problem today is that there is too much emotion in Christianity. But the Holy Ghost is not an emotion. The Spirit of God is not just a feeling. We are to walk with the Holy Ghost intentionally.

If you stay disciplined and consciously committed to biblical values over time, your fire will spread from your spirit to your soul.

When the fire of the Holy Ghost becomes a stronghold in your mind, you have arrived!

The problem is that many people receive the fire in their spirit but do not sustain it long enough for it to spread into the faculties of their soul.

THE ELECTION OF FIRE

We are in a transitory season. A new phase is before us. God is in the secret place, appointing,

electing, choosing, transferring, and mantling His final soldiers for the end-time battle.

This final election is not by any pastor, bishop, or general overseer. It is an election in the secret place of fire. And this is not just for the fivefold ministry, this is an election for the manifestation of the sons of God for the final warfare.

Stay broken! This final election is not about your title. It is not about how popular you are.

It is not about who lays hands on you.

This is about who has been broken and set on fire in the secret place. Let brokenness be the fuel that keeps your fire burning.

The Lord is preparing His final army. Will you be among them?

Now, all the divine truths I minister are powered, held on, sustained and activated by fire. All divine truth, all divine essence that hail from God is powered and sustained by fire. God has

several manifestations. He is love. He is wisdom. God is righteous. God is immutable. God is immortal. There are diverse attributes, there are different essence of God that makes him God. Each of these essence He willed into you as a seed. And that seed must be activated, sustained, watered to produce fruits only by fire. Meanwhile, righteousness without fire will result to the condemnation of righteousness. If you are neither cold nor hot, He will spit you out. He will cut it off. He will not cut it off overnight. He will ensure that He has accomplished more than everything He could do. if there are still no fruits, then He will cut it off. Please do not perceive things like "Man, when dealing with the spiritual, "Does God exist? Is God real?" They are trying to ask silly questions. Just ask them. How did these come? The sun, the moon, the stars, the galaxies, the planets of the world, the waters, the sea, the lightning, the thundering. God is amazing. Do not extinguish your fire. Because for every divine nature that we partook via the

grace of our Lord Jesus Christ came with a certain level of fire to sustain it onto fruitfulness. And that is why you must be very careful about the works of the flesh. Take out some spare time after reading this book to do a deep study around the works of the flesh. Each work of the flesh is there to extinguish the fire of your divine essence. And that's what the devil does. He is a very smart creature. This is the reason why he has continued to manipulate many things by the works of the flesh.

Every fire from God is holy because every aspect of God's grace that we took, every gift that we have received in Christ came along with a sustaining fire. It is your responsibility to increase in the oil of that particular excellence of God in order to keep that grace productive, advancing, and dominating.

CHAPTER FOUR

FIRE AND THE DEPTH OF GOD

I see supernatural approvals coming from the throne room of heaven, and every one of us will experience it, along with those connected to us and those who are drawn to what God is doing in these last days. They will witness it, and I tell you what it is, it is going to be achieved through the ministry of fire!

Oh, Pastor John, I don't know what fire means! Fire means something that burns! Fire burns, brothers and sisters! Fire purifies! Fire reveals the ways of God!

Do you want to know what it means to walk in another dimension? It is the way of fire! The Bible says:

"When thou walkest through the fire..."

It doesn't say if you pass through the fire; it says when you pass through the fire.

"When thou passest through the waters, I will be with thee; and through the rivers, they shall not overflow thee. But when thou walkest through the fire..." Isaiah 43:2

There is a path of God that is called the path of fire. When thou walkest through the fire!

There is a path that only fire leads a man through. There are different versions and depths of God that a man ought to acknowledge. There are hidden dimensions of God that can only be found in the secret place of fire. The secrets of God are locked within the realms of fire, and the path of fire leads to greater fire!

When we walk through the fire, we get to the greater fire, and as we go through it, we are purified to host the most holy versions of God.

The things of God are hidden in the realm of holiness, in the realm of fire. So, God begins to

purify His people. God begins to purify us so that we may ascend into the realms He prepared before the foundation of the world.

God is saying to you, *"Embrace My dealings! Accept My purging! For I will soon daily deposit My Spirit upon your life in a way that has never been seen throughout the history of existence!"*

God wants to purify us completely!

Look at Isaiah 43:2 again:

"When thou passest through the waters, I will be with thee; and through the rivers, they shall not overflow thee..."

You see, the water represents God's word. So, when you pass through the waters, God says, "I will be with you!" You will enjoy the flow of His rivers, the flow of His word.

But when you go through the rivers, the situation changes. It says: "They shall not overflow thee."

This means that the rivers differ from the waters!

- In the realm of water, God is with you.
- In the realm of rivers, something begins to change! Something begins to shake a little bit because rivers prepare you for fire!

Now, hear this: God says, "I will be with you in the fire." But He also says:

"It will not burn you, neither shall the flame kindle upon thee."

This means that part of God's dealing is fire! Part of who God is, is fire! He is not just with you in the fire, He is the fire!

The fire purifies, but it does not burn you; rather, it melts you!

A potter cannot remold you without first melting you into what he wants you to be. Sometimes, God begins with you at zero level, and yes, I know you have achieved a certain level of success. But sometimes, God says:

"I do not acknowledge any success you have ever achieved! I will bring you to a point where you will start afresh!"

Fire melts a man! Fire brings you to a point of restarting! When you come into the hands of the Potter, He will melt you, remold you, and deploy you again into alignment with His predestined purpose.

Sometimes, God calls you, gives you an assignment, melts you through fire, confirms you, and then sends you out to accomplish that assignment. And the moment you're done with that assignment, guess what? He calls you back again! He recalls you back to the fire! He melts you afresh, remolds you, realigns you, and redeploys you! Fire brings you to a place where God can restart you!

- Where He can rededicate you to your next assignment!

- Where He can reassign you for your next divine purpose!

Some people do not want to go through the next fire because they are not ready to be reassigned. Some people are stagnant in the spirit because they have finished their first assignment and lost spiritual relevance!

That is why every preacher must learn to recall! You must accept the requests of fire! When fire calls you back, get back to the secret place of the Most High! Stay under the fire of God to be remolded! But before you are remolded, there must be a new ignition of fire. The Holy Spirit reignites you, melts you, and reforms you so He can repurpose you, restructure you, and reassign you!

CHAPTER FIVE

ENFORCING DOMINANT EFFECT OF FIRE

Every aspect of God's nature that we received in Christ has a domineering mission, mandate, innate abilities, because God is dominance. When you speak of God, you're speaking of dominance over sickness, disease, and vulnerability to every affliction of the human body. Now, we preach holiness, we preach righteousness, but we don't walk in righteousness. The reason is because the fire that powers the productivity of righteousness has been extinguished, because we open ourselves to our sexual and carnal tendencies, which has the capacity to extinguish a fire. It's not enough to talk about the realms of fire. It is about ensuring you know how to fan your fire aflame.

"Wherefore I put thee in remembrance that thou stir up the gift of God, which is in thee by the putting on of my hands." 2 Timothy 1:6

The Greek word for stir up is to fire. NIV puts it this way

"For this reason I remind you to fan into flame the gift of God, which is in you through the laying on of my hands." 2 Timothy 1:6

The gifts without fire is heading toward corruption and corruption cannot traffic realms to subdue corruption. Corruption cannot redeem creation from corruption, so you see how important fire is if you must excel in your dominion mandate within realms.

An office in the house of God without fire will be corrupted so quickly. A position in the house of God without fire will be corrupted instantly. I will step down as a preacher or as a pastor of this ministry once I lose my fire because I know I will corrupt everything I've ever built. I will turn

against every value and principle that I have ever built on. Gifts of God without fire leads to corruption. Today we have men and women who have assumed the office of Prophets, who have assumed different ministerial positions, men and women across the world, who are worship leaders, singers, leaders who coordinate one department or the other. Many are on the pulpit. Many are in different exalted offices that should be represented in Christ. These folks have lost their fire, but they are in the offices of gifts. They don't know how to fan their fire. How then can we be mobilised maximally to defeat dominions in the realms. They don't know how to set up the fire of the gifts of God. They don't know how to war in the spirit. They don't know how to pray and tarry until the power and the fire of the Holy Ghost is set up. Don't you ever try it, don't you ever envision it, don't you even dare trying to take any position and infiltrate the system.

I want to warn us that we must learn to fan the fire of the gifts. I'm not concerned about the

gifts. I thank God for the gifts. I know the gift is there. I know you can preach, you can talk, you can see visions, you can prophesy. I'm not that concerned about what nine gifts of the Holy Ghost that you walk with. I'm more concerned about the incorruptibility of those gifts because gifts can be corrupted without that incorruptible fire flaming over it.

Imagine a gift built, surrounded, protected by the walls of fire. Imagine a gift that has the fortress of fire. Imagine a gift that has the walls of fire. Imagine a gift that has the defiance of fire. Imagine the impact in the realms, how many principalities will be dethroned, such gifts cannot be enticed by the wicked seducing spirits of Jezebel. Such gifts will not be manipulated by the demon called mammon.

Not money, nor the enticement of money. That gift will not be intimidated or harassed by the spells of witchcraft and witches. God had to build a pillar of fire by night around the Israelites. God had to place a new firmament over them,

a cloud over them to avert every possible witchcraft spell, curses on His people, because witches use the firmament to cast their spells. God had to put over them a cloud of covering to avert every possible witchcraft spell which attacks humanity. Therefore God becomes the fire that protects his people in the midnight hour. God loves fire. He dwells in fire. He walks in fire. He purifies with fire. He consumes with fire. He baptizes with fire. He cleanses with fire. He empowers with fire. He sustains with fire. Therefore you must become a burning fire to house Him.

As long as you yield yourself to the enticement of the spirit, then the fire of God that came alongside with the gifts of salvation, with all the parcels of divine nature will burn continuously. Notice that one thing is the gift, the other is the flames that you have to subject the gifts under. How do you keep and sustain the fire? by fanning the embers into flames You need to sincerely ask yourself what is it that you ought to

do to fan into flame the fire of God? Everybody wants the gifts. Everybody wants to stretch their hand and demons fly. The intensity of the fire you emit is what destroys the works of devils. So let's get to work because there are still some of his works that are left for our own conquests.

When Christ had accomplished His work, He went to heaven and the Bible says he sat down, waiting for all of his enemies to be brought under His feet.

*"But this man, after he had offered one sacrifice for sins for ever, sat down on the right hand of God; From henceforth expecting till his enemies be made his footstool." **Hebrews 10:12-13***

You know what Jesus did? He went straight and disarmed the devil, then He left us with all the demons. It would have been so boring if we had nothing to do. When I was growing up, we were told that we are going to be singing every day. We will eat and drink in heaven and sing all the

time. I think most people will wish for a richer experience in heaven, because that's boring, no matter how much you love music. If we start singing from 6am, trust me, just after one hour to two hours, some of you will just say, "Okay, I have felt enough of the goosebumps. Can I sit down?" Some of you will get bored.

So these are lies, these are religious lies. We have the largest weight to carry, the inhabitation of Yahweh, and for this, He is building us. He is building us up, and one day he will come to tabernacle inside us.

The Spirit of Christ is working on the inside of us to see if we will be willing to affirm righteousness, to produce the fruits of righteousness. To affirm all the gifts and all the deposits of God's essence so that we can be approved to host the fullness of God.

"He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of

*my Father, and I will love him, and will manifest myself to him." **John 14:21***

You begin first by beholding the visible manifestations of Jesus. And then from there you advance to another level. The Father and the Son will come together and make their abode with you, doing greater works. They are somewhere helping the foolish virgins to get oil. There are greater things of the Spirit. I pray that you will arise in the realms in the name of Jesus. Righteousness is switched on by fire. Righteousness is turned on by fire. Righteousness is elevated by fire. Righteousness is watered by fire to produce fruits. Why is righteousness important in the realms, it is because its one of the armours of God(The breastplate of righteousness).

You cannot survive the war in the realm without the breastplate. It protects your chest area in the realms. Since God inhabits fire, every essence of

God's divine nature that we partook in Christ becomes active, potent, productive by fire. Without fire, all of the gifts of salvation will disappoint you when you place a demand on them during warfare. Imagine entering the marine realm to dethrone dominions and you are incomplete in terms of your arsenals. That is why you should refuse to defile your holiness and walk in uprightness of consecration for these will aflame the arsenals to produce in the day of war.

Remember, we are dealing with the realms beyond the physical eyes. They are vast, mysterious, and deeply interconnected. Each dimension, whether marine, terrestrial, or celestial, operates under distinct laws and symbols. The eagle who rules sovereign in the skies, represents the realm of the air. The lion, king of the earth, speaks of dominion over land. The fish, master of the seas, embodies the mysteries of the marine kingdom. So one unique identity that can subdue them is fire. Its a master

key. Across these dimensions, one truth remains: it is the fire of God that empowers us to navigate and war effectively in these realms.

CHAPTER SIX

THE ARMOUR OF GOD AND ITS ACTIVATION

The Scriptures declare, *“Put on the whole armour of God, that ye may be able to stand against the wiles of the devil”* **Ephesians 6:11**

The armour is not a mere decoration, or fashion, it must be activated. To wear the armour is to embody its essence. For example, to put on the breastplate of righteousness is to live a life driven and governed by righteousness. Without the fire of God, the armour remains dormant, a mere shell with no power.

Consider Joshua the high priest, who stood in the heavenly courts clothed in filthy garments. The fire of God demanded the removal of those garments, signifying a cleansing and

empowerment for his divine assignment in the realms.

*And he showed me Joshua the high priest standing before the angel of the Lord, and Satan standing at his right hand to resist him. And the Lord said unto Satan, The Lord rebuke thee, O Satan; even the Lord that hath chosen Jerusalem rebuke thee: **is not this a brand plucked out of the fire?** Now Joshua was clothed with filthy garments and stood before the angel. And he answered and spake unto those that stood before him, saying, Take away the filthy garments from him. And unto him he said, Behold, I have caused thine iniquity to pass from thee, and I will clothe thee with change of raiment. And I said, Let them set a fair mitre upon his head. So they set a fair mitre upon his head, and clothed him with garments. And the angel of the Lord stood by. **Zechariah 3:1-5.***

Joshua the High Priest was standing before God while Satan accused him. He was described as a brand (burning stick) plucked out of the fire, this is a symbol of someone who barely escaped destruction but has been rescued by divine intervention. This speaks of deliverance, purification, and commissioning in the realm of

fire, meaning he was chosen and preserved for a divine assignment. So fire is what chooses you. you are chosen and set apart by fire.

In the realms, your garment is your identity. Joshua was resisted because of His garment. It is what you are known by and can be the reason for victory or defeat. What you put on determines the nature and influence you carry.

THE REALMS AND THEIR SUSTENANCE

*“For by Him were all things created, that are in heaven, and that are in earth, visible and invisible. **Colossians 1:16.**”*

The gifts and callings of God in your life are birthed in the realm of fire, and their sustenance is fire, it cannot be sustained by your ministry structure or programmes or massive attendance. Without the fire of God, these gifts will suffocate. Just as a fish dies when removed from water, so do spiritual gifts fade when removed from the fire.

"Quench not the Spirit." 1 Thessalonians 5:19

The fire that empowers the gifts or ministry comes from God, but the oil that keeps it burning comes from your obedience. Prayer, fasting, and yielding to the Holy Spirit's promptings are the fuel for this oil. The Spirit calls us to pray, to fast, to consecrate ourselves, and yet, how often does the flesh rebel? The body complains, weakens, and demands satisfaction. But every act of obedience increases the oil, ensuring the fire remains vibrant. Without this fire, the gifts become dangerous, manipulated by fleshly desires or demonic influences. The Apostle Paul warns,

"Having a form of godliness, but denying the power thereof" 2 Timothy 3:5.

To war in the realms, you must carry the fire. The fire empowers your armour, activates your gifts, and makes you a force in any dimension. Whether you confront the marine spirits of the

deep, the territorial spirits of the earth, or the rulers of the air, your victory lies in the fire of God. The fire refines, empowers, and transforms. It is the essence of God's presence, and without it, no believer can prevail in spiritual warfare. Catch the fire, sustain it with your obedience, and let it ignite your gifts. For in the realms, only those aflame with God's power will ascend and reign victorious.

Rise, sons of God, and let the fire of God ignite your gifts! Fan into flame the gifts you have received. Pray without ceasing, fast with determination, and obey the voice of the Holy Ghost Spirit. The realms are vast and multi-dimensional with battles that are fierce, but with the fire of God, you are unstoppable. Stand firm, clothed in the armour of God, and let the realms know that you are a force sent from heaven.

*“The Spirit of the Lord is upon me, because he hath anointed me...” **Luke 4:18***

The fire within you is the power of the Spirit, an essential link between heaven and earth, sea and atmosphere. It is your portal into the mysteries of the spirit. But beware! If this fire is extinguished, other forces will use this portal. Your lust for fame, power, and wealth, or even the subtle allure of covetousness, will claim the space meant for the holy flame.

"If the foundations be destroyed, what can the righteous do?" Psalm 11:3.

The foundation of your spiritual gifts must remain rooted in holiness.

THE DANGER OF STRANGE FIRES

Strange fires power unholy gifts. They bring neither healing nor deliverance because they are rooted in greed, lust, or pride. Such gifts might impress the masses, but they lack the transformative power of the Holy Spirit. Refuse to be an unstable servant of God. When the fire of

God is burning in you, it purifies. It refines your gifts, it also aligns you with the realities of the divine realms. The land, air, and sea all testify to God's order. The lion roars in dominion, the eagle soars in vision, and the fish navigates the depths with precision. So must your spirit operate with purity, clarity, and purpose.

When your fire is pure, your ministry becomes a portal. It doesn't just bring information; it brings transfiguration. A holy vessel not only speaks words but also channels spiritual nutrients for nourishment of the listeners

A PROPHETIC CHARGE

Examine your fire! What fuels your spiritual operations? Is it ambition, lust, or the desire for validation? Or is it the consuming fire of God that sets men free and aligns them with the realities of the unseen realms? Let this fire refine you. Let it burn away the dross and ignite your spirit to access realms of divine glory. Wake up, rekindle

the fire, and step boldly into the realms and dimensions and redeem creations from corruption.

A BURNING REALITY

The greatest need in your life is not marriage, money, or promotion. No earthly desire compares to the cry of the spirit for divine fire, a fire that purges, refines, and aligns you with the realms of God. Fire transcends the boundaries of physical existence, igniting dimensions of life that connect you to the very essence of God. This is not ordinary fire; it is the fire of the Spirit, the fire that births and sustains the divine nature within you.

In the realm of the spirit is life. This fire must pass through every part of your being: your emotions, urges, affections, imaginations, finances, and even your laws and establishments. It burns

anything inconsistent with the preordained will of God, leaving you purified for His purpose.

Since we are born of God, carriers of His divine DNA, that means fire is the DNA of God.

"You are of God, little children, and have overcome them"
John 4:4

Why, then, allow corruption to infect you? Why let the parasites of this world infiltrate the holy chromosome you carry? This fire is your safeguard. It burns away the strategies of the enemy and sanctifies you for the Master's use.

You must be armed with the knowledge that the systems of this world are ruled by the prince of the air and is driven toward godlessness, this is the reason we are ambassadors of the Kingdom of God. We are deployed to establish God's kingdom in these realms. The fire within us answers the call to disrupt, purify, and reclaim dominions for God.

A separation has already begun. This separation is solely supervised and carried out by the fire of God. Just as the five foolish virgins were separated from the wise, there is a separation for those who will keep their fire burning. This fire revitalizes not only your spirit but also your mortal body

*"But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you." **Romans 8:11***

Will you be found radiant for God, or will you be consumed by the seductions, distractions and attractions of this world?

You must allow the beauty of the spirit to overshadow your outward appearances, allow the fire to prevail. Fire is light, and Jesus instructed to let your light so shine, in other words let your fire so shine.

"Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."

Matthew 5:16

"For though our outward man perish, yet the inward man is renewed day by day" 2 Corinthians 4:16

AMBASSADORS BEYOND TIME

One important mindset to cultivate as a saint of realms is that we do not live in time, we are ambassadors of eternity. We are the collaborators of heaven, sent to establish the kingdom of God on earth. Our assignment is to bring to manifestation the prayer of Jesus:

"Thy kingdom come, Thy will be done on earth as it is in heaven" Matthew 6:10.

This is why we will do greater works, because we are the agents of divine dominion, manifesting His will in every dimension of creation.

Let the fire burn! This fire is the engine of revival, the essence of transformation, and the force

that drives the establishment of God's eternal kingdom on earth.

"The kingdom of God is not in word, but in power" 1 Corinthians 4:20.

Rise, ignite your flame, and step into your divine realm.

As an ambassador you function in a dimension where fire reigns. The fire is the force that defines your realm of authority, degree of purity, and volume of power. It is this fire that unlocks the mysteries of realms and dimensions, enabling you to traverse into the supernatural and command the elements of the earth, air, and sea.

THE VESSEL AND THE OIL

Paul admonished Timothy to

"stir up the gift of God, which is in thee." 2 Timothy 1:6

Why? Because **fire unlocks fire**. Without oil in the vessel, the fire wanes. The vessel (the body) is the carrier of this divine oil, but it is vulnerable to contamination. Sin, in its various forms, acts as a parasite, draining the vessel of its precious oil.

Beware of fornication, lies, and inordinate affections, for these are viruses that infiltrate the vessel. They dry up the oil and extinguish the fire of God.

"Know ye not that your body is the temple of the Holy Ghost?" **1 Corinthians 6:19.**

Protect your vessel, for where there is no oil, the fire cannot burn.

UNLEASHING THE VOLTAGE OF GOD'S POWER

The realm of fire is for those who will command power enough to challenge the forces that defy their destinies. The supernatural is real, and so is

warfare. The question is: *Do you carry enough power to subdue the opposition?*

There are cases in life that require a certain voltage of power to confront and overthrow. Some battles cannot be won with mere words or shallow faith. *The higher the intensity of fire, the more potent the results.* Jesus declared in Matthew 17:21,

"This kind goeth not out but by prayer and fasting."

This means that certain dimensions of affliction, disease, demonic oppression, and spiritual opposition cannot be moved by ordinary prayers. They require a higher level of power, a power that only comes through deep consecration, intense prayer, and relentless fasting.

Listen, saints of God! Many have died, not because they were weak, not because they lacked faith, but because they did not carry enough spiritual voltage to deplete the power of

the disease or affliction attacking them. You cannot confront a high-level demonic force with a low-level anointing!

"But ye shall receive POWER, after that the Holy Ghost is come upon you..." Acts 1:8

There are levels in the realm of power. Imagine two men: One is connected to a high-voltage power source, while the other has only a low-energy battery. Who do you think will last longer in battle? Who do you think can withstand the pressure?

Many believers walk around with low spiritual power, yet they want to cast out devils, heal the sick, and destroy the works of darkness. They attempt to operate in a realm their power level is too low to sustain.

Jesus did not send His disciples out *immediately*. He commanded them:

“Tarry ye in the city of Jerusalem, until ye be endued with power from on high.” Luke 24:49

They had the word. They had the knowledge. But without the fire, they would have been easy prey for the enemy! This is the mistake many believers make, they confront principalities and powers with an empty tank. They challenge sickness, curses, and oppression with zero voltage.

And when they stand before the enemy and declare, *"In the name of Jesus!"* nothing happens because there is no fire backing their words.

THE COST OF OPERATING WITHOUT FIRE

Many ministers of the gospel have died prematurely because they were drained of fire and never refilled. You cannot exhaust power and expect to remain untouchable without constant renewal!

Jesus Himself, after ministering to the multitudes, would withdraw into seasons of deep prayer and fasting.

"And in the morning, rising up a great while before day, He went out, and departed into a solitary place, and there prayed." Mark 1:35

Why? Because power must be replenished! When the woman with the issue of blood touched Jesus, He felt virtue leave Him (Mark 5:30). Virtue is power! And when power leaves you, you must refill, or you will be vulnerable.

Some preachers lay hands on the sick and perform deliverance, but afterward, they do not return to the secret place to recharge. Before long, the same afflictions they cast out from others begin to manifest in their own lives.

Why? Because they did not refill the fire! Imagine a man trying to cast out a demon of cancer with a low level of anointing. The sickness is charged

with high demonic voltage, yet the believer trying to rebuke it has no sufficient power. Instead of casting it out, he exhausts his small power, and the demon overpowers him.

This is why some ministers pray for the sick and then go home feeling the same symptoms of the sickness they just prayed against. They were not fortified! Instead of draining the disease, the disease drained them!

This is why the Bible warns:

*“Put on the whole armor of God, that ye may be able to withstand the wiles of the devil.” **Ephesians 6:11***

Armor is power. Fire is power. Without fire, you are defenseless

God is calling us into a deeper realm of power. It is time to step into the realm of fire, where sickness bows, demons tremble, and the supernatural becomes our daily experience!

We are in the last days, and God is raising men and women who will operate in raw power. The realm of fire is not for the fearful, it is for the spiritually violent!

*"The kingdom of heaven suffereth violence, and the violent take it by force." **Matthew 11:12***

This is your season to become a walking powerhouse of God. Let the fire of God consume you! Let the supernatural be your reality! Let demons recognize your presence and flee before you speak!

I decree upon your life, receive fresh fire now! In the name of Jesus, the Christ!

THE WAR OF AUTHORITIES AND POWERS

In the spiritual realm, everything operates by rank. There are authorities (Exousia), and there are powers (Dunamis). When Jesus gave the

disciples authority, He was not speaking of mere delegation; He was commissioning under angelic hierarchy under them.

*"For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places." **Ephesians 6:12***

Spiritual warfare is a battle between authorities and powers. It is not just about shouting "In the name of Jesus!" It is about whether your voice is recognized in the spirit realm!

When Daniel prayed, his answer was held up by the prince of Persia, a demonic principality. The angel Gabriel was delayed until Michael, the warrior angel, was released to enforce the decree. This was a combat between spiritual authorities.

Listen! Angels respond to rank. Demons submit to superior power. It is not your volume that moves them, it is your stature in the spirit!

When Jesus said, "I give you authority," He was saying, "I am assigning unto you an angelic command that will back your words!"

But authority alone is not enough! There are realms where only raw power speaks. This is why Jesus did not stop at authority, He commanded them to wait for the power of fire!

CLOTHED WITH FIRE—THE REALM OF DIVINE POSSESSION

The apostles were not permitted to begin their ministry until the Holy Ghost came upon them.

"Then there appeared to them divided tongues, as of fire, and one sat upon each of them. And they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit gave them utterance." Acts 2:3-4

They did not just receive tongues—they received a CLOTHING! They became possessed by power! They were no longer ordinary men; they became burning flames! This is what it means to be

clothed with power from on high! To be clothed means to be completely covered. You are no longer yourself, you are possessed by what covers you! When fire clothes you, your hands become conduits of divine electricity. When fire clothes you, your words are no longer empty, they carry governmental weight in the spirit! When fire clothes you, you become a walking portal of divine manifestations!

That is why Paul said:

"My speech and my preaching were not with persuasive words of human wisdom, but in demonstration of the Spirit and of power." 1 Corinthians 2:4

The gospel is not in words alone! The gospel is power! It is fire! It is dominion! It is authority!

THE INVINCIBILITY OF THE FIRE-CLOTHED MAN

A man clothed in divine power is untouchable. No demon can stand before him. No witch can survive around him. No disease can infect him. No force of darkness can penetrate his being.

This is the reality of those who walk in Fire through Exousia!

"He makes His angels spirits, and His ministers a flame of fire." Hebrews 1:7

When you carry fire, you become a living weapon of war! No sickness can dwell in your body! No demonic affliction can attach itself to you! No enchantment or divination can prevail against you! You become like Elijah, whose presence alone brought judgment upon the prophets of Baal! You become like Paul, who shook off a venomous viper into the fire without harm! You become a living flame! Spiritual

realms are real! There are ascensions in power, and each ascension comes with a greater degree of fire! This is why ministry is not for the unprepared! It is not about eloquence! It is not about charisma! It is about power!

Paul said:

“For the kingdom of God is not in word but in power.” 1 Corinthians 4:20

If you are not clothed with fire, do not attempt to represent the Kingdom! You will be torn apart by the very forces you claim to challenge!

CHAPTER SEVEN

NURTURING THE FIRE

The fire you receive is not static, its not in the nature of fire to be static. Hence it must be nurtured. The Apostle Paul declared,

"Quench not the Spirit." 1 Thessalonians 5:19

To keep the fire burning, you must walk in righteousness, holiness, and obedience to God's Word.

Fire unlocks fire. When you fan the flame, the intensity increases, spreading across realms. Like iron sharpens iron, surround yourself with firebrands, those who walk in holiness, integrity, and communion with God. Avoid the company of gossipers, manipulators, and the lukewarm, for they diminish the fire within.

"Be ye holy; for I am holy." 1 Peter 1:16

Holiness is the atmosphere where the fire thrives. As you sustain the fire through a lifestyle of prayer, fasting, and devotion, you unlock greater dimensions of glory. Over time, you become untouchable, a being of light and fire that transcends the physical realm.

DIMENSIONS OF FIRE

Fire is a gateway not just a force. In the supernatural, fire leads to realms of purification, revelation, and ascension. The fire of the altar unlocks the mysteries of the heavens, granting access to spiritual territories. The Bible says,

"Deep calleth unto deep." Psalm 42:7.

To ascend into the higher dimensions of the air, the earth, or the sea, you must first be refined by fire. Elijah called down fire from heaven to demonstrate God's supremacy. Isaiah was cleansed with fire from the altar before he could prophesy.

"Then the fire of the Lord fell, and consumed the burnt sacrifice, and the wood, and the stones, and the dust, and licked up the water that was in the trench." 1 Kings 18:38

Then flew one of the seraphims unto me, having a live coal in his hand, which he had taken with the tongs from off the altar: And he laid it upon my mouth, and said, Lo, this hath touched thy lips; and thine iniquity is taken away, and thy sin purged." Isaiah 6:6-7

This is the reality of realms and dimensions, the deeper you go, the more you must yield to the refining fire of God.

God is raising a generation that walks in purity and power. Align yourself with the creator of these realms, for He is the one who empowers you to rule within them. Let His fire consume every impurity. Let it lead you into the dimensions of divine glory, where the mysteries of the earth, air, and sea are revealed.

"The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein." Psalm 24:1

You are called to be a steward of these realms,
so master them with the fire of God.

*Step into the realms. Ignite the dimensions. Be
the firebrand that transforms the world.*

BAPTISM OF TRANSFORMATION

Fire is the purest expression of God's presence. Throughout scripture, fire announces His arrival, purges His vessels, and establishes His dwelling.

*“A fire goeth before Him, and burneth up His enemies round about” **Psalm 97:3***

Fire is a realm where God refines, purifies, and prepares His people for encounters with His glory. The generation that will experience the baptism of fire is the generation that will behold the appearance of the Lord. We have witnessed the baptism of the Holy Spirit, but many are yet to encounter the baptism of fire, a realm that

unveils the weight of His majesty, the awe of His holiness, and the consuming power of His love.

When God desires to visit, He subjects His people to fire. It is a refining process, a divine pressure that draws you into seasons of fasting, prayer, and consecration.

*“Behold, I have refined thee, but not with silver; I have chosen thee in the furnace of affliction” **Isaiah 48:10.***

This fire prepares the heart to receive the incorruptible God Himself. Prior to this experience, the fire will put you in a dimension of purification and preparation where the fire of God consumes all that is unholy, leaving only what is eternal.

*"The sinners in Zion are afraid; fearfulness hath surprised the hypocrites. Who among us shall dwell with the devouring fire? who among us shall dwell with everlasting burnings?" **Isaiah 33:14***

In this realm, demons flee, afflictions are burned away, and the faithful are transformed into vessels fit for the Master's use.

A CALL TO SUBMIT TO FIRE

I have noticed that many resist the fire, fearing the pain of purification. But the fire is not sent to destroy, it is sent to refine.

*“He shall sit as a refiner and purifier of silver” **Malachi 3:3***

Tears may flow as the fire breaks your pride, purges your heart, and convicts your spirit. Yet, it is in this brokenness that God's power is made perfect.

In this realm of fire, God calls you to surrender. Cast yourself as a living sacrifice upon the altar.

*“Present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service” **Romans 12:1***

Let the fire burn away every impurity, every fear, and every doubt, leaving behind a vessel of honor.

SUSTAINING THE FLAME

The baptism of fire is a continual experience and not an event. To sustain this fire, you must guard it against the forces that seek to extinguish it. Feed the flame through prayer, worship, and the Word.

*"Not slothful in business; fervent in spirit; serving the Lord." **Romans 12:11***

Sustaining the fire will enable you to carry His glory into every sphere of life, transforming the natural with the supernatural.

My Prayer For You

Today, as you read this book, may the fire of God ignite your heart. May it purge you, purify you, and prepare you to walk in the fullness of His

purpose. "For the entrance of thy words giveth light" Psalm 119:130. Let the light of His Word illuminate your path, and let His fire fuel your journey into the realms beyond the physical.

UNLOCKING THE MYSTERIES OF FIRE AND POWER

"But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint." Isaiah 40:31

Realms are divine realities structured by the eternal purposes of God. These realms, the air, the earth, and sea are territories of influence and warfare, each represented by spiritual symbols: the eagle, the lion, and the fish. These creatures embodies divine principles and powers that govern these realms. To operate in these dimensions, one must ascend in the spirit, war with heavenly authority, and carry the fire of God that purifies and empowers.

THE CHARIOTS OF FIRE

The realm of fire is not just about trial or purification, it is about transformation into the very nature of God. It is about entering the government of the Holy Spirit, where we carry the blazing presence of God in all its dimensions.

We must always meditate on the extraordinary moment in history when Elijah did not see death, but was instead taken into the heavens by fire. This was not one of his display of his prophetic assignments, no, it was a revelation of fire as an access to higher dimensions in God.

"And it came to pass, as they still went on, and talked, that, behold, there appeared a chariot of fire, and horses of fire, and parted them both asunder; and Elijah went up by a whirlwind into heaven." 2 Kings 2:11

Elijah did not just walk with God, he carried a measure of divine fire that made him unfit for earthly death. When it was time for him to ascend, heaven responded with its own kind, fire

took him because he had become fire. Fire calls to fire. Deep calls to deep. Those who are consumed by the fire of God cannot be taken by earthly elements, they must ascend in the glory of fire!

This was a prophetic sign of what was to come, the reality of men transformed into the image of Christ, set ablaze by the Holy Spirit, and carried into eternal glory.

THE FIERY EYES OF JESUS

Also when John encountered Jesus in His glorified form, he saw something terrifying yet glorious, His eyes were as flames of fire. This was the reality of who He is in His full dominion and majesty on earth.

*"His head and his hairs were white like wool, as white as snow; and his eyes were as a flame of fire." **Revelation 1:14***

*"His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself." **Revelation 19:12***

The eyes of Jesus is fire meaning perfect discernment. Nothing is hidden before Him. His fire sees all. His fire refines and consumes. The flame of His love burns eternally. Jesus is the very embodiment of divine fire. He does not just carry fire, He is fire. This was what John the baptist knew that made him say Jesus will baptize with fire.

*"John answered, saying unto them all, I indeed baptize you with water; but one mightier than I cometh, the latchet of whose shoes I am not worthy to unloose: he shall baptize you with the Holy Ghost and with fire." **Luke 3:16***

To be conformed into His image is to carry that same intensity of divine flames in our being. What does this mean for you? It means that our transformed, heavenly bodies will radiate the same fire that we see in Jesus. The bride must

match the groom, if Christ burns with fire, then we must also burn.

"Beloved, now are we the sons of God, and it doth not yet appear what we shall be: but we know that, when he shall appear, we shall be like him; for we shall see him as he is."

1 John 3:2

The Holy Spirit is here too distributes Himself to those who are ready to carry the nature of Christ. This is the destiny of the sons of God, to burn, to blaze, to radiate the fullness of God's fire! We are not meant to live ordinary lives, we are meant to carry the burning intensity of Jesus Christ into every realm!

"And there shall be no night there; and they need no candle, neither light of the sun; for the Lord God giveth them light: and they shall reign for ever and ever."

Revelation 22:5

The realm of fire is not just one dimension, it consists of seven realms, which correspond to the Seven Spirits of God described in Isaiah 11:2. These are not seven different spirits, but seven

dimensions of the fullness of the Holy Spirit, manifesting as fire.

*"And the spirit of the Lord shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the Lord." **Isaiah 11:2***

THE SEVEN REALMS OF FIRE (THE SEVEN SPIRITS OF GOD)

1. The Spirit of the Lord is the realm of divine authority and rulership.
2. The Spirit of Wisdom is the fire that empowers alignment with the word of God
3. The Spirit of Understanding is the fire that brings divine comprehension.
4. The Spirit of Counsel is the fire that directs and guides.
5. The Spirit of Might is the fire that empowers for supernatural exploits.

6. The Spirit of Knowledge is the fire that gives revelatory insight illuminates hidden mysteries.

7. The Spirit of the Fear of the Lord is the fire of reverence and holiness.

These seven realms make up the fullness of the Spirit. To be filled with the fire of God is to be filled with the fullness of the Holy Spirit, to walk in the divine government of the Most High.

"And to know the love of Christ, which passeth knowledge, that ye might be filled with all the fulness of God."

Ephesians 3:19

THOUGHTS : CONDUITS IN THE FIRE REALM

Fire is a reality in the spiritual realm, it is more than a physical force, It refines, consumes, purifies, and spreads. The same way fire transforms whatever it touches, thoughts ignite realms in the spirit. Your thoughts are not just

passive mental processes; they are flames that rule in the unseen world. Every thought is a spark, every imagination a burning ember, and every spoken word a wildfire that shapes the realms. Therefore thoughts are from the realm of fire. In the spirit, there is a chamber of fire where thoughts blaze and give birth to realities. This is the *Realm of Thoughts*, a domain where flames of consciousness rule over creatures that bring forth manifestations in the physical world. Just as fire refines gold, thoughts refine destinies. The intensity of your thinking determines the heat of your influence on creation. Your thoughts are rulers in the realm of fire. They burn paths into the supernatural, forging timelines and sealing realities. When you think, you are not just processing ideas, you are igniting realms, setting the spirit world ablaze with energy that fuels the course of your life.

THE THREE FIREBRANDS OF THOUGHT

When you think, three things happen in the spirit realm:

1. You ignite a future reality. Your thoughts cast flames into the corridors of time, shaping what is to come. Like a blacksmith forging a weapon in fire, your thoughts are the hammer that molds the destiny ahead.
2. You receive whispers from realms beyond. Thoughts are like flames that attract voices. Some from heaven, others from the abyss. When a fire is kindled, creatures gather around it. The realm of thought is full of entities waiting to fuel or extinguish your fire.
3. You birth new realities. Just as fire consumes wood and turns it into heat and light, your thoughts burn through the seen and unseen, generating ideas and energies that become tangible outcomes in your life.

*Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, **and bringing into captivity every thought to the obedience of Christ; 2 Corinthians 10:5***

Fire spreads. A single spark of thought, when fanned, becomes a blazing inferno. Thoughts transition into words, and words ignite greater realms. Your words are flames that govern the *Realm of Words*, ruling over beings that execute your declarations. Every spoken word is a wildfire in the spirit. Some words refine like a refiner's fire, while others consume like a devouring flame.

Imagination, too, is a realm of fire. The *Realm of Imagination* is where visions are set ablaze. Your ability to see possibilities is like a furnace where realities are forged before they manifest in the natural. Those who master this realm wield the fire of creativity, burning through impossibilities and bringing forth the unseen.

BEWARE OF STRANGE FIRES

Not all fires come from the altar of God. In the *Realm of Thoughts*, there are unholy flames, serpentine fires that twist minds, ignite deception, and birth destruction. The enemy, too, sends fiery darts into the mind, seeking to corrupt the holy furnace of thought.

What fuels your fire? If your thoughts are not aligned with the fire of God, they will burn in vain. You may labor in the natural, but if your thought-realm is fueled by strange firelike fear, doubt, and negativity, your efforts will be consumed before they bear fruit.

MASTERING THE FIRE REALMS

A blacksmith does not strike cold metal; he heats it in the fire first. In the same way, before success manifests in the physical, the fire of your thoughts must first shape it in the spirit. Align your thoughts

with divine fire. Speak words that burn with the authority of heaven. Imagine realities that set the spirit world ablaze with divine purpose.

Success is not just about physical work, it is from spiritual combustion. Those who master the fire realms will move in dominion, setting the world ablaze with the flames of transformation.

CHAPTER EIGHT

THE FLAMES OF FAITH

There is a fire that the Spirit of God carries that can only be conveyed by faith. It is an unquenchable blaze, a consuming flame, a divine inferno that ignites the hearts of men and propels them into realms beyond the natural. It is the essence of God's presence, the very substance of the unseen, the evidence of things hoped for.

The Scripture declares:

*"Now faith is the substance of things hoped for, the evidence of things not seen. For by it the elders obtained a good report. Through faith, we understand that the worlds were framed by the word of God so that things which are seen were not made of things which do appear." **Hebrews 11:1-3***

THE FIRE THAT BURNS BEYOND THE SEEN

Faith is fire! It is the holy flame that burns within the hearts of those who dare to believe. I am not talking about a mere mental agreement; no, this is a roaring fire that consumes doubt, devours fear, and purifies the soul.

We have heard different revelations of faith, different perspectives, and teachings, each one unveiling another layer of its depth. But let me add another dimension to your understanding: Faith is a flame that gives access to the realms of God's glory!

The depths of God are immeasurable, like an eternal furnace of divine realities waiting to be explored. If we are truly eternal beings, if our call in God is eternal, then why do we hesitate? Why do we hold back? Why are we afraid to step into the fire of faith?

THE PATIENCE OF FIRE

True spiritual fire burns according to divine order. Many are too quick to start a journey in the Spirit without preparation, and they get burnt instead of burning. Faith is the patience of fire, the endurance to stand until the unseen manifests.

Many people grow weary in their faith journey because they lack the fire to sustain them. They seek God but soon grow cold, their passion wanes, and they become spiritually dry. But a faith that is truly ablaze never grows weak, never becomes complacent, never burns out! True fire intensifies with time, it does not diminish.

A FIRE THAT TRANSPORTS YOU INTO REALMS

Faith is not just about receiving miracles. We understood faith in a selfish perspective for too long. It is not just about healing the sick or

casting out devils. It is not just about accessing blessings or obtaining material things. Faith is a realm of fire! It is a dimension where the Spirit of God moves like a blazing inferno, consuming everything that is not of Him and refining everything that is.

*"Through faith, we understand that the worlds were framed by the word of God." **Hebrews 11:3***

When the fire of faith burns, it shapes realities. It alters destinies. It causes that which is invisible to become tangible. Faith is the creative force of fire, it calls forth things that do not yet exist and causes them to manifest!

When faith is alive in you, it does not make you passive, it fills you with an uncontainable energy! This fire pushes you forward, drives you into higher dimensions of God's glory, and makes you unshakable. It is fresh fire, a fresh zeal, a fresh hunger for God.

But when faith is dead or cold, there is no energy, no passion, no movement. You see people claiming to be spiritual but struggling with stagnation. They are like embers without flames, like ashes without fire. They have a form of godliness but lack the burning power of the Spirit!

HOPE IS THE SPARK, FAITH IS THE FLAME

*"Now faith is the substance of things hoped for, the evidence of things not seen." **Hebrews 11:1***

Hope is the spark that ignites faith. Hope reaches into the unseen, but faith turns that hope into a burning reality. Faith is the fire that takes what is hidden in the Spirit and makes it visible in the natural realm! When hope and faith work together, the result is manifestation. It is like striking a match to wood, the fire begins to spread, the flames grow stronger, and before you know it, the entire atmosphere is consumed!

THE ELDER'S REPORT: THE FIRE OF KINGDOM AFFIRMATION

*"By faith, the elders obtained a good report." **Hebrews 11:2***

The good report spoken of here is not the approval of men but the affirmation of the kingdom! It is heaven's testimony concerning a man's walk with God. The fire of faith qualifies a man to be recognized in the spirit.

Maturity in the Spirit is not about how long you've been in church. It is not about titles. It is not about positions. True spiritual maturity is determined by the measure of fire a man carries.

THE MARK OF A TRUE ELDER IN FAITH

A true elder is not one who bears a religious title. A true elder is one who has walked through the flames of faith and emerged with a divine testimony! They have been tried in the furnace

of affliction, tested in the heat of God's refining fire, and proven faithful.

Many today seek the approval of men, but they lack the fire of God's affirmation. They are popular among people, but they carry no weight in the Spirit. Heaven does not recognize cold men! Only those who burn with faith can obtain a true report in the courts of heaven. If your faith is cold, rekindle the flame! If your passion has going down, don't get confused or lost, just ignite the fire! The Spirit of God is a consuming fire, and He is calling you to burn again, to walk in realms where the supernatural becomes natural, where the invisible becomes visible. This is the realm of fire. This is the dimension of faith. Let your faith burn! Let your spirit blaze! Let your life be a testimony of the unquenchable fire of God!

An elder's report and testimonial is from Zion, a report from the throne of fire, a testimony that

roars from the realms of burning glory. It is a report from the Spirit, an eternal decree from the One who dwells in unapproachable light. The Bible declares that by faith, the elders obtained a good report, not from men, not from the systems of the earth, but from God Himself! The heavens bore witness to these men of fire, and the Spirit realms acknowledged their authority.

But what made them worthy? Faith! Not a passive, lukewarm faith, but a consuming fire, an unquenchable blaze of confidence in the unseen realm. Their perception, position, and disposition were aligned with the eternal flames of God's will. They walked in divine combustion, their spirits burning with the evidence of things unseen. They stepped out of the natural and into the furnaces where the eternal blueprints of creation are forged. The Bible says these men understood how the worlds were framed, in other words they saw the invisible hands of

Yahweh sculpting the ages, shaping destinies,
and setting galaxies ablaze with divine intent.

I tell you, sons of fire, the day of the Lord is before us! Why do you fear the darkness sweeping over the world? If you are afraid, then you do not know the Fire Himself! You have not yet stood before the burning mountain of His voice; you have not yet gazed into the infernos of His revelation. But when you see prophecies manifest, when you hear the crackling flames of divine fulfillment, what must you do? Put on the garment of perseverance. Wrap yourself in the flames of consistency. Be clothed with the fire of love. Burn in the incense of prayer. Purify yourself in the furnace of holiness!

The fire of faith does not flicker, it rages! The faith of the fathers was not a dim candle but an all-consuming wildfire. The faith of Abraham burned with such intensity that he could leave everything behind to pursue a promise unseen.

Abraham's life was a perfect interaction and transaction with the realms. The faith of Moses turned a mere rod into a staff of miracles, splitting seas and shaking nations. The faith of Elijah called down fire from heaven, proving that our God is the God who answers by fire!

Now, as we gaze into the heart of extreme faith, let us move beyond the shallow, self-centered approach that has dominated the Body of Christ for too long. Faith was never meant to be a mere tool to get what you want, a house, a car, a breakthrough, a promotion. No! The fire of faith was given to us as sons of God, to forge eternity into the now, to shape divine plans into reality!

Many say, "Faith is for healing." Yes, but that is only a spark. Others say, "Faith is for deliverance." True, but that is merely a flicker. Some declare, "Faith moves mountains." Absolutely! But mountains are not the goal.

Faith is more than a miracle, it is the force that aligns men with the eternal decrees of heaven! It is the wildfire that consumes self and ignites purpose! Through faith, a man is elevated beyond the realm of personal gain and positioned into the grand orchestration of God's eternal intentions.

Faith is the burning chariot that transports men into the depths of God's will. Faith is the divine wildfire that blazes through generations, carrying God's eternal decrees. Faith is the furnace where the preordination of God is forged into manifestation.

Do you not know that by faith, you can birth divine blueprints? That through faith, you can call forth realities that exist only in the mind of God? By faith, men set generations on fire with the purposes of Yahweh! To achieve this, we must come to the revelation knowledge that the frequencies of our tongue, the vibrations of our

words, are not empty sounds, they are sparks of divine power! The enemy does not want you to know this! He wants you to believe that your words are casual, that your voice carries no weight in the Spirit. But let me tell you, your tongue is a torch! Your words are embers that can ignite realms. With the fiery tongue of faith, you can command kingdoms to rise and fall! With the fiery tongue of faith, you can release decrees that set territories ablaze for God! With the fiery tongue of faith, you can call forth revivals, summon awakenings, and establish the government of Christ on the earth!

The laws of the Spirit are unlocked through the flames of faith., and the instrument that carries this fire is the tongue. The elders understood this! They spoke from realms of divine combustion, and their words carried the very fire of God! Their decrees did not dissipate into nothingness, they burned through dimensions, engraving God's purposes into history itself.

WILL YOU BECOME A BLAZING ONE?

God is raising men and women who will no longer use faith just to receive, but to ignite, establish, and manifest the eternal will of God. The time of lukewarm faith is over. The time of passive belief is past. The fire is falling! The realms of divine infernos are opening to those who will step in! Will you become a burning one? Will you let faith consume your being until you become a living flame? Will you stop using faith only for earthly gain and start wielding it as a force that shapes eternity?

The realms of fire are calling. The flames are beckoning. Step in, sons of God. The burning mountain awaits.

THE BURNING ESSENCE OF FAITH

Mankind carries a key of fire within his very constitution. From the beginning, when Yahweh

breathed life into man, He did not just give him breath, He ignited a flame within him! A divine fire that fuels our dominion, our authority, and our very existence in the supernatural. Faith is the blazing essence that sets the realms of the spirit in motion.

When Yahweh said,

"Let us make man in our image," **Genesis 1:26**

He used substances of Himself, substances that burn with the very intensity of His presence. These substances are abilities, powers, supernatural endowments, they are the holy embers of God's nature, placed deep within us. Satan knows this! That is why he fights so hard to quench the fire within us, to distort the flames of our divine inheritance, and to pervert the very essence of what makes us dangerous to the kingdom of darkness.

A time has come and NOW IS when by the power of the Holy Ghost, we shall rediscover this fire, rekindle the flames of our faith, and burn through every satanic deception, manipulation, and intimidation! We are rising as a generation set ablaze by the fire of faith, and no power of hell can stand against us!

The enemy manipulates what you see, what you feel, and what you experience so that you will speak death instead of life. He creates false evidences, illusions of failure, and shadows of fear to trick you into speaking your own destruction!

FAITH-FIRE DOES NOT SPEAK WHAT IT FEELS, IT SPEAKS WHAT IT SEES IN THE REALM!

When the enemy whispers failure, you declare, "I am more than a conqueror!" Romans 8:37

When sickness knocks, you declare, "as he is, so are we in this world." 1 John 4:17

When fear creeps in, you roar, "God has not given me the spirit of fear, but of power, of love, and of a sound mind!" 2 Timothy 1:7

Faith is the fire that forces reality to bow to the Word of God!

Do you remember Shadrach, Meshach, and Abednego? The fire meant to destroy them became the place of their testimony!

*"If it be so, our God whom we serve is able to deliver us from the burning fiery furnace, and he will deliver us out of thine hand, O king. But if not, be it known unto thee, O king, that we will not serve thy gods, nor worship the golden image which thou hast set up." **Daniel 3:17-18***

They were thrown into the fire, but instead of being consumed, they were refined, revealed, and released into a greater glory! This is what FAITH-FIRE does—it turns every attack of the enemy into a platform for divine promotion!

I declare: Every fire you are going through will not consume you, it will refine you! You are coming out stronger, bolder, and filled with a new level of fire!

THE AUTHORITY TO COMMAND REALMS!

Through faith, we understand that the worlds were framed by the Word of God! Hebrews 11:3

The Word is fire! The Word is not just a set of letters, it is LIVING FIRE! When you declare God's Word in faith, you are releasing divine fire into the atmosphere!

Jeremiah 23:29 says, *“Is not my word like as a fire? saith the LORD; and like a hammer that breaketh the rock in pieces?”*

That means when you speak in faith, you are releasing the burning essence of God into your situation! You are reshaping realities with the blazing decree of heaven!

The Bible says that even the shield of faith is designed to quench the fiery darts of the enemy (Ephesians 6:16), meaning fire is fought with fire! The enemy throws flames of fear, but you counter with the fire of faith! Satan's fire seeks to destroy. God's fire seeks to refine!

God is looking for men and women who will burn with faith! Who will declare with boldness, I walk by faith, not by sight. My faith is unshakable, unstoppable, and unquenchable. No weapon formed against me shall prosper!

Lift your hands and receive this now! The Lord is igniting new flames within you. The fire of faith, boldness, and supernatural authority is resting upon you. You will no longer speak what you feel, you will speak what heaven has decreed!

THE FURNACE OF UNDERSTANDING

Fire is the essence of the spirit realm, the force that refines, purifies, and shapes destinies. When

we deal with the matters of faith, we are dealing with fire, because faith is not passive; it is an active, burning force that ignites transformation. And at the heart of this fire lies one crucial element, understanding.

Understanding is the flame that illuminates the dark corridors of the spirit. The Bible tells us that understanding is one of the seven spirits of God

*"And the spirit of the Lord shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the Lord." **Isaiah 11:2***

It is the key to unlocking the heavenly realms, the divine furnace where realities are forged. This fire does not only refine men, it shapes the unseen and commands the seen. The natural world is a reflection of what has already been established in the spirit.

Just as fire consumes what is perishable and leaves behind only what is refined, when a man

ascends into the realms of understanding, he begins to master the dimension that governs the visible world. Sickness is tangible, yet its roots are buried deep in the unseen realms. Poverty is tangible, yet its foundation is in the spirit. Success, favor, blessings, everything that manifests in this world was first birthed in another realm.

TRAFFICKING THROUGH THE FIRE OF UNDERSTANDING

Nobody enters the spirit realms casually. There is a gate, a threshold, an altar, a burning path of understanding. It is not enough to quote scripture, not enough to recite prayers mechanically; you must travel through the frequencies of understanding, where the Word of God is not just spoken but lived and burned into your being.

A man of understanding is a man of fire! When we engage in understanding, we are knocking on the door of faith, we are wielding the same force that framed the worlds. If the world itself was framed by the Word, then your future, your destiny, your circumstances, your wealth, your health, everything in your life can be framed by what you declare in faith through the realm of understanding.

THE DANGEROUS ERROR

One of the greatest mistakes we make is fighting the visible with the visible. Trying to quench a raging wildfire with mere human strength is folly. The church must understand that battles are not won in the physical, they are decided in the spirit first. When you see a man struggling with sickness, struggling with failure, struggling with limitations, understand that these things were not birthed in the natural realm. No! They were

spoken, activated, initiated in the unseen dimensions. The Bible warns us:

“Every idle word that men shall speak, they shall give account thereof in the day of judgment” **Matthew 12:36**

Think about this, why does every word matter? Because words are fire! Every careless word spoken releases embers into the spirit. What you are saying today is shaping the world you will walk into tomorrow. Your future fortunes or failures are incubated in the fire of your declarations.

You are not poor because of your education. You are not wealthy because of your degree. You are what your words have framed! I have seen the most uneducated men command wealth beyond measure. I have seen those with no earthly qualifications control the economy of nations. Why? Because life is not about certificates, it is about fire! It is about what you burn into existence with your words.

THE FIRE OF HONOR AND THE FLAMES OF CONSEQUENCE

Honor is a principle of fire. Many people curse themselves without knowing it. You cannot insult a father, spiritual or biological and expect longevity. The Bible says:

“Honor thy father and thy mother; that thy days may be long in the land which the Lord thy God giveth thee”
Exodus 20:12.

When you dishonor a father, you do not need to be cursed by him, your dishonor itself is fire that ignites destruction in your own path. It is a law, an unbreakable spiritual principle. Many have cut short their destinies, not because of witches or demons, but because they played with fire the wrong way.

Understand this, fire is neutral, it burns whoever mishandles it. Just as the right words create blessings, favor, and expansion, the wrong words

ignite curses, setbacks, and destruction. A man who speaks foolishly today will find himself walking in accidents tomorrow. Why? Because words are sparks that create future infernos.

“By the Rhema of God, the ages were framed” (Hebrews 11:3 paraphrased).

Times, seasons, systems, patterns, everything is framed by fire. If you want to see blessings in your future, frame them with the fire of God's Word today. If you want to walk in divine health, prosperity, and peace, ignite them with the furnace of faith.

You can be the healthiest in the midst of the sick. You can be the most prosperous in the midst of poverty. You can be the strongest in the midst of weakness. Why? Because you understand the principles of fire. You understand how to ignite your reality with the Word.

There is no neutrality in the spirit realm. You are either a burning one, framing your destiny with

fire, or you are a victim of the flames set by others. The Bible says:

*"Is not my word like as a fire? saith the LORD; and like a hammer that breaketh the rock in pieces?" **Jeremiah 23:29.***

The Word of God is fire, and when it is spoken, it breaks, refines, and constructs realities. If the world itself was framed by the Word of Fire, then understand this, your life is also a furnace of creation.

Everything you do, everything you say, every interaction, every thought you allow to burn within you is contributing to the inferno of your future. This is why some people walk in perpetual misfortune, they have unknowingly lit fires that consume their own progress. Others walk in divine acceleration, they have set themselves ablaze with the right words, the right actions, and the right alignment with the Spirit of Fire.

The spirit realm does not recognize excuses. It does not recognize “I didn’t mean it.” The same way an unguarded flame can burn down a forest, careless words and actions can ignite destruction in a person’s life. That is why Jesus warned:

*“By thy words thou shalt be justified, and by thy words thou shalt be condemned” **Matthew 12:37.***

What are you speaking? What are you declaring? What are you allowing to burn within you? You must understand that when fire starts, it does not ask permission to burn, it consumes everything in its path. The only way to control fire is to master it. You don’t fight fire with weakness. You don’t quench a wildfire by throwing paper at it. No! You master the laws of fire and use them to your advantage.

That is why understanding is critical. The man who has understanding will use the fire of faith to frame his world, while the man without

understanding will burn in the flames of ignorance.

Every season of your life is a fire. Every trial, every challenge, every delay, they are flames that can either refine you or consume you. The difference lies in whether you stand in the fire as a son of God or as a victim of circumstances.

Look at the story of the three Hebrew boys, Shadrach, Meshach, and Abednego. They were thrown into the fire, but instead of burning, they walked inside the fire with the Son of God. They understood the mystery of fire! That is why the flames did not consume them.

*"And these three men, Shadrach, Meshach, and Abednego, fell down bound into the midst of the burning fiery furnace. Then Nebuchadnezzar the king was astonished, and rose up in haste, and spake, and said unto his counsellors, Did not we cast three men bound into the midst of the fire? They answered and said unto the king, True, O king. He answered and said, Lo, I see four men loose, walking in the midst of the fire, and they have no hurt; and the form of the fourth is like the Son of God." **Daniel 3:23-25***

Likewise, if you master the principles of faith, if you understand the laws of fire, nothing can destroy you. Instead, fire will refine you, empower you, and elevate you into realms of dominion.

Every man carries fire, but not every fire is divine. Some people burn with the fire of lust, they are consumed by it until it ruins their lives. Others burn with the fire of anger, bitterness, and resentment, they are tormented by their own flames.

But then, there are those who burn with the fire of faith, righteousness, and the Holy Ghost, and these are the ones who become flames themselves, untouchable, unstoppable, and unquenchable.

The Bible speaks of the tongues of fire that rested on the apostles in the upper room.

"And there appeared unto them cloven tongues like as of fire, and it sat upon each of them." Acts 2:3

Those flames were the manifestation of divine authority, the empowerment to shift realms and govern nations.

When you burn with the fire of God, everything around you must respond. Sickness must bow. Poverty must flee. Demonic altars must crumble.

Doors must open. If you want to walk in power, you must align yourself with the divine fire. You must burn with understanding, with revelation, with an unshakable conviction that what you say, what you do, and how you operate in the spirit will shape the world you will step into tomorrow, for the realms of fire belong to those who understand them. You are either a master of fire or a victim of it. What fire will you burn with?

ENCRYPTED FIRE

Praying in tongues is not just an exercise in spiritual discipline, it is the releasing of divine codes, keys that unlock realms unknown to the natural mind. The Bible declares:

"For he that speaketh in an unknown tongue speaketh not unto men, but unto God: for no man understandeth him; howbeit in the spirit he speaketh mysteries" 1 Corinthians 14:2.

Mysteries. Hidden realities. Encoded decrees. When we pray in tongues, we navigate spiritual terrains that the enemy cannot intercept. We gain access to pre-creation wisdom, to the thoughts of God that were established before time began. This is fire! This is the technology of the fire!

Consider this, a child is born deaf and dumb. The doctors call it a genetic condition. But the spirit knows better. This is not just a biological disorder,

it is a spiritual encryption, a gate that needs to be decoded and dismantled in the spirit.

*"We wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places" **Ephesians 6:12.***

In moments like this, when prayer shifts from petition to combustion, when tongues transcend language and become weapons, we begin to unlock the codes behind affliction, limitation, and oppression. We burn through the barriers that the natural world has accepted as reality.

Satan is the prince of the power of the air. Entire communities, nations, and regions are governed by unseen forces that orchestrate patterns of sin, bondage, and destruction. Many evangelists have entered hostile territories, preaching boldly, yet failing to make a lasting impact because they only addressed the symptoms, not the source.

If a city is under the dominion of a prince of darkness, how do you set it free? Not by mere words, but by fire! A territorial stronghold cannot be overthrown by human effort alone, it requires a spiritual invasion, an enforcement of divine decrees through tongues of fire.

*"And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven" **Matthew 16:19.***

Before you see revival in a region, there must be a breaking of the atmospheric dominion of the enemy. The principality must be challenged, confronted, and displaced. This is not done with mere human strategies, it takes men and women who have been refined by fire, who have walked through the furnaces of consecration, sanctification, and purification.

These are men and women who burn, who carry the flame of divine government, who are no longer influenced by the seductions of the flesh

or the manipulations of demonic enticement. They have entered the chambers of the mysteries, where the blueprints of eternity are stored. They are not just praying, they are decoding, dismantling, and displacing.

*"Behold, I have refined thee, but not with silver; I have chosen thee in the furnace of affliction" **Isaiah 48:10.***

Fire does not come upon the casual. The mysteries of the kingdom are not cheap. There is a price to pay, the price of dying to the flesh, of yielding completely to the Spirit.

Jesus Himself, the Son of God, did not simply walk into power, He travailed!

*And being in agony, He prayed more earnestly: and His sweat was as it were great drops of blood falling down to the ground" **Luke 22:44."***

In this realm prayer is no longer a routine but a travailing, a birthing, a groaning. When a man enters the oven of divine encounter, he burns! His voice is no longer ordinary, it becomes a

frequency in the spirit, a sound that the heavens respond to, and the earth cannot resist.

DANGERS OF STARTING A MINISTRY WITHOUT FIRE.

What stands the test of time in the life of a believer or any minister is his capacity to generate fire by himself. So, fire is a necessity, especially when you're dealing with realms and when you're dealing with spiritual warfare.

You have to learn to be on fire because Satan is not afraid of you. Satan is afraid of the presence of the Lord that is in your heart and upon your body. So, it is dangerous to enter realms without fire.

There is a spiritual immunity that accompanies entering realms with fire. If you enter realms with fire, there is a divine protection, a divine

covering that comes along with any individual that goes into realms with fire.

And I tell you this: you become vulnerable when entering realms without fire. In fact, the route into a realm must be the route of fire! The truth is that God designed fire as the only gate and access to the spirit realms. Fire is the only route into realms!

So, if you're not generating fire enough and you start practicing realms or entering realms, you are in trouble. That would actually bring about some level of attacks that might succeed in afflicting you.

Any other entrance or access into the realms that is not through fire is ungodly. It will provoke demonic resistance, sometimes even possession or the entrance of demonic spirits into the earth, into your life, or even into your family and calling.

So, whenever you are involved in anything that has to do with realms, when you are cultivating spiritual activities and pushing into the realms, ensure that your life, your thoughts, your imaginations, and your ways of life are all under the fire of the Holy Spirit.

The reason we need fire is that we need the constant manifest presence of Jesus. The presence of the Lord dwelled in the tabernacle through fire. God dwells in fire! His presence is made manifest in fire.

So, wherever there is fire, God will be present there! That is why our spirit must be constantly lit. We have the candle of the spirit, of course, the Bible calls it the spirit man. The regenerated human spirit is the candle of the Lord, and in that candle, we have the fire of the Holy Spirit.

So, we must keep the fire burning!

Now, you cannot generate the fire yourself, the Holy Spirit brings the fire. But you must fill up your vessel with enough oil to keep the fire burning.

You still have a part to play in sustaining, expanding, and increasing the intensity of the fire of the Holy Spirit.

The Holy Spirit cannot use you without fire!

Now, I'm not saying that Jesus cannot save you without fire, you can be saved, your name can be written in the Book of Life, and all of that. But for the Holy Spirit to use you in these last days, you must be willing to walk in the fire and with the fire of the Holy Spirit.

You must be willing to be on fire, to blaze, to set yourself ablaze for Christ. You must learn how to generate the fire of the Holy Spirit.

WHAT DOES FIRE DO?

- Fire consumes anything that is not from God.
- Fire keeps the original intentions of God. The original intentions of God are kept and preserved by fire.
- Fire eliminates anything that is not consistent with God's Word.

So, if something is not in the perfect will of God, fire destroys it.

When a man steps into the realms of fire, he should be ready to lose a lot of things that his flesh, his religious mindset, or his carnal mind has embraced over time.

There are many things that you enjoy and do that fire will consume. It may not even be sinful, but it could be something that the Lord wants to purge from your life because it irritates Him.

To dwell in the fullness of the Spirit and to dwell in the fullness of His presence requires that you step into the fullness of fire.

That fire will demand your yielding. In fact, your level of yielding must be so deep that everything about your life is consumed by the Holy Spirit.

CONCLUSION

The time for half-hearted Christianity is over! The army of the Lord is rising, and they are not made of fleshly desires or religious traditions. They are made of fire! The world is in darkness, but you have been called to burn. You have been chosen to host the flames of the Spirit, to walk in realms unknown to past generations, to ignite the fires of revival wherever you go!

Do not be afraid of the fire. Do not run from the furnace. Run into it! For it is in the flames that men are refined. It is in the furnace that destinies are reformed. It is through the fire that true ministers of the gospel are born.

The altars of prayer must burn again. The pulpits must carry fire again. The streets, the cities, the nations, all must be engulfed with the flames of the Spirit! We are not here to negotiate with darkness, we are here to set the world ablaze!

God is calling you into a new dimension of power. Will you respond? Will you allow Him to baptize you afresh with His fire? Will you step into your divine assignment as a carrier of the flames of God?

This is the last great move of the Spirit, and only the burning ones will be relevant. Ministries without fire will fade into irrelevance. Believers without fire will be consumed by the battles of this age. But those who carry the fire will reign with Christ in the age to come!

Pray now! Cry out for the fire of God to fall upon you! Refuse to be ordinary! Reject a life without fire! Declare: "Lord, set me ablaze! Make me a flame in your hands!"

The Realms of Fire await you.

The time is now.

Step in!

The Bondservant of Christ John is called by God as an Apostle of the Gospel of Sonship & Immortality, a watcher of realms of glorification and redemption of the human body. A custodian of the dimensions, realms of fire, transformation, and tele-transportation; outside body experiences, visions of heaven, and visions of Jesus.

He carries an electrical surge of Dynamo and glory... He is a custodian of the realms of holiness, fire, teleportation and ascension into the heavenly places. He carries a rare anointing for expounding the scriptures in high revelation as a teacher, providing deep and exceptional insight in the Gospel of Christ and Grace as well as unusual healings, miracles and deliverance.

The Lord has granted him access to this revelation for the preceding days of the emerging age of the sons of God. It is written that the earnest expectation of creation is waiting for the manifestation of the sons of God: Romans 8:19. God has instructed the Bondservant of Christ John Anosike to take the "Campaign Of Life" to the nations of the world! This is a vision and commission from God to lift the mantle and champion the move of The Apostolic mandate to reach all nations of the earth with the gospel of Life, Incorruption, Immortality (death impossible) and Sonship; the long-awaited redemption of creation!

It is a 'teaching campaign' on how NOT TO DIE physically, how to exit the earth through revelation and ascension: hence, recovering our true identity and position in Christ.
